One of the great lessons of the war is that service is one of the chief marks of all true manhood and all true Christianit. At the front, too, a man had a consciousness of unseen forces and unseen voices that one did not experience at home. The speaker had never heard of a soldier denying the existence of God. There was no such thing as infidelity among the men at the front. They might be careless, profane and even wicked, but they acknowledged the existence of God and turned to Him in times of stress or grave danger. Most of the men at the front didn't care a rap what church a man belonged to. If he was genuine and played the part of a man he was respected as such. Capt. Skey stated his conviction that God does not tie himself to any one method or external form of doing things. The various church bodies were all wrong in over-emphasizing things that God never meant to be over-emphasized. The speaker laid stress on the folly of having four or five ministers and as many churches in a community of a few hundred people, where it was only possible to build up one church by drawing from and pulling down another. This was not God's way. The lecturer closed his address with an impressive plea for the union of the existing Protestant churches and the creation of one simple, grand, pure and beautiful Church of Christ in Canada.

The audience expressed its appreciation of the address by heartily endorsing a vote of thanks proposed by Rev. F. Eley, seconded by Mr. U. W. Christie.

At a short business meeting of the Canadian Club following the address the following officers were elected for the incoming year: Hon.-Pres., Dr. R. N. Kyles; Pres., Dr. G. A. Campbell; 1st Vice-Pres., Col. Preston; 2nd Vice-Pres., Mayor Lewis; Secretary, T. S. Little; Treasurer, C. A. Lamon; Literary Correspondent, A. D. McKitrick; Committee, A. A. Hughson, E. Hackett, Rev. F. Eley, U. W. Christie and J. B. Adamson.

CARD OF THANKS.

Mr. and Mrs. Jno. S. Legate and family desire to tender their neighbors and friends their heartfelt thanks for the sympathy so generally expressed for them in the loss of their only son and brother.

Civilian: "Well, Tommy, you will soon be back at the old job again."

Soldier: "I don't think. Why, it'll take a deuce of a time to demoralize the army!"

WOMAN'S RIGHT TO GOOD HEALTH

Most Troubles Afflicting Women are Due to Weak, Watery Blood.

To every woman belongs the right to enjoy a healthy, active, happy life, yet nine out of every ten suffer years of agony, usually from some form of bloodlessness. That is why one sees on every side pale, thin cheeks, dull eyes and drooping figures—sure signs of headaches, weak backs, aching limbs and uncertain health. All weak, suffering women should win the right to be well by refreshing their weary bodies with the new, rich, red blood that promptly transforms them into healthy attractive women. This new, rich, red blood is supplied in abundance by Dr. Williams' Pink Pills, which reach every organ and every nerve in the body. Through the use of these pills thousands of women have found a prompt cure when suffering from anaemia, indigestion, heart palpitation, rheumatism, general weakness, and those ailments from which women alone suffer. There is no part of this broad Dominion in which you will not find some former sufferer who has regained health and strength through the use of Dr. Williams' Pink Pills. Among the thousands of women who bear testimony to the value of Dr. Williams' Pink Pills is Mrs. W. Ferguson, Plattsville, Ont., who says: "After the birth of my second baby I was left very weak, and was steadily growing thinner and more bloodless. As time went on I became so run down that my friends thought I was in a decline. I tried different medicines, but none helped me until I was advised to take Dr. Williams' Pink Pills. I began taking them and was not long in finding that they were helping me and by the time I had taken a half a dozen boxes I felt like a new person. I had increased in weight, my color returned and I was again enjoying my old-time health. You may be sure when opportunity offers I will gladly recommend Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills through any medicine dealer or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

MILITARY WEDDING.

A very pretty military wedding took place at Reisley, near Bedford, England, on Monday afternoon, Feb. 3rd, when Quartermaster Sergeant Cecil V. Statia of the Second Canadian Light Horse Cavalry Division, was united in marriage to Miss Phyllis Jeakins. The groom is the eldest son of Editor Vance A. Statia of the Dufferin Post, and Mrs. Statia, and has been through the thickest of the fighting at the front since the start of the war. We wish the young couple every happiness and a long and prosperous journey through life.

PIERSON-HILLOCK.

The home of Mr. and Mrs. Irwin Hillock, Mono-Caledon townline, was the scene of a quiet but pretty wedding at 4 o'clock on Wednesday afternoon, Feb. 11th, when their daughter, Minnie Myrtle, became the bride of Mr. Jacob Pierson, of Springhurst, Man. The ceremony was performed by Rev. P. C. Howard, of Cardwell, in the presence of a number of immediate friends. The bride, who was given away by her father, wore a gown of white shadow lace and carried a bouquet of white carnations. She was attended by her sister, Miss Ella Hillock, while Mr. F. L. Crisp, acted as groomsman. The bride was the recipient of numerous handsome presents. The happy couple left on Wednesday for their future home at Springhurst, Man. The Banner extends its hearty congratulations.

JACKSON-FALCONER.

A very pretty wedding was solemnized on Wednesday, Feb. 19, at the home of Mr and Mrs. Wm. Falconer, Inglewood, when their daughter, Elsie Belle, was united in marriage to Mr. William James Jackson, son of Mr. and Mrs. Wm. Jackson, of Mono, Rev. Dr. Spence officiating. The bride, who was given away by her father, wore a lovely gown of white satin trimmed with georgette and pearls, and veil caught with orange blossoms. Miss Hazel Falconer, sister of the bride, played the wedding march. Miss Lina Rusk, of Toronto, sang "Oh, Promise Me," played by Mrs. C. W. Holdsworth, sister of the groom. The groom's gift to the bride was a pearl necklace, to the bride's sister a cameo ring, to his sister a gold pin and to the soloist a gold pin. After a sumptuous wedding repast the happy couple left for Toronto and other eastern points, the bride travelling in a navy blue suit, navy hat trimmed with pink and mink furs. On their return they will reside in Mono. The Banner joins the numerous friends of the young couple in offering its heartiest congratulations.

WITH THE CURLERS.

Two rinks of local players visited Erin on Friday and played morning and afternoon games. Orangeville was 23 shots up on the day's play. The Orangeville players were: E. G. Bingham, J. D. McMillan, D. McLean, J. R. Duncan, Geo. King, Geo. Morrison, A. Dalgleish and W. C. Hopkins.

Two Shelburne rinks, skipped by Dr. Frank and A. Skelton, journeyed to Orangeville on Friday night in quest of the Bankers' Shield. The visitors put up a stiff argument and were only beaten by the narrow margin of three shots. E. C. Clark was down three shots to Dr. Frank's rink, and E. G. Bingham was six up on Skelton.

A PROUD RECORD.

Four Sons of Mr. and Mrs. D. Macpherson Enlisted and Each Won Commission.

Last week The Banner noted the homecoming of Lieut. Donald S. Macpherson, M. M., son of Mr. and Mrs. D. Macpherson, of this town. A more extended notice covering the war record of the four Macpherson brothers appeared in the Toronto Daily Star about the time of Lieut. Macpherson's arrival in Toronto. This we reproduce for Banner readers:

Looking trim and soldierly, but, nevertheless, suffering from the effects of wounds, Lieut. Donald S. Macpherson, M. M., arrived on the hospital train Saturday night at the North Toronto station. At Amiens on August 8, 1918, he was wounded severely in the face while serving with the 23rd Battery. A shell bursting near him caused numerous wounds on the exposed side of his body. A slight limp from a wound in the thigh, and the partial loss of sight in one eye are tangible effects of the war upon him, while the Military Medal bears testimony as to service rendered.

For four brothers to enlist in the early stages of the war is an unusual record. But for all to rise from the ranks and win commissions on the field is even more noteworthy. When there is added to this three decorations for bravery—well, the imagination travels back to days of knights and armor, to days when ballads declaimed heroic deeds. Nor does it end there. Capt. John Ross Macpherson, D. S. O., the eldest of the four brothers, sacrificed his life in the great cause. Lieut. Douglas Macpherson, M. C., and Lieut. Donald Macpherson, M. M., were both wounded in action. The other brother, Lt. Ewart Macpherson, might have added to the above record had he not been held in England to act as an instructor in the Air Force. Such is the summary of the way in which one Canadian family answered the call of duty.

The parents of these boys are Mr. and Mrs. D. Macpherson. They are all natives of Orangeville, Ont., where Mr. Macpherson is librarian of the public library. The father and mother were in the city to welcome home Donald, the first of their boys to return.

The record has local interest, as Lieut. Donald Macpherson, M. M., taught at Annette Street School before enlisting in the 67th University Battery. In the summer of 1916 he went overseas, and was then drafted to the 9th Battery. He fought with the Canadian forces at Vimy Ridge, at the Somme, at Passchendaele, where he won the Military Medal, and at Amiens, where he was wounded. He is a graduate of the Faculty of Education of Toronto University. He may resume his teaching next September.

Capt. John Ross Macpherson, B.A., D.S.O., enlisted while attending the University of Saskatchewan. He had shown ability as a leader, there, and was editor of the University publication while in his third year at the college. He went overseas in 1915 with a draft from Western Canada to the Princess Pats, and became sergeant of the draft. He rose steadily through the ranks until at the time of his death he was acting major of the Pats. He was mentioned in despatches by Sir Douglas Haig for memorable service. At Passchendaele he was awarded the Distinguished Service Order, when "after a personal reconnaisance he led his company forward and surrounded and captured an enemy strong point together with its garrison, in spite of determined resistance and intense shell fire. His energy and initiative were entirely responsible for the success of the operation which strengthened out the line for a further successful attack on the following day." After over three full years of service in France, on the 26th day of August, 1918, he fell at Arras.

Lieut. Douglas Macpherson, M. C., enlisted at Moosejaw, Sask., went overseas in 1915, and was drafted into the 16th Battalion, Canadian Scottish. He wop his commission shortly afterwards. In the Somme "show" he was wounded in the arm, but after a period in England, returned to his battalion. He was awarded the Military Cross for distinguished services at Amiens. He is at present with the Canadian Scottish in Germany.

The youngest brother, Lieut. Ewart Macpherson, enlisted at Orangeville, before attaining the age of 18. He went overseas in the spring of 1917 with the county battalion, but transferred to the Royal Air Force. He served many months as instructor and shortly before the close of the war he went to France.

"SALADA" MOVING.

One of the Best Known Landmarks of Toronto Changing.

The "SALADA" Tea Co. have surrendered their building at 32 Yonge street to the Bank of Montreal, the purchasers, and are moving out to 459-467 King street west—a few doors west of Spadina Avenue on the south side.

We do not suppose there is a resident in Toronto or neighborhood who does not know the "SALADA" warehouse, and many of us who have visited Toronto by boat will remember the large electric sign flashing over the bay the six letters automatically spelling the word "S A L A D A" This will be missed by hundreds of thousands, as it had become to be looked upon as a 'Beacon Light,' but the premises had become altogether too small to handle the immense business of the "SALADA" Tea Co. Twenty-one years ago they moved from Front street east to their Yonge street place and after three or four years' occupancy the volume of their trade increasing, compelled them to put on three extra stories, thus making their building a six-storey one.

The growth of the demand continuing their warehouse again became congested which necessitated them erecting a new warehouse in Montreal, corner St. Paul and St. Sulpice streets. Previous to this a branch had been opened in Buffalo, the business, however, being handled from Toronto. A year or two afterwards a branch was opened in Detroit; then one in Boston, Chicago, New York and other points in the United States.

The Toronto warehouse not being able to handle this business, an eight storey building, 100x81 feet, was erected at the corner of Berkeley and Stuart Sts., Boston, which is the headquarters in the United States.

The new Toronto warehouse the "SALADA" Tea Co. are now entering stands on a lot 100x431, the building having a 60 feet frontage on King street by 300 feet deep and four stories and basement, thus giving about 70 thousand square feet floor space—one of the largest warehouses in the Dominion and by far the largest tea warehouse in America outside of the Boston premises of the same concern.

In the new building there will be light from three sides and sufficient office accommodation to handle the head office business of the "SALADA" TEA CO.

ENTRANCE EXAM 1919.

The Entrance Examination will be held July 2, 3 and 4, 1919, beginning at 9 o'clock each day. The provisions of Circular 27 of the Education Department allowing pupils to work on the farm to obtain their certificates are rescinded. Hence parents, pupils and teachers will understand that there will be no Entrance examination at Easter.

AN $8,000 SALE.

The Banner undershot the mark when it stated last week that Mr. T. J. Henry's recent sale in Caledon brought about $7,000. We have since learned that the actual proceeds were $8,100. Mr. Henry had a lot of splendid stock, which brought him fine prices. A colt, 8 months old, sold for $160, five horses averaged over $200 apiece and cows brought as high as $155 each. Auctioneer Jas. A. Patterson wielded the hammer and handled the sale in capable style.

PRESENTED WITH PURSES.

Swinton Park Presbyterians Honor Their Late Pastor and Mrs. Matheson.

On Monday evening, Feb. 17th, Rev. J. A. Matheson, of Mono Mills, was invited to take part in the anniversary of Swinton Park Presbyterian church, which had been postponed on account of the prevalence of influenza in the neighborhood. Swinton Park is a part of the Priceville field, where services are held every Sunday afternoon. A beautiful church costing over $6,000 was erected there six years ago. A Forward Movement canvass was made last fall to pay off the debt on the edifice. At the anniversary the last note was torn to pieces amid the rejoicing of all. The congregation also gave striking testimony to their high regard for Mr. and Mrs. Matheson by presenting them with well-filled purses and the following addresses:

St. Andrew's Church,
February 17th, 1919.

Dear Mrs. Matheson:

We regret that on account of the influenza epidemic we were unable to bid you a personal farewell before you left for your new home, also that you are not with us this evening. For after twenty years sojourn among us you have endeared yourself to us all, with your cheery personality and your high ideals. You have been in and out among us, rejoiced with us in our joys, and sympathized and comforted many during affliction and sorrow.

In our church organizations you lent your aid and here in Swinton Park we feel that the success of our Missions y Society is due in no small degree to your help and attendance.

Now duty has called you to a new field of labor, where new opportunities will present themselves. While you are busily engaged in these your memory will be cherished here by young and old. We wish you and your family every success and happiness in your new home and as a remembrance of your friends at Swinton Park we ask you to accept this gift and hope the contents may be expended on something which will give you pleasure and comfort as well as to remind you pleasantly of your friends at Swinton Park, and we hope in the near future you may return for at least a visit among us, where a warm welcome always awaits you.

Signed: The Ladies of Swinton Park Congregation.

St. Andrew's Church,
February 17th, 1919.

Dear Mr. Matheson:

Your severing your connection with our church here has created a heartfelt fe eling of regret with both old and young.

The twenty years of your ministry here has been one of progress from year to year. Under your guidance our church has been a centre where the people received the spiritual uplift necessary to faithfully perform our daily duties. Our church has advanced materially as well as spiritually: for evidence of this material progress we have this fine building to worship in.

You have watched many of the present members from their infancy and when they came to make their stand for the Master you must have felt a keen pleasure. Many that worshipped here in the beginning of your ministry have been called to worship in the congregation on high.

Your relationships with the session, board of managers, Sabbath School officials and all the members of the congregation, and as well as the neighboring churches have always been of the happiest nature.

Not only have you been our pastor but our friend. Your noble standards of life were a source of uplift. We know your influence will always help to raise the tone of any community in which it is your lot to be cast.

We ask you to accept this gift as a remembrance of the good will of your friends in Swinton Park.

You carry with you our best wishes for succes and prosperity in your new charge. We hope your labors may be rewarded with a rich harvest in our Master's vineyard.

Signed: Your well wishers of Swinton Park congregation and vicinity.

Vinol will Stop a Cough and Break Up a Cold

A constitutional remedy that removes the cause by building up the system. These elements contained in Vinol—Beef and Cod Liver Peptones, Iron, Manganese and Glycerophosphates—soon create an energy that throws off the cold and prevents its reoccurrence. It has given ninety per cent satisfaction for sixteen years. HERE IS PROOF:

Dunn, N.C.

"I suffered with a chronic cold for four months, coughed day and night. Had to keep on working when I was not able to. I saw Vinol advertised and tried it, and I want to tell you it cured that cold in a short time. It made me eat and sleep well. Better every way." —J. C. Bailey, Dunn, N.C.

Lagrange, N.C.

"For years I suffered with a chronic cough, so I could not sleep nights and continued to lose flesh. My druggist asked me to try Vinol. It cured my cough. I can sleep nights and have gained twelve pounds. Vinol is the best tonic-strengthening builder I have ever used." —W. D. KEN, Lagrange, N.C.

For all run-down, nervous, anaemic conditions, weak women, overworked men, backw. children and chronic coughs, colds, we can't make like Vinol.

WIDOW OF FORMER SECRETARY OF STATE INDORSES TANLAC

Mrs. Patrie Gains Twenty Pounds and Her Health is Restored.

A great many people, especially ladies of culture and refinement, feel a great reluctance in publicly endorsing a proprietary medicine although they have derived untold benefit from its use, as publicity is more or less distasteful to them.

To a great extent this is the case of Mrs. D. E. Patrie, who lives at the Portland Hotel, Portland, Oregon. However, to use her words, "she feels that she would be ungrateful and delinquent in her duty if she did not tell others of the wonderful benefit she has received from Tanlac."

While Mrs. Patrie has lived in Portland a number of years, her former home was in Idaho. Prior to his death, her husband was one of the most prominent men in Idaho, having been Sheriff of his county several years, and later being elected Clerk and Recorder of Bingham County. Afterwards he was elected Secretary of State, and at the same time served as chairman of the Central Committee of the state Republican party.

In speaking of her experience with Tanlac, Mrs. Patrie recently said: "I weigh just fifteen pounds more now than I ever did in my life and have actually gained twenty pounds since I began taking Tanlac. My health failed about a year ago. My appetite left me almost entirely, and I didn't relish what little I did eat, and I just felt tired and listless all the time. I was extremely nervous and never slept well and would just lie in bed and long for daylight to come. I finally decided to take a trip back to Idaho thinking that a change might do me some good, but I didn't improve at all.

"In a very short time after I began taking Tanlac I could see that it was going to do me lots of good, and it is simply wonderful the way I improved. I have a splendid appetite now, and thoroughly enjoy my meals without any bad after effects. My nerves seem to be in perfect condition and I am thankful to say that I get good, sound, refreshing sleep every night. It is wonderful how my weight and strength have increased, and I can truthfully say that I am as well and strong now as I ever was in my life. I never lose an opportunity to praise Tanlac and when my friends remark about my wonderful improvement, it affords me great pleasure to tell them that Tanlac is entirely responsible for it."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

RECEPTION FOR SOLDIERS.

On Friday night the members of Purple Valley L. O. L. No. 84 held a reception in honor of three returned soldiers, Bros. R. J. Jeffers, W. W. Bell and Clinton Pierson, members of the Lodge, who returned home recently after doing their "bit" in France and Flanders. The interest in the returned men and the desire to do them fitting honor was shown by the large attendance, the hall being crowded to the doors. Past District Master T. H. White occupied the chair. During the evening Bros. Jeffers and Bell were each presented with a handsome watch fob. Bro. Pierson had been previously presented with a military wrist watch before leaving to go overseas. The members of the Lodge also expressed their appreciation of the services the three brethren have rendered their country and the empire by presenting them with the following address:

Glencross, Feb. 21, 1919.

To Bros. R. J. Jeffers, W. W. Bell and Clinton Pierson,

Dear Sirs and Brothers:

We, the members of Purple Valley L. O. L. No. 84, take this opportunity of extending to you a right royal welcome home after fighting for your king and country in foreign lands, proudly bearing scars of the great battle for civilization and liberty. We are proud of the work you have done and we trust you will take this as a slight indication of our appreciation. We had the pleasure of presenting Bro. Pierson with a wrist watch before he went to the war and now we take the double pleasure of asking you, Bro. Jeffers, to accept this fob as a slight acknowledgment of our esteem for you, and you, Bro. Bell, we ask to accept a similar memento in the same spirit. We, your brethren, hope you will live long to enjoy the rewards you have so bravely won.

Signed on behalf of the Purple Valley L. O. L. No. 84: D. Still, Jr., W. M.; T. H. Moffatt, D. M.

The address was read by Bro. T. H. Moffatt, Reeve of Mono, and the presentations were made by W. Bro. David Still, Jr., Master of the Lodge. After brief responses by the three members, appropriate speeches were made by David Still, Sr., Jos. M. Island, J. M. Still and others. The program was happily varied by violin selections by Moffatt Bros. and Messrs. Art McLean and Elgin Holmes, Mrs. Jos. Pierson and Mrs. Elgin Holmes acting as accompanists. Just before bringing this part of the evening's entertainment to a close all present formed a circle around the three soldiers and with hands joined sang "Auld Lang Syne." Supper was then served by the ladies and was followed by dancing, John Cannawin, of Orangeville, officiated at floor manager and had a capable asistant in the person of Jas. McKibbon.

PRESENTATION TO MISS NETTA LYON

On Tuesday night, Feb. 11th, members of the Camilla Girls' Club and a number of their friends met at the home of Miss Myrtle Neil and presented Miss Netta Lyon with an address and a beautiful manicure set prior to her departure for her former home in Scotland. Miss Neil made the presentation and Mr. Harold Marshall read the address, which was worded as follows:

Camilla, Feb. 11, 1919.

Dear Miss Lyons:

Your many friends around Camilla take this opportunity of spending a social hour with you before you leave our country.

It is with deep regret we learned that you anticipated leaving our midst. You have taken an active part in all our organizations, both religious and secular. We realize the loss sustained by your removal from our community, but our loss will be another's gain.

We therefore ask you to accept this manicure set as a token of our love and goodwill and an expression of our appreciation of the valuable services you have rendered this community.

We regret that you are not only leaving our midst, but our country, but we know that your happiest thoughts will be of the "Land of the Maple" when you are far away in the "Land of the Bonnie Heather."

In conclusion we wish you Godspeed and a pleasant ocean voyage and you have our prayers and sincere good wishes for your future prosperity.

The Girls' Club.

Miss Lyon made a brief and modest response, after which a pleasant social hour was spent by all.

PRICEVILLE PRESENTATION

Their Priceville friends presented Mr. W. E. Brawley, formerly C. P. R. agent at Fraxa Junction, and his family with a purse and the following address prior to their departure for their new home at Gorrie:

Mr. and Mrs. Brawley and Family:

Dear Friends,—The citizens of Priceville regret very much to learn of your leaving the village. During the short time you have been here you have won a very warm place in the friendship of the people of Priceville. As a slight token of the appreciation and kindly feeling of all toward you, we ask you to accept this purse, not for its value alone, but as a slight remembrance. We hope that in your new home you may have God's richest blessings and that you may be spared to come back and see us all again in Priceville.

Signed on behalf of your friends: Rev. J. R. McCarten, H. B. McLean, Don. MacLauchlin.

Mr. Brawley made a suitable reply for himself and Mrs. Brawley. The evening was spent in singing, music, etc., after which a splendid lunch was served and all bade Mr. and Mrs. Brawley and family farewell and returned to their homes pleased with the evening's amusement.

Mr. Brawley was station agent at Fraxa Jct. for twenty-three years. About two years ago he was transferred to Tottenham, where his health gave out, necessitating a second transfer to a station, where the official duties were not so exacting. Mr. Brawley and family have been at Priceville for nine months and in that time have gained the goodwill and confidence of the people of that community.

SALEM.

Messrs. Richard Gulley and Harold Johnston attended the box social at Laurel last Tuesday night.

We understand that Mr. A. Reid has engaged Mr. George Lawson for the coming summer.

Mr. Wm. Foster purchased a fine driver last week.

Mr. and Mrs. Wm. Clarke, Jr., spent last week-end in Toronto.

We are glad to learn that Mr. G. L. Dodds has recovered from his serious illness.

Mr. Wm. Cullen has made extensive improvements to his house by installing a new furnace.

Mr. and Mrs. Wm. Allen spent an enjoyable evening at the cantata at Mono Mills on Friday night.

We are greatly pleased to learn that Rev. and Mrs. Howard have decided to continue their work in this parish.

We are sorry to learn that Mr. and Mrs. Wilson Duke intend leaving our burg. Their auction sale will be held in the near future.

There will be church at St. George's at 3 p.m. on Sunday next, March 2nd.

The reception at Glencross last Frida yevening was a decided success. This statement is verified by the late hour at which some in our neighborhood returned home.

We are very sorry to learn that Mr. Richard Gulley has been confined to his bed since Wednesday with a severe cold.

QUEBEC'S FOREST REVENUE

The Quebec Provincial Government receives a revenue in the neighborhood of $1,700,000 a year from its forests, according to a report of the Commission of Conservation.

EVANGELISTIC SERVICES.

The evangelistic services are continuing this week. The Home Circle meetings have been very largely attended. Next Sunday Evangelist Coombs will preach in the Methodist church. His subject for the morning will be: "Who cares?" and in the evening, "Oh, those books."

The Sunday evening service was marred by the poor lighting but those who attended heard a forceful address on Christ's power to save to the uttermost those who turned to Him for salvation.

Every night this week meetings will be held in th eMethodist church. The song service begins at 7.45 p.m. Mr. Coombs closes this series of services next Sunday and he will no doubt have crowded houses.

FAREWELL PRESENTATION.

On Thursday evening, Feb. 20th, about seventy-five of the neighbors and friends of Mr. and Mrs. Thos. J. Henry, of Caledon, gathered at their home for the purpose of making them a farewell presentation prior to their removal to their new home in Orangeville. Rev. A. C. McCollum, rector of Mono East parish, who acted as chairman, called upon Mr. Cecil Welwood to read the following appreciative address:

To Mr. and Mrs. T. J. Henry and Wilson:

Upon the eve of your departure from our midst, we, your friends and neighbors, have come together to enjoy an hour of social intercourse and to share once more in the hospitality of your house, which has always been so open to us.

We are sorry indeed to learn of your intention to leave our midst and take up your residence in town; although we are glad that you are not removing so far that we shall not be able to see you from time to time. Your residence in our neighborhood has always meant a great deal to us, more than we can express. We recollect the genial warmth of the hospitality which always prevailed in your home. We call to mind your unusual ability in practical matters which made you an invaluable asset to the community. Above all we remember your kindness of disposition, your cheerfulness and optimism, your honest integrity of character and your influence which was ever exerted on behalf of what was right. We shall miss you tremendously, both in our social as well as civil and church life. We want to express our heartfelt appreciation of what you have been to us. And we also wish to extend to you our best wishes and prayers for your further success in whatever you may undertake. Allow us as a body of friends to show by some tangible token the esteem in which we hold you by presenting you, Mr. and Mrs. Henry, with these rocking chairs, and you, Wilson, with this locket and chain.

Signed on behalf of neighbors and friends: Thos. McPherson, R. J. Donaldson, Cecil E. Welwood.

The presentations to Mrs. and Mr. Henry were made by Mrs. Wilson Duke and Mr. Thos. McPherson. Mr. R. J. Donaldson presented Wilson Henry with a beautiful gold watch chain and locket. Mr. Henry made a very feeling reply on behalf of Mrs. Henry, himself and Wilson. Several of the neighbors and friends of the family made short speeches afterwards, expressing their appreciation of the excellent qualities of Mr. and Mrs. Henry as neighbors and citizens and the regret that is so generally felt over their approaching departure from the community. The remainder of the evening was spent very pleasantly in music and dancing.

LUCILLE.

Members of St. John's church, Mono, Women's Auxiliary held their regular sewing meeting at the home of Mrs. George Adair, on Wednesday, Feb. 5th. Advantage was taken of the opportunity to present Mrs. Adair with an appreciative address and a suitable memento prior to her removal to her new home in Caledon. The wording of the address was as follows:

We, the members of St. John's Auxiliary, Mono, have met together in Mrs. Adair's home for our regular sewing meeting and also, we are sorry to say, to bid good-bye to one of our members in the person of Mrs. Adair.

Mrs. Adair has been a faithful member of our W. A. and by her cheerful disposition has endeared herself to us all and will be greatly missed by us. All the meetings which she has attended were the brighter for her presence. Today we wish to offer you, Mrs. Adair, this slight gift in token of our appreciation of your work amongst us.

If we are losing you from our W.A. we are thankful that we are not losing you from our midst in the country and that you will not be removed so very far from us.

Although you will be no longer able to attend our W. A. as a regular member, you will ever be a welcome visitor and we hope you may avail yourself of any opportunity to attend our meetings.

We wish you to feel, Mrs. Adair, that you carry with you our best wishes for the happiness of yourself and your family in your new home.

Signed on behalf of St. John's W. A., Mono, by the members present.

Mrs. Adair made a feeling response, expressing her grateful thanks for the gift and the kindly sentiments expressed in the address.

WOMEN'S INSTITUTE.

The Caledon Branch of the Peel County Women's Institute will hold their regular monthly meeting in the township hall on Wednesday afternoon, March 5 at 2.30 o'clock. A good program is expected and every member is asked to come prepared to answer the roll call with some profitable hints.

—The safe way to send money by mail is by Dominion Express Money Orders.

We bid for your clothes business with just two things—GOOD STUFF and an HONEST PRICE. Whether or not you now need anything to wear, come in and "try on" a new suit and overcoat. You will then make up your mind to make our clothing store your clothing store and when you get ready to buy you will buy from us.

Buying our stylish, good clothes is a good investment; they make you "look" well and help you "do" well.

WE ALREADY HAVE IN STOCK A CHOICE LOT OF NEW SPRING CLOTHING.

The very latest in Young Men's and Boys' Belted Suits in a variety of shades and colors. Also light weight Overcoats and Tweed Effect Raincoats, in the best styles obtainable. Call in and let us show you these goods before buying. **Remember, our guaranteed serges to order. We still have them.**

MONO COLLEGE.

The regular monthly meeting of the Mono College Women's Institute was held at the home of Mrs. W. J. Cruikshank, Prince of Wales Road, on the afternoon of February 6th and was largely attended. In the absence of the president, who was attending the convention in Toronto, the meeting was presided over by the vice-president, Mrs. R. E. Jackson. Owing to the previous two meetings having been postponed there was an unusual amount of business to be transacted, after which a very interesting program was given. A very well prepared and excellent paper on "Systematic Housekeeping," was given by Mrs. Meade Cruikshank and a short address on "House Decorations" by Mrs. J. H. Sloan, both of which contained good, practical, common sense suggestions. A reading by Miss Mabel Jackson and victrola music by the hostess added much to the enjoyment of the afternoon. Refreshments were then served by Mrs. Cruikshank and all present felt it was good to meet together again in this social way after the unavoidable adjournment of the meetings owing to illness in the homes of members.

The next monthly meeting of the Mono College Institute will be held at the home of Mrs. J. H. Anderson, Prince of Wales Road, on Thursday, March 6th, at 2.30 p.m.

A DEAD LETTER.

Mrs. A.—Your husband told my husband that his word was law at home.

Mrs. B.—Yes, it is one of those laws that are never enforced.

ST. PAUL'S, MONO.

The first regular meeting of the A. Y. P. A. was held in the parish hall on Friday evening, Feb. 14th. The meeting took the form of a social. The program consisted of two interesting contests, Miss Nesbitt of Mono Mills recited, Miss McCallum sang, and Mr. Irwin gave a humorous reading. The meeting then proceeded to business for the election of members to committees. After this item of business lunch was served and the meeting closed with the National Anthem and the Benediction pronounced by Rev. A. C. McCallum.

The next meeting of the A. Y. P. A. will take the form of a literary and musical evening, and will be held on Friday evening, Feb. 28th A debate, "Resolved: That mankind on the whole values wealth more than character," will be the chief feature. Affirmative, Mr. Herman McFarland, Mr. Frank Better, Miss Lila Summerville; Negative, Mr. Stanley Parker, Miss Pearl Quinn, Miss Beatrice Christian.

The society's aim is to provide amusement and benefit for the young people of the community and all young people of any denomination are invited to come and also to take part in the meetings.

MONO MILLS.

The annual meeting of the Mono Mills branch of the Women's Auxiliary of the Anglican church was held at the home of Mrs. T. J. Henry, Caledon, on Wednesday, Feb. 12th. The reports presented to the meeting showed that the past year had been one of more successful effort and attainment than any preceding year. Officers were elected as follows: Hon.-Pres., Mrs. W. J. Mills; Pres., Mrs. W. G. Duke; Vice-Pres., Mrs. James Duke; Sec.-Treas., Mrs. S. J. Patterson; Dorcas Sec., Mrs. O. Potter; Literary Sec., Mrs. Geo. Patterson; Committee, Mrs. Wm. Jackson and Mrs. Alex. Jackson.

The newly elected president spoke a few words thanking the members for the honor conferred upon her and asking for their co-operation, as success depended upon the united effort of all. It would be her aim to make the coming year a most successful one in every way. Mrs. Oswald Potter, who was then called to the chair, explained that one of the objects of the meeting was to bid farewell to Mrs. Henry, a valued member of the Auxiliary, and to present her with a remembrance prior to her departure to her new home in Orangeville. Mr. W. G. Duke was then asked to read an address to Mrs. Henry and Mr. Jas. Duke presented her with an oak parlor table and a silver berry spoon. The address was worded as follows:

Dear Mrs. Henry:

We have learned with regret that you have decided to remove from our midst which means the severing of your connection with the Mono Mills branch of the Women's Auxiliary.

As friends we cannot permit such an event to take place without expressing in some feeling manner our high regard for you and our appreciation of your Christian example.

Since becoming a member of our branch you have been unselfish and considerate, faithful and trustworthy, and your Christian spirit has endeared you to us, that we are selfish enough to wish that you might still remain among us, but may our loss be the gain of another Branch.

As a slight token of our appreciation we ask you to accept this parlor table and silver berry spoon, not so much for their value but rather for the spirit in which they are given. These gifts will remind you that you have grateful hearts for the privilege we have had of assorciating with you. Sincerely and heartily we wish you Heaven's as well as earth's best gifts and blessings.

Signed on behalf of St. John's Auxiliary: Mrs. Wilson G. Duke, Mrs. James Duke.

Mono Mills, Feb. 12, 1919.

A dainty lunch was served by the hostess before the gathering dispersed.

NOT TO BLAME.

Parson: "I hope you don't wood-chop on Sundays, Peter."

Peter: "By jing, no! The sun mostly does it."

Eczema Cured Five Years Ago

A Treatment Which Has Proven a Wonderful Healer of the Skin—Certified Evidence of Lasting Cure.

The old notion that eczema is a disease of the blood is refuted time and time again by the cures that are daily being effected by Dr. Chase's Ointment.

It matters not what the cause may have been, if you apply Dr. Chase's Ointment regularly you will obtain relief and cure of eczema. Here is the proof:

Mrs. Stephen G. Thwaites, Box 205, Jordan, Ont., writes: "My brother had a bad case of eczema on his legs. He was troubled nearly all one fall and winter with it, and could not work for days at a time. He tried different salves and ointments, but none cured him. One day he tried Dr. Chase's Ointment, and it gave almost instant relief. He continued its use, but had not quite finished the second box when he was cured. It is now about five years since then, and it has never returned. We certainly can recommend Dr. Chase's Ointment, and are very grateful for my brother's cure."

(Rev. S. F. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thwaites and the party to whom she refers, and her statements are correct.")

Mr. J. E. Jones, 228 University avenue, Kingston, Ont., writes: "I had eczema in my hand for about five years. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. Finally I tried Dr. Chase's Ointment, and in six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost $2 a box. I am giving my name to this firm so that it will get to those who suffer as I did."

Dr. Chase's Ointment, 60 cents a box, at all dealers or Edmanson, Bates & Co., Limited, Toronto. Substitutes will only disappoint you. Insist on getting what you ask for.

Mr. and Mrs. Moses Williamson and daughter, of Heward, Sask., are spending the winter in Shelburne. Mr. Williamson was one of the pioneer settlers of Shelburne and carried on a carriage and wagon making business for several years.

Mr. and Mrs. C. Leslie Hall, of Toronto, have returned to Shelburne and will again take up farming east of the town.

The Presbyterian congregations of Maple Valley and Singhampton are very much disappointed because Rev. James Hagen, of Toronto, has declined the call they extended to him to become their pastor, over two weeks ago.

Lawson Steele, of Fergus, has been appointed secretary-treasurer of the Centre Wellington Agricultural Society.

All the World recognizes the Pathephone as the Greatest of all Phonographs

—and why? Hear TWO phonographs playing, one after the other, and playing the same Records. THEN you will agree that one is— a PHONOGRAPH, to leave it at least its name—AND THAT THE OTHER IS A

Pathephone

Listening to one TO-DAY, to the other a week LATER, the untrained ear might not always note the great difference;—but hear them together and the superiority of the Pathephone will be immediately apparent: it is like setting up dross against GOLD! The Pathephone, built with ideals of ART and TRUTH, renders the art and truth of MUSIC at its BEST!

The wonderful inventive genius that brought the Pathephone to its perfection and has maintained it ever in the lead, has manifested itself in several remarkable devices, such as the Sapphire Ball, which not only greatly improves the tone, but also does away with needle changing and ensures long life to the Record, and the tone modulator, permitting you to augment or decrease the volume of tone at your pleasure. Then, there is the ingenious device which makes it possible to play ANY make of Record!

You must hear the Pathephone to realize what a wonderful and artistic Music Maker it is. It is splendidly built in modern as well as in Period designs. They are exquisite examples of the Furniture maker's art, and still they cost LESS than ordinary Phonographs and are sold on terms of payment which make buying convenient.

CASS CITY, MICH.

(Intended for last week.)

The past month has been the warmest January we have had in a good many years.

It looks as if we will have to have a taffy pull, as the maple sap is running as freely as if it were April instead of February.

Now since the cruel war is over and the soldier boys are coming home, let us all extend the hand of good fellowship to them. As next Sunday will be memorial Sunday in Michigan, let us all attend and join in the services with heart and soul.

Our genial bachelor, D. McKim, says that he is feeling tip-top, so there is no need to worry.

(Intended for last week.)

The regular monthly meeting of the Camilla Women's Institute was held at the home of Mrs. Wm. Buchanan on Wednesday afternoon, Feb. 12th. There was a splendid attendance of members and visitors and a very pleasant afternoon was enjoyed by all present. Mrs. J. A. Marshall, Vice-President, presided and an excellent program of readings, recitations and instrumental music was rendered. Mrs. S. Cruikshank, President of Whittington W. I., gave an interesting account of the work of their Institute. Miss M. McNaughton contributed an exceptionally fine paper on "A Man's Tribute to a Woman's Worth." A pleasing feature of the program was the presentation of a handsome club bag to Mrs. H. T. Anderson, the retiring secretary, as a slight mark of appreciation of her splendid services. Mrs. G. D. Ledlow made the presentation, while Miss M. McNaughton read the following address:

Dear Mrs. Anderson,

We, your friends and co-workers in the Camilla Women's Institute, have availed ourselves of this opportunity of expressing our sincere regret at your departure from our midst. It is no ordinary regret we feel because you have been with us from your girlhood days. You have assured us, over and over again, that the old proverb is not always true which tells us that "a prophet receives no honor in his own country." True worth is always appreciated everywhere.

We will miss you and Mr. Anderson in the social life of our community but, most of all, we will miss you, Mrs. Anderson, in our Institute where you have for so many years served in its various capacities and entered heartily into every good work. Your keen helpful interest and your willingness has been an inspiration and has won the admiration of all.

We ask you to accept this club bag as a slight token of our esteem. May it serve ever to recall pleasant memories of our Institute and your old associates here. In the years which lie before you, we can wish you no greater earthly blessing than that, wherever your home may be, the same genial qualities which have won you friends here may win you many more to share your sorrows and add to your joys.

Signed on behalf of the Camilla Women's Institute: Mrs. Wm. Buchanan, President; Miss Mae Buchanan, Secretary; Mrs. Alex. Lundy, Treasurer.

Mrs. Anderson, although taken completely by surprise, made a very fitting response. She thanked the members heartily for their thoughtfulness and good wishes and regretted that their change of residence made it necessary for her to sever her connection with the Institute. However, she hoped that the same gratifying success which had crowned past efforts would be theirs in the future also.

The meeting closed with the singing of "Blest be the Tie that Binds," followed by the National Anthem, after which the hostess served a delicious luncheon.

In St. Paul's church, Shelbourne, on Wednesday, Feb. 5th, Rev. John Morris performed the ceremony that united in marriage W. Edgar Silk, son of Mr. and Mrs. Wm. Silk, William street, Shelburne, and Miss Rachel H. Rolstin, daughter of Mr. and Mrs. Jas. Rolstin, of Amaranth.

(Intended for last week.)

We regret to learn of the approaching loss of two estimable citizens in the persons of Mr. and Mrs. J. B. Smith, who are preparing to move to Brampton about March 1st. The house they are vacating will be occupied by Mr. Dave Harkness, who bought it from the Russell estate a couple of months ago.

Mrs. Alex. Dick has sold her dwelling house on Main street to a Mr. Johnston from the lower end of Caledon. We regret to learn that Mrs. Dick and daughter intend to leave town. We understand that they purpose making their home in Brampton.

Dr. Lang has commenced the practice of medicine in the office vacated by Dr. Burrows, who is now practicing his profession in Guelph.

We are greatly pleased to see Mr. W. O. Chantler, one of our general merchants, out again after his recent illness.

The Uneda Club gave a delightful Valentine Party in the Town Hall on Friday night. About 250 young people were present, including guests from Orangeville, Erin, Hillsburg, Toronto, Brampton and other outside points. Delightful music was provided by a city orchestra. The proceeds were upwards of $100, which we understand will be applied on a piano which the club has purchased for the town hall.

Lieut. Otto Chantler, of the Royal Air Force, is in town and has been looking after the business of his brother, Mr. W. O. Chantler, during the latter's illness. Lieut. Chantler saw three years active service in France, first with the infantry and more recently as an aviator.

The Father and Son Banquet held in the town hall on Thursday night was the finest affair of the kind that has ever taken place in Alton. Upwards of 200 guests sat down at the tables.

Mr. Algie Sage, of the Union Bank staff, Erin, attended the dance in the town hall on Friday night and was the guest of Mr. Ted Dorrington while in town.

Mrs. Wm. Dorrington has been quite poorly, but is now improving nicely.

We regret the illness of Mrs. Amos Mason, who has been under the doctor's care with a serious attack of pleurisy. Her condition has improved considerably in the last few days.

His Alton friends will be interested to learn of the return from overseas of Cadet R. L. Algie, of the 102nd Batt. The young soldier is a son of Mr. Robt. Algie, of Toronto, formerly of Alton.

A large crowd attended Mr. A. J. McClellan's auction sale on Saturday. We understand that Mr. McClellan has dealt his property here including the corner store to Mr. Angus Hamilton, of Sutton, for land in the West. He is planning to move to the West shortly.

Misses Dolly Morris and Gertie Gooderham, of Toronto, were here for the ball on Friday night.

Her many friends regret the continued illness of Miss Tone Gibbs, who is still confined to the house from the effects of an attack of the flu shortly before Christmas. We shall hope to see her about as usual before long.

The office of The Beaver Knitting Mills has been enlarged and refitted. A Burroughes adding machine has also been added to the office equipment.

Mr. Elmer Harrison, a well-known Centre Road farmer, is moving into the village shortly.

Mr. and Mrs. Wm. White were the guests of Mr. and Mrs. W. C. Barber, of Orangeville, over Sunday.

Miss Edith Dods has returned home after a four months' visit with her sister, Mrs. (Dr.) Macdonell, of Goderich.

Mrs. Wm Dorrington attended the recent Provincial meeting of the Women's Institutes in Toronto.

Mr. and Mrs. J. B. Hartsell, of Kingston, Mich., were here last week attending the funeral of the late John Clark.

Mrs. Will Thompson, of Waterdown, is visiting her sister, Miss Susie Clark. Miss Clark and Mrs. Thompson visited relatives in Shelburne on Monday.

Mrs. Wylie Houston and little daughter, Phyllis, are both confined to the house by illness.

Mr. Herb Storey, who has been ill for the last twelve weeks, is still confined to the house, but is now able to get around inside with the aid of crutches.

GLENCROSS.

(Intended for last week.)

On Friday evening of last week a number of their friends and neighbors called on Mr. and Mrs. Ernest Moffatt to spend a social evening prior to their departure for their new home above Camilla. After lunch at midnight the chair was taken by Mr. Samuel Roney, who called on Miss Willa Still, who read the following address:

To Mr. and Mrs. Ernest Moffatt,

Dear Friends,—We, your friends and neighbors having heard of your intended departure to another part of the township, take this opportunity of meeting here tonight to express our regret at losing good neighbors, and also to wish you continued success in your new home. We also wish to present you with these chairs, not for their intrinsic value, but as a token of respect. Long may you enjoy them and remember your friends and neighbors of Glencross.

Signed on behalf of your friends and neighbors: Albert Still, Roy Moffatt.

Mr. Moffatt made a fitting reply on behalf of himself and Mrs. Moffatt, after which followed a short program of speeches by Reeve Thos. H. Moffatt and John Pierson, and music by Messrs. Woolner and Moffatt. John Hewitt showed some of the younger generation how step dancing should be done. After the program the rest of the evening was spent in dancing and other amusements.

STRONG ENOUGH TO DO HOMESTEAD DUTY

SIDNEY BENT GIVES THE CREDIT TO DODD'S KIDNEY PILLS.

Six Years Ago He Had Kidney Disease So Bad His Friends Said He Would Not Live Long.

Lydiard, Sask., Feb. 20—(Special)—Strong and healthy, and able to do the heavy work of homestead duty, Mr. Sidney Bent, a well-known settler here, is telling his friends of the great benefits he received from using Dodd's Kidney Pills.

"Six years ago I suffered a lot from my back and kidneys," Mr. Bent says. "I tried a lot of medicine and drugs, but kept getting worse, till some of my friends said I would not live long.

"Four years ago I decided to try Dodd's Kidney Pills. After taking the first box I felt so much better I decided to continue the treatment.

"The result is I have been able to do homestead duty for the last three winters.

"I would advise anyone suffering from kidney trouble to take Dodd's Kidney Pills."

Dodd's Kidney Pills have made their reputation by curing kidney diseases and the ills that spring from diseased kidneys. They are no cure-all. But if you are suffering from rheumatism, lumbago, sore back, diabetes or some other form of kidney trouble, ask your neighbors what Dodd's Kidney Pills have done for them.

SENDER'S NAME ON PARCELS FO RSOLDIERS

As demobilization is proceeding rapidly, it is strongly recommended by the Post Office Department that the name and address of the sender be placed on all letters and parcels that are being sent overseas to our soldiers, in order that if found to be undeliverable they may be returned to the sender with the least possible delay.

"What Phonograph Shall I Buy?"

How many times, when the subject of purchasing a phonograph or talking machine has come up, have you asked yourself this question!

The Edison tone test answers it for you, completely, convincingly.

Over two million music lovers have been present when this test was being made; and they have realized, as you will realize, that the New Edison alone can actually re-create the human voice and the music of human-played instruments.

It is all-important that you hear

The NEW EDISON

"The Phonograph with a Soul"

because it is the only instrument that re-creates the singer's voice so faithfully that the human ear cannot distinguish the rendition of the artist from that of the New Edison.

The wise way to choose your phonograph is to have the several makes of phonographs and talking machines sent to your home on trial, where you can make direct comparisons among them, and then decide which one you would like to keep—which one you think you would enjoy hearing as much five years from now as you do to-day.

Be your own salesmen. Sell a phonograph to yourself. We will gladly send a New Edison to your home for the purpose, without obligation on your part. 172

To Solve Canada's Employment Problem

EVERYONE in Canada should understand just what the Government is doing to solve the unemployment problems that may arise through the demobilization of our fighting forces.

(1) *Employment Offices.*

So that everyone—male or female, soldier or civilian—can get quickly such jobs as are available the Government is co-operating with the Provinces in establishing a chain of Public Employment Offices. Employers are being urged to make use of these offices to secure any help they need. Farmers, for example, who need hired men should apply to the nearest office. There will be a Public Employment Office in every town of 10,000 people—and wherever the need for one exists. There will be 60 different offices in all—one-half are already in operation.

(2) *Employment Opportunities.*

The war held up much work that will now be carried on at once. Public works, shipbuilding, roadbuilding, railway work—construction of bridges, improvement of road-bed, making of new equipment—these will provide new opportunities for employment. In addition, the Government has sent a Trade Mission overseas to secure for Canada a share in the business of providing materials and products required for reconstruction work in Europe. It has also set aside the large sum of $25,000,000 to be loaned through the Provinces to encourage the building of workmen's houses. This will mean much new work in the spring.

(3) *Land and Loans for Soldiers*

To help soldiers become farmers the Government has developed a programme that includes the providing of land, the granting of loans, and the training and supervision of those inexperienced in farming. At present, the soldier is granted, free, in addition to his ordinary homestead right, one quarter-section of Dominion lands. He also receives a loan up to the maximum of $2,500.

These original plans are now being broadened. If Parliament passes the new proposals during this session, the Soldier Settlement Board will be able to buy suitable land and re-sell it to the soldier at cost.

Land up to the value of $5,000 may be bought by this plan—the money to be repaid in 20 years. The low interest rate of 5 per cent. will be charged. These new proposals will also permit the Soldier Settlement Board to loan the soldier-farmer up to $2,500 for purchasing equipment, etc., in addition to $5,000 loan on his farm.

MRS. G. A. CAMPBELL.

Her Orangeville friends were shocked and deeply grieved by the news of the death of Mrs. G. A. Campbell, York street, which occurred very unexpectedly at the home of her son, Mr. Lyle Campbell, 50 Standish avenue, Toronto, about 8 o'clock on Friday evening. Mrs. Campbell left here about a month ago to pay a visit to her daughter, Mrs. L. P. Poapst, of Ottawa. On her way home she stopped over in Toronto to spend a few days with her son. She felt poorly on Wednesday evening, but retired in good spirits. Thursday morning she was critically ill and her husband and family were at once summoned to her bedside. The late Mrs. Campbell was a daughter of the late Alex. Godfrey, of Mount Forest, who died about a year ago at the unusual age of ninety-six year. Deceased had lived in Orangeville since her marriage and was well and favorably known to most of our citizens. Kindly, cheerful and sympathetic by nature, she made an ideal wife and mother and a friend, whose friendship and interest were prized by those privileged to share in them. She is survived by a stepson, Mr. William Campbell, of Detroit; four sons, Dr. L. G. Campbell, a dentist in Markdale; ex-Mayor Dr. G. H. Campbell, Orangeville; Mr. Roy Campbell, Calgary, Alta., and Mr. Lyle Campbell, Toronto, and three daughters, Mrs. Poapst, Ottawa; Mrs. H. A. Dorrance, Orangeville, and Mrs. W. Elliott Judge, Berkeley, Cal. Thos. and C. A. Godfrey, Vancouver; John Godfrey, Los Angeles, Cal; Mrs. (Rev.) P. C. L. Harris, in California; Mrs. F. M. Stafford, Sudbury, and Mrs. E. H. Yeomans, Macleod, Alta., are the surviving brothers and sisters. Despite the stormy weather a large number of citizens attended the funeral service at her late home at 2 o'clock on Sunday afternoon. Rev. W. M. Morris, pastor of St. Andrew's church, of which the departed woman was a valued member, was the officiating clergyman. A number of beautiful floral tributes gave silent testimony to the esteem and sorrow of friends. The pallbearers were four sons, William, Drs. L. G. and G. H., and Lyle Campbell, and two sons-in-law, Messrs. L. P. Poapst and H. A. Dorrance. The sympathy of their many friends is extended to Mr. Campbell and family in their loss.

MISS ELSIE CLARK DEAD.

Citizens of Orangeville and vicinity who heard the unique program given by the Kaffir boys at the Chautauqua Festival last spring will learn with regret of the death of Miss Elsie Clark, the Rhodesian woman who accompanied the entertainers. The following account of this talented lady's death is taken from a United States paper:

"The platform world was shocked to learn of the loss of Miss Elsie Clark, who for twenty-eight years was the co-worker with J. H. Balmer in his companies of Kaffirs that toured this country and Europe. She passed away in Grant Hospital, Columbus, Ohio, the evening of Dec. 14. She was about to sail for her home in Africa, but with a strong sense of duty insisted on filling a few final dates, though in failing health. She did all but the last one, when she had to be taken to the hospital. Mr. Balmer accompanied the casket to Cleveland, where on the 17th it was cremated. Lyceum friends rendered every assistance in both cities, for which Mr. Balmer is very grateful. Miss Clark never fully recovered from the shock of the air raids she passed through in London during the war. She was a native of Rhodesia, South Africa, a brilliantly endowed woman as deeply interested in the welfare of her black boys as Mr. Balmer himself. She will be long remembered by the multitudes she has helped to entertain and inspire."

MISS HAZEL HOLMES.

The news of the death of Miss Hazel Holmes, only daughter of Mr. and Mrs. Thos. Holmes, of Camilla, was a great shock to the many friends and relatives of the family. The young woman was taken ill on Thursday, but did not go to bed until Friday. The family doctor diagnosed her ailment as a very severe case of Spanish influenza. In spite of the efforts of her physician and the services of a skilled nurse, the young life passed out about two o'clock on Sunday morning. Miss Holmes, who was only 24 years of age, was a strong, healthy girl, full of life and vitality and was a general favorite among the young people of the community. Her sudden taking off caused gloom and a feeling approaching consternation and has created widespread sympathy for the sorely tried parents and family. Besides her father and mother she is survived by five brothers, Wendell, of Toronto; Elgin, of Mono, and Harold, Clarence and Norman at home. The funeral, which was largely attended, was held from her parents' home to the Forest Lawn cemetery on Monday afternoon, Rev. P. C. Howard officiating. The pallbearers were Messrs. Andrew Henry, Lawrence Marshall, Norman Parks, Ted South, Harold Cruikshank and Jos. Jackson. We understand that Mr. and Mrs. Holmes' three sons are ill with the influenza and that Mrs. Holmes, worn out with anxiety and waiting on her family, has been compelled to go to bed.

JOSEPH E. LEGATE.

Most sad and unexpected was the death of Joseph Elmer Legate, beloved and only son of Mr. and Mrs. John S. Legate, Second Avenue. The regrettable event occurred at his home about 11 o'clock on Friday morning. Dr. Macleod and two nurses were about to perform an operation to remove his tonsils, but the lad collapsed and expired while the doctor was preparing to administer the chloroform. For a couple of weeks he had been kept home on account of the trouble with his tonsils. He was 7 years and 7 months of age and was a bright though delicate lad, whose cheery smile and sunshiny nature made him beloved by all. The funeral took place to the Forest Lawn cemetery on Sunday afternoon. The services at the house were conducted by the family pastor, Rev. W. M. Morris, and were largely attended by friends and neighbors of the family and also a large number of the scholars of St. Andrew's Sunday School, which the little lad attended regularly. He is survived by his parents and three sisters, Ethel, Clemina and Mabel. The many flowers which covered the casket bore silent testimony to the sympathy of friends and citizens generally. Among these was a beautiful wreath from the employees of the Dods Knitting Co., a wreath from the family and sprays from St. Andrew's church and Sunday School, Mr. and Mrs. D. Macpherson, the Wise families, 1st and 2nd Forms of Orangeville High school, Miss Elsie Dods, Mrs. Gordon Hayes, Miss Jennie Langtree, Mr. and Mrs. Robert Curry, Miss M. S. Hunter and Master Isaac Snell. The pallbearers were Masters Arthur Macpherson, Gordon Adamson, Neil Crowe and Robt. Horley. Among the friends from a distance at the funeral were Mrs. Earl Draper, of Ancaster; Mrs. John Bennington, of Shelburne; Mrs. D. Ferrier, of Jessopville; Mr. Geo. Legate, of Colbeck; Mrs. W. Ritchie and Jno. Montgomery, of Laurel; Messrs. Emerson Black and Emerson Ferrier, of Jessopville, and Mrs. Wm. Legate, of Grand Valley.

HIGH SCHOOL NOTES.

The meeting held by the Orangeville High School Literary Society on Wednesday of last week may well be remembered among the most successful and interesting assemblies of that organization. The meeting opened with a few appropriate words from the president, Miss Helen Wheelock, followed by a well rendered piano solo by Miss Edna Coulson. Then came a contest between the First and Third Forms for the Debate Shield which has been held by Form Three for the past two years. The subject of the debate was: "Resolved that the soldier has more influence upon the world than the missionary." The affirmative was upheld by Third Form students Miss Annie Lane and Mr. Arthur Richardson and the negative by Miss Aileen Preston and Mr. Wilson McConnell of the First Form. Judges Mayor Lewis, Dr. Henry and Jack Aiken gave their decision in favor of the affirmative. Although the First Form showed themselves a bit weak in proving points we feel that they deserve special mention for their oratory, which far surpassed that of their opponents. The debate was followed by a chorus entitled "Micky" by seven girls, a recitation, "The Girl I Love," by Miss Mary McLean, and vocal solos, "I'll Take You Home Again" and "Nora," by Miss Gabriel. After a well-turned address Mr. Hackett led in three cheers and a tiger for former pupils, Messrs. Donald Macpherson and Jack Aiken, the only war veterans present, and presented to Forms Three and Four the Honor Rolls prepared by two of the most promising artists in the school. Miss Ruth Coulter gave an excellent reading entitled "Intensely Utter," and responded to an encore with a comic selection "Watermillions." Seven boys sang "Smiles" and on being recalled, the chorus, "Helen." Miss Strang read letters from six soldier students and gave a general review of the patriotic work of the school. The Honor Roll with which the school was presented some time ago will have to be enlarged as it contains the names of only 107 men and there are at least two dozen more which have not been added through lack of space. Twelve former pupils of the school have given their lives in the cause of liberty, one has won the Distinguished Service Medal, and five have won the Military Cross. The Khaki Club of the O. H. S., organized in the autumn of 1915 has sent overseas 112 pairs of socks. They have now seven pairs on hand and it is suggested that these be sent to one of the Relief Associations for the belligerent countries.

After tendering a hearty vote of thanks to the judges, the meeting dismissed with "God Save the King."

It is understood that Form Two has challenged Form Three for the Debate Shield and that the contest will come off in a short time.

ELBA.

The young people of the Anglican church spent a very enjoyable time at the Valentine social Friday evening.

We are very sorry to hear of the death of Mr. Michael Dowdall, an old and respected resident of Mono. An account of his demise appears in another column.

Mrs. Joseph Little entertained a number of her friends on Friday evening.

Miss Verna Armstrong, who has been attending the millinery openings in Toronto for the last two weeks, has returned home. Miss Armstrong leaves next week for Warkworth, Ont., where she has taken a position as head milliner.

We must soon lose another of the families of our neighborhood in the persons of Mr. and Mrs. Geo. Mackenzie, who will move to their new home shortly. Everybody feels the loss of such good neighbors and we all wish them every success in their new home near Cookstown.

ST. PATRICK'S SUPPER.

The Ladies' Aid of Knox church, Caledon, will hold their annual St. Patrick's supper on the evening of Monday, March 17th, 1919. Irish dishes will be served and a good programe provided. 35-3t

WEST MONO PARISH.

Services will be held next Sunday, March 2nd, at Herald Angel at 11 a.m. and St. George's at 3 p.m. There will be no service at St. Matthews on account of the epidemic.

CALEDON.

Mr. W. J. Trathen, our popular Clydesdale horse breeder and Pet Stock fancier, has just returned from a six days' visit to Toronto, Weston and Hamilton, where he visited several of the Rabbitrys. He reports seeing some very fine specimens. Mr. Trathen is a member of the Rabbit and Hare Society of Canada, also a member of the Canadian National Fur Fanciers' Association, Brantford, Ont.

Caledon United Farmers are reported to be talking of starting a blacksmith shop in Caledon village.

A SERIOUS LOSS.

Mr. Watson McCluskey, a young farmer, living on lot 10, 2nd line, west, Mono, met with a serious misfortune on Monday afternoon when his barn, season's feed, a quantity of grain and some other contents were completely destroyed by fire. Mr. McCluskey was crushing grain at the time. He was using a gasoline engine, which back-fired, a spark starting the conflagration which spread with startling rapidity. Mr. McCluskey and a few nearby neighbors managed to save the live stock and implements by hard and dangerous work. The building was a fine bank structure, 48x60, with well-fitted stabling. The owner, Mr. Wm. McCluskey, Sr., carried $1200 insurance in the Dufferin Farmers' Mutual, but this will not begin to cover the loss. Mr. McCluskey, Jr., had the contents insured for $1500 in the Peel and Maryborough Mutual. Mr. McCluskey is a hard-working, progressive young man and very genuine sympathy is felt for him and his father in their unfortunate loss. The fire occurred between four and five o'clock.

REPATRIATION MEETING.

The Orangeville Branch of the Great War Veterans' Association is arranging for a public meeting in the Opera House on Friday evening, March 7th, in connection with repatriation work. A speaker from Toronto will be present.

RE-DECORATING CHURCH.

A half dozen men have been busy this and part of last week erecting scaffolding in St. Andrew's church preparatory to repainting the interior of the edifice. The work is in charge of Mr. Fred Manning, who has just completed a most satisfactory job. The decorating will be done by Mr. D. J. Hatcher in accordance with a color scheme prepared by Mr. R. N. Irvine, of the Thornton-Smith Co., Toronto. The decoration of the church has been under consideration for some time, but the work was held up on account of the war. The last time the church was decorated was during the pastorate of Rev. D. C. Hossack, about twenty-five years ago. St. Andrew's church has just closed what is probably the most successful financial year in its history, and is in excellent shape to meet the extra expense that the decoration work will entail. The church has a membership of 506, raised about $3,000 ordinary revenue last year, and contributed a further sum of $1,600 to the Mission schemes of the church. Contributions for Missions and Benevolent purposes amounted to upwards of $2,000.

A SPLENDID MEDICINE FOR THE CHILDREN

Baby's Own Tablets are the best medicine a mother can give her little ones. They are a mild laxative which quickly regulate the bowels and stomach and are guaranteed to be entirely free from any injurious drugs. Concerning them Mrs. A. D. West, of Loreburn, Sask., writes:—"Baby's Own Tablets have given me more satisfaction than anything else I have ever given my children. They are easily taken; always work well and though I have given quite a few to my baby they seem to work as well now as at first, which is something other laxatives seldom do." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Mrs. Nelson N. Maxwell visited Toronto friends over the week-end.

Miss Lowry Reid is in Toronto this week attending the spring millinery openings.

Miss Kathleen Simpson has been visiting in Toronto for the past week.

Miss Ina Allen, Zina street, has returned home after an extended visit at Port Burwell and Toronto.

Mr. and Mrs. John Cole, East Garafraxa, announce the engagement of their youngest daughter, Lily J., to John Buie Moody, of Glen Williams. The marriage will take place quietly early in March.

Mr. Ross Stevenson, of Montreal, a son of the late T. Stevenson, was in town on business for a day or so last week.

John Best, M. P., Mrs. Best and their son, Chester, have gone to Ottawa for the House of Commons session.

Ex-Reeve J. J. White left on Monday morning on a business trip to the West. He expects to be away two or three weeks.

Mr. J. A. Speers has left for his home in Watrous, Sask., after spending a two weeks' vacation with his parents, Mr. and Mrs. Thos. Speers, Caledon.

Mr. and Mrs. Joshua Montgomery, of Grand Valley, announce the engagement of their oldest daughter, Mabel Beatrice, to Mr. Harvey J. McConachie, of Amaranth. The marriage is taking place this month.

Mr. S. Ewing, of West Toronto, one-time Chief of Police in Orangeville, was the guest of Mr. and Mrs. J. E. Patterson, West Broadway, over the week-end.

Mr. and Mrs. W. Henry Reid accompanied Miss Madeline Farewell to her home in Hamilton and spent the week-end with Hamilton and Toronto friends.

Sheriff Endacott was the guest of Mr. and Mrs. Arthur Morrison, Mono Road, over the weke-end.

Mr. Jas. Bailey, Port Arthur, is visiting his parents, Mr. and Mrs. John Bailey. Our former townsman is looking well. His friends here will regret to learn of the ill-health of Mrs. Bailey, who is in a hospital at present.

Mrs. Wm. Menary and little daughter, Marie, of Grand Valley, were guests of the former's parents, Mr and Mrs. John Park, over the week-end.

Miss C. Banks, of Buenos Aires, South America, is visiting her mother, Mrs. Wesley Maxwell, 2nd line, Caledon.

Mrs. Thos. Parsons, Brampton, is visiting her sisters, Mrs. Jas. Wise and Miss Montgomery.

Messrs. W. C. McMillan and J. D. Torrie attended the Retail Clothiers' convention in Toronto last week.

Mr. Wm. McCluskey, Sr., of Toronto, is spending a few days with his son, Mr. Watson McCluskey.

Mr. and Mrs. D. Densmore, of West Toronto, were guests of the former's parents, Mr. and Mrs. Robert Densmore, over the week-end. Mr. Densmore expects to have a rattling good lacrosse team in hand again this season. He is anxious to see a revival of the game in Orangeville.

Mrs. Hamilton McFadden, of Markdale, returned home on Saturday night after a two weeks' visit with her parents, Mr. and Mrs. Wm. Bower, and other relatives in Mono.

Mr. Geo. W. Lehrbass, of Detroit, is visiting his sister, Mrs. Stanley Wild, for a couple of weeks.

Cadet Percy Take, a former High school student, arrived home from overseas on Monday night. A body of High school pupils and citizens met him at the depot and escorted him to the home of Mayor Lewis, where he is spending a few days. He is looking fine.

—Our former townsman, Mr. Jno. T. Lawson, who is now running a large boot and shoe business in Regina, sends The Banner $5, with instructions to mark his subscription ahead accordingly. Mr. Lawson reports a lovely winter in the West. There were only four or five days of below zero weather and not much snow, although enough to make nice sleighing most of the winter. Mr. Lawson asks The Banner to remember him to all his friends here.

LETTER FROM D. TORRIE.

Miss Muriel Torrie has just received quite an interesting letter from her brother, Gunner Douglas Torrie, who is now on duty at Rimmel Park Camp, Rhyle, North Wales. The following is an extract from the letter:

"I am still working in the orderly room and three of us have a room to ourselves, which is much better than in a hut. I see a lot of the Orangeville boys now, as most of them go through here on their way home. I met Jim Dawson, also Verral Dedrick, Dell Darraugh and Trueman Kellie. Trueman Kellie is sick in the hospital, so Jim Dawson and I are going over to see him tonight. There was to have been a big sailing leaving tomorrow morning, but I hear it is cancelled tonight. Dedrick was in it, so he will likely be here for a while longer. There are a lot of sailings going this month, so this camp ought to be cleared some time in March. I had a letter from Stan (Cranston) a couple of days ago, and from what he says I think he will be heading for Canada before long. I have no idea as yet when I will get away, but we are getting good grub now, and I have a pretty good job, so can't complain."

IN MEMORIAM.

In memory of the late John A. Rayburn, who departed this life Feb. 24, 1918:

Oh there is a land of joy,
Where death can never come,
Where loving hearts find employ
And gain a blissful home!
And there our loving father waits
To welcome one by one,
His children through the pearly gates
When this life-work is done.

ORANGEVILLE METHODIST DISTRICT HOLD MEETING

The district meeting of Orangeville District was held at Laurel on Feb. 11th, Rev. E. R. Young, B. A., chairman, presiding, and Rev. T. R. White acting as secretary. Among the matters of public interest was the endorsation by the District of the policy of the Dominion prohibition committee in requesting the Government of Canada to continue in effect until a vote is taken on the question of prohibition after the return of the soldiers now overseas. The secretary was requested to convey to Mr. John Best, M. P. for Dufferin, and Mr. Samuel Charters, M. P. for Peel, the action of the meeting.

Mrs. (Rev.) E. R. Young, District Superintendent of the Women's Missionary Society, presented the claims of the W. M. S. and requested that an auxiliary be organized in every church in the district.

A Sunday School Institute for the district was conducted during the afternoon and evening sessions. Rev. F. G. Stotesbury spoke on the "Educational function of the S. S.," and Rev. Alfred Laycock on the "Evangelistic function of the S. S." In the evening Rev. T. R. White gave an address on "The Ministerial function of the S. S." and Rev. C. H. Quaife on "The need of qualified teachers and how to get them."

The visitors were kindly entertained by the pastor of the church, Rev. W. F. Roach, and the members of the congregation.

Rev. A. N. Cooper, of Grand Valley, conveyed the greetings of Mount Forest District, over which he is chairman.

HAVE RIGHT OF WAY.

Speaking at a recent reception to a returned soldier in Shelburne, John Best, M. P. for Dufferin, stated very plainly that so far as any recommendation he would have to make is concerned, returned soldiers would be given first choice for any Government positions that might fall open. "If my say has anything to do with it, don't ask me for it if a returned soldier wants it," said Mr. Best, "for I tell you right now you wont get it."

Are You Treating
Your Eyes Right?

That Knowledge of a weakness is strength, is especially true of the eyes. Persons may go through life hampered by eye trouble of which they are ignorant and which could easily be rectified.

WHEN COLOR tests were first used in selecting Railroad Engineers, some who had been on the road for years were found to be color blind, and yet they had no idea of this defect.

EVERY LITTLE while we find some eyes in our examinations that are cruelly tried by unnecessary strain.

Why not let us test your eyes and see if everything is as it should be.

WE PROMPTLY replace broken lenses no matter where you purchased your glasses. Save your broken lenses.

HESS STOCK FOOD!
RESULTS GUARANTEED

PIGS.
Start feeding Dr. Hess' Stock Tonic to brood sows six weeks before she farrows. Then feed to mother as long as pigs are nursing. Then feed to pigs until they are 4 months and 20 days old, and they will weigh 230 to 260 lbs. each.

Or if Pigs are 4, 5 or 6 weeks old, feed until they are 5 months and 20 days old. At that age they must weigh 230 to 260 lbs.

COWS
Regardless of what they are feeding, weigh milk for two weeks, then add Dr. Hess' Tonic and the increase must net $10.00 on each pail of Tonic.

CALVES
Take two calves—one at 6 weeks old and one at one week—and in six weeks they will both weigh the same.

The History of Gin as a Curative Agent

Before Gin Pills were available, gin seemed to be the popular remedy for backache, pains in the groins, swelling of the joints and ankles, lumbago, sciatica and other troubles arising from deranged kidney action; but when Gin Pills were placed on the market containing the curative agent of gin—without the alcohol, people realized that the benefits of the old remedy were purely temporary and that permanent relief would be found only by using the new.

The success of Gin Pills is the best testimonial to the value of this medicine, but for those who prefer more direct testimony we have hundreds of letters on file from people who owe their return to health entirely to taking Gin Pills.

The function of the kidneys is to remove the impurities and poisons gathered by the blood. When the kidneys fail to act, these poisons remain in the blood stream, and are circulated through the system until they settle in muscles and joints and there set up infection. You can readily understand, then, the danger of allowing the kidneys to become deranged, and how important it is to keep them in good shape always.

Do not let your kidneys go from bad to worse. At the first sign of trouble, go to your nearest dealer and buy Gin Pills—50c a box.

Or if you prefer, a free sample of Gin Pills will be mailed upon request to the National Drug & Chemical Co. of Canada, Limited, Toronto. U. S. residents should write Na-Dru-Co., Inc., 202 Main St., Buffalo. 194

BLOUNT.

(Intended for last week.)

The Blount Women's Institute held its regular monthly meeting at the home of Mrs. John White, eight members being present. The meeting opened with the singing of the Maple Leaf, after which Red Cross work was completed from last meeting. Eighteen suits of pyjamas and eighteen pairs of socks are to be sent to the Red Cross rooms next week. Miss Besley, District Secretary, sent a letter suggesting that arrangements be made to have a lady doctor visit the schools. It was decided to have her come, and also to have a lady speaker visit the Institute in June. A reading, "Our at Home," by Miss Ruby Reid, was much appreciated by all. Music was provided by Miss Reaburn, after which a very dainty lunch was served. Next meeting will be held at the home of Mrs. Geo. Crozier.

WHITTINGTON.

(Intended for last week.)

The play, "Deacon Dubbs," which was presented by the Whittington Dramatic Club in the school house here on Friday, Feb. 14th, under the auspices of the Women's Institute, proved a success and source of much enjoyment as each of the amateurs played their part with the expertness of professionals.

Mr. Lee Armstrong, of Farmington, received the Red Cross quilt as he was fortunate in securing the lucky number, after which a number of homeknit socks were auctioned off by Mr. W. J. Hamilton, of Laurel. The amount realized by this sale was $23. This, united with door receipts, made a total of $68.

Mr. H. Cruikshank, of Saskatchewan, is visiting his brother, Mr. S. Cruikshank.

Mr. Oliver Durkin and Miss Muriel Durkin, of Bowling Green, spent last Sunday as guests of Mr. and Mrs. John Ledlow.

We are pleased to learn that Mr. Morton Rintoul is recovering from an attack of influenza.

Mr. J. A. Armstrong and family, of Primrose, will soon be settled in their new home here.

FRAXA JUNCTION.

(Intended for last week.)

Miss Mabel Demill, of Toronto, spent the week-end as the guest of her sister, Mrs. Demill.

Mr. and Mrs. E. Lang, Mrs. D. Trimble, Miss Myrtle and Mrs. John Menary motored to Brampton on Tuesday.

Mrs. W. E. Prust received the sad news on Monday evening that her brother, Charlie Evans, had died in England from Spanish influenza. Deceased, who had served two years in France, expected to return home in a very short time. His brother, Lieut. Leslie, arrived home only a couple of weeks ago, and another brother, Tom, got back last fall. Mrs. Prust has gone to Sturgeon Falls, the home of the bereaved parents.

Mr. E. R. Brown, of Campbellford, spent a couple of days with friends here last week.

Mrs. D. Trimble and daughter, Corene, spent the week-end with Mrs. W. E. Brawley, of Gorrie.

Mr. Finley Demill, of Port Credit, spent Sunday with his wife.

Mr. and Mrs. James Hamilton, of Toronto, spent a couple of days with W. H. Trimble last week.

Misses Ruby Trimble and Lily Cook attended the Convention of the Women's Institutes in Toronto last week.

Mr. W. E. Prust left on Saturday on the evening train for Toronto, returning on the moonlight on Monday morning in time to begin his work at the usual hour.

CHILDREN MUST BE PROTECTED

The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption, Being composed of simple ingredients of undoubted value, Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account, as well as because of the quick relief it affords them.

SERBIAN RELIEF.

The last report of the Serbian Relief Fund says:

"The Serbian Relief Fund have just given a sum of $55,000 for the purpose of founding an orphanage for 50 Serbian children, endowing and staffing it for five years. This orphanage must be followed by other orphanages, as there are many thousands of destitute children in Serbia, and the future of the country depends in part on their survival and upbringing."

The Canadian Serbian Relief Committee sends all the money they collect to the Serbian Relief Fund, London, England. The money collected by the Children's Branch goes to build an orphanage which is to be the gift of the children of the British Empire to the children of Serbia.

The method followed is to provide children with collecting cards representing $5.00. Any child, group of children or school, that collects $5.00 or more will receive a well designed certificate, signed by the Bishop of London, President of the Fund, and the name of the child or school will be placed on the Roll of Sympathy to be sent to King Peter of Serbia. It has been found that it is a great encouragement to children to receive some small acknowledgment.

MONO MILLS.

(Intended for last week.)

A well packed house witnessed the musical cantata, "The Pink Rose," as given by the League in the Methodist church, Mono Mills, on Friday evening last. The story running through the whole is of a very uplifting character and begins with the redemption of a slum girl known to her associates as "Blue Bird." The redemption was brought about by a pink rose which had been given the Blue-Bird, really Delia, by a slum worker who tells the story. Delia, from this point, becomes an ardent mission worker, and from her earnest intercession saves many souls. After a year of service, her life, however, is ended and very gloriously she dies. The reading was given by Mrs. Dr. N. Potter, whose excellent voice made the listening doubly a pleasure. The young people of the League, assisted by Rev. and Mr. Laycock, presented the musical parts with excellent taste and accuracy, while Mrs. Cecil Welwood acted as accompanist. The church was beautifully decorated in white and rose, in harmony with the story of the cantata.

All those who were so fortunate as to be present felt that the League and those assisting were to be very warmly congratulated upon the success they had attained.

George Shaw, of Mono Road, has disposed of a house in Brampton, bought six years ago for $1800, which has now brought him $2400.

Mrs. Mary Russell, Inglewood, who broke her leg at the G. T. R. sidewalk, received a cheque for $500 for injuries.

In the Peterboro police court it came out that a lot of draft evaders in the Kirkfield district used to hide from the authorities last summer, stealing home at night to sing patriotic songs at amateur entertainments.

Mr. and Mrs. Hugh McDougall, of Acton, recently celebrated their 60th wedding anniversary. Hugh McDougall, son of the late John McDougall, who came from Islay, Scotland, and Betsey Currie, daughter of the late Donald Currie, were married in Caledon on Feb. 1st, 1859. Rev. H. Reid, Baptist minister, father of Robert H Reid, of Erin, performed the ceremony, using the Gaelic service. They remained in Caledon until 1886 when they moved to Acton.

The big C. P. R. coal pile at Port McNicholl is on fire and has been for the past ten days and up to a few days ago the fire was still going in spite of very effort to put it out. It started from spontaneous combustion. The pile would probably contain, at this time of year, many thousand tons and the loss will be a very heavy one even though a large portion of the coal may be saved. It may take weeks before the fire can be extinguished.

Dear Sir,—I take pleasure in recommending your Autopower to any farmer, as I have proven it to be a good, reliable, economical, handy power. I have filled my silo, 301 1-2x12, in seven hours, running a Gilson blower. I may say that I purchased a new 12 h.p. gasoline engine from a prominent manufacturer, but it is not in it with the Autopower. I also run my own wood saw, pump and fanning mill.

Yours truly,

$600 FOR SHORTHORN.

Mr. S. C. W. Hughson, of the Model Farm, East Garafraxa, paid George Gier, of Grand Valley, a well-known Shorthorn breeder, $600 for a pure-bred Shorthorn bull calf 10 months of age. Stockmen say that in his purchase Mr. Hughson has the best bred and one of the finest looking bulls in these parts.

AMARANTH FARM SALES.

Mr. Robt. Fife, of Laurel, has purchased the west half of lot 9, Con. 5, Amaranth, 100 acres, known locally as the Buchanan farm, from Mr. Thos. Johnston, of Toronto, for $5,000. We understand that Mr. Fife has sold another 100 acre property, the west half of lot 9, Con. 4, Amaranth, to Mr. Johnston, for $3,000.

REPATRIATION MEETING.

As intimated last week, there will be a public meeting in the Town Hall, on Friday, March 7th, at 8 p. m., at which Captain E. B. Archibald, of the Repatriation Speakers' Bureau, will outline the plans of the Government regarding the re-establishment of the men from overseas in civil life, as well as some of the ways in which citizens generally can assist in that important work. The recently organized Orangeville Branch of the G. W. V. A. have the matter in hand, and have arranged an attractive musical program for part of the evening. Messrs. Percy Harding, Russell Morrow and Fred Falconer, Misses Fleming and Browne, Mrs. Russell Morrow and the Orangeville Orchestra will contribute, the aims and objects of the G. W. V. A. will be outlined and an opportunity afforded to ask questions. The public are urged to attend, so as to become conversant with repatriation problems. Mayor Lewis will preside.

THE TOWN COUNCIL.

The following accounts were passed by the Town Council at Monday night's meeting.

H. A. Duke & Son, $1.19; E. C. Clark, $11.75; W. O. MORE SOLDIERS RETURN.

Four, Orangeville Men Home Tuesday Evening; Met at Station by Large Crowd.

The ringing of the town bell at 3 o'clock on Tuesday afternoon informed citizens of Orangeville of the homecoming of more of our gallant soldier lads. As a result of the intimation an unusually large crowd gathered at the depot to meet the Tuesday night trains. Four men came home, namely, Ptes. Delbert Darraugh and N. W. Byard, 164th Battmen; Sergt. "Jimmie" Dawson, who enlisted with the 95th Batt., and Pte. Geo. King, who signed up with a Muskoka Battalion. The Citizens' Band was on hand and did its share to give the four heroes a fitting welcome back to their home town. They were escorted to Broadway, where they were formally welcomed home by Mr. A. E. Annis of the local reception committee, the proceedings terminating with a round of hearty cheers for the men. Darraugh, Byard and King, who are married men, were met by their wives, by whom the homecoming of their loved ones had been anxiously awaited and planned for. The homes of the men were gay with flags and other tokens of welcome and the general reception was followed by happy gatherings at their respective homes.

Mayor Lewis, Reeve Jeffers, Deputy-Reeve Thompson and a number of his intimate friends accompanied Sergt. Dawson to the home of his parents, Mr. and Mrs. Thos. Dawson, where he was formally decorated with the Military Medal, which was conferred on him for bravery on the field of battle.

Pte. King, who is a son of Engineer Chas. King, was attached to a Forestry Battalion of the French army after going overseas and, being an expert electrician, was able to give valuable service in this line. He was married in England, his young wife preceding him to Canada a couple of months ago. The returned men are all looking in the best of health, but make no secret of the fact that they are glad to get back to Canada.

Signaller Trueman Kellie.

Signaller Trueman Kellie, a former popular High School student, put one over on his many local friends by coming home quite unheralded on Saturday night, thereby giving no opportunity for the warm reception he otherwise would have received. Kellie enlisted with the 2nd C. M. R.'s in Hamilton, in April 1916, went overseas in October of the same year and to France with the 78th Batt. in May 1917. He took part in the show at Lens, was through both Arras battles, Amiens and the last Cambrai battle. He was slightly wounded on two occasions and was knocked out by an exploding shell, which wrecked a dugout just as he left it. This occurred near Lens in August 1917 and he was shell-shocked so badly that he did not get out of the hospital until December. Except for this interval Kellie was at the front until last November. He came home on the Empress of Britain which reached Halifax on Feb. 25th. The young soldier is staying with his mother, Mrs. Wm. Lindsay, at her home on York street.

Pte. A. E. Wisdom Home.

Mr. and Mrs. Arch Irwin, Bythia street, received a pleasant surprise on Tuesday morning when their nephew, Pte. Archy Wisdom, walked in upon them unannounced. Pte. Wisdom arrived in town Monday night, spent the night at the American and started out early Tuesday morning to look up his relatives. The young soldier enlisted in the Orangeville company of the 164th Battalion, went overseas with his battalion and was on the fighting front in France over a year. He was twice wounded, once in the back and another time in the arm, but has fully recovered and is looking quite well. Five brothers of the Wisdom family enlisted and three of them are still overseas.

LOCAL NEWS NOTES.

—Mr. D. Sweeney, lot 13, 2nd line, east, Caledon, will hold a clearing auction sale of farm stock, implements, etc., on Wednesday, March 26th. Watch for posters later.

—Mrs. Lewis, Third Ave., has received the Croix de Guerre, which the War Ministry of France conferred on her son, the late Flight Lieut. Harry Lewis, for conspicuous bravery.

—Rev. W. M. Morris and Messrs. J. B. Adamson, W. C. McMillan and D. Young visited a number of Toronto churches last Thursday for the purpose of picking up ideas in connection with the redecorating of St. Andrew's church.

—Pte W. A. Browne, a brother of Mrs. A. D. McKitrick and Miss Browne, West Broadway, arrived in Halifax on the Belgic on Saturday and reached Toronto yesterday. He was wounded at Vimy Ridge in April 1917, spent nearly a year in the hospitals, returned to the front in the spring of 1918 and was wounded a second time a few weeks later. His home is in Wiarton, but he was living in Edmonton when he enlisted in the Western Universities Battalion.

STERN REMINDERS OF RHEUMATISM

Cold or Wet Weather May Start the Pains, But the Trouble is in the Blood.

Every rheumatic sufferer should realize that rheumatism is rooted in the blood and can only be cured by a treatment that will cleanse the blood of the rheumatic poisons. The old-time belief that rheumatism was caused by cold, damp weather, is now exploded. Such weather conditions may start the aches and pains, but is not the real cause. Liniments and outward applications may give temporary relief, but cannot cure the trouble, because they do not reach its source in the blood. The sufferer from rheumatism who experiments with outward applications is only wasting valuable time and good money in depending upon such treatment, the trouble still remains, and it is all the time becoming more firmly rooted—harder to cure when the proper treatment is applied. Treat this disease through the blood and you will soon be rid of the pains and tortures. As a cure for rheumatism Dr. Williams' Pink Pills are unequalled. They act directly on the impure, weak blood; they purify and strengthen it, and so root out the cause of rheumatism. Mr. D. Lewis, postmaster at Escuminac, N. B., says: "I was attacked with rheumatism, which settled in my elbow, shoulder and knee joints, and at times caused me great suffering. The trouble was particularly severe last spring and I decided to try Dr. Williams' Pink Pills. After taking the pills for some time the rheumatic pains and stiffness in the joints disappeared and I have not since had any return of the trouble."

If you are suffering from rheumatism, or any trouble due to poor blood and weak nerves, you will find a cure in a fair use of Dr. Williams' Pink Pills. You can procure these pills through any medicine dealer, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PAST PRECEPTOR'S JEWEL.

At the regular meeting of Orangeville Preceptory, Royal Black Knights, on Friday night, Sir Knight H. A. Duke, Past Preceptor, was presented with a beautiful Past Preceptor's jewel. The presentation was made by Sir Knight Rev. T. R. White, the Preceptor, who spoke in terms of the warmest appreciation of Sir Knight Duke's services as Preceptor from 1911 to 1918.

CONCERT IN ALTON.

What should be a very fine concert will be given in Alton on Thursday night, March 13th, under the auspices of the Epworth League of the Alton Methodist church. The program will consist of piano solos by Misses Dorothea Browne and Phyllis Blackwell; solos by Mr. Percival Harding and Mr. J. H. Sloan, and cornet solos by Mr. Amos Mason. Program will begin at 8.15; admission, 25 cents. Tickets have been placed on sale in Mr. Chantler's store, where reserved seats may be secured.

SHOWER FOR BRIDE.

On Thursday night, Feb. 20th, about seventy-five friends of Miss Mabel Bowen, of Amaranth, met at her home prior to her approaching marriage and presented her with a generous miscellaneous shower of pretty and useful household articles. After the presentation a delightful time was spent in dancing, playing cards and other amusements. The guests showed their appreciation of Miss Bowen's estimable qualities by joining in the well-known refrain, "She's a Jolly Good Fellow, following which they also sang, "We won't go Home Till Morning."

TO REPAIR ST. JOHN'S CEMETERY

The wardens of St. John's church are about to build a good wire fence around St. John's cemetery, Mono. To finance this project they are asking for the sum of one dollar from each family that has a plot in this cemetery or that is in any way interested in its upkeep. This repair is much needed and will meet the approval of all. Those living outside the confines of the parish are requested to send in their contributions to the following address:

REEVE OF CALEDON MAKES EXPLANATION

Editor of The Banner,

Dear Sir,—In regard to the letter of Mr. Thos. Speers in The Banner of two weeks ago, I might say in reply that I was notified by Mr. Speers' doctor, Dr. Burrowes, and also by the Matron of the Hospital, at the time he was taken in, that they would look to the township for their pay. Otherwise the motion of which Mr. Speers complains would not have appeared in the minutes of council.

$20,000 OF ACCOUNTS.

Mr. J. J. Kelly, the well known collector, returned last week from a four days' business trip and brought with him $20,000 of accounts from outside firms for collection. Mr. Kelly has a splendid connection with business houses throughout Ontario, in addition to his business in Owen Sound and Orangeville. — Owen Sound Sun.

ST. PATRICK'S DAY OLD BOYS' REUNION

Former residents of Dufferin County now living in Manitoba are planning a big re-union for St. Patrick's Day. At 6.30 they will have a banquet at the Royal Alexandra Hotel, after which an hour will be spent in music, reminiscent speeches and song. This will be followed by a 500 drive, and probably dancing.

In addition to the regular Dufferin Old Boys, many others will be present who had the good fortune to accept Dufferin Old Boys for better or for worse, and they are a unit in believing it was for the better.

Dufferin Old Boys from any part of the world, who happen to be passing through the city at that time, will be made heartily welcome.

IMPORTANT FARM SALES.

Mrs. W. H. Sproule last week disposed of both of her farms in Amaranth, west half of lot 23, Con. 3, and east half lot 22 in the 4th Concession, to Joseph Duke of the Back line, Melancthon. The price paid for both was $13,000. Mrs. Sproule has purchased a home in Orangeville and will move there the first week of March. Mr. Duke gets possession next week. Mr. Duke, in turn, sold his farm, lots 293 and 294, S. W., Melancthon, to Geo. Fraser, of Ventry, for $10,500. Geo. Best has disposed of his 100 acre farm, lot 11, 2nd line, west, Mulmur, to Melville Bailey, of Amaranth. Walter Marshall has sold his 100 acre farm, west half lot 23, Con. 1, O. S., Melancthon, to Robt. Laverty, of Lavender. The price paid was in the neighborhood of $10,000. Possession will be given April 15th.—Shelburne Free Press.

PTE. HARRY PARK HOME.

A right royal welcome awaited Pte. Harry Park, son of Wm. Park, of East Garafraxa, when he arrived here Monday noon. He came over from England a month or so ago, and spent some time with his grandmother down in Vermont. Harry was one of the first lads in thi spart to really recognize the seriousness of the situation, and early in 1916 enlisted in the Princess Patricia Light Infantry at Montreal. He had ample reasons for remaining on the farm at home but the call to duty could not be denied. Arriving in England he was soon across in France and took part in the battles of Passchendale, the Somme and Vimy Ridge. About June he was shot through the knee, being invalided to England, and on his recovery went back to the trenches. After only six days there he became a victim of trench fever, was again sent to Blighty where he remained until hostilities ceased. For a long time his health has been poor but the doctors now give him great encouragement for a complete recovery. Harry was a pupil of Grand Valley Continuation School for a time and is another to add lustre to the honor of this institution for its war efforts. The many personal friends of the family in town and from his district were on hand to give the young man the welcome deserved. Carnegie Hall appropriate address of welcome and appreciation was given by Rev. S. Lundie and Dr. Stevenson.—Star and Vidette.

The young soldier is a nephew of Mr. and Mrs. John Park, Zina st.

GARNETT-SPEERS

A very pretty wedding was solemnized at the Methodist parsonage, Prelate, Sask., on Feb. 26th, when Winifred R. Garnett, son of Mr. and Mrs. W. Garnett, of Prelate, formerly and Annie Beatrice Speers, daughter of Mr. and Mrs. Thomas Speers, Caledon line, east, Caledon, Ont., were united in holy wedlock, Rev. R. W. Lee, B. D., officiating. Miss Daisy Burns acted as bridesmaid and F. W. Speers acted as best man. The groom gave to the bridesmaid was a handsome gold brooch and his gift to the groomsman was a beautiful signet ring. The bridal couple left on the eastbound train immediately after the ceremony for their honeymoon trip.

She immediately gave the alarm by ringing the school bell and soon several ratepayers were on hand but not before the building was in a mass of flames. The school was also in danger and only by hard work and careful planning was it saved. The woodshed contained twenty cords of green wood which was put in the previous Saturday and several cords of dry hardwood which was completely destroyed. The loss of the fuel alone will be over $200.

A much respected resident of the township passed away on Wednesday of last week in the person of Mrs. John Warnock, after an illness of one week with pneumonia. Deceased was the daughter of the late Alex. Burke, a pioneer of the township. She was 73 years of age and was much respected in the community where she had resided nearly all her life. The funeral took place on Friday to Price's cemetery. Besides a husband she is survived by two daughters and six sons. The daughters are: Mrs. Wes. McDowell, of Amaranth and Mrs. N. Irvine, Con. 14, East Garafraxa, and the sons are: Alex., John, Hugh, James, George, of East Garafraxa, and William in the West.

John Jamieson, a native of Mono township, and formerly a member of Mulmur council, died in Collingwood recently after a lengthy illness. He leaves a widow and a family of three sons and three daughters.

AVISON-TURNER.

A pretty wedding took place on Wednesday, Feb. 26th, at the home of the bride's parents, when Bessie, youngest daughter of Mr. John Turner, Camilla, was united in marriage to Mr. Edgar Avison, son of Mr. Wm. Avison, Orangeville. The bride, who entered the room leaning on the arm of her father, to the strains of the Lohengrin Bridal Chorus played by Mrs. Wilfrid Turner, of Moorefield, looked charming in a gown of embroidered voile, wearing the customary veil and orange blossoms and carrying a shower bouquet of carnations and narcissi. The ceremony was performed under an arch of evergreens and bells, by Rev. H. M. Lyon. After the congratulations of the guests the bridal couple led the way to the dining room, where a sumptuous repast was served. Mr. and Mrs. Avison will leave shortly for their new home in Wainwright, Alberta.

WATSON-BOWEN.

A pretty wedding took place on Wednesday, Feb. 26th, at the home of the bride's mother, when Mabel, daughter of the late Thos. and Mrs. Bowen, of Amaranth, was married to Mr. Harold Watson, only son of Mr. and Mrs. John T. Watson, of Caledon. The bride, who was given away by her brother, Mr. Henry Bowen, wore a white georgette crepe gown with pearl trimmings, the customary bridal veil and carried a bouquet of cream roses. She entered the parlor to the strains of the Lohengrin wedding march played by Miss Myrtle Watson, sister of the groom. After a sumptuous wedding breakfast the happy couple left on the evening train for Niagara Falls and other points. The bride travelled in a tailored navy blue suit with hat to match and white fox furs. After their return they will reside on the groom's farm, first line, Caledon. The numerous friends of the young couple, both of whom are well known and highly thought of, join in extending their sincere good wishes.

IRISH SOCIAL AT CALEDON.

The Ladies' Aid of Knox church, Caledon, purpose holding their annual Irish social in the basement of the church on Monday evening, March 17th. A hot supper of different Irish dishes will be served, followed by a program of games, music and a social time. Admission, 25 and 15 cents. 36-2t

HAD FINGERS MANGLED.

A very distressing accident occurred at the Conservator printing office in Brampton recently, when Miss Gladys Husband, who was employed in feeding a Challenge Gordon press, had her hand caught by an alternating section of the press, and her fingers badly mangled. She had dropped one of the tickets which were being printed, and in an effort to save the ticket did not allow for the speed of the machinery, her hand being crushed before she could withdraw it.

Mr. Edward South has returned to Fergus after spending a couple of months at his home here.

Miss Netta Lyon and Master Mackie Lyon left the beginning of the week for their home in Scotland.

Mrs. Sargeant, of Belwood, is visiting her daughter, Mrs. Jas. Little.

Mr. and Mrs. E. Turner and family have returned to their home in Michigan after spending a few days with their parents, Mr. and Mrs. John Turner.

Mr. Clarence Gemmill spent the week-end at his home here.

Miss Angeline Patterson is home again after spending a couple of weeks with friends in Melancthon.

VINOL MAKES WEAK WOMEN STRONG

Positive—Convincing Proof

We publish the formula of Vinol to prove convincingly that it has the power to create strength.

Cod Liver and Beef Peptones, Iron and Manganese Peptonates, Iron and Ammonium Citrate, Lime and Soda Glycerophosphates, Cascarin.

Any woman who buys a bottle of Vinol for a weak, run-down, nervous condition and finds after giving it a fair trial it did not help her, will have her money returned.

You see, there is no guess work about Vinol. Its formula proves there is nothing like it for all weak, run-down, overworked, nervous men and women and for feeble old people and delicate children. Try it once and be convinced.

STRONG WORDS OF A GUELPH VETERAN

HE SAYS DODD'S KIDNEY PILLS SAVED HIS LIFE.

James Black at the Age of Eighty-Five is Shouting the Praises of the Great Canadian Kidney Remedy, Dodd's Kidney Pills.

Guelph, Ont., March 3.—(Special)—"I would have had to undergo an operation, or be dead only for Dodd's Kidney Pills." These are strong words. But Mr. James Black, an old gentleman who moved here recently from Maidstone, makes the statement without hesitation.

"I suffered from Kidney trouble and pain in my back," Mr. Black goes on to relate, "and a friend told me to try Dodd's Kidney Pills. When I had used half a box I began to pass sand and gravel. I have half a pound of it in a bottle to show people.

"I also had cramps in my legs so that I could not sleep at night. I used 14 or 15 boxes of Dodd's Kidney Pills, and now I am cured of all these ailments."

Mr. Black, who is in his eighty-fifth year, is confident that he owes his life to Dodd's Kidney Pills, and never tires of singing their praises. "They are worth twice their weight in gold," he says.

Dodd's Kidney Pills have long ago earned the name of "The Old Folks' Friend." For the kidneys are the first to feel the strain of advancing years. Acting directly on the kidneys, and strengthening those organs, they have made many an old person shout "I feel young again."

LAUREL.

The box social, which was announced for this week, has been postponed until Tuesday night, March 11th, when Whittington young people will give their popular play, "Deacon Dubbs." A delightful evening's entertainment is anticipated. Ladies who bring boxes, admitted free; gentlemen, 15 cents. Boxes will be auctioned off by W. R. Groskurth.

CALEDON EAST.

Mr. Joseph Proctor has started to build two new houses.

Bert McGregor, of Port Perry, is the guest of Mr. and Mrs. A. Boyce. Bert is a returned soldier.

Mrs. M. Murray, of Mono Mills, has been the guest of her mother, Msr. G. W. Berney.

Misses Bea Richmond and Margaret Cowan spent Tuesday in Georgetown.

Six of our young people are taking home study courses through Orangeville Business College.

Mr. J. A. Donaldson has purchased a new motor hearse.

Mrs. A. E. Doney has sold her house and lot to Mr. John Perry. Mr. Perry intends to move to Caledon East.

LAUREL.

(Intended for last week.)

At the invitation of the pastor, Rev. W. F. Roach, Evangelist F. B. Coombs will begin a series of meetings in the Laurel Methodist church on Monday evening, March 3rd, at 7.45 p.m. Mr. Roach especially desires the congregations of Bowling Green, Whittington, Salem and The Maples, to come to these services. Mr. Coombs is widely known and is a very forceful speaker. Other services are being arranged for during the day. All are welcome. Mr. Coombs expects to be at Laurel for 8 days.

Rev. M. Steele preached to the Presbyterian congregation here on Sunday.

Mr. J. Montgomery had a very successful sale on Saturday. We understand that Mr. Montgomery and his mother intend going West in a short time.

Mr. J. A. Hughes, having completed all arrangements as to wood and ice for the coming season, is planning to open the creamery on March 3rd. Mr. Hughes has secured the services of a graduate buttermaker for the coming season and will be able to give his patrons the best service possible.

We are having a wonderful winter for Dufferin. Surely this season will always be remembered as it is the first winter after the Great War. Even the elements seem to be at peace.

MONO COUNCIL.

Mono Centre, Feb. 21, 1919.

The Council met per adjournment of former meeting. All the members present, Reeve Moffatt presiding. The minutes of the former meeting were read and confirmed.

The following accounts and resolutions were dealt with and passed by the Board:

General Accounts—Hilliard Cotton, repairs to road and bridge, lot 5, Con. 2, west, in 1918, $12; Mrs. Wm. Irwin, 52 yards of gravel, lots 4 and 5, Con. 2, west, $5.20; Geo. Woods, moving grader to Orangeville, $3.00; J. J. Anderson, 26 yards of gravel on townline, $2.60; Henry Kearns, opening ditch to Orangeville, $1.00.

Sheep Account—John Cook, for 8 sheep injured by dogs, $35.00.

Mr. Samuel Barber was empowered to see Mr. R. G. Canning regarding the purchase of 5,000 feet of cedar for use as bridge covering in the township.

A resolution was passed increasing the Clerk's salary $25.00.

On resolution the applications for refund of dog tax were left over for further information.

Notice was given that at next meeting of the Council a By-law would be introduced appointing Pathmasters, Poundkeepers and Fence-viewers for 1919.

Council adjourned to meet again on Friday, the 21st day of March, at 10 a.m.

LETTER FROM SIBERIA.

Rev. Dr. Armstrong, of Point Edward, Ont., formerly of Alton, has received the following interesting letter from his son, Ivan Linton, one of the boys who is engaged in the Siberian theatre of war:

Siberia, Jan. 16, 1919.

Dear Father and Mother:

Just a few lines to let you know we have landed safely in Siberia. We had an exceptionally rough trip from Victoria and were 17 days at sea.

I am glad I came. We certainly have seen many wonderful sights. How true that one half of the world does not know how the other half lives. The weather here is extremely cold, but our clothing and equipment are of the best. The barracks are warm and the food good. Thousands of the Russian people are dying from starvation, but we are here to relieve the food situation. I will be unable to tell you of the different cities and villages. Many features of great interest must be left out of my letters, as all our mail is censored. Transportation at the best is poor in Siberia, and Russian mail may go regularly at times, but at other periods it may be irregular. The city we are in now consists principally of Chinese, Japanese and Russians. We came over on the S. S. Prostisilans, one of the blue funnel lines. I will give you an insight of the inhabitants and their mode of living in my next letter. Now, mother, do not worry, I will write you as often as I can. Remember, I am perfectly well and comfortable. Now, dear father and mother, I must close, with lots of love to you both.

Very sincerely yours,
Pfm. Ivan Linton Armstrong,

THE METHODIST CHURCH.

Next Sunday, March 9th, Rev. E. R. Young will occupy his own pulpit. His subject in the morning will be: "Grow in Grace and in the Knowledge of our Lord Jesus Christ," and in the evening: "How the Germans side-stepped and some others like them."

One of the most successful features of the series of special services just held was the Home Circle Prayer Meeting. These are to be continued. Two were held this week, one at the home of Mrs. Henderson on Tuesday, and on Wednesday evening at the home of Mr. A. W. Bradley. On Tuesday afternoon next, at 3 o'clock, Mrs. W. C. Barber, Wellington street, will be the hostess.

On Wednesday evening, March 12, the Daisy Mission Circle will give a birthday party to which all are invited.

On Monday evening the Epworth League met. There was a good turnout. Miss Dorothy Wright did duties as chairman. Miss Jane Clarke gave a paper on the "Obligations of a Young Christian." A new League song was sung and some other features introduced. Look out for the next night.

Evangelist Coombs finished his mission here last Sunday night. There was a very large and deeply interested audience. He sang several solos very acceptably as also did Mr. Sloan. Mr. Coombs and Miss Margaret Rowan sang a duet.

In his closing words Mr. Coombs expressed his gratitude to all who had assisted him in the mission. He expressed his special thanks to the pianiste, Miss Gladys Ewing, to the choir and to the pastor and the church officers who stood loyally by him. He goes from Orangeville for a short mission to Laurel and then for the Lenten season to Trinity Methodist church, Toronto.

CARD OF THANKS.

I wish to publicly tender my sincere thanks to the Directors of the Dufferin Farmers' Mutual Fire Insurance Company for their prompt and satisfactory payment of the insurance on my barn. Their prompt payment of the amount of my claim was particularly pleasing in view of the fact that this is the first year I have been a policy holder in this company.

HESS STOCK FOOD!

RESULTS GUARANTEED

PIGS.

Start feeding Dr. Hess' Stock Tonic to brood sows six weeks before she farrows. Then feed to mother as long as pigs are nursing. Then feed to pigs until they are 4 months and 20 days old, and they will weigh 230 to 260 lbs. each.

Or if Pigs are 4, 5 or 6 weeks old, feed until they are 5 months and 20 days old. At that age they must weigh 230 to 260 lbs.

COWS

Regardless of what they are feeding, weigh milk for two weeks, then add Dr. Hess' Tonic and the increase must not $10.00 on each pail of Tonic.

CALVES

Take two calves—one at 6 weeks old and one at one week—and in six weeks they will both weigh the same.

THE BEAUTY OF THE CALEDON MOUNTAINS

Motorists travelling over the roads that run through the Caledon Mountains take but little time to read the wonderful story written in the rocks and traced out by the stones that lie on the wayside.

Many, many thousands of years ago, the whole of the County of Peel lay under a vast glacier. For some reason that is buried in the hidden past, too deeply for man to bring it to light, this glacier melted and was seen no more.

The face of the country was then, as far as the scientists can judge, something in the nature of a vast muddy plain. Then this plain was overwhelmed with ice, and the second glacier covered the face of North America, from the pole to the Gulf of Mexico. But the fate of this second glacier is easier to trace. It melted very slowly and seemed to have a movement towards the south. The great lakes are supposed to be a remnant of this glacier, caught in a depression formed by an upheaval of the Laurentian system which took place during the progress of the glacier southwards.

There is no better example of the power of this glacier than in the stones that lie around the village of Terra Cotta. At the top of the hill, passing from the railway station towards the village, lie great masses of granite rock, that were carried by this monster mass of ice, and dropped, heedless of the trouble to farmers and others that would ensue in the ages to come when man took possession.

Travelling by the sixth line, north of Terra Cotta, are to be seen miles of fence, made of the little stones that were dropped by the glacier, thick as nuts in a dish, and which have been picked by the farmers before the fields could be cultivated.

Turning to the east and working towards the Forks, the road winds through one of the gloomiest depressions to be found in Canada. A very peculiar formation of the rock looks as if some giants had been excavating the rock, tossing their rubble into a pile a hundred feet high, and several hundred feet long.

The peculiar red clay that abounds in the neighborhood of Terra Cotta, and from which the village takes its name, is supposed to have been carried from the barren lands near the edge of the Arctic Ocean. The theory that it is powdered rock, ground by the impact of the ice with the mountains is not a good theory for the reason that masses of rock of that peculair type are not found in that vicinity.

One beautiful feature of the Caledon Mountains is the large number of small rivulets that trickle down the sides of the hills. These tiny rills soon grow to be streams of considerable size, and even in the hottest summer, there is water to be seen flowing through them.

High up in the hills these streams make an admirable hiding place for trout, and a trout reserve, in which a man may go and catch as many of the desirable little beauties as he wishes, is an enviable possession.

One of the show places of the Caledon Mountains is what is called "The Devil's Pulpit." Far in from the third line, in a shadowy depression of the hills, is a gloomy mass of rocks, piled in a fantastic fashion. The upper rocks overhang the lower in such a manner as to suggest a pulpit, and the gloominess of the place evidently gave the peculiar name to the locality. Snow has been found in this depression in July, and on the hottest summer day, the temperature is always low.

What man can add to nature is seen in the beautiful landscape gardening that has been accomplished at Belfountain, where on the Mack property, by making use of a natural waterfall and damming the water above it, a veritable garden of Eden has been created. Cupped between the hills and covering less than four acres in all, the arrangement of grass, flowers and water lead to the impression of far greater size. The house with the little balcony stands out over the water at the rear, is within the sound, by day and by night, of the roar of a miniature waterfall, that would prove a sedative to the most wearied nerves.

Had Headache For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this, and now with scores of other Barrie people Mr. Nader is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

Mr. John Nader, 28 Penetang street, Barrie, Ont., writes: "During the last two years I had an attack of indigestion, accompanied by severe headaches. I suffered from loss of appetite, and my system became run down. I also lost considerably in weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-forming influence. By creating an abundance of rich, red blood it strengthens the action of the heart, revitalizes the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and a new vigor and energy is felt in every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. 50 cents a box, 6 boxes for $2.75, all dealers or Edmanson, Bates & Co., Limited, Toronto.

PROBLEMS CONCERNING DEMOBILIZATION

Repatriation Committee Invites Co-operation of Municipalities in Its Work.

The following is a copy of a self-explanatory circular letter that the Dominion Repatriation Committee has sent to every municipality in Canada:

February 3, 1919.

The Mayor or Reeve,
Your Worship:

The urgent problems in connection with the demobilization of our army and the re-establishment of industry on a peace basis have led to the formation of the Repatriation Committee, in connection with which I am now acting as the representative of the Municipal organizations of Canada.

The urban and rural municipalities can play a great and important part in the problems of the demobilization period, in giving a "Welcome Home" to the returning soldier and his family, in helping the soldier to secure employment, and generally in assisting him to re-establish himself in civil life.

In every Municipality that has sent soldiers overseas there should be an honorary committee of citizens, composed of both men and women who wil lassame a measure of responsibility in this important work. There may possibly be such a committee already in existence in your municipality, if so we would like to know; if not, I would respectfully urge, on behalf of this committee, that one should be formed at once. The functions of a "Welcome Home" committee should be as follows:

(1) To welcome all returned soldiers and their dependents on their arrival in your locality.

(2) To receive any complaints from returned soldiers and to forward them to the Department of Soldiers' Civil Re-establishment, Ottawa, for investigation.

(3) To help the returned soldiers to find employment.

(4) If at any time employment cannot be found in your locality for a returned soldier, to report particulars to the Department of Soldiers' Civil Re-establishment.

(5) If positions exist in your locality for which returned soldiers are not available, to notify the Department of Soldiers' Civil Re-establishment, so that men can be sent from the nearest demobilization centre to occupy them.

(6) To co-operate with voluntary organizations.

(7) To keep a general oversight over the interests of returned soldiers and their families.

Enclosed is a post card on which are printed seven important questions. I shall be glad if you will be kind enough to have this card filled out and returned at your earliest convenience. I need not say that the Repatriation Committee will be only too glad to answer any inquiries which you may make with regard to those problems which come within its scope. All communications can be sent post free.

I am, your worship,
Yours sincerely,
HARRY BRAGG,
Municipal Representative.

GRAND FALLS POWER.

Grand Falls, on the St. John river, New Brunswick, is 450 miles long, has a drainage area of approximately twenty-six thousand square miles, and possesses the largest water power and one of the largest sites in Eastern Canada, according to a new booklet on the Province of New Brunswick prepared by the Natural Resources Intelligence Branch and issued by the Department of the Interior.

TAPPING THE "WAR LORD'S" CLARET

A Set-to at Ilfracombe in 1878.

The story of the encounter between Mr. Alfred Price and the Kaiser, when Prince Frederick William of Prussia, has been often told and has appeared in print on many occasions and in many lands. Strangely enough, however, we have Mr. Price's own authority for stating that an account, just to hand, in an Argentine publication, is the most exact yet written. We extract as follows:

"The historic battle took place in August, 1878, and the scene was the Rapparee bathing beach. At that period the Prince was holidaying at Ilfracombe, and bathing was amongst his daily pleasures.

"One afternoon when on the beach the young Prince employed his royal leisure by making targets of the numbers on the bathing machines.

"This wanton mischief roused Mr. Price's son, Alfred, who now controls the Rapparee bathing beaches, and is also the popular host of the St. James' Boarding House. He said he should not allow his father's property to be damaged.

"The reply was 'Do you know who I am?' but young Price with an Englishman's bluntness said, 'I don't care a dash who you are!'

"Forthwith the Prince landed Mr. Price on the right jaw, knocking him down. A good and game fight resulted, and for twenty minutes they went at it hammer and tongs.

"Mr. Alfred Price is probably the only man who ever lived who can truthfully say that he gave the Kaiser a 'bloody nose.'"

In vouching for the accuracy of the South American report of the occurrence, Mr. Price smilingly added that not only did the fight take place, but that he was "bribed" thirty shillings by the tutor to purchase his silence.

Why Kaiser Bill Hates England; or What Happened at Rapparee.

(Copyright.)

When Kaiser Will'um was a y'uth
He com'd t' Combe one day,
And at the big hotel out there
He stopped on holiday;
Young Kaiser Bill airly show'd
A liking for the sea,
So ev'ry morning for a dip,
He went t' Rapparee.

One morning after Mister Bill
Had had his usual swill,
He started chucking stones about,
(He never could keep still);
The bathing boxes catch'd his eye,
"Ah! ah!" said he wi' glee,
"The painted numbers on the doors
Mine target now shall be."

He found the range, and blazed away,
Delighted wi' his skill
(He always was a decent shot,
Was lordly Kaiser Bill.)
Now Philip Price the boxes keep'd
Upon this shingly shore,
A sturdy chap of Devon breed
Was Phil, no less, no more.

Now Philip's son was on the beach,
Alfie that y'ungster's name,
And when the paint begin'd t' fly,
He shouted "What's y'a game?"
With flashing eye, and haughty mien,
The Kaiser faced the lad,
"Do you know who I am?" he cried,
And my! he looked some mad.

But boldly answered little Alf,
"I don't care who y'u be,
I'll let 'ee know you don't command
Down yur on Rapparee."
The Kaiser up and landed Alf
A clout beside the jaw,
It knocked poor Alfie right down dap,
So sudden was the blaw.

But up he got and went for Bill,
Just like a Devon bull,
I'm 'fraid he didn't stop t' think
'Bout any golden rule;
He knacked the Kaiser on the nose
And tapped the r'yal blid,
And then he bashed 'n in his eye,
Upon me word he did.

The Kaiser was a strapping chap,
Older than Alfie, too,
And though he couldn't use his left,
His right was straight and true;
For he had l'arned the boxing art,
'Mongst princes 'twas the rule,
While all the science Alfie know'd
He l'arned down Lower School.

Now up, now down, this bathing cove,
They punch'd, they clinch'd, they fal'd,
I s'pose it was a dre'dful sight
The way they chaps was mall'd;
Our Phil looked down from top the steps
And rubbed his hands wi' glee,
To see Bill Kaiser's claret tapped
Down there on Rapparee.

Bill's tutor and attendants all
Had gone off 'round the rocks,
So when they com'd upon the scene
It giv'd 'em all gurt shocks;
They rinn'd between young Alf and Bill
And stopped their little game,
Then tutor turned to Bill and said:
"Your highness! fie, for shame!
Lowering y'ur dignity like this
Fighting a peasant lad.
Whatever will y'ur mother say?
'Twill make her feel quite bad."

Then Kaiser turned to Alf and said:
"Mine friend! you'll rue this day
For what you've done t' mine poor nose.
Mine word! I'll make you pay,
I'll build big ships and gurt big guns,
Then one day I will come
And blow this place t' smithereens,
And you—— t' kingdom come."

The germ of hate once planted
In this gentle "Germun's" breast,
The "Kultur" grow'd and spread apace,
He know'd no peace nor rest;
He builded Dreadnoughts and big guns,
And gurt big airships too,
And teached his soldiers the goosey-step,
Impressive sight I trow.

Then gazing on his handiwork
He said, "Nigh is 'The Day'
When I will cross the rolling deep
And make those English pay
For what that y'ungster did to me
When I was over there;
Mine nose have never been the same,
He bent it —— I declare."

Bill's tutor, 'fore he left the beach
Beg'd silence 'bout the job,
And just to keep his mouth shut tight
Giv'd Alfie thirty bob.

x x x

My tale is told, and "Germhum" hate
'Tis very plain to see,
Was caused—because young Alf drash'd Bill,
Way down on Rapparee.

Ilfracombe. W. H. COATES.

The story of the Crown Prince's battle with the English lad has more than usual interest for Banner readers owing to the fact that Alfred Price, the hero of the encounter, is a cousin of Mr. W. J. Trathen, a well-known Caledon farmer and stockman. Mr. Trathen was himself born in historic Devon.

LOBSTER FISHERIES NEED CONSERVATION

The report on the lobster fishery of Canada, prepared by Professor Knight, of Queen's University, shows that the fishery urgently needs conservation and protection measures to save it from becoming unremunerative. The larger and more mature lobsters, 15 to 19 inches long and weighing from 3 to 12 pounds, have all been fished out, and the bulk of the fishing now consists of immature lobsters of decreasing lengths, down to 5, 6 and 7 inches, weighing from 10 to 12 inches, according to the report.

While curling in Owen Sound, R. L. Stephen, of Markdale, met with a double accident. He fell out of bed and on replacing himself bumped his head on the bed post.

IN MEMORIAM.

In loving memory of Mr. J. E. Langford, who died January 25th, 1919:

Another form is laid to rest,
Another soul returned to God.
The face we loved so well in life
Is lying now beneath the sod.
His hands are clasped upon his breast,
We have kissed his lifeless brow,
And in our aching hearts we know
We have no father now.
But oh, we miss our father dear,
We see the vacant place,
We miss him in our home,
We miss him everywhere.
I often sit and think of him
When I am all alone,
For memory is the only friend
That grief can call its own.
Like ivy on the withered oak,
When other things decay,
Our love for him will keep green
And never fade away.
Oh, we could not keep the tears back
When we looked on his sweet face,
But remember, God has promised,
Up in Heaven he has a place.
'Tis hard to part from friends we love,
Never shall his image fade,
Loving thoughts will always linger
O'er the grave where father's laid.

CHILDREN'S AID SOCIETY.

The Provincial Government never undertook a better work than that of 1893 when they placed upon the statutes, "The Children's Protection Act." The Act provided for the organization of Children's Aid Societies throughout Ontario under the guidance and control of the central office at Toronto. Thousands of neglected boys and girls have been helped through these organizations and have attested by their useful and honorable lives that they have not been helped in vain. This Society aims to secure justice for every child; prevent cruelty and neglect; to encourage a deep sense of parental responsibility, and to provide foster homes for homeless children. In other words: to insure a decent home, good food, adequate clothing, opportunities for education and proper medical attention; thereby insuring health and happiness, which together means useful citizenship. It also aims to protect society from its worst enemies, ignorance, vice and crime.

The society's motto is: "It is wiser and less expensive to save the children than to punish criminals." The whole plan of the Children's Aid movement is founded on this principle.

The work in dealing with neglected and delinquent children is largely along lines of prevention, not only to save them from abuse and neglect but to save them from themselves, and their indulgences, and it is only through the co-operation of the administrators of the law and of our homes that this can be accomplished.

One of the first steps taken is to enquire throughout the county for neglected children or any boys or girls who are living under conditions that would lead to criminal or immoral conduct. When informed of a case, everything possible is done to bring about an improvement in the home by surrounding the children with good influences, removing the evil instead of the child. The old way was to have them committed to reformatories or other public institutions.

When preventive measures fail, and where parents and others cannot be induced by warnings to improve their conduct for the sake of the children, then the law provides for their apprehension. The evidence is submitted to a Judge or Magistrate or two Justices of the Peace and, if warranted, a legal order can be made transferring the children to the guardianship of the Society.

Pending a final decision by the Court, the Society cares for its wards in what is known as "The Children's Shelter." This is simply intended to be a temporary children's home, or clearing house.

Here the boys and girls from homes of filth and vice come under refined and pleasant home influences.

They are obliged to remain here under subjection until restored to a normal state of health, at which time they are returned to their natural parents, or transferred to a foster home. Under the regulation, a child is not supposed to remain in the Shelter longer than three months. During this time the County is under obligation to pay a reasonable sum, not less than two dollars per week, towards the expense of supporting the child.

"A Judge may order the parent of a child who has been committed to a Children's Aid Society, to contribute towards the child's maintenance, and upon refusal of payment, such parent is subject to imprisonment." The laws governing this Society are most drastic. The Inspector, or County Agent, is given great power in dealing with parents and guardians of neglected children, for responsibility rests not upon the delinquent child but upon the parent or natural guardian where it rightfully belongs.

The Inspector may apprehend without warrant, and if need be, may with warrant enter by force any house, building or other place to remove an abused or neglected child therefrom to a place of safety.

According to the Act, "Child" shall mean a boy, or girl actually or apparently under sixteen years of age.

"He may call to his aid, in the performance of his duties, a constable of the locality and the constable so called shall be entitled for his services to the same fees as he would be entitled to for like services under the Administration of Justice Expenses Act."

The Inspector or Agent has the right at any time to visit the wards of the Society and inspect their surroundings and report his findings to the Government.

He is not only made guardian by law but is by virtue of the office, a friend and counsellor of delinquent children, advises with them, encourages them and takes a friendly interest in their welfare.

"Where complaint is made or pending against a child the police official once cause notice in writing to be given the Inspector or Agent of the Children's Aid Society who shall have opportunity allowed him to investigate the charge."

The Children's Aid Society is both ideal and practical. It has the Government at its back and has the endorsement of Pulpit and Press and where organized has the co-operation and support of philanthropic, fraternal and social service and other organizations. The machinery is here provided to do most effective work.

Will the Parachute Open?

The observation balloon is on fire. The man must jump. What must be his feeling as he fastens the rope of the parachute and takes "that desperate spring into the vast grey, vapoury nothingness"? Will the parachute open? At the critical moment will it stand the test?

That is the question which purchasers have the right to ask about everything they buy. Clothes---will they stand the wear? Food ---will it provide the nourishment? A daily newspaper---will it give the news quickly, fairly, in easily-comprehended form? Has it the organization enabling it to do so?

To that question---asked of The Toronto Daily Star---we answer:

315 Men and Women Work to Make The Toronto Daily Star the "Greatest" Newspaper in Canada

Three hundred and fifteen employes, exclusive of outside correspondents, receive their pay envelopes weekly at the cashier's desk of The Toronto Daily Star.

The aim of this great organization is to see that the world's news speedily and accurately gathered and adequately illustrated, shall reach readers of The Toronto Daily Star in all parts of Ontario with the least possible delay. The Toronto Daily Star prints news while it is still news. **Seventeen telegraph wires** carry it into The Star Office, where it is set up on twenty-four typesetting machines.

Great presses with a capacity of 1,200 thirty-two-page papers per minute race against time to give the latest news at the earliest moment. In a single year **$357,000 worth of white paper passes** through them and is transformed into The Toronto Daily Star. Fast motor cars rush the papers to the trains, and in far corners of the Province the readers get **"the news while it is still news."** The Daily Star endeavors to combine with this quick service such features of general information as will make it a welcome visitor in every home—a sane, readable editorial page, a page especially devoted to women and their viewpoint, a page of bedtime stories for kiddies and fashion hints for mothers, and clean "comics" for everybody.

You Can't Help But be Interested in The Toronto Daily Star

You cannot read The Toronto Daily Star for a short while without feeling that it is "the paper you need." The truth of this is shown by the many people who, sending in a trial subscription for three months, renew their subscription for a year before even the three months' period expires.

Send in your subscription now. We will mail The Toronto Daily Star to you each day at the following rates: For 1 month, 25c; for 3 months, 75c; for 6 months, $1.50; for 12 months, $3.00.

OLD MYSTERY SOLVED.

A commercial traveller, on leaving a certain hotel, said to the proprietor: "Pardon me, but with what material do you stuff the beds in your establishment?"

"Why," said the landlord proudly, "with the best straw to be found in the whole country!"

"That," returned the traveller, "is very interesting. I now know whereon

161 LADS AND DADS GATHER AT BANQUET

Most Successful Gathering Held at Inglewood on Friday Night, February 21st.

On Friday, Feb. 21st, an outstandingly successful Father, Son Company gathering was held. One hundred and sixty-one lads and dads sat down to a splendid supper prepared by the ladies. The Inglewood and Claude churches co-operated in this important event. The well prepared program was successfully carried through. Good chumship between Father and Son was most evident. Patriotic and popular songs were ably led by Mr. Davidson. Miss McKendrie presided at the piano.

A splendid display of 52 health exhibit views based on the Co-operative C. S. E. T. program of religious training were hung all around the walls, as well as the Trailranger Camp and Tuxis Boys program chart. These health exhibits are sent out by the National Council of the Y. M. C. A. to be used at such gatherings as this. The views were carefully studied.

The Chairman, Mr. R. J. McGregor, in a few well chosen words called on those present to honor the toast to our king. The speaker referred to the hope we shared of permanent peace as a result of the Peace Conference. We have passed through years of trial and suffering, empires and thrones have tottered, but our king, as head of our mighty empire, stood firm because the empire was founded on the broad basis of peoples will. Referring to the naval, mercantile and military heroes, the speaker said: "They have stood the test." Through all our king has 'shared' with his people.

The response was by singing of the National Anthem and the Maple Leaf. Mr. T. Wiggins, in an eloquent, well thought out speech, proposed the toast to "Our Dads." To the great world of dads the speaker paid tribute, the ordinary 'dad' whose "joy is reflected happiness," and who by the "common offerings" of parental responsibility helped build "homes" as gems in the cloth of gold of our society. Mr. W. J. Jamieson, speaking with the rich experience of an honored dad, to the 'dads,' he said, "This bright assembly with all its prospect of life brought this question to our minds, 'what example shall we set?' It is a responsibility, it is no light thing. We need to ponder, study, pause, as we consider whether our example will be reflected by the best in our boys, or whether we will have sad hearts and bitter knowledge of a lad who has gone to shame." Whose fault, the bitterness of the heart whose reflection was 'I didn't talk to that boy when he was young'? Dads, we need tact and strategy if we are to be a companion to him. We must be true examples. Lads read us like an open book. We must share his hobbies. We should be our boy's hero, ideal, one in whose company boys like to be. To the lads, the speaker thanked them for their words of tribute and hoped our example would be such that lads would accept dads as best companion and source of guidance. Mr. Robertson endorsed all that the previous speaker had said and thanked the lads for their kind words and hoped we, as dads, would keep the confidence and friendship of our lads.

Mr. J. M. Scott proposed the toast to our boys and referred to a boy as a certain amount of raw material, full of energy that has to be brought out to the position he may occupy. The best process was to start in the homes, keep them there by wise selection of games, friendship, good music, good library, etc. We must give them direction, more practical sympathy that they may truly be prepared for their part in life.

Gordon Wanless in reply said if boys were so much raw material, they needed good company of lads who were true, honest and real examples and who would be chums and even help them "make a noise." C. Kauffman claimed that the boys who were the men of tomorrow needed their fathers with them and urged that every boy be honest and courteous to women and girls—always.

The toast to "Our Mothers" was ably given by Mr. Jamieson, who referred to the well regulated family with Dad as the Power and Mother the Influence, which was greater than power, and hoped every fellow would pay tribute to Mother and sisters by living up to noble and pure examples set by them.

"Mother Machree" and "Keep the Home Fires Burning" were lustily sung. In reply Mr. Castleman humorously referred to the manner in which he had been landed to respond to this toast. Boy, with regard to Mother—Be kind, be consistent, do not cause anxiety by late nights, etc., and referred to Mother's love and watchfulness, reminding some of familiar night questions as they tried to tip toe in "Is that you, John?" etc. He hoped fellows would consider Mother and further hoped that every fellow would have a "sister" and be a Dad sometime.

Mr. Webb, in seconding this, referred to preparations of the ladies to make this gathering possible and knew the boys he would say, "Be To the boys he would say, "Be thankful you are living in these days. Keep pure."

Rev. J. H. Wilkinson proposed a toast to "Boys Overseas." He felt all the honors of previous toasts were gathered up in this one, for to honor Father and Mother, Boys and Girls, our Country, our Empire, our King, was to honor the memory of our heroes to whom we owe so much. The speaker closed with a splendid appeal for greatest sympathy to those whom Trooper Malloy spoke for when he referred to those who had all their health, etc., but who had received "shrapnel in their moral backbone." The toast was enthusiastically honored.

Mr. B. Davidson sang most acceptably, "Somewhere in France." Dr. P. R. Hayward, of the National Council of the Y. M. C. A. staff and Secretary of the Provincial Committee for Co-operation in Boys' Work, gave a most inspiring address. At the start he showed the part of Father and Son Week in Boys' Co-operative program and compared these gatherings of Father, Son Company to an Association of persons banded together with the main purpose to enable each member of partnership to live 'finest life.' What the Dad expects of the lad is not just obedience and loyalty, but a close confidence and chumship, to bridge the tragic gaps so often present, and share the best and highest with each other. We are living in a bigger day. We need to expose our boys to higher ideals. Your father wants you to measure up as far as service of years is concerned to be a bigger, better man, better equipped than himself. What the boy expects of Dad is not signing cheques, nor house, education, etc. A boy's life is crippled unless he receives chumship, understanding and companionship. As years advance a father of forty or forty-five has a hard task to share the younger enjoyments, feelings, etc., yet he must plan to keep young and fresh the memories that are gone and develop that highest of all friendship—Father and Son.

Dr. Hayward then gave a masterful address on the C. S. E. T. Co-operative Boys' program, its basis, its purpose, and scope, and urged its adoption by young men and boys' classes now existing and urged the men to train for leadership by getting acquainted with this program.

Frank S. Beckwith, County Y. M. C. A. secretary, spoke of needs of definite constructive follow up work and a committee of six with power to add was appointed—three from Claude and three from Inglewood.

HOSPITAL NOTES.

The regular monthly meeting of the I. O. D. E. will be held on Friday, March 14th, at 3.30 p.m. at the home of Mrs. D. A. Hogg, Mill St.

The executive greatly appreciates the gift of one bag of potatoes from Mrs. Dodds.

CHILDREN'S AID SOCIETY.

The regular monthly meeting of the Children's Aid Society will be held in the Public Library Auditorium, Orangeville, on Wednesday, March 12th at 8 p.m.

Rena Adams, a ward of Dufferin, is in the Isolation Hospital, Toronto, ill with typhoid fever. The disease is taking a normal course and the child is doing nicely.

Annie Duckwith, also a ward of this county, is having her tonsils removed. She is a patient in the Hospital at Guelph.

Residents of the county are invited to become members and assist the society in this worthy work.

A MONO PRESENTATION.

On Friday evening, Feb. 28th, about ninety friends and neighbors of Mr. and Mrs. George Mackenzie, of Elba, gathered at their home for the purpose of making them a farewell presentation prior to their removal to their new home in Essa. Mr. Norman Lindsay, of Granger, who acted as chairman, called upon Miss Ettie Elgie to read the following appreciative address:

Mr. and Mrs. Mackenzie and Family, and Miss Florence Diggins.—

Dear Friends:

We, your neighbors and friends, desire before you leave our midst to show our appreciation and affection for you. We realize we are losing kind friends and neighbors and sorrow at our loss, for friends such as you have been are not always found. Although we are losing you in body as it were but not in spirit, we shall never forget you and feel assured you will never forget us. Will you accept these small tokens from us as a reminder of our affection for you. We hope you will find great use for them in your new home. We hope you will find kind and loving friends where you are going, as our loss will be their gain. You have our very best and heartiest wishes for health, happiness and every prosperity.

Signed on behalf of your neighbors and friends. Robert Dermott, Herb. Elgie.

Mr. and Mrs. Mackenzie and family were presented with three handsome parlor chairs and Miss Diggins was given a very pretty locket. The presentations were made by Robert Dermott and Herb Elgie. After a feeling reply from Mr. Mackenzie short speeches were made by Messrs. Robt. Dermott, W. N. Fines and others. Lunch was served later in the evening and was followed by music by Messrs. Woods and Jackson, dancing and other amusements. On account of the severe storm the gathering did not disperse until after daylight.

MRS. ALICE ARMSTRONG.

Mrs. Alice Armstrong, of Mono Mills, formerly Mrs. James Jeffers, died suddenly on Tuesday morning at the home of her son-in-law, Mr. Chas. Young, 216 Pape Ave., Toronto. The remains will arrive at the C. P. R. depot, Mono Road, Thursday morning. Funeral from the family residence in Mono Mills at 2 o'clock on Friday afternoon. Deceased is survived by her second husband, Mr. James Armstrong, of Mono Mills, one son, James Jeffers, who is overseas, and two daughters, Mrs. Young and Mrs. Geo. C. Leitch, of Toronto.

MRS. GEORGE PRICE.

Mrs. Lavina Price, wife of Pte. Geo. Price, who arrived home from overseas only a few weeks ago, passed away at her late home in Mill St. on Thursday last after a long illness from lung trouble. Deceased, who was 38 years of age, was a daughter of the late Joseph Hiley and was a lifelong resident of this town. She is survived by her husband and two daughters, 12 and 8 years of age, who have the sympathy of the community in their trying affliction. The funeral was held to the Forest Lawn cemetery on Saturday afternoon. Rev. F. Eley conducting the services at the house and grave. The pallbearers, who were all members of the Orangeville Branch of the Great War Veterans' Association, were Col. Preston, Capt. Firth, Cpl. Harry Ainsworth, Sig. Harry Mossop and Gunners Jack Aiken and Alan Cameron.

THE LATE GORDON EDGAR.

The late Gordon Edgar, whose death occurred in Grand Valley on Saturday, Feb. 22nd, was born in the County of Armagh, Ireland, almost 69 years ago. He came to this country with his parents when a child, the family settling near Waldemar, where he lived and farmed until a year ago, when he retired to Grand Valley, as he began to find farm life too strenuous for a man of his advanced years. When not quite 16 years of age he joined Waldemar L. O. L. No. 566, of which he remained a member until nine years ago, when he placed his certificate in L. O. L. No. 256, Grand Valley. He was also a Knight Companion of the Royal Scarlet Chapter and a member of Grand Valley Preceptory of the Royal Black Knights of Ireland. The latter Order took charge of the funeral to Price's Corners cemetery on Feb. 23rd. Deceased was a very strong Conservative in politics and in religion was a Presbyterian. He was clean and particular in his personal and moral habits and was never afraid to do hard work of which he had experienced a great deal. He always looked forward to the 12th of July and was never absent from a celebration if it was at all possible to attend. He was a good drummer and his services were in frequent demand in this capacity. He is survived by three sisters, Miss Sarah at home, Mrs. Richard Brown of Sarnia, and Mrs. John Bowie of Toronto, who have the sympathy of the people of his home community.

MRS. JAMES MEEK.

The death of Mrs. James Meek, an old resident of Mono township, occurred quite suddenly on Sunday night at the home of her daughter, Mrs. Abram Stinson, 185 Concord Ave., Toronto. Mrs. Meek had been in failing health for a considerable time before her demise, but was bedfast only three days. Her sudden taking off was due to heart weakness. Deceased, whose maiden name was Sarah Henry, was a daughter of the late Robert Henry, of Caledon, where she was born 78 years ago. On Jan. 7th, 1858 she was married to James Meek, who had moved to lot 2, 5th line, Mono, with his parents in 1838. The young couple settled down to the realities of life on the farm just mentioned and lived there happily until the husband's death in 1908. A couple of months prior to this untoward event they had the pleasure of holding their golden wedding, the event being fittingly honored by a happy family reunion. Mrs. Meek was a devoted wife and mother and the memory of her unselfishness, her fine character and noble ideals will be tenderly cherished by her sons and daughters. As a neighbor she enjoyed the esteem and confidence of the community in which her life was spent and a wide circle of friends and neighbors sincerely regret the news of her demise. Of a family of eleven children, ten are still living, namely: Mrs. Margaret A. Waines, Battleford, Sask.; Mrs. Stinson, Toronto; Mrs. W. H. Laughlin, Belfountain; Mrs. D. J. McKim, Caledon; Mrs. Alfred Mills, Mono Mills; R. H. Meek, Newmarket; S. L. Meek, Guelph; W. W. Meek, Orangeville; Jno. S. Meek, Mono, and Norman J. Meek, Melbourne, Ont. Mrs. Meek is also survived by 34 grandchildren, of whom five saw service overseas during the recent war. A service was held at the home of her daughter, Mrs. Stinson, on Monday night by Rev. R. Corrigan, pastor of Centennial Methodist church. The remains were conveyed to Orangeville by C. P. R. Tuesday morning and from here to the home of her son, Mr. Jno. S. Meek, on the old homestead, 5th line, Mono, whence the funeral took place to Mitchell's cemetery yesterday afternoon. During her long residence in Mono, Mrs. Meek was a consistent member and a staunch supporter of Mitchell's church. Rev. A. Laycock, of Mono Mills, officiated at the house and grave. Among the beautiful floral tributes from sorrowing friends were a pillow from the family, a wreath from the Stinson family, Toronto, and a wreath from Mrs. McConnell and Mrs. James, Toronto.

The girls of Knox church, Grand Valley, surprised Miss Allie Crane with a miscellaneous shower.

LOCAL NEWS.

—Join a War Savings Society.

—Have you handed in your Banner renewal?

—Next Thursday will be March fair day. This is usually the big monthly fair of the year.

—Millinery Apprentices Wanted. Apply after March 3rd to Miss L. Rose, Orangeville. 35-2

—Peel Conservatives will nominate a candidate for the Ontario Legislature on May 31st.

—Buy your out-of-town supplies with Dominion Express Money Orders. Five Dollars costs three cents.

—Mr. Jas. Christian, Adjala, has purchased Mr. Chas. McKenna's farm near Colgan.

—Mrs. W. H. Sproule and family, of Amaranth, moved to town on Tuesday and are busy getting settled in their new home on 1st street.

—Banner subscribers will confer a favor by renewing their subscriptions promptly and in advance.

—Mr. C. R. McHugh, station agent at Markdale, has purchased Mr. Jas. Bridge's dwelling house in that village.

—Writing to The Banner on Feb. 27th, Rev. H. A. Meek, of Bond Head, formerly of Cardwell, asks to be remembered to all his former friends in this vicinity.

—Caledon Methodist church will hold a box social in Caledon Town Hall on Friday evening, March 14th. A good program will be provided.

—Rev. H. M. Lyon, whose resignation as pastor of St. Andrew's church, Camilla, was noted in a recent issue of The Banner, left this week for Cranbrook, B. C., where he will engage in Home Mission work for the Presbyterian Church.

—Friends of the family hereabouts will regret to learn of the death at Boissevain, Man., recently, of Mr. Arthur Love, formerly of Stanton, Mulmur township. He succumbed to influenza after a short illness. Mrs. Love is a daughter of Mr. Wm. McNabb, of Rosemont, a former member of the Mono Council.

—Roy J. Spence, a former High School student and a son of Mr. and Mrs. Jno. S. Spence, of Whittington, is now Dr. R. J. Spence and is practising at 1209 Danforth Avenue, Toronto.

—Owen Sound is talking about securing a rest room for farmers' wives and daughters while in town shopping. A rest room for this purpose would supply a badly needed want in Orangeville. We commend the matter to the attention of the town council.

—Joseph Rennick died at his residence, lot 13, east, Prince of Wales Road, Mulmur, on Monday, Feb. 24, after a lengthy illness in his 66th year. Funeral was held to Shelburne cemetery on Thursday afternoon.

—Mr. I. H. Murphy, Centre Road, Mono, was operated on for appendicitis in Lord Dufferin Hospital on Monday. The operation was performed by Dr. Groves, Fergus, and Dr. Kyles. The patient is doing nicely and a complete recovery seems assured.

—Mr. Jos. Ward and family, of Alton, have moved to Milnerton, Alberta.

—Demonstration of White Sewing Machines at J. C. Kentner's, March 10th to March 15th.

—Ontario Good Roads Association opened its eighteenth annual convention in the King Edward Hotel yesterday. President C. R. Wheelock, of Orangeville, occupied the chair.

—Mr. John Cameron, 1st street, who has been quite poorly for some time, had a couple of bad turns last week and was taken to Lord Dufferin hospital, where he is making a satisfactory recovery.

—We understand that Messrs. J. A. McMillan and Wm. Palmer have purchased the Hotel Alexandra and intend fitting it up for an auto and general repair shop. They are both practical and experienced repair men.

—His oldtime Orangeville friends were grieved to learn of the death of Capt. W. T. Hackett, C. A. D. C., who succumbed to pneumonia in France on Tuesday, Feb. 25th. Dr. Hackett, who was a son of the late John Hackett, of Hockley, attended High School here a number of years ago. He graduated in dentistry and practiced in West Toronto for several years, going from there to Winnipeg, where he had build up a large practice. He had been overseas two years or longer.

—Mr. J. C. Jackson, President of the Dufferin Agricultural Society, and Mr. H. A. Dorrance, District Representative, attended the big sale of registered Clydesdale horses at the Union Stock Yards in Toronto on Monday. Mr. Jackson purchased a very fine imported Clydesdale mare. The mare is a beauty and tipped the scales at 1910 lbs. when weighed in town yesterday morning.

—St. Andrew's Y. P. S. held a consecration meeting on Monday night. The topic, "Obeying," was taken by Miss McGillivray. Miss McArthur contributed a well rendered solo. Mr. Christie McCauley occupied the chair. The meeting was well attended. An interesting item of the program was the reading of a letter from Miss Sada McIntyre, of Fort Francis, a former teacher and officer of the society.

—Ronald McEachren, an elderly man living in the Belfountain neighborhood, was brought to Lord Dufferin Hospital on Saturday evening in an unconscious condition from the effects of a fall from a cutter. We understand the injured man was riding in the cutter with two other men, when the vehicle slewed, throwing him out on his head on the frozen icy road. An examination revealed a fracture of the top of the skull. An operation was performed Saturday night by Dr. Gear of Erin and Dr. Macleod. McEachren regained consciousness on Sunday and chances are said to be good for his recovery.

NOTICE RE HIDES.

CHIEF ENGINEER ALMOST GIVES UP

Thought He Would Have to Stop Working—Tanlac Makes Him Well Again.

"To my mind Tanlac is the greatest medicine in the world," said O. H. Mahaffey, chief engineer of the Life & Casualty building, Nashville, Tenn.

"For two years," he continued, "I suffered awfully with the worst kind of stomach trouble and went down until I lost forty-eight pounds. My back ached terribly and I suffered so much misery from indigestion that I thought I had an ulcerated stomach and was actually afraid to eat anything but a little oatmeal and sweet milk. I got weaker every day till finally, as nothing I took did me any good, I thought I would just have to throw up my job.

"My wife read in the papers where a man who had suffered like I was had been helped by taking Tanlac, and she begged me to try it. After I had taken Tanlac a few days I began to get hungry and started in eating like I was starved, and nothing hurt me a bit. Soon those awful pains in my stomach and back were gone. I sleep fine at night now and get up in the morning full of life and energy and ready for my work."

Tanlac is sold in Orangeville by C. V. Jaffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

AUTO SKIDDED ON ICE.

While Mrs. G. E. Reynolds and her son, Mr. Geo. Reynolds, of Beeton, were going down Dunn's hill, a short distance east of Hockley, one day recently, their car skidded on the ice and turned completely around, finally upsetting into the ditch where it came to a standstill with wheels in the air. Some slight damage was done to the top of the car, but the occupants had the extreme good fortune to escape without injury.

ENDOWED BEDS.

Through the generosity of the late Mr. James McLenaghan, of Toronto, two more endowed beds for consumptives have been established, one at the Muskoka Free Hospital for Consumptives, the other at the Queen Mary Hospital for Consumptive Children. Mr. McLenaghan, who left a large estate, also remembered several other charitable institutions.

Since the beginning of the year the Muskoka Free Hospital for Consumptives has been notified of five other legacies of various amounts.

HOME BAKING SALE.

The Ladies' Aid Society of St. Andrew's church will hold a sale of homemade baking in the Red Cross rooms on Saturday afternoon of this week. Ladies who are bringing in baking are asked to have it at the rooms not later than 1.30 o'clock.

PERSONALS.

Miss Elizabeth Sproul, Centre Road, is visiting friends in Toronto.

Mr. and Mrs. Walter Yokom are spending a couple of weeks visiting in Brampton, Toronto and Hamilton.

Miss Cook, of Elora, has returned to town to resume her former position as head milliner with Hill & Co.

Miss Brooks, formerly milliner with T. S. Parkinson & Co., was the guest of Mrs. H. A. Dorrance part of last and this week.

Mrs. Wilber Coates and daughter, Wilhelmina, spent the week-end visiting Mr. and Mrs. Homer Denny, Orangeville.—Peel Banner.

Mrs. D. Sanderson, of Toronto, is spending a couple of weeks with her son and daughter, Mr. J. E. Sanderson and Mrs. A. Dalgleish.

Mr. Ben Legate, of Weston, was the guest of his brother, Mr. T. G. Legate, and his sister, Mrs. T. H. Coulter, over the week-end.

Miss Mary Jackson, nurse in the Royal Alexandra Hospital, Fergus, visited her mother, Mrs. Wm. Jackson, Cardwell, over the week-end.

Mr. C. LaDue Norwood, of Montreal, land agent of the C. P. R. Department of Natural Resources, gave The Banner a pleasant call while in town last Friday.

Mrs. J. F. Burrell, of Brampton, formerly of Caledon, announces the engagement of her daughter, Hazel Elizabeth, to Norman Edward, son of Mrs. J. Hale, of Toronto. The marriage will take place early in March.

Mr. and Mrs. John Cole, East Garafraxa, announce the engagement of their youngest daughter, Lily J., to John Buie Moody, of Glen Williams. The marriage will take place quietly early in March.

Miss Hunter, of Orangeville, and Mrs. Adamson, of Weston, were the guests of Mrs. J. A. Donaldson, Caledon East, last week-end, just as Mrs. Donaldson and sister, of Vancouver, had returned home after a week's visit with their niece, Mrs. E. J. Madill, of Tara.—Bolton Enterprise.

Mr. Cecil Armstrong, son of Mr. and Mrs. J. B. Armstrong, Farmington, who has been visiting here since last December, left for his home in the West on Saturday, accompanied by his brother, Elmer, who is also going to try his fortunes in Saskatchewan. Cecil and his brother, Ernest, who has been in the West for some years, have leased the fine farms of the late Austin and Bert Speers, at Prelate, Sask. The two farms consist of 800 acres of the finest land in the district and are well-improved.

Mrs. J. B. Armstrong, of Farmington, visited her mother, Mrs. John Little, Mono Road, over the week-end.

Mrs. J. A. Douglas, of Mt. Forest, is visiting her cousin, Mrs. J. Manning, Second Ave.

A number of local Orangemen are attending the Provincial Grand Orange Lodge meeting in Woodstock this week. Among the brethren are T. H. Bullock, Mono Mills; Charles Crombie, Mono Britons; Rev. T. R. White, Alton; S. C. W. Hughson, Elmer Richardson and B. McGuire, of Orangeville.

Miss Netta Lyon, and her little nephew, Master Henry M., of Camilla, left on Monday night, to return to the former's home in Scotland.

Mr. R. G. Jeffers, a Great War veteran, who has been visiting relatives in Orangeville and Mono since December, left for his home at Gleichen, Alta., yesterday. Mr. Jeffers, who was twice wounded while at the front, is a brother of Reeve C. V. Jeffers.

Dr. T. H. Henry left for Ottawa on Tuesday evening. His visit, which is partly professional, is due to the serious illness of Mrs. Henry's sister, Mrs. Herbert Campbell. We understand that Mrs. Henry will leave for the Capital a little later.

Miss Edith Anderson arrived home on Tuesday night after a two months' visit with friends in London. She was accompanied by her cousin, Mr. J. C. Bonnar, of Jewel, Iowa, who will visit here for some time.

Mrs. Wm. Irwin, of the Blind Line, Mono, announces the engagement of her younger daughter, Hughine, to Mr. J. Wilmer Rowan, of Delisle, Sask., the marriage to take place in Winnipeg at an early date.

Mrs. Jas. Williams and Miss Williams left for their future home at New Toronto, on Monday. Their Orangeville friends wish them every happiness in their new home.

—Ladies are given a cordial invitation to visit Kentner's store during the White Sewing Machine Demonstrations, March 10th to March 15th. An expert demonstrator will be on hand and will show what these machines are capable of doing.

Mrs. Arthur Irwin and two little sons, of Toronto, are visiting the former's parents, Mr. and Mrs. Thos. Arnott.

Miss Ruth Montgomery and Miss Dorothy have returned home after spending a week with friends in Toronto.

MEDALS FOR SOLDIERS.

Caledon Returned Soldiers' Reception Committee is presenting each of the returning heroes with a suitably designed 14 k. gold medal as a reminder of the value which their fellow-citizens place upon their services and sacrifices in the Great War. To date Mr. Russell Morrow, jeweller, has supplied the committee with over thirty of these medals. Each is inscribed as follows: "Presented to ——— by the Citizens of Caledon for gallant services in the Great War 1914-1918."

Are You Treating
Your Eyes Right?

That Knowledge of a weakness is strength, is especially true of the eyes. Persons may go through life hampered by eye trouble of which they are ignorant and which could easily be rectified.

WHEN COLOR tests were first used in selecting Railroad Engineers, some who had been on the road for years were found to be color blind, and yet they had no idea of this defect.

EVERY LITTLE while we find some eyes in our examinations that are cruelly tried by unnecessary strain.

Why not let us test your eyes and see if everything is as it should be.

WE PROMPTLY replace broken lenses no matter where you purchased your glasses. Save your broken lenses.

HELLO, NEIGHBOR!

WHERE DO YOU BUY YOUR BREAD & BUNS?

Buy my Bread and Buns, did you say? Why, always at WISE'S, and now the Food Board allows the making of Doughnuts and Pastry, too, we get them at WISE'S. They just fairly melt in your mouth. And be sure and go there for your Christmas Fruits and Nuts and whatever you do, try their Home-made Taffy. It is simply delicious.

FOR CHOCOLATES IN BULK

And in lovely Fancy Boxes for Christmas Gifts, you will get no better anywhere. Metcalfe's Chocolates, you know, are really superfine; for variety and quality their make, "CANADA'S BEST," cannot be excelled. Indeed they could have no better name.

For your children's injuries nothing is equal to Zam-Buk—it ends pain so quickly! Children know this and when they have once had it applied will cry for it again.

Mrs. T. D. Ruston of the Children's Aid Society, Belleville, Ont., says: "We never use anything but Zam-Buk for our children's cuts, burns, bruises, etc. We have found it superior to all other remedies for ending pain and healing, and we have also found, by experience, that an injury treated with Zam-Buk never festers. With so many children in our Shelter, we really could not afford to be without Zam-Buk, not only for their injuries, but also for their sores and skin troubles."

Mothers! Be sure to keep a box of Zam-Buk on the medicine shelf. It will save you much needless anxiety as well as expense. Zam-Buk does not deteriorate with keeping, but retains its strength and purity to the very last. For eczema, ringworm, boils, pimples, ulcers and piles, Zam-Buk is equally good.

If you have not already tried this herbal balm, cut out this advertisement, write across it the name of this paper and send it with 1c. stamp (to pay return postage) to Zam-Buk Co., Dupont St., Toronto. We will then send you a free trial box. All dealers 50c. box.

PRIMROSE.

At time of writing we are enjoying good sleighing and lovely weather. Most of the people are making good use of both.

This community has lost one of its oldest and most respected residents in the person of Mr. Michael Dowdall, whose death took place at his home a short distance south of here on Tuesday evening, Feb. 18th. Interment took place in the Roman Catholic cemetery, lot 25, Con. 2, east, Mono. Rev. Father Finnegan, of Orangeville, officiated at the house and grave.

The Primrose U. F. O., which meets on the second and fourth Wednesday of each month, is doing considerable business in various lines. At present the branch is ready to send away a large order for binder twine.

Mr. Geo. Mackenzie held a very successful auction sale on Friday last and will shortly move to his new home near Alliston. George is a jovial fellow and a good neighbor, who will be greatly missed. We wish him success in his new home.

Mr. Maura McNaughton, U. F. O. shipper at Orangeville, addressed a large meeting of farmers in the Orange Hall on Thursday night last on the growing, grading and shipping of potatoes and the shipping of livestock. He was ably assisted by Mr. Geo. Ferris, of Mulmur, who has had experience in shipping potatoes for a number of years. The speeches were listened to attentively and at the close of the meeting a hearty vote of thanks was tendered to the speakers.

SIR HERBERT HOLT TELLS WHY THRIFT IS NECESSARY TODAY

Sir Herbert Holt, president of the Royal Bank has heartily endorsed the War Savings Stamp campaign, stating, in addition, the reasons why thrift was especially necessary at the present time. He said recently:

"As all our trade enterprises both at home and abroad must be financed by Canadian capital, their success will be measured by the extent of our national capacity for self-denial. To encourage the habit of thrift among all classes, the Government has inaugurated a War Savings Stamp campaign similar to that which proved so popular in Great Britain and the United States. It is unnecessary to enlarge on the value of individual and national thrift. In England the War Savings Committee have recently announced that the organization built up by it throughout the country will be continued as a permanent part of the national machinery. The development of the habit of saving in England has met with marked results, the number of holders of Government securities increasing from 345,000 at the beginning of the war to over 17,000,000 today. The success of the movement in England would seem to justify its permanent retention in this country."

LAUREL.

The Laurel Women's Institute intend holding a box social in the town hall, March 7. A good program is being provided. Ladies with boxes, free. Gents, 15c. Boxes will be auctioned by W. R. Groskurth.

We are sorry to learn that Mr. Prior is still under the doctor's care.

A number of sleigh loads from this village went to Shelburne to skate last Friday night. Everyone reports a good time.

We are pleased to hear Stanley Allen has purchased Geo. Hepton's farm on the 5th line. It looks like no more Klondyke for Stan.

Don't forget the box social Friday night, March 7th.

The next Institute meeting will be held at the home of the secretary, Mrs. Robt. Stevenson, on Thursday, March 6th.

We understand that Mr. Geo. Hepton, our genial reeve, has purchased the Kannawin farm just south of Shelburne.

Mr. John Prior, one of our oldest citizens, is very poorly at the present time.

A Branch of the U. F. O. has been organized at Laurel. Mr. Wm. Patterson is president, Mr. Fred Cooney vice-president, and Mr. Marshall Curry is discharging the duties of secretary.

The concert given in the Methodist church Tuesday night of last week, under the auspices of the Presbyterian S. S., attracted a large audience, which was delighted with the fine program furnished. The entertainers, Miss Ethel Stocks, elocutionist; Mrs. Hind, concert contralto; Mr. Tompkinson, soloist, who took the place of Mr. Kenneth Angus, and Mr. E. Harris, organist and accompanist, were all high-class. Altogether the program was easily one of the finest ever heard in Laurel and we congratulate our Presbyterian friends upon the enterprise they have shown in providing the community with the opportunity to hear such talented artists. Rev. W. F. Roach spoke briefly and Mr. John Bryan, superintendent of the Sunday School, acted as chairman. The proceeds were upwards of $80.

NEW BRUNSWICK SARDINES

New Brunswick possesses the only sardine fishery in Canada. It is carried on in the waters of Passamaquoddy Bay and around the islands in the Bay of Fundy. The fish are really young herring, called sardines when canned. Of such importance is the fishery, and in such quantities do the fish appear, that the fishermen on that part of the coast depend on it largely for a livelihood, according to a recent booklet on New Brunswick issued by the Natural Resources Intelligence Branch

MIGHT BE LONELY.

"Look, here, now, Harold," said father to his little son, who was naughty, "if you don't say your prayers you won't go to heaven."

"I don't want to go to heaven," sobbed the boy. "I want to go with you and mother."

Will Stand Every Test

ACTUAL SIZE—the "Bigger Bar"

Quality? Weight? Shape? Compare "Comfort" with any other soap—"Comfort" stands the test. That's a big claim to make, but our 25 year's record of the largest sale of any soap in Canada is the best proof of its truth. Why experiment? You know "Comfort".

MISS J. B. AREKLET, Principal.
GEO. SPOTTON, President.

Mrs. F. G. Cole passed away at her home in Flesherton very suddenly a week ago Sunday morning in her 86th year.

Messrs. Jas. Farnell and Clyde Gordon, of Fergus, both of whom were prisoners of war in Germany, arrived home recently.

The death occurred in Winnipeg on Feb. 9th of Rev. W. H. Loree, son of the late John Loree, formerly of Grand Valley.

A monster log was brought into a sawmill in Lucknow, Ont. It measured 4,000 ft. of lumber and brought the owner $125.

Pte. Duncan McAuley, son of Angus McAuley, of Melancthon, arrived home a week ago Tuesday night. He enlisted in the West.

Messrs. Wm. and Orton Stubbs have removed from Cedarville to Blyth, where they have taken over a livery and 'bus business.

The Fergus band has been successful in securing the services of Mr. Harry Cline of Hamilton, recently bandmaster at Newmarket.

Robt. J. Wilson has been appointed superintendent of buildings for Windsor schools, a position newly created, at a salary of $2,000.

Geo. H. Hunt, of Grand Valley, was elected Grand Censor of the Grand Black Chapter of Ontario West, at the recent meeting in Woodstock.

Mr. Fee, who has had the photograph gallery at Lucknow, for the past few years, is closing up the business, and will remove to Meaford.

While Capt. Will Malott was cutting down a hollow tree on his farm at Ruthven, a large coon crawled out on one of the limbs and was captured.

Nothing Can Compare with It

Mr. Fred Adams, New Rose, N. S., writes:—"I have tried many medicines for coughs and colds but never found anything to compare to Dr. Chase's Syrup of Linseed and Turpentine. We have had the greatest satisfaction with this medicine for it never fails to relieve a cough and loosen it up."

A pleasing gathering was held at the home of Hugh Black, in Fergus the other evening when the Session and Board of Managers of Melville church met there and presented him with a gold-headed ebony walking stick suitably inscribed as a slight token of appreciation of his services as secretary-treasurer of the church for the past 15 years.

Mr. John O'Brien, of Beeton, is the possessor of a souvenir of the war which he highly prizes. It is a walking stick of bog oak, from Belfast, brought over by Corp. Ross Watson, who presented it to him. It belonged to an Irishman who was killed in action in France, and was picked up on the battlefield. The wood is of exceptionally compact texture, so hard that it will turn the edge of a knife.

D. J. Reburn, of Barrie, motored across the country last Thursday to Shelburne, where he was joined by Geo. Berwick, also Sergt.-Major Beattie of Saskatchewan, their cousin who is on his return from the front, and the three came by C. P. R. and visited T. H. Reburn here.—Markdale Standard.

Harry Brayford has sold his 100-acre farm, west half lot 16, Con. 3, E. H. S., Mulmur, to Rowland Baker, of Toronto. The latter, who is a veteran of the present war as well as of the South African war, is commencing farming again with somewhat of a handicap, he having lost his left arm at Ploegstreet, in Belgium in 1915.

CO-OPERATIVE SELLING.

In the provinces of Ontario and Saskatchewan a director of co-operation and marketing instructs the farming community as to the advantages of co-operation in disposing of their farm products. Assistance is given to inexperienced men to enable them to organize in a way to avoid mistakes and to assist them to systematize and simplify their business transactions. These men are supported by funds provided by the Dominion Government under the Agricultural Instruction Act. According to the report on the work done under this Act in 1917-18, thirty-five associations in Ontario did business to the amount of $900,000, while Saskatchewan ran over the $2,000,000 mark. This is but one of the many activities assisted and dealt with in the report which is distributed by the Publications Branch of the Department of Agriculture at Ottawa. Under this Act, Ontario, among other provinces, is extending the teaching of household science to rural schools. Through the funds provided school boards purchase equipment especially suited for one-roomed schools. These are especially valuable for rural schools as it enables children to partake of a warm lunch at the noon hour. Household science thus given does not consist of cooking only, but also includes lessons in cleaning, general household management and sewing. Manual training is also provided for by instruction in simple mechanical drawing and the use of tools in making articles for the farm and farm home. Education of this type is referred to in the report as both cultural and practical.

DE LAVAL

The World's Greatest Cream SAVER

All over the world creamerymen, big milk concerns, dairy authorities and cow owners who have special opportunity for judging the worth of cream separators have for years recognized the superior skimming and all-around efficiency of the De Laval.

That's why 98 per cent. of the plants throughout the world separating large quantities of milk, use the De Laval. It skims so much closer that they can't afford to use any other machine.

That's why 2,325,000 De Lavals are in daily use, more than all other makes combined.

Not only is the De Laval the greatest cream saver but it turns easier, is easier to wash, has larger capacity and greater durability than any other separator.

The more you know about cream separators the more certain you are to buy a De Laval.

Order your De Laval now and let it begin saving cream for you right away. Remember that a De Laval may be bought for cash or on such liberal terms as to save its own cost.

PAY TRIBUTE TO GOOD COLLEAGUE

Arthur Irwin Honored by "Upstairs" Branch of Globe Family on Eve of His Departure.

On the occasion of his approaching departure for the Canadian West after ten years of valued and efficient service with the Globe, Mr. Arthur Irwin, who has had day charge of the composing room, was presented on Saturday afternoon with a handsome sterling silver comport, suitably engraved, as a memento of the esteem and admiration in which he is held by his fellow-workers "up-stairs."

The presentation was made by Mr. William Denning, foreman of the composing room, who, in a happy speech, paid warm tribute to the service and personality of Mr. Irwin, his intimate and expert understanding of the work, his loyalty to the Globe, and his admirable qualities of head and heart which had won him an enduring place in the regard and affection of his comrades in service. "Mr. Irwin," said Mr. Denning, "has earned the confidence of the Globe and its management by his industry and ability, and has won the close personal friendship of his associates and coworkers by his largeness of heart and thought for the welfare of all. Very heartily we all wish him continued success and prosperity in his new western sphere."

In replying Mr. Irwin voiced his deep sense of appreciation. The years he had spent as a member of "The Globe family" had been happy years, and the memory of them—of the colleagues and associates—would be cherished. He bespoke for his successor, Mr. T. C. Johnson, the same support and friendship which he had always experienced and enjoyed, and paid a kindly tribute to the camaraderie and good-fellowship which had always existed.

Mr. John Bush, in the unavoidable absence of Mr. W. Turnbull, Chairman of the chapel, presided, and brief expression of the good wishes of all was voiced also by Mr. T. C. Johnson for the composing room, Mr. Hedley Abbs for the stereotyping department and Mr. Harry W. Anderson for the news department.—Daily Globe, March 10th.

Mr. Irwin is a son-in-law of Mr. and Mrs. Thos. Arnott this town.

MORE SOLDIERS RETURN.

A number of soldiers from overseas have reached their homes in Orangeville and vicinity during the past week. Among them were Hunter Nelson, son of Mr. Geo. Nelson, of Laurel, who reached home the early part of last week, and Lee Johnston, son of Mr. and Mrs. W. T. Johnston, of Whittington, who came home late in the week. Wednesday night of last week Verral Dedrick, son of Mr. Wm. Dedrick, York street, and Jack Howard, a Western man and brother of Mrs. Frank Crowe, Zina St., reached Orangeville. The Thursday morning train brought Pte. A. H. Woodland, a former 164th man and son of Mrs. Jas. Woodland, of Mono, and Signaller Geo. B. Bull, son of Mrs. Bull, 1st Ave. Bull, who was a student at the High school here when he enlisted in December 1915 at the age of 16 years, is also a former 164th man. Pte. Wesley Connop, older son of Mr. and Mrs. E. C. Connop, came in on Saturday night's train. The local men were all given rousing receptions, the local Reception Committe, Citizens' Band and a throng of citizens meeting them at the station and escorting them to Broadway, where they were formally welcomed home.

PARTY FOR RETURNED SOLDIER AT BOLTON

A pleasant evening was spent on Wednesday of last week at the home of Mr. and Mrs. John Rawn, when their son, Leonard, gave a social party in honor of his companion, Mr. Wilfrid Haragan, who has returned from overseas minus a leg. Between twenty and thirty young men answered the call, including a few who had enlisted to do their bit in various ways. Mrs. Rawn, who had the assistance of her neighbor, Mrs. James Cannon, received the guests on their arrival and made every one feel at home at once. The time was spent by some recounting stories and scenes of the war, also in games of various descriptions and songs. During the evening supper was served, the hostess and Mrs. Cannon doing the honors at the table, and the spread, to which all did ample justice, would have done honor to the best hotel. The party broke up in the wee sma' hours of the morning after spending a night which will long be remembered.—Bolton Enterprise.

The host, Mr. Leonard Rawn, is a nephew of Mr. and Mrs. John Patterson, First St.

TEETHING TROUBLES.

Baby's teething time is a time of worry for most mothers. Baby's little gums become swollen and tender; his bowels get out of order and constipation, colic or even diarrhoea sets in. To make the teething period easy Baby's Own Tablets should be given the little one. They sweeten the stomach; regulate the bowels and keep baby good natured. Concerning them Mrs. Marcel D. LeBlanc, Memramcook, West, N. B., writes: "I have used Baby's Own Tablets for the past six years and have found them indispensable. To my mind nothing can equal them in allaying the fever accompanying teething. I would not be without them and can strongly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ATLANTA BUSINESS MAN IS ENTHUSED

Since Taking Tanlac Almand Says He Feels as Well as He Ever Did.

"If you had seen me before I began taking Tanlac you would hardly believe me to be the same person," said A. F. Almand, a well-known seed merchant of 271-3 Peters street, Atlanta, Ga.

"For more than a year," he continued, "I suffered terribly with stomach trouble. After eating anything I would always have gas on my stomach and would constantly belch up my sour, undigested food. I suffered with heartburn constantly and was extremely nervous, my liver was sluggish and I was bilious, too; I felt languid and tired out most of the time and often felt so bad that I could hardly attend to my business properly.

"I heard so many people praising Tanlac that I began taking it, too, and by the time I had finished my second bottle I had gained nineteen pounds. I never suffer now with heartburn or indigestion and am not nervous like I was before. I sleep well and get up in the morning feeling fine and ready for a hard day's work."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White.

MILITARY NOTES.

Lance-Corp. Allan Tyner and Pte. Jas. Claydon, two Grand Valley soldiers, arrived home from overseas recently and were given a rousing welcome by the citizens of their home town. In 1914 Corp. Tyner tried to enlist with the original 4th Batt., but was rejected as being too young. Nothing daunted he went to Parry Sound and while still in his teens joined up with the 162nd on Feb. 18th, 1916. He got to France in short order, saw some heavy fighting there and on May 24th of the following year celebrated Empire Day by stopping a piece of German steel with his shoulder. It was only a slight wound, however, and he was soon back in the trenches again. Corp. Tyner left France on Jan. 7th last, so did not spend much time in England before sailing for home. Pte. Claydon went overseas for the first last summer.

REPATRIATION ADDRESS.

A deeply interested and closely attentive audience heard Capt. E. B. Archibald, a returned Y. M. C. A. officer, discuss Repatriation Work and Problems in the Opera House on Friday night. The speaker paid a high tribute to the qualities of the Canadian soldier, stating that to know him and the way he faced his duty was to respect him, and eventually to admire and love him. There was not another soldier in uniform anywhere who is the equal of the Canadian citizen soldier. The main business of repatriation organization was to reabsorb the returned men into the industrial and business life of the country. One important aim was to educate the Canadian people to give the returned man a chance and to educate the men so that they will measure up to the positions they intend to fill. Capt. Archibald emphasized the value of social and recreational activity, which he said had proved one of the most effective aids in bringing men whose nerves had been affected back to normal. If people were genuinely patriotic, now was the time to show it in their attitude toward the men who were returning from the war. Orangeville and other communities had a great responsibility and a great duty to perform in the matter of the physical training and development of the young, for the physical standard of Canadian manhood had been lowered by reason of the war. The speaker was severe in his denunciation of the so-called sports who used the constructive part of a young man's life, prostituting his physical powers for money and then cast him aside when he was no longer able to further their mercenary ends. Boys should be educated as to the proper value of clean, athletic sports and their proper place in their life plan. Capt. Archibald advocated the formation of a Citizens' Repatriation League in Orangeville and suggested that it should be made representative of all existing local organizations. Temperance people, he contended, had not finished their work when they banished the open barroom. The hotels should be everywhere replaced by social centres, where men could meet for social recreation and procure tea, coffee and other refreshments.

Mayor Lewis presided. A delightful musical program was provided, the numbers consisting of a piano duet by Misses Browne and Fleming. Solos by Mrs. Russell Morrow and Messrs. Percival Harding and Wm. Clowes, and a a cornet solo by Mr. Russell Morrow. Miss Browne and Miss Ruth Shaw acted as accompanists.

COMMERCIAL DEPARTMENT

At its regular meeting on Friday night Orangeville High School Board decided, after carefully considering a report prepared by Principal Hackett, to establish a commercial department in the school, in which instruction will be given in shorthand, typewriting, bookkeeping, business methods and commercial law. A qualified commercial teacher will be secured and the new department will be launched next September. The innovation should add to the popularity and usefulness of the school.

FUNERAL OF MRS. MEEK.

The funeral of the late Mrs. James Meek, whose sudden death at the home of her daughter, Mrs. A. Stinson, 186 Concord Ave., Toronto, was reported in last week's Banner, was held from the home of her son, Mr. John S. Meek, on the old homestead, 5th line, Mono, to Mitchell's church cemetery on Wednesday afternoon, March 5th. A large attendance of former neighbors and friends showed the esteem in which the departed woman was held by the community. Services were conducted by Rev. A. Laycock, of Mono Mills, the family pastor, assisted by Revs. Geo. Burry, of Caledon East, a former pastor, and Rev. E. R. Young, of Orangeville. Among the beautiful floral tributes were a pillow from the family; wreath from the Stinson family, Toronto; a wreath from Mrs. McConnell and Mrs. James, Toronto; sprays from Mr. and Mrs. Wm. and Mr. and Mrs. Robert McEwen, and a wreath from Mr. and Mrs. John Card, of Guelph. The pallbearers, who were all old neighbors, were Messrs. Wm. McEwen, W. J. Dodds, Robt. McKim, Geo. Crozier, Wesley Duke and John Reid.

MRS. ALICE ARMSTRONG.

The death of Mrs. Alice Armstrong, (formerly Mrs. Jeffers), removes one of Mono Mills' most respected residents. Her sudden death came as a great shock to her many friends and neighbors. On Wednesday, 26th ult., she left her home in Mono Mills to visit with her family in Toronto. On Monday afternoon, 3rd inst., while travelling on a Toronto street car she was overtaken with a stroke. She was immediately rushed to St. Michael's hospital by P. C. Arrowsmith where every medical attention was rendered, but she failed to rally and died at 3 a.m. the following morning, surrounded by members of her family. Her remains were removed to the residence of her son-in-law, Mr. Chas. Young, 216 Pape Ave., Toronto, where many friends of the family called to pay their respects. On Wednesday evening a service was conducted by Rev. Mr. Bushell, rector of St. Clements' English church, Jones Ave., Toronto. On Thursday morning the body left North Toronto station on the 8 a.m. C. P. R. train for Mono Road and thence to her late residence in Mono Mills. The remains were accompanied from Toronto by the husband, daughters and sons-in-law, Mr. and Mrs. Chas. Young and Mr. and Mrs. Geo. C. Leitch, of Toronto; daughter-in-law, Mrs. Robert J. Jeffers; niece, Miss Margaret Pattison, of Mimico. Many friends and old neighbors called at the home to view the remains and offer to the bereaved members of her family their sympathy in the loss of a faithful wife and devoted mother. On Friday at 2 p.m. the funeral took place to the Mono East Presbyterian church cemetery. Rev. Mr. Matheson, pastor of Mono Mills Presbyterian church, of which deceased was a member, conducted the impressive funeral service at the house, assisted by Rev. Mr. Laycock of Mono Mills Methodist church and Rev. Mr. McCollum of St. John's Anglican church. The pallbearers were Messrs. Wm. Wright, Chas. Young, Geo. C. Leitch, Wm. G. Armstrong, Thos. Mason and Lindsay Irwin.

The floral display was profuse and beautiful. The following tokens of respect in the way of flowers accompanied the remains from Toronto: Pillow, from the family; wreath from Detective office of the Toronto Police Dept., of which her son-in-law, Mr. Chas. Young, is a member; spray from Fidelity Chapter of the Eastern Star, of which her daughter, Mrs. C. Young, is a member; sprays from Mr. and Mrs. Will Irwin, J. C. Darraugh and Miss Darraugh, Mr. and Mrs. Harrison, Mr. and Mrs. Geo. Young, Mr. and Mrs. Fred Charles, Mrs. Dennett, Mrs. White and family, Mrs. Marshall, Mr. and Mrs. Taylor and Miss McDonald; pillow from Mr. J. Young and family.

The contributions from Mono Mills and vicinity included: Wreath from Mono Mills Red Cross Society; spray from Women's Home Mission Society; spray from Mrs. Wellington Darraugh; spray from Mr. C. V. Jeffers;

Deceased is survived by her husband, Mr. James Armstrong, two daughters, Mrs. Charles Young and Mrs. G. C. Leitch, of Toronto, and one son, Pte. Robert J. Jeffers, now overseas.

LANGFORD–PETTIT.

A pretty wedding took place on Wednesday, March 5th, at the home of the bride's mother, when Bertha, daughter of the late Henry and Mrs. Pettit, of Adjala, was married to Mr. William A. Langford, of the same township. The bride wore a lovely gown of satin de chine with overdress of georgette and pearl trimmings and bridal veil of orange blossom. She carried a bouquet of white carnations, wore a pearl necklace, the gift of the groom, and was attended by two little girls, Miss Hilda Pettit, niece of the bride, as flower girl, carrying a bouquet of sweet peas, and Miss Emba Pettit, niece of the groom, as ring bearer, who were daintily dressed in pink crepe de chine and wore pretty bracelets, the gifts of the groom. The Lohengrin wedding march was played by Mrs. (Rev.) A. Laycock, who was presented with a lovely brooch, the gift of the groom. The ceremony was performed under a beautiful arch of evergreen and bells, by Rev. Alfred Laycock, of Raney's Methodist church, Adjala. After a shower of congratulations, the bridal party was conducted to the dining room where a rich repast was daintily served amidst elegant decorations and good wishes.

ST. PAUL'S, MONO.

The literary meeting of St. Paul's A. Y. P. A. announced for some time ago, but postponed on account of the influenza scare, will be held on Friday evening, March 14th. A feature of the meeting will be a debate: Resolved, that mankind in general values character more than wealth."

WEAK, WORRIED WOMEN.

Can Find New Health and Strength Through the Use of Dr. Williams' Pink Pills.

It is useless to tell a hard working woman to take life easily and not to worry. To do so is to ask the almost impossible. But, at the same time, it is the duty of every woman to save her strength as much as possible; to take her cares as lightly as may be, and to build up her strength to meet any unusual demands. It is a duty she owes herself and family for her future health may depend upon it.

To guard against a complete breakdown in health the blood must be kept rich, red and pure. No other medicine does this so well as Dr. Williams' Pink Pills. This medicine actually makes new, red blood, strengthens the nerves, restores the appetite and keeps every organ healthily toned up. Women cannot always rest when they should, but they can keep their strength and keep disease away by the occasional use of Dr. Williams' Pink Pills, which have done more to lighten the cares of weak women than any other medicine. Among the many women who have reason to be thankful for Dr. Williams' Pink Pills is Mrs. Milan Bailey, Utterson, Ont., who says: "Two years ago I got weak and badly run down, and could scarcely do my housework. I grew so thin that my friends used to comment upon it. At that time my baby was six months old and the care of it and my housework was almost too much for me. It was at this stage that my husband got me a supply of Dr. Williams' Pink Pills, and before I had been taking them long we could see an improvement in my condition. For months I had not been sleeping well and my natural sleep returned and I wasn't so nervous. Then my friends began to comment upon my improved condition and tell me how much better I was looking. By the time I had taken six boxes I felt completely cured, and have since enjoyed the best of health. Now I never fail to recommend Dr. Williams' Pink Pills when any of my friends are ailing."

You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

ALTON.

Mr. Ted Dorrington, one of our well-known young men, has gone to Worcester, Mass., where he has taken a position with his uncle, Mr. Geo. P. McKennan, C. E.

Miss L. McPhail, of Ceylon, who has succeeded Miss Porter as teacher in the Junior department of the Public school, commenced her new duties on March 3rd.

Miss Ina Porter, who has been in charge of the Junior department of the Alton school for the last eighteen months, has gone to Dixie in the lower end of this county, where she has accepted an engagement as teacher. Prior to her departure from Alton her pupils here presented her with a French ivory mirror. The pupils of the Senior form also testified to their esteem by presenting her with a silver mesh bag. Miss Porter's many Alton friends wish her every success in her new school.

The citizens of Alton gave Lieut. Andrew W. Dods a rousing reception on his arrival home from overseas a week ago Thursday morning. Members of the Oddfellows Lodge, the school children and a large number of citizens were at the depot to meet the train and gave the young soldier a hearty welcome. A number of gaily decorated autos headed the procession that escorted Lieut. Dods from the station to the village and thence to his home. Lieut. Dods, who is a son of Mr. J. M. Dods, enlisted with the 234th Peel Batt. over two years ago and has been in England and France for the greater part of the last two years. Mr. and Mrs. Dods went to Toronto, where they met their son, who was accompanied home by his sister, Miss Dorothy Dods of Branksome Hall, Toronto. Another sister, Mrs. Macdonnell, of Goderich, was also home for the week and was accompanied by her husband, Dr. Macdonnell and their baby son, Jack.

The Uneeda Club have issued invitations for a dance in the town hall on Friday evening, March 21st. The Mason orchestra will provide music. The committee in charge of the affair consists of Miss Julia Palmer, secretary; Miss Amanda Delaney, treasurer; Misses Irene St. Croix, Gretta Limebeer, Bertha Lovell and Phyllis Blackwell, Mrs. A. Mason and Messrs. A. Mason, Harold Cameron and Willard Houston.

Mr. and Mrs. J. M. Dods, Lieut. Andrew and Miss Edith Dods, Miss Grace Barber and little Miss Margaret Dods left for St. Petersburg, Florida, last Friday. They expect to spend a month or six weeks in the South.

A PLEASANT SURPRISE.

Laurel Presbyterians Present Rev. J. R. and Mrs. Bell with Address and Well-Filled Purse.

Tuesday night Rev. J. R. Bell and Mrs. Bell returned to their old home at Laurel after being away since last Christmas visiting with their sons in Toronto, Hamilton and Kemptville. A very pleasant surprise awaited them on their arrival at Laurel, where they found that about 125 of the members and adherents of their church had gathered in the church for the purpose of giving some expression of their regard and their appreciation of Mr. Bell's splendid services as pastor during the 27 years of his ministry at Laurel. This expression of esteem and affection took the form of an address and a well-filled purse. Mr. Robt. Curry occupied the chair and the address, which was read by Mr. Oliver Ewing, was worded as follows:

To the Rev. J. R. Bell and Mrs. Bell:

We, the members and adherents of the Laurel Presbyterian church, with whom you have spent so many happy days during the past quarter of a century, have met together tonight in this somewhat informal manner that we might in our own humble way assure you of our continued love and respect for you and your noble wife.

As we look back over these many years which you have spent with us as our esteemed pastor, we will ever think, not only of your earnest and helpful services rendered on the Lord's Day, and within this church, but we will also think with pleasure of your kindly pastoral visit in our individual homes. It was with deep regret we learned of the sudden and unexpected illness which rendered it impossible for you to continue with us as our pastor, but we sincerely trust that with continued rest and freedom from congregational duties you may in the near future be enabled to take up some important work in connection with the Master's Kingdom.

As we look back to the beginning of things in connection with our church in this place, many of us remember that we were a struggling mission, but by your preseverance and unwearied diligence this congregation has grown from a few families to start with to a large and flourishing congregation which compares favorably in numbers and contributions to missions and other objects to any congregation within the bounds of Orangeville Presbytery. We are greatly pleased to know that you purpose to reside in the county town and within the bounds of this Presbytery. We will therefore hope that we will have you visit us again from time to time as occasion offers. This short address would by no means be complete without some definite reference to Mrs. Bell. There is a current expression generally used in reference to Britain, (That what we have we hold). So may we truly say that whatever good work you as our pastor started among us, Mrs. Bell wisely and in her own tactful way furthered and strengthened. Year in and year out she rendered splendid service in the Sabbath School.

When, however, we come to speak of her greatest work, we must think of her work amongst the women of our congregation and especially in connection with the organization and growth of the W. M. S. at Laurel.

In closing, permit us to say that you both will long hold a warm place in our affections. We now desire you to accept this purse of money as a token of our love for you and Mrs. Bell, and as a slight evidence of our appreciation of the splendid services rendered during your long pastorate here.

Signed on behalf of the congregation: H. Hughes, R. Fife, John Bryan, Thos. H. Keys, John Woulf, Robert Curry, John S. Wallace, George Bidwell.

The presentation of the purse was made by Coun. Thos. Whaley. After a feeling reply from Mr. Bell, short addresses were given by Messrs. John Bryan, Robt. Fife, Thos. Whaley, Geo. Bidwell, John McPherson and John Woulfe, all of whom spoke in the highest terms of Mr. and Mrs. Bell and their self-denying work in the church and community. The speaking was interspersed with a number of musical selections. A dainty supper was served by the ladies immediately after the close of the program. The approaching removal of Mr. and Mrs. Bell is a matter of great regret to the people of Laurel and neighborhood. Their services and their influence will be missed in nearly every sphere of activity. We understand that they will reside either in Orangeville or Toronto.

ATTENTION!

On account of my withdrawal from the Adamson Hardware Co., I have taken over all the outstanding accounts, owing to the above firm, and as I intend leaving town as soon as possible, I am taking proceedings to have the same collected at once.

Parties owing accounts to the above firm will kindly send amount by post office or express order, at once; to myself or the Adamson Hardware Co., as I do not wish to add any unnecessary expense to customers' accounts.

HYDRO—
PROPERTY OF THE PEOPLE OF ONTARIO

YOU are part owner of a great organization having an investment of over 80 million dollars.

You, as a citizen of Ontario, have an interest in every generating plant, every pole, every foot of wire, every piece of machinery and all buildings under the control of the Hydro-Electric Power Commission of Ontario.

You buy electricity from yourself and pay yourself for it.

Your interest in Hydro should not end with the power but extend to electrical appliances as well. The name "HYDRO" goes on appliances only after they have been thoroughly tested in the laboratories of the Commission and proved to be thoroughly reliable.

HYDRO Quality Lamps, for example, are tested for candle power, current consumption, length of life and freedom from mechanical defects. When you light your home with HYDRO Quality Lamps you know that they give their full-rated light, use only the proper amount of current and burn for at least 1,500 lighting hours.

CANADA'S APPROVAL GIVEN NEW TREATY

Dominion Affected by Recent Negotiations with Chile and Peru.

The Government of Canada has given its approval of a treaty recently negotiated between Great Britain and the republics of Chile and Peru providing for the establishment of a Peace Commission. These treaties are similar to those concluded between the United Kingdom and the United States at Washington in September, 1914.

They provide that all disputes between the contracting parties, other than those the settlement of which is provided for and achieved under existing agreements, shall, when diplomatic methods of adjustment have failed, be referred for investigation and report to a permanent international commission, and they agree not to declare war before the report is submitted. The treaty provides that the commission shall be composed of five members, one from each country chosen by the Government of each, one chosen by each Government from a third country, and one by agreement of both countries who is not a citizen of either.

The treaty also states that in the event of its appearing to the British Government of Great Britain that British interests affected by the dispute to be investigated are not mainly those of the United Kingdom, but are mainly those of one of the self-governing dominions, Canada, Australia, New Zealand, South Africa, and Newfoundland, His Majesty's Government shall be at liberty to substitute as the member chosen by them to serve on the international commissions for such investigation another person—one who represents the dominion immediately interested.

BUFFALO HERDS ARE THRIVING IN PARKS

The current report of the Commissioner of Dominion Parks contains information regarding the national buffalo herds in Buffalo and Elk Island parks. It is not very widely known that the Commissioner of Dominion Parks has under his care nearly three thousand buffalo, that live under natural conditions, with the same habits of feeding and the same liberty of range, within certain limitations, enjoyed by the herds on the prairies in the early days. These animals are healthy and in splendid condition. Their handsome appearance and the fact that the normal increase is taking place afford excellent proof that they are in their natural surroundings. During the year 1917 there was an increase of 356 buffalo in Buffalo park, and 28 calves were born in Elk Island park. The report states that the young stock are splendid types and are thriving.

AT HIS FACE VALUE.

"Well, well—they're married now. I do 'ope 'e'll be good to 'er."

"Sure to . 'E's got just that sloppy look."

Growth of the Fleet.

Figures made public by the Admiralty on the growth of the British navy during the war show that the fleet, including auxiliaries, increased from 2,500,000 tons displacement to 6,500,000 tons, and the personnel from 146,000 to 406,000.

Since the outbreak of the war 21,500,000 soldiers have been transported by sea, of which 4,391 were lost. For the requirements of the British naval and military forces more than 86,000,000 tons of stores were trans-shipped, while more than 24,000,000 tons were taken overseas for Great Britain's allies. Transportation also was provided for 2,000,000 animals.

The organization of convoys, due to German submarine warfare, has been an important part of the work of the British navy since March, 1917, from which time there have been 55,929 sailings, with the losses numbering only a few hundred vessels.

In a Foundry.

The core shop of an old British iron foundry is cited as a revelation in speed in turning out war work. Young girls are producing cores there for hand-grenades at the rate of 180 an hour, the cores, the making of which takes thirty-one movements of the hand, being turned out in sixteen seconds. The foundry itself is old and by no means convenient, but by a system of standardization of the work and by encouraging employes to take an intelligent interest in their work, the output has been actually trebled. Every 1,000 feet of floor space in the foundry now produces 6.5 tons of light castings a week, working day shift only. It is the only foundry in that particular town working a 48-hour week. Besides, the girls and women, are allowed ten minutes for lunch and ten minutes' interval in the afternoon.

Flattery.

"You know," a soldier said, while explaining the wonders of army life to the folks at home, "most officers and top soaks are flatterers." "How so, John?" his father asked. "The other day one of the lieutenants said that he wanted five strong and intelligent men to work with him." "Well?" "I held up my hand." "Yes." "He meant strong—the intelligent was superfluous." "How so." "Here I was thinkin' that we was cast for a regular job in an office some place and what do you think—we had to clean out the mule stables over at the Remount." "Well, John, it takes some intelligence to handle mules." "I know that, but the mules were all out working."

Could Not Lift Stick of Wood

Would Almost Faint From Severe Pain in Back — Doctors Could Not Get the Kidneys Set Right.

A great many people suffer the results of deranged kidneys and do not understand the cause of trouble or the way to obtain cure. The writer of this letter suffered excruciating pains in the back and in vain his physician tried to cure him. For some reason or other his medicines did not have the desired effect.

Mr. Olts' brother was a merchant selling, amongst other medicines, Dr. Chase's Kidney-Liver Pills, and he heard his customers telling about how they were cured of kidney derangements by their use. This led to Mr. Olts putting them to the test, with the splendid results reported in this letter.

Mr. H. C. Olts, Benton, Carleton County, N. B., writes: "I am glad to let you know how much your medicine has done for me. I suffered from my kidneys, which at one time were so bad I could not lift a stick of wood without getting on my knees, and then would almost faint from the pain in my back. I consulted a doctor about it, and he gave me some medicine, but it did not help me. My brother, who is a merchant, and carries all your medicines, advised me to try Dr. Chase's Kidney-Liver Pills. I got one box, and they helped me, so I got another one, and kept on until I had taken five boxes, which cured me. I have had no trouble with my back since, and am never without Dr. Chase's Kidney-Liver Pills in the house. Last summer I also suffered from piles. I used three boxes of your Ointment, and it cured them. I can certainly recommend Dr. Chase's Pills and Ointment."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 35c a box, 5 for $1.00, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute or you will certainly be disappointed.

PLACE NAMES IN CANADA.

Large Number of Townships, Towns and Rivers in This District Have been Given Spanish Names.

(By E. M. Chadwick).

Nassagaweya is water rushing out on the breaking of a dam.

Whence and why are the Spanish names in the Province of Ontario. They seem entirely out of place. There are Mariposa, the butterfly; Oro, gold, where there is no gold; Orillia, the shore, i.e., of Lake Couchiching; Mono, pretty; Oso, the bear; Eramosa, the moose yard (?); Zorra, fox (female); Lobo, wolf; Mosa, moose; Sombra, shade, presumably of evening, as next to that township is Dawn, which one would naturally look for in the East, but it is in the westerly part of Upper Canada, as it was occupied by settlements when the name was given. And when on the subject of inappropriate names one will surely turn to the Muskoka Lakes, and there, according to a map published about forty years ago, some of the islands have Spanish names. Sir Henry Pellatt's castle in Toronto is named Casaloma — the house on the hill; quite appropriate, but it would have been better expressed in an English form of the same meaning.

It is not unlikely that some of the Spanish names may have been given by Col. Simcoe, or perhaps rather by Mrs. Simcoe, as they are in the locality which we know to have been much identified with that family, as witness the names of the lake and county of Simcoe, the townships of East and West and North Gwillimbury, which have the maiden surname of Mrs. Simcoe, Gwillim; Georgina was perhaps from some member of the family, possibly Mrs. Simcoe herself; and then we have the names of her three lapdogs, Flos, Tiny and Tay, which have become quite famous and have been remarked upon by even so distinguished an onomatologist as Canon Taylor. It is a pity that so unique a collection of the names of the Simcoe family should have been broken in upon by the name Simcoe being given to the chief town of the county of Norfolk. En passant it may be observed that the name Simcoe means grandson of Simon.

West of the townships referred to there are some of which the names remind us of the classic craze which prevailed in the seventeenth and the eighteenth centuries, when an acquaintance with the mythological deities of Greece and Rome seems to have been regarded as more important than Scriptural lore in the education of the young. Artemesia is the Land of Artemis, the Greek goddess of the chase. Proton, "The first," with some secondary meanings, referred to the situation of the township at the highest interlake elevation of Ontario, which the name-givers may have treated as the uppermost, or the top, where are the head waters of rivers flowing south to Lake Erie, west to Lake Huron, and north to Georgian Bay and from which possibly some little streams may have trickled into rivers flowing into Lake Ontario and Lake Simcoe. Euphrasia means favorably mentioned. Amaranth is the name of a flower with a secondary meaning of everlasting, as the flower is sometimes called.

Tadousac is an ancient name which is understood to mean "at the place of the maps," Mamelon in French.

Gaspe is "at the end."

Caughnawaga is "at the rapids."

Cataraqui is "Clay in the water."

Gananoque is "Rocks in deep water."

Port Hope was an Indian village called Cochingeming, then Smith's Creek, then Port Hope, but as there are so many hopes in various forms it would have been much better if it had taken the name of its river, Ganaraska, probably the same as Kamouraska, in Quebec, for G and K in Indian languages are the same letter, and until fixed by a written form M and N are scarcely distinguishable.

Otter, in the District of Nipissing, is not named from the animal, but in honor of Colonel (now General) Otter,, who passed that place in command of the military forces sent Northwest in 1885.

Strathcona bears the title-name taken by Sir Donald Smith on his elevation to the peerage. It was said that he wished to have the name Glencoe, where he had estates, but an objection having been raised by MacDonalds, a name was devised which was nearly synonymous, Glencoe being the "glen of the River Cona," and Strathcona being the valley of the same river.

MacLeod, in Alberta, (which should be Balmacleod or Lismacleod) was named in honor of Col. McLeod, one of the first officers of the famous "Riders of the Plains," as was also Calgary, imported from the home of the McLeod family in the Island of Mull in Scotland. Dunvegan, also a McLeod name, appears, as also Calgary (Gaelic) means the "rough running water" or rapids.

Windsor was omitted in a former part of this article, where names connected with Royalty were mentioned. Besides the city so called, the name appears in eight places in the Post Office list. The Royal family, who have long borne no surname, have now decided to be known as the House of Windsor, and it may be noted that among many hundred names changed in England since the war broke out, there appears in a published list "Guelph" changed to "Windsor."

Sarnia is one of a number of places named in honor of Sir John Colborne, being the ancient name of the Island of Guernsey, where he was born.

Jerseyville similarly bears the name of the Island of Jersey, where Sir Isaac Brock was born. That name is one of many in Europe given in honor of the Roman Emperors, being a corrupted form of Caesarea.

THE APOSTLE OF ALASKA.

Remarkable Career of William Duncan, the Founder of Metlakatla.

With the death of "Father" William Duncan at Metlakatla, Alaska, a few days ago, there passed from the stage one of the unique figures of the world. Born 86 years ago in Beverly, England, of Scotch parentage, the self-styled "Apostle of Alaska," began his business life as a commercial traveller, but decided in 1857 to take up missionary work. That he was successful is attested by the colony that exists today on Annette Island, made up entirely of the descendants of Indians who were cannibals when "Father" Duncan went among them. There are even some of the original members of the colony still living on the island and practicing the arts of peace near where they performed the rites of superstition and savagery in their youth.

The story of "Father" Duncan's life is a romance of sacrifice and achievement. When he decided to become a missionary he was sent by the Church of England to Port Simpson, British Columbia. There he remained long enough to learn the Indian language, beginning to preach to the natives as soon as he had acquired the first smattering of their tongue. Later, with sixty followers, but trouble with the Hudson Bay Company, which culminated in a bishop being sent out from England to take charge of the church, determined Duncan to leave Canada. In the early '80s he went to the United States and obtained a promise of sufficient land for his colony over the line in Alaska.

The Canadians refused to allow the Indians to remove any of their property from the country, so a new village of Metlakatla was built and equipped throughout. The rebuilding began in October, and in December, when a church and enough houses to shelter the people had been erected, the colonists gathered and swore allegiance to the American government. Incidentally, they ceased to be members of the Church of England and became Presbyterians.

The village prospered and in the course of time became one of the most important in Alaska. Its population grew to about one thousand and the well-constructed, painted dwellings bore witness to the Indian's ability when properly trained. For many years the village contained no horses or wagons and the streets consisted of wide board sidewalks along which the inhabitants walked or rode bicycles, of which there were many in the colony.

The largest church in Alaska was at Metlakatla, as was also the largest library in the territory. A cannery employed 150 men and packed 10,000 cases of salmon yearly and the village store carried a stock valued at $25,000. The Metlakatla Brass Band was one of the most famous organizations of native musicians ever formed among the Indians. It toured the United States a few years ago and attracted much attention.

"Father" Duncan was very jealous of his colony and ruled it as a king. He made the laws and executed them. Among the rules he enforced from the beginning was the prohibition of marriage between his Indians and the whites, with the result that today virtually all of the members of the colony are pure bloods. In fact, white people have never been welcome for any purpose on the island, which is about thirty miles long and he founded a village, which he called Metlakatla. The colony of which the village was the centre flourished, eight or ten wide. It is said to be rich in minerals, but prospectors have not made much headway in investigating its resources.

The attention of the United States was attracted to the colony a few years ago by a dispute that arose between "Father" Duncan and the U. S. Department of Education over who should have authority in the education of the natives. The efforts of the government officials were bitterly resisted and a serious fight seemed imminent. A settlement was finally effected and the king remained till his death ruler over the colony he had founded.

TORTURED BY RHEUMATISM

"FRUIT-A-TIVES" Brought Quick and Permanent Relief

MR. P. H. McHUGH

108 Church Street, Montreal.

December 10th, 1917.

"I was a great sufferer from *Rheumatism for over 16 years*, I consulted specialists, took medicines, used lotions; but nothing did me good.

Then, I began to use "Fruit-a-tives"; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, "*Fruit-a-tives*" *overcame my Rheumatism;* and now, for five years, I have had no return of the trouble. Also, I had severe *Eczema and Constipation*, and "Fruit-a-tives" relieved me of these complaints; and gave me a good appetite; and in every way restored me to health". P. H. McHUGH.

SOLDIERS WRITE HOME.

Interesting Letters from Two Former Alton Boys, Sons of Mr. and Mrs. James Presley.

Mr. and Mrs. James Presley, of Alton, have received the following letters from their sons, Bandsmen Will and Geo. Presley:

Germany, Dec. 15, 1919.

Dear Father and Mother,—

This is Sunday afternoon and we have to play guard mount in a few minutes time, after that supper and then a concert in the big dining hall for the troops, so if I don't get this finished now I will try to finish it after the evening concert.

I just got my last Sunday's letter posted today. It is the first chance we have had to post a letter for over a week. We have been moving faster than the post office. It caught up to us this morning, because we are likely to be here for quite awhile, possibly over Christmas. It isn't a bad little place, but not nearly as nice as Bonn. This place, judging by its appearance, must have a population of about 5,000, whereas Bonn is three or four times as large, and is the best city as regards buildings that I have ever been in. The poorest house in the city would be as nice as Jack Lovell's, so you can imagine what some of them must be like. We were billeted for the three nights we were there in regular mansions. We played part of the 2nd Division over the Rhine. The saluting base was three quarters of the way across the bridge. We were selected as the band to have the honor of playing the M. G. Field Ambulance and C. F. A., while standing opposite the base. We played Rule Brittannia while standing there, a thing that never happened before in history. We stayed in Bonn that night after playing the troops across. The next day at noon we left there, crossed the Rhine and came to this place. I enjoyed this trip more than any we have ever been on. We only marched about 14 miles of the whole trip, so I enjoyed it. It gave us a chance to stretch our legs.

We haven't had any mail for three weeks, so I hope we soon get some. I don't like waiting so long for your letters. I haven't run across George since I came up this way. I guess you will see by his letters how far apart we are. I am at present at Troisdorf on the opposite side of the Rhine from Bonn. I don't know where the 4th Division is. He is with them. Well, I guess it will not be so long now before we will all be back in Canada. Your loving son,

WILL.

Belgium, Dec. 18th, 1918

Dear Mother,—

Received your letter of Nov. 21st the other day and have not had time to answer as we have been on the march for five days now. We arrived here about noon today. We are supposed to stay here for quite a while. It is only a small town. I don't know just where it is, or whether it is near some large town or not. We are billetted in a large house. They are fine people. In one of the towns where we stopped over night the people of the house gave my chum and I a bed to sleep in. I could hardly go to sleep for a time as the bed was too soft. They gave us coffee to drink and did everything they could to make us comfortable. Some of the towns were a good size and the street cars were running. They were the first cars I had seen since I was on my leave.

There are some funny vehicles here—some two wheels, some three, and some four wheels. Some of the large ones have five horses to pull them and so down to one horse. One cart was pulled by a cow, a donkey and a horse. It looked real funny, the horse about a foot ahead of the donkey and the donkey about a foot ahead of the cow. Most of the farmers here have cows to do the work. You look a little farther along the street and you see another cart pulled by a couple of dogs. The roads are made of stones about half the size of your head. They make a good road but are very hard on leather boots. I suppose that is the reason why the Belgian people wear the wooden shoes. Leather shoes cost from 100 to 200 franc a pair, that is $20 to $40. The Germans took all the leather they could get for their own use. The last place we stopped at the Corporal of our Section and I went for a walk. At the station we saw whole rows of Fritzie guns lined up, which they have turned over to the Allies. They have also turned over a large number of transports. I hear the peace terms have been put back for a while as the Germans have not turned over everything they agreed to. The weather has been miserable lately, raining almost every day.

Well, it is only about a week now until Christmas. The time seems to go fairly well. We get up at seven o'clock, when it is just beginning to get daylight. It begins to get dark at half past four. We have supper at four fifteen. They say the Brigade is going to have schools or houses in which they are going to teach us most anything we want to learn. It will mean less parades for us, as they are having the classes in the mornings and we have the afternoons to ourselves for sports and other things. There is no flu of any account in the battalion. The inoculation we got is what has prevented it from spreading in the army. I hope the disease has abated before you get this letter. I hope none of you people get it. How is Mr. Delaney? Hope they are all well. We walked about 90 kilos in 5 days, that is about 11½ miles a day. It is quite a long march. I have no idea when we will leave for England. We may get a pass, but there is no chance of a marriage over on this side. Canada is good enough for me. Best regards to Mr. and Mrs. Delaney and Will. Love to all.

Your loving son,
GEORGE.

Geest Gerompont, Belgium,
December 26th, 1918.

Dear Mother and Father,—

Hope you are all well and have had a Merry Christmas. These few lines leave me O. K. and none the worse from the effects of Christmas. I guess you would think we had a quiet time here. We did not have any big celebration and buying of presents or anything like that. We had an early breakfast and then went to church a mile or so distant. We always have the Church of England service. When we came back quite a few of my chums got some boxes. I had got the one from Aunt Emma the day before and they sent me all kinds of candies and cake and a pair of socks. They undertook to give us a Christmas dinner and they did, too. We borrowed plates from the people of our billet and went down to a school house, and upon entering found they had the inside all fixed up and socks filled with candies, chocolate, cigarettes and tobacco. I gave my cigarettes and tobacco to the man here, as all the other fellows had all they wanted. We took seats at the table and the officers and sergeants waited on us. First they brought us in turkey, potatoes, parsnips, cabbage and bread. They gave us beer to drink with our dinner, but I do not care for beer. The second course was good plum pudding with sauce. The third course was fruit cake and it was good too. There was plenty for everybody and quite a few had seconds on some of the courses. I tell you it was a dandy dinner, all we could wish for. We had nuts and candies when we were through eating. I would like to have been home for Christmas, but I expect to be there next year if all is well.

I guess it would be a merry Christmas to most of the people now that the war is over. Some of the homes will be sad enough, especially Dean's, Simpson's, Bellas' and many others. I have not received any letters for a few days but I guess they will come soon. I hope the flu is not so bad in Canada now. I was not able to buy any Christmas presents, or anything, as we were not near any place where we could buy things.

I expected we would have a green Christmas here, but to my surprise when we awoke there was snow on the ground. However it soon disappeared. We are not out on parade today so I am doing a little writing. I guess you will have snow over there and have sleighing. How are Mr. and Mrs. Delaney and Will? Thank him for the gloves. This is all I can think of now. I may write more later. I hope this will find you all well as it leaves me. Your loving son,

GEORGE

Poor Kidney Action Brings Fatal Results

It is well for everyone to realize that from the moment the kidneys fail to remove the poisons from the blood stream, these poisons accumulate and set up the infections that cause disease.

What are the indications which give warning of this approaching suffering?

Here are a few of the symptoms. That pain in the back, dizziness, swollen joints or ankles, painful urination or brick dust deposits. At the first attack of any of these troubles turn to the old tried and tested kidney remedy—Gin Pills. Take them as directed and you will ward off chronic troubles.

Do not misunderstand the name Gin Pills. How they came to be called Gin Pills is this:

Gin has long been considered a remarkable curative agent for kidney or bladder trouble. This virtue comes from one ingredient alone in Gin and NOT from the alcohol. That is why the beneficial ingredients in gin can be taken in pill form, without alcohol, and that is what you get when you use Gin Pills.

When you decide to try Gin Pills you are protected. Buy a box from any dealer for 50 cents. If you do not get genuine relief after taking them, all you have to do is ask for your money back and it will be returned.

This is certainly a generous offer; but we make it feeling that once you have tried Gin Pills and know the beneficial results they bring, you will continue to use and recommend them.

Germany's Earlier Revolt

CARL SCHURZ published his memoirs twenty year ago, but they are interesting reading to-day. Schurz tells how the former Kaiser Wilhelm's great-grandfather, Frederick William IV. lied to his people, and how that monarch's father, Frederick William III., set him an earlier example of the same kind.

"In 1813," writes Schurz, "King William III. of Prussia issued from the town of Kalisch his famous manifesto, in which he called the German people to arms, promising at the same time a new national union and participation of the people in the business of government under constitutional forms.

"The new birth of a united German national empire, the abolition of arbitrary government by the introduction of free political institutions—that was the solemn promise of the Prussian King as the people understood it—that was the hope which inspired the people in the struggle against Napoleonic rule with enthusiastic heroism and a self-sacrifice without limit and ended in a final victory."

But out of the peace "issued nothing for the German nation but the famous Deutsche Bund, the organ of which was to be the bundestag, composed of representatives of the various German kings and princes, without any vestige of representation of the people. There was no mention of any guarantee of civic rights, of a popular vote, of a free press, of the freedom of assembly, of a trial by jury. The mere reminder on the part of the people of his own promises made in 1813 was resented by him as an arrogant self-assertion of subjects. The outcome was a period of cruel persecutions of patriotic men, of barbarous press gagging, of brutal police excesses.

The pledges made to the German nation by the German princes in 1813 were shamefully violated. It was a time of deepest humiliation. Even the Frenchmen, who had felt the edge of the German sword, derided, not without reason the pitiable degradation of the victor."

In 1840 the perjured king, Frederick William III. died, and his son, the fourth of that name, came to the Prussian throne. Frederick William IV. seems to have been very like his great-grandson, Wilhelm.

King Frederick William IV. created an assembly "which was to have the look of a Parliament and yet not to be one." He yielded to the popular clamor in so doing, and then he declared that he, the King, "would never have called this assembly had he ever suspected in the slightest degree that its members would try to play the part of so-called representatives of the people."

All through the '40s the political ferment continued in Germany. In 1848, following the establishment of the French Republic, all Germany flamed into popular demands for reform. Frederick William IV. was flooded with petitions which "he at first received with sullen silence."

Revolts broke out in various parts of Germany. Finally the people of Berlin rose against the king. The Prussian army was not able to subdue them, though many were killed on both sides. The terrified Frederick William IV. ordered the troops to withdraw. Then the people, carrying the bodies of their dead and with arms still in hand, invaded the interior court of the Imperial Palace and summoned the king to appear before them.

When, with the weeping queen beside him, he stepped out upon an upper balcony, a deep voice cried: "Off with your hat!" The King obeyed, uncovered and stood powerless in the presence of his betrayed people.

At the same time the prince who was to become Kaiser William I., grandfather of Wilhelm, fled from Germany and took refuge in England. He was charged with having ordered the troops to fire on the people of Berlin, and was called the "Grapeshot Prince."

Two days later Frederick William IV. raised a tri-color flag over the Royal Palace and, wearing the colors of the revolution on his arm, rode out on horseback and promised the people of Berlin all and more than they had asked for.

It was announced that a "new and responsible ministry had been appointed, composed of members of the Liberal opposition; that a constituent assembly to be elected by the Prussian people should be convoked to frame a constitution for the kingdom of Prussia and a national Parliament to be elected by the people of all the German states for the purpose of uniting all Germany under a constitutional government."

For a little while the king seemed to remain favorable to democratic reform. He even declared that "all the concessions made by him had been made of his own free will, and according to his own convictions and that nobody should dare to question this."

But the army, the court nobility and the junkers gradually got the king's ear. He ordered the National Assembly to adjourn. He sent Prussian soldiers to seize all the machinery of Government. The people were called to arms. There were revolutionary uprisings in many parts of the country, which were put down ruthlessly. There were many executions and Schurz, with hundreds of other patriots, fled from Germany. The second Hohenzollern perjurer completed his conquest of the people.

"The German revolutionists of 1848," wrote Schurz, "fought for German unity and free government and were mainly defeated by Prussian bayonets. They committed many errors, but the greatest of these sprang from the child-like confidence with which they expected the complete fulfillment of all the promises which the kings and princes, especially the King of Prussia, had made under stress of circumstances."

Run-Down People Vinol is What You Need

Weak, run-down nervous men and women need Vinol because it contains the most famous reconstructive tonics in an agreeable and easily digested form:—Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates.

We guarantee there is no tonic equal to Vinol.

HERE IS PROOF

Detroit, Mich.

"I got into a weak, run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—within two weeks I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."—Mrs. John F. Watson.

Texarkana, Texas.

"I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever. Every run-down woman should take Vinol."—Mrs. Emma Britt.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Vinol Creates Strength

SETTLEMENT OF SOLDIERS.

The plan of the Dominion Government for the settlement of soldiers on land includes the purchase of land by soldiers, with the Government's financial assistance and supervision, wherever the soldier desires to locate on approved land suitable for the purpose.

The operation of this plan awaits the passing of the necessary legislation by Parliament. In the meantime steps are being taken to ascertain the location of suitable land in each district of Ontario in which the soldiers may desire to locate, in order that the land may be immediately available when the legislation is approved.

An advertisement is being inserted in local papers in each district calling for tenders to sell to the Soldier Settlement Board suitable land.

The object of the Government is not only to settle soldiers but to increase agricultural production by bringing under cultivation land not now producing or inadequately farmed.

The land which will be approved by the Soldier Settlement Board for purchase will be land of high agricultural quality and reasonable value and of such a character that the settler will have a reasonable chance, from the products of the farm, to earn subsistence for himself and family and repay the loan which is extended over a long term of easy payments.

While the demand for such locations at the start will be very moderate, and no large turnover of lands is expected, advertisement has been made widespread as it is desired to have on hand in the office of the Soldier Settlement Board in Toronto a small approved list of suitable locations in each County or District of Ontario, which could be placed at the disposal of the soldier who decides to locate in a particular district.

The Board desires to pay very strict attention in each case to the relation between the capital investment and the estimated productivity of the farm, in order that the settler should not be over burdened by undue capital debt. Very great care is therefore to be exercised in the selection by soldiers of farms of appropriate cost and productiveness.

The plans for the ascertainment of suitable land in Ontario will be supervised by the Board with, it is hoped, the active participation of district representatives of the Provincial Agricultural Department, also with the patriotic co-operation of County representatives and representative farmers qualified to advise the Board and the returned soldier as to the merits of each agricultural proposition which is tendered to the Board.

The purchase price will be fixed by the Board in each case only after it has been inspected and valued by the Board.

Music Lovers Amazed by Edison's Daring Test

All told, 2,000,000 music lovers in Canada and the United States, on more than 1500 different occasions, have gone to one of their local theatres filled with curiosity regarding a startlingly novel musical recital to which they had been invited.

In each case they have come away amazed at the almost unbelievable demonstration which had taken place before their very eyes, and ears—the most daring test of a phonograph or talking machine ever made. They saw a noted Edison artist stand beside

The NEW EDISON

"The Phonograph with a Soul"

They heard the instrument sing in the artist's voice—in other words, *re-create* her voice. Presently the artist herself began to sing note for note with the instrument. Musically trained ears strove in vain to distinguish the faintest shade of difference between the actual voice and the Re-Creation. Then, suddenly and without warning, the artist ceased singing, leaving the instrument to continue the air alone. Only by watching the artist's lips did the audience know that she had ceased singing and that they heard the instrument alone. This is the famous Edison Tone Test.

Only Edison makes this test. Only Edison *can* make this test, because only the New Edison actually *re-creates* the human voice and the music of human-played instruments with every tone quality and every shade of expression. Ordinary phonographs, and talking machines, merely *reproduce*.

If you have not been fortunate enough, to witness an Edison Tone Test, you may at least hear Edison's wonderful new phonograph at our store. Make the time to suit your convenience. 108

ORANGEVILLE PRESBYTERY

At its March meeting held here on Tuesday Orangeville Presbytery nominated Rev. W. M. Morris, pastor of St. Andrew's church, for the position of Moderator of the Synod of Toronto and Kingston. Dr. A. S. Grant, of Toronto, was nominated as Moderator of the General Assembly. Rev. J. R. Bell, the veteran pastor of Laurel Presbyterian church, applied to be allowed to retire from the active work of the ministry. Presbytery expressed its great regret at the loss of Mr. Bell's services and influence. Mr. Bell's congregations at Laurel and Black's Corners have extended a call to Rev. J. A. Reddin, of Everett, offering a stipend of $1800 and three weeks' holidays. A meeting will be held at Shelburne on March 25th to consider the call. It is expected that the Priceville, Caledon East and McIntyre fields will call ministers shortly. Caledon East and Waldemar were raised to the status of self-sustaining congregations. Ballinafad, Keldon and Alton have also reported progress by reducing their demands on the Home Mission Fund.

THE METHODIST CHURCH.

Rev. E. R. Young's subjects for next Sunday are: In the morning, "The Fourfold Gospel," and in the evening, "A Study in Hosea, God's Presence in Loneliness," a sermon for Lent

At the Epworth League last Monday evening Miss Jennie Kearns gave an excellent paper on "The Prophet with a Big Heart." Miss Millie Simpson was the chairman. Miss Ruth Coulter gave a reading and Misses M. Rowan and D. Wright rendered a duet.

Mrs. Edward Clarke and Miss Annie Clarke, Prince of Wales Street, will be the hostesses of the Home Circle Prayer meeting on Tuesday afternoon, March 18th, at 3 p.m.

AMARANTH TOWNSHIP PIG CLUB FOR 1919

An excellent opportunity is being offered boys and girls in Amaranth Township to become the owners of a pair of pigs by joining the Pig Club being formed in the township by H. A. Dorrance, Agricultural Representative, in co-operation with the Bank of Hamilton, Orangeville. The Club is open to the boys and girls, residing in Amaranth township, who will agree to take a pair of pigs under the rules and regulations. Those who become members will be supplied with a pair of pigs, about eight weeks old, one of which will be a purebred Yorkshire sow and the other an ordinary pig. The member will be expected to give a note for eight months with interest at 6 per cent. for the price of the pigs. The member will be expected to feed and care for these pigs, and the one should, when sold, bring enough money to pay for the pair and have the purebred sow free. This would appear to be an opportunity to secure some good stock at reasonable prices, and parents are urged to have their children take part in the work. A circular has been mailed giving details regarding the Club and any person interested, who has not received a copy, should apply at once to the Department of Agriculture, Orangeville, Ont.

WHO HAVE FOUND RELIEF IN DODD'S KIDNEY PILLS.

Muskoka Man Tells How After Four Months' Illness He Found the Remedy for All His Ailments.

Larchwood, Algoma, Ont., March 10.—(Special.) — "Dodd's Kidney Pills did me good and I want everybody to know it." So says Mr. Cyrus Correll, a well-known farmer living near here.

"I was sick for four months," Mr. Correll continued. "My trouble started from a combined cold and strain. I suffered from Neuralgia, and had pains in my back. I was often dizzy.

"My sleep was broken and unrefreshing, I was tired and nervous and I had a nasty taste in my mouth in the morning. I was depressed and low spirited, I felt heavy and sleepy after meals, and there was a heavy dragging sensation across the loins.

"I didn't bother with the doctor. I had Dodd's Almanac by me, and I sent right off for two boxes of Dodd's Kidney Pills.

"Before I had taken half a box I began to feel better. Now I want everybody to know how good I feel, and that Dodd's Kidney Pills did it."

Mr. Correll's symptoms are all symptoms of kidney trouble. He struck right at the root of the trouble by treating the kidneys with Dodd's Kidney Pills. That's why he got such good results, and got them so quick.

Dodd's Kidney Pills have a national reputation as a kidney remedy. Ask your neighbors about them.

Are You Treating Your Eyes Right?

That Knowledge of a weakness is strength, is espcially true of the eyes. Persons may go through life hampered by eye trouble of which they are ignorant and which could easily be rectified.

WHEN COLOR tests were first used in selecting Railroad Engineers, some who had been on the road for years were found to be color blind, and yet they had no idea of this defect.

EVERY LITTLE while we find some eyes in our examinations that are cruelly tried by unnecessary strain.

Why not let us test your eyes and see if everything is as it should be.

WE PROMPTLY replace broken lenses no matter where you purchased your glasses. Save your broken lenses.

PIGS.

Start feeding Dr. Hess' Stock Tonic to brood sow six weeks before she farrows. Then feed to mother as long as pigs are nursing. Then feed to pigs until they are 4 months and 20 days old, and they will weigh 230 to 260 lbs. each.

Or if Pigs are 4, 5 or 6 weeks old, feed until they are 5 months and 20 days old. At that age they must weigh 230 to 260 lbs.

COWS

Regardless of what they are feeding, weigh milk for two weeks, then add Dr. Hess' Tonic and the increase must net $10.00 on each pail of Tonic.

CALVES

Take two calves—one at 6 weeks old and one at one week—and in six weeks they will both weigh the same.

M'CONACHIE-MONTGOMERY

A pretty wedding was solemnized at the home of Mr. and Mrs. Joshua Montgomery, East Luther, on Wednesday, Feb. 26th, when their oldest daughter, Mabel Beatrice, became the bride of Mr. Harvey J. McConachie, of Amaranth. The bride entered the dining room leaning on the arm of her father and took her place under an arch of evergreens with decorated roses and sweet peas. The wedding march was played on the violin by Mr. Robt. McConachie, accompanied by Miss Tena McConachie on the organ. The ceremony was performed by Rev. J. A. Ross, of Waldemar. The bride and groom were unattended. The bride was dressed in cream silk trimmed with lace, wearing a veil and carrying a bouquet of carnations and maiden hair ferns. After congratulations the guests sat down to a dainty wedding dinner. The bride and groom got many beautiful and useful presents, everyone wishing them every happiness. Mr. and Mrs. McConachie will reside on the townline between East and West Luther.—Star and Vidette.

LATE MRS. JOHN WARNOCK

In the passing away late last month of Mrs. John Warnock, of East Garafraxa, the township loses one of its oldest daughters. The daughter of the late Alex. Burke, she was born on the farm now occupied by Joseph McBride, 74 years ago, and in the interval saw the virgin forest replaced by fertile fields, the log hut by comfortable houses, the Indian trail by good roads, while the motor car has supplemented the ox team. Forty-six years ago she was married to Mr. John Warnock, to whom she proved a real helpmate, a wise counsellor and a loyal wife. They made a success of life's struggle, comfortably starting their family. Of nine children, one died a few years ago, Mrs. Wm. Byers, the remaining being: Mrs. Wesley McDowell, Mrs. Norman Irvine, Alexander, John and Hugh, in Garafraxa; George and James, at home, and William in the West. The funeral, private, took place to Price's Corners, the service being conducted by Rev. J. A. Ross, of Waldemar.—Star and Vidette.

FRAXA JUNCTION.

(Intended for last week.)

Mr. Finley Demill is spending a few days here.

Misses Eileen and Frances Prust, of Toronto, have returned home after visiting with their brother.

Miss Lily Cook spent the week-end with Waldemar friends.

Mrs. Alf. Harrington spent a couple of days in Toronto last week.

Miss Clara Trimble is visiting her aunt, Mrs. Thos. Menary, of Laurel.

Mr. Leslie Evans, who has just recently returned to Canada after spending three years overseas, spent a few days last week as the guest of his sister, Mrs. W. Prust.

Mr. and Mrs. Noble Potter spent Sunday with Mr. and Mrs. John Patterson.

Mr. Ewing, our teacher, spent the week-end in Alliston.

Messrs. Cecil and Elmer Armstrong left for the West on Friday.

Mrs. W. J. Prust has returned home after a two weeks' visit with her parents at Sargeon Falls.

"Darling," he said, "I have lost all my money."

"How careless of you," she replied. "The next thing you know you'll be losing me."

TORTURING, ITCHING ECZEMA.

Mrs. J. B. Horth, Paspediac, Bonaventure Co., Que. writes: —"Thanks to Dr. Chase's Ointment I have been completely cured of that horrid disease, eczema. I was held as if in prison from going among other people, for I was ashamed of the raw, flaming sores. Doctors could do nothing for me, and I was almost desperate with suffering when I began to use Dr. Chase's Ointment. In one month I was completely cured and think that this was little short of a miracle.

NECESSITY FOR THRIFT.

All over the world far sighted nations are now preparing to share in the European reconstruction trade.

All over the world there has sprung up a glorious crop of new ideas and new ideals, new inventions and discoveries, new standards of living and working, and an entirely new viewpoint as to the vital necessity of individual and national thrift.

Long before the war ended the National Board of Trade of England was organized and laying plans for the scientific direction and encouragement of industry, for the best means of ensuring economic and increased production. The great need for national thrift and national co-operation was early recognized by Hoover in his efforts to increase agricultural production, avoid waste and conserve army food requirements. Wm. B. Wilson, Secretary of the U. S. Dept. of Labor, recently stated: We must all do our best, to make the change from War Work to Peace Work as easy as possible. Co-operation is the big thing needed now.

The war most clearly has shown, that we never as a nation or as individuals realized what could by co-operation, planning and effort be accomplished.

The months and years that follow a great war are critical periods that make or unmake men and nations. In these reconstruction eras, weak men, thoughtless men, flounder and go down, but strong men seize the opportunities offered by the world's remaking and lay the foundation for future successes. In the reconstruction period following the American Civil War patriotic men solved their problems and firmly laid the foundation of America's future greatness.

Looking backward to that period it is easy to say what we would have done if we had had their opportunities. The period we live in is one equally fraught with unavoidable decisions which collectively will determine our present national welfare—and future possibilities.

It rests with us to say whether we shall plan to avail ourselves of European markets now opened. This greatest opportunity of centuries to introduce Canadian products in new markets and these new customers for farm machinery, manufactured goods and food products may be retained in the years to come if we sell them good products and follow up with service. But to sell to Greece, Roumania, Serbia, Belgium, France, on account of their inability to pay cash, we must for the present extend credit as our competitors on this market, the United States, Argentina and Brazil, are willing and anxious to do.

For Canada to act as the Banker paying Canadian shippers cash on their European shipments and taking in settlement European nations' bonds, it is estimated will require $50,000,000 to be raised in this way this year.

This vast sum with other amounts required for repatriation cannot be raised without united effort and the plan which the Government has selected as best puts it in the power of every loyal citizen, man, woman and child, to assist. It is commonly known as the War Saving and Thrift Stamp scheme. England in this way is financing her present need. In 1918 the United States raised approximately $1,000,000,000. Among the outstanding commendable features of the plan are its enduring value as a national asset, that we be trained and schooled in greater thrift and be encouraged in saving. The ease with which payments can be made in small amounts, at convenient times and the fact that there is no compulsory amount set and possibility of securing repayment in case of necessity. Briefly outlined the plan is for the purchase of 16 Thrift Stamps, costing 25c each, these after attaching to a Thrift Card are exchangeable for one War Stamp, which thus costs $4.00, but which when attached to a War Savings Certificate, has a value of $5 on Jan. 1st, 1924, being 5 per cent. simple interest. Thrift Cards and War Certificate Cards are kept at all Banks and Post Offices, as well as War Saving Stamps and the Thrift Stamps, the latter stamp being also kept and sold gratuitously by all patriotic merchants.

Do not Shakespeare's words apply to us in our decisions and attitude as to our personal responsibility in "carrying on" this vitally necessary national movement? There is a tide in the affairs of men, which at the flood leads on to fortune.

Omitted and all the voyage of their lives is found in shallows and in miseries. On such a full sea are we now afloat and we must take the current when it serves, or lose our venture.

Mr. and Mrs. W. J. McPherson of Grand Valley received word recently that their son Cecil had died very suddenly at Plenty, Sask., from complications attending an attack of influenza. He had been in the West some time and a few years ago married Miss Dolson, who with a child about four years of age survive.

Only for the fact that neighbors, passing the home of Mr. and Mrs. Ralph Foster, of Derby township, about 12 o'clock at night noticed a glare in the attic windows, and roused the occupants of the house, very serious consequences would have resulted. As it is the beautiful home was burned to the ground.

At the Arthur Division Court Robt. Densmore of West Luther sued Alex. McCabe of West Toronto for $34 for pasture of cattle and $10 damages for trespass. The defendant counter claimed $60 for trespass. The judge waived aside both claims of trespass and allowed the plaintiff judgment for $36, he to pay costs of jury summoned and defendant to assume the costs of the case.

DE LAVAL

The World's Greatest Cream SAVER

All over the world creamerymen, big milk concerns, dairy authorities and cow owners who have special opportunity for judging the worth of cream separators have for years recognized the superior skimming and all-around efficiency of the De Laval.

That's why 98 per cent. of the plants throughout the world separating large quantities of milk, use the De Laval. It skims so much closer that they can't afford to use any other machine.

That's why 2,325,000 De Lavals are in daily use, more than all other makes combined.

Not only is the De Laval the greatest cream saver but it turns easier, is easier to wash, has larger capacity and greater durability than any other separator.

The more you know about cream separators the more certain you are to buy a De Laval.

Order your De Laval now and let it begin saving cream for you right away. Remember that a De Laval may be bought for cash or on such liberal terms as to save its own cost.

SIGNALLER G. B. BULL.

Signaller G. B. Bull, whose arrival home from overseas was briefly noted in last week's Banner, is the only son of Mrs. Bull, 1st Avenue. He was a High School student here and only 16 years of age when he "joined up" with the Orangeville Company of the 164th in December, 1916. He went overseas with his battalion in April 1917, to France with a draft of signallers in March 1918, and served with the Signal Section of the 1st Batt., C. M. G., until the end of last August, when he was obliged to enter one of the military hospitals in France for an operation. Signaller Bull was on the Arras front most of the time while in France and went through the big battle at Amiens on August 8th. He sailed for home on the Belgic and reports a very fine voyage.

NORMAN A. WELWOOD.

Pte. Norman A. Welwood, son of Mr. and Mrs. Jno. Welwood, 5th line, Caledon, who arrived home from overseas recently, crossing the Atlantic on the Empress of Britain, enlisted in the 116th Battalion in Toronto in February 1916. He went overseas in July of the same year, crossed to France in the autumn and was wounded by a rifle bullet through the leg at Vimy Ridge on April 9, 1917. He returned to the front in March 1918 and was severely wounded in the back and thigh by shrapnel at Arras on August 25th. He was removed to the 54th Imperial Hospital at Boulogne and thence to the 3rd Canadian General in the same city where he came under the care of his brother, Capt. (Dr.) T. R. Wellwood. Pte. Welwood was bedfast for four months or longer. It was thought at first that he had a slim chance of recovery, but he is now quite well again and expects to be able to resume his former vocation after a few months at his old home in Caledon. A brother. W. J. Welwood, was killed at Passchendaele on Oct. 30th, 1917, and another brother, Capt. (Dr.) T. R. Welwood, to whom reference has already been made, is on the staff of the 8th Canadian General Hospital in Boulogne.

PTE. D. CARROLL HOME.

Pte. Dalton Carroll, son of Mr. and Mrs. J. J. Carroll, of Erin, formerly of East Garafraxa, arrived home quite unexpectedly a few days ago. Pte. Carroll enlisted with the 71st in 1915 and after drilling at London and Chatham, went overseas in 1916. On arriving in England he was transferred to the 73rd Black Watch, and in France was with the 13th Batt., with which he saw some heavy fighting, receiving his first baptism of fire at Kemmel Hill, in Belgium. He was in the battles of the Somme, Vimy Ridge, Hill 70 and a number of other battles and skirmishes, being wounded twice, but returned to the firing line each time after he had recovered, and was at Lens and Passchendale. During a short leave he visited Ireland, where he found his mother's people. After returning to France again he was attached to a Casualty Clearing Station, where he remained until the end of the war.

THOMAS J. HARSHAW.

The news of the death of Thomas J. Harshaw, a well-known Prince of Wales Road farmer, came as a great shock to his many friends. The sad event occurred very suddenly at his home on lot 9, Con. 2, west, Mono, about 10.30 o'clock on Wednesday night of last week. Mr. Harshaw spent the greater part of Wednesday drawing pressed hay from Orangeville to his farm. Along in the afternoon he started for town for a load, but when near the Mono College school became so ill that he was obliged to return home. Dr. T. H. Henry was at once summoned and administered a remedy, which gave his patient immediate relief. When the doctor left an hour or so later Mr. Harshaw was feeling quite well again. He retired about ten o'clock and Mrs. Harshaw followed a little later. Shortly after his wife got into bed Mr Harshaw remarked that his side was paining and he thought he would lie on the other side. He turned over and a moment later gasped a couple of times and expired almost instantly. Heart collapse was the cause of his sudden death. The late Mr. Harshaw, who was 50 years of age, was the youngest son of the late George Harshaw and was born on the farm on which he died. He was the last surviving member of the family. Three sisters have died within the last few years, the last one, Mrs. T. J. Parks, passing away only a couple of months ago. Deceased was a good-natured man, who had a smile and a passing joke for every acquaintance he met. No man in Mono was better liked and no one had more friends and fewer enemies. His sudden taking off will be keenly regretted and there is the sincerest sympathy for the widow, who has been so suddenly deprived of her life companion. Mrs. Harshaw was Miss Olive McMaster, a daughter of Mrs. James McMaster, of Mono College. There was an unusually large attendance of sorrowing friends and neighbors at the funeral, which was held to the Forest Lawn cemetery on Friday afternoon. Rev. W. M. Morris, the family pastor, conducted an impressive service in the stricken home. Among the numerous beautiful floral tributes was a large wreath from Prince of Wales L. O. L. No. 320, of which the deceased was a respected and valued member. The deceased was buried with full Orange honors, W. Bro. W. L. Ewing and Bro. W. J. Irwin reading the beautiful service of the Order over the open grave. A large number of the brethren were present in full regalia. The pallbearers were Dr. Geo. McCluskey, Alliston; J. W. McMaster, Snelgrove; Robt. Reid, T. J. Parks, Maurice McNaughton and Thomas H. White.

DO YOU WANT PINK CHEEKS?

They Can be Had by Keeping the Blood Rich, Red and Pure.

Every woman—every girl—wants pink cheeks. They mean not only beauty but good health. When a woman's blood is scanty or anaemic, her color fades, she looks debilitated, is short of breath and her heart palpitates after slight exertion. Sometimes this trouble is accompanied by severe headaches, or pains in the back or sides. This condition is entirely due to weak, watery blood, and can only be cured by making the blood rich, red and pure. For this purpose there is nothing can equal Dr. Williams' Pink Pills, which act directly upon the blood, and in this way bring new health and strength to weak, ailing people. Mrs. Anderson, Hearst, Ont., says:—"Before coming to Canada from England, I was a sufferer from anaemia for upwards of a year. I had been gradually getting paler and weaker. I did not realize that I was sick, but felt constantly tired and worn out. I had no ambition for anything, and grew so white that my brothers used to call me "snowball." At this stage my mother decided that she would get Dr. Williams' Pink Pills, which are a favorite medicine in England as well as in Canada. On the day I commenced taking them I fainted on getting out of bed and mother urged me to stay in bed for a few days. I really felt so weak that I was glad to take her advice. I looked more like a corpse than a living person. I remained in bed for a week, taking the pills regularly, and then I felt that I was able to get up, though not able to go about. From that on, however, I gained strength daily, and in a little more than a month I was feeling as well as ever I did. The color returned to my cheeks and lips, and my friends were all surprised at my rapid recovery. I took no medicine but Dr. Williams' Pink Pills, so that they deserve all the credit for my restoration to health."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

HEAR PETER WRIGHT

In the Opera House, Orangeville, FRIDAY EVENING, APRIL 4.

The local branch of the Navy League of Canada is to be congratulated on its good fortune in procuring for the people of Orangeville and vicinity an opportunity of hearing Councillor Peter Wright, Trustee and Chairman of the Seamen's and Firemen's Union of Great Britain, who has been addressing immense audiences in different parts of Canada during the last three months. He is a typical British sailor and comes as one of the outstanding labor leaders of Britain and the representative of the greatest labor organization in the world. He represents the one Union in the British Empire, which during the past four years of war has stood by the Empire and for the Empire first, last and always, and the proud record of which has never been sullied by a strike.

Mr. Wright will speak in the Opera House, Orangeville, on Friday evening, April 4th. Admission will be by ticket only. A nominal charge of 25 cents will be made to defray necessary expenses, and the surplus proceeds will be donated to the Lord Dufferin Hospital. A committee of ladies, headed by Mrs. W. E. Irvine, Mrs. W. G. Fisher and Mrs. E. R. Young will have charge of the sale of tickets, and citizens are advised to procure them early, as tickets will not be sold beyond the capacity of the hall.

VISITING IN WOODSTOCK.

While in Woodstock attending the recent annual meetings of the Grand Chapter of Royal Black Knights and the Provincial Grand Orange Lodge of Ontario West, Mr. B. McGuire, of The Banner had the pleasure of visiting one of the most modern and finely equipped newspaper and job printing offices in Western Ontario. We refer to the Woodstock Sentinel-Review, which published about twelve columns of reports covering the proceedings at the two conventions just referred to. Mr. W. J. Taylor, President of the Canadian Press Association, is at the head of the Sentinel-Review Publishing Co., and is also editor of Rod and Gun, a magazine that is favorably known to nearly every sportsman in Canada. Mr. McGuire was also entertained by Dr. and Mrs. A. J. Hunter, former residents of Orangeville and now citizens of Woodstock. Dr. Hunter is now assistant surgeon in the Woodstock hospital. Another former Orangevillian whom it was a real pleasure to meet, was Mr. J. S. Wilson, formerly gardener with the late Robert Mann in the Ben Accord gardens south of the C. P. R. station. Mr. Wilson and family moved from Orangeville to Woodstock, where our former townsman is now the owner of one of the largest greenhouse systems in Western Ontario. Altogether he has 8 greenhouses, covered by 46,000 square feet of glass. Mr. Wilson owns and occupies a large brick dwelling house of modern design close to the greenhouses. Four hundred tons of coal are required to heat the greenhouses for a year. The large steam boilers are utilized to heat three large residences in addition to the greenhouses, and in this way bring Mr. Wilson a comfortable revenue on the side. Our former townsman graciously remembered his visitor's family with the beautiful bouquets of carnations, violets and sweet peas. Mr. McGuire also met another oldtime acquaintance in the person of Mr. T. R. Jackson, formerly of Whittington, who has a good position in the civic waterworks department.

MRS. SAMUEL RONEY.

A long and busy life came to a peaceful close on Friday night last when Mrs. Ann Roney, widow of the late Samuel Roney, passed away at her home, lot 13, 5th line, east, Mono. Although in failing health, Mrs. Roney was remarkably smart and active considering her advanced age and has been going about the house attending to her usual duties until very shortly before her demise, which is attributable to a general breakdown of the system. Mrs. Roney was 83 years of age and was a daughter of the late Isaac Woolner, of East Garafraxa. She was born and lived in East Garafraxa until somewhere about 32 years ago, when the family moved to their present home in Mono. Deceased was a warm-hearted, sympathetic woman, a kindly, loving wife and mother and a neighbor, whose natural impulse was always to do a good deed whenever opportunity offered. Her husband died on June 8th, 1917, at the ripe age of 84 years. The surviving members of the family are William Roney, Souris, Man.; Samuel, Isaac and Andrew Roney, farmers in Mono; Mrs. Wm. Cockerill, Elba, and Miss Sarah, at home. Wm. Woolner, of Glencross, and Abram Woolner, Collingwood, are brothers and Mrs. Carr, in Michigan, is the only sister now living. Arrangements were made to hold the funeral on Monday afternoon, but the arrival of a delayed telegram late on Sunday stating that the oldest son, William, was on his way home from the West, caused a postponement of the obsequies until Wednesday afternoon, when the interment took place in St. John's cemetery, 7th line, Mono. Rev. P. C. Howard, rector of Mono West parish, was the officiating clergyman.

SIGNALLER G. B. BULL.

Signaller G. B. Bull, whose arrival home from overseas was briefly noted in last week's Banner, is the only son of Mrs. Bull, 1st Avenue. He was a High School student here and only 16 years of age when he "joined up" with the Orangeville Company of the 164th in December, 1915. He went overseas with his battalion in April 1917, to France with a draft of signallers in March 1918, and served with the Signal Section of the 1st Batt., C. M. G., until the end of last August, when he was obliged to enter one of the military hospitals in France for an operation. Signaller Bull was on the Arras front most of the time while in France and went through the big battle at Amiens on August 8th. He sailed for home on the Belgic and reports a very fine voyage.

NORMAN A. WELWOOD.

Pte. Norman A. Welwood, son of Mr. and Mrs. Jno. Welwood, 5th line, Caledon, who arrived home from overseas recently, crossing the Atlantic on the Empress of Britain, enlisted in the 116th Battalion in Toronto in February 1916. He went overseas in July of the same year, crossed to France in the autumn and was wounded by a rifle bullet through the leg at Vimy Ridge on April 9, 1917. He returned to the front in March 1918 and was severely wounded in the back and thigh by shrapnel at Arras on August 25th. He was removed to the 54th Imperial Hospital at Boulogne and thence to the 3rd Canadian General in the same city where he came under the care of his brother, Capt. (Dr.) T. R. Wellwood. Pte. Welwood was bedfast for four months or longer. It was thought at first that he had a slim chance of recovery, but he is now quite well again and expects to be able to resume his former vocation after a few months at his old home in Caledon. A brother. W. J. Welwood, was killed at Passchendaele on Oct. 30th, 1917, and another brother. Capt. (Dr.) T. R. Welwood, to whom reference has already been made, is on the staff of the 8th Canadian General Hospital in Boulogne.

PTE. D. CARROLL HOME.

Pte. Dalton Carroll, son of Mr. and Mrs. J. J. Carroll, of Erin, formerly of East Garafraxa, arrived home quite unexpectedly a few days ago. Pte. Carroll enlisted with the 71st in 1915 and after drilling at London and Chatham, went overseas in 1916. On arriving in England he was transferred to the 73rd Black Watch, and in France was with the 13th Batt., with which he saw some heavy fighting, receiving his first baptism of fire at Kemmel Hill, in Belgium. He was in the batties of the Somme, Vimy Ridge, Hill 70 and a number of other battles and skirmishes, being wounded twice, but returned to the firing line each time after he had recovered, and was at Lens and Passchendale. During a short leave he visited Ireland, where he found his mother's people. After returning to France again he was attached to a Casualty Clearing Station, where he remained until the end of the war.

THOMAS J. HARSHAW.

The news of the death of Thomas J. Harshaw, a well-known Prince of Wales Road farmer, came as a great shock to his many friends. The sad event occurred very suddenly at his home on lot 9, Con. 2, west, Mono, about 10.30 o'clock on Wednesday night of last week. Mr. Harshaw spent the greater part of Wednesday drawing pressed hay from Orangeville to his farm. Along in the afternoon he started for town for a load, but when near the Mono College school became so ill that he was obliged to return home. Dr. T. H. Henry was at once summoned and administered a remedy, which gave his patient immediate relief. When the doctor left an hour or so later Mr. Harshaw was feeling quite well again. He retired about ten o'clock and Mrs. Harshaw followed a little later. Shortly after his wife got into bed Mr Harshaw remarked that his side was paining and he thought he would lie on the other side. He turned over and a moment later gasped a couple of times and expired almost instantly. Heart collapse was the cause of his sudden death. The late Mr. Harshaw, who was 50 years of age, was the youngest son of the late George Harshaw and was born on the farm on which he died. He was the last surviving member of the family. Three sisters have died within the last few years, the last one, Mrs. T. J. Parks, passing away only a couple of months ago. Deceased was a good-natured man, who had a smile and a passing joke for every acquaintance he met. No man in Mono was better liked and no one had more friends and fewer enemies. His sudden taking off will be keenly regretted and there is the sincerest sympathy for the widow, who has been so suddenly deprived of her life companion. Mrs. Harshaw was Miss Olive McMaster, a daughter of Mrs. James McMaster, of Mono College. There was an unusually large attendance of sorrowing friends and neighbors at the funeral, which was held to the Forest Lawn cemetery on Friday afternoon. Rev. W. M. Morris, the family pastor, conducted an impressive service in the stricken home. Among the numerous beautiful floral tributes was a large wreath from Prince of Wales L. O. L. No. 320, of which the deceased was a respected and valued member. The deceased was buried with full Orange honors, W. Bro. W. L. Ewing and Bro. W. J. Irwin reading the beautiful service of the Order over the open grave. A large number of the brethren were present in full regalia. The pallbearers were Dr. Geo. McCluskey, Alliston; J. W. McMaster, Snelgrove; Robt. Reid, T. J. Parks, Maura McNaughton and Thomas H. White.

WORDS OF PRAISE FOR BABY'S OWN TABLETS

No medicine receives such great praise from thankful mothers as do Baby's Own Tablets. Once a mother has used them for her little ones she will use nothing else. The Tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; cure colds and simple fevers; promote healthful sleep and make teething easy. Concerning them Mrs. Omer LeBleu, Maddington Falls Que., writes:—"I am well satisfied with Baby's Own Tablets and will always use them for my little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ALTON.

The musical concert held in the Methodist church, Alton, on Thursday night was well patronized. The singing of Mr. J. Harry Sloan and of Mr. Percival Harding was much enjoyed. Miss Dorothea Browne, A. L. C. M., and Miss Phyllis Blackwell, T. C. L. S., rendered very choice piano solos that were very much appreciated. Mr. Amos Mason contributed choice cornet solos.

On Sunday Rev. H. L. Mercer, Ph. B., B.D., preached in the Methodist church, representing the department of Evangelism and Social Service of the Methodist Church.

"The Beavers" are adding to their equipment in the school room of the Methodist church. The class of girls taking the "Canadian Girls in Training Course" are busily engaged under the leadership of Mrs. (Rev.) T. R. White in the Sunday School room each Monday evening from 7 to 8. The Mission Band of 27 members is preparing an Easter entertainment in the Sunday School room of the Methodist church for Tuesday, April 8.

CALEDON.

A somewhat amusing scene took place in this locality about the end of last week. We have some very energetic fox hunters in the neighborhood and considerable rivalry seems to exist among these sports. On a recent Friday a party from Caledon and vicinity set out in pursuit of a member of the reynard family. After running him for some time they were overtaken by another party from Credit Forks, who were on the same trail. The excitement was too much for reynard so he made for his hole toward evening. There all the hounds took part in the work of digging for him until about 8 o'clock, when a mutual agreement was made to abandon the job until morning. When the party from Caledon returned the next day they found to their surprise that someone had been there in the meantime and had apparently captured the fox. The ground was marked with blood and everything went to show that reynard had been captured and skinned right on the spot. Further evidence was also forthcoming in the form of a note pinned to a stake, stating that the fox had been captured at 10 p.m. Even this did not satisfy the terrier dog with the party, who soon discovered that the fox was still there. The boys then set to work and in a short time had the satisfaction of securing their quarry. They thereupon wrote the following lines on the back of the sheet which had been attached to the stake:

"You put up the bluff,
And did it well;
But the fox is ours,
As sure as H——"

THE LATE PETER MOON.

The high respect in which the late Peter Moon, whose death occurred at his home in West Toronto, on Friday, Feb. 28, was held was attested by the large number of friends and acquaintances, who attended his funeral. The service at the house on Medland St. and also at the graveside, Prospect cemetery, was taken by Rev. R. H. Bell, pastor of High Park Avenue Methodist church. The chief mourners were his widow, Mrs. Isma Moon, Mrs. J. Speers, Laughton Ave., daughter, and Messrs. W. F. Moon, electrical contractor and hardware merchant, Dundas St., and T. H. Moon, electrician, Dundas St., sons. Messrs. John Moon, Mono Mills, and George Moon, Kelwood, Man., and Mrs. G. Cummings and Mrs. F. Herod, Caledonia, Ont., Mrs. W. Widgett, Mono Road, and Mrs. S. Davis, Dresden Ont., are the surviving brothers and sisters. The funeral was conducted by Mr. Wm. Speers, funeral director, West Toronto, under the auspices of L. O. L. No. 900, which claimed the deceased as one of its oldest members. The Lodge was represented by a large number of the brethren and the beautiful burial ritual of the Order was read over the open grave by the W. M., W. Bro. Brand and W. P. Sir Knight Jas. Porsons. Several members of Wallace Preceptory, No. 679, were also present. The City Council was represented by Aldermen Whetter and Maher, Divisional Inspector R. B. Potter and Superintendent R. Brown. Messrs. D. Duffy and S. Davis, together with Bros. Wm. Irwin, E Connolly, W. F. Fullerton and W. Smith, brother Orangemen, acted as pallbearers. The floral tributes were both numerous and costly. Upwards of forty wreaths and sprays were banked in the drawing room, where the casket reposed until its removal to the cemetery. It is of course impossible in the space at our disposal to give a list of these beautiful tokens, indicative of the high esteem in which the deceased was held. Mr. Moon, who moved to Toronto from Mono Mills, 30 years ago, was ill only a few days with pneumonia. After moving to the city he worked at the carpenter trade for a number of years. In 1894 he was awarded the position of Commissioner for West Toronto. He was 66 years of age and was a member of Pacific Lodge A. O. U. W. and also of the Civic Foreman's Association.

A SECOND BUTCHER SHOP.

Orangeville is once more to have two butcher shops. Mr. Wm. Passmore, of Gravenhurst, is opening the second shop in Mr. John McKim's building a couple of doors east of McKim's grocery store. Mr. Passmore has spent the greater part of his lifetime in the business and understands it thoroughly. He is opening out today and will take orders and deliver meat to all parts of the town. Time was when three butcher shops seemed able to make a fair living in town, but death, retirements and other changes eventually brought the number down to one.

HIGH SCHOOL LITERARY.

A debate for the Shield which has been held by the Third Form for a considerable time created great interest among the students and their friends at the High School Literary Society meeting on Wednesday afternoon, March 12th. The subject under discussion was: "Resolved, that the Present Government of the United States Represents a Truer Type of Democracy than the Present Government of Great Britain." The affirmative was taken by the Third Form debaters, Miss Juanita Hannington and Ellis Liddy. The speakers for the Second Form, challengers for the Shield, were Miss Mildred Hanna and Murray McKitrick. The debate was keenly and closely contested, but the judges, Mrs. H. F. Tuck, Mr. D. Macpherson and Mr. U. W. Christie, decided that the Form Two speakers had rather the better of the argument and gave the decision in their favor Miss Helen Wheelock, President of the Society, occupied the chair. The program included a solo by Miss Margaret Rowan, a piano solo by Miss Dorothy Wright, and a parody of Shakespeare's Hamlet by Misses Marguerite Hannington, Edna Coulson, Willa Thompson, Bessie Ellis and Ruth Coulter. Principal Hackett presented the successful Victory Loan Essay competitors with their medals. The winners were: Fourth Form, Florence Annis, silver medal; Third Form, Arthur Macpherson, silver medal, Alice Bradford, bronze medal; Second Form, Murray McKitrick, silver, Vera Walker, bronze medal.

A MEMORIAL SUGGESTION.

It has been suggested to us that a maple or an oak tree might be planted for each soldier who fell, bearing a plate with his name. We notice that St. Thomas will do this as part of the memorial work in that city. One hundred and twenty-five English oak trees were ordered and will be planted this Spring in one of the parks. Each tree will bear the name of a hero and the particulars of his death. If this was applied to Fergus the trees might be planted on one of our principal streets or in one of our excellent, but undeveloped park sites. The difficulty with the first is that every street in town might claim the privilege. The other would be a step towards making one of those parks that the Council is always just going to do something about, but never manages to get it done. The scheme of a beautifully lighted street might be applied to St. Andrew street, but we would like to see that done anyway, without the soldiers being used as an excuse, and no doubt that matter will be attended to this year.—Fergus News-Record.

THE METHODIST CHURCH.

The subjects of Rev. E. R. Young's sermons next Sunday, March 23, are: In the morning, "The Gospel According to Matthew," and in the evening, "As Saith the Prophet Joel."

On Sunday evening Mr. George Speedie, general secretary of the Upper Canada Tract Society, gave an account of the work that that society is doing amongst the sailors on the Great Lakes. On these inland waters we have 25,000 men and over 130 lighthouses, which are ministered to by this society.

MOODY-COLE.

A very quiet wedding took place at the home of Mr. and Mrs. John Cole, East Garafraxa, on Wednesday afternoon, March 12th, when their youngest daughter, Lily J., was united in marriage to Mr. John Buie Moody, eldest son of Mrs. Wm. Moody, of Glen Williams. The marriage, which took place at 2.30, was performed by Rev. T. R. White, of Alton, in the presence of the immediate friends of the bride and groom. The bride, who was given away by her father, was dressed in a navy blue serge suit with blue velvet hat and veil and carried a bouquet of pink carnations. After congratulations a buffet luncheon was served. The young couple left later for Glen Williams where they will reside. The Banner extends its hearty congratulations.

IRWIN-CHRISTIAN.

At four o'clock on Tuesday afternoon, March 11th, a quiet but pretty wedding took place in Toronto, when Miss Nettie Olive Christian, youngest daughter of Mr. and Mrs. Henry Christian, John street, Orangeville, became the bride of Wilfrid Irwin, son of Mr. and Mrs. J. B. Irwin, Mill street. The ceremony was performed by Rev. W. E. Wilson, pastor of King street Methodist church, Toronto. Miss Irene Christian and Miss Minnie Baker, of Toronto, attended the bride, who looked charming in a tailored suit of brown chiffon broadcloth with hat and fur to match. She carried a beautiful bouquet of American beauty roses. Mr. and Mrs. Irwin have taken up their residence on the former's farm on the Centre Road, Caledon. The Banner joins the many friends of the young couple in tendering its hearty congratulations.

BOLTON-ROWSELL.

A very quiet wedding took place at the Methodist parsonage, Shelburne, on Monday, March 17th, when Harriet E. Rowsell, eldest daughter of Mr. and Mrs. James Rowsell, of Suffolk, England, became the bride of Mr. Frederick Bolton, of Toronto. Rev. W. M. Wallace performed the ceremony in the presence of a number of friends of the bride and groom. The young couple received many beautiful and useful presents. Among these was a beautiful piece of silverware, a gift from the Superintendent of the Lord Dufferin Hospital, Orangeville, with which the bride has been connected for the past two years. The happy couple left on this evening train for their future home in Toronto. Their numerous friends here join in wishing them a very happy journey through life.

Black as Dirt About the Eyes

Liver Was All Upset and There Was Pain Under the Shoulder-blade — Two Interesting Letters.

So many people suffer from derangements of the liver that we feel sure these two reports, just recently received, will prove interesting reading and valuable information to many readers of this paper.

Mrs. F. L. Harris, Keatley P.O., Sask., writes: "I was suffering from liver trouble—had a heavy pain under one shoulder blade all the time, and was nearly as black as dirt around the eyes, so I concluded to try some of Dr. Chase's Kidney-Liver Pills. I did so, and before I had taken one 25c box the pain had left me and I commenced to gain in flesh, and by the time I had taken two boxes I was completely cured and felt like a new person. My trouble was caused by heavy work out-of-doors, and, of course, heavy eating and constipation. I would advise anyone suffering from kidney or liver trouble to give Dr. Chase's Pills a trial."

Mrs. Charles Terry, Tweed, Ont., writes: "Before I was married I was troubled with enlargement of the liver. My liver became so enlarged that you could detect the swellings on either side, and it was only with difficulty that I could get my clothes on. A friend advised me to get Dr. Chase's Kidney-Liver Pills and take them. I commenced this treatment, and used nine boxes, which cured me at that time. Then, about two or three years afterward I was troubled again with the swelling, but only on my right side. I secured some more Kidney-Liver Pills, and took them, which finally cured me. I have not been troubled in this way since. I can cheerfully recommend Dr. Chase's Kidney-Liver Pills to anyone having kidney or liver trouble.

"We have also found Dr. Chase's Linseed and Turpentine excellent for coughs and colds. In fact, any of Dr. Chase's medicines which we have used have been good."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, 5 for $1.00, at all dealers, or Edmanson Bates & Co., Limited, Toronto.

A SOLDIER'S LEAVE.

Lieut. Stan. Cranston Sightseeing in Edinburgh; Interesting Descriptive Letter from an Orangeville Boy.

The following is part of a letter received recently by Mr. and Mrs. W. G. Cranston from their son, Lieut. Stan. Cranston, while on leave in Scotland:

We are still in Edinburgh. Have been here all week, but intend leaving for Glasgow tomorrow. We have certainly had some time since leaving camp on January 10th. From camp we went up to London, remained there till Sunday evening, when we went to Washington Inn, where we met a number of fellows we knew in Canada. Just after I wrote last Sunday afternoon, there was one of the finest concerts that I have ever attended—a violinist, a tenor and three or four lady singers. The man was magnificent and the ladies were splendid. Then Charles Dickens' son gave us a talk on his father and recited a couple of extracts from some of his father's books.

Sunday night we caught the 10.15 train for Edinburgh. Of course all the sleeping berths were occupied so we just had to sit up and sleep on the seats. It was not a very pleasant ride as we were travelling from 10.15 Sunday night until 8 a.m. Monday, when we landed in Old Edinburgh. We made straight for the American Officers' Club (the address of which we had received from one of the boys before leaving camp), and speaking of Scotch hospitality, well, we struck it at the door, and inside of ten minutes were enjoying a good breakfast, which by the way consisted of real Scotch porridge, etc., etc. A room was then prepared for us and we went up and slept until one o'clock (lunch time), after which we began to look things over. We discovered that the club was a very large building, formerly occupied by Sir John Finley, but has been fitted up for officers' quarters and it sure is fine. In the afternoon we went over to see some relations of the chap I came up with. We intended staying only a few minutes as they are fairly old people, but old as she was, the lady made us a wonderful tea and of course we stayed on. Then one of the boys came in. He is in the army, but on leave, so we sat and talked for hours, in fact we didn't leave till almost 11 p.m., and the following day the boy took us around the city (or part of it). Up Calton Hill, from the top of which one can get a splendid view of the city, but that day being rather misty, we were unable to see very far. However, he informed us that on a clear day the country could be seen for sixty miles around. Nelson's monument is right on the top. From there we went down to Holyrood Palace, the old Royal palace where Mary, Queen of Scots, lived. Her bed and room are still on exhibition there. After exploring the palace as far as possible, we then went up to Edinburgh Castle. This is away up above the city and also affords a fine view. Most of the rooms of interest, however, were locked, so we were unable to see the contents.

Just across from the parade ground is a row of apartment houses. The first contingent were quartered at the castle in the first days of the war, and a large number of the officers' wives lived in the apartments. A month after the first contingent left for France, every one of these women were left widows. The Scotch have certainly suffered and I think they are about as loyal subjects as King George has.

On Wednesday afternoon one of the Y. M. C. A. men took a party of us out to the Firth of Forth to see the fleet. Hundreds of warships of all kinds are stationed there. The "Queen Elizabeth" was one of the first we recognized. The "Glorious," a big cruiser, was in dry dock, so we went down underneath it. There were hundreds of men at work on it. Then we were taken aboard the cruiser "Courageous." This cruiser is over 800 feet long and carries four of the monster 15-inch guns, besides a large number of smaller guns and torpedo tubes. We were all over the ship, one of the officers explaining everything as we went along, and after a pleasant two or three hours spent thus, we wound up by having afternoon tea (on board). The naval chaps are simply splendid.

It was after dark when we returned and as we crossed the Forth bridge, it was a wonderful sight to see all the ships on both sides of the bridge lighted up. It looked like a regular young city. The bridge is a wonder in itself, having taken 5,000 men night and day for seven years to erect it (picture enclosed).

Thursday afternoon we went to Leith and there saw a boatload of returned prisoners of war from Germany. They all looked fine and not as though they had been starved and beaten, in fact they looked quite the reverse. They came off the boat, had a wash and sat down to a hot meal, and you know it really was wonderful the way the women fed those chaps. Why they were hardly seated before they were served.

Yesterday we went to see an exhibition of naval pictures, sketches showing a little of the glorious work the British navy has done in this war. In the afternoon we went for a walk around the Salisbury crags, also another hill on top of which is Arthur's seat. It must be five miles around these hills. At the far side is the small but beautiful Loch Dennixon and also the village of Dennixon.

SAVED—for the People of Canada

HYDRO power is generated by utilizing the energy of waterfalls. The amount of Hydro power distributed this year, replaced by steam-generated electricity, would require, 4,500,000 tons of coal, valued at $31,500,000.

To haul this coal 112,500 cars would be needed. They would make 3,750 trains of 30 cars each extending over 678¾ miles of track.

If the coal saved were distributed equally among the users of Hydro Power, each would receive 28⅛ tons.

Incidentally the Hydro-Electric Power Commission of Ontario helps conserve the coal supply and transportation facilities of the country.

Its chief object is to supply electric current at low rates. To aid the users of the current in obtaining the most satisfactory illumination is another. The Commission recommends HYDRO Quality Lamps for home lighting. Definite brilliancy, uniform current consumption and length of useful life are assured because of tests constantly made in the laboratories of the Commission.

A CALEDON PRESENTATION

On Thursday evening, Feb. 27th, a large number of friends and neighbors gathered at the home of Mr. and Mrs. Fred Hall, 6th line, west, Caledon, to bid farewell to them before leaving for their new home at Beeton. During the evening Mr. Jas. McDonald, of Belfountain, was called upon to read the following address:

Dear Mr. and Mrs. Hall and Family:

"All the world's a stage,
And men and women merely players."

Thus, briefly, has the world's greatest dramatist expressed his conception of our relation to the terrestrial ball upon which we live and move and have our being. The stage is wide, the scenes varied and the actors innumerable.

Since you stepped upon this portion of the world's mighty stage, four years ago, you have acted well your parts in the drama of life. You have been the truest of neighbors and the most hospitable of friends. You have always taken a keen interest in every project for the social and educational betterment of the community.

Knowing and appreciating your worth we are assembled to express our high esteem for you and your family. We ask you to accept these as a tangible proof of our regard and good-will.

May you live long to enjoy your new home in health, prosperity and happiness.

We deeply regret that you must now become actors on another part of life's stage but we assure you that the golden thread of "memory" shall never break.

Signed on behalf of the community: Hector Pinkney, James Morrison.

Mr. Jas. Morrison and Mr. James Bass then presented Mrs. Hall with a beautiful silver tea service; Mr. Hall with a gold watch chain and locket, and each of the children with a piece of jewellery

Mr. Hall, in a few well chosen words, thanked the people for their kindness to himself, wife and family.

Refreshments were then served, after which the remainder of the evening was spent in dancing and games.

HIS NOTES ARE GOOD.

"Is the living he makes on a sound basis?"

"You bet it is. He beats the bass drum in a band."

"THE CAMP DOCTOR AND OTHER STORIES"

An unsolicited testimony by Rev. Professor J. F. McLaughlin, of Victoria College, Toronto, of "The Camp Doctor, and Other Stories," the last book published, written by Rev. E. Ryerson Young, of Orangeville:

"I have just finished reading for the second time this series of Canadian stories, and the reading has given me unalloyed pleasure. My first reading was somewhat critical and comparative, but having decided that the stories, or at least the greater part of them, were very much to my liking, I was free to enjoy them to the full this second time. Perhaps my appreciation of these genuine stories of Canadian life is all the more keen because of my having recently read in one of our popular magazines a miserable and unwholesome caricature of it Sir Gilbert Parker, of whom something better might have been expected. I am led also to contrast the truth, the simplicity, the freedom from exaggeration and its emphasis on the best things in the making of Canadian life which mark Mr. Young's tales, with the overdrawn scenes of brutality and wild adventure, and the exaggerated sentimentalism in much that Ralph Connor has written. It is well that English readers, with whom Ralph Connor is so popular, have also this handsomely printed and attractive volume, a saner presentation of our new settlements and their problems.

"What reader, who knows and loves the north country, will fail to recognize the homely cabins and the pioneer farms of Muskoka, the island-studded lakes, the little plain country church, the village rapidly expanding to a town, the mining settlement in the wilderness, where every green thing is withered and blasted by sulphur smoke from heaps of roasting ore, the lumber camps in the vast northern forests? Who, if he be a true lover of Canada, will be indifferent to the pioneer types, so sympathetically drawn, or to the graphic portraiture of the heroic men and women who have labored so unselfishly in the north to lay the foundations of nationhood firmly and strongly in religion and virtue? Mr. Young has lived and travelled both in the north and west and knows the people of whom he speaks—the young doctor waging strenuous war upon ignorance, dirt and disease; the student preacher, inexperienced but earnest, winning the people more by tactful kindness and manly self-forgetting ministry to human needs than by his wisdom or his eloquence; the trained scientist, carrying his religion with him to the mining camp, and the commercial traveller, his remembrance of holy things into the drunken riot of a barroom.

"I have not made up my mind which story is the gem of the collection, but I am inclined to think it is the last one, entitled, "Three More Years." Next to it I would place "The Thread of Gold," with its fine and true sketch of the Irish grandmother, a true pioneer, a woman of heroic mould, a big knightly soul, winning her kingdom by dauntless toil and sacrifice, and desiring no luxury of idleness or wealth that her hands did not win. The Irish grandmother, with the thread of gold upon her ring-finger, should have along with this well-told story a sculptured monument on some proud pedestal in our midst, for it has been and is just such as she who have given our young nation the character of steadfastness, truth and honor, which today is being manifested in the sight of all the world.

"A good tonic for the pessimist is the story of the widow's thankoffering in "The Drummer's Pastoral Call," and "The Colporteur's Last Visit" pays just and well-deserved tribute to a class of men who have served humbly and faithfully the cause of pure religion in all the remote places of our land. The reverent tone of all these stories is equally admirable, as is also the frank appreciation of the value of prayer, and the belief in the possibility of salvation of even the worst and meanest offenders. The book has been very welcome to me and to members of my family and we confidently and gladly recommend it to others.

"J. F. McLAUGHLIN."

HAVE YOU NICE HANDS?

You can have if you use Zam-Buk regularly. Women who do their own housework, and constantly have their hands in water, say nothing equals Zam-Buk for keeping the hands in good condition.

Or, if your hands are chapped, one thorough application of Zam-Buk at night will bring ease by morning, and continued use of this balm will heal the cracks and roughness.

Miss Della Martel, of 35 McKay St., Ottawa, says: "For two winters I suffered acutely from cracked and chapped hands. I tried various salves, which seemed to do them good for a time, but as soon as I went out doors my hands would become just as bad as ever. A friend advised me to try Zam-Buk, and it was really wonderful how even the first application of this balm stopped the smarting and drew out the soreness. In a very short time my hands were quite smooth again. Now I rub Zam-Buk on my hands occasionally all through the winter, and never have any trouble from cracks or chaps."

For frost-bite, chilblains, cold sores, eczema, boils, ulcers, blood-poisoning, cuts, burns and scalds, Zam-Buk is equally good. All dealers, 50c. box.

Farming Is Big Business

Farming is "big business" of the biggest kind. Canadian farms yielded $650,000,000 in exports of agricultural products last year—nearly $100,000,000 greater than the manufactured exports for the same period. This, in addition to the huge amount of food consumed at home.

The modern farmer equips himself not only with the latest information as to his "trade," but with a broad grasp of world's affairs. His place of business must be made worth living in, not only for himself, but for his wife and children, for they are his partners, in a sense, which holds good in no other "business concern." The most valuable information to him, therefore, is that which tells of prices for his products.

The Toronto Daily Star prints information daily, clearly and accurately. The market reports are from Toronto, Chicago, and Winnipeg, and cover cattle, grain, dairy products, vegetables, hides, and wool.

In addition The Toronto Daily Star carries daily the news of the world for that day—presented by an impressive array of special correspondents. Home news, too, bright, crisp, well-written. Big events written about in a big way, and printed so that "grandma can read it."

The Toronto Daily Star Is Useful and Interesting to Farmers

There is a real department for "Mrs. Farmer," a Woman's Page, which reflects things such women are interested in from woman's standpoint. There are clean "comics" for young and old, bedtime stories for little folks, and dressmaking hints for the mothers. The Toronto Daily Star is a safe and profitable visitor to invite into any home. The farmer "needs it in his business"; his family needs it for their education and enjoyment.

You cannot read The Toronto Daily Star for a short while without feeling that it is "the paper you need." The truth of this is shown by the many people who, sending in a trial subscription for three months, renew their subscription for a year before even the three months' period expires. Send in your subscription now. We will mail The Toronto Daily Star to you each day at the following rates: for 1 month, 25c; for 3 months, 75c, for 6 months, $1.50; for 12 months, $3.00.

BELGIAN RELIEF FUND

Ontario Branch, 95 King Street West, Toronto.

CLOSING MARCH 31st.

The work hitherto performed by Relief Organizations will be undertaken by the Belgian Government after March 31st.

Contributions of money and clothing will be received at 95 King Street West, Toronto, until that date.

FUND FOR BELGIAN ORPHANS OF THE WAR will, however, remain open, but contributions for this Fund must be sent to M. Goor, Consul-General for Belgium, Ottawa, Ontario.

Monsieur E. Pollet, Consul-General for Belgium, London, England, makes the following appeal:

"The LIBERATION of BELGIUM does not solve the problem of the future of the war orphans.

"Some idea can now be formed of the number for whom we shall have to provide. It can be stated that the orphans, whose parents were deported, and who died in Germany, number more than those whose fathers have fallen on the battlefield."

Chairman.

VINOL MAKES CHILDREN STRONG

And Invigorates Old People

Any doctor will tell you that the ingredients of Vinol as printed below contain the elements needed to improve the health of delicate children and restore strength to old people.

℞ Cod Liver and Beef Peptones, Iron and Manganese Peptonates, Iron and Ammonium Citrate, Lime and Soda Glycerophosphates, Cascarin.

Those who have puny, ailing or run-down children or aged parents may prove this at our expense.

Besides the good it does children and the aged there is nothing like Vinol to restore strength and vitality to weak, nervous women and overworked, run-down men.

Try it. If you are not entirely satisfied, we will return your money without question; that proves our fairness and your protection. Millions of people have been convinced this way.

DAISY MISSION CIRCLE HOLD BIRTHDAY PARTY

The annual "At Home" of the Daisy Mission Circle of the Methodist church this year took the nature of a birthday party and was a great success every way. The charming young ladies, capped with daisies, welcomed their "guests" and treated them to an excellent entertainment. Miss Margaret Rowan, the president of the Circle, acted as chairman and did her part beautifully. Mrs. Still gave the Bible reading and Miss Marenna Judge gave the trumpet blast from the Watch Tower. Instrumental solos were given by Misses B. Irwin and M. Whaley and a duet by Misses Alberta Kearns and Gladys Ewing. Readings were given by Miss Florence Annis and Miss Ruth Coulter. A pantomime, "O Zion Haste," was beautifully given by the members of the Circle, who did themselves and their trainer, Mrs. Gray, great credit. The proceeds of the evening were thirty dollars, which will go to endow a cot in a mission hospital in China.

Dated at Orangeville, this 7th day of March, 1919.

GEORGE ROBB,
Orangeville P. O.,
Solicitor for the said Executors.

Overland

"Well Built"

The admiration for the Overland is due not only to its sturdy and graceful appearance but to its utility as well. Overland success is largely due to the fact that Overland owners have not only bought Overlands themselves but have enthusiastically recommended them to their friends.

—Caledon Methodist church will hold a box social in Caledon Town Hall on Friday evening, March 14th. A good program will be provided.

—Mr. and Mrs. Elmer Harrison have moved from their farm on the Centre Road, Caledon, to their new home in Alton.

—Lieut. C. J. Harper, son of Dr. and Mrs. Harper, of Alliston, has arrived home from overseas.

—Mr. R. H. Robinson has installed a $300 electric weighing scale in his grocery store. It is a dandy.

—Mr. G. E. Island, formerly of Mono, has sold his 100 acre farm at Sandhill for $9,500 and is holding a big auction sale. We understand that Mr. and Mrs. Island intend to move to town about May 1st.

—Mrs. Jas. A. Mercer, a well-known resident of Tottenham, passed away a week ago Monday morning. The deceased had several ribs broken in an accident a couple of weeks prior to her death.

—Capt. Roy C. McCort, son of Mr. and Mrs. A. McCort, of Albion, arrived home from overseas a few days ago. He was given a hearty welcome home by members and friends of the McCort family. Capt. McCort served in the Artillery.

—Mr. R. J. Hillock and family, of Palgrave, are this week moving to Erin township, where Mr. Hillock has engaged to work with Mr. Dougal Reid, of the Erin-East Garafraxa townline.

—We are very sorry to learn that William Hilliard, son of Mr. James Hilliard, West Caledon, who has been suffering for a considerable time from inflammatory rheumatism, is not improving.

—Sneak thieves entered the home of Mrs. John Clark, Purple Hill, while the family were absent in Toronto, taking articles and leaving the house in a tossed up condition. Mr. H. Hayward's home, across the road, was also entered.

—Peter Wright, an Englishman, whose name has been much before the people of Canada for the last few months, will speak in the Opera House on Friday evening, April 4th, under the auspices of the Orangeville Branch of the Navy League. His subject will be: "The Attitude of the British Sailor in the War."

—County Treasurer C. R. Wheelock was elected Hon.-President of the Ontario Good Roads Association at the recent meeting in Toronto. Mr. Wheelock also officiated as toastmaster at the big banquet held under the auspices of the Association.

—Mrs. Wilfrid Flatt, East Broadway, slipped on some ice in the back-yard and fell, breaking her wrist and also badly spraining a thumb.

—While Samuel Stump, East Broadway, was trimming off some limbs on his farm in Mono the other day, the axe slipped and severed the thumb of his left hand.

The Red Cross rooms will be open each Wednesday afternoon until the quilting is finished.

—Mrs. D. Sanderson has sold her dwelling house on Parsons street to Mr. W. C. Lathwell. The deal was made by Auctioneer J. B. Irwin.

—Orangeville Branch of the Great War Veterans Association will hold its first annual meeting in the Public Library on the second Thursday of April.

—A fine 225 acre farm near Caledon village is offered for sale in this issue of The Banner. The attention of our farmer readers is directed to the advt on page six.

—Mr. Freeman Leader's stock sale in East Garafraxa last Friday afternoon was a big success, realizing over $1800. Everything advertised was sold at good prices. Auctioneer Geo. McAlister handled the sale.

—Pte. F. H. Short, a Mono boy who enlisted with the Simcoe county battalion at Alliston early in the war, has been given an honorable discharge from the army and is back to civilian life. Pte. Short succumbed to the charms of an English lassie and has brought home a winsome bride. For the present the young soldier and his wife are staying with Mr. Peter McMullen near Relessey.

—Mrs. (Dr.) R. N. Kyles has fully formed cherry blossoms and apple leaves in the parlor of her home. Cherry trees are not in the habit of blooming in March in this part of Ontario, but Mrs. Kyles accomplished the seemingly impossible by breaking off some cherry and apple tree branches and transferring them to a vase which was kept well supplied with water. The bloom made its appearance in the course of a couple of weeks.

—Writing to renew his subscription to The Banner our former townsman, Mr. D. McPheeters, of Rumsey, Alta., states that he has spent the winter in Victoria, B. C., has bought a house in that city and intends to move there next fall. He reports a very fine winter in Victoria, neither snow nor frost, and flowers in bloom in the open gardens. Mr. McPheeters states that he met Mr. Ed. Armstrong, who was looking well and likes British Columbia.

HOSPITAL NOTES.

March 15th being the last day on which shipments of Red Cross supplies and refugee garments could be made free, the ladies decided to send all supplies to headquarters. It was decided that the money on hand be left as it is at present to answer appeals as received.

Persons having out material or wool are asked to return same to Red Cross rooms, not later than Wednesday, March 26th.

$2,000 GONE SAYS WILEY VESPERMAN

Spent Small Fortune On Treatments Before Finding Relief by Taking Tanlac.

"I spent at least two thousand dollars on medicines and treatments before I finally got relief by taking Tanlac," said Wiley Vesperman, of 4418 Bowser Ave., Dallas, Texas.

"I suffered with rheumatism in my left arm and shoulder for seven years," he continued, "and at times I was so badly crippled up that I would just have to give up and go to bed. I also suffered terribly with indigestion, and what little I ate formed so much gas that I would belch up my sour, undigested food and would become faint from dizziness. I could hardly sleep at night for the misery I was in and in the morning I would get up feeling so awful that I could hardly get around.

"But Tanlac has driven away every bit of the pain and misery. I never suffer from indigestion and can eat anything I want. My condition has improved so wonderfully since I started on Tanlac that I am able now to give all my time to my business, just like I did before that awful rheumatism got its hold on me. My wife is taking Tanlac, too, and she is just as enthusiastic about it as I am."

Tanlac is sold in Orangeville by C. V. Joffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

ST. PATRICK'S SOCIAL.

About 150 young people attended the St. Patrick's Social held in the Sunday School rooms of St. Andrew's church on Monday night under the auspices of the Young People's Society. A real Irish program was provided by the Social Committee under the direction of Miss Sinclair, of the High School, and a delightful time was spent in games, contests, music and other amusements. The program included choruses by the High School boys and the High School girls, solos by Miss Gabriel of the High School staff, a reading by Roy Connop and instrumental music by Miss Browne. Mr. Arthur Macpherson presided. A dainty luncheon was served late in the evening. The rooms were very prettily decorated for the evening, green being naturally the dominant feature of the color scheme.

Mr. and Mrs. Granville Lawson, of Peterboro, visited the latter's parents, Mr. and Mrs. M. Varcoe, West Broadway, over the week-end. Mr. Lawson returned home on Monday, but Mrs. Lawson will remain in town for some time.

Mr. A. D. Porter, of the Imperial Munitions Board staff, spent Sunday with Mrs. Porter. Sunday night Mr. Porter, who is a gifted soloist, assisted St. Andrew's choir and delighted the congregation with two fine solos, "Thy Will be Done" and "After the Harvest."

Dr. Frank Porter and Mrs. Porter, of Waubaushene, are visiting the former's brother, Mr. T. G. Porter. Dr. Porter, we regret to learn, was taken seriously ill in his brother's shop last Friday morning but is making a satisfactory recovery and will soon be enjoying his usual health.

TROOPER MENARY HOME.

Trooper John A. Menary, of Toronto, formerly of Orangeville, returned to Canada on the Carmania a few days ago. Trooper Menary has served with the 4th C. M. R. since November, 1914, and was in most of the important battles. He was wounded twice, invalided home in November, 1917, returning to France with the Canadian Railway Troops in March, 1918, rejoining his old battalion. Trooper Menary, who worked on the "case" in The Banner office for a number of years, saw his first active military service in the second Riel rebellion in 1885. He is also a veteran of the South African war. Menary is a son of the late Mr. and Mrs. Wm. Menary, of Orangeville.

TO REPAIR ST. JOHN'S CEMETERY

The wardens of St. John's church are about to build a good wire fence around St. John's cemetery, Mono. To finance this project they are asking for the sum of one dollar from each family that has a plot in this cemetery or that is in any way interested in its upkeep. This repair is much needed and will meet the approval of all. Those living outside the confines of the parish are requested to send in their contributions to the following address:

Are You Treating

Your Eyes Right?

That Knowledge of a weakness is strength, is especially true of the eyes. Persons may go through life hampered by eye trouble of which they are ignorant and which could easily be rectified.

WHEN COLOR tests were first used in selecting Railroad Engineers, some who had been on the road for years were found to be color blind, and yet they had no idea of this defect.

EVERY LITTLE while we find some eyes in our examinations that are cruelly tried by unnecessary strain.

Why not let us test your eyes and see if everything is as it should be.

WE PROMPTLY replace broken lenses no matter where you purchased your glasses. Save your broken lenses.

PIGS.

Start feeding Dr. Hess' Stock Tonic to brood sows six weeks before she farrows. Then feed to mother as long as pigs are nursing. Then feed to pigs until they are 4 months and 20 days old, and they will weigh 230 to 260 lbs. each.

Or if Pigs are 4, 5 or 6 weeks old, feed until they are 5 months and 20 days old. At that age they must weigh 230 to 260 lbs.

COWS

Regardless of what they are feeding, weigh milk for two weeks, then add Dr. Hess' Tonic and the increase must net $10.00 on each pail of Tonic.

CALVES

Take two calves—one at 6 weeks old and one at one week—and in six weeks they will both weigh the same.

SHE TELLS THEM IN THE POST OFFICE

THAT DODD'S KIDNEY PILLS CURED HER.

Quebec Postmistress Suffered for Four Years But Her Pain Vanished Before a Short Treatment of Dodd's Kidney Pills.

L'anse a Brilliant, Gaspe Co., Quebec, March 17.—(Special.) — Mrs. Geo. Briand, the Postmistress here, is a sworn friend of Dodd's Kidney Pills. And like a host of others she has a reason.

"I had a pain in my left side for four years," Mrs. Briand says in giving that reason. "It never left me for one single instant.

"But after using two boxes of Dodd's Kidney Pills, with two of Diamond Dinner Pills, the pain ceased, and in over a year now it has never come back.

"I have recommended Dodd's Kidney Pills to the patrons of this P. O., for I keep the post office here, as the best medicine I have ever used."

Dodd's Kidney Pills are no cure all. They are purely and simply a kidney remedy. They are credited with cures of sore back, rheumatism, lumbago, heart disease, diabetes, and Bright's disease. The reason for this is that all these troubles sprang from diseased kidneys.

Dodd's Kidney Pills acting directly on the kidneys, put those organs in condition to do their full work of clearing the impurities out of the blood and the diseases vanished with the impurities.

PRESENTATION IN ERIN.

On Friday evening, Feb. 28, about 100 friends and neighbors of Mr. and Mrs. R. H. Nodwell, of Erin, met at their home and presented them with an address and a handsome parlor suite on the eve of their removal from the community. Mr. James Milloy, Reeve of Erin, presided and Mr. Jas. Brown, Reeve of East Garafraxa, read the address, which was worded as follows:

To Mr. and Mrs. R. H. Nodwell,

Upon the eve of your departure from our midst, we, your friends and neighbors, have come together to enjoy an hour of social intercourse and to share once more in the hospitality of your house which has always been open to us.

We are sorry that you are leaving our midst but we are glad that you are not removing so far but that we shall be able from time to time to meet you.

Your residence in our neighborhood has always meant a great deal to us, more than we can express.

We recollect the genial warmth of the hospitality which has always prevailed in your home.

We wish to extend to you our best wishes for your further success in your new home. Allow us, your neighbors and friends, to show by some tangible token the esteem in which we hold you by presenting you with this parlor suite.

Signed on behalf of your neighbors and friends: James Milloy, Stanley Dyer, James Brown, Geo. Overland.

February 28th, 1919.

The presentation was made by Stanley Dyer and Geo. Overland. After an appropriate reply from Mr. Nodwell on behalf of Mrs. Nodwell and himself, short addresses were given by a number of the close neighbors. The remainder of the evening was then pleasantly spent in dancing and other amusements.

SLEEPLESS NIGHTS WITH ECZEMA

Mrs. Link, 12 Walker street, Halifax, N.S., states—"After three years of miserable torture and sleepless nights with terrible eczema, and after trying over a dozen remedies without obtaining anything but temporary relief, I have been perfectly and entirely cured by using Dr. Chase's Ointment. After the third or fourth application of this grand ointment I obtained relief, and a few boxes were sufficient to make a thorough cure.

THE CHURCH'S AWAKENING

To the Editor of The Banner:

Sir,—For several weeks our papers have contained many reports from various meetings of the Synods of Churches of England and Scotland, also conferences of Methodists, Baptists, etc. From all corners the same lament, namely the lack of deep spiritual life, and the apparent need of a decided change if our soldiers are to be satisfied and to make their home in the churches.

We do not wish to dogmatize on such a deep question, but recently, while reading Captain Lobe, a book by John Law, in which he tells of army work in East London, we found the following, and feel at least it might throw a ray of light on one side of the question, not that we wish to even cast a reflection on any true follower, either in pulpit or pew.

"General Booth thinks that nothing carries so much weight as the histories of people's conversions, related by the true born-again follower of Jesus. Here we have the story of the conversion of a successful business man; 'All my life I had been regularly to church, but was not satisfied, as I saw worldliness among the members of our congregation. The clergyman spoke of doctrines, but said nothing of sacrifice. One Sunday I fell asleep in church while this clergyman was preaching. In my dream I seemed to see a luxuriously furnished room in which this clergyman was dying. His wife stood beside him, and his curate was administering the sacrament. Above his bed hovered two spirits, an angel of light and a demon of darkness. He is mine, said the demon. The Lord rebuke thee, said the other, raising his eyes from the dying man; he is a clergyman. He is a hypocrite, said the demon. His aim has been to please his congregation, and to do this he has avoided saying anything in his sermons that might jar on their feelings. His church has been crowded by ladies in satins and silks, by gentlemen wearing silk hats and diamond rings, while hungry men and women have filled the streets, and one-fifth of the population of London has died in the hospital or workhouse. He has made men and women skeptics by his want of earnestness. He is mine; he belongs to the father of hypocrites. It is too late for repentance. Repent, be quick, humble yourself, cried the angel, quick. It is written if any man love the world the love of the Father is not in him. Don't you see how you loved the world? You could not vex those rich ladies by saying that three times as many children of the working class die as of the upper classes. You could not offend those titled men by telling them that thirty-five thousand London children go to school every day without breakfast. You had the mind of the world. Repent, be quick. The dying man stretched out his hand to the curate and I heard him say, 'I do not think I was worldly. I never went to theatres and dances, only to harmless social gatherings. If I forgot the poor it was a mistake. I had collections for charities and missionaries. God will forgive me. God is" —At this point the life left his body and I saw him carried shrieking away by the evil spirit. 'What has he seen? Why is he shrieking?' I asked the Angel of Light. He has seen the souls which he sent to hell by his want of earnestness. Follow him, I cried; he is a clergyman. I have heard him talk of heaven as though he had seen it. The word hell has fallen glibly from his lips. He is our parish priest. I dare not follow, answered the angel of light. God will spew him out of his mouth. He is a hypocrite. Then I said to myself, I will search all over London until I find a place of real earnestness. What the churches need today are men, full of the Holy Ghost, and who can preach the Gospel with the signs following—St. Mark 16:17.

St. Paul says not by talk but by power this kind goeth not out but by prayer and fasting. Open our churches day and night and let the pulpit and pew pray their way back to the spirit of our Lord.

Maxwell

More miles per gallon
More miles on tires

You're getting a June Style in a March Maxwell

THE MAXWELL car of today is so vastly improved in appearance that many persons believe we have produced a new model.

That is not the case.

It is the same chassis, scarcely with a change, on which 300,000 Maxwells have been built.

But it is a better looking car. It is finer in finish; angular lines have been straightened out; fenders improved; bonnet simplified; cowl made flush with the top line of the body; seats thickened by three inches; circassian dash installed; gas tank slung in the rear, etc.

There are twenty-four things done to make it more beautiful.

We made the Maxwell simple to start with five years ago. Then we kept on making and making these cars all alike. We have now completed 300,000 of them.

There is logic in doing one thing and doing it well. We have followed that logic. And results tell today.

Maxwells have always been noted for their reliability. Now they will become noted for their beauty.

And today we are in a position to give you a June style in a **March** Maxwell, which a year ago seemed quite out of the question on account of the war.

Come and see the latest Maxwell.

ORANGEMEN HONOR RETURNED MEMBERS

The officers and members of Mono Britons L. O. L. No. 259 held a largely attended box social in their hall on Friday night. An exceedingly pleasant feature of the program was the presentation of a suitably engraved gold locket and chain apiece to Bros. Arthur Woodland and Norman Welwood, two members of the Lodge who recently arrived home after doing their "bit" overseas. The presentations were accompanied by the following address:

Orangeville, March 14, 1919

To Bro. Art Woodland and
Bro. Norman Welwood:

We, the members of Mono Britons L. O. L. No. 259, have met here tonight to welcome you back to your lodge room once more and also to spend a social evening with you before you again take up the threads of your respective civilian careers.

We are glad to be given this privilege and hope that this may prove an enjoyable evening to you. We are proud of your record and also of those other brethren (some of whom will not return) who went forth from this lodge to endure untold privations and hardships and to give their lives if need be in order to "make the world safe for democracy," and to uphold those ideals which have always been the basic foundations of the principles of the Orange Order.

We would ask you, Bro. Woodland and Bro. Welwood, each to accept these slight tokens of our appreciation, not for their intrinsic value, but rather as an expression of our feelings.

We would hope and pray that, wherever your future lots may be cast, success may crown your efforts and that the sunshine of God's richest blessings may always rest upon you and yours.

Signed on behalf of the Brethren: Chas. Crombie, Geo. Holmes, I. Hammond, Thos. Henry.

W. Bro. Chas. Crombie, the Worshipful Master, occupied the chair, Bro. Lorne White read the address and Bros. I. J. Hammond and T. J. Henry made the presentations. After brief responses from the two returned heroes, appropriate addresses were made by a number of the members. A delightful program of music, recitations, etc., was also provided.

FOR BABY'S TENDER SKIN.

A child's skin is tender as well as beautiful and eczema may be caused by chafing of clothing, the use of poor soap, exposure to cold or sudden change of temperature. Probably no treatment for eczema has ever proved so successful as Dr. Chase's Ointment. This ointment is delightfully soothing, stops the itching and consequently prevents scratching. Gradually the sores are healed up and the skin is left soft and velvety.

LETTERS HOME.

Young Canadian Bandsman Tells of His Duties in Germany; George Presley was in March from Mons to German Border.

Mr. Thos. Presley, East Broadway, has received the following overseas letters from his nephews, Will and George Presley, sons of Mr. and Mrs. James Presley, of Alton:

Bonn, Germany, Jan. 19, 1919.

Dear Aunt and Uncle,—

Just a few lines to let you know that I am still O. K. and having a good time. We have a full band again except that our bandmaster went on a two weeks' pass to England and we don't expect him back at this late stage of the war. We are sending for our old bandmaster, who came over from Canada with us, but was not able to get over to France, because he was much too stout. He weighed about 250 pounds. I hope they will let him come now that the war is practically over. We have a good time in the band, just playing for guard mount each day, then a concert for the troops once or twice a week and officers' mess once a week. We are attached to Canadian Corps Headquarters and play a mess or a dance for them once in a while. We have plenty of time to ourselves to see the sights of the towns and cities near where we are stationed. Bonn and Coln are two of the finest cities I have ever been in. The buildings are very fine, built very strong and look well. I hope all are well in Orangeville. This leaves me the same as usual. With love to all, from your loving nephew,

—WILL.

December 23, 1918.

Dear Uncle,—

I should have written sooner, but I have not been writing very much of late. I was waiting for more news, but news is hard to get as we do not get any papers except the Canadian Record, and that only gives some of the news that is cabled over from Canada. We have been at this town for over a week now and expect to stay here for a couple or three weeks longer and then go on another march. We walked from Mons nearly to the German border. It was nearly 90 kilometres or a little over 55 miles. We were five days doing the distance. The roads are very hard on the feet as they are all made of stone about half the size of the head. We each had to carry our overcoat in a roll on the top of the pack, and our blanket, gherkin and other cleaning stuff in our big pack, with the rubber sheet on the outside of the pack. We had our equipment, 55 rounds of ammunition and our gun and believe me that is quite a load to carry.

We expect to march back again in about a month and from then on we will be demobilized as they desire.

I don't know where Will is now as I have not heard from him lately. I saw him at Valenciennes when the armistice was signed. I was certainly glad to see him. He was still playing first clarinet and he can play pretty well. I was over to where he was and heard the band play. They have a very good band. I did not try to get in the band as I was brought over as an infantryman and I was going to do my share. I am just as glad I did as I have come through safely so far. The Battalion went in the line twice since I joined them. I had a letter from mother saying that Pearl Bellas was dead. It was a shock to me. Aunt Annie will feel awfully lonesome without her.

This flu is an awful disease. It is not bad here. It has been checked for a month and there are practically no cases in our battalion at the present time. I think the inoculations we got were what kept it in check. I hope you are well in Orangeville. I expect we will be home in April or May. I hope we do at any rate as I have seen enough of this part of the world. I wish you and Aunt Hannah a Happy New Year.

From your nephew,
—GEORGE.

MARSHALL–DAVIS.

On Wednesday, March 5th, the home of Mrs. Thos. Davis, "Shadyview Farm," Amaranth, was the scene of an interesting ceremony when Annie Gertrude became the bride of William Benjamin Marshall, of Melancthon. The marriage ceremony was conducted by Rev. Black, of Hornings Mills. Miss Reta McClelland played the bridal chorus, and Jean, sister of the bride, made a charming flower girl. The bride was gowned in white crepe de chine trimmed with beading and fringe and wore a bridal veil adorned with orange blossoms and carried a handsome bouquet of ivory roses and carnations. The groom's gift to the bride was a pearl necklace, to the pianist a cameo ring, and to the flower girl a signet ring. The bride's gift to the groom was a combination book case and writing desk. Mr. and Mrs. Marshall are residing on the Fourth Line, Melancthon.—Shelburne Free Press.

BILLIARD ROOMS.

Orangeville Ministerial Association Asks for Restrictions; Also for Other Reforms.

At its meeting on March 3rd the Orangeville Ministerial Association decided to petition the Ontario Legislature to so amend the Act dealing with the licensing of billiard rooms as to prohibit boys under eighteen years of age from frequenting these rooms or taking part in games. The resolution was worded as follows:

That we, the Orangeville Ministerial Association, hereby petition the Premier of Ontario and the Minister of Education to so amend the Act dealing with the licensing of billiard rooms so that persons of the age of eighteen years and under be not permitted to frequent the same either as participators in the games, or as visitors, or in any other capacity; for where such is permitted, even with the consent of parents, such action on the part of the youths of the land has been to their hurt, morally and mentally, and has been so inimical to the study life of school pupils as to make the work discouraging to school teachers, school boards and other workers for and well-wishers of our young people.

And your petitioners further request that every possible means be adopted for the suppression of unwholesome and vicious pictures at the picture shows, the sale of cigarettes and other licensed institutions which are injurious to the moral and physical life of our young people.

And be it resolved that copies of this resolution be sent to the Premier of Ontario, the Minister of Education and to our local Representative in the Legislature.

PRESENTATION IN ALTON.

On Wednesday evening, March 12, about two hundred of their friends and neighbors gathered in the Town Hall, Alton, to bid farewell to Mr. and Mrs. Geo. Boys, 5th line, west, Caledon, prior to their departure from the community. A most delightful evening was spent in dancing and after lunch had been served Mr. S. Kannawin, Reeve of Caledon, was called to the chair. After a brief and graceful address Mr. Kannawin called Mr. Geo. Duckwith forward to read the following address:

Mr. and Mrs. Geo. Boys and Family.

Dear Friends,—We, your neighbors and friends, are gathered here tonight to bid farewell to you and your family before you leave our neighborhood. We have always found in you a kind neighbor, ever willing to help in your humble way. We wish to show our appreciation of the high regard in which you are held and therefore ask you to accept these purses as a reminder of your residence among us. We hope you will find kind friends and neighbors where you are going, as our loss will be their gain. You have our best wishes for health, happiness and prosperity.

Signed on behalf of your neighbors and friends: Geo. Hannah. W. M. Houston.

Miss Alva Duckwith and Mr. John Flaherty presented Mr. and Mrs. Boys each with a well-filled purse. Mr. Boys made a suitable reply on behalf of his wife and himself, thanking his many friends and neighbors for their great kindness. The pianiste then struck the chord of "They're all Jolly Good Fellows," and everybody joined in the singing. The music was furnished by Messrs. Overland and Lundy, Mrs. Geo. Duckwith and Mrs. Wm. Dorrington acting as pianistes. The committee in charge wish to take this opportunity of thanking the many friends of the neighborhood for their assistance in making the event the success that it was.

CAVELL–SEMPLE.

A quiet wedding was solemnized at the home of Mr. and Mrs. Jno. Semple on Friday, March 7th, the Rev. H. D. McCuaig officiating, when their fourth daughter, Lillias Mackie, became the bride of William John Cavell, son of Mr. Wm. J. Cavell, of Owen Sound. The bride, who was given away by her father, was becomingly attired in a gown of taupe georgette crepe. She wore the groom's gift, a pearl necklace, and carried a beautiful bouquet of pink roses. The rooms were prettily decorated with daffodils and pussy-willows, and the wedding music was played by Miss Henrietta Pierson. After congratulations, the wedding breakfast was served. Mr. and Mrs. Cavell left on the evening train for Owen Sound, where they will reside.

DE LAVAL

"THE VILLAGE DOCTOR."

Rosemont young people will present their play, "The Village Doctor," in Relessey Orange Hall, Thursday evening, April 3, under the auspices of the Relessey Epworth League. Admission 25c and 15c.

AN $800 TEAM.

On Saturday morning Mr. Geo. Thompson, of Mono, shipped a fine span of four-year-old Clydesdale fillies to a Toronto horseman, who intends to use them for show purposes. Mr. Thompson was paid $800 for the pair, who were both sired by Kirminnoch Mac.

JOHN ARMSTRONG SPEERS.

A career full of promise was brought to an untimely close by the death at Watrous, Sask., on Monday, March 17th, of John Armstrong Speers, son of Mr. and Mrs. Thos. Speers, 1st line, east, Caledon. The young man passed away after a short illness from Spanish influenza followed by pneumonia. A chum was first taken ill with the dread disease and Speers helped to nurse him through, and while doing so contracted the malady. Deceased, who was 29 years of age, was a strong, active young man, who was rapidly making his way to the front in the West. He left Caledon eight years ago, and had been living in Watrous for the last five years, where he had a good position with the International Harvester Co. The deceased was an expert machinist and at the time of his death had charge of the International Harvester Co.'s interests in the Watrous district. The remains were brought East for burial and arrived at Caledon station on Saturday evening accompanied by his brother, Wesley Speers, of Prelate, Sask. The funeral was held from the home of his parents to the Forest Lawn cemetery on Monday afternoon, Rev. H. F. Battersby, of Caledon East, conducting services at the house and grave. The pallbearers were: Cecil and Willie Dods, Jos. Nesbitt, R. J. Speers, Elwood Sutton and Wesley Speers. The deceased is survived by his parents, three brothers and three sisters. The brothers and sisters are: Ernest and Wesley and Mrs. W. R. Garnett, of Prelate, Sask.; Frank and Misses Olive and Ruby, at home. The deceased had been visiting at his old home here the greater part of last winter and had only returned to the West a short time before his fatal illness. The sympathy of the community is extended to the bereaved family and other relatives.

MISS EVADINE M'CUTCHEON

The death of Elizabeth Evadine McCutcheon took place at the General Hospital, Medicine Hat, Alta., where she was in training, on Monday, March 10th, at the age of 32 years and 9 months. Deceased was in good health until a few days previous to her death, when she was called upon to face an attack of influenza, which speedily developed into double pneumonia and in spite of all two doctors and a special nurse could do her life, which was full of promise, came to a sudden and unexpected end. She had almost completed her course of training for her loved profession of nursing and was contemplating a visit to her parents and friends at Mono Centre in the near future. The remains were brought to the home of her parents, Mr. and Mrs. James McCutcheon, Mono Centre, arriving Friday evening, March 14th. From their place interment took place Saturday afternoon at 1.30 in Relessey cemetery. The funeral service was held in the Relessey church, conducted by Rev. G. W. Lynd, pastor of the church, and Rev. R. G. Halbert, of Huttonville, cousin of the deceased. The sermon was preached by Rev. R. G. Halbert from Psalm 40:4, "Blessed is the man that maketh the Lord his trust." The following young men served as pallbearers: Lawrence Barber, Theodore and Laurence Wilson, Lester and Ellis Stinson, and George Langtree. Many floral tributes of appreciation and esteem were laid on the grave, including a broken wheel from the family; spray, two brothers; a wreath, doctors of the Hospital, Medicine Hat; cross, the nursing staff of the Hospital; a wreath, the Directory of the Hospital; spray, Miss Clarke, nurse; spray, Mr. and Mrs. Robert Ireland, Riverview; spray, Mr. and Mrs. Joseph Dowkes, Shelburne; a spray, Mr. and Mrs. G. E. Smyth, Medicine Hat. Evadine, as she was familiarly called, leaves the first vacant chair in a family of seven, father and mother, Mr. and Mrs. Jas. McCutcheon, of Mono Centre; Ethel and Millie, Clinton and Harold, all at home. She was a live and energetic girl and will be greatly missed in her home and by a large circle of relatives and friends.

MRS. GEORGE W. RAYFIELD.

Camilla lost one of its most beloved women by the death of Mrs. George Rayfield, who passed peacefully away at her home on the Prince of Wales Road, on Friday afternoon, March 21. Mrs. Rayfield, whose maiden name was Mary Jane Joll, was born in Cornwall, England, 62 years ago. At an early age she came to Canada and lived at Bowmanville until her marriage, when she moved to Amaranth. Seventeen years ago she moved to Camilla, where she has resided since. She is survived by her husband, four sons, Charles, of Montreal; Fred, of Upper Canada College, Toronto; John, formerly of the 4th Batt., C. E. F., now of Seattle, Wash.; Norman, recently returned after three years' service overseas, and three daughters, Mrs. Wm. Brown, of Toronto; Mabel, teaching in Caledon, and Lillian, at home. George Joll and Wm. J. Joll, of Moosomin, Sask., are brothers, and Mrs. A. McAuley, Mrs. (Dr.) Culp, Toronto, and Mrs. F. Stratton, Detroit, are sisters. Deceased took a very keen and sympathetic interest in church, social, religious and patriotic affairs, being a member of St. Andrew's Presbyterian church, Camilla, of the Ladies' Aid and the Women's Institute. Although quiet and unassuming in manner, her presence was always an inspiration. She took a very keen interest in the war and was untiring in her efforts to help all soldier boys and comfort their mothers. She was a loving wife, a devoted and loyal mother, a kind and sympathetic neighbor. By her devotion to others rather than self she had won a very large circle of friends to whom the blessing that flows from a life spent in the Master's service shall ever remain. Deceased enjoyed fairly good health until quite recently, having taken an active part in the celebration of Nov. 11th and in going to Orangeville the beginning of the year to welcome home her youngest son. About three weeks ago she became seriously ill. The disease was found to be cancer of the stomach and in spite of the best care she gradually grew weaker and on Friday afternoon passed peacefully into the presence of the One whom she had loved and trusted all her life. The casket was covered with beautiful floral wreaths which paid tribute to the high esteem in which she was held by her friends. The funeral, which was largely attended, was held on Monday afternoon, March 24th, to Forest Lawn cemetery. Rev. W. M. Morris, of Orangeville, conducted the services at the house and grave. The pallbearers were her three sons, Charles, Fred and Norman, and three nephews, Alex. and George Rayfield, of Toronto, and Norman McAuley, of Orillia.

FARMER GOES MILES TO TELL OF RELIEF

Vinson Lived on Milk and Eggs for Months—Takes Tanlac and Gains 15 Pounds.

"I have come twenty-six miles to tell you what Tanlac has done for me," said Joe M. Vinson, a well-known farmer of Love, Miss., while in Memphis recently.

"Three years ago," he continued, "my stomach got all out of order, I couldn't digest a thing and for eight months I lived on buttermilk and the white of eggs. I was too nervous to sleep well, gas on my stomach made me miserable, I had spells of dizziness, would almost faint and could hardly get my breath. I had splitting headaches and was so bilious that I would often vomit.

"Since taking Tanlac my health is as good as anybody's and I feel like a new man. I eat anything I want, sleep like a rock, all the misery and swelling has gone from my stomach, I have gained fifteen pounds and can do a hard day's work. I wouldn't be in the same fix I was before taking Tanlac for my farm and stock thrown in."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

MILITARY NOTES.

Sergt. Norman Hutchinson, son of W. J. Hutchinson, of Albion, has been granted the Military Medal and the Distinguished Service Medal for his brave conduct at the battle of Passchendaele as leader of his platoon and his heroic efforts in attending to the wounded.

Among the Orangeville boys who returned from overseas recently was Signalling Instructor C. W. Connop, of the 18th Canadian Service Battalion, son of Mr. and Mrs. E. C. Connop, First Ave. Signaller Connop went overseas with the 126th Peel Battalion in August 1916. He went to France in November of the same year, serving nine months with the 18th Batt. He was wounded in July 1917, was returned to England and after convalescing returned to France for the second time in October 1918. He remained at the front until after the armistice was signed. Upon his arrival home Signaller Connop was given a rousing welcome by citizens and the band, and was conveyed to his home in an auto by Deputy-Reeve Thompson. A number of his relatives and friends tendered him a warm welcome at his home, where a bounteous supper was served. The house was prettily decorated in honor of the homecoming of the young hero. The decorations included a large bouquet of beautiful flowers from the Daughters of the Empire. An enjoyable evening was spent in music and other amusements, the gathering dispersing about midnight.

A pleasant gathering was held in Black's Corners Presbyterian church on Monday night at which Ptes. Fred Smith and William Chapman, two recently returned soldiers, were presented with an appreciative address and a safety razor apiece. Mr. Fred Hammond presided, Rev. J. A. Ross, of Waldemar, read the address and Mr. John Scott made the presentations. Short speeches were afterwards made by a number of those present. A dainty lunch was served by the ladies before the gathering dispersed.

The Man Who Outwitted GERMAN SECRET AGENTS

With the commencement of hostilities the activities of Councillor Peter Wright became a deadly menace to German interests and word went out to her secret agents that he must be done away with.

Though in hourly danger of losing his life, Councillor Peter Wright never failed in his duty; neither did the fear of death deter him in his missions. Twice his life was attempted, but on both occasions he cleverly outwitted his enemies. Today he is in Canada to tell the people of this Dominion what he saw and knows of German atrocities, Bolshevism and the work of our gallant seamen.

COUNCILLOR PETER WRIGHT

Chairman and Trustee of the Seamen's and Firemen's Union of Great Britain, is head of the bravest union in the world. He represents the seamen of the Empire and he is ready to tell the world the reasons why British seamen are determined to boycott the Germans on every sea.

HEAR HIM SPEAK IN THE

Opera House, Orangeville,

FRIDAY EV'G, APRIL 4th, '19

AT EIGHT O'CLOCK.

As a special investigator for the British Government he visited the reclaimed lands of the Western Battlefront and saw for himself the terrible deeds of German brutality; he was sent to the neutral capitals of Europe and there talked with German labor leaders who are heads of the Teutonic Republic today. He visited Russia and interviewed the leaders of the Bolsheviki Party. He knew Trotsky and Kerensky personally, and saw the chaos of the Russian Socialistic Revolution.

He will tell you about these men and their motives. Now is your chance to learn facts that have made history. Don't miss your opportunity. Hear Councillor Wright speak. His lecture is inspiring, educational and free from fiction.

The meeting will be held under the auspices of the Orangeville Branch of the Navy League. This branch has worked hard to obtain the services of Mr. Wright and consider themselves most fortunate in being able to give the Orangeville public the opportunity of hearing such an inspiring speaker, Lieut.-Col. J. A. V. Preston, of the Orangeville Branch of the Navy League, will occupy the chair. A short musical programme, featuring a song by Mr. A. M. Carthew, of Dundalk, will precede Mr. Wright's address.

BLOUNT INSTITUTE.

The Blount Branch of the Women's Institute held its monthly meeting at the home of Mrs. Geo. Crozier. The earlier part of the afternoon was pleasantly spent in knitting and discussion. Then after the serving of an excellently prepared luncheon, the ladies packed the remaining contributions of Red Cross work. Two cartons were packed, one containing thirty pairs of socks and 33 pairs of pyjamas. Since then a very appreciative letter from Red Cross headquarters, Montreal, has been received by the secretary, thanking the Institute for its assistance. The April meeting will be held at the home of Mrs. Chas. Crombie.

BAPTIST CHURCH.

This church stands for the premillenial-Coming of our Lord Jesus Christ.

Pastor Roffe, of Toronto, on Sunday evening preached to a large and appreciative audience, setting forth in a clear, definite and unmistakable manner, what the scriptures have to say regarding this all important, but much neglect and truth, as revealed to us in God's Word, Also that the signs of the times are pregnant with the fact of His soon coming indicated by the unrest everywhere in the world and the prominence into which the Jews are coming with their return to Palestine, their native land, as predicted in prophecy.

Pastor Roffe will (D. V.) preach again, morning and evening, next Lord's Day at 11 a.m. and 7 p.m.

Sunday School at 2.30; Prayer meeting, Thursday evening at 8 o'clock, at Mr. Stanley Wild's residence; women's prayer meeting Friday afternoon at 3 o'clock at the home of Mrs. Alfred Wise, 2nd Avenue. All welcome.

ORANGEVILLE BUS. COLL.

Some excellent work has been done by the Orangeville Business College during the present term. The pupils have been studying industriously and have been making excellent progress under the tuition of Miss Arekle, the principal, and he rassistant, Miss Cotton. The following have earned their awards in typewriting:

1st Award—Alice Graham, Ina McLachlan, Primrose Williams, Teresa Lang, Beatrice McLean, Nellie Nortsworthy, Berthine Bacon, Harriet Hillock, Lillian Moss, Pearl Robertson, Verna Young, Edna Fraser, Luella Gray, Florence Hunter, Lettie White, Winnie Buchanan.

2nd Award—Alice Graham, Ina McLachlan, Nellie Norsworthy, Lena Russell, Harriet Hillock.

Up to date thirty-one pupils have been successful in securing their Penmanship certificates, as follows: Emily Bennett, Mary E. Foley, Isabel McLaren, Nellie Norsworthy, Ina McLachlan, Leila Hamilton, Alice Graham, Irene Little, Lettie White, Verna Young, Luella Gray, Berthine Bacon, Wilma Sawyer, Florence Bunt, Florence Hunter, Sarah Tribble, Marion Jenkins, Marion McLennan, Velma Bradley, Edna Black, Margaret Reid, Ravena Free, Teresa Lang, Zelma Halpenny, F. E. Dixon, Gladys Varey, Alice Varey, Nora Young, Mary Brown, Kathleen Cammidge.

The following are the names of recent graduates from the College: Lillian Moss, Eita Jordan, Lettie White, Elmer Armstrong, Ina McLachlan, Alice Graham, Lena Russell, Nellie Norsworthy.

The institution has made a splendid record this year in the matter of attendance, the daily average being about ninety. Among the new students who have commenced courses recently are Samuel Irwin, Ravenna Free, Nora Young, Margaret Carlaw, Hugh Matthews, Florabella McLean, Zida McKinnon, Melville Fletcher, Albert Thompson, D. A. Cameron, Jack Aiken, Rose Wilkes and Jane Sinclair.

THIS YOUNG FARMER IS ENTHUSIASTIC

IN THE GOOD HEALTH BROUGHT BY DODD'S KIDNEY PILLS.

Frank Corrigan Suffered from Sore Back for Two Years, But One Box of Dodd's Kidney Troubles Chased Away All His Troubles.

Island Brook, Que., March 24.—(Special.)—Mr. Frank Corrigan, a well-known young farmer living near here is spreading the good news that his sore back, from which he suffered for two years, has vanished, almost miraculously, before a short treatment of Dodd's Kidney Pills.

"Yes, I am completely cured," Mr. Corrigan says with enthusiasm, "and Dodd's Kidney Pills did it."

"My troubles started from a strain and I suffered for two years. My back ached, my sleep was broken and unrefreshing, and I felt heavy and sleepy after meals. I perspired freely with the least exertion, I was depressed and low spirited, and I was troubled with pressure and sharp pain on the top of my head.

"I tried the doctor without getting lasting relief, but one box of Dodd's Kidney Pills cured me completely."

Dodd's Kidney Pills gave such prompt and sure relief because all of Mr. Corrigan's troubles came from his kidneys. They are a kidney remedy pure and simple. They have a long record of kidney cures. Ask your neighbors about Dodd's Kidney Pills.

ST. PAUL'S, MONO.

The second meeting of the St. Paul's A. Y. P. A. proved very interesting. The debaters are to be congratulated upon the manner in which they gave their arguments. The judges, Miss Rintoul, Mr. Irwin and Mr. Colwell, had some difficulty in deciding upon the winners but finally gave the decision to the affirmative. Readings were given by Rev. Mr. McCallum, and Mr. Irwin; an instrumental selection by Miss Christian and choruses by some of the young people. Those who were called upon for stump speeches generally responded quite ably, even though some of the subjects were rather broad, such as the League of Nations and the Peace Conference. The meeting was closed with the National Anthem and the Benediction.

THE METHODIST CHURCH.

The subjects for Rev. E. R. Young's sermons for next Sunday, March 30th, are: In the morning, "The Gospels according to Mark and Luke," and in the evening, "Jonah."

Mrs. Thos. Arnott, 2nd Ave., will be the hostess of the Home Circle Prayer Meeting on Tuesday, April 1st at 3 p.m.

The Epworth League last Monday night was in charge of the Citizenship Department. Mr. Will Porter was chairman. He was assisted by Miss Annie and Wilson McConnell. Excellent music was provided by Miss Rowan, Miss Kearns and Miss Ewing.

The music at both morning and evening services was excellent last Sunday. In the morning Mr. Falconer sang "Absalom," and in the evening Mr. Sloan "The Ninety and Nine." A male quartette as well as the anthem was also rendered at the evening service.

The Men's Association meets on Wednesday evening, April 2nd.

THE BETTER 'OLE

OLD BILL, BERT AND ALF, THE THREE FAMOUS CARTOON CHARACTERS OF CAPTAIN BRUCE BAIRNSFATHER, ARE FAMOUS THE WORLD OVER. IN THE BETTER 'OLE" THEY ARE BROUGHT TO LIFE IN THE MOST WONDERFUL MOTION PICTURE OF THE WAR.

THE SECRET OF THE STORY'S WONDERFUL FASCINATION IS ITS CLOSE AND TRUE ANALYSIS OF THE SPIRIT WHICH ANIMATES THE MEN IN THE TRENCHES, THAT SPIRIT WHICH KEEPS THEM CHEERFUL UNDER CONDITIONS ALMOST INDESCRIBABLE. THE ARMY IS FULL OF OLD BILLS, BERTS AND ALFS, WITH THEIR SORROWS AND PLEASURES—PLEASURES THAT MAKE THE VERY WORD SEEM A MOCKERY—BUT TRUE REFLECTIONS OF WHAT THE DAILY LIFE OF THE BOYS HAS BEEN "OVER THERE." "THE BETTER 'OLE" WILL DO MORE THAN RAISE A LAUGH, AND DIM THE EYES WITH TEARS AT THE PATHOS SO PIQUANTLY DRAWN. IT WILL MAKE THE PEOPLE AT HOME UNDERSTAND AS NEVER BEFORE WHY THE GREAT WAR WAS FOUGHT TO A BITTER FINISH, AND HOW MUCH IS DUE TO THE BERTS AND ALFS AND OLD BILLS WHO STOOD AS A LIVING WALL OF PROTECTION FOR THE PEOPLE AT HOME.

WHAT THE RETURNED MEN AT WHITBY MILITARY HOSPITAL SAY:

A SERGEANT—A darn good picture. The best I ever saw.

A CORPORAL—The most realistic version of life at the front that I have ever seen.

A GUNNER—Great! The last word in war plays, and I have seen nearly all war pictures produced.

A PRIVATE——Seen it twice; want to see it again. This is the picture for anyone that has a relative at the front.

AN OFFICER—Never thought that it was possible to reproduce on the screen as you see it at the front. "The Better 'Ole" has accomplished this.

A NURSING SISTER—Wonderful! It will give the public an inside view of the life of our wonderful men. Advise everyone to see it.

A PRIVATE—Liked it for many reasons better than any picture I have ever seen. It is not a gloom-dispenser, but a gloom-chaser. This is the real dope. No camouflage to this picture. One of the best points is that this picture is British from start to finish. Full of pep. The greatest ever.

BACK LINE, MELANCTHON.

(Intended for last week.)

On Monday of last week a very pleasant evening was spent at the residence of Mr. and Mrs. Joseph Duke, of Melancthon, when a number of their friends and neighbors gathered to spend a social evening prior to their departure for their new home in Amaranth. The evening was spent in music and dancing until just before lunch, when the gathering was called to order and Miss Lillian Elsley read the following address:

To Mr. and Mrs. Duke and Family,

We, your friends and neighbors, have gathered this evening to spend a few pleasant hours with you ere your departure from amongst us. During the many years of your residence here you have always proved true friends and neighbors and we are happy to think that we may still spend many hours together. By your kindness and hospitality you have endeared yourselves to all of us. We are reminded of a little poem which tells us:

"Give love, and love to your life will be
A strength in your utmost need;
Have faith, and a score of hearts will show
Their faith, in your work and deed.
For life is a mirror for King and slave,
'Tis just what we are, and do,
Then give to the world, the best you have,
And the best will come back to you."

We ask you, therefore, to accept this library table as a slight token of our esteem and good will towards you and all join in wishing you long years of health and prosperity in your new home.

Signed on behalf of your friends and neighbors: Cecil Henry, George Watson, Tom Watson, Cecil Scott.

Mr. Duke made a short reply in behalf of himself and family, after which dancing was continued till the wee sma' hours of the morning. Mr. Duke and family leave this week for their new home in Amaranth.

A reception was held at the home of Mr. and Mrs. T. A. Watson in honor of Mr. and Mrs. Jack Watson. About fifty were present and a most enjoyable time was spent. Many beautiful and useful presents were given the bride and groom. We wish them many years of happy wedded life. Mr. and Mrs. Watson will reside on the back line.

John Nixon has bought Dan Cunnington's farm, No. 5 sideroad, Caledon.

The death occurred recently at the home of her daughter, Mrs. Hugh Ferguson, Owen Sound street, Shelburne, of Mrs. Stephenson, widow of the late R. T. Stephenson, of Arthur.

We Are As Full of Deadly Poisons As A Germ Laboratory.

AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that *Auto-intoxication*, due to non-action of the bowels, is *directly responsible* for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rashes, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"*Fruit-a-tives*" *will protect you* against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs.

MELVILLE CROSS.

Just a few items from our little burg this morning.

The flu has flown away and everybody appears happy and bright.

The ladies all along the first line are delighted to see the smiling face of Mr. John Johnston, who is on his annual trip with the Buzz Saw. They know it will mean a nice pile of wood manufactured in the back yard with despatch. The fellows don't get much time to hang about the kitchen when Mr. J. is around.

Sawing wood and preparations for making maple syrup are the order of the day. Mr. R. A. Stubbs is making preparations to manufacture the sweet treacle. Those desiring this rare delicacy will find it to their interest to place orders early with Mr. Stubbs.

Mrs. W. J. Limebeer is on an extended visit with friends in Toronto and will probably visit her sister, Mrs. Wm. Tansley, St. John, N. B., before she returns home.

Mr. Graham Pattullo is busily engaged drawing gravel from Mr. Dawson's gravel pit for the erection of a new silo next summer.

The boys along the line are rushing logs to Mr. Gilpin's mill yard. We hope Allie Maxwell will not detain Mr. Gilpin very long as some of the fellows are very anxious to get the bright lumber on the ground to make cages as the canaries are already beginning to sing. Mr. Gilpin is a very useful man in the community. He can build either a house or barn from the raw material and has a full equipment for manufacturing timber, lumber, lath and shingles. Mr. L. H. Lemon can supply as good a sticking plaster as any man in the country. Now, boys, what more do you want?

Miss Margaret Hillock, First line, east, has been visiting her friend, Miss Queenie Pattullo.

Mrs. Emerson Limebeer, of Erin, is coming to spend the summer with her brother, Mr. Geo. Fines.

Mr. Clinton Thompson will make the wedding bells ring at the Centre Road corner at an early date.

Mr. Wm. Stubbs is completing his summer cottage and we are pleased to know that he is going to remain in Melville for some time yet.

Mr. E. H. Delaney has about completed his duties as assessor. Everybody seems well satisfied with the result of his work.

Mr. Andrew Adams has completed a new office for Dr. Thomas, Caledon. The workmanship and finish reflect much credit on Mr. Adams.

Overland

"Well Built"

The admiration for the Overland is due not only to its sturdy and graceful appearance but to its utility as well. Overland success is largely due to the fact that Overland owners have not only bought Overlands themselves but have enthusiastically recommended them to their friends.

A BIRTHDAY GATHERING.

A pleasant gathering was held at the home of Mrs. D. Baker, Margaret street, on Wednesday, March 5th, to commemorate the 76th birthday of her mother, Mrs. Henry Leader, and to wish her many happy returns of the day. Mrs. Leader, whose maiden name was Rebecca Freeman, was married to her husband, the late Henry Leader, in Orangeville, on January 25th, 1861, the Rev. Jas. Broley performing the ceremony. The union was blessed with thirteen children, eight daughters and five sons, all of whom are still living and all married. For many years Mr. and Mrs. Leader lived on their farm near The Maples, where their son, Freeman, still resides. Only those who lived near them at that time can tell of their many acts of kindness to neighbors in their time of trial. Their hospitable home was always open to anyone in time of distress. Now in her declining years Mrs. Leader's children vie with one another in helping to soothe the pathway of life for their beloved parent, showing by these and other love tokens how greatly they appreciate her many years of toil for them. After the death of her husband on Feb. 22nd, 1896, Mrs. Leader came to town to live. Although not enjoying robust health she is very bright and cheerful, her principal pastime now being reading, that one pleasure that seldom grows less with advancing years. Her sight is almost unimpaired and her memory is wonderful. One of the pleasures of Wednesday afternoon was her recital of an interesting story she had recently read. Nor were subjects of conversation wanting, for many were the times and scenes talked over by Mrs. Leader and her old friends, Mrs. Neil, Mrs. Hamilton and Mrs. McKenny. Afterwards all were summoned to partake of a delicious tea and then the gathering dispersed, all present uniting in the hope that it would only be the forerunner of many similarly happy occasions. If their wishes are realized she will live to enjoy many more happy days ere her busy and useful life is brought to its close and she at last passes to that larger, fuller life which awaits all those who have their faith fixed in Christ. The names of her family are: Mr. George Leader, Mrs. A. Filby, Mrs. A. Simpson, Mrs. E. C. Connop, Mrs. T. Wells and Mrs. D. Baker, Orangeville; Mrs. G. Carson, Mr. John Leader and Mr. Wm. Leader, of Orton; Mrs. W. Campbell, Aylesbury; Mrs. G. Hall, Alton; Mr. Freeman Leader, The Maples, and Mr. Wesley Leader, Erin. She also has 29 grandchildren and 6 great-grandchildren.—Com.

The first churning was done in the Alliston creamery last week.

J. B. Hughes and wife, of Galt, celebrated their diamond wedding.

AS AGE CREEPS ON

As age creeps on, vital force gradually decreases, until, when a man or woman is around 50, the kidneys and bladder need assistance to keep them in perfect working order.

Rheumatism, neuralgia and backache are common complaints of those getting on in years. It seems to be the custom to expect these afflictions—conclude they are simply the inevitable results of old age, and that there is no remedy for them.

There is a remedy—Gin Pills—and there are hundreds of people who can prove that the remedy is good.

Mr. Frank Lalonde, a well-known farmer of St. Raphael, Ont., was enabled to return to work at the age of 61 by the help of Gin Pills. Mr. Lalonde writes that he had suffered for years with pains in his back and sides, until finally he was forced to quit work. Gin Pills relieved him to such an extent that he now states he feels as strong at 61 as he did at 30 years.

Mrs. Hugh McLeod, of Lewis Cove Road, had a similar experience with Gin Pills. In her letter to us she says:

"I am 51 years and the mother of 8 children. Five years ago I was troubled with backache and dull pains across the abdomen. I used a box of Gin Pills, and feel so much better that I will continue to use Gin Pills."

Testimonials such as these cannot be disregarded, for the aged speak the truth.

It is foolish to suffer when you don't have to. Use Gin Pills and enjoy your latter years. 50c a box. Sold by all dealers. Sample free upon request to The National Drug & Chemical Co. of Canada, Limited, Toronto, Ontario. U. S. residents should address Na-Dru-Co., Inc., 202 Main St., Buffalo, N.Y. 22

This Drawing is from a Photograph

— That's why it means so much

It is from an actual photograph of Anna Case of the Metropolitan Opera singing in direct comparison with her own voice on the New Edison.

"But what's remarkable about this?" you ask. The amazing fact is that no human ear can distinguish the artist from the instrument; so perfect is the Re-Creation. This is what we call the "tone test". And it proves the truth of the Edison Company's claims about

The NEW EDISON

"The Phonograph with a Soul"

It proves that the instrument does *re-create*, not merely *imitate*. Hundreds of these tone tests have been conducted. More than 2,000,000 people have attended them. And not one could say when it was the artist he heard and when the instrument. With the lights lowered to hide the singer's lips the audience was completely baffled.

Visit our store for a demonstration of the marvelous New Edison or have one sent to your home. No obligation, of course. 22

Fagged Out Women Vinol is What You Need

If all the tired, overworked, run-down women in this community could realize how our delicious Vinol, which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates supplies the vital elements necessary to enrich the blood and create working strength, we wouldn't be able to supply the demand.

Dukedom, Tenn.

"I live on a farm and keep house for six in my family. I got into a nervous, run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger in every way."—Mrs. H. H. Goodwin.

Burdett, N. Y.

"I keep house for my family of three, and raise chickens. I had a nervous breakdown, so I was unable to work. The doctor did not seem to help me, and a cousin asked me to try Vinol. It built me up—I now have a good appetite and am well and strong."—Mrs. Loyal Palmer.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

All woollens are safe with Lux

If you have always dreaded to wash the children's sweaters and woollens for fear they'd shrink and thicken—you'll be delighted to know about Lux.

You can wash them as often as necessary—just dip them up and down in the thick, creamy, cleansing Lux lather—no rubbing or twisting—no shrinking or matting of the wool fibers

They'll always come out of the Lux wash as soft, fleecy and brightly colored as when new.

All silks and dainty fabrics can be easily washed with the pure Lux flakes—they harm nothing that pure water itself may touch.

MADE A LIFE MEMBER.

On the eve of the removal of Miss H. Gordon from Brussels to Orangeville, where she purposes making her home, the members of the W. M. S. of the Methodist church, Brussels, waited upon her at "Victoria Cottage," on Wednesday evening of last week, and presented her with an appreciative address, accompanied by an emblematic gold star pin. The address was read by Mrs. L. Skelton, and was as follows:

To Miss H. Gordon, Brussels.

Dear Miss Gordon—We have learned with much regret of your intended removal from our community and are sorry circumstances have arisen necessitating it. As a co-worker in the Master's service, we have learned to love and respect you. Especially have we valued your services in the Brussels Branch of the Women's Missionary Society where you have faithfully filled the office of President for the past six years. Much is due to your fidelity and efforts for our success in this department of our Lord's work. It is a pleasure to us to make you a Life Member of the W. M. S. and we ask you to accept this pin as a small token of our esteem and as a constant remembrance of the cause for which you worked and the friends you have in the Brussels Branch of the W. M. S. We pray that wherever you may in the future make your home you will continue your labors in God's cause as zealously as you have in the past. May the Lord be near and dear to you all through the journey of life and at last may you hear Him say: "Well done, good and faithful servant, enter thou into the joy of the Lord."

Signed in behalf of the members of the Brussels W. M. S.: Lavinia Skelton, Sec.; Clara Jackson, Cor.-Sec.; Angeline Pipe, Treas.

The presentation was made by Mrs. H. L. Jackson. Miss Gordon made a brief but most fitting reply to the surprise and reciprocated the good wishes. She would always remember Brussels and the fourteen years she spent so pleasantly here and the second Thursday of each month would always carry her thoughts back to the W. M. S. meetings and the fine Christian people she had the pleasure of being associated with so long. The gold pin and certificate would be valued very highly, representative of the great world work of the Society. She wished Brussels W. M. S. the highest success and thanked all the members for their kindness and loyal support. After confectionery was served and a social time enjoyed the party separated. A more public presentation was figured on but owing to so much sickness the plan outlined was followed.

Miss Gordon left for Orangeville on Monday, followed by the good wishes of a wide circle of friends. She not only took a deep interest in the W. M. S. as referred to, but in many an unostentatious way lent a helping hand to the Red Cross Circle, Willing Workers and other labors of love and goodwill. The late Mrs. (Rev.) Paul was a sister of Miss Gordon.—Brussels Post.

Miss Gordon is a sister of Mr. W. J. Gordon, Margaret St., and Mrs. M. Varcoe, West Broadway.

Had Piles For Ten Years

And Tried Nearly Everything Except a Surgical Operation Without Obtaining Relief — Tells How Complete Cure Was Effected.

There are reported here three cures of chronic cases of piles. In all three cases many treatments were tried before it was discovered that Dr. Chase's Ointment is about the only real cure for this distressing ailment.

Mrs. A. Oates, 22 Gilkinson street, Brantford, Ont., writes: "I have used Dr. Chase's Ointment as a household remedy for ever so long, and am particularly indebted to it for a cure from Piles. I had suffered from this annoying trouble for ten years, and tried nearly everything I heard of. After using Dr. Chase's Ointment a short while I was completely cured."

Mrs. Wm. Shantz, 165 Albert street, Kitchener, Ont., writes: "For several years I was troubled with bleeding piles. I tried different remedies for relief without success. I read in Dr. Chase's Almanac of the benefits other people were receiving from Dr. Chase's Ointment, so I sent to your office for a sample box. I found it gave me such relief that I went to a drug store and purchased a full-sized box. I have used several boxes since, and have derived more benefit from its use than any remedy I have ever used."

Mrs. F. Cussons, Victoria street, Ingersoll, Ont., writes: "About two years and a half ago I was suffering from Piles. I had tried many different remedies for this distressing trouble, but nothing helped me. Finally I got a box of Dr. Chase's Ointment, and after using it found that I was completely cured and have not been bothered in this way since. I can cheerfully recommend Dr. Chase's Ointment to anyone suffering as I did."

Dr. Chase's Ointment, 60 cents a box, at all dealers or Edmanson, Bates & Co., Limited, Toronto. There are no rivals to Dr. Chase's Ointment as a treatment for Piles.

REPUTATION COUNTS

with a remedy, as with everything. Zam-Buk enjoys an enviable reputation amongst remedies. Why? Because it justifies the claims made for it. Not only does Zam-Buk cure skin troubles and injuries quickly and permanently, but the quickness with which it ends pain and irritation makes it the most popular remedy wherever it is used.

Then, too, Zam-Buk is the best preservative of blood-poisoning. Applied to an injury as soon as sustained, it destroys all germs and prevents festering. Zam-Buk is best for eczema, piles, rashes, boils, pimples, ulcers, burns, cuts and scalds. All dealers, 50c. box.

We couldn't make the Maxwell any better; so we made it better looking

AN artist never frames his masterpiece until he finishes it.

So the new Maxwell, a completed work, is now robed in new garments.

They do not make it run any better. They make it look better.

Mr. Whistler, the famous artist, were he here today and saw a new Maxwell pass on the street, would probably himself give it a second look.

A little touch here, the straightening of a line there, the bringing of a fender a little closer to the wheel, a circassian walnut dash before you as you sit at the wheel, the strength lent by putting the gas tank in the rear, the multiplication of bonnet vents, the adding of three more painting coats, the increased thickness of the seat cushions—these, though but a few of the many changes made,—show the tendency of the new beauty.

It is in the sum of many little things that the full story is told.

The car was first checked off in squares, as a doctor sometimes marks off a man's chest and back to test every square inch of the lungs.

And there was an improvement made in nearly every square.

When the task was done it looked like a different Maxwell.

But it wasn't.

It was the same, sound, go-get-there chassis built to stand the gaff of rough and ready driving, built to endure, to "stay put," to stand all the erratic moods of the careless driver.

It was a five year drive to reach this present peak of Maxwell efficiency. But the engineers, and the manufacturing men knew that building a chassis without fundamental change in design year after year would ultimately tell in results. For every one knows that doing one thing results in doing it well.

So in five years 300,000 Maxwells have come forth, all built on the original chassis plan—each new one better than the last.

There is no self-starting automobile in the world that has such a manufacturing record.

Think what it means to a man who owns one:

He has not paid for a false overhead.

He has not paid for manufacturing mistakes.

He has not paid for experimental work.

He has not paid for the changes of mind of another man.

Today you get a *better* Maxwell than any of the 300,000, and a *better looking* Maxwell. It is a finished work, a completed task, a thing well done.

You run no risk—and when you cast your eyes on it you are tempted to feel that the price might easily be $200 more.

Don't Let Your Brown Sugar Crock Get Empty

IN addition to your Lantic "fine" granulated sugar you should always keep on hand a supply of

Lantic
Old Fashioned Brown Sugar

It saves money and adds variety and zest to your cooking. The natural delicious molasses taste of *Lantic Old-fashioned Brown Sugar* is a decided improvement to many sweets. It blends deliciously with the flavors of all dried fruits. Nearly all dishes containing raisins, dates, figs or currants are better when made with brown sugar.

Spices and brown sugar are on the friendliest terms. Spiced cookies and cup cakes and all sweet pickles or spiced fruits are better when made with brown sugar than with white.
For fear these old-fashioned recipes might be forgotten, we have *reprinted* a number of the *best* of them in a booklet called *"Grandmother's Recipes."* We will send it to you upon receipt of a 2c. stamp. Your grocer knows this sugar by the name of *Lantic Brilliant Yellow*, and will sell you any quantity.

MRS. I. J. FINLAY.

Mrs. I. J. Finlay, a lady who was known to some of our readers, died at her home near Rapid City, Man., on Monday, March 17th. Before her marriage Mrs Finlay, then Miss Minnie Willson, taught in Orangeville Public school. Mrs. D. Macpherson of this town is a sister.

GEORGE M'PHERSON.

George McPherson, a former Caledon boy, died at Regina from influenza, after a few days illness. The late Mr. McPherson was the second son of Mr. Angus McPherson, and was born and brought up in Caledon. In the early days he went West and settled near Wadena, Sask., where he and his brothers, John and William, purchased a large tract of land. Mr. McPherson was interested in all good works in the neighborhood and took an active part in municipal and educational affairs, he and his brothers being instrumental in establishing the first school in the district, which they named the Caledon School. The deceased was a nephew of Mr. D. McPherson, of this town, and married Miss Jean Speers, daughter of A. M. Speers of Caledon.

FUNERAL OF MRS. RONEY.

The funeral of the late Mrs. Samuel Roney, of Glencross, whose death was recorded in last week's Banner, was held from her late residence to St. John's church cemetery on Wednesday afternoon, March 19th, and was quite largely attended by the neighbors of the family. Rev. F. C. Howard, rector of Mono West, conducted an impressive service at the house and Rev. A. C. McCollum, rector of Mono East parish, officiated at the grave. The pallbearers were Messrs. Isaac Woolner, of Collingwood; Geo. Woolner, of Caledon; James Roney, of Georgetown, and I. J. Murphy, Eben Woolner and William Cockerill. Among the friends present from a distance were Messrs. Isaac and Abram Woolner, of Collingwood, and Jas. Roney, of Georgetown, a brother-in-law.

ROWAN-IRWIN.

The marriage of Miss Hughina Irwin, youngest daughter of Mrs. Wm. Irwin, Second Line, west, Mono, and Mr. Wilmer Rowan, of Delisle, Sask., son of the late John M. and Mrs. Rowan, of Orangeville, was quietly solemnized by Rev. John Maxwell at the parsonage, 311 Atlantic Ave., Winnipeg, on Wednesday evening, March 12th, in the presence of a small party of the immediate friends of the young couple. The bride wore a pretty navy blue suit of tricotine cloth, the coat opening over a peach colored georgette waist. Her hat was a straw of the fashionable taupe shade and was trimmed with French flowers. Mr. and Mrs. Rowan will make their home at Delisle, Sask. The Banner joins their numerous Orangeville friends in extending heartiest congratulations.

THE SPRING TONIC FOR PALE, THIN PEOPLE

If You Want to Gain in Weight and Recover Your Appetite, Energy and Ambition Try This Well-known Remedy.

With the passing of winter many people feel weak, depressed and easily tired. The body lacks that vital force and energy which pure blood alone can give. In a word, while not exactly sick, the indoor life of winter has left its mark upon them, and a blood-building, nerve-restoring tonic is needed to give renewed health and energy. Dr. Williams' Pink Pills are an all-year-round blood builder and nerve tonic, but they are especially useful in the spring. Every dose helps to make new, rich, red blood, and with this new blood returning strength, cheerfulness and good health quickly follows.

If you are pale and sallow, easily tired, or breathless at the least exer-

MRS. WILLIAM M'CABE.

The subject of this sketch passed to the larger, fuller life which awaits all Christians, on Sunday, March 16th, after an illness of only two days. Mrs. McCabe's maiden name was Maria Hamilton and she was the eldest daughter of the late Archibald Hamilton, of Laurel. She was born in Sherbrooke, Que., in the year 1834 and came to Amaranth with her people when a young child. Fifty-eight years ago she and her husband, the late William McCabe were married at Laurel. The union, which proved a singularly happy one, was blessed by nine children, of whom one died young. The remaining eight survive to mourn the loss of a kind and devoted mother. They are: John McCabe and Mrs. A. Hamilton, of Miami, Man.; Arch. McCabe, of Laurel; Geo. McCabe, 2nd line, Amaranth; Wm. McCabe, on the homestead; Mrs. Wm. McBride, of Whittington; Mrs. Bert Jackson, Mono and Amaranth townline, and Miss Mary at home. For some years after their marriage Mr. and Mrs. McCabe lived near Farmington. They afterwards moved to the McCabe homestead, lot 24, Con. 3, Amaranth, where Mrs. McCabe resided continuously for forty-seven years up to the time of her death. The late Mrs. McCabe was of a kindly, retiring disposition. Her many noble qualities revealed themselves to those who knew and loved her best. Her world centred around her children and their interests. For them she worked long years and endured all the privations of a pioneer's life without a murmur, happy so long as her loved ones did not suffer. There could not live a better neighbor. Her guiding principle in life was to keep a loving heart and reach a helping hand to anyone in less favorable circumstances than herself. None, night or day, ever appealed to her in vain for aid, and she died as she had lived, quietly and at peace with God and man. Though of late years the infirmities of old age made themselves felt, yet for a woman of her years she was wonderfully active and her memory was very retentive. The Rev. Mr. Thornley, of Shelburne, conducted the services at the house and grave, basing his discourse principally on the 90th Psalm. Her remains were borne to their last resting place in Shelburne cemetery by her five grandsons, Leonard and Lloyd McCabe, Russell McCabe, Wilfrid and Victor McBride, and her neighbor, Mr. John Branden. There are twenty grandchildren and four great grandchildren, who will long remember the warm welcome that always awaited their coming at their grandparent's home. Of her own family three sisters survive. These are Mrs. Elizabeth Hamilton, of Toronto; Mrs. William Lamb, of Orangeville, and Mrs. William Sickling, of Laurel. To these and to the other relatives and friends we offer our sincere sympathy and remind them that though their loved one cannot return they can go to her.

"Sleep, mother, sleep, thy trials are o'er,
Sweet be thy rest, as oft needed before;
We loved thee well, but God loved thee more,
He has called thee away to the Beautiful Shore."

ST. PAUL'S, MONO.

St. Paul's A. Y. P. A. will meet Friday evening, March 28th, in the parish hall. Rev. Fred Eley, of St. Mark's, Orangeville, will give an illustrated address "Three Years among the Ojibway Indians." Mr. Eley in telling of his experiences among these Indians of the North presents the subject in the very interesting form of a lantern address. Don't miss something really worth while. A cordial invitation is extended to all.

—Caledon Methodist church will hold a box social in Caledon Town Hall on Friday evening, March 14th. A good program will be provided.

HUMOR AND PATHOS IN "THE BETTER 'OLE"

Bill, Bert and Alf Typify Spirit of the True British Soldier.

"The Three Musketeers"—otherwise Bert, Alf and Old Bill, are reincarnated in a film version of "The Better 'Ole," which will be the big picture in many opera houses for months to come. And if the cinema lacks, as always, the dialogue that the stage can give us, there is ample compensation in the setting, for we have veritable war episodes, including the passing of the new army through London streets glowing from the rain, a glimpse of English fields and homes of France. But for the Old Bill and his kind, what devastation might have happened over here, is the message of the story.

That Capt. Bairnsfather's play, so successfully produced in London and New York, offered really magnificent opportunities to the film producer had long been obvious, for there are many incidents which though they cannot appear on the stage, yet come within the scope of the film, and fill up the interstices of the story to the greater satisfaction of the onlooker. From the very start when a picture of the Three Musketeers of the olden time, in the picturesque panoply of their period, dissolved into the three soldiers of today—"Old Bill," "Bert" and "Alf" in the trenches, the missing details of the play are filled in with a constructive skill which adds enormously to the true understanding of the story. The introduction of the "poet soldier" as a sort of explanatory "chorus" is one of th chappiest touches and few could not feel their heart strings drawn tighter at the section of the film which showed how "the whisper of war" descended upon all British homes, from the lowliest to the highest in the land. The familiar incidents of the play appear amplified and emphasized. "The Better 'Ole" will be shown at the Opera House, Orangeville, under the auspices of the Citizens' Band, matinee and night only on Thursday, April 3rd. The reserved seat plan will open at The Banner book store on Friday, March 28th at ten o'clock. Prices to suit everybody (with war tax.) 2

DEATH OF JOHN KEARNS.

The death took place shortly after midnight last night of Mr. John Kearns, of this city, at his late residence, 106 Woolwich street, following an illness extending over a period of about nine months. Deceased, who was 82 years of age, was born at Caledon, but when 18 years of age went to Palmerston, where he resided until about five years ago, when he came to Guelph. He was a highly respected gentleman who made many friends and his death will be deplored by many. He leaves to mourn his loss four daughters, Mrs. Leapard, of Minneapolis, who is in Guelph at present; Mrs. (Dr.) Fawcett, of Saskatoon; Mrs. Field, of Hamilton, and Miss Rose at home; and two sons, W. F. Kearns, Palmerston, and Chas. L. Kearns, of this city. Deceased took an active part in the municipal affairs at Palmerston, and served as a member of the council for 20 years, 10 of which he was reeve. He was also a county commissioner for a number of years. He was a Methodist and a member of Blair Lodge, A. F. & A. M., of Palmerston. The latter will take charge of the funeral on the arrival of the remains in Palmerston on Saturday. There will be a private service at the house here at 8 o'clock on Friday evening.—Guelph Herald.

There were 225 guests at the first winter gathering of the Dufferin County Old Boys' Association of Manitoba. This took the form of a banquet in the Royal Alexandra Hotel, Winnipeg, on the night of March 17th. The committee in making arrangements for the banquet developed a little rivalry to get as large representations as possible from the various townships and from Orangeville and Shelburne. When the roll was called Mulmur Township was in the lead.

In the absence of J. J. Rooney, president of the Association, Prof. Geo. A. Sproule acted as toast master.

The toast to Dufferin County was responded to by Rev. Hugh Crozier, while Major Geo. Clingan, M.L.A. for Virden, did justice to the toast to the Defenders of the Empire.

Other toasts were responded to as follows: Orangeville, by Capt. D. A. McCarten; Shelburne, by R. M. Neely; Grand Valley and East Luther, by Thomas Bruce; East Garafraxa, by Dr. Lewis Hamilton; Mono, by S. T. Newton, Wm. Greer and J. C. McNab; Amaranth, by Prof. Durkin and Rev. W. E. Hall; Melancthon, by H. W. Watson; Mulmur, by Henry Graham and J. A. Hand.

The evening's program was also enlivened by a piano duet by Mrs. Elma B. White and Mrs. Mason Hargreaves; solos by Mrs. J. S. Dowler, Miss Vera Graham, Miss Lorna Gilbert and Mr. C. McClellan; readings by Miss M. Cathro and Mrs. J. T. Fisher; guitar solo by Dawson Noble; the Highland Fling by Miss Kathleen Acheson, and a duet by Mrs. Gilbert and Miss Hicks.

There were several grandfathers and grandmothers in the gathering and one great grandmother, Mrs. McKnight. Henry Graham and wife, of Cuross, Man., and the Webster family from Sperling made a special trip to Winnipeg for the banquet. Messages of regret were received from R. J. Avison of Gilbert Plains, E. A. August of Carman, Edgar Marshall of Portage la Prairie, and the President, Mr. J. J. Rooney, who was obliged to be out of the city on business. Details of the banquet were looked after by J. J. Rooney, S. T. Newton, J. C. Cumberland, Mrs. J. T. Fisher, Mrs. J. C. McNab, Mrs. J. J. Rooney and Mrs. Miller. On motion of J. E. Lennox and G. L. Dods the committee was tendered a hearty vote of thanks with the suggestion that this should be made an annual affair. The gathering dispersed following a toast to the Press of Dufferin, which was responded to heartily by all.

MELANCTHON STATION.

Since our last items from this burg many changes and movements have taken place in our village and vicinity. Deputy-Reeve Jos. Duke having sold his fine 100 acre farm on the Back Line to Mr. Fraser, of Ventry, has purchased the 200 acre farm on the 4th line of Amaranth, formerly owned by the late W. H. Sproule, and has moved thither.

Mr. R. H. Halbert has sold his farm just east of the village and moved to Uxbridge.

Mr. Wm. Oliver has sold his 100 acre farm on the Gravel Road and has bought the Gallaugher homestead on the 5th line from Mr. Jos. Gallaugher.

Mr. Lewis Hammond has rented a farm near Shelburne, but will remain on the Wm. Mills farm in the suburbs of our village until early summer, and put in the crop for Mr. Claud Carson, who has the Mills farm leased for this year. Mr. Carson, who has been in Toronto during the past winter, has decided to stay in the city for at least a couple of months yet. Claud has a lucrative situation with the Canadian Express Co.

Mrs. Geo. J. Bates and Mrs. H. Stearns, of Lorraine, Ohio, are visiting Mr. and Mrs. Benj. Wallace on the Back Line.

Mr. Gordon Sanderson visited friends at Caledon East.

At present writing we regret to report that Mr. Joshua Thomas is seriously ill with rheumatism.

Mr. John Waters gave a party to a number of his friends one night last week.

Quite a number of the farmers in this vicinity who raised large crops of potatoes last year still have a large supply on hand, but the markets are so uncertain that they scarcely know whether to dispose of them just yet or not.

Mr. John Hogg made a business trip to Orangeville last week.

We are pleased to see Mr. and Mrs. Wm. Mills back in this vicinity once more, they having moved to Shelburne from Cookstown, where they have been living for the past year.

Mr. Arthur Prior, west of here, is having an extensive auction sale of farm stock and implements on Friday of this week.

At the last meeting of Melancthon Township Council a By-law was introduced for the purpose of opening up new roads in the northern part of the township under the "Colonization Road Act," the said roads being: 1st, on the 6th Con., N. E. T. & S. R. from 250 to 260 Sideroad, one mile long; 2nd, 250 Sideroad, extended from the 6th Con. 1 1-2 miles, to the 8th Con.; 3rd, 270 Sideroad through 1st and 2nd Ranges, S. W. T. & S. R.; 4th, 300 Sideroad through 1st and 2nd Ranges, S. W. T. & S. R.; 5th, 280 Sideroad (just north of the village of Melancthon), extended westward through 1st, 2nd 3rd and 4th Cons., S. W. T. & S. R. This is a good idea on the part of our township fathers, and it should have been done long ago.

MONO COLLEGE.

The regular monthly meeting of the Mono College Women's Institute was held at the home of Mrs. J. H. Anderson on the afternoon of March 6th, a large number being present, including a number of visitors. After the usual opening exercises and transaction of business the meeting was addressed by Rev. P. C. Howard, of Cardwell, Mr. Howard taking as his subject "Woman in the Home." Mr. Howard pictured the high ideals, the lofty ambitions and the great influence for good, which could be realised by the average woman in the home. The address was well received and listened to with the closest attention by those fortunate enought to be present to hear it. The address was followed by the reading of eight letters received from the boys overseas acknowledging their Christmas parcels sent by the institute, after which the president, Mrs. A. E. Porterfield, gave a most interesting and well prepared report of the annual convention recently held in Toronto. Two well rendered solos by Mrs. R. E. Jackson and Mrs. (Rev.) P. C. Howard and instrumental music by Miss Myrtle Marshall and Miss Edith Anderson concluded a very enjoyable program, after which the meeting was closed in the usual way and a social hour enjoyed by all.

The next meeting will be held at the home of Mrs. J. H. Sloan, Prince of Wales Road, on the afternoon of Thursday, April 3rd, at 2.30 p.m.

PETTIT-YOUNGE.

At five o'clock on Wednesday afternoon, March 19th, a very pretty wedding took place at the home of Mr. and Mrs. Richard Younge, Athlone, Ont., when their third daughter, Alma Gertrude Elva, was united in marriage to Mr. Oliver William Pettit, of Palgrave, Ont. The ceremony was performed by Rev. Alfred Laycock, of Mono Mills. The bride entered the drawing room leaning on the arm of her father and took her place under an arch of evergreens, beautifully decorated with red, white and blue and wedding bells. The wedding march was played by Mrs. (Rev.) Laycock. The bride looked charming in a gown of ivory satin and silk crepe de chene, trimmed with fringe and seed pearls, and wore a bridal veil caught with orange blossoms. Her only ornament was the groom's gift, a pearl and diamond sunburst, and she carried a bouquet of white carnations. She was attended by her little niece, Emba Pettit, as flower girl, carrying a bouquet of pink carnations, and little Hilda Pettit as ring bearer, both daintily dressed in pink crepe de chene with velvet bodice and wearing the groom's gifts, gold lockets. After the marriage ceremony the happy couple led the way to the dining room, which was tastefully decorated with bunting and wedding bells. Here a sumptuous wedding repast was served. Later in the evening the young couple motored to the groom's farm, taking their departure for their home amidst showers of confetti and the hearty congratulations of the assembled friends. The bride travelled in a becoming dress of champagne satin, with plush coat and hat to match. The gifts to the bride were numerous and beautiful, among them being a cheque for $100 from the family. The groom's gift to the pianiste was a hand-painted cream pitcher and sugar bowl. The hearty congratulations and good wishes of their numerous friends are extended to Mr. and Mrs. Pettit as they start out on their journey through life.

ROWAN–IRWIN.

The marriage of Miss Hughine Irwin, youngest daughter of Mrs. Wm. Irwin, Second Line, west, Mono, and Mr. Wilmer Rowan, of Delisle, Sask., son of the late John M. and Mrs. Rowan, of Orangeville, was quietly solemnised by Rev. John Maxwell at the parsonage, 311 Atlantic Ave., Winnipeg, on Wednesday evening, March 12th, in the presence of a small party of the immediate friends of the young couple. The bride wore a pretty navy blue suit of tricotine cloth, the coat opening over a peach colored georgette waist. Her hat was a straw of the fashionable taupe shade and was trimmed with French flowers. Mr. and Mrs. Rowan will make their home at Delisle, Sask. The Banner joins their numerous Orangeville friends in extending heartiest congratulations.

KILLED BY COLT.

Erin Township Farmer Kicked in Abdomen, Died from Effects of His Injuries.

Victim of the Accident was a Son-in-Law of Mr. and Mrs. Chas. Storey, Caledon.

Most sad and unexpected was the death of George Thornton Ostrander. The regrettable event occurred at his home, 7th line, Erin, about 6.30 o'clock on Thursday evening, March 13th. On Wednesday, March 12th, Mr. Ostrander had been to Georgetown with a load of grain and had returned home about 5.30 p.m. He ate his supper and went out to do the evening chores and was watering the horses. As he was following a colt into the stable it made to kick at another horse in play and struck Mr. Ostrander in the abdomen with its hoof. Mr. Ostrander was able to walk into the house. Medical aid was called in and when the doctor left at midnight the patient was resting as well as could be expected. Next morning he took a turn for the worse and when the doctor came he advised an operation. A specialist and trained nurse from Guelph were sent for and also another doctor from Erin and they arrived in the late afternoon. While the doctors recognized that Mr. Ostrander's condition was very serious, they were preparing for an operation, but the patient gradually sank and passed away before the operation was begun. Mr. Ostrander, who was only 29 years and 8 months of age, was a strong and healthy man, full of life and vitality and was highly esteemed by those who had the pleasure of his acquaintaneeship during his comparatively short residence in Erin township where he had moved just a year ago this spring from Huttonville. Mr. Ostrander's sudden taking off caused gloom and a feeling approaching consternation and has created a widespread sympathy for the grief-stricken young wife and children. Mr. Ostrander was happily married nearly six years ago to Edith L. Storey, of Orangeville. He also leaves to mourn his loss two small children, Velma, aged 5 years, and Gordon, aged 2 years. Mr. Ostrander was the eldest son of Mr. and Mrs. Wm. J. Ostrander, of Toronto, formerly of Brampton. He also leaves two sisters, Mrs. Wm. Dobbie and Mrs. Henry Brown, and a brother, Roy Ostrander, all of Toronto. His eldest sister, Mrs. P. Masales, also met a tragic death five years ago while out driving with her husband. The horse ran away and Mrs. Masales was thrown out of the buggy and killed instantly. The funeral of the late Mr. Ostrander took place from his late residence, lot 9, Con. 7, Erin township, on Sunday, March 16th, by motor, to Brampton cemetery. A short but impressive service was held at the stricken home by Rev. J. A. Jewitt, of Erin. The casket was opened at the grave and the remains were viewed by many friends and old acquaintances. A short service was also conducted at the grave by Rev. Mr. Locke, of St .Paul's church, Brampton. Among the beautiful floral tributes was a spray from his wife and a wreath from his father, mother, sisters and brother. The pallbearers were Messrs. Norman and Clifford Storey, Roy and Agar Ostrander, Wm. Dobbie and Henry Brown. The blow was great, the shock severe,
We little thought his death so near;
Only those who loved can tell,
The pain of saying a last farewell.—Com.

SOMETHING VERY STRANGE

One of the strangest things we have heard of, occurred recently at a local farmer's. He had a sow which had a litter of young pigs which began to disappear and after seven were lost, he heard one squealing and going to the pen, found one of them in the claws of a cat which was eating its back out while yet alive. He had noticed the cat about the pen before, but never thought that this was the cause of the disappearance of the young porkers. It is needless to say that he was not long in despatching the cat.—Erin Advocate.

"What do you call unusual?"

"I dunno exactly, sir."

"What would you do if you saw five battleships steaming across that field yonder?"

"Sign the pledge, sir."

A SUCCESSFUL SALE.

Mr. Watson McCluskey, of Mono, who had his barns destroyed by fire a few weeks ago, held a successful auction sale of his stock and other effects on Tuesday. Bidding was spirited, good prices ruled and the sale brought Mr. McCluskey about $3,000. A cow with calf at foot brought $210, two cows sold for $180 and $175 each and a month old registered bull realized $85. Auctioneer J. B. Irwin handled the sale in good style.

HIGH SCHOOL NOTES.

An extremely enjoyable evening was passed in the High School building on Friday of last week when the staff and pupils of the Orangeville High School entertained some 150 guests. The visitors were welcomed at the door of the gymnasium, which was artistically decorated with pennants, flags, etc., and which room also served for dancing. Excellent music was provided by Burton E. Till and Cyril F. H. Carson, both of Toronto. Those who preferred to abstain from dancing were invited to the Fourth Form, where they found upholstered chairs, a Victrola, an Ouija board and entertaining games. Lunch was served from 10.45 to 12 p.m. in the Physics room, which was very attractive with its color scheme of pink and white with catkins in place of flowers. The gathering dispersed at 3 o'clock Saturday morning. The staff and pupils are to be congratulated on the success of their entertainment.

THE SPRING TONIC FOR PALE, THIN PEOPLE

If You Want to Gain in Weight and Recover Your Appetite, Energy and Ambition Try This Well-Known Remedy.

With the passing of winter many people feel weak, depressed and easily tired. The body lacks that vital force and energy which pure blood alone can give. In a word, while not exactly sick, the indoor life of winter has left its mark upon them, and a blood-building, nerve-restoring tonic is needed to give renewed health and energy. Dr. Williams' Pink Pills are an all-year-round blood builder and nerve tonic, but they are especially useful in the spring. Every dose helps to make new, rich, red blood, and with this new blood returning strength, cheerfulness and good health quickly follows.

If you are pale and sallow, easily tired, or breathless at the least exertion; if your complexion is poor, or if you are troubled with pimples or eruptions, Dr. Williams' Pink Pills are just what you need to put you right. If you have twinges of rheumatism, are subject to headaches or backaches, if you are irritable or nervous, if your sleep does not refresh you, or your appetite is poor, you need the treatment which Dr. Williams' Pink Pills alone can give—you need the new blood, new health and new energy this medicine always brings.

A COMPLETE WRECK.

Mrs. C. Forsythe, R. R. No. 2, Fisherville, Ont., says: "At the age of fourteen my daughter Viola was feeling very much rundown in the spring. Then she was attacked with whooping cough which left her a complete wreck. She had no appetite, could not sleep well nights and was subject to chills which sometimes kept her in bed for the day. She was doctoring steadily, but not apparently getting the least benefit, and I naturally grew very anxious. One of my neighbors suggested giving her Dr. Williams' Pink Pills, and I got a box. When she began using the pills she weighed only 87 pounds. Before the box was all gone I sent and got six more boxes, and under their use she constantly grew stronger. Her appetite improved, the color came back to her cheeks, she could sleep well, and feels and looks like a different person, and with all this while using the pills she gained 20 pounds in weight."

A SALLOW COMPLEXION.

Miss Gladys Marshall, Chatham, Ont., says: "I suffered from nervousness and my blood was in a very poor condition. My face broke out in pimples and my complexion was very sallow. I took doctors' medicine but without beneficial results. I was feeling much discouraged when a friend recommended Dr. Williams' Pink Pills. I used in all six boxes, and was overjoyed to find that my complexion had become quite clear, pimples had disappeared, my nerves were strengthened and my old-time health and ambition returned. I shall always have a good word to say for Dr. Williams' Pink Pills."

GAINED IN WEIGHT.

Mrs. M. B. Rickert, Kitchener, Ont., says: "I was weak, run down and losing weight when I began using Dr. Williams' Pink Pills. I took the pills steadily for a month, and the difference they made in my condition was most gratifying. I gained both in strength and weight, and feel since I used the pills like a new person. I also recommended the use of the pills to my daughter-in-law, who was pale, thin and weak. When she began using the pills she weighed only 103 pounds and when she discontinued their use she weighed 137 pounds. For all weak people I think there is no medicine can equal Dr. Williams' Pink Pills."

A SPRING COLD.

Mrs. Chas. Winegarden, Delhi, Ont., says: "Last spring my daughter Ruby was taken with a bad cold. She seemed weak, had a constant pain in her side, grew pale, and as the remedies usually used in cases of this kind did not help her we feared she was going into a decline. I decided to give her Dr. Williams' Pink Pills and got six boxes. Before she had used them all she was again well and strong. The cough has left her, she had a good appetite, the pain in her side disappeared, and a nice rosy color had returned to her cheeks. I have therefore much reason to speak warmly of Dr. Williams' Pink Pills."

Notwithstanding the increased cost of all drugs, there has been no change in the price of our Dr. Williams' Pink Pills. They can be had through any medicine dealer at 50 cents a box, or six boxes for $2.50, or will be sent on receipt of price by The Dr. Williams' Medicine Company, Brockville, Ont.

HOMEMADE BAKING SALE.

The Ladies' Aid Society of St. Andrew's church will hold a sale of homemade baking in the Red Cross Rooms on Saturday afternoon of this week. All ladies in the congregation are invited to contribute baking, which should be left at the rooms not later than 1.30 o'clock. Lunch will be served during the afternoon.

AN HONEST FINDER.

On March fair day Mrs. Wm. Gibson, of Cataract, had the misfortune to lose a purse containing about $40 on Broadway. Fortunately, the purse was noticed and picked up by an honest finder in the person of Mr. Peter Wilson, of Mono Centre, who brought his find to The Banner office without even opening it to ascertain the nature and value of its contents. A registration card revealed the name and address of the owner, who had then left for home. The Banner called up Rev. J. Burkholder, of Caledon, by 'phone, informed him of the loss and finding of the purse. Mr. Burkholder communicated with Mrs. Gibson shortly after her arrival home and relieved her anxiety by informing her of the recovery of the missing purse.

CARD OF THANKS.

Mr. George Rayfield and family wish to express their appreciation of the kindness of their friends and neighbors during the illness and since the death of their beloved wife and mother, also for the many expressions of sympathy and floral wreaths.

SPRING WEATHER HARD ON BABY

The Canadian spring weather—one day mild and bright; the next raw and blustery is extremely hard on the baby. Conditions are such that the mother cannot take the little one out for the fresh air so much to be desired. He is confined to the house which is often overheated and badly ventilated. He catches cold; his little stomach and bowels become disordered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or curing colds, simple fevers, colic or any other of the many minor ailments of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Every Waltham Watch is Guaranteed

The reputation of the guarantor is the all-important factor that determines the value of a guarantee. Every Waltham Watch we sell is guaranteed by the Waltham Watch Company, Waltham, Mass., whose Canadian factory is in Montreal. This Company has been established since 1854 and since then Waltham Watches have won every gold medal that has been awarded by the great world's fairs for supreme watch merit.

Come and see our large range of Waltham Watches, which includes a watch for every purpose and every purse.

The Waltham Convertible Bracelet Watch

Is easily the first favorite with the ladies. Why? Because of its dainty beauty and abiding accuracy. But that is not all. It appeals to the ladies also because of the many ways it can be worn. On the case is a little "eye" that folds back snugly against the case when it is desired to wear the watch on chain, brooch or ribbon. You really ought to see this beautiful watch and we shall be pleased to show it to you at any time.

From Vol. 2 10th Annual Report of Hydro Electric Power Commission of Ontario

HYDRO ELECTRIC POWER COMMISSION ONTARIO

WHAT HYDRO SAVED IN LIGHTING BILLS

IN contrast with the rising cost of almost every other commodity, Hydro Power was furnished in 1918 to 203 Municipalities at less cost than in any previous year.

A constant downward trend in cost to consumers indicates that the Hydro Electric Power Commission of Ontario is attaining its object—to provide electrical service at low rates.

The Commission is vitally interested in the user of Hydro Power. The Commission recommends only those accessories and appliances which will give thorough satisfaction. HYDRO Quality Lamps are endorsed by the Commission for lighting purposes.

HYDRO Quality Lamps are tested for brilliancy, current consumption and durability. They have a definitely known rating for each of these essential features.

HESS STOCK FOOD!

RESULTS GUARANTEED

PIGS.

Start feeding Dr. Hess' Stock Tonic to brood sows six weeks before she farrows. Then feed to mother as long as pigs are nursing. Then feed to pigs until they are 4 months and 20 days old, and they will weigh 230 to 260 lbs. each.

Or if Pigs are 4, 5 or 6 weeks old, feed until they are 5 months and 20 days old. At that age they must weigh 230 to 260 lbs.

COWS

Regardless of what they are feeding, weigh milk for two weeks, then add Dr. Hess' Tonic and the increase must net $10 00 on each pail of Tonic.

CALVES

Take two calves—one at 6 weeks old and one at one week—and in six weeks they will both weigh the same.

DE LAVAL

The World's Greatest Cream SAVER

All over the world creamerymen, big milk concerns, dairy authorities and cow owners who have special opportunity for judging the worth of cream separators have for years recognized the superior skimming and all-around efficiency of the De Laval.

That's why 98 per cent. of the plants throughout the world separating large quantities of milk, use the De Laval. It skims so much closer that they can't afford to use any other machine.

That's why 2,325,000 De Lavals are in daily use, more than all other makes combined.

Not only is the De Laval the greatest cream saver but it turns easier, is easier to wash, has larger capacity and greater durability than any other separator.

The more you know about cream separators the more certain you are to buy a De Laval.

Order your De Laval now and let it begin saving cream for you right away. Remember that a De Laval may be bought for cash or on such liberal terms as to save its own cost.

THE BANNER

ORANGEVILLE, APRIL 3, 1919.

WILL EXTEND GOOD WORK.

At its last session the Town Council passed a small grant to assist the Orangeville Horticultural Society in maintaining the beautiful flower beds which have adorned the streets in different parts of the town for some years past.

The Society hopes to be able to extend this splendid movement during the coming summer and our council acted wisely in assisting in the work. We are all justly proud of the very attractive appearance, the well kept lawns and boulevards our town present during the summer months, and should with little effort be able to make it one of the most beautiful towns in the Province.

By the giving of liberal premiums, the purchase of plants, shrubs, trees and vines for its members at wholesale prices, the society in the short period of its existence in Orangeville, has done much to encourage our citizens to beautify their homes, lawns and gardens.

Vegetable and flower seeds are distributed among the school children and the annual exhibit each fall does much to develop a love for Horticulture among the young people.

The Horticultural Society, we believe, is about to start a canvass for members for this season and deserves the co-operation of every citizen who is interested in the welfare and beauty of our town.

$500.00 IN PRIZES.

It will be of interest to many of our readers to know that the Diary Competition in connection with Dr. Chase's Almanac will be resumed this year with more valuable prizes than were ever offered before.

The first prize is an Electric Voice-o-phone, the most up-to-date of reproducing instruments, the selling price of which is $210.00. The second prize is also a fine cabinet instrument which sells for $110.00. Altogether, there are twenty prizes, the total value of which is $500.00.

All particulars about the Diary Competition, along with illustrations and details in regard to the Voice-o-phones, are found on pages 16 and 17 of Dr. Chase's Almanac.

This almanac has been mailed to practically every home in Canada, but if for any reason you have not received your copy write to Edmanson, Bates & Co., Ltd., Toronto, and they will send you one by return mail. These prizes are well worth trying for, and there is no time to lose if you are to get a fair start in the competition.

A POOR MAN'S PLEA.

To the Editor of The Banner.

Dear Sir,—

Will you kindly give me a corner in your valuable paper for the following communication?:

Dear Farmers and Employers of Labor,—

It seems as if it were going to be hard for the poor man to get even a living chance if he happens to live in the city or one of our towns. If he has three or four of a family, himself and wife, I know from experience that it will cost him at least $7.00 a week for what he uses on the table. He cannot possibly do with less. If he lives in the city it will cost him $7.00 a week for rent, $1.00 a week for gas, light and water. Thus you see he has a weekly expense of at least $15.00 and he can only get from $15.00 to $18.00 a week wages. It is therefore evident that he hasn't much of a balance for other matters. The farmer will possibly ask why men of this class do not come out to the country where there is plenty of work at good wages. If he is wise the poor man will count the cost very carefully before he makes any change of this kind. If he goes into any of the small villages he will likely find poor men who are idle, who will tell them they were willing to work at $2.00 a day, but had been offered $1.50 a day for the spring seeding and felt they could not afford to work at this low wage if they were going to be able to make ends meet. So the man from the city looks around and if he happens to have some experience of farm work he may be able to get nearly $2 a day for six or seven months. Accordingly he engages with a certain man to commence work on a certain day. But when he goes back to the city to make preparation to move he begins to realize that he has a job for only six or seven months, that it is going to cost him a lot of money to move his belongings from his city home to his prospective abode on the farm, and that when he gets out there one of the first things he will need will be some wood, and that he may not be able to get it at all, and even if he can get it he will probably have to pay $4.00 a cord and go to the bush and cut it himself. Even when he has done all this he may be obliged to pay for hauling it home. By the time your city man has figured all this out and also reflected on the fact that his job is only good for six or seven months and that he has no assurance whatever of being able to get work during the winter, he is in a state of uncertainty about the wisdom of moving at all. He wonders, too, what he would do among strangers in the winter time should he find himself without work. By the time he has figured all this over a few times he is just about ready to repent of his decision to go to the farm, and probably winds up by writing the man with whom he had hired that he cannot go to him. After all you cannot blame him. In endeavoring to better his position he might only be stepping out of the frying pan into the fire.

Prices are more than double what they were a few years ago, and if the poor man, who earns a livelihood for himself and family by working for his fellows, is to have anything like a fair deal he should have at least double the wages he used to earn.

A POOR MAN.

GOOD ROADS MACHINERY.

At a special meeting held a couple of weeks ago Dufferin County Council gave an order for about $14,000 of good roads machinery. The machinery selected was: One Champion crusher; 1 Sawyer Massey crusher; 1 Champion roller; 1 Champion grader and the sprinkler they got from Grand Valley; four graders were also purchased by four townships, Mulmur, Melancthon, Mono and Amaranth; Grand Valley, Shelburne and Orangeville each invested in a road hone, a sort of drag with two or three adjustable blades that ought to do very serviceable work in keeping the roads smooth and level. In addition to these the municipalities bought a number of steel drags, similar to those got by East Luther last year.

CARD OF THANKS.

Mr. and Mrs. James McCutcheon and family, of Mono Centre, wish to sincerely thank their neighbors and friends for the many acts of kindness, the sympathy and the respect shown them since the death of their daughter and sister, Elizabeth Evadine.

CARD OF THANKS.

Mr. and Mrs. Thos. Holmes and family wish to tender their grateful thanks to their friends and neighbors in and around Camilla for their kindness to them at the time of their recent bereavement. They also wish to thank the friends at a distance whose kindness of heart prompted them to send letters of condolence and other messages of sympathy.

CARD OF THANKS.

I wish to tender my sincere and grateful thanks to the ladies of the Lord Dufferin Chapter, Daughters of the Empire, for the beautiful flowers they presented me on the occasion of my arrival home on Saturday night. I also gratefully thank the Chapter and the other ladies of Orangeville for the packages of comforts sent to me while overseas.

PTE. HARRY KING.

DAYLIGHT SAVING.

To the Editor of The Banner:

Dear Sir,—Allow me a few lines in your valuable paper to say a few words in regard to Daylight Saving.

As your town has adopted it, necessarily the farmers will have to. Last year it was passed as a war measure act and the farmer took it and said nothing, for he thought if anything was going to aid in production, he was willing to adopt it. He found it was a humbug, gasoline and dust.

The people of your burg appear to be in favor of it and did they do much in aiding production? Did they spend the extra hour in the garden or where? As help is scarce and Daylight Saving in force, the cost of living will certainly go higher, so don't cry at the old farmer for good butter.

Places for buying goods are not scarce and the "One Day Service" and mail order mean about as much speed and good goods at low prices. I do not see where Daylight Saving is saving daylight. It sounds to me a bit simple, like Pat cutting the top off the blanket and putting it on the bottom to make it longer. If people must have an extra hour of daylight, let them get up an hour earlier without putting the clock ahead; let the sturdy man get up and hum if he must, but let the little kiddies sleep and have time to get their eyes open and their breakfasts before they are pushed out for school.

Thanking you for the valuable space, Yours etc.

—MIKE.

AMONG THE OJIBWAYS.

Instructive Lecture by Rev. F. Eley, Rector of St. Mark's Church, at Y. P. A. Meeting.

On Thursday evening, March 13th, St. Mark's Young People's Association held the first of their Lenten meetings. In the absence of the President, Miss Gabriel occupied the chair, and Mr Connop most kindly furnished the only item on the program outside the missionary address by the rector.

As a rule missionary addresses depend largely for their attractiveness upon the beauty, vividness or size of the lantern slides used to illustrate them; the speaker too often being a negligible quantity, or voted tolerably interesting only out of deference to the nobility of his calling. But on this occasion, though the pictures were good and wisely selected, and the lantern, under the management of Mr. Hackett ran without the usual misfits, stoppages and relightings, not once did the substance of the address or the personality of the speaker fall into a secondary place.

At the age of 16, Mr. Eley advised his parents of his determination to become a missionary, only to discover that throughout his whole childhood that had been the object of his mother's most earnest and repeated prayers. Application was at once made to the great Missionary Society in England and consultation held with Bishop Ingram, the world famous Bishop of Old London; but even the latter was unable to arrange for placing so youthful a candidate on immediate active service. At this juncture the Bishop of Islington, a friend of Mr. Eley's father, came to the rescue, suggesting Wycliffe College as the speediest solution of the problem. So Mr. Eley set out for Canada and at the age of 18 was proud to find himself an active worker in the Northern Mission Field. After considerable practical experience he returned to Wycliffe College for further study, and before returning to the North was allowed a short time to visit his parents in England, when he was able to report the realization of his ambitions to the much interested Missionary Society and the renowned Bishop to whom his earliest plea had been made.

On his second trip up North, Mr. Eley was accompanied by his wife and the story of his experiences in the two parishes, White Dog and Fort Alexander, was as fascinating as any tale of adventure written by the authors of American Polar Romance. The young missionary entered upon his labors totally ignorant of the Ojibway language, simply because there was no possible means of learning it save picking it up directly from the Indians. Besides that the finances and accommodation at his disposal were such as to entail the most dangerous exposures and hardships. The picturesque trails in the forest, the lithe and curious dog teams, the stolid Redman and his canoe, the snow clad evergreens, the blue lakes and the boiling cataracts, and above all the interior of the church with its handsome pews and quaint attempt at a chancel made a marvellously attractive setting for a story of the heroic deeds and adventurous tasks of mission life.

There was much to learn about the scattered Indian settlements, the Hudson's Bay Company, government arrangements, and above all, about the patient stolid tenacity and heroism of Indian character. The casual revelations of the fact that Mr. Eley acted in the various capacities of cook, woodsman, school teacher, dentist and doctor, to the extent of doing the baking for a whole Christmas audience, shouldering the responsibility of a government school, extracting teeth to the extent of a bottle full, vaccinating a whole native community and fighting smallpox epidemics recalled the oft repeated assertion that again and again the Church finds her cleverest, her strongest and her finest sons in the forefront of missionary activity. Rudyard Kipling, was it not? said he would rather have a school boy pronounce his book "ripping," than attain the approbation of a learned critic; and it is a significant fact that at St. Mark's Christmas entertainment this year the carefully prepared program, even to the darkey band failed to outlive in wonder Mr. Eley's short story about how he baked cakes in the North. For days afterwards you only had to say "cakes" to the five-year-old boy to send him off into chuckles of delight, and plunge him into a linguistic jumble about long cakes, short cakes, soft cakes, hard cakes, white cakes and black cakes. It is one thing to believe theoretically in missions and mission giving; it is another, quite another thing to be touched with the fire, the zeal and the nobility of the man who finds in the mission field the choicest road to knighthood and chivalry.

To those who are privileged to listen every Sunday to Mr. Eley, it is now more apparent why his sermons are always marked with those rare qualities of deep thoughtfulness, sound logic, and effective helpfulness so startlingly absent in the effusions of the much advertised and popular preachers of the day. To drop into a foreign tribe, knowing nothing of the language, to set to work to learn it without the aid of a text book and then succeed in teaching the children of that tribe in school, and their parents in church, is a task that might daunt a very mature linguist, much less a boy in his teens. Yet one among the many interesting pictures Mr. Eley explained was the fac-simile of a letter and envelope addressed to himself, nicely written in quite readable English by an old and uneducated "Brave" whom the young missionary himself had taught to read and write. The accomplishment of that old, unlettered habitant of the wilds under the tuition of his youthful and zealous Spiritual tutor was a lesson in Christian gentleness, perseverance and knighthood that might well stain the cheeks of civilized churchgoers with shame and reproach. After all if Kipling maintains that the undeveloped child has the keener instinct in discerning genius, it is easy to understand why to the Indians we must always send our choicer intellects, our nobler manhood for the Redman possesses all the primal attributes of childhood, abhorrence of social falsehood, scorn of hypocrisy, intolerance of shame and inconsistency. The call to mission work in Canada rarely stirs our heroic aspirations as under the glamor of Mr. Eley's enthusiastic presentation and ringing sincerity, it sounded forth as one of the most alluring and satisfactory appeals to human ambition.

TERRIBLE AGONY FROM RHEUMATISM

A Sufferer Shows How Complete Relief was Obtained.

Rheumatism is a trouble extremely difficult to get rid of. If a tendency to rheumatism is established in the system it makes itself manifest by a return of the acute pains with every spell of bad weather. This is why so many people think the trouble is due to cold or damp. The fact is known, however, to medical men, that with the appearance of rheumatism there is a rapid thinning of the blood, and that the rheumatic poisons are only expelled from the system when the blood is restored to its normal condition. This means that to drive rheumatism from the system it must be treated through the blood, and for this purpose no other medicine has been so successful as Dr. Williams' Pink Pills. These pills renew and enrich the blood, thus driving out the rheumatic poison, easing the aching, painful, swollen joints, and restoring the victim to general good health. Among the rheumatic sufferers who have been cured by the use of this medicine is Mrs. Wm. Johnston, Chatham, Ont., who says: "Some years ago, while living in Mount Forest, I was stricken with inflammatory rheumatism, from which I suffered terrible agony. Neither the doctor who attended me, nor the remedies I tried gave more than a little relief for a time, and as a consequence, I grew very weak and was on the verge of nervous prostration. At this stage an uncle advised me to try Dr. Williams' Pink Pills, as they had cured him of a severe attack of rheumatism. I took his advice and faithfully used the pills for several months, when I found myself fully restored to health with every vestige of the rheumatism, and every symptom of the nerve trouble gone. I have had no return of either trouble since, and feel very grateful for what Dr. Williams' Pink Pills did for me."

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or may be had by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HUMOR AND PATHOS IN "THE BETTER 'OLE"

"The Three Musketeers"—otherwise Bert, Alf and Old Bill, are reincarnated in a film version of "The Better 'Ole," which will be the big picture in many opera houses for months to come. And if the cinema lacks, as always, the dialogue that the stage can give us, there is ample compensation in the setting, for we have veritable war episodes, including the passing of the new army through London streets glowing from the rain, a glimpse of English fields and homes of France. But for the Old Bill and his kind, what devastation might have happened ever here, is the message of the story.

That Capt. Bairnsfather's play, so successfully produced in London and New York, offered really magnificent opportunities to the film producer had long been obvious, for there are many incidents which though they cannot appear on the stage, yet come within the scope of the film, and fill up the interstices of the story to the greater satisfaction of the onlooker. From the very start when a picture of the Three Musketeers of the olden time, in the picturesque panoply of their period, dissolved into the three soldiers of today—"Old Bill," "Bert" and "Alf" in the trenches, the missing details of the play are filled in with a constructive skill which adds enormously to the true understanding of the story. The introduction of the "poet soldier" as a sort of explanatory "chorus" is one of th chappiest touches and few could not feel their heart strings drawn tighter at the section of the film which showed how "the whisper of war" descended upon all British homes, from the lowliest to the highest in the land. The familiar incidents of the play appear amplified and emphasized. "The Better 'Ole" will be shown at the Opera House, Orangeville, under the auspices of the Citizens' Band, matinee and night only on Thursday, April 3rd. The reserved seat plan will open at The Banner book store on Friday, March 28th at ten o'clock. Prices to suit everybody (with war tax.) 2

HOSPITAL NOTES.

The regular monthly meeting of the I. O. D. E. will be held at the home of Mrs. Fisher, Second Street. Mrs. Adamson, the Educational Secretary of the Chapter, who has charge of this meeting, is securing Mrs. Smith, of St. Catharines, Educational Secretary of the National Chapter of the I. O. D. E., to address the ladies. The date of the meeting will be fixed to suit the convenience of Mrs. Smith.

Dr. Alex. Mackay inspected the hospital on Monday last and reported the building far too small.

Since the publication of the annual report of the Hospital, letters have been received from the following places: Niagara-on-the-Lake, Meaford, Seaforth and Paris, towns that are contemplating building hospitals, asking for information regarding the finances of our hospital and the manner in which its revenues are raised.

Donations of butter and eggs from Mrs. Forsythe were greatly appreciated.

GIVEN EASY CHAIR.

Former Orangeville Man Honored in Medicine Hat; Is Removing to Calgary.

Mr. H. S. Doan, who has been on the staff of Hewitt & Black, Limited, for the past seven years, is now going to Calgary, where he has secured a position as special window displayman and buyer.

On Saturday evening, at the close of business, the employees of Hewitt & Black, Limited, met at the home of Mr. R. C. Black to formally say "good bye" to Mr. And Mrs. Doan. A half hour was spent in social amusements and followed by a dainty lunch. Mr. Black then announced that the program would take a different form and asked that Mr. Jas. Kellas act as chairman. Mr. Kellas expressed regret at the loss of Mr. Doan from the firm's staff, and stated that the meeting on this occasion was for the purpose of showing their esteem and good wishes for his future success. He then called on Mr. J. J. Hewitt to make the presentation. Mr. Hewitt briefly addressed the meeting and ended by reading to Mr. Doan the address as given below:

Dear Mr. Doan: You have been asked to meet with us for a short time this evening in order that we might have the opportunity of expressing our regret at your leave-taking.

It is the privilege of every man to make his own decisions; and it is likewise his duty to make the most of his active years. In making your decision to go to Calgary you no doubt felt that the change of position meant advancement, either financial or otherwise. From our standpoint we are sorry to have you go, but that does not stop us (wholeheartedly and unitedly) wishing you may meet with the fullest measure of success in your new position. In fact we would be glad if at some future date we learn that you pressed on to a success such as you have not now in view.

During the many years that you have been with us, you have been a bright and cheerful worker. You are a man of but one mood and that a most pleasing one. You are, we think, the greatest example of this that we have met. To the firm who employed you, you gave the best that was in you. To the customers whom you served, you gave the most courteous treatment and a square deal to all of them, all the time. To your associates in the store you gave an agreeable disposition, working with them and among them in the spirit of fairness and goodwill.

In taking your leave from us we would ask you as a token of the high esteem in which we hold you and the goodwill we bear you, to accept this easy chair. Our wish is that you and your good wife may each spend many leisure hours in it and in your new home that health, happiness and success may attend you. Our one request is that just now and again you may kindly remember good old Medicine Hat.

Speeches were then made by Mr. R. C. Black, representing the firm, and Mr. Glen Moore, representing the employees.

Mr. Doan made quite a lengthy and feeling reply, expressing his gratitude for the gift and the many expressions of goodwill and the good things said about him. If it is not all strictly true, he said as to my past, I at least feel that there has been something given me to try to live up to.

The gathering then sang Auld Lang Syne and God Save the King, and dispersed for home.—Medicine Hat News.

Mr. Doan was a member of the Adamson Hardware Co.'s staff a number of years ago. Mrs. Doan is also an Orangeville girl and will be best remembered here as Miss Laura Judge.

PRIMROSE PRESENTATION.

The members and friends of Primrose Methodist church met at the home of Mrs. James Halbert, on Tuesday evening, March 18th, to present the following address to Mrs. H. G. Wilson:

To Mrs. H. G. Wilson:

Dear Friend,—Having heard that you are about to leave our community to make your home in the great West of Canada we, your friends, gather this evening to wish you God-speed and a safe journey.

The community in which you have spent your life will miss you, for you have been active in all that has made for its best interests, but we have the satisfaction of knowing that what will be our loss will prove to be the gain of the community in which you are going to reside. In the new conditions and environment in which you may find yourself, you will have a new sphere of usefulness, and an opportunity for using and developing your best gifts.

In the church and Sabbath School we shall miss you for you have been for some time organist of our church and teacher in our Sunday School, and in both these positions of trust you have sought to be faithful in the discharge of duty.

In conclusion, we ask you to accept this mantle and table linen as a slight token of our respect and in future life may they remind you of your many friends at Primrose, who will still cherish kindly recollections of you.

We wish you and your husband the protection of our Father, God, and a safe journey to your new home.

Signed on behalf of Primrose Methodist Church: Leonard Buchanan, Morris Small.

MARRIED.

WILSON—BARR—At 217 St. Clair Ave., west, Toronto, on Wednesday, March 19th, by the Rev. W. D. T. Wilson, of Belleville, Mrs. E. Elizabeth Barr, widow of the late Dr. John Barr, M. P. for Dufferin, to Rev. J. T. Wilson, B.A., D.D., of Peterboro.

MOTHER AND SON ARE BOTH GRATEFUL

FOR THE GOOD DODD'S KIDNEY PILLS DID THEM.

Cured Mrs. Larson's Sore Back, and Put an End to Her Son's Sleepless Nights.

Bergland, Ont., March 31.—(Special.—"I am glad to have an opportunity to give fair credit to Dodd's Kidney Pills, for the good they did me, and also my family," says Mrs. John S. Larson, a well-known and highly respected resident of this place. "We have been using them as a family remedy for sore back.

"At the time I ordered Dodd's Kidney Pills I did it more for a fancy than from any belief in their curing value.

"But I was all in from an aching back. I caught a bad cold and that settled on my Kidneys so bad that I could not sleep, and I could not work.

"When I stooped forward my back was so sore that I had to brace up my body by putting my elbows on my knees and I could hardly rise up again.

"After taking two boxes of Dodd's Kidney Pills the pain decreased some and my back is fairly good unless I overwork.

"Also one of my young sons had diseased kidneys, so that he had to get up every half hour during the night. Dodd's Kidney Pills cured him and now he can sleep all night.

"I am very grateful to Dodd's Kidney Pills."

Dodd's Kidney Pills have been curing kidney ills for over twenty-five years. Ask your neighbors about them.

CARDWELL.

(Too late for last week.)

On Tuesday evening of last week, Mr. and Mrs. John Graham and family, Centre Road, Mono, entertained a few of their neighbors to a little house party.

The hostess met them at the door,
And used them all so fine.
She counted the number—about a dozen,
And told them to start any time,
At John Graham's party.

The dancing was done up neat,
For all the girls had nice, small feet,
The music sounded clear and sweet,
At John Graham's party.

Mrs. Lionel South's calling was superfine,
Her tongue to the music did keep time;
Everyone reports a very good time,
At John Graham's party.

This party took place on a Tuesday night,
The moon provided very good light.
At two o'clock all took their flight,
From John Graham's party.

SANDHILL.

One more the silent reaper of death has visited this community and claimed a fair one from her home. After a few days' illness from influenza Chambers, beloved wife of John T. Wilson, on Saturday morning, March 15. Of a bright and amiable disposition she was loved by all with whom she came in contact. She was born in Caledon township 29 years ago and came to live here about four years ago. She leaves to mourn her loss a loving husband, father and mother and one brother, Wilfred Chambers. The funeral, which took place on Monday was largely attended. Service was conducted at the home by Rev. Mr. Bell-Smith, interment at the Providence cemetery. The pallbearers were her four brothers-in-law, William, Thomas, Albert and Alexander Wilson, one nephew, Earl Carson, of Dundalk, and cousin, Lorne White, of Orangeville.—Conservator.

CALEDON.

(Too late for last week.)

On Tuesday morning last this community was shocked by the sad news conveyed by a telegram that Mr. John Armstrong Speers, of Watrous, Sask., second son of Mr. and Mrs. Thos. Speers, had died on Monday, March 17. Mr. Speers contracted the Spanish influenza while nursing a comrade, but continued to wait on him till death relieved his suffering. Mr. Speers then became a patient and the best medical attention and nursing failed to combat the disease and he too answered the summons of the grim reaper. Mrs. Speers received a telegram on Saturday night informing her of her son's serious illness and started for his bedside on Sunday last, but was met by her son, Wesley, about 300 miles east of Watrous, who informed her of his brother's sad and untimely demise. Mr. Speers was an expert machinist and made a specialty of repairing gas engines and had worked up a lucrative business in this line. He also represented a large machinery firm and had charge of their collections in his district. The many and beautiful floral offerings spoke their mute but eloquent testimony to the high esteem and regard in which deceased was held by his friends in that Western town. The remains arrived at Caledon on Saturday evening and were conveyed to the home of his stricken parents who have the heartfelt and sincerest sympathy of this entire community in their sad bereavement. Three sisters and three brothers also are left to mourn the loss of a dear brother whose memory will ever be dear to them. The funeral on Monday last was attended by many sorrowing friends who came to pay their last tribute of respect and extend their sympathy to the stricken family. Rev. Mr. Battersby, of Caledon East, conducted the service in the home and at the grave in Forest Lawn cemetery and paid a glowing tribute to this young man, who, he said, was such an excellent specimen of young Canadian manhood, but pointed out the uncertainty of life and need of being prepared for that journey which we must all take sooner or later.

Caledon Methodist church will hold their box social on Thursday evening, April 10, when a good program will be provided and a general good time is expected. Save up your nickels boys and buy your best girl's box.

LAUREL.

Gunner Earl Stevenson was given a hearty reception upon his arrival home from overseas on Monday night. A large number of his Laurel friends met him at the C. P. R. depot with autos and escorted the young hero, his parents and sister to their home, where a bounteous supper was awaiting them. This over all repaired to the Methodist church, where a large crowd had gathered to give the returning soldier a fitting welcome home. Rev. J. R. Bell occupied the chair, several selections were provided by the church choir and speeches of an appropriate nature were made by Mrs. Geo. Nelson, Mrs. E. Richardson, Messrs. John Bryan, R. J. Wallace, W. R. Grosskurth, John Maltby, W. M. Maltby, of Colville, Sask., an uncle of Gunner Stevenson, and Rev. W. F. Roach. Earl, as he is called by everyone around Laurel, made a brief and feeling reply to the good wishes expressed on all hands, in which he thanked all for their kindness and expressed his joy at being once more in the midst of his home folk. A pleasant social time was afterwards spent by everybody. Mr. Stevenson went to Toronto, where he met and accompanied his son home. Mrs. and Miss Stevenson went as far as Caledon on the evening train and met the up train at that place. We are all delighted to see Earl looking so well after his trying experiences and valiant services at the front.

Mr. W. M. Maltby, who has spent the greater part of the winter with relatives here, left for his home at Colville, Sask., yesterday morning.

MONO MILLS.

The local branch of the True Blues, organized about a year ago, are continuing to prosper, not only in increasing membership and in the work for which the lodge is instituted, but also in contributing something to the social life of the community. On the evening of April 11 they intend holding a box social in the lodge room in the village. Admission: Gentlemen, 50c, ladies requested to bring boxes.

Miss Jean Black, of Horning's Mills, is visiting friends here.

Mrs. Wilson G. Duke is spending a few days with friends in Oakville and Hamilton.

Mr. and Mrs. Lundy, of Galt, are the guests of Mr. and Mrs. Walter Stork.

Messrs. John Halbert, Jos. Ward, James Haffey and Alex. Speers, Jr., have had telephones installed in connection with the Mono Mills telephone system.

Miss Gertrude McCallum, the rectory, is leaving this week to spend a while with friends at Islington, Ont.

The meeting of the Epworth League on Tuesday evening, April 8, will be a social evening. A good program is being prepared and a pleasant and profitable meeting is assured. Everyone is made welcome. Collection in aid of the League Mission Fund.

BROADWAY, ORANGEVILLE.

THE METHODIST CHURCH.

There was an especially interesting session of the Sunday School last Sunday. Dr. Price, the Superintendent, gave an illustrated lecture on the "Life of Christ." It was an open session of the school and there were many visitors.

The Woman's Missionary Society had charge of the Epworth League last Monday evening. Mrs. Beswick, president of the W. M. S., presided. She was assisted in the program by Mrs. John Glover and Mrs. Geo. Wilcox.

The Home Circle Prayer meeting will be held on Tuesday, April 8th, at 3 p.m. Mrs. W. H. Kearns, York St., will be the hostess.

This being the closing month of the conference year, the contributions are coming in finely. The church stewards were gratified with a record-breaking offering last Sunday morning. If all the members will join in doing what some have done this church will be able to present a record year in its contributions in its returns to the coming conference.

The musical part of the services last Sunday was well sustained. In the evening Mr. Sloan sang a splendid solo and a quartette was well rendered by Misses Kearns and Rowan, Mr. Falconer and Mr. Ellis Liddy.

The subjects for Rev. E. R. Young's sermons for next Sunday, April 6th, are: In the morning, "The Gospel of the Beloved Physician," and in the evening, "Nobodyism."

LACROSSE MEETING.

A meeting will be held in the Public Library at 8 o'clock on Monday night for the purpose of organizing a lacrosse club. Now that the war is over it is felt that an effort should be made to revive the national game in Orangeville. All players and citizens interested in seeing a revival of this popular summer pastime are urged to attend.

"Oh, You Do Look So Strong and Well"

"AND why shouldn't I ?"

"You always wrote about how well you were, but we never thought you would be so hearty-looking as you are after all the hardships of camp and trench life."

"Oh, we had our share of hardships, all right, but except on rare occasions we hed plenty of good, wholesome food and lots of fresh air and exercise. That is what makes a person strong and well. But I don't think I have it much over you. What have you been doing to look so hearty ?"

"Didn't I tell you I was using Dr. Chase's Nerve Food ?"

"You don't mean to say that has made such a difference. You were so thin and pale when I went away."

"Yes, it certainly has, and after you went away I had a regular break-down, and was in a bad state for some months. I had nervous headaches, could not sleep, and grew down-hearted and discouraged. Mother got after me to try the Nerve Food, and I am so glad I did, for I did want to be well to welcome you home."

"It is a joy to me to find you so well. And now that we have such a good start surely we can keep well and enjoy life. My experience overseas has caused me to place a greater value on life and health than I ever did before, and your experience with Dr. Chase's Nerve Food convinces me that you women folks need not be pale and weak and nervous if you will but use it when you feel tired out and run down."

Dr. Chase's Nerve Food, 50c a box, 6 for $2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. Every box of the genuine bears the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

Brigten Your Home This Spring With Wall Paper

DEAR MADAM:

How much brighter and more cheerful your home would look this Spring if you would re-cover the faded, sooty, dirty, time- and Winter-worn walls with bright, cheery, snappy, pretty, new-patterned WALL PAPERS!

You will be amazed to know how Economical WALL PAPER *is—how LITTLE it has advanced in price as compared with almost everything else!*

We know your home can be papered at such a reasonable cost that we would like the privilege of showing you what truly charming effects can be produced by the new WALL PAPERS.

When may we expect your visit to our store?

Sincerely,

Fuller, Allen & Holmes,

WHAT DRAYTON DOES.

The most important item of business transacted at Drayton council meeting on Monday evening was a change in the Dog By-law and the Assessor was instructed to assess dogs and splayed females at $5 each and all unsplayed females at $7 each. A farmer's dog gets off with $2. It is expected there will be considerable of a reduction in the canine population of the village in the very near future. Owing to other meetings in the village that evening the session was short and the Cat By-law stands over for the present, but it is thought householders could manage with quite a few less.

Some time a week ago Monday night Mr. Brock's store at Belfountain was broken into. Entrance was made by breaking the glass out of the front door. $15 was taken from the till. What other things were taken, Mr. Brock cannot tell.

The sympathy of the entire community goes out to Mr. and Mrs. Sam. Huxley and family, of Hillsburg, in the death of their son, Samuel Ross, which occurred on Thursday, March 19th, in his 21st year.

ELECTRIC WASHER

This Washer Pays for Itself In One Year

The Time Saver Electric Washer saves enough money to pay for itself the first year. It saves the washer woman's wages; it saves laundry bills; it saves the clothes, for they last four times as long when washed in this machine. It saves doctor's bills, for it cuts out back-breaking drudgery.

Time Saver Electric Washer

Costs less to run than the washer woman eats. It operates for 2c. an hour, and is easier to run than a sewing machine. It is moderate in price. We have a Time Saver ready to show you. Let us demonstrate it in your own home. Phone or call at our Store.

ZAM-BUK

This illustrates but one of the many uses to which Zam-Buk, the great herbal balm, is daily put. Accidents will happen, especially where there are children. Mothers should never be without Zam-Buk. Zam-Buk is the best "First Aid." Its strong antiseptic properties kill all germs, preventing blood-poisoning and inflammation. Its rich herbal essences quickly ease pain and build up new healthy tissue. Zam-Buk is entirely different from all other ointments. It is purely herbal and contains no poisonous coloring matter. Take no substitute. See the name on every box before paying.

ZAM-BUK HEALED SEVERE CUT

Mrs. J. E. Bierwirth of Carnduff, Sask., writes: "My little son cut the end off his finger. As it was such a severe cut, I was going to take him to a doctor, but in the meantime to ease the pain, I applied some Zam-Buk. This stopped the bleeding and gave him such relief that he ceased crying and seemed quite at ease. I therefore decided to see if Zam-Buk would heal the wound. Next day I replaced the dressing, and continued to do so each day, using nothing but Zam-Buk. Complete cure resulted."

Zam-Buk sold by all druggists and stores at Zam-Buk Co., Toronto. 50c. box.

SUMMER SCHOOL FOR SOLDIERS

The Department of Education has substituted the following for the Enlistment Regulations of September, 1918:

1. (1) On the conditions prescribed in 3 below, candidates who were in regular attendance at the High or Continuation Schools or Collegiate Institutes during the year 1914-1918 in preparation for admission to the Model or Normal Schools or the Faculties of Education, and who enlisted for overseas service in the Great War, will, on application to the Minister of Education, be admitted to not more than two Summer School Sessions to complete that preparation, with exemption from fees and with an allowance for travelling expenses to and from their ordinary places of abode at the beginning and the end of the session, and for board and lodging at the rate of $7 a week.

(2) Such candidates before entering a Summer School should utilize the opportunities offered by the local High or Continuation Schools or Collegiate Institutes or by the Soldiers' Aid Commission of Ontario, as may best suit the stage of their preparations for the academic examinations.

2. (1) On the conditions prescribed in 3 below, teachers-in-training who were in regular attendance at the Normal Schools or the Faculties of Education during the years 1914-1918, and who enlisted for overseas service in the Great War before completing their courses, will, on application to the Minister of Education, be admitted for the remainder of the session to a Normal School or a Faculty of Education at about the same date as that of their withdrawal, with exemption from fees and with an allowance for travelling expenses and for board and lodging as in 1 (1) above.

(2) On the conditions prescribed in 3 below, other candidates for teachers' certificates who enlisted for overseas service and who hold the necessary entrance certificates, obtained either before or after enlistment, will, on application to the Minister of Education, be admitted to one session of a Model or Normal School or a Faculty of Education at the beginning of the session, with the same exemptions and allowances as are provided in 1 (1) above.

3. (1) With his application under 1 or 2 above, the candidate shall submit to the Minister of Education a certificate of discharge, release, or leave of absence from the military or naval authorities, and, in the case of the candidates provided for in 2 (1) above, a certificate also from the Principal or the Dean, stating the date of his withdrawal from the School or the Faculty, as the case may be, with his standing therein.

(2) The candidate's application shall be made to the Minister at as early a date as practicable, said date to be approved by the Minister.

A footnote to the new regulations states that in the judgment of the Government, it will be eminently fitting for the municipalities to which these candidates belong to recognize their claims by granting them financial assistance during the period of their preparation. Such assistance by the Government or by the municipalities may be accepted as a just tribute to honorable and courageous patriotism.

GUN PLAY IN LONDON.

The crowd in front of the Y. M. C. A. Kiosk in Leicester Square drew hastily back when a big Maori private began throwing his six shooter about. He tossed the gun up to the ceiling and caught it as it fell.

"I can plug a six pence with this thing across the street. I'm the roughest of the rough!" he shouted, picking up the gun when he missed the "catch" and it fell clattering to the floor.

Empire relations should not be endangered by the statement that the man was a New Zelander, for the Y. M. C. A. officers of that Dominion have also done their bits in looking after "rough" Canadians and the positions might easily have been reversed in this case.

A few minutes before this the excitement began. When the Y. M. C. A. patrol officer attached to the Kiosk was making arrangements to send the pair of revellers where they wanted to go, he suddenly found himself looking into the muzzle of a six-shooter.

"My pal stays right here. Don't you dare to move him," ordered the big fellow.

But when the officer—he happened to be one of the Canadians on the Street Patrol Force—assured him that the more helpless pal wasn't being removed to the "klink" the man put up his gun.

"Just keep that thing out of sight" said the officer, when the Maori again began toying with the weapon, "and we'll look after you both."

A taxi-cab soon carried the three of them, Patrol Officer and his charges, to the address furnished by the soldier where he had reserved a room, and the men were left there to sober up and make a better attempt to spend their leave in the morning.

The Patrol man now carries a souvenir of the incident in the form of a 45-calibre cartridge which slipped out of the cylinder during the excitement. He is glad that it entered his pocket as such, instead of by scorching its way through his garments as at one time seemed probable.

This same officer had a scarcely less exciting experience a few nights previously, though gun play was not part of it and a Canadian lad happened to be the principal. After taking the boy out of questionable company during which operation something like a small riot occurred, the officer, on the plea of following one of them who had disappeared down the street, had conducted his almost unmanageable man straight into the Beaver Hut of the Canadian Y. M. C. A.

When the soldier's money was taken from him and checked, and he was advised to drop off to sleep, like a good boy, he raised a storm of protest. But his tune changed the following day when he found what had happened him.

Then he sat down and wrote a letter to the Patrol Officer in terms like these:

"I can just remember you and that is all. But I know you're the man who took me in tow. I want to thank you from the bottom of my heart. I tell you I was mighty glad to see my money and watch again for they might easily have gone to somebody who wouldn't think twice about returning them. You sure did me a good turn and I hope I can repay you some day."

Who Are These Men?

THE FIRST was a dirty, uncouth peasant, but he played a leading part in the disruption of a nation. He held no portfolio, yet he swayed a court as did no Minister of the Crown. He was without holy orders, yet people called him "monk," and no churchman of his generation exercised so profound an influence in the empire to which he belonged.

THE SECOND, with a private income of $20,000 per year, has been called the "eyes and ears" of one of the allied rulers. No titles have been conferred upon him; he has received no reward—apparently wants none. Yet he witnessed Germany's preparations for the Great War and warned his nation of its approach. He acted as its secret but unofficial agent after war had been declared, and, though without office, was closer to the heart of the struggle than any member of his country's cabinet.

THE THIRD, a general in the allied armies, was born in a railway shanty. He would not have been fighting Germany to-day if an Alsatian lad (his ancestor), had not escaped from a Bavarian press gang in 1744. Do you know him?

Rasputin, the self-constituted monk, who played so sinister a role in the downfall of the Russian dynasty. COL. EDWARD HOUSE, the confidential emissary and adviser of President Wilson. GEN. J. J. PERSHING, whose ancestors were Pfirschings, and who to-day heads the overseas forces of the United States—these are the three men pictured and described.

Russia collapsed, and The Toronto Daily Star published the story of the "mysterious one" who had led its court's excesses.

President Wilson declared war, and The Toronto Daily Star gave to its readers a series of articles on the confidential work of the man who had most influenced him.

The American forces began to make themselves felt, and The Toronto Daily Star presented the life-story of their great leader.

The Toronto Daily Star Alone in Ontario has Published their Histories

This policy will be continued. The Toronto Daily Star will endeavor to lift, for its readers, the curtain of diplomacy and intrigue and give them a glimpse at the great personalities on the world's stage.

For this purpose alone—it has twenty - four world - famous correspondents at the Peace Conference—They will keep Star readers fully informed upon every development.

The Toronto Daily Star has been famous for its feature stories. It published Harry Lauder's great book as a serial. Sir Frederick Smith, the Attorney-General of England, visited Canada, and The Star gave its readers his book of personal impression.

At the first of this year The Star began the publication of two outstanding Canadian stories of the war. The first, "My Three Years in a German Prison," by Hon. Dr. Henri S. Beland, M.P., former Postmaster-General of Canada, is in some respects Canada's most notable contribution to the literature of the war. The second, "From Mons to the Rhine with the Canadian Army," is a diary by Lieut.-Col. John A. Cooper, a distinguished Canadian journalist, describing the last and perhaps most spectacular phase of Canada's part in the Great War. Further important features, the best available, will be announced from time to time.

The main thing is you will want to read them. Don't take chances of missing the big stories. Subscribe for The Star and send your subscription in now. For 1 month, 25c. For 3 months, 75c. For 6 months, $1.50. For 12 months, $3.00.

The

Pathephone

DON'T believe everything you hear—without the *proof*. Do not permit mere sales talk to influence you in purchasing a phonograph.

When you are planning the purchase of the greatest of all musical instruments let your EARS, EYES and BRAIN compose the jury that will return the verdict as to which *is* the best phonograph for you. Compare the Pathephone with any other phonograph and in your comparison note particularly the following :—

"JACOBEAN" PATHÉ
Price $215.00
in Jacobean Oak, Mahogany and Walnut

TONE	*Rich, full, musical and natural—a true reproduction of the original.*
CONVENIENCE AND ECONOMY OF OPERATION	*Reproduction being by means of a sapphire ball, there are no needles to change and no wear on the record.*
PERFORMANCE	*It will play any record. Do not knowingly limit yourself to only one kind of record.*
CABINET DESIGN	*Beautiful reproduction of classical furniture instead of ugly boxes.*
CONSTRUCTION AND FINISH	*Note with what care and expert workmanship the Pathephone is built and the extra fine finish not only on the front but all over,—the quality goes right through.*
PRICE	*Although the Pathephone is better built, better finished, better designed and better value than any other phonograph it costs no more money than the ordinary phonograph.*

The Pathe' dealer will show you how easy it is to own a Pathephone, how a small cash payment—probably less than you expected to pay—will bring to your home the greatest entertainer ever invented.

A LATE EASTER.

Easter Sunday falls this year on April 20, which is within five days of being the latest date on which this moveable feast can fall. Most of the moveable feasts of the Catholic Church depend upon the feast of Easter, which is regulated by the full moon of the vernal equinox. The first council of Nice, held in the year 325, decreed that the feast of Easter should be celebrated on the Sunday following the full moon, which falls either on the 21st of March—which was looked upon at that time as the day of the equinox—or on the days following until the 18th of April. Hence, if the full moon falls on the 21st of March, and this be a Saturday, the next day will be Easter Sunday. But if it falls on the 20th, the moon will not be considered the paschal moon; the next full moon only, which will be on the 18th of April, can be reckoned such. Should this 18th of April be a Sunday, Easter would be the Sunday following, or the 25th of April. Easter, then, can be no later than the 25th of April, nor earlier than the 22nd of March.

DEATH OF G. J. M'PHERSON.

Geo. James McPherson, a farmer south of Wadena, died of influenza in the Grey Nuns' hospital at Regina on Sunday morning, March 16th.

The deceased was born in Peel county, Ontario, in 1879, came West in 1902 and homesteaded south of Wadena the same year. He was married on Dec. 27, 1911, to Miss Jeannette Speers, of Caledon, Ont.

He was a member and manager of the Presbyterian congregation at Fishing Lake; he also represented No. 4 Division as Councillor in the Municipality of Elfros for a number of years and took an active interest in everything that was an improvement or benefit in the community in which he lived.

He leaves to mourn his death his wife, his father, Angus McPherson, of Toronto; four sisters, Mrs. S. Price and Mrs. D. Ferguson of Toronto, Mrs. R. Blackmore of Wynyard, Mrs. A. M. Baxter of Caledon East, Ont., and two brothers, John and W. T. McPherson, farmers south of Wadena.

The funeral was held in Wadena on Friday afternoon and a large number of friends followed the remains to the Wadena cemetery.—Wadena, (Sask.) Herald.

THE LATE WM. DUFFY.

The death of Mr. William Duffy, a former resident of Bolton and Orangeville, occurred quite suddenly at his late residence, 87 Bartlett Ave., Toronto, on Monday evening, March 24th. Mr. Duffy had been in failing health for nearly two years and had been confined to his bed for the last six months. His sudden taking off in the end was due to heart collapse. Deceased was in his 73rd year and is survived by a widow, nee Eliza Jane Reid, a daughter of the late William Reid, of Orangeville, and two daughters, Mrs. Chas. Bennett and Mrs. Frederick Coulson, of Toronto. Michael Duffy, of Toronto, and George and Benj. Duffy, of Bolton, are the surviving brothers. Mrs. Chas. Wells, of this town, is a sister-in-law. The funeral was held from the C. P. R. station to the Forest Lawn cemetery last Thursday morning, Rev. E. R. Young conducting the services at the house and grave. The late Mr. Duffy was a teamster in Orangeville a couple of decades ago.

MISS MARGARET MANN.

The accident to little Miss Margaret Mann, the nine year old daughter of Mr. and Mrs. Alex. Mann, of Camilla, briefly reported in last week's Banner, proved of a much more serious nature than at first supposed. So severe were the girl's injuries that she passed away in Lord Dufferin hospital about eleven o'clock on Thursday. As stated last week the child was accidentally burned by the explosion of some aluminum paint, probably ignited from a lamp, while playing about in her father's store a week ago Friday night while Mr. Mann was unpacking some goods. The explosion set the child's clothing afire. Her father after a desperate struggle managed to extinguish the flames, but not before his daughter was severely burned about the face and arms. Mr. Mann was himself badly burned about the hands and arms in his fight to save his daughter from the consuming element. The injured girl was rushed to Lord Dufferin hospital, and it was at first thought her life could be saved. The sad occurrence created a feeling of deepest gloom at Camilla and also in Orangeville, where the bereaved family are well known and held in genuine respect. Mr. and Mrs. Maura McNaughton, Zina street, kindly offered the use of their home for the funeral, which was held from their residence to the Forest Lawn cemetery on Friday afternoon. A large number of friends from Orangeville, Camilla and elsewhere attended the obsequies. Rev. W. M. Morris, pastor of St. Andrew's church, conducted an impressive service. The pallbearers, six Camilla young men, were, Henry Gemmill, Kenneth Henry, Kenneth Stewart, Jack Marshall, Eldred Little and Gordon Moffatt. Among the numerous beautiful floral tributes were the following: Wreath from the teacher and pupils of Camilla Public school; sprays from Ladies' Aid and Women's Institute, Camilla; Miss Maggie Moore, Camilla; Joe White and family, Camilla; Mr. and Mrs. Alex. Bell, Camilla; Miss A. T. Anderson; Mr. and Mrs. Walter Fairbairn and family; Mr. and Mrs. Bingham; Miss Winnie Bennett, Masters John and Ajan Kyles, Misses Marion and Barbara McNaughton, Orangeville.

Sincerest sympathy is felt for Mr. and Mrs. Mann and their other daughter, Elizabeth, in the great sorrow that has shadowed their lives.

A BIG AUCTION SALE.

Mr. J. B. Armstrong, 2nd line, Amaranth, was not favored with very good weather for his big auction sale last Friday. While the day affected the attendance it did not have any effect on the bidding, which was both keen and spirited. As a result everything that was offered was sold at good prices. Cows averaged from $90 to $102 each and horses sold from $165 up to $245 apiece. Including a few articles which Mr. Armstrong disposed of privately after he sold his farm, the sale realized almost $6000. In view of the unfavorable day Mr. Armstrong is very much gratified at the success that attended his sale and the liberal manner in which those who attended bid and bought up everything that came under the hammer. Auctioneer Jas. A. Patterson was in fine form and handled the sale with even more than his usual skill.

AMONG BEST WEEKLIES.

Turner's Weekly of Saskatoon is taking its place among the best of the weekly publications of Canada. While apparently largely devoted to the interests of the soldiers, the latest number to hand contains several well-written articles of wide general interest, good poetry, and well-selected jokes. The editor, Mr. Harris Turner, is the soldiers' member of the Saskatchewan Legislature, who lost his eyesight at the front during the great war. The brightness of the publication is a tribute to his courage and spirit.—Toronto Globe.

WANTS EVERYBODY TO KNOW ABOUT IT

John Ashby is Like New Now Since Taking Tanlac—Gained 30 Pounds.

"The best evidence of the merits of a medicine is what people who have actually taken it have to say about it. And this is true and beyond all question when such statements are made by people of high character and published right in the community where each fact can be investigated and verified.

John Ashby, a well-known and highly respected citizen of Bloomfield, Ontario, called at the City Drug Store in Picton recently and made the following remarkable statement regarding the benefits he has derived from the use of Tanlac:

"The best proof I can give that Tanlac was the right medicine for me is the way it has relieved my suffering and built me up. My normal weight is around one hundred and fifty pounds, but I had fallen off as a result of a bad stomach and other troubles until I was getting to look like a skeleton. Why, when I first started on Tanlac I weighed only one hundred and seventeen pounds, and I now tip the scales at one hundred and forty-seven. Think of it; I have actually gained thirty pounds and have only taken four bottles of Tanlac.

"Last June my stomach got all out of order so that I couldn't eat without suffering from indigestion. I was also badly constipated, suffered from a sluggish liver, and would often have dizzy spells when my head seemed to be going round and round. I was under treatment for several months, but in place of getting better, I was going down-hill rapidly. I couldn't work, and simply felt all run-down and miserable all the time.

"Finally, one of my neighbors advised me to try Tanlac and almost as soon as I commenced taking it, I started to straighten up. I have taken four bottles now, and without going into detail about my wonderful improvement with each bottle, I'll just say that I am like a brand new man. I haven't lost a day from work in two months. Tanlac is a great medicine for the stomach and for constipation. I have never run across anything as good as Tanlac Laxative Tablets. By using the two together all my indigestion, constipation, dizziness, and everything else that troubled me have been relieved. I want my statement published in all the papers as I want to do what I can to let all who are suffering like I was know about this most wonderful medicine."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

DAYLIGHT SAVING.

The action of the House of Commons in voting down the Daylight Saving Bill was not surprising in view of the strong feeling against the innovation that exists throughout the country, particularly among the farmers. The matter would probably have ended with the rejection of the Bill had the Railway companies not felt themselves obliged to adopt Daylight Saving and move their clocks forward an hour in order to maintain the existing connections with the railways of the United States, which are of course running on the new time. The action of the railway companies has caused no end of confusion and if sustained by the Railway Board will likely result in the practical adoption of Daylight Saving throughout the country despite the action of the Federal Parliament. Citizens of Orangeville found it difficult to realize on Monday morning that if they wanted to catch the southbound trains they must reach the depot by 8.30 instead of 9.30, the accustomed time. Despite the change and the consequent confusion those who wanted to travel got out in time, and we have not heard of anyone missing any of the morning trains. On account of the change in the train schedule the post office was obliged to open at 7 o'clock, bus and dray men were compelled to get out an hour earlier and the express office opened up an hour earlier than usual. The hotels were also affected as it was necessary to have breakfast for their guests in time to allow them to catch their trains. The fact that the railways were running on the new and the town on standard time caused no end of confusion and uncertainty. Mayor Lewis after consultation with members of the Council took steps to clear up the local situation by issuing a proclamation asking all citizens to adopt the new time and advance their clocks and watches one hour. Citizens and business men, with few exceptions, fell in line and on Tuesday the town, including schools and other public institutions, was running on daylight saving time. The change is meeting with vigorous protests from the farmers of the district, who have never taken kindly to the change, which they feel affects them adversely, giving them an extra hour at the end of the day which is least suited to outside work on the farm and depriving them of an hour when they can work to the best advantage. On the other hand advocates of the change argue that the farmer makes his own time anyway, in other words works early or late as the particular work in which he happens to be engaged may require, and is therefore not greatly affected by any arbitrary change of time. Let this be as it will, the fact remains that daylight saving is just about as popular in the country as a skunk would be at a wedding reception.

DIED.

McKENNA—In Mono, on Saturday, March 29, 1919, Mrs. Mary McKenna, widow of the late Hugh McKenna, aged 82 years.

Funeral from the residence of her son-in-law, Mr. Andrew Moffitt, lot 12, Con. 5, east, Mono, to St. John's cemetery, on Wednesday, April 3rd, at 1.30 o'clock.

PERSONALS.

Mr. Neil Crowe spent the week-end with friends in Toronto.

Mr. C. V. Jeffers is spending a few days in Toronto.

Mr. Leonard Edwards spent Sunday with friends at Camilla.

Mrs. Kellogg, of Niagara Falls, N. Y., is visiting Mr. and Mrs. R. Fairbairn.

Mr. R. W. Williamson, of Toronto, was the guest of his cousin, Mr. Jos. Davis, over the week-end.

The many friends of W. H. Lambe, who underwent an operation in the Western hospital on Thursday of last week, will be pleased to know that he is doing as well as can be expected.

Mrs. Alex. Park, of Grand Valley, was the guest of Mr. and Mrs. John Park over the week-end.

Mrs. R. Mann, of Windsor, was here last week attending the funeral of her granddaughter, the late Margaret Mann.

Mr. and Mrs. Jack Clark, of Southampton, have been visiting the former's parents, Mr. and Mrs. Edward Clark, for the last ten days.

Mr. Edmund Holmes, of the Bank of Commerce staff, who has been transferred to Parkhill, left for that town on Monday morning. The good wishes of his local friends accompany him.

Mrs. J. H. Maguire, of Windsor, and two children, Mrs. H. R. Polson and Mr. R. Mann, of Toronto, Mrs. D. McLean, of Erin, and Mr. Wm. Wilson, of Corbetton, were here last Friday attending the funeral of the late Margaret Mann.

Mr. Gordon Varcoe and little daughter, Gwendoline, left for their home near Calgary on Monday after spending the winter at her home in Dundalk and with friends in Orangeville. Mrs. Varcoe's sister, Miss Gertrude Ritchie, accompanied her as far as Bolton.

Mr. J. J. White, ex-Reeve of Orangeville, arrived home from the West on Monday night. Our townsman reports mixed conditions in the Western provinces. Wherever last year's crop was good business is brisk and a feeling of optimism pervades. In other parts where the crop was a partial or complete failure everything is quiet and dull.

BABY'S HEALTH IN THE SPRING

The Spring is a time of anxiety to mothers who have little ones in the home. Conditions make it necessary to keep the baby indoors. He is often confined to overheated, badly ventilated rooms and catches colds which rack his whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will prevent colds, constipation or colic and keep baby well. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

—J. E. Smith & Co. have purchased the east half of the Phillips block from Dr. T. G. Phillips, of Toronto. The firm intends to make extensive alterations in the building, which will be fitted up for an auto salesroom.

MILITARY NOTES.

Corp. E. W. Statia, one of the soldier sons of Mr. V. A. Statia, editor of the Dufferin Post, arrived home unannounced on Friday night and therefore missed the reception that he would have been gladly accorded had our citizens had advance notice of his coming.

A. J. Sutherland and Robert Cunningham, two former 164th men, arrived home unannounced on Saturday morning. Both are Mono men. Sutherland lived with Mr. Robt. McKim, now of this town, before he enlisted and Cunningham made his home with Mr. J. E. McMaster, Prince of Wales Road.

Gunner O. D. McCartney, of the 33rd Battery, is spending a few days with Mr. and Mrs. Wm. McConnell and other relatives in town on his way home from overseas. Gunner McCartney is a son of Mr. John McCartney, of Emerson, Man., formerly of Caledon.

Lieut. Bert Brinsmead, of Loverna, Sask., paid Orangeville friends a short visit last week, while on his way home from overseas, where he saw 15 months service with the Royal Flying Corps. Lieut. Brinsmead was the guest of his cousin, Mrs. E. R. Goodeve, during his stay in town.

A large crowd gathered at the depot on Saturday night to welcome home four of Orangeville's soldier sons in the persons of Sapper W. W. Lackey, of the C. O. R. C. C., son of Mr. Sampel Lackey, who went overseas in November, 1915; Pte. Harry King, son of Mr. and Mrs. Chas. King, Zina St., and a former 164th man; Driver Alex. Fleming, younger son of Mr. and Mrs. George Fleming, Broadway, and Dalton Gillespie, son of Mr. Jos. Gillespie, of Amaranth. The Citizens' Band aided in the welcome and headed the procession which escorted the boys up town. The returned heroes are all looking well, but showed signs of the harrowing experiences of modern warfare. Alex. Fleming, who left here a mere boy, was perhaps the most changed of the lot. He has grown much stouter and looks considerably older than when he left. He served as a driver with the 3rd Divisional Ammunition Column.

There was a hot time in the old town on Monday night and the cause of it all was the homecoming of Gunners "Hutch" Keith, Earl Stevenson, Bert Booth and Percy Leighton, who enlisted in the 33rd Battery early in 1916. Keith, Stevenson and Booth are former lacrosse players and it was only natural that Jimmy Armstrong, one of the fathers of the national game in Orangeville, should go to Toronto to meet his boys and accompany them the rest of the way home. The welcome started in Toronto, grew in intensity at Caledon where a number of relatives and intimate friends boarded the train and gave the returning men a rousing greeting and reached its climax at Orangeville, where the ringing cheers of five hundred citizens completely drowned the music of the town band. It had been planned to have Stevenson leave the train here, share in the welcome home and then motor to Laurel where another reception was awaiting him, but the arrangement was changed owing to the bitterly cold night and also partly out of deference to the wishes of his Laurel friends. The 15 minutes wait here gave "Stevie" a chance to leave the train a few minutes and learn just how glad the people of Orangeville were to see him home again. The other three men were escorted to a waiting auto and driven up town, where they were formally welcomed home by Mr. D. B. Brown, of the local Reception Committee, who concluded his remarks by calling for a round of cheers, which were given with right good-will. The boys are all looking fine and are delighted to be home again.

Pte. Leslie Wood and Pte. Holly Simpson, both of East Garafraxa, returned a week ago Monday night, the former going to Orton and the latter to Waldemar.

—Hear Councillor Peter Wright in his exposure of German plotting and intrigue, Opera House, Friday night.

YOUTHFUL POWER CENTURIES OLD

FOR thousands of years the waterfalls of Ontario have wasted energy that the Hydro-Electric Power Commission of Ontario now has yoked to productive dynamos.

What was formerly mostly sound and spray is being transformed into electrical energy — a willing, obedient, tireless servant. It lights homes, stores and offices; operates street cars and factories; makes work easier and life more enjoyable.

It is the object of the Hydro-Electric Power Commission to render the best possible service at a reasonable rate. To attain that end the most modern electrical equipment is installed in power houses and distributing stations.

It is just as essential for you to use electrical appliances equally as modern and reliable in your home.

HYDRO Quality Lamps are the standard lamps of the Commission for home lighting. They are tested in the laboratories of the Commission for brilliancy of light, minimum current consumption and length of life

CHRISTMAS IN ENGLAND.

Soldiers Fared Well, But Minds of Many Men Were Back Home in Canada.

Mr. Alexander McMaster, of Snelgrove, has received the following interesting letter from Driver G. G. Atkinson, who taught school in the Mono College school for a time a few years ago:

Camp Bordon, Hants, Eng.,
December 30, 1918.

Dear Alex.,

I have intended to answer your last letter for some time now, but have always neglected to do so. However, I will make up for it now, as I am not very busy today, although I have still many letters here which should be answered.

Well, the Christmas season is over at last, and although there is a big difference between the Christmas at home and the Christmas in the army, yet we have had a very good time. Our Christmas dinner was the part that is worth mentioning and the part most enjoyable to the boys over here. The fellows certainly got their share of turkey, plum pudding, oranges, nuts and candies and I am certain there wasn't one fellow who came away from the table that day with a hungry feeling. In fact some of the more enthusiastic chaps with large appetites ate so much that they could not find room for any supper. There certainly was plenty of Christmas cheer floating around the camp on Christmas Day and the soldiers on the whole were well satisfied.

Still, there were many fellows who wore a very thoughtful look all day. Even at the dinner table, when the rest, full of the spirit and good-will that exists in every human being at Christmas, especially this Christmas, were enjoying themselves to the utmost, they could not be brought out of their thoughtful state of mind. The result was they couldn't enter into the same spirit as the rest of their comrades. It would be pretty difficult to try to imagine what was passing through the minds of these particular soldiers. There are certainly many incidents in the everyday life of a soldier, which would occasion them having such a thoughtful mood come over them, but we would be pretty safe in saying that the main subject of their thoughts was "Home." The Canadian soldier, especially if he has been over here any length of time certainly realizes the world of thought suggested by the word "Home."

I expect that everybody in Canada will have a satisfied feeling now that the war is over. We don't realize it yet, as we are still soldiering and will likely be for five or six months yet. It wont be long before they will start to demobilize the Canadian Corps at the front. The First and Second Contingents expect to be sent home some time in February or March and they are the ones who are longing for a sight of Canada, the land of the maple, again. Two, three or four years of war, as the case may be, has certainly been a heavy strain on these men. I met my brother on Dec. 10th, the first day I arrived in Bordon and have been having a good time with him. He is a cadet here at Bordon and was taking out a commission in the Canadian Field Artillery. He will not finish his course, however, and will likely go back to Canada as a cadet. He certainly was looking well and had not been wounded at all, but was in the hospital once for two weeks with the trench fever.

I have certainly been travelling around the southern part of England since I arrived here. I have been at Trensham Pond Camp, Witley, Winchester, Bordon, and I expect to move to some other camp tomorrow. I liked Winchester better than any other camp I have been in. The city of Winchester is noted for its ancient and historical buildings. Winchester Cathedral, which is the fourth largest cathedral in the British Empire, is surely a wonderful building. Then the Hospital, Abbey and Castle are certainly fine buildings and carry with them a history worth remembering.

I guess I will close as my letter is getting long and you might fall asleep before you finish. When I get back to Canada I will be glad to look you up. Remember me to the rest of the family. I remain,

Yours sincerely,
G. G. Atkinson.

AFTER SICKNESS THEY GAVE HER VINOL

And She Soon Got Back Her Strength

New Castle, Ind.—"The measles left me run down, no appetite, could not rest at night, and I took a severe cold which settled on my lungs, so I was unable to keep about my housework. My doctor advised me to take Vinol, and six bottles restored my health so I do all my housework, including washing. Vinol is the best medicine I ever used."—Alice Record, 437 So. 11th St., New Castle, Ind.

We guarantee this wonderful cod liver and iron tonic, Vinol, for all weak, run-down, nervous conditions.

C. V. Jeffers, Druggist, Orangeville.

BE READY FOR EMERGENCIES.

The best way is to always keep a bottle of Dr. Chase's Syrup of Linseed and Turpentine in the house, ready for emergencies. Then when croup, or colds, come suddenly they can be promptly cured before they have time to reach an acute and dangerous stage. To meet this requirement we have put the syrup up in family size bottles which contain nearly three times as much as the 25-cent bottle and sell at 60 cents.

Kilburn Russell, of the Dundalk Herald, has purchased the Highgate Monitor from Ed. Colgan, who bought the paper about a year ago and will now return to his old love, the foremanship of the Dundalk Herald.

At a public meeting of Blyth citizens it was unanimously decided to erect a memorial hall in commemoration of Blyth soldiers who fell in battle. Work on it will be started almost immediately.

Recently F. Edwards' house in Brampton was entered and $14 stolen. Last week the Brampton Bargain Store (Harvey and Crawford's Old Stand), was entered from the rear, and shoes, ties, clothing and other articles stolen. The thieves used wax candles in making their collection.

An old colored man was burning dead grass when a "wise guy" stopped and said, "You're foolish to do that, Uncle Eb; it will make the meadow as black as you are." "Don't worry 'bout dat, sah," responded Uncle Eb. "Dat grass will grow and be as green as you is."

New in Beauty, Old in Virtues, This Maxwell Has Stirred Canada

MEN buying cars today are giving this present day Maxwell searching consideration. For where, this moment, can you get a car, like a Maxwell, the chassis of which has had a 300,000 manufacturing run and the beauty of which has been improved to an astonishing degree?

They're weighing the soundness of the 300,000-all-alike-for-five-years logic and they translate that into reliability supreme.

They know in their own business what changes in plan, in program, mean—how serious the losses in good will and profits—the dissatisfied customers.

Many of them have been "burned" by "new models" in days gone by, and have joined the "never again" club.

So this present day Maxwell has a deep appeal to them; and thousands since January 1 have reached for their check books as soon as they laid eyes on this new Maxwell.

Perhaps it is unfair to say "new" because the chassis is five years old in design. When we say "new" we mean its vastly improved appearance.

There are twenty-four things done to the Maxwell to make it better looking. Sharp angles have been removed; lines straightened; certain corners eliminated; bonnet vents increased in number; three more coats of paint added; fenders lowered; seats thickened three inches; a circassian dash installed; gas tank put in the rear, etc.

See the latest Maxwell, and you'll want one, too.

SPECIFIC FOR BRONCHITIS

The turpentine used in Dr. Chase's Syrup of Linseed and Turpentine is not the ordinary commercial article, which is little used because of the unpleasantness of taste, but is specially extracted from tamarac and spruce gum and so combined with other valuable ingredients as to be at the same time pleasant to use and wonderfully effective in the cure of affections of the throat, bronchial tubes and lungs.

EARLY GROWING OF PLANTS

By the use of hotbeds and cold frames plants can be grown through their earlier stages out of doors even before the growing season has arrived. By the use of these, garden crops can be secured much earlier in the season than if seeding is delayed until the soil is warmed up in the open garden. Such vegetables as peppers, egg plant, melons, etc., can be so hastened in the spring as to ensure their maturing before the frost period arrives in many parts of Canada where these crops are not usually grown. Such crops as radish, lettuce, spinach, and other vegetables can be made to reach a marketable size relatively early in the summer.

While hotbeds, as the term signifies, are heated with fermenting manure, the cold frame depends upon the sun shining through the glass sash to warm up the soil and start growth. The cold frame, for that reason, is more easily adopted, although it cannot be used to so great an advantage.

This information is taken from Pamphlet No. 19 of the Dominion Horticulturist, and available at the Publications Branch, Department of Agriculture, Ottawa. The method of constructing hotbeds and cold frames, as well as the system of using them, are fully described in this publication.

EIGHT GOOD REASONS WHY YOU SHOULD BUY A

DE LAVAL

GREATER CAPACITY—New capacities have been increased 10 per cent. without increase of speed or effort required in operation.

SKIMS CLOSER—The improved bowl design, together with the patented milk distributor, gives greater skimming efficiency.

EASIER TO WASH—Simple bowl construction and discs caulked only on the upper side make the bowl easier to wash.

EASIER TO TURN—The low speed of the De Laval bowl, the short crank, its unusually large capacity for the size and weight of the bowl, and its automatic oiling throughout, make it the easiest to turn and least tiring to the operator.

THE MAJORITY CHOICE—More De Lavals are sold every year than of all other makes of separators combined. More than 2,325,000 are in daily use—thousands of them for 15 or 20 years.

TIME TESTED—The De Laval was the first cream separator. It has stood the test of time and maintained its original success and leadership for 40 years the world over.

EQUIPPED WITH SPEED-INDICATOR—Every New De Laval is equipped with a Bell Speed-Indicator, the "Warning Signal" which insures proper speed, full capacity, thorough separation and uniform cream at all times.

SERVICE WHEN YOU NEED IT—The worldwide De Laval organization, with agents and representatives ready to serve users in almost every locality where cows are milked, insures the buyer of a De Laval quick and efficient service whenever he needs it.

Order your De Laval now and let it begin saving cream for you right away. Remember that a De Laval may be bought for cash or on such liberal terms as to save its own cost.

HOSPITAL NOTES.

The regular monthly meeting of the I. O. D. E. will be held at the home of Mrs. Fisher, on Friday, April 11th, at 3.30 p.m.

The members of Lord Dufferin Chapter of the I. O. D. E. wish to thank the Chairman, Mr. J. E. Thompson, and Committee, composed of Messrs. J. Kannawin, D. W. Gray, A. Widdis, J. Langtree, H. Johnston and S. W. C. Hughson, for the very generous sum of $92.25, being the proceeds from the box social and dance held in the Opera House under the auspices of L. O. L. No. 635. The above amount has been placed to the credit of the building fund. This is a splendid result from the zealous efforts of these gentlemen in making such a large financial gain towards the Hospital building fund.

THE BRITISH NAVY.

SAVED THE WORLD FROM GERMAN AUTOCRACY AND TYRANNY.

The British Navy has a vigorous and convincing advocate in the person of Peter Wright, Chairman and Trustee of the Seamen's and Firemen's Union of Great Britain, who addressed a large and keenly appreciative audience in the Opera House on Friday night. Mr. Wright told his Orangeville hearers that the Navy discovered, made and maintained the British Empire. Despite their arduous labors, the grave dangers they were constantly called upon to face and their splendid services to the nation, the men of the navy from the Admiral down, prior to the war, were hardly paid enough to buy them the necessities of life. Speaking of the activities of the German submarines during the war, Mr. Wright stated that it was always a great mystery why British sailors stuck to Dante's Inferno they were obliged to face in the manner they did. British seamen could always be found ready to go to sea, even though going to sea was hell with the lid off. Even an authority so eminent as Ex-President Taft had made the public admission that the British Navy had saved the American continent from the Huns. If it had not been for the British Navy German rule and German culture would have prevailed throughout the length and breadth of this continent. Contrasting the British Empire with other nations, the speaker declared with fervent conviction that there is not another country on the face of the earth where men enjoy the possibilities and where men and women enjoy the honor and freedom that they do under the folds of the Union Jack. The German system of government he described as the product of autocracy, darkness and iniquity. The speaker created great amusement by describing the manner in which he was permitted to address a meeting in Berlin in 1910. He was obliged to submit his address to the authorities before delivery, and when it was returned the important part of what he had intended to say had been struck out, and he was left with the introduction and close of his speech.

The speaker drew a striking picture of the treatment of British seamen who became German prisoners as compared with the decent and humane treatment accorded the German prisoners in Great Britain, and attributed the German policy of frightfulness in large part to their knowledge that the outcome of the war depended on the British navy and mercantile marine and their determination to frighten the British sailors off the seas if such a thing were possible. It was absolutely imperative that the people of Canada should understand the psychology of the Hun. The German military leaders deliberately embarked upon a policy of barbarism and of brutality for the purpose of bringing fear into the hearts of the Anglo-Saxon people. Councillor Wright gave a number of instances of German brutality and heartlessness on the seas and also on the Western front, which he had visited at the express request of Lord Kitchener and where he himself saw the proofs of the diabolical cruelty of the Hun. While speaking of this visit to France the speaker paid a warm tribute to the heroism of the Canadian soldiers, declaring that not even time will be able to eradicate their glorious deeds from the annals of history. The audience gained some idea of the effectiveness of the British campaign against the submarine from the statement that during the war the British had bagged about two hundred submarines. The Germans were clever, said Mr. Wright, but they always failed at the psychological moment. Mr. Wright was in Petrograd during the Trotsky revolution and was an unwilling witness of many of the horrors that accompanied and followed the fighting. He candidly confessed that he never expected to leave the city alive. His description of the misrule, lawlessness and wholesale murder in the Russian capital pictured the Reds in anything but a creditable light. In closing his most impressive address Mr. Wright emphasized the fact that it was the British navy that has saved the world, crushed autocracy and brought to nought the philosophy that right is might and that necessity knows no law save force. He made an earnest plea for the maintenance of the Navy League and the extension of its activities and urged his hearers to join the League as a national association and a factor in unifying and strengthening the Empire.

The speaker was accorded a most attentive hearing and was frequently interrupted by applause of the heartiest character. Col. Preston occupied the chair, the Orangeville orchestra gave several numbers while the audience was assembling, Mrs. Liddy and Mrs. Bowles contributed a delightful piano duet, and Mr. M. A. Carthew, a finished singer and the possessor of an unusually fine voice, sang a couple of patriotic numbers in fine style.

The hearty thanks of the audience were tendered Councillor Wright upon motion of Mayor Lewis, seconded by Mr. C. R. McKeown.

A GOOD MEDICINE FOR THE BABY

Nothing can equal Baby's Own Tablets as a medicine for little ones. They are a laxative, mild but thorough in action, and never fail to relieve constipation, colic, colds and simple fevers. Once a mother has used them she will use nothing else. Concerning them Mrs. Saluste Pelletier, St. Damas des Aulnaies, Que., writes:—"I always keep a box of Baby's Own Tablets in the house. They are the best medicine I know of for little ones and I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

VETERAN TELLS OF A TERRIBLE EXPERIENCE

BEFORE HE FOUND RELIEF IN DODD'S KIDNEY PILLS.

Postmaster of Hereford Points the Way to Health to Other Sufferers from Kidney and Bladder Trouble.

Hereford, Que., April 7.—(Special.)—Mr. A. Peabody, the veteran postmaster here, is one of the many old people who claim to have received a new lease of life through the use of Dodd's Kidney Pills.

Mr. Peabody is in his 84th year, but wonderfully strong and active for one of his age. But he was not always thus. "For six years," he says, in telling his story, "I suffered from kidney and bladder trouble. I had those sharp, streaky, lightning pains through my muscles, even to my finger tips.

"In March, 1917, I was taken with a shaking chill and deathly pains through my abdomen, groins, and the small of my back. I was confined to my bed for three weeks, during which time I often had to get up as often as twenty or thirty times a day.

"I tried many remedies, but got little benefit till I tried Dodd's Kidney Pills. In three days I got relief, and three boxes cleared all the pains out of my system. I also rest much better at nights.

"I am always glad to tell other sufferers from kidney and bladder trouble what Dodd's Kidney Pills did for me."

Ask your neighbors about Dodd's Kidney Pills.

THE TOWN COUNCIL.

Considerable Business was Transacted at Monday Night's Session.

Considerable business was transacted by the Town Council at its meeting on Monday night.

The Clerk was authorized to issue orders for the following accounts: A. Doerr, $2.50; Mrs. Sarah King, $15; Oliver Carpenter, $1.75; Jos. Ogston, $2; Geo. Eudle, $2.50; W. O. Thomas, $10.75; Orangeville Hydro Commission, $30.08; Bell Tel. Co., $8.75; Orangeville Hydro Commission, $158; E. C. Clark, $8.75; W. J. Curry, $9; Sam Street, $7.25; W. O. Thomas, 85c; John McConnell, $2.40; John Gough, $6; John Hicks, $2.50; A. E. Annis, $42.50.

John Gough's account of $10.38 for snow shovelling was cut down to $3 and an account from Mrs. E. R. Goodeve amounting to $25 was referred to the Streets Committee for report.

Mrs. C. N. Dahl, Treasurer of Lord Dufferin Chapter, I. O. D. E., applied for rebate of the rent charged the Society for the use of the Opera House, stated in her letter that there is no suitable place in the town to hold teas, bazaars and small entertainments and suggested that the downstairs rooms in the Opera House be cleaned, decorated and furnished for this purpose. Council granted a rebate of $3.00.

A motion was passed instructing the Mayor to call a meeting of the merchants to consider the market question.

A communication was read from the U. F. O. asking the Council to join in a petition for the repeal of the Provincial Highways Act.

Council confirmed the action of the Clerk in issuing an order in favor of Geo. Wilkins for $607.14, amount of the John Leighton note and interest.

A complaint from W. G. Salter respecting the poor lighting of that portion of the town east of the C. P. R. station was referred to the Streets Committee for report.

An application from McMillan and Palmer for permission to remove a gasoline tank from West Broadway to a point opposite their place of business was also referred to the Streets Committee.

A grant of $300 was voted to the Orangeville Public Library.

Mr. J. J. Laverty tendered his resignation as Captain of the Fire Brigade. Council accepted the resignation.

Mr. W. P. Dodds, Secretary of the Orangeville Farmers' Club, forwarded a resolution passed by the Club, complaining of the inconvenience caused by the adoption of daylight saving time and asking the Council to order business places to revert to standard time. The Clerk was instructed to acknowledge receipt of the communication and to inform Mr. Dodds that the Council was giving the matter its careful consideration.

The Hydro Commission will be requested to place a light on the post at the rear of Harshaw's stables.

The town constable was instructed that he must enforce the by-law regulating sidewalk and highway traffic.

Says the Old-time Painter.

SERVICE—Service and MAPLE LEAF PAINT have come to mean pretty much the same thing to me.

My painting worries began falling away the day I ran across MAPLE LEAF PAINT.

Good painting, like my reputation as a painter, depends on results—both of them sure do get a boost when MAPLE LEAF PAINT is used.

We painters are all the time running up against conditions and we can't overlook them—but I'm finding that MAPLE LEAF can pretty much take care of itself under most every kind of condition and score high marks with all the others in covering, wearing, appearance, and keeping things in good shape.

It's always ready for a good tussle with the weather.

I don't wonder at them saying that

"IT HAS NO EQUAL," SAYS ED. HOPPER

No Medicine Did Him Any Good Till He Took Tanlac.

"Tanlac has convinced me that it has no equal for people in the condition I was in, for it has made me feel like a different person," said Edward Hooper, of 2026 St. Clair Ave., Toronto, Ont.

"For four years," he continued, "I suffered from an awful case of stomach trouble. My appetite failed and the little I forced down hurt me. I felt like there was a lump right in the pit of my stomach and was constantly belching up sour, undigested food. I would get so dizzy that I would almost fall, I had dull headaches and felt unfit for work. I felt I was getting worse and don't believe I could have kept up much longer.

"I have taken four bottles of Tanlac now, and am feeling fine. My appetite is great, and I haven't been troubled with indigestion or gas since I started taking Tanlac. All that bloated feeling is gone, the dizziness has left me and I actually feel like a different person."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

CALEDON.

(Intended for last week.)

Seaman Thomas J. Glassford was tendered a very hearty reception on Monday night last. He was presented with a medal in recognition of his services in the Great War and in a neat speech thanked the committee and the people of Caledon for the reception and the medal which he said he would ever hold dear.

Wedding bells rang very sweetly here on Wednesday, when two of our popular young people were joined in wedlock. We join in wishing them a long and happy married life.

Pte. Geo. Phillips, who has been taking treatment in Toronto Military Hospital, is spending a few days with Caledon friends.

Caledon Methodist church will hold their box social on Thursday, April 10, when a good program will be furnished and a good time is expected. Save up your pennies boys, and buy your best girl's box. Admission, free.

Mr. Munson Jenkins came nearly having a bad fire on Monday last when his house caught fire. A prompt response from neighbors saved the place.

Miss Mary McLeod spent the week-end with her sisters in the Queen City.

Mr. Bert Clarke is moving to the McKim farm which he purchased last fall and carries with him the best wishes of a large number of friends for his prosperity as an owner of real estate on the 2nd line, east.

Mr. Daniel Sweeney had a very successful sale of his farm stock and implements on Wednesday last. Mr. Ben. Petch wielded the hammer in his usual capable manner and got good prices for almost everything. Three horses brought the sum of $632, one pig $100, hens $2 each, and cows well over the hundred mark.

Mrs. Wm. Moffatt has been rather seriously indisposed of late, but we are glad to report is now convalescing.

Mrs. Wm. Armstrong, of Erin, visited Caledon friends last week.

Mr. Steen Phillips, of North Bay, visited his aunt, Mrs. Wm. Moffatt, for a few days last week.

SPRING CLEANING DANGERS

Every housekeeper knows how often little injuries are met with during "spring cleaning" time and how easily the sore place becomes infected with dust and germs. The danger of this lies in the fact that injuries—slight at first, if not attended to, may become inflamed, fester, cause great suffering and inconvenience, and frequently lead to blood-poisoning.

To safeguard yourself, apply Zam-Buk at once to all cuts, scratches, abrasions, burns and scalds. This antiseptic balm immediately destroys all germs and prevents any danger of festering or blood-poisoning. Zam-Buk also ends pain and stops bleeding so quickly that no time need be lost by those who apply it as soon as an injury is sustained. Then the healing essences in Zam-Buk actually grow new skin, so that in a comparatively short time the wound is completely healed.

Zam-Buk is best for eczema, boils, pimples, rashes, ulcers and piles. All dealers, 50c. box.

THE MAPLES INSTITUTE.

The Maples Women's Institute will meet in Providence Methodist church, The Maples, on Thursday, April 17th, at 2.30 p.m., standard time. All members are requested to attend. Seeds will be ready for distribution at this meeting.

GLENCROSS.

Mr. G. L. Dodds has purchased from the Willow Bank herd of Jas. Douglas, Caledonia, the Shorthorn heifer Woodbine 19th, as a foundation for a herd of Shorthorns. This is a very fine animal of good type, being sired by the famous sire, "Browndale," the present herd sire at Willow Bank. Mr. Dodds is to be congratulated on his enterprise. The selection of this animal was made by H. A. Dorrance of the local Dept. of Agriculture.

DEATH OF DR. STRANG.

Leading Ontario Educationist Passes Away at his Home in Goderich.

The death of Hugh I. Strang, L.L. D., one of the leading educationists of Ontario, occurred at his home in Goderich on Friday last after a short illness.

Dr. Strang, who was in his 78th year, was born in Galt and was a son of the late Rev. Mr. Strang. At an early age he entered the teaching profession, moving to Goderich from Owen Sound in 1871. He was for forty-six years on the staff of Goderich High School and Collegiate Institute, being Head Master for thirty-five years. He was President of the Ontario Educational Association for a term, was a member of the Provincial Advisory Council of Education, a member of the University of Toronto Senate, and was the author of several school textbooks.

He held a unique place in the regard of his pupils, and in August, 1907, was honored by a Strang Old Pupils' Reunion, which brought together men of prominence from all parts of the continent. He retained to the end a lively interest in public affairs in general, but throughout his long and active life was pre-eminently associated with progressive educational movements.

One of his daughters, Miss Grace M. Strang, has been on the staff of Orangeville High School for a number of years. Miss Strang was apprised of her father's death on Friday afternoon and left for home on Friday evening. Her many friends here sympathize with her in her great loss.

LACROSSE MEETING WAS POSTPONED

The lacrosse meeting which was to have taken place in the Library Building on Monday night, was postponed until Friday night on account of the absence in Toronto of a number of the old and prospective players. Before adjurning the meeting those who were present had an informal talk over the prospects for the season. All agreed that Orangeville should be able to place a first-class team in the field this year. One enthusiast avers that the Dufferins should be able to line up a team of war veterans that would be able to hold its own with the best the province can produce. His line-up looks mighty good on paper. It was about as follows: Goal, Bert Booth; defence, Charlie Morrison, Veral Dedrick and Jack Brawley; centre, Earl Stevenson; home, Jimmie Dawson, Hutch Keith, Walter Vanwyck and Blythe Brown. With such men as Harry Firth, Horace McGuire, Jack Aiken, Don Macpherson and several others to fill the vacant place it must be conceded that if the veterans can be got into the game they ought to give a pretty good account of themselves in any company. Anyway everyone who has any interest in the game should turn out Friday night and help to get the ball rolling.

BAPTIST CHURCH.

Next Lord's Day (D.V.) Rev. Arthur Bowen, of Toronto, will preach at both services, at 11 a.m. and 7 p.m. (new time). This man comes to us highly recommended as a gifted speaker and as one who will do you good to hear him, so we would urge you not to miss this opportunity of doing so.

Sunday School at 2.30 p.m.
B. Y. P. U. at 8 p.m., Monday.
All welcome. Come.

A BOX SOCIAL.

A box social will be held in the school house of S. S. No. 18, Caledon, on Friday evening, April 11th. A Victrola and a number of violins will furnish music for the dance which is to follow the regular program. Every lady is requested to bring a box containing lunch for two and to enclose her name. Gentlemen, 50 cents.

HOME-COMING OF THE 20TH BATTALION

There will be a general meeting of the ex-members of the 20th Battalion at the Central Y. M. C. A., College street, Toronto, on Thursday, April 17th, for the purpose of making arrangements for the home-coming of the Battalion and the formation of an Association. Lieut. H. W. Clarke, of 35 College street, is acting as secretary.

CARD OF THANKS.

Mr. and Mrs. Oscar Banks and family desire to tender their sincere gratitude for the many acts of kindness and expressions of sympathy received from neighbors and friends during the illness and since the death of their aunt.

THE METHODIST CHURCH.

Next Sunday morning, April 13th, Mr. R. M. Geiger, a war veteran, will preach in the interests of the Educational Society of the Church. In the evening Rev. E. R. Young will occupy his own pulpit, his subject being, "Tragedy of Tragedies, The Might-Have-Beens."

Of the Home Circle Prayer Meeting next week, on Tuesday, April 15th, at 3 p.m., Miss Moffatt, Church street, will be the hostess.

An interesting letter from Dr. Birks, Missionary in China, was read at the League last Monday night by Miss Florence Annis. Miss Coulter gave a reading and there was a fine chorus given by six girls. Miss Wilcox was chairman. The annual election of officers takes place next Monday night.

The church year closes on April 30, and the congregational meeting will be held on Thursday evening, May 1.

Sunday, April 27th, will be the church anniversary. A fuller announcement will be given next week.

ALTON.

Mrs. Alex. Dick, who disposed of her home here some weeks ago, has gone to Brampton, where she is visiting with her daughter, Mrs. J. G. Smart. Mrs. Dick and her daughter, Miss Ola, intend to make their home in Brampton. Prior to her departure from Alton the Ladies' Aid Society of the Presbyterian church presented Mrs. Dick with a lady's handbag and a beautiful ebony brush. We regret the loss of residents as highly esteemed as Mrs. and Miss Dick and wish they many happy years in their new home.

Miss Ola Dick visited Miss Elsie Dodds, of Orangeville, over Sunday.

Two of our soldier boys arrived home unexpectedly last week in the persons of Howard Johnston, son of Mrs. John Gabriel, and Fred Martin, son of Mr. John Martin. We are glad to have them back again.

Mr. and Mrs. J. M. Dods and their party, consisting of Lieut. Andrew Dods, Misss Edith and Margaret Dods and Miss Grace Barber, arrived home from Florida on Friday night.

BLOUNT INSTITUTE.

The Blount Branch of the Women's Institute met at the home of Mrs. Chas. Crombie for their April meeting. In the absence of the president, Mrs. J. J. Crozier occupied the chair. The Institute resolved to support a cot in the Muskoka Hospital for Tubercular Children for the coming year. Orders for department seeds were taken. After the business was transacted a short social period was enjoyed, the glowing fire in the large hearth adding a comfortable touch to the sociability of the afternoon. A delicious luncheon was served and the members dispersed.

MILITARY NOTES.

Corp. Maurice Ferguson, a son of Mr. and Mrs. W. T. Ferguson, of Amaranth, who was twice wounded in action in France, arrived home about ten days ago. Pte. Ferguson enlisted in the 164th Batt., but was transferred to a Machine Gun unit after going overseas. He went to France in September 1917.

Sapper Jack Brawley, oldest son of Mr. and Mrs. Alfred Brawley, Margaret street, received a hearty welcome from the Band and citizens of the town on his arrival home on Friday night. Jack, who is a tall, athletic chap, has grown quite stalwart since he donned khaki and looks the picture of good health. He enlisted with the 56th Canadian Engineers and went overseas late in May of last year. He was sent to France very shortly after he reached England and was on active service until the suspension of hostilities following the signing of the armistice. Brawley is a railwayman and before he enlisted was employed as a brakeman on the Orangeville-Teeswater branch of the C. P. R.

AN OPEN LETTER

To Soldiers Returning From Overseas Service

Do you feel that you are going to be under a handicap when you re-enter civilian life? Are you fully prepared to take up your former occupation or start a new one? Have you the knowledge of business affairs that is necessary if you are to compete successfully with your fellows—in any line of occupation ?

At no time in the past have there been the great opportunities for the young man in manufacturing, mercantile life, agriculture, etc., as there will be in the coming re-construction period of Canada. Business during your absence overseas reached a new and higher standard of activity, and it has never before been so necessary to be thoroughly trained in businss methods; to be able to transact business successfully and to have the necessary confidence in your own ability to secure you from fraud or imposition.

A special training along these lines is necessary to fit you for business life, and it may be obtained within a short space of time—a Business Course at the Northern Business College, Owen Sound, Ont., which has been arranged with a view to giving young people a broad and practical insight into modern methods of commercial activity. It is possible within a few months to put yourself in possession of a fund of special knowledge that will enable you to get in on the "ground floor" of Canada's re-constructive period, to face life with the utmost confidence, and which will be of the greatest assistance to you, no matter what line of endeavor you intend to follow.

There are no entrance examinations and you are not debarred in case you have neglected your early education. In fact there is a special Preparatory Course where public school subjects may be taken up. The instruction is largely individual so that very rapid advancement can be made. The Principal is a Chartered Accountant and supervises all instruction.

It is expected that Capt. G. D. Fleming will be demobilized in time to retur nto the staff for the Spring Term.

Spring Term opens Tuesday, April 22nd in Business, Preparatory, Shorthand and Typewriting Departments. It is your opportunity.

Catalogue free on request. Send for the booklet, "The Road to Tomorrow."

Worthier Ideals Needed To Face New Conditions During Reconstruction

THE pamphlets issued by the British Ministry of Reconstruction are interesting as showing how deeply the problem of resettlement after the great conflict has affected Governmental circles and also how much more the Central Government is in touch with public opinion and the real needs and wishes of the community than was formerly the case. The first pamphlet issued, "The Aims of Reconstruction," is compiled largely from speeches made by the Minister of Reconstruction, and the first statement as to what is often loosely described as pre-war conditions is a good indication that the Ministry is alive to real progress and the evolution of the social system. The idea that "Reconstruction is simply a return to the old existing ante-war conditions, has been shown to have been supplanted by the larger and worthier ideal of a better world after the war.

"The experience," to quote directly from the publication, "through which the country has passed has enlarged its sense of what is possible and at the same time quickened its sense of what is fair and right." If we are to appreciate the lesson of the war, we shall not be content to bring life back into its pre-war channels, but the policy will have a more permanent object in view, one in harmony with the spirit evoked by the war throughout the community. This is undoubtedly true, and equally true is the further statement that many of the conditions existent in July, 1914, are such as bring a feeling of shame, coupled with a desire to alter and rebuild national life. The Ministry of Reconstruction is in no sense an executive department. Its province is to devise plans, not to carry them out; that part can be undertaken by the existing departments. But if the Ministry has done no more than vitalize the machinery of existing departments it will have justified its appointment.

Shipping in all its varied phases and developments and the supply and distribution of raw materials of all kinds come within the scope of reconstructive enquiry. The allocation of material to trades is a vast subject, and in connection with this it is interesting to note that a Government decision has already been announced. The Government has asked the trades themselves, through the medium of representative councils, to do their own distribution, a decentralization which is a good augury for future developments. Transport embraces the immense railway system, the transport possible to rural areas, canals and aerial transports. The disposition and utilization of motor vehicles available when no longer required for war will, as one example alone, show what work lies before the administration. An illuminating statement is made in connection with the increase of national output. Large changes will characterize the relations of employe and employed, but increased output and improved conditions are two sides of the same shield and confidence must take the place of mutual suspicion.

The recommendations of the Whitley Committee, adopted by the Government in October, 1917, are touched upon and shown to be the best upon which to organize industrial reconstruction. The Ministry is making a general survey of the conditions under which industrial work is being carried out, an exhaustive enquiry into wages, hours, sanitation, safety, and every detail affecting the workers.

Rural development, agriculture, forestry, housing and education are all within the province of inquiry of the Ministry of Reconstruction, and lastly, finance, in all its broad bearing is absorbing the attention of experts. The Ministry's work is at all events an evidence that the country is thinking along constructive fundamental lines, and has discarded in large measure, the old go-as-you-please methods which have been responsible for so much that is unworthy in the past. Finally the aims of reconstruction extend beyond the centre of home to the large subject of international recuperation, which will make demands upon all the loyalty and good faith of which each nation is possessed, when peace is proclaimed.

The aims of reconstruction are high ones, but it remains for the individual citizen to carry them out in his different trade and locality. It is an age of pamphlets and resolutions, and there is just one element which needs careful watching, and that is the tendency to regard noble sentiments as accomplished facts, whereas they are only the initial call to practical achievement.

Vaccination.

The first compulsory vaccination act was passed in England 64 years ago. Ten years later vaccination became obligatory in Scotland and Ireland, and this means of protection against smallpox has since become general in nearly all civilized countries. There was, of course, much opposition to the new law in many quarters, and anti-vaccination societies were formed. These exist even to-day in many parts of the world. Thirty-three years ago an anti-vaccination riot occurred in Montreal. A mob attacked the City Hall and threatened to burn the newspaper offices, but the police succeeded in quelling the disturbance. Similar outbreaks, especially among eastern peoples, have occurred from time to time.

Rum Rations for Grave-diggers.

In Montreal during the influenza epidemic the over-worked grave-diggers were served with rum rations while they worked hours' overtime in the pouring rain.

"For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This, I refused to permit.

I heard about '*Fruit-a-tives*' and the wonderful results it was giving because *this medicine is made from fruit juices*, so decided to try it.

The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent — I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks".

MONO COUNCIL.

Council Chamber, Mono Centre, March 21, 1919.—Council met per adjournment of former meeting. The members were all present, the Reeve presiding. Minutes of last meeting were read and confirmed. The following accounts and resolutions were dealt with and passed by the Board:

General — Geo. McDonald, services as auditor, $6; Wesley Duke, services as auditor, $6; Gillespie Bros., hardware for Centre Road bridge, 50c; Lorne Halbert, 50 yds. gravel, 1918, $5; Wm. Dermott, repairing and storage of snow plow, $5;

Sheep Account—Robt. McCutcheon, 2 sheep killed by dogs, $50; Lewis Cole, 1 sheep killed by dogs, $30.

Refunds—Rev. Howard, error in assessment of dog, 1918, $2; Lionel South, error in assessment of dog, 1918, $2.

A resolution was passed that 6½ acres assessed to Chas. Smith, described as part west half lot 3, Con. 1, west, be erased from the roll as same is non-existent.

A by-law for the purpose of appointing pathmasters, fenceviewers and poundkeepers was read a first and second time.

By-law, being No. 414, received its third reading and passed.

By-law No. 410 for the purpose of raising the general school rate from $300 to $450 was rescinded.

Re petition of Lewis Cotton and others asking for authority to divide S. S. No. 11 into two sections, this council is of the opinion that sufficient notice has been given to ratepayers of said section and request was granted.

Council adjourned to meet again on April 8th, when a special meeting will be held to discuss engineer's report on Drain No. 5 known as the Jessop drain.

GREATEST RULE OF HEALTH

With all their differences in regard to disease, its cause and treatment, doctors are of one mind in regard to the one greatest rule of health, viz: "Daily movement of the Bowels." Unnumbered thousands of people suffer almost continually as the result of constipation who could be readily cured by Dr. Chase's Kidney-Liver Pills.

SURE SIGN.

"And what did you say the patient did?" asked the doctor, "when you ripped off the dressing?"

"Swore, doctor!" exclaimed the nurse. "He swore frightfully!"

"Splendid, nurse! I reckon you can let him sit up tomorrow.

CHEAP ENOUGH.

Magistrate: "How did you manage to extract the man's watch from his pocket when it was provided with a safety-catch?"

Prisoner: "Excuse me, sir, that is a profesional secret. I am willing to teach you, however for two guineas."

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

Bavarian Revelations Furnish Fresh Evidence Of the Guilt of Germany

THE new Government of Bavaria, having access to the archives of the late kingly government, publishes a despatch dated July 18, 1914, by Lechenfeld, then the Bavarian agent at Berlin.

Lechenfeld furnished his Government a summary of the ultimatum that Austria-Hungary had prepared to submit to Serbia in furtherance of the war plot. But on July 18, 1914, Poincare and Viviani, President and Premier of the French republic, were in Petrograd and thus able to communicate quickly with the Russian Government. The sending of the Austro-Hungarian note was thus postponed until Poincare and Viviani put to sea on the way home. Berlin thought that the likelihood of France and Russia making common action would be lessened if the crisis was precipitated when the chief officers of the French state could not be consulted.

The forty-eight-hour ultimatum to Serbia, which Lechenfeld wrote it was certain Serbia could not accept and which would thus lead to a general war unless Russia was inactive in the presence of the crushing of the little Slavic state, was despatched on July 24, 1914. The next day, when the question was raised as to whether Germany had advance knowledge of the contents of the ultimatum, the German Government denied it had such knowledge. "The German ambassador," wrote Sir Edward Grey, the British Foreign Secretary, on July 25, "read me a telegram from the German Foreign Office saying that his Government had not known beforehand, and had had no more than other powers to do with the stiff terms of the Austrian note to Serbia."

To the Russian charge d'affaires at Berlin, and to Jules Cambon, the French ambassador at Berlin, von Jagow, the German Foreign Secretary, denied knowledge of the contents of the ultimatum to Serbia. "I could not help showing my astonishment," reported M. Cambon, "at a statement which agreed so little with what circumstances led one to expect." But von Jagow continued to asseverate that Austria-Hungary had taken action which probably meant a general war without taking counsel with her ally.

But the Berlin Stock Exchange apparently knew what was afoot even if the Government pretended that it did not. A great fall of prices occurred on July 21. The Bavarian Government also knew. On July 23, 1914, the day before the issuance of the ultimatum, the French Minister at Munich was told by the president of the Bavarian council that the contents of the note to Serbia were known to him, and that the situation seemed very serious. The Bavarian Government thus "peached" on Berlin, doubtless unintentionally, it not being assumed that Berlin would be impudent enough to circulate a lie in regard to which the truth was certain ultimately to come out.

The decision to precipitate a war was probably reached at Berlin early in July, perhaps on July 6, the date that Ambassador Morgenthau said was named to him by Wangenheim, the German ambassador at Constantinople, who attended the momentous conference. But first the financiers were given ten days to liquidate foreign securities. Then there was another postponement in order to have Poincare and Viviani incommunicado at sea. In the meantime, to cover up the plot, the Kaiser left Berlin on a yachting trip, and returned only when the trap was about to be sprung.

The responsibility for the precipitation of the war is of immense consequence to the peace conference. Who was it that proceeded from threats to deeds? One day Europe was at peace, and it was possible to adjust differences. But the next day an irretraceable step had been taken. No real doubt has existed as to Germany's guilt. It was a conclusion that could not be escaped by those who studied the documents. But additional proof such as comes from Bavaria is welcome, especially as it shows that the murder of the archduke, the refusal of Serbia to accept every item of the Austrian demand, and all the clatter about Russian mobilization had practically nothing to do with the decision. Germany, cheered on by the elements now in control of her Government, planned and precipitated the war in cold blood, and, unrepentant and in some ways as vicious as ever before, cannot safely be accepted into full world fellowship. Her great crime is a fact that sets her apart. On a clear recognition of this principle the settlement must be based. So to do is not to show vengefulness.

The Effect of Color.

To test the effect of color on soil and on vines, a specialist at the experimental vineyard in Montpelier, France, covered the ground with a thin layer of cement, leaving a small opening for each stem, and then painted portions of the cement white, black and red. Under the black and red the soil temperature rose much higher than under the white, giving nearly twice as much growth to the vines. The productive soils of the Midi, it is pointed out, are mostly reddish, and those of the vineyards of the Charentes are black.

St. Kilda.

The chief occupation of the St. Kilda men is fowling. The St. Kildans eat vast numbers of the eggs of the seabirds which frequent their islands, in addition to the birds themselves, which are not only eaten fresh, but dried and salted for winter supplies. The cliffs are equally divided among the inhabitants, and a man seldom or never poaches on his neighbor's property.

What Will Relieve Kidney or Bladder Troubles

This is a question that thousands of people have asked; and a question that has been answered for them by the practical demonstrations of Gin Pills. Read these testimonials and realize the satisfaction that thousands of people have derived and from the relief they have been given by taking the same, and expressing their gratitude for Gin Pills.

Mrs. B. Walters, of Savona, B.C., writes:—

"I advise people who have not used Gin Pills to try them, as Gin Pills are within the means of rich and poor. I have been troubled for years with weak kidneys, and one box of Gin Pills cured me. I recommend them as an absolute and reliable cure."

Mrs. Butler, of Vancouver, sends this message:—

"I think it my duty to write and tell you that I think Gin Pills a sure cure for kidney trouble. I suffered much with my kidneys until I took Gin Pills; now I would not be without them in my home."

Can you have any doubt that Gin Pills have accomplished such wonderful results? If you have—you need not spend a cent on them until you have tried a sample box free. Just write to us and when you receive the box give Gin Pills a trial—and be convinced by results. Sold by dealers everywhere at 50c a box.

PRESENT SIBERIAN TRADING CONDITIONS ARE EXPLAINED

British Expert Acting Under Instructions of Trade and Commerce Department Ready to Give Advice.

At the request of the Minister of Trade and Commerce, Mr. John Findlay, a British engineer, who has been in business in Siberia for some years and is thoroughly familiar with Siberian conditions, has come to Canada for the purpose of making himself acquainted with Canadian industrial conditions preparatory to acting on the Canadian Economic Commission to Siberia. Mr. John Findlay's knowledge of Siberia will be of great value to the Canadian members of the Commission. He is now calling on Canadian manufacturers of lines which he thinks will be in immediate demand in Siberia. Any Canadian manufacturer who wishes to know Mr. Findlay's opinion regarding the suitability of his products for the Siberian market may communicate with the Commercial Intelligence Branch of the Department of Trade and Commerce, Ottawa. Mr. Findlay says that there has been a very great increase in the population of Siberia since the Russian revolution and he believes that the growth of population will be still greater in the future. In reference to this Mr. Findlay says:

Increase of Population

"From the outbreak of war until the Russian revolution in March, 1917, immigration into Siberia practically ceased. During the war a number of refugees from the territories occupied by the Germans came over and especially into the Eastern or Maritime Provinces. From March last year until the railways practically ceased to carry passengers the influx into the country was enormous and the Western Siberian towns on the railway nearly doubled their populations. The last estimate gave the population of Siberia as about 9,500,000, to which must be added a further 250,000 Asiatics who live in the Maritime Provinces.

"Many of the refugees are without funds but a certain number of people were able to get away from Central and Northern Russia with sufficient funds to enable them to start up small works and factories and to take up lands wherever they happen to be. Some have already started up, but owing to difficulties of transportation and the insecurity of everything nothing very much has been done. However, since the Czecho-Slovaks took over the railways in June and July things have become more active again and there is a growing demand for all kinds of machinery and supplies generally. The large co-operative societies are anxious to start manufacturing articles such as boots and shoes, clothes, furniture, etc., and to open up flour and oil mills, cold stores, dairies and agricultural implement repair shops, etc. In the eastern districts there have been many inquiries for tobacco butting and cigarette making machines, nail-making machines, etc., but nothing much has been done owing to the impossibility of obtaining supplies. All these industries will take some time to organize and get going.

What Canada Might Supply.

"In the meantime there is a demand for manufactured articles, some of which could be supplied from Canada, such as agricultural implements of all kinds, dairying machinery, carpenters' tools, tools and instruments for mechanical workshops, power plants, road machinery, laundry machinery, textile machinery, boots and shoes, leather belting, tinplates for the fish canneries, asbestos goods, wire ropes, horseshoes, hydraulic turbines, brushes, building materials such as locks, nails, fittings, iron for ferro-concrete work, cutlery, labor-saving devices generally, sanitary ware, enamel ware, lamps, electric and kerosene, shafting and mill gearing and mining machinery, light railway materials, etc., saws of all kinds.

"From the above brief list it will be seen that there is a large market and the Japanese and United States are quite aware of the demands and are making preparation accordingly.

"At the present time, owing to the fluctuations of the rouble, trading is difficult, but efforts are being made to make some sort of stable currency and it is to be hoped that something will be arranged in the near future. Great efforts are being made to get the railways into working order again and as soon as this is done there will be a quantity of Siberian products available for export. During the last three months one of the large co-operative societies has sent to Canada a number of furs and they are prepared to send over butter and hides as soon as freight space can be obtained. As soon as the Black Sea is opened for traffic, there are large quantities of licorice awaiting shipment. Since the stoppage of exports in 1916 about the only article shipped from Vladivostok has been this root which has gone to China and the States.

"Owing to its agrarian population, Siberia has not suffered from the effects of Bolshevism as in Russia, excluding certain districts, and she is making a rapid recovery."

Beauty Hides a Multitude of Virtues in the Maxwell

THIS time beauty conceals the virtues—not the "sins." For the new "garments" of the April Maxwell are severely pretty, simple, modern, and the kind that make you want to possess one.

But underneath this "robe of beauty" you'll find a sound, rugged, compact, everlastingly-on-the-job chassis that now has a record manufacturing run of 300,000—all alike.

For in 5 years that number of chasses have come out of the 8 great Maxwell plants—each built on the same pattern; each one better than the last.

To date more than 1000 refinements, big and little, have been made in the Maxwell. The plan is to improve and improve—but not to change in any radical way the original chassis.

Thus you'll understand why a Maxwell never quits running; never grows wobbly and loose with age; never forces the garage man to send you a staggering bill for mechanical treatment.

Now you get a far better Maxwell than ever before. Which would be sufficient for the average buyer. But more than that you're getting a Maxwell that the touch of artistic magic has made into a car of rare beauty.

It doesn't take an art critic to pass judgment on the beauty of an April Maxwell. Anyone with fair eyesight gets it in a jiffy.

PAINT—*It's like bread; there is as much in the making as from what it is made*

Take two women—your wife and your neighbor's, for example. They both use the same flour and yeast. Both bake bread in the same kind of oven for the same length of time.

Your wife's bread invariably turns out best. Why is it? It's in the making—her way of making it.

It's exactly the same with paint. The list of materials from which it is made is only half the story—hardly that.

The difference in the making, users have learned to know, is one of the big things that makes

MISS LURANIA A. DIXON.

The death of Miss Lurania A. Dixon occurred at the home of her niece, Mrs. Oscar Banks, of this town, on Thursday, April 3, after a long and trying illness. Deceased, who was 70 years of age, was a daughter of the late Joseph Dixon, of Laurel, one of the early settlers and a Methodist local preacher, well known and remembered by the people of that village and district as a grand man of God who went Home to his reward some 25 years ago. Another daughter, Jennie Dixon, leader of Laurel Methodist choir for a great number of years, followed him to the Great Beyond 12 years ago. Since then the deceased, Lurania Dixon, has been taken care of by her niece, Mrs. Banks. A growth in the throat hastened the end, causing extreme suffering at the last. She is survived by a half-brother, Edward Dixon, Bracebridge, who on account of declining health was unable to attend the funeral. Services were conducted at the house on Saturday afternoon by Rev. J. R. Bell, of Laurel and at the grave by Rev. W. F. Ronch. The remains were laid to rest in the family burying ground at Laurel, where a large number of friends and acquaintances gathered to meet the body. Among those from a distance to attend the funeral were: Mrs. Thomas Manning, of Shelburne; Mrs. Ralph Bremner and Beatrice Banks, of Toronto, all grand nieces of deceased. Among the floral tributes were sprays from Mr. and Mrs. Simon Trimble, Orangeville; Mr. and Mrs. Ralph Bremner, Toronto; Mr. and Mrs. Amos Fuller, Orangeville, and the Banks family.

God saw when her footsteps faltered,
When her heart grew weak and faint,
He knows when our strength is failing,
And listens to each complaint;
Then He bade her rest for a season,
For the pathway had grown too steep,
And folded in fair green pastures,
He giveth His loved one sleep.

THOMAS FINNEGAN.

Thomas Finnegan, a well-known and highly-respected resident of Alton, died at St. Michael's hospital, Toronto, on Sunday, March 30, after being confined to that institution for a little more than a week. In partnership with his brother, Owen, deceased had conducted the Dixie house at Alton for 15 years. He was a good-natured and obliging man, made many friends and retained their friendship as long as he lived. He was 68 years of age. The funeral took place from his late residence at Alton to St. Cornelius' church cemetery, Silvercreek, on Tuesday morning, April 1st. Requiem mass was celebrated by Rev. Father Finnegan, of Orangeville, and the pallbearers were Patrick Garrity, Edward Gracey, P. McEnaney, J. Storey, M. and J. Flaherty.

—Save through W. S. S. plan.

THE LATE ANDREW CLARK.

Doubly sad because of the demise of his wife about four months ago and altogether unexpected was the death of Mr. Andrew Clark, which took place in Lord Dufferin Hospital early on Wednesday afternoon, April 2nd. Deceased was taken to the hospital eleven days before his death suffering from what his doctor considered a light and by no means dangerous attack of pneumonia. His recovery was regarded as merely a matter of time, but unlooked for complications followed the pneumonia and speedily brought the life of the stricken man to an untimely close. Deceased, who was 59 years of age, was formerly a widely known farmer in North Erin. Last autumn he and his wife left their home on the farm, which they had previously rented, and moved to Orangeville intending to take a well-earned rest. Just when they were nicely settled in their new home Mrs. Clark was taken ill and passed away in a few days. Now in a few short months her husband has been taken almost as suddenly, leaving their two boys, George A. and Robert A., aged 11 and 9 years respectively, without father or mother, but fortunately with plenty of near relatives who will see that they are wel lcared for. The late Mr Clark was a quiet, industrious man, who was held in the highest esteem for his honesty and his excellent qualities as a neighbor and citizen. He was a man who had many warm friends, who will grieve deeply over his unexpected demise. He was a son of the late Mr. and Mrs. Andrew Clark, pioneer settlers in North Erin, and is survived by two brothers and six sisters. These are: John and Jas. Clark, of Brandon, Man.; Mrs. Dan. Conley, of Beresford, Man.; Mrs. Sam Scott, of Argyle, Man.; Mrs. Robert Rowan, North Erin; Mrs. Geo. I. Nodwell, East Garafraxa, and Mrs. J. M. Rowan and Miss Jane Clark, Orangeville There was a large attendance of sorrowing friends and relatives at the funeral, which was held from the home of his sisters, Mrs. Rowan and Miss Clark, West Broadway, to Greenwood cemetery on Friday afternoon. Rev. W. N. Carr, of Alton, his former pastor at North Erin, and Rev. W. M. Morris, pastor of St. Andrew's church, conducted the last services. The pallbearers were: Messrs. Mungo Young, Shelburne; Dan Young, Ballinafad; John H. Watson and Robert Barbour, Snelgrove; John Hawes, of Grand Valley, and Arch. Black, Kelso. Among the floral tributes were a pillow from the sisters, a wreath from Mr. J. H. Watson, Snelgrove, a spray from the North Erin Ladies' Aid, and a spray from Orangeville Epworth League.

MRS. HUGH M'KENNA.

There passed away at the home of Mr. and Mrs. Andrew Moffitt, 5th line, east, Mono, at 10 o'clock on Saturday morning, March 29th, an old and highly respected citizen of the township of Mono in the person of Mrs. Mary McKenna, a daughter of the late John Henry, and beloved wife of the late Hugh McKenna, whose death occurred on September 9th, 1918. For a number of years Mrs. McKenna had suffered greatly from rheumatism. She also had pneumonia three times, the latter malady causing her death. Despite these trying afflictions, she was a woman who was cheerful by nature and always looked on the bright side of life. She bore her suffering with patience and a calm courage, and faced death with a fortitude begotten of faith in her Maker and the hope of a glorious life beyond the grave. Deceased was born near Mono Centre in 1837 and had therefore attained to the ripe age of 82 years. Most of her long lifetime she spent in the township of Mono. In her religious belief she was a member of the Presbyterian church. She was the mother of a family of five, four daughters and one son, namely: Mrs. R. T. Smith, deceased; Mr. R. H. McKenna, of Mono; Mrs. Andrew Moffitt, Mono; Mrs. Robert Pierson, deceased, and Mrs. Albert Bagnell, of Froude, Sask. She was herself a member of a family of eleven brothers and sisters, of whom only one brother, Mr. Robert Henry, of Toronto, and one sister, Mrs. James Woulfe, of Waldemar, survive. The funeral, which was largely attended, was held from the home of her daughter, Mrs. Andrew Moffitt, Glencross, to St. John's church cemetery, 7th line, east, Mono, on Wednesday afternoon, April 2nd. Rev. J. A. Matheson, of Mono Mills, and Rev. A. C. McCollum, of Mono East, conducted services at the house and grave. The pallbearers were Messrs. Robt. H. McKenna, James Woulfe, Bailey McKenna, Harold Smith, Roy Moffitt and Andrew Moffitt.

JOHN ARMSTRONG SPEERS.

(Jack) Speers, for years a well-known resident of Watrous, was, after a short illness, snapped off by death following flu. Mr. Speers, being a man of robust health, found it very hard to yield to the overpowering illness and resisted its approach from the first. He was removed from the Manitoba Hotel, where he boarded, to the hospital, whence he passed away on the 17th. The funeral and accompanying service was on the 19th. Mr. Speers' mother and brother arrived from Ontario and accompanied the remains of the departed back to his native town, Caledon. He leaves to survive him, his father and mother, three brothers and three sisters. Among the beautiful floral tributes were: Spray, Nurse Mills and Mrs. Barrie; sheaf, I. O. D. E.; sheaf, Mrs. A. Burke; spray, Dr. and Mrs. E. W. Hixon; sheaf, Alvin H. Burke, James Morrow, Arthur Fee, R. Burrell, R. Bradshaw; wreath, mother, sisters, and brothers. The Watrous people extend their deepest sympathy to the family and friends in their sad bereavement.—Watrous (Sask.) Signal.

MILITARY NOTES.

Pte. Harry J. Pickering, son of Mr. and Mrs. Jas. Pickering, of Shelburne, formerly of Orangeville, arrived home from overseas last week. Pte. Pickering came over on the Regina, which reached Halifax a week ago Sunday.

Signaller Reg. Charters, youngest son of Sam. Charters, M. P. for Peel, arrived home a week ago Saturday. He went to France in 1916 with the 45th Battery recruited among the University students, and spent three years with the guns.

Pte. Cecil Reid, a 164th Battalion man, arrived home a short time ago. Pte. Reid is a son of Mr. Geo. Reid, of Vancouver, formerly of Orangeville. Before enlisting he made his home with his mother's people, Mr. and Mrs. Wm. Tansley, of Amaranth.

Pte. Alex. Snider, son of Mr. and Mrs. W. Snider, of North Amaranth, is among the recent arrivals from overseas. Pte. Snider was transferred to the 1st C. M. R.'s after he reached England and participated in a good deal of the heavy fighting last summer.

Pte. Ord Cornett, son of Mr. R. J. Cornett, ex-Reeve of Melancthon, arrived home last week. Pte. Cornett enlisted in the 147th Greys, but was transferred to the Pioneers and went overseas in June 1916. He served in the Railway Construction Corps in France and Belgium.

Pte. John Brawley, of Grand Valley, got a rousing reception on his arrival home a week ago Saturday night. Pte. Brawley enlisted in the 164th, was promoted to the rank of sergeant, but reverted in order to get to France with the 116th. At Cambrai in September he was wounded in the right arm, which entitles him to wear a gold stripe. He was laid up with rheumatism at Halifax on his way over and also had another attack in England.

Dr. A. E. Lemon, son of Mr. and Mrs. G. Lemon, of Caledon, is now a Major in the allied army of occupation in Germany. Dr. Lemon, who is with the medical service, earned his promotion by his good work at the front. He is Surgeon of the 125th Infantry in the 32nd Division, composed of two Michigan and two Wisconsin battalions. Before he enlisted Major Lemon was practising medicine in Sault Ste. Marie. Dr. Lemon is a graduate of the Orangeville High School.

Ptes. Wm. Rayfield and Ernest Reilly, two Grand Valley members of the 164th Batt., arrived home a week ago Saturday. Pte. Rayfield was drafted to the 116th and saw a good deal of heavy fighting last summer. He was gassed during July, but made a rapid recovery in one of the French hospitals. Pte. Reilly was one of four sons of Mr. and Mrs. Wm. Reilly, of East Luther, who donned the king's uniform. Two of his brothers, Ptes. Austin and Wilbert, made the supreme sacrifice on the field of battle. The other brother, Pte. Harvey, was rejected just before the 164th left Hamilton for overseas.

Driver Larmour McFee, of the 33rd Battery, a young man well-known in Orangeville, arrived home from overseas about April 1st and is now enjoying a respite from military life at his home in New Liskeard. Lord Dufferin Chapter of the Daughters of the Empire forwarded McFee a bouquet of flowers on learning of his arrival in Canada. In a letter to Mrs. E. R. Goodeve with whom he formerly boarded, the young soldier expresses his grateful thanks for this thoughtful remembrance and promises to visit Orangeville in the near future for the purpose of renewing acquaintanceships with his many friends here. While in town Gunner McFee was machine operator with The Banner.

Capt. Geo. Endacott, one of the soldier sons of Sheriff and Mrs. H. Endacott, arrived home on Wednesday night of last week and was accorded a rousing welcome by the citizens of Orangeville assisted by the Citizens' Band. Capt. Endacott, who is the oldest son of Sheriff and Mrs. Endacott, enlisted in Vancouver shortly after the beginning of the war. He trained with the British Columbia Horse at Valcartier Camp in the autumn of 1914 and went overseas with the First Canadian Expeditionary Force. He was wounded at the battle of Festubert in May 1915. His injuries were severe and kept him in the hospital for a year or longer. One of his arms was partially disabled and on this account he was not allowed to return to the firing line, but was appointed supervisor in English hospitals, a position which he continued to fill in a satisfactory manner until shortly before he left England to return to Canada. Two younger brothers are still engaged in active service in France. Capt. Endacott looks well considering the serious character of his wounds. He will visit his parents here for a short time before leaving to resume his civilian duties in Vancouver.

Sapper Clarence Washington, only son of Mr. and Mrs. Alvin Washington, of Farmington, arrived in town on Monday night and was accorded a hearty reception by his friends, the Citizens' Band and a large gathering of townspeople, who met the train at the depot. The young hero was escorted to the home of his sister, Mrs. Jos. Dermott, Broadway, which was gaily decorated with flags and bunting in honor of his homecoming. Supper was served here and was followed by an extremely pleasant social time. Later on Sapper Washington was driven to his parents' home at Farmington, where another warm welcome awaited him. Washington enlisted in the 218th Battalion in Edmonton in May 1916, went overseas in February 1917 and crossed to France a few weeks later. He spent the most of the time he was in France with a Construction Battalion. He was slightly gassed during an action and also spent three months in a hospital in England from the effects of an injury to one of his feet. He arrived in Toronto on Sunday night. The young soldier looks well, but like the great majority of the other boys who have returned is glad that it is all over.

FARMS FOR SALE.

225 acres in two farms, facing, one lot from County Road. 1 mile to Village of Caledon, containing School, Churches, Store, Bank and C. P. R. station. 6 miles south of Orangeville.

Farm 1.—125 acres, brick and roughcast house; 10 rooms; telephone; large bank barn; driving shed; two wells; soil gravel and sandy loam; 100 acres workable; small orchard. At back of this farm there is a clear lake, free from weeds, fed by springs from bottom, good gravel beach and small grove, covering about 10 acres.

Farm 2.—100 acres; brick house, 6 rooms; telephone; good bank barn, 54x60, cement floors in stabling; good well with windmill at house, water pumped into barn; 20 acres under cultivation, balance pasture; gravel loam.

These are good grain, stock, alsike and potato farms. 100 acres ploughed, balance in fall crop and seeded down. These farms have good fronts and tractors could be used. They make an ideal country home for father and son. They have not been rented and can be bought from present owner and occupant, together, or separately, and save big commissions to real estate men. A SPRING TONIC GREATLY INCREASES YOUR EFFICIENCY

Lay the Foundation of Good Health Now by Building Up Your Blood and Strengthening Your Nerves.

The good old fashion of taking a tonic in the springtime, like most of the customs of our grandparents, is based upon sound common sense and good medical practice. No matter how mild the winter it is a trying time, even in the most favored climates, for those who are not in rugged physical health. Many men, women and children go through the winter on reserve strength they have stored up during the sunny, summer months, and grow increasingly pale as the spring days approach. A tonic for the blood and nerves at this time will do much for such people, by putting color in the cheeks and banishing that tired feeling that worries thousands at this season of the year.

You can not be energetic if your blood is thin and weak, or if your nerves are frayed or shattered. You cannot compete with others if you do not get refreshing sleep at night, or if you are losing weight. You need a tonic at this time to add to your efficiency now, as well as to save you from suffering later on. And in all the realm of medicine there is no safer or better tonic than Dr. Williams' Pink Pills for Pale People. These pills make new, rich, red blood, which circulates through every portion of the body, strengthening jaded nerves and run-down organs, and bringing a feeling of new strength and energy to weak, easily tired, despondent men, women and children.

CURED BILIOUS HEADACHES.

Mr. D. C. McClure, Heffley Creek, B. C., says: "As a spring tonic I know of nothing else that can equal Dr. Williams' Pink Pills. Last spring I felt weak and run down, and suffered a great deal from bilious headaches. I got a half dozen boxes of Dr. Williams' Pink Pills, and after taking them I felt like a new man. The lassitude from which I suffered had disappeared, I had a better appetite, and was in every way stronger and better than before I began the use of this medicine. Almost everyone needs a tonic in the spring, and for this purpose I can strongly advise Dr. Williams' Pink Pills."

NEVER FELT SO WELL.

Miss Beatrice Bishop, Fendale, N. B., says: "I have never felt so well as I do since taking Dr. Williams' Pink Pills. When I began their use I was very much run down. I had no color, no appetite, could not go up stairs without stopping to rest on the way. I had frequent headaches and a feeling of despondency. I took Pink Pills regularly for about eight weeks and while I felt a benefit from them almost from the first, at the end of that time I was in better health than I had ever enjoyed before. I freely give you permission to publish this letter as my experience may be the means of pointing the way to new health to some other weak and run-down girl."

GAINED WONDERFULLY.

Mrs. Herbert Hanson, Lower Hainesville, N. B., says: "I have the very highest regard for Dr. Williams' Pink Pills. Before I began their use I suffered greatly with sick headache, dizziness and a feeling of depression and tiredness. A short treatment with the pills fully restored my health. My daughter Blanche was suffering from anaemia, and through the use of six boxes of Dr. Williams' Pink Pills gained wonderfully in weight, strength and general health. We think so much of Dr. Williams' Pink Pills that we are never without them in the house, and I consider them my best friend."

HAS A BETTER APPETITE.

Mrs. M. D. MacLeod, Caledonia, P. E. I., says: "I have used Dr. Williams' Pink Pills as a spring medicine with satisfactory results. Before I began their use I was subject to weak spells, but these have now disappeared. I find that my appetite is better, and I have every confidence in your pills as a blood builder."

STRONG AND WELL AGAIN.

Mr. H. H. McKelvey, Orono, Ont., says: "My experience with Dr. Williams' Pink Pills has been of the most favorable kind. At the time I began their use I was so weak and run down that I could hardly go about. My stomach was also out of order and the food I took did not seem to do me a bit of good. Then Dr. Willimas' Pink Pills came to my rescue, and under their use my stomach grew better, my general health improved, and I was soon as healthy and vigorous a man as I had ever been. Dr. Williams' Pink Pills, with the use of Pinklets as a laxative when needed, is now our family medicine, and we would not be without them."

BUILD UP YOUR BLOOD.

The purpose of Dr. Williams' Pink Pills is to build up the blood. They do this one thing and they do it well. They are, for this reason, an invaluable remedy in diseases arising from bad or deficient blood, such as anaemia, rheumatism, neuralgia, pains in the back or side and the after effects of influenza or fevers. If you are suffering from any troubles due to weak, watery blood, or shaky nerves, a fair use of these pills will restore you to full health and strength. Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail, post paid, at 50c a box or six boxes for $2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

—T. G. Legate has sold the Storey property on Margaret street to Mr. Wm. Lawson, of this town.

—Miss Luella Gray, who has just completed a four months course in the Orangeville Business College, returned to her home in Riverview this week.

—We understand that Mr. U. W. Christie has sold his fine residence on York street to Mr. Allen McKinnon for $3,500. Mr. Christie will probably build another house.

—Mr. Fred Crisp, one of our enterprising young men, has purchased the Misses Reid property on James St. We understand the deal was made by T. G. Legate, one of our real estate agents.

—John S. Graham has purchased the fine imported stallion Royal Dale (14136) (16783) from John J. Miller, of Hay, Ont. This is a remarkably fine horse and should get a superior class of colts.

—Rev. S. C. Keetch, a brother of Mrs. Jos. R. Lathwell, passed away at his home in Exeter, Cal., on Wednesday, April 2nd, aged 73 years. Deceased, who was a Baptist minister, is survived by his wife and one daughter.

—Mr. Chas. Gillespie, of Gillespie Bros., hardware merchants, has bought a vacant lot adjoining Mr. J. B. Adamson's residence on First St., from Mr. J. J. White and is making preparations to build a dwelling house this summer.

—Mr. and Mrs. Thos. Hilliard, West Caledon, were in town on Monday. Mr. and Mrs. Hilliard and family have had a very serious time with sickness during the past winter, and their friends will be pleased to learn that they are now all fully recovered.

—James Adams, formerly of this town, died in Shelburne on Sunday, aged 74 years. The remains were brought here for burial, the funeral taking place from the C. P. R. station to the Forest Lawn cemetery on Monday morning. Service was held in St. Peter's church.

—Writing on April 5th to renew her subscription to The Banner, Mrs. Geo. H. McKee, of Star City, Sask., reports a beautiful winter in that part of the West. The snow had nearly all gone when Mrs. McKee wrote and the farmers expected to be seeding in a couple of weeks.

—Orangeville Canadian Club will hold its annual banquet on Friday evening, April 25th. Mr. John R. Robinson, the Editor of the Evening Telegram, will be the speaker of the evening. Mr. Robinson is one of the Orangeville Old Boys who have worked their way to the top.

—Master Bruce Bailey, son of Dr. Trueman Bailey, was baptized by Rev. E. R. Young at his father's home on Tuesday afternoon. Mr. and Mrs. W. J Dods, of Alton, the grandparents, were here for the ceremony. The full name which Bruce will carry with him through life is Bruce Dods Gunn Bailey

—Monday night was Consecration night at St. Andrew's Young People's meeting. Miss Annie Lane occupied the chair and Miss Ruby McGillivray, of the Public School staff, gave a well prepared paper on "Prayer," one of the series of topics on the general subject, "Our Relation to God." The Misses McNaughton contributed an instrumental duet.

Mrs. Thos. Clegg, of Detroit, is visiting Mr. and Mrs. Geo. S. Jackson and other relatives in town. Friends of Mrs. Clegg and her late husband will be glad to learn that she is planning to run their summer hotel in Muskoka again this season.

—Mr. Geo. Prior, of Bratton, Sask., formerly of Orangeville, wrote The Banner on March 29th, stating that there was still good sleighing and winter weather in his district. On the whole, however, the winter has been unusually mild, although the ground has always been well covered with snow. Mr. Prior states that a great deal of land is changing hands thereabouts at from $40 to $75 an acre.

—Mr. E. C. Connop, choir leader in St. Andrew's church, has been obliged to give up his position on account of throat trouble. Mr. Connop has made a faithful and painstaking choir leader and has also given the congregation good service as a vocalist. His retirement is a real loss to the congregation, which has had the good fortune, however, to again secure the services of Mrs. R. E. Jackson, a former leader, who has consented to take Mr. Connop's place for the present.

—A good sized audience saw and enjoyed "The Better 'Ole" production in the Opera House on Thursday night. Old Bill, Bert and Alf proved very interesting characters, even if they did represent a type of soldiers with which Canadians are not familiar. The pictures were good and conveyed an excellent idea of some of the hardships and discomforts the soldiers had to endure in the trenches. One could readily understand that the soldier's sense of humor and his disposition to get some fun out of the most trying circumstance is the factor that saved the situation and made life at the front endurable. The performance was given under the auspices of the Citizens' Band which netted about $40 from the venture.

Is Your Blood Poor? If it is, You Need Vinol

Anaemic, run-down, nervous, devitalized conditions result from poor or thin blood. A glance at the formula of Vinol, printed on the label, will show that it contains the very ingredients necessary to make good blood. It soon creates a healthy appetite, improves digestion, and helps you to get full benefit from your daily food, and builds you up.

Drewsville, N. H.

"My daughter was anaemic, had poor blood and suffered from indigestion and bilious attacks. As Vinol helped my son, I gave it to my daughter — she soon improved in health, and it has built her up and restored her health."—Mrs. N. Burnell.

Bradford, Pa.

"I have used Vinol for impoverished blood. I was broken out with a rash and run down so it was hard for me to keep about my work. Other medicines did no good, but Vinol enriched my blood and improved my condition very rapidly."-Rose Leaky.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

IN MEMORIAM.

GRAY—In loving memory of Richard A. Gray, who died in London, March 21st, 1918:

Short and sudden was the call
Of one so dearly loved by all;
The blow was great, the shock severe,
And only those who loved can tell
The pain of saying a last farewell.
His memory is as dear today
As in the hour he passed away.
—WIFE AND DAUGHTER.

IN MEMORIAM.

In loving memory of Mary Thompson, who departed this life on September 23, 1918:

Dearest Mary, thou hast left us,
And our loss we deeply feel;
But it's God that has bereft us,
He can all our sorrows heal.

Yet again we hope to meet thee,
When the day of life is fled,
Then in Heaven with joy to greet thee
Where no farewell tear is shed.

We miss thee from our home, dear Mary,
We miss thee from thy place;
A shadow o'er our life is cast,
We miss the sunshine of thy face.

We miss thy kind and loving hand,
Thy fond and earnest care;
Our home is dark without thee,
We miss thee everywhere.

'Tis hard to break the tender cord,
When love has bound the heart;
'Tis hard, so hard to speak the word,
We must forever part.

Dearest Mary, we have laid thee
In the peaceful grave's embrace,
But thy memory will be cherished
Till we see thy heavenly face.

The battle is fought, the struggle o'er,
The crown now replaces the cross she bore,
The pilgrimage path no more shall be trod,
A rest remaineth to the people of God.

'Tis true the loved one has gone before,
The home now darkened that knows her no more;
He chides not your grief for Jesus wept
O'er the grave where his friend Lazrus slept.

But call it not death, a few short days o'er,
We shall meet her in glory to part no more,
What a blessed hope; lo, Christ shall appear,
For the restitution of all things here.

BY HER LONELY BROTHERS AND SISTERS.

The Anglican, Baptist, Methodist and Presbyterian churches in Mount Forest will hold their services by daylight saving time, but the services on Sunday evening will be at 8 o'clock instead of 7 o'clock.

LEAGUE OF THE EMPIRE.

Imperial Union of Schools Through Schools' and Pupils' Correspondence.

Through the co-operation of the Department of Education there is being sent to every school in the Province two circulars in which the Ontario Council of the League of the Empire offers its services in linking up in correspondence schemes, schools and pupils throughout Canada and other parts of the British Empire. With the circulars there is a covering letter from Dr. Cody, Minister of Education, commending the plans of the League and encouraging the teachers of Ontario to use the opportunity offered of doing a real imperial and educational service.

At this juncture, when Canada's relationships are under process of readjustment within the Empire, and the League of Nations we feel that the development of the League's School-Linking and Comrade-Correspondence schemes will undoubtedly help to create the most desirable feelings of intelligent goodwill amongst the boys and girls who in a very few years will be assuming the responsibilities of citizenship.

The Editor of The Banner heartily endorses the scheme and recommends that the Board of Education and parents in general encourage the teachers and pupils to make use of the opportunity offered. We see many advantages in having our schools exchanging letters, pictures and natural objects with other schools in Australia, Great Britain, India and South Africa, as well as our nearer neighbors in Quebec, Nova Scotia or British Columbia.

The League of the Empire from its headquarters in London, England, has ever since its foundation in 1901 performed a distinct imperial service by linking the Overseas Dominions with the Motherland through the schools, and by Imperial Teachers' Conferences, etc. During the war it has made an enviable record by the hospitalities and courtesies shown to overseas men visiting in London, and plans as a War Memorial the establishment of a residential club house where overseas teachers may find a welcome when visiting at the heart of "Dear Old Blighty."

In view of the likelihood of the postponed Imperial Conference of Teachers being held in Toronto in 1921, as a feature of the work of the League, it is fitting at this time that Ontario teachers should take advantage of the privileges offered by the Ontario Council.

Address Miss F. M. Standish, 643 Euclid Ave., Toronto, for particulars.

Col. Pearkes, of the 116th, says that not one of his battalion is bringing back a bride from overseas.

"I don't think I can go, Jessie, for I just feel wretched"

"OH, I'm so sorry, for I did so want you to be there."

"I hate to disappoint you, dear, but you know how miserable I have been lately."

"Yes, but I thought you were better."

"So I am some days, and then I just seem to be as bad as ever again. I get so weak that I do not feel able to stir."

"What is the trouble ?"

"The doctor says I am anaemic. He says the blood is thin and watery, and I do not get the good of the food I eat. Goodness knows I do not eat much, either, for I have no appetite."

"Why not try Dr. Chase's Nerve Food?"

"Would that help me, do you think?"

"I do not see why it should not. You remember how pale and weak I used to be. Well, it was nothing else than Dr. Chase's Nerve Food that cured me. And I am not looking as though I needed any medicine now, am I?"

"If I could only be strong and healthy like you are, Jessie, I would give anything."

"You never will be unless you try, and I do not think you would be disappointed with Dr. Chase's Nerve Food. It is not only my case, but there are so many other girls we know who have been benefitted by it."

"Will you get me a box at the drug store, Jessie, and I will start right in to-day? If this will only give me an appetite and make the blood rich and red, so that I can get some strength and color, I will be a happy girl."

Dr. Chase's Nerve Food is so gentle in action, and yet so potent as a restorative, that it is a great favorite with women of all ages. It seems to be admirably suited to the needs of their delicate nervous systems, and on this account it has come to be universally used as a means of restoring vigor and energy to a rundown, nervous system. 50 cents a box, 6 for $2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. On every box of the genuine you will find the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

On motion Council adjourned.

L. H. WILLIS, Clerk. S. KANNAWIN, Reeve.

JOHN D. ORR.

After an illness lasting for nearly a month, Mr. John D. Orr, of Meadowvale, passed away in the early hours of the morning on Saturday last. Mr. Orr was the son of the late Charles Orr, and was born near Meadowvale, in the vicinity of the place where his grandfather, J. A. Orr, had settled early in the century on his arrival from Ireland. Mr. Orr, at one time following the business of blacksmith, had been license inspector of the county for fifteen years prior to his death. He was a life-long Conservative, and one of the best known and most highly respected citizens of the county. He is survived by his wife and four daughters, Mrs. Chas. Gardiner of Meadowvale, Mrs. Hanen of Toronto, Mrs. George Williams of Otterville and Mrs. H. E. Henderson of Brampton. The funeral took place on Monday afternoon to Brampton cemetery, the services being conducted by Revs. Lunau and McKay of Streetsville. Mr. Orr had been very actively connected with the Peel County Agricultural Society, also with the Agricultural Society of Toronto Township. Handsome wreaths from the two societies testified to the regard in which he was held by his fellow workers. Upon the grave were also laid wreaths from the courthouse officials, from the Meadowvale Division of the Conservative party, memorials of affection from the family, the grandchildren and friends from outside quarters. A large attendance at the funeral spoke louder than words of the high esteem of his fellow men, and his influence will be greatly missed in many circles throughout the county. The remains were carried to their last resting place by old friends: Messrs. David McClure, Frank Jackson, Ephraim Steen, William Tilt, Humphrey Ballinger and James McCracken.—Conservator

NEWS NOTES

A man from near Ariss was assessed $10 and costs for doing some "joy walking" on Guelph streets.

The trustees of S. S. No. 4, West Garafraxa, the Metz section, have decided upon the erection of a new school building this summer, and have purchased one acre of land from Wm. Troughton for the new school grounds.

About midnight on Sunday, March 30th, the home of Mac Hart, lot 6, 5th line, Erin, was found to be on fire. The prevailing high wind gave the fire great progress, and the building and nearly all the contents were destroyed.

The Smith's Falls News and the Rideau Record newspapers are to be amalgamated in Smith's Falls. Col. J. M. Balderson, proprietor of the News, still retains his interest in the new company, while G. F. McKinnon, formerly of Brockville, for many years proprietor of the Record, is retiring from the newspaper business.

Thos. Lackey, of Shelburne, has sold his frame dwelling house on Owen Sound street to W. H. Orvis, of Jessopville.

The Teeswater News has been purchased by Mr. Wraith, a former Teeswater man with city newspaper experience.

Meaford business men to the number of fifty have organized a company to drill for oil in the township of St. Vincent.

Carswell Bros., Elora, have disposed of their interests in the old Korman Hotel at Salem to John R. Connon, of Elora.

George Mournahan, of East Luther, has disposed of his Clydesdale horse, "Birchburn," to Messrs. Wilkinson, Rich and Bruce, of Hamilton and Drayton.

Pte. Ray Hesp, son of Mr. and Mrs. H. Hesp, of Bolton, arrived from overseas on Tuesday evening of last week and was serenaded by the band at his home.

While hauling wood from near Ben Allen, one of the horses of a team owned by the Davis-Smith-Malone Co. of Owen Sound, suffered a stroke of paralysis.

Harry Flint, engineer of the C. P. R. way freight, had the fourth finger of his left hand badly crushed while handling the levers coming down the grade into Owen Sound.

W. A. Britton has sold his furniture and undertaking business in Grand Valley to Frank Sargent, who takes possession shortly. Mr. Britton has secured a large business in Listowel.

The death occurred at his home, lot 19, Con. 3 Amaranth, a week ago Sunday, of Wm. Kinsley, a well-known resident of that township. His death was due to dropsy and heart trouble.

Rev. G. C. Rock announced from the pulpit of the Walkerton Baptist church a week ago Sunday morning that he had acceded to the unanimous request of the congregation to remain as their pastor.

The Walkerton Egg and Dairy Co., Limited, was fined $20 and costs on a complaint laid by the Government Inspector of Creameries for selling a greater quantity of water than 16 per cent., contrary to the statutes.

Game Warden Eby of Owen Sound has made a general clean up in the illegal shooting of muskrat in the district. This season no less than 15 have been found guilty of the offence and fined usually $50 and costs.

Blyth citizens have unanimously decided to erect a Memorial Hall in commemoration of Blyth soldiers who fell in battle.

James Davey, one of the old residents of Grand Valley district is critically ill, and faint hopes are held out for his recovery.

Out of 25 farmers who brought their produce to Stratford for sale on a recent Saturday, only one favored the daylight saving plan.

The new motor chemical engine recently purchased by Aakville saved several dwellings when a garage caught fire the other day.

James Brown, of Melancthon Station, sustained a fracture of his right shoulder blade in a fall received while skating at the Shelburne rink.

Fire which the firemen think was caused by defective electric wiring resulted in damage amounting to about $500 to the Owen Sound Dairy Co.

James C. Shook died at his home in Peterboro after a lingering illness at the age of 68 years. He was in the lumbering business at Corbetton upwards of 30 years ago.

Dan McLean, of West Luther, while taking down a barn, in order to save himself had to jump 15 feet from a girt to the barn floor and tore the ligaments of his right ankle.

Grand Valley School Board in deference to a very pointed request from Inspector Mills, decided to get an estimate and plans from an engineer for a new heating plant.

The congregations of Alma and Cumnock have extended a call to Rev. George W. Oliver, of Chatham, the consideration being $1,200, free manse, and three weeks holidays.

Jas. Higgins has sold his 100 acre farm, west half lot 20, Con. 3, O. S., Melancthon, to J. McKechnie, and will move shortly to the farm which he recently purchased from William Rowan on the easterly outskirts of Shelburne.

The immigration to Canada through the immigration ports of Windsor and Walkerville for March more than doubled the number for the preceding month, 893 admissions being granted, as compared with 256 in February.

It is reported that a Chicago company is considering the development of the zinc deposits in Albermarle township. Many samples have been taken from the township of Albermarle, which lies directly northwest of Wiarton, and several times it has been reported that outside interests would develop the field.

A very pretty wedding took place at the residence of Mr. and Mrs. W. H. Page, of Shelburne, on Wednesday, April 2nd, at 1.30 o'clock, when their daughter, Mary E., was united in the bonds of holy matrimony to Ernest E. Hill, eldest son of Rice Hill, Deputy-Reeve of the Township of Mulmur.

G. S. Hopkins, of Bentinck township, claims to have a very profitable cow, which gave birth to a pair of Aberdeen calves one year ago which he now sold for $150, paid fed without new milk. She again gave birth to another pair of Aberdeens which look very promising.

While Mrs. M. E. Wideman, who resides in Guelph, was shaking a rug the railing of the verandah gave way, and she fell heavily to the cement walk below. A man who was passing at the time, and a neighbor, ran to her assistance, and found her in an unconscious condition. She was carried into the house and the physician summoned, who found that her left arm had been fractured and she was also severely bruised and otherwise shaken up. She is now making good progress toward recovery.

COT RID OF BRONCHITIS.

Mr. W. H. Walker, Calmar, Alta., writes:—"I am pleased to say that Dr. Chase's Syrup of Linseed and Turpentine has done much good to myself, wife and children. My eldest girl, 7 years, had bronchitis and the doctor who attended her did not seem to do much good. We got Chase's Syrup of Linseed and Turpentine for her and she soon got well. We always keep this medicine in the house now ready for use and find that it soon cures coughs and colds."

A little girl had a most thrilling experience on the east bank of the river near Harrison Park, in Owen Sound, when she was attacked by one of the swans and knocked down, and would probably have been injured if her plight had not been used by a couple of men and the swan was driven away.

Robt. Dezzell, a well known Derby farmer, residing near Jackson, has suffered a heavy loss through the mysterious death of seven head of cattle. The affair has been a problem on the issues of the two veterinary surgeons, Dr. Mitchell, of Owen Sound and Dr. Hammond, of Allenford, who were unable to treat the disease with success.

"I am opposed to the movement among farmers to buy all their goods from the big centres," declares Chas. Stewart, ex-Reeve of Ashfield, and himself a prominent Huron county farmer and member of the U. F. O. "The farmer needs the local merchant as much as the merchant needs the farmers' patronage, because, if business places in small towns are wiped out the value of farm property will not increase."

Sergt. Charles E. Snell, M. M., son of Mr. and Mrs. Wm. Snell, of Albion, arrived home last week and was given a hearty welcome by his relatives and friends. Sergt. Snell has been doubly lucky. He won the Military Medal at Recourt in the attack on Cambrai, and also won an English bride. Mrs. Snell arrived a few weeks ago. Sergt. Snell went overseas with a Kingston Battery in 1915.

SNIDER SUFFERED MOST ALL HIS LIFE

Feels Better After Taking Tanlac Than He Has in Thirty-Five Years.

"I am feeling better than I have in thirty-five years and it's all due to the Tanlac I have taken," said Jas. A. Snider, of 17 Jackson St., Hamilton, Ont., recently.

"I had suffered from a bad stomach nearly all my life," he continued, "I had no appetite, and had to force myself to eat. Gas would form on my stomach and I would nearly double up in misery, my heart would flutter and I often would have smothering spells. I suffered so with rheumatism in my knees that at times I just couldn't straighten up.

"Tanlac has put my stomach in good condition, gas has stopped forming and I never have those smothering spells any more. My food agrees with me and I have gained several pounds in weight. The rheumatism is about gone and I can walk as good as anybody, all the pain and misery is gone from my system and I just can't praise Tanlac enough for the good it has done me."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

No religion is worth havin' unless a man sticks to it in a horse trade or when he's paintin' a barn; and if a professor sands his sugar and waters his milk, he's goin' to have a tough time when certain unfort'nate questions are asked by the Lord.

At Flesherton council meeting John Wright was appointed constable for the village, to replace John Hales, who has held that position ever since the village was incorporated. Mr. Wright now holds the trifold position of assessor, collector and constable. He is also bailiff for the Division Court.

EIGHT GOOD REASONS WHY YOU SHOULD BUY A

DE LAVAL

GREATER CAPACITY—New capacities have been increased 10 per cent. without increase of speed or effort required in operation.

SKIMS CLOSER—The improved bowl design, together with the patented milk distributor, gives greater skimming efficiency.

EASIER TO WASH—Simple bowl construction and discs caulked only on the upper side make the bowl easier to wash.

EASIER TO TURN—The low speed of the De Laval bowl, the short crank, its unusually large capacity for the size and weight of the bowl, and its automatic oiling throughout, make it the easiest to turn and least tiring to the operator.

THE MAJORITY CHOICE—More De Lavals are sold every year than of all other makes of separators combined. More than 2,325,000 are in daily use—thousands of them for 15 or 20 years.

TIME TESTED—The De Laval was the first cream separator. It has stood the test of time and maintained its original success and leadership for 40 years the world over.

EQUIPPED WITH SPEED-INDICATOR—Every New De Laval is equipped with a Bell Speed-Indicator, the "Warning Signal" which insures proper speed, full capacity, thorough separation and uniform cream at all times.

SERVICE WHEN YOU NEED IT—The worldwide De Laval organization, with agents and representatives ready to serve users in almost every locality where cows are milked, insures the buyer of a De Laval quick and efficient service whenever he needs it.

Order your De Laval now and let it begin saving cream for you right away. Remember that a De Laval may be bought for cash or on such liberal terms as to save its own cost.

LACROSSE REVIVAL.

Dufferins Held an Enthusiastic Organization Meeting on Friday Night of Last Week.

That the war has not killed the old-time interest in lacrosse was amply demonstrated at the meeting held in the Public Library Auditorium on Friday night for the purpose of reorganizing the Dufferin lacrosse club. The attendance was unexpectedly large and the proceedings were marked by an enthusiasm and optimism that promise well for the success of the game in Orangeville this season. The meeting did not confine its attention solely to lacrosse. The question of constructing a modern indoor skating rink and the need of a good swimming pool for the boys and young menewere discussed at some length. Eventually a committee, consisting of Dr. Campbell, Dr. Bowles and Dr. Rooney, was appointed to consider the matters. This committee will confer with other representative local bodies and church societies with a view to arriving at a plan for definite and concerted action.

Dr. G. H. Campbell, ex-Mayor and himself an old-time player, presided. A number of returned soldiers were present, among them Bert Booth, Hutch Keith and Earl Stevenson, former members of the Dufferin team, who played with the Third Division team at the Corps sports in France in 1917.

The meeting decided to place three teams in the field and to assist to develop players for the years to come by organizing a town juvenile league. Mr. James Armstrong, one of the standbys of the game in Orangeville, was appointed manager of the senior team. Mr. W. C. Hopkins will have charge of the junior team and the interests of the juveniles were entrusted to Mr. B. McGuire, a former president of the O. L. A.

Th efollowing officers were elected: Hon.-Pres., Dr. R. W. Rooney and C. R. McKeown, M.L.A.; Pres., Dr. G. H. Campbell; Vice-Pres., Ald. J. E. Thompson; Sec., Bert Booth; Treasurer and Manager, James Armstrong; Committee, Earl Stevenson, Raspin Scott and W. C. Hopkins; Delegates to O. A. L. A., Dr. Campbell, Earl Stevenson and Bert Booth.

Bert Booth, the newly elected secretary of the club, is a returned soldier, who has seen over two years' active service in France. He played goal for the Dufferins for two or three seasons before the war. He has been nominated for Vice-President of the O. A. L. A. and is also on the slate of nominations for the council. He will stand for one of the offices and should make a strong candidate for either.

CANADIAN CLUB BANQUET.

The officers of the Orangeville Canadian Club are making arrangements to hold their annual banquet in the Grand Central Hotel on Friday evening, April 25th. The Club has had the good fortune to secure the services of Mr. John R. Robinson, Editor of the Toronto Evening Telegram as the speaker of the evening. Mr. Robinson is a witty and original platform speaker and is also an Orangeville Old Boy. Returned soldiers living in the town are being invited to attend the banquet as the guests of the members and it is hoped that all the returned men will be able to attend the function. Members may obtain their banquet tickets from the treasurer, Mr. C. A. Lamon.

CARD OF THANKS.

I wish to tender my sincere and grateful thanks to the Daughters of the Empire for the beautiful flowers they gave me on my arrival home and also for the many parcels of comforts forwarded to me while I was overseas.

SPRING IMPURITIES CLOG THE BLOOD

A Tonic Medicine is a Necessity at This Season.

Dr. Williams' Pink Pills for Pale People are an all-year-round tonic, blood-builder and nerve restorer. But they are especially valuable in the spring when the system is loaded with impurities as a result of the indoor life of the winter months. There is no other season of the year when the blood is so much in need of purifying and enriching, and every dose of these pills helps to make new, red blood. In the spring one feels weak and tired—Dr. Williams' Pink Pills give new strength.—In the spring the appetite is often poor—Dr. Williams' Pink Pills develop the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood find an outlet in disfiguring pimples, eruptions and boils—Dr. Williams' Pink Pills speedily clear the skin because they go to the root of the trouble in the blood. In the spring anaemia, rheumatism, neuralgia, erysipelas and many other troubles are most persistent because of poor, weak blood, and it is at this time, when all nature takes on new life, that the blood most seriously needs attention. Dr. Williams' Pink Pills actually renew and enrich the blood, and this new blood reaches every organ and every nerve in the body, bringing new health and new strength to weak, easily tired men, women and children. Here is a bit of proof: Miss Anna Patterson, R. F. D. No. 1, Thorold, Ont., says:—"My trouble was one of general weakness, which thinned my blood and gave me at times unbearable headaches, loss of appetite and also loss in weight. I tried several medicines, but without success. Then I heard of Dr. Williams' Pink Pills and decided to give them a fair trial. The result is that I feel like a new person. My appetite improved, I gained in weight, my blood is thoroughly purified, and my face cleared of some unsightly pimples which had troubled me. If one good turn deserves another then I have much pleasure in recommending Dr. Williams' Pink Pills."

If you need a medicine this spring try Dr. Williams' Pink Pills—they will not disappoint you. These pills are sold by all medicine dealers, or you can get them by mail at 50c a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A SUCCESSFUL SALE.

The auction sale of farm stock, implements and other effects belonging to the estate of the late Thos. J. Harshaw, Prince of Wales Road, Mono, was held on Wednesday afternoon, April 9th and attracted a very large crowd despite the wretched condition of the roads. Bidding was very keen and practically everything that came under the hammer was disposed of at excellent prices. Horses ranged from $200 up, one being shaw, was held on Wednesday afterwelve months old bull brought $186 and cows were auctioned off at from $120 apiece upwards. One buyer bought up the entire stock of hens at the fancy price of $2.25 apiece. Altogether the sale, which was one of the largest ever held in this district, realized $6,400. On top of this $6,100 was realized for the property known locally as the Joe Harshaw farm, which was knocked down to Mr. J. E. McMaster at that figure. This is considered a good price for the farm, which has a good barn, but no house. The homestead farm on the west side of the Prince of Wales Road was bid up to $7,500, but was not sold. We understand that the reserve bid was $8,000. The sale was handled by Mr. Geo. McAlister, who was in his best form.

MILITARY NOTES.

Spr. Bert Coleman, son of Mr. and Mrs. H. J. Coleman, of Alton, arrived home from overseas last week.

Sergt. G. O. May, a son of the late W. J. May, of Mono and West Toronto, has arrived home from Dallas, Texas, where he was engaged in the military aeroplane service. Sergt. May enlisted from Detroit and spent a few days visiting his mother, who is taking care of Mrs. John Bailey, before returning to that city.

Pte. Walter Camplin, of Beeton, formerly of Orangeville, arrived home from England recently. He had been on active service nearly three years, going over with the 75th Battalion, and spent about two years in the trenches. During an engagement of the 60th Battalion he sustained shell-shock. After recovering he returned to the firing line with the Canadian Engineers and was in France when the armistice was signed.

Pte. Alex. Saunders, an Orangeville soldier and a former player on the Dufferin lacrosse team, was a cot case on the hospital ship, Araguaya, which arrived at Portland, Maine, a few days ago. Saunders, who has a wife living in Orangeville, was wounded about eight months ago, receiving a broken thigh bone, a fracture below the knee and several minor injuries. Altogether he was hit in seven places. He has been in different military hospitals ever since and is now in the Dominion Orthopoedic Hospital, Christie St., Toronto, where he is making satisfactory progress. Alex. expects to be able to visit Orangeville and his parents in Durham before very long.

Pte. Geo. McAuley, D. C. M., of Corbetton, arrived home last week. McCauley was one of the first-six to enlist at Shelburne, in August, 1914, went overseas with the first contingent, in the 4th Battalion, and has been more or less in the thick of things ever since. He got his Distinguished Conduct Medal at the second battle of Ypres, 23rd of April, 1915, when he was the only one of the men of two machine gun crews of the battalion to come out alive, and brought his machine gun out safely with him.

Charlie Morrison, another of Orangeville's gallant soldier sons, arrived home on Monday night accompanied by two comrades, Ptes. Murray and Mongrove, of Teeswater. The trio were given a rousing welcome, the Citizens' Band assisting in the reception. They were escorted to Broadway, where the band played a few numbers, and the local Reception Committee extended them a formal welcome home, the proceedings terminating with a hearty round of cheers. Morrison enlisted in the 153rd Wellington Batt. in November, 1915, and was subsequently promoted to the rank of lieutenant. He went overseas in July of the following year, reverted to the rank of private to get verted to rank of private to get to the front and crossed to France with the 4th Ammunition Subpart in November 1917. He remained at the front until the end of the war and had the good fortune to come through the fighting without even a scratch. "Charlie," as he is called by all his friends, is looking the picture of good health, but like the rest of the boys is glad to get back to Canada.

Corp. Harry C. Delaney, son of Mr. and Mrs. Wm. Delaney, John street, arrived home from overseas on Saturday night. The Citizens' Band and a large number of citizens met the young soldier at the depot and gave him a hearty welcome, the band afterwards escorting him to Broadway, where he was given a fitting welcome home on behalf of the Reception Committee and citizens. Corp. Delaney enlisted with the 34th Battery, C. F. A., in August 1915, immediately after the commencement of the war. He went overseas three weeks after he enlisted and trained in England until December of the same year. He was then transferred and went to France with the Motor Transport. He had only been in France a short time when he was gassed at Passchendaele. After his recovery in 1916 he was attached to a Motor Machine Gun Section. Corp. Delaney received his first wound near the end of 1917. He had two very fortunate escapes from injury by bursting shells during 1918. In each case he was the only man in his unit who escaped without injury. The young soldier remained over in Toronto a few days with his mother, who has been under the unfortunate necessity of undergoing no less than three serious operations in the General Hospital. Mrs. Delaney is now getting along nicely and it is expected that she will be able to return home in the course of a couple of weeks.

—Mr. Jas. Gibbons, a returned soldier living on Centre street, and family moved to Peterboro this week.

Now a Complete Truck

HEREAFTER Ford One-Ton Trucks may be bought *complete* with bodies and cabs, ready for the road.

The body as well as the chassis will be planned to give Ford service.

This will insure the utmost efficiency from the Ford Truck; give the purchaser Ford value in every part of his truck; produce better bodies at lower prices.

Two types of Truck bodies, the Stake and the Express, will be kept in stock, set up, painted (or in the lead) and ready for prompt delivery.

They have oak floors, sills of seasoned hickory and specially designed forgings and castings.

The construction at every point provides for rough usage such as every truck is bound to get. Both bodies have closed cabs to protect the driver.

These cabs have sliding windows and two-way, double ventilating windshields.

Call and learn what it will cost to use these complete trucks in your business. Look them over carefully. See how they outclass other trucks in every detail.

ST. ANDREW'S Y. P. S.

St. Andrew's Young People's Society held the closing meeting of the season on Monday night. There was a good attendance of the members, who were entertained by a varied program, provided under the direction of the Literary Committee. The President, Mrs. G. B. Hayes, occupied the chair. Miss Alice McGuire read the 24th Psalm, Misses Dorothy Wright and Muriel Torrie and Misses Kearns and Henry gave appreciated piano duets, Miss Ruth Coulter contributed a recitation and Miss Annie Lane and Mr. Christie McCauley entertained the gathering with well-rendered readings. The society has had a very successful year, the meetings having been much better attended than usual. This has been due in large measure to the energy of the President, Mrs. Hayes, and the loyal support she has received from the executive and the various committees.

BUYS MEAFORD BUSINESS.

Mr Wm. Lathwell, who was formerly in the coal business in Orangeville, and who has been living retired here since he sold out his business in Barrie a couple of years ago, has purchased the coal and wood business of the F. C. Smith Estate in Meaford and has already taken over the business. Mr. Smith, the former proprietor, fell dead while cleaning grain last autumn. We understand that Mr. Lathwell paid about $8,000 for the stock and business. Our former townsman had the pleasure of coaling the first boat of the season last Thursday morning. He also closed a deal with the Meaford Manufacturing Co. for 500 tons of steam coal to be delivered at $6.50 a ton. Mr. Lathwell is moving his family and effects to Meaford immediately.

Ptes. Ernest Stuckey and Toney Zeck arrived home on Tuesday last and were given a rousing reception and also received the medal which our reception committee are investing all our returned heroes with.

Mrs. Wm. Moffatt, who underwent a very critical operation in the Western Hospital on Monday of last week, is doing as well as can be expected but will be a considerable time regaining her former health.

Caledon Public Library Board are expecting a full house on Thursday evening, April 1[illegible], when the Inglewood Dramatic Club will present their popular drama, "The Village Doctor."

Mrs. J. J. Nesbitt and Mrs. Wm. Warnock visited Toronto friends last week.

Despite the unfavorable weather and bad condition of the roads Caledon Methodists held a very successful box social on Thursday evening last. Boxes sold as high as $3.75.

On Sunday, April 6th, the angel of death again visited our community and claimed an old and highly respected resident in the person of Sarah Clay, relict of the late James Petch, as its victim. Mrs. Petch was born in the city of Hull, Yorkshire, England, 88 years and three months ago and came to Canada with her parents when a child and settled at Thornhill, afterwards moving to the township of Chinguacousy and later to lot 10, Centre road, Caledon, where her two sons reside. Mrs. Petch was a strong, healthy woman till a short time ago and could tell many interesting stories of the trials, privations and hardships of pioneer days when Canada was young. She leaves to mourn the loss of a devoted parent, three sons, Henry G. and Wm. T. at home, John Charles, of Toronto, and Mrs. Wm. Tribble, of Caledon, also 18 grandchildren and 9 great-grandchildren. The funeral (which was private) was by motors to Mt. Olivet cemetery, Chinguacousy, on Tuesday. Rev. T. R. White conducted the service.

Gone is the one we loved so dear,
Silent is the voice we loved to hear,
So far away from sight or speech,
But not too far for our thoughts to reach.

Major W. Monds, of the First Canadian Railway Troops, a former Caledon East boy, returned to his home in West Toronto a few days ago. Major Monds first donned the khaki in December, 1915, and went overseas in August, 1916. He has had some very thrilling experiences while engaged in keeping the lines of communication complete for Canada's defenders. Fortune smiled upon him, for he has come back unscathed from the war.

RELESSEY.

It is currently reported that the Relessey League meeting last week had to be postponed on account of the regret of the young [illegible] of the choir to attend a couple of parties in the neighborhood.

THE METHODIST CHURCH.

A rally of the men of the congregation took place last Wednesday evening. Mr. M. N. Armstrong took the chair and explained the objects of the meeting. An address of some mission experiences was given by the pastor and Mr. Shantz, of Toronto, who happened to be present also gave a short address. The "Men's Choir" did valiantly and we may expect to hear further from them. Refreshments were served and altogether the men had a very interesting meeting.

The election of officers of the Epworth League took place last Monday evening with the following results: Hon. Pres., Rev. E. R. Young; Pres., Miss Ruby Wilcox; 1st Vice-Pres., (C. E.), Miss Jane Clarke; 2nd Vice-Pres. (Missionary), Miss Gladys Ewing; 3rd Vice-Pres. (Literary), Miss Jennie Kearns; 4th Vice-Pres. (Social), Miss Margaret Rowan; 5th Vice-Pres., (Look-Out), Miss Ethel Arkell; 6th Vice-Pres. (Citizenship), Mr. E. M. Still; Floral Com., Miss Norma Cranston; Secretary, Russell Bradley; Assistant Sec., Miss Alma McConnell; Cor.-Sec., Miss Florence Annis; Treasurer, W. H. Gillespie; Pianiste, Miss Dorothy Wright; Asst.-Pianiste, Mrs. W. H. Kearns; "Youth and Service," Miss Winnie Varcoe.

Last Sunday morning Mr. R. M. Geiger, a returned soldier and a student of Victoria College, spoke in the interests of the Educational work of the Church. He was himself a living sermon. He showed in his own life and service and faith the results of the splendid work that the Church is doing in her colleges. "Here am I, send me," was his text, and this is the sweetest music that God who calls for men can hear. And where such consecration is found in the hearts of young men and women it is for the Church to see that such receive the best equipment and training that they can get to render their best work to the Church and their generation. By his eloquent words, his personal testimony, and his faith, Mr. Geiger made a distinct impression upon his hearers. We would that all returned soldiers had his faith, viewpoint and consecration. It will be up to the Church people to strengthen the hands and hearts of those who have such faith.

AN OPEN LETTER

To Soldiers Returning From Overseas Service

Do you feel that you are going to be under a handicap when you re-enter civilian life? Are you fully prepared to take up your former occupation or start a new one? Have you the knowledge of business affairs that is necessary if you are to compete successfully with your fellows—in any line of occupation ?

At no time in the past have there been the great opportunities for the young man in manufacturing, mercantile life, agriculture, etc., as there will be in the coming re-construction period of Canada. Business during your absence overseas reached a new and higher standard of activity, and it has never before been so necessary to be thoroughly trained in businss methods; to be able to transact business successfully and to have the necessary confidence in your own ability to secure you from fraud or imposition.

A special training along these lines is necessary to fit you for business life, and it may be obtained within a short space of time—a Business Course at the Northern Business College, Owen Sound, Ont., which has been arranged with a view to giving young people a broad and practical insight into modern methods of commercial activity. It is possible within a few months to put yourself in possession of a fund of special knowledge that will enable you to get in on the "ground floor" of Canada's re-constructive period, to face life with the utmost confidence, and which will be of the greatest assistance to you, no matter what line of endeavor you intend to follow.

There are no entrance examinations and you are not debarred in case you have neglected your early education. In fact there is a special Preparatory Course where public school subjects may be taken up. The instruction is largely individual so that very rapid advancement can be made. The Principal is a Chartered Accountant and supervises all instruction.

It is expected that Capt. G. D. Fleming will be demobilized in time to retur nto the staff for the Spring Term.

Spring Term opens Tuesday, April 22nd in Business, Preparatory, Shorthand and Typewriting Departments. It is your opportunity.

Catalogue free on request. Send for the booklet, "The Road to Tomorrow."

Maxwell

—a car of rare charm and—*able*

YOUR first impression of this present day Maxwell as it passes you on the street is one of decided beauty.

Your first ride in it, whether at the wheel or in the tonneau, tells you of its rare charm.

But after six months you find a new admiration for the Maxwell. You find it shuns the repair shop, that it runs and runs and runs and never stops running.

Then after a year is past you develop an enthusiasm for it that dictionary words don't seem to fully describe.

And then after you have had it for more than the average life of a motor car and you find it far better than even the Maxwell salesman said it was you search for the reason.

This is what you find:

For 5 years Maxwell cars have been built on the single chassis plan. To date 300,000 have been turned out on this plan. Each car better than the other. Each one better looking than the other.

There have been more than 1000 refinements in the Maxwell, but never once have the Maxwell executives swerved from the original program.

You conclude that reliability was designed "into" the car and built "into" it, and that a policy of 300,000-all-alike is the soundest kind of reason for writing your check for a present day Maxwell.

Well-Known Business Man Charged With Grain Stealing.

It is many a long day since such a high pitch of agitation prevailed in Alliston as was that which followed the astonishment of the people when the word was passed round on Thursday last that B. E. Tuer had been placed in the cells with a charge hanging over him of having broken into the Canada Grain Company's elevator at Thornton and taken wheat therefrom. The arrest was made shortly before noon that day by County Constable J. J. Williams and Detective Hammond of the Pinkerton bureau after the latter had worked on the robbery of the Thornton elevator last month for a couple of weeks. It was not, however, with the theft of grain from the Canada Grain Company at Thornton this year that Tuer is charged, but with the theft of some 56 bushels of wheat and rye from the same place in January 1918. When placed under arrest the accused was very much surprised and stoutly protested his innocence. There was also no small measure of skepticism among the townspeople and those of the district, some of whom absolutely refused to believe that Edgar Tuer, as he is known among acquaintances, could be guilty of any such crime. Edgar Tuer is manager and practically proprietor of the White Mills, a short distance beyond the corporate limits to the east of the town. He is a young man of no small amount of business capacity. A practical miller, he is sufficiently well versed in the trade of making flour to produce an article that commands the highest price and sells readily in the city of Toronto in competition with the products of all the big milling corporations in the country. It has become common knowledge since the arrest of this man that he has been shipping car loads of flour to the T. Eaton Co. in Toronto as fast as he could turn out the product and that this Toronto firm has been eager to obtain more than the capacity of the mill would enable him to supply. Tuer has been in charge of the White Mills since the death of his father some years ago, and previous to that he had spent some time in Chicago. He lives at home with his mother and brother and has the reputation all over the district of being an unusually industrious and prosperous young man. He is aided at the White Mills by his brothers, Garfield and Rolland, who naturally feel keenly the reproach this incident must necessarily involve. Much sympathy is expressed all over the district for Mrs. Tuer, mother of the Tuer boys. She is held in the highest esteem, having been here for a great many years, and is above reproach. No one would think of attaching to her any of the odium which has so suddenly come over her son. It is even early to form any definite conclusions regarding the guilt or innocence of Edgar Tuer, even though at the preliminary hearing the evidence was damaging. The defence was not developed, no hint given of what it is to be, and nothing in the nature of an explanation of some entries involving the accused advanced. While the evidence surprised all who heard it and deeply involved the accused young man, it is not impossible that the whole mass may be disproved and a defence made which will throw altogether different light on the case.

The arrest was made on Thursday shortly before noon, following a visit to Toronto the day previous by Detective Hammond and Constable Williams. Thursday morning [illegible] reached Alliston on the train with Chas. K. Scott in tow. Scott was charged with the same offence as Tuer and was arrested Wednesday evening in Toronto. That night he gave the [illegible] on the case a detailed account of the trip alleged to have been made by Tuer and Scott to Thornton in January, 1918, when, according to Scott's story, they came away with 19 bags of grain. It was on this information that a warrant for the arrest of Edgar Tuer was secured and the apprehension of Tuer quickly followed.

Thursday afternoon both Tuer and Scott appeared before Justices J. E. Addis and F. B. Elliott. The proceedings were formal, neither prisoner being asked to plead and neither making any statement. They were remanded till Saturday for the preliminary hearing and committed to the keeping of the county jailer. The two prisoners were taken by automobile to Barrie in charge of Constable Williams and Detective Hammond. As they left the clerk's office Scott was silent, but Tuer did not cease to proclaim his innocence. The car left the hall rapidly picking up speed and passed through a couple of solid lines of curious people, not yet recovered from their astonishment of the morning, before turning the corner out onto Victoria street.—Alliston Herald.

This Washer Pays for Itself In One Year

The Time Saver Electric Washer saves enough money to pay for itself the first year. It saves the washer woman's wages; it saves laundry bills; it saves the clothes, for they last four times as long when washed in this machine. It saves doctor's bills, for it cuts out back-breaking drudgery.

Time Saver Electric Washer

Costs less to run than the washer woman eats. It operates for 2c. an hour, and is easier to run than a sewing machine. It is moderate in price. We have a Time Saver ready to show you. Let us demonstrate it in your own home. Phone or call at our Store.

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, wash-board and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

CO-OPERATIVE EXPERIMENTS IN THE ERADICATION OF WEEDS

This experimental work was commenced in 1912 and has been conducted now for seven successive years. The object of this work is to have carried on by men on their own farms experiments in the eradication of weeds, the results of which will furnish data from which definite information may be obtained regarding the best methods of controlling the various troublesome weeds of the Province. Before the results of these experiments began to accumulate there was very little or no definite knowledge concerning the eradication of weeds.

The weeds experimented with are Perennial Sow Thistle, Twitch Grass, Bladder Campion or Cow Bell, Wild Mustard, Ox-eye Daisy, Field Bindweed or Wild Morning Glory, Wild Oats and Chess.

Each spring leaflets are sent out to numerous farmers of the Province inviting all who have any of these troublesome weeds on their farms to co-operate with us in this work and try the experiment outlined for the particular weed which is giving them trouble. Application forms for the experiments accompany the leaflets. To those who fill in these and return them detailed directions for the carrying out of the experiment selected are sent and in the fall they are supplied with blank forms on which to report the results of their work.

In the past seven years (1912-18) over sixty farmers have co-operated in this work and some valuable information has been obtained. It may be briefly summarized as follows:

1. That good cultivation followed by rape sown in drills provides a means of eradicating both Perennial Sow Thistle and Twitch Grass.
2. That rape is a more satisfactory crop to use in the destruction of Twitch Grass than Buckwheat
3. That thorough, deep cultivation in the fall and spring, followed by a well cared for hoed crop, will destroy Bladder Campion.
4. That Mustard may be prevented from seeding in oats, wheat and barley by spraying with a 20 per cent. solution of iron sulphate without serious injury to the standing crop or to fresh seedings of clover.

The following are the experiments outlined for this year:

1. The use of rape in the destruction of Perennial Sow Thistle.
2. A system of intensive cropping and cultivation, using winter rye followed by turnips, rape or buckwheat for eradicating Perennial Sow Thistle.
3. The use of rape in the destruction of Twitch Grass.
4. A method of cultivation for the destruction of Twitch Grass.
5. Method of cultivation for the eradication of Bladder Campion or Cow Bell.
6. Spraying with iron sulphate to destroy Mustard in cereal crops.
7. A method of cultivation for the destruction of Ox-eye Daisy.
8. A method of cultivation and cropping for the suppression of Field Bindweed or Wild Morning Glory (requires two years to complete).
9. A method of cultivation and cropping for the eradication of Wild Oats (requires two years to complete).
10. A method of cultivation for the destruction of Chess.

All who have any of these weeds on their farm are invited to join with us in this work. By so doing they should be able to clean the field of the weed experimented with and demonstrate to their own satisfaction the effectiveness of the method tried and at the same time their results will be of great value to others. Full information can be obtained concerning these experiments by writing to the Director of Co-operative Weed Experiments, Ontario Agricultural Colloge, Guelph.

Markdale citizens will observe Thursdays during July and August as public holidays.

PRESENTATION TO RETURNED SOLDIERS

Returned Men Honored in Mitchell's Methodist Church on Wednesday Evening Last.

A very pleasant event took place on Wednesday night last when a large number of the friends of Pte. Norman Welwood and Signaller Arthur Sutherland met in Mitchell's Methodist church to show their appreciation of the services these young soldiers rendered their country during the recent war.

A short program of music and readings by Rev. Laycock, a recitation by Frank Giddings, and speeches from a number of the church members preceded the presentation.

Each young man was presented with a suitably inscribed hymn book and a bible, each book engraved with the name of the owner. A suitable address was read and a delicious luncheon was served and the people dispersed after giving three cheers for the returned men.

Mitchell's church is presenting all the returning men from her church similarly as each return. Among those present were Mr. and Mrs. Robt. McKim, who were gladly welcomed by the friends of their former church.

Woman Won Recognition in War---Now She is Preparing for Peace

Women drove ambulances. They nursed. They became cooks in the army. They made munitions. They tended graves. They ran telephone exchanges. They did everything but actual fighting—and at that they were the inspiration, the unfailing inspiration of the fighting men.

THERE IS NO END TO WOMAN'S ACHIEVEMENTS

and, even as they have placed themselves upon a pinnacle by their efforts in the past, so will they rise to greater heights in the future.

Women must be the balance wheel during the Reconstruction. Theirs must be the hand to stay the impatience of men who, having returned from the active, strenuous days of the battlefields, find it difficult to reconcile their past four years with the mundane routine of life.

So there was never a time when newspapers had so much to tell about women; never a time when womankind could read in the day's despatches so much about herself. She has become more and more interested in the broad questions of National Government, and in Ontario she now votes on the same basis as men.

THE TORONTO DAILY STAR REFLECTS EVERY ACTIVITY OF WOMEN

not merely a social chronicle, but a mirror of what women are achieving.

Its thirty-one exclusive correspondents (including two women) tell of the work of women the world over.

In addition, The Star publishes daily fashion hints; Bedtime Stories for kiddies; advice on "keeping well" and "doing things," all of which interest both men and women.

Every woman should read her local newspaper because it tells with intimacy of the people whom she personally knows. But woman's place in the world's affairs demands also a WORLD NEWSPAPER—a paper which will bring her into "reading touch" with things far and near, as the telephone has brought her into "speaking touch" with those from whom she was once isolated.

Women cannot read The Toronto Daily Star for a short while without feeling that it is "the paper they need." The truth of this shown by the many women who, sending in a trial subscription for three months, renew their subscription for a year before even the three months expire.

Send your subscription in now. We will mail The Toronto Daily Star to you each day at the following rates: For 1 month, 25c. For 3 months, 75c. For 6 months, $1.50 For 12 months, $3.00.

MRS. JOHN D. THOMPSON.

The death of Mrs. Elizabeth Thompson, wife of Mr. John D. Thompson, occurred very unexpectedly at her late residence, Parson St., shortly after 9 o'clock on Wednesday night of last week. Mrs. Thompson had been indisposed for a short time a few weeks prior to her demise, but had practically recovered her oldtime health and strength. She was taken suddenly ill with heart trouble about 2 o'clock on the afternoon of the day of her death. A physician was at once called in and did everything possible for her, but unfortunately his efforts proved unavailing to save her life. Deceased, whose former home was near Elora, was married to Mr. Thompson about five years ago and came to Orangeville with her husband about a year later. She was a quiet, refined woman: devoted to her home and the interests of her husband. During her comparatively short residence here she made a number of intimate friends, particularly in connection with the Methodist church where she and her husband worshipped regularly. These unite in mourning her demise and in extending sincere sympathy to the bereaved husband and friends. Mrs. Thompson is survived by four sisters, Mrs. Jordan of Oakville, Mrs. Mitchell of Elora, Mrs. Carson of Elora and Mrs. Atkinson of Summerville, Mass. The funeral was held from her late home to the C. P. R. station at 9 o'clock on Saturday morning. Interment took place in Carmel cemetery near Belwood immediately after the arrival of the Orangeville train. Rev. E. R. Young, the family pastor, conducted service at the house and also in the cemetery. The pallbearers were two stepsons and four cousins. Among the floral tributes were an anchor from the husband; a wreath from Mr. and Mrs. J. E. Thompson; a spray from Mrs. J. W. Johnston, of Toronto; a spray from Mr. and Mrs. N. Thompson, and sprays from a number of other friends. Among the friends from a distance who were here for the funeral were Mr. and Mrs. Jordan and Mrs. Robinson, of Oakville; Mrs. Mitchell, of Elora; Mrs. J. W. Johnston, of Toronto; Mr. D. Thompson, of Grand Valley; Mr. and Mrs. J. Thompson and Mr. and Mrs. W. Thompson, of Belwood

M'EWAN–HUSTON.

The home of Mr. A. M. Huston, 234 Lee avenue, was the scene on Wednesday of the marriage of his cousin, Miss Ethel Huston, of Orangeville, to Mr. Herbert McEwan, also of Orangeville. The service was taken by Rev. W. M. Morris, of Orangeville, in the presence of the immediate relatives. The bride wore a suit of midnight blue gabardine with a blue Georgette hat with crown of roses and carried pink roses. Miss Pearl Henderson attended as bridesmaid in dull blue and gold with toque to match. After spending a few days in town Mr. and Mrs. McEwan will go to their home at Pleasant View Farm, Orangeville.—Daily Star, April 11.

The many Orangeville friends of the happy couple unite in wishing them a pleasant and prosperous journey through life.

ASTLE–SYDIE.

A quiet wedding took place at First Presbyterian church on Wednesday evening at 8 o'clock, when Annie Evelyn, only daughter of Mr. and Mrs. C. W. Sydie, Chipman, was married to Capt. Wilfred Astle, C.A.D.C., Edmonton. The Rev. Dr. McQueen performed the ceremony in the presence of immediate relatives. The bride was given in marriage by her father, and wore her travelling costume, a suit of rocky-brown broadcloth, with georgette crepe blouse an hat to match, and a corsage bouquet of pale and pink rosebuds. After the ceremony the guests drove to the Macdonald hotel, where a dainty wedding supper was served. Capt. and Mrs. Astle left on the 11 o'clock train for a short wedding trip, and on their return will be at home at 10242 125th St.—Edmonton Bulletin, April 10th.

The bride is a former Orangeville girl. Her many friends in town extend their hearty congratulations.

"THE VILLAGE DOCTOR."

"The Young Village Doctor," a melodrama in four acts will be staged in the Town Hall at Caledon on Thursday evening, April 17th, by the Inglewood Dramatic Club. The play will be given under the auspices of the Caledon Public Library. Caledon Hunt Club will provide music for the evening. Admission 25c; reserved seats, 35c. Plan of hall at Consolidated Telephone Co. office. As given by the Inglewood amateurs "The Young Village Doctor" is said to be a very fine performance. It should be well worth seeing and hearing.

Maple Leaf Paint

Sing a song of Springtime,
Everybody busy,
Four and twenty aldermen
Riding on one Lizzie;
When she stopped a minute
(It was rather quaint!)
Every blessed mother's son
Bought a can of M. L. Paint.

Sing a song of Orangeville,
Really on the jump,
Cleaning up and painting up
Every cussed dump;
Everybody happy,
Everybody glad,
Everybody hustling—
Even dear old Dad!

Mother's in the parlor
Brushing varnish on;
Sister's in the kitchen
Helping brother John;
Grandma's mixing mill white
In the old cowshed;
Gosh, a fellow hates to
Lie so late in bed!

Cleaning up and painting up,
So the days go by,
Preachers, prudes and prima donnas,
Mixing in the pie;
When that pie is opened,
Tell me if it ain't
A jolly day, for the man,
Who uses M. L. Paint.

NOVA SCOTIA MAN IS ENTHUSIASTIC

FOR DODD'S KIDNEY PILLS HAVE MADE HIM WELL.

A Year of Growing Kidney Trouble Brought Bright's Disease but He Found a Help in Dodd's Kidney Pills.

Belleville, Yarmouth Co., N. S., April 14.—(Special.)—"You can tell everyone that it was Dodd's Kidney Pills that made me well." This is the joyful remark of Mr. Alcide Meuse, a well-known and highly-respected resident of this place. Mr. Meuse, who suffered for a year from kidney trouble, is enthusiastic in his praises of Dodd's Kidney Pills. "I think everybody ought to use them all the time," he says. Then he gives the reasons for his enthusiasm:

"I first caught a cold," Mr. Meuse states, "and kidney trouble followed. My sleep was broken, my eyes were puffed and swollen and I had dark circles around them. I was often dizzy and always thirsty. My skin itched and burned at night. I was troubled with nervousness and my limbs were swollen.

"I had cramps in my muscles, backache and headache. Then Bright's Disease developed. A doctor attended me but the first real relief I got was from Dodd's Kidney Pills. I took eight boxes of them and they cured me."

All of Mr. Meuse's troubles came from sick kidneys. Dodd's Kidney Pills cured his kidneys and he felt well all over. That's why he's enthusiastic. For sound kidneys make pure blood and pure blood is the foundation of health.

ST. ANDREW'S RE-OPENING.

The work of redecorating and renovating the interior of St. Andrew's Presbyterian church is nearing completion and it is planned to hold the re-opening services on Sunday, May 4th. Major the Rev. A. L. Burch, a former pastor of the church, will occupy the pulpit at both services. The church choir is already preparing special music for the occasion.

—Sunday next will be Easter Sunday.

—Mr. J. C. Darraugh has rented his dwelling house on York street, to Mr. Nick Willoughby. Mr. and Mrs. Darraugh are moving to Alliston, where the former, who is with the Wellington Creamery Co. again this season, can get home almost every night in the week. They are having an auction sale of their household effects on the Market Square on Saturday afternoon.

—Mrs. G. Beswick was called to the city last week by the illness and death of her brother, Norman W. Armstrong, second son of the late Dr. Wm. Armstrong, of Orangeville and Toronto. The death took place in St. Michael's hospital on Friday afternoon. The funeral was held from the residence of a sister, Mrs. Mason, 223 Fern Ave., Toronto, to Mount Pleasant cemetery on Saturday afternoon

Mr. Fred A. Lewis, the well-known piano tuner, is in town this week and is putting up at the Grand Central Hotel, where he may be consulted by persons who require his services.

—Tomorrow will be Good Friday and will be observed as a public holiday. Broadway business places will close for the day.

—Mr. Jas. A. Arnott has sold his dwelling house on Mill street to Mr. John Cameron, C. P. R. bridge construction department, who will get possession on June 1st. The sale was made by Auctioneer J. B. Irwin.

WELL SATISFIED WITH BABY'S OWN TABLETS

Mrs. Edmond Gagne, Tikuape, Que., writes: "I am well satisfied with Baby's Own Tablets. They are absolutely necessary in homes where there are little children. They cured my baby of constipation and I would not be without them." Thousands of mothers always keep a box of Baby's Own Tablets on hand as a safeguard against constipation, colic, colds, simple fevers or any other of the minor ills of little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

PERSONALS.

Mr. and Mrs. J. S. Rawn, of Mono Road, took in the Orangeville fair last Thursday.

Mrs. H. A. Dorrance has gone to Bobcaygeon to visit her friend, Miss Brooks, for a few weeks.

Miss Fay Young, of Sault Ste. Marie, Mich., is visiting her mother, Mrs. Burns Young, East Broadway.

Mr. H. F. Ainsworth spent Saturday in Shelburne in the interests of the Great War Veterans Association.

Mr. Robt. Wansbrough, of Toronto, was in town on Saturday. Our former townsman is looking hale and hearty.

Mrs. G. E. Reynolds, of Beeton, was the guest of her sister, Mrs. E. G. Bingham, Zina St., over the week-end.

Mr. and Mrs. C. Tufgar and family, of Burlington, are visiting the latter's mother, Mrs. Jos. Island, John street.

Mr. J. H. Redman, of Orton, a well-known East Garafraxa farmer and stockman, took in Orangeville monthly fair last Thursday.

Mr John Bradley left for the West on Tuesday. He intends to spend the summer making some improvements on his farm near Verwood, Sask.

Master Wilbert Kannawin, son of Reeve Kannawin, is paying a visit in town to his aunt and uncle, Mr. and Mrs. Tom Wilson.—Conservator.

Miss Bessie Laird returned to her home at Norval on Saturday after spending two weeks with her grandmother, Mrs. Jas. McMaster, and other Mono friends.

Principal Firth, of the Orangeville Public School, went to Durham on Saturday morning in response to a message informing him of the serious illness of his mother, Mrs. C. Firth, of that town.

Mrs. Hicks-Lyne announces the engagement of her younger daughter, Olive Maud Eales, to the Rev. Arthur C. McCollum, of Mono Mills. The marriage will take place quietly the middle of this month.

Messrs. Malcolm and Neil McCormick, of Amaranth Station, were in Puslinch last week attending the funeral of the latter's cousin, Mr. John McCormick. Deceased, who was 73 years of age, became overheated while at work last summer and failed to recover from the effects.

Mr. and Mrs. James L. Kirkpatrick, of Shelburne, announce the engagement of their youngest daughter, Susie, to Mr. William Victor Leader, of Laurel, the marriage to take place in April.

Mr. J. C. Ryan, of Toronto, was in town on Fair Day demonstrating the advantages of a double-tread tire system, in which he holds the controlling interest. By the use of sectional plates it is possible to fasten a pair of badly torn tires in such a way as to make a strong, serviceable tire that will run for years with little or no danger of trouble from punctures. Some of our older readers will remember Mr. Ryan as one of the members of the firm which ran the Big Elephant store in Orangeville about thirty years ago.

Mr. Jim Davison, a prosperous business man in Portland, Ore., is visiting his sisters, Mrs. Richard Fines and Miss Lily Davison, and other relatives in Orangeville and Caledon. Mr. Davison left home several weeks ago and journeyed east by way of California and what is known as the southern route across the United States. He will go from here to Montreal and expects to return home about June 1st by way of Western Canada. Mr. Davison, who is a son of the late John Davison, was one of the first pupils of the late Principal Steele in Orangeville High School.

Mrs. (Dr.) Alan Ross and three little children, of Hillcrest, Alta., are visiting her uncle, Mr. Maura McNaughton, Zina street. The three children attract more than the usual amount of interest wherever they go owing to the fact that they are triplets. One of them is a boy and the others girls. They are bright, healthy looking kiddies between three and four years of age and are so much alike in size and appearance that even close friends of the family have the greatest difficulty in singling out one from the others. Dr. Ross, the father of the three little ones, is a son of the late Rev. Dr. Ross, of London, who is well known to many of our Mono readers, particularly in the Camilla neighborhood. He is the company doctor at the mines at Hillcrest, which is an important mining centre on the Crow's Nest Branch of the C. P. R. Dr. Ross has gone to New York to take a post-graduate course and his family will stay here while he is away.

ANNOUNCEMENT!

A new company has been formed to take over the Wholesale Produce business in Harriston, conducted for many years by Gunns Limited.

The business will in future be known as

WELLINGTON PRODUCE CO., LIMITED.

Mr. B. Whitemore, at present Manager for Gunns Limited, will be Managing Director of the new company.

A large addition to the Plant is now being built and mechanical refrigeration installed. The new building will include a modern Ice Cream Plant with latest equipment for the manufacturing of the highest grade product.

OUR ICE CREAM WILL BE ON THE MARKET BY JUNE 1—WAIT FOR IT.

Harriston has the benefit of being located on a very favorable railway centre from a service standpoint, having direct connection with the Owen Sound and Southampton lines of the Grand Trunk and the Orangeville-Teeswater Branch of the C. P. R., thereby warranting prompt and efficient service in this new line.

Meanwhile, we are always buyers of Eggs, Butter and Poultry.

—Miss Winifrid Buchanan, Camilla, and Miss Edna Black, The Maples, have graduated from the Orangeville Business College and intend taking positions in Toronto. We wish them every success in their new avocations.

—At a special meeting of Orangeville Presbytery held at Maxwell last Thursday, Rev. A. Shannon was inducted into the pastoral charge of Maxwell, McIntyre and Feversham, rendered vacant by the removal of Rev. J. Scobie to Whitechurch.

—Mr. and Mrs. Jas. Montgomery and daughter, Ruth, moved to town last week from their farm in East Garafraxa and have taken up their residence with Dr. Trueman Bailey, 1st Ave. We welcome them to Orangeville.

—Miss Bessie Brinkman, of Violet Hill, completed her course at the Orangeville Business College last week and left town for her home on Saturday. We understand that Miss Brinkman has accepted a position in Mr. Layton's law office in Shelburne.

—Mr. and Mrs. A. Yates, West Broadway, received a message on Tuesday informing them of the critical illness of their daughter, Mrs. (Dr.) J. B. Long, of Red Deer, Alta. Miss Ruby Yates left hurriedly for Red Deer on Tuesday evening.

—The girl friends of Miss Louie Walker, of Laurel, gave her a miscellaneous shower at the home of Miss Ruth Nelson a few nights ago. A very pleasant evening was spent by all. Miss Walker was married in Toronto on Monday to Capt. Stanley Alderman, of the S. A. staff in Cobourg.

—Mr. and Mrs. E. G. Tennant, who spent the winter at their home in Sault Ste. Marie, returned to Camilla last week. Mr. Tennant is again in charge of the Camilla cheese factory and is already busy getting things into shape for the season's business. He is one of the oldest and has also the reputation of being one of the best cheesemakers in Ontario.

—Last week Mr. W. P. Dodds, west of the town, sold a pair of baby beeves, one born last June and the other on July 12th, which netted him considerably over $200. The pair weighed 1400 lbs.

—Mr. Ernest Cole, of Hockley, was kicked by a horse and so seriously injured that an operation had to be performed. He is expected to recover.

—Messrs. John McMaster, of Grand Valley, and J. W. McMaster, of Snelgrove, attended the Harshaw sale on Wednesday afternoon of last week. The former bought a horse for which he paid the fancy price of $300.

—Mr. Geo. Wilkins has bought the two storey double brick dwelling house on Mill street from Mr. Robert Wansbrough, of Toronto. The dwellings have been occupied by Robert Henderson and George French.

—Owen Sound, Markdale, Collingwood, Thornbury and one or two other places served by hydro power from Eugenia Falls are slated to get a reduction of rates in the near future. We notice that Orangeville does not appear in the list. This is very likely due to the fact that our citizens continue to support two companies, thereby making it impossible for the Hydro Commission to give this town the cut that other places are getting. We will probably awaken some day to the fact that the local hydro system belongs to the town and it is therefore in our own interests to use hydro.

HYDRO MAKES HOUSEWORK LIGHTER

THERE is no servant problem in the electrical home, for electricity is the most willing, tireless and economical servant that a housewife can employ. Electricity takes the drudgery out of the housework. Instantly available when wanted.

Electricity is as obedient and responsive to a woman who touches a tiny button in the home as to a man who throws a monster switch in a factory.

An Electric Washer cleans clothes quickly without back-breaking work; an Electric Iron permits continuous ironing and saves expensive, needed fuel; an Elective Vacuum Cleaner is a vast improvement over the broom, and an Electric Sewing Machine is a wonderful convenience. An "Electric Home" is easily kept spic and span with plenty of time left for other duties. The low cost of Hydro Power makes it economical to use.

HYDRO Quality Lamps are tested in the laboratories of the Hydro-Electric Power Commission of Ontario. They give their full rated lighting power at a definitely known current consumption. Their durability is assured.

A GOLDEN WEDDING.

Mr. and Mrs. R. A. Banks, of Laurel, Celebrate Fiftieth Anniversary of Their Marriage.

Among the pioneers of the County of Dufferin who have lately celebrated their golden wedding are our old friends, Mr. and Mrs. R. A. Banks, of Laurel, who had the great pleasure of commemorating the fiftieth anniversary of their marriage day on Sunday, March 3rd. Mr. Banks came to the Laurel neighborhood in 1848 and Mrs. Banks in 1852, four years later. For fifty years they have lived on their homestead, lot 11, Con. 4, Amaranth. Through years of discouragements, crop failures and illnesses, they struggled on until now, surrounded by every comfort and their loving children and grandchildren, they are reaping the fruits of their long years of labor. Mr. Banks, who passed his 75th milestone on Feb. 2nd o. this year, is still cheery and active, although no longer in the enjoyment of such robust health as in years gone by. He is credited with possessing a wide and varied knowledge, gleaned from his long years of experience and his careful observation of men, events and the occurrences of every day life. There is no man whose opinion or judgment is more respected by those who know him well, Mr. Banks is a man of sound principles and once his

word is passed it is as good as his bond. He has been a most indulgent parent and a kind neighbor whose door was never closed to anyone in trouble. Mrs. Banks, whose maiden name was Fanny West, was 69 years of age on Dec. 10th, 1918. Her visits to the sick room were veritable "rays of sunshine," and she was never afraid of taking any disease. She often wiped the fevered brow of the patient she visited with her own pocket handkerchief. Many a person lives in the Laurel community, who will never forget her for her great kindness to them when trouble stalked unbidden and unexpected through their door. Ever industrious, she could be seen, late or early, stepping briskly along the road and knitting away as though she were sitting by the fireside at home.

Mr. and Mrs. Banks were united in marriage by Rev. Mr. Matthews, on March 3rd, 1869, at her old home, the West homestead, lot 12, 6th line, Amaranth, where Thos. Whaley now resides. Several who were honored as guests at the wedding are still spared to congratulate the venerable couple on having lived to witness the fiftieth anniversary of this auspicious occasion. Among these are Mr. and Mrs. John Wesley Gordon, Mr. James Gordon, Mrs. M. Varcoe, Mrs. Sarah Banks, Toronto, Mrs. A. Lambe, Bowling Green, Mr. Samuel and Mr. Elijah and Mrs. Hamilton. Had it not been for the retiring dispositions of Mr. and Mrs. Banks the anniversary would have been made a gala day of much larger proportions, but as it was none excepting their children and grandchildren were aware of the impending event until after the day had passed. Their daughters, Mrs. Thos. Hamilton and Mrs. Matthew Lanktree, live quite near them. One little daughter, Florence, passed to "The Better Land" some years ago. Their only son, Albert E., and his family, reside with them at home, and they, together with their seven grandchildren, do all in their power to smooth the pathway for the aged couple in their declining years and to make their last days their best days. Only one daughter was denied the pleasure of being present, Miss Fanny Hamilton, of Toronto Normal School Training Class, who found it impossible to be there. Their many friends and acquaintances wish Mr. and Mrs. Banks many more years of happy life here and when at "the end of the way" the larger, fuller life opens up to them, may there be light at eventide and an abundant entrance and reward for their many kind deeds done in the days of years gone by.—Com.

IN MEMORIAM.

HARKIES—In sad memory of our dear sister, Mrs. W. G. Harkies, who departed this life Jan. 7th, 1919:

Three months have passed and gone
Since one we loved so well,
Was taken from her home on earth
With Jesus Christ to dwell.

Her memory is as dear today
As the hour she passed away.
When days are dark and friends are few,
Dear sister, how I long for you.

Home to Jesus, home to glory,
Every wave of trouble o'er;
Thou art now with other loved ones,
On the happy, golden shore.

MRS. A. C. HARKIES, Sister.

IN MEMORIAM.

COURTNEY—In proud and loving memory of our dear son and brother, No. 928802, Pte. W. J. Courtney, who made the supreme sacrifice, "Somewhere in France," April 5th, 1918:

Servant of God, well done!
Thy glorious warfare's past,
The battle's fought, the victory won,
And thou art crowned at last.

Soldier of Christ, well done;
Praise be thy new employ;
And, while eternal ages run,
Rest in thy Saviour's joy.

Sadly missed by Father and Mother

You stood at your post like a soldier brave,
You answered your country's call.
You sleep far away in a hero's grave,
For your country's cause you did fall.

Honor's crown is thine, dear brother,
You have joined the glorious band
Who gave their lives for freedom,
And the dear home land.

You were a loving brother,
A pal both kind and true;
A better friend never lived,
Your equals were but few.

Gone but not forgotten by brothers.

Some day we shall see him and know him;
And rejoice to know he is night
Our wonderful soldier brother,
Who was not afraid to die.

Fondly remembered by his sisters

"I Am So Short of Breath"

"IT MUST be your heart, Grand Dad."

"Yes, I suppose it is. I am getting old, you know."

"Oh, you are not so old. You have got run down after the cold you had and will be all right when you get your blood built up again."

"Well, I hope so, dear."

"You remember how weak my heart was, Grand Dad, when I used to be pale and anaemic. It was no joke for me to climb these stairs then."

"You are all right now, aren't you?"

"I never felt better in my life, Grand Dad, and if you will use Dr. Chase's Nerve Food for a while you will get strong and well, too. That is what cured me."

"But do you think that the Nerve Food is any good for old men like me?"

"I am sure it is. I often read letters in the newspapers from old people telling about what a great benefit it has been to them by enriching the blood and increasing their vitality."

As an example of what Dr. Chase's Nerve Food does for people of advanced years, here is a letter from Mr. James Richards, 73 Dundas St., Belleville, Ont., who is 89 years of age. He writes:

"I was suffering from a weakness of the heart, shortness of breath and frequent dizzy spells which used to force me to go and lie down for a time. I secured Dr. Chase's Nerve Food and received such splendid results that I continued its use until I am now feeling fine and am not troubled with these symptoms any more."

Dr. Chase's Nerve Food, 50c a box, 6 for $2.75, all dealers or Edmanson, Bates & Co., Ltd., Toronto. On every box of the genuine you will find the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

IN MEMORIAM.

MAXWELL—In loving memory of Mrs. Mary Maxwell, Caledon, who departed this life April 4th, 1918:

Some day, some time, mine eyes shall see
The face I loved so well;
Some day her hand shall clasp in mine
And never bid farewell.

IN MEMORIAM.

McHUGH—In loving memory of my dear husband, who departed this life April 2nd, 1918:

One year is gone, our hearts still sore,
As time goes on we miss him more.
His loving smile and cheerful face,
No one can fill that vacant place.
Yet we miss his well-known footsteps,
And the face we used to greet.
Though our hearts are filled with sorrow,
Mercy still is on the throne,
With the smile of love returning,
Blessed Lord.

—WIFE.

THOMPSON-WIDDIS.

A very quiet but pretty wedding took place at the Presbyterian manse in Caledon on Wednesday, April 23rd, when Miss Vena Elizabeth Widdis, youngest daughter of Mr. and Mrs. Wm. Widdis, of Caledon, was united in the holy bonds of matrimony to Mr. Clinton M. Thompson, only son of Mr. and the late Mrs. Richard Thompson, also of Caledon, the Rev. Jenkins Burkholder officiating. The bride was attended by the groom's sister, Miss Pearl Thompson, and Mr. Norman Widdis acted as best man. After the ceremony the happy couple returned to the bride's home, and with the immediate friends and relatives partook of a dainty dejeuner. In the evening a reception was held at the home of the groom. The many and costly gifts went to show the high esteem in which the young couple are held in the community. Among these was a beautiful piano, the groom's gift to the bride.

TIRED AND DISCOURAGED

Mrs. Warren Randies, Rothesay Kings County, N. B., writes: "I have three small children and had to stay in the house all winter. So when the spring came I was all run down doing all my work and looking after the children. Felt all tired out, and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food and the results were most satisfactory. I feel fine now, and am recommending the Nerve Food to others."

MRS. NEWHALL ON VERGE OF DESPAIR

Oshawa Woman Says She Is Feeling Fine After Taking Tanlac.

"Tanlac was the only thing that gave me any relief, and I am convinced that it is the right medicine for people in the condition I was in," said Mrs. Elizabeth Newhall, of Oshawa, Ont., recently.

"I had been in a general run-down condition for over a year," she continued, "was extremely nervous, had no strength nor energy and the least little exertion would so exhaust me that I would feel real faint. I ached all over and felt half dead all the time. I had no appetite and would skip meal after meal. Nervous, blinding headaches would almost drive me distracted; my nerves were shattered so that the least little thing would upset me and I'd get up in the morning feeling so miserable I could hardly keep on my feet.

"After taking Tanlac for a few days I began to feel better. My appetite is now splendid and nothing I eat hurts me at all. Those terrible headaches are all gone. I have more life and energy and my work is a real pleasure to me."

Tanlac is sold in Orangeville by C. V. Joffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White

AFTER FIVE YEARS OF HEART TROUBLE

MRS. BREWSTER TURNED TO DODD'S KIDNEY PILLS.

Now She is Telling Her Friends Who Advised Their Use the Good Dodd's Kidney Pills Have Done.

Imrie, Alta., April 21.—(Special)—Advised by her friends to use Dodd's Kidney Pills for heart trouble from which she had suffered for five years, Mrs. Marie Brewer, well-known and highly respected here, is telling how much she benefitted from the treatment.

Heart trouble is nearly always caused by defective kidneys, which fail in their work of straining the impurities out of the blood. The work of the heart is made too hard when it has to propel blood thick with impurities to all parts of the body. The result is, of course, weakness and disease.

That Mrs. Brewer's trouble came from her kidneys is shown by her symptoms. "I suffered from rheumatism, gravel, stiffness of the joints, backache and headache," she states. "My sleep was broken and unrefreshing. I was nervous and my limbs swelled. My skin itched and burned at night. It was after a doctor had failed to cure me I tried Dodd's Kidney Pills. I must admit they did me a lot of good."

THE BEST MEDICINE FOR LITTLE ONES

There is no medicine for little ones to equal Baby's Own Tablets. The Tablets are a mild but thorough laxative; pleasant to take; do not gripe and never fail to relieve the little one of constipation, indigestion, colic or any of the other minor ailments. Concerning them Mrs. Jos. Monzerolle, Eel River Ridge, N. B., writes: "I believe Baby's Own Tablets are the finest medicine for little ones I have ever used. From my own experience I would recommend every mother to keep a box on hand." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WILL REPRESENT C. P. R.

Ex-Reeve J. J. White has been appointed selling agent for the Lands Department of the Canadian Pacific Railway Co. The appointment gives Mr. White authority to sell C. P. The position is an important one, and it is doubtful if the Railway Company could have selected a better man for the job. Mr. White is a hustler, fully posted on farm values and has a wide experience in handling Western lands.

A MISCELLANEOUS SHOWER

On Friday evening, April 11, about sixty of the friends of Miss Annie Blewitt, an East Garafraxa bride-to-be, met at the home of Mr. and Mrs. W. O. Nodwell and showed their appreciation of her many estimable qualities by presenting her with a generous shower of miscellaneous articles. A very pleasant evening was spent in games and dancing, lunch being served shortly before midnight. Many useful and beautiful gifts were received by the prospective bride.

HOSPITAL NOTES.

Mr. J. E. Thompson has handed Mrs. Dahl an additional $3.00 from the proceeds of the box social and dance given recently by the members of L. O. L. No. 635, Orangeville. This brings the total donation to the hospital up to the splendid sum of $95.25, all of which has been placed to the credit of the Building Fund.

Will any person who has socks or wool from the Red Cross Rooms kindly return the same to Miss Clark.

Donations from Mrs. Wm. Buchanan and Mrs. Russell Morrow were greatly appreciated.

A WONDERFUL DISCOVERY

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a thin layer of Zam-Buk is applied to a wound or a sore, such injury is insured against blood poison! Not one species of microbe has been found that Zam-Buk does not kill!

Then again. As soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk stops their pain. Mothers should never forget this.

Again. As soon as Zam-Buk is applied to a wound or to a diseased part, the cells beneath the skin's surface are so stimulated that new healthy tissue is quickly formed. This forming of fresh tissue *from below* is Zam-Buk's secret of healing. The tissue thus formed is worked up to the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent.

Only the other day Mrs. Hector McDonald, of Oyster Ponds, N.S., wrote to the Zam-Buk Company and told them what Zam-Buk had done for her. She said that for over a year her hands were covered with eczema. Doctor's treatment did her no good and the numerous salves and blood purifiers she tried also proved useless. Then Zam-Buk was recommended. Treatment with this wonderful balm soon brought a decided improvement and perseverance resulted in a complete cure. To-day, after several months, there has been no return of the disease.

All druggists sell Zam-Buk at 50c. box, or send this advertisement and 1c. stamp (for return postage) to Zam-Buk Co., Toronto, for free trial

MILITARY NOTES.

Pte. Clinton Lee, son of Wm. Lee, Adjala, arrived home a week ago Saturday night. He had considerable experience on the firing line and lost a leg. His many friends were pleased to see him back again.

Pte. Walter Scott, eldest son of Mr. and Mrs. G. T. Scott, of Erin, arrived home on Saturday morning, April 12th Walter enlisted in 1917 with the Hamilton Mounted Rifles but when overseas was attached to the 8th Reserve Battalion.

Pte. R. L. Neate, of Laurel, whose arrival home from overseas, is reported elsewhere in The Banner, served in five different units after going to England. He also saw service with the Fort Garry Horse in France. The young soldier's parents live in Ireland and he has three brothers with the Imperial Army.

Pte. Joshua Williams, who arrived home recently, was in the employ of Mr. Wm. Norris Fines, of Granger, before he enlisted. He went overseas in July of last year with the 87th draft of the Machine Gun Corps from Niagara-on-the-Lake. He did not get to France, but spent some time in camps at Aldershot, Seaford and Bayi.

Sapper John Lewer, another of the soldiers, who arrived home recently, was employed with Geo. Torrance, lot 24, Con. 4, Amaranth. He enlisted in 1915 with the 123rd Royal Grenadiers and went overseas in the summer of 1916. He was transferred to the Engineers in France. For some time he served with the stretcher bearers. He was twice wounded.

Pte. Fred L. Ratz, a 164th Batt. man, who arrived in Shelburne last week, was employed with Wm. Smith, of Mono township, near Primrose, before he enlisted. On the way home from England he contracted an abscess on his right eye and had to have the same lanced on board the train from Halifax. He served in France with the Canadian Forestry Corps.

Mr. D. McBride, who was on the staff of the local branch of the Bank of Commerce about seven years ago, is spending a few days with friends in town. McBride went overseas in the autumn of 1915 and only returned to Canada in 1918. He was severely wounded in the thigh and has been in a hospital in London until recently.

—Mr. Thos. Arnott has sold the Broadway property known as the old Beatty block, to Messrs. Flint and Holmes, proprietors of the Dufferin Auto Sales Co. The purchasers will not get possession until next January. The sale was made by Geo. Wilkins, real estate agent.

—It is of interest to learn that Hon. Dr. Mitchell, who resigned from the Saskatchewan Legislature a short time ago to accept the office of Superintendent of the new Provincial Hospital at Weyburn, attended Orangeville High School in 1886. After obtaining his teachers' certificate he taught school for a couple of years, first at Relessey and subsequently at Badjeros. Dr. Mitchell practiced medicine in Dundalk for seven years, before moving to the West.

DEATH OF BENNIE LACKEY.

The sympathy of a host of friends goes out to Mr. and Mrs. Samuel Lackey, South Townline, in the great sorrow that has come to their home through the death of their little son, Bennie, a bright child 5 years and 7 months old. The little lad was a healthy, sturdy chap until a few weeks ago, when he was stricken down with rheumatic fever, which speedily sapped his strength and brought the young life to an untimely close. The funeral will be held from his parents' residence to the C. P. R. station in time to meet the 10.12 train from Toronto on Friday morning. The interment will take place in Markdale cemetery on the arrival of the train. A short service will be held in the bereaved home at 9.30 a.m.

JESSIE ALEXANDER COMING

Mrs. Jessie Alexander Roberts, the well-known Canadian entertainer, has been secured for a recital in St. Andrew's church on Monday evening, May 12th. The recital will be given under the auspices of the Ladies' Aid Society. The church choir and other local talent will supply a short musical program. It is quite a long while since Jessie Alexander last appeared in Orangeville and her coming is creating considerable interest. She should be greeted by a full house on the 12th. Twenty-five cents is the admission charge.

MONO MILLS.

A very pleasant event occurred at the home of Mr. and Mrs. Geo. Lee, of Adjala, on Tuesday evening, April 15th, when a large number of the friends and members of St. John's church gathered together to welcome home Trooper Maurice Lee and Pte. Wellington Speers. Rev. A. C. McCallum in a few well chosen words expressed the warm welcome that is such a pleasure to express these times as the boys return, and called on Mr. John E. Jackson to read the following address:

To Maurice Lee and Wellington Speers:

Upon the event of your return home and resumption of civil duties we, your friends and fellow church members, are assembled to welcome you. We thank you for the part you played in helping to win the war. Although you were not privileged to witness much of actual warfare overseas, yet you willingly responded and underwent the necessary training with all its irksome monotony and you were prepared to suffer for your country. We appreciate your services and we thank your parents and family for the period of anxiety they underwent on your behalf. It has meant a good deal to them. We are glad to welcome you back and believe that you will be stronger and more broadminded men because of your recent experiences.

Will you kindly accept this signet ring as a mark of our appreciation of your services and respect for your character.

Signed on behalf of St. John's church members.

Mono Mills, April 15, 1919

Miss Helen McManus and Miss Pearl Stork made the presentation. Speeches, music and lunch served by the ladies accounted for a very pleasant evening.

Miss Katie Davey, formerly of Mono Mills, now of Toronto, spent Easter with friends here.

Miss Estella McManus, of Oshawa, is holidaying at the home of her parents, Mr. and Mrs. Geo. McManus.

Miss Maggie Letson, of West Montrose, is the guest of Miss Pearl Stork.

We are pleased to note that Miss Hyacinthe Arlow, of the local telephone staff, is recovering from her recent illness.

Mr. Calvin Lewis, of Toronto, spent Easter at the home of his parents, Mr. and Mrs. Wm. Lewis.

MULMUR FARMER BREAKS HIS LEG

Thos. E. Halbert, a farmer living on lot 3, 3rd line, east, Mulmur, had the misfortune to have his leg broken below the knee in a runaway accident on Monday of last week. Halbert was driving in from the road on the farm of Wm. Lindsay, 1st line, east, Mono, when his team became unmanageable and ran away, throwing him off the wagon. The team ran around the barn several times and it was with difficulty that the injured man was dragged out of the way of the now thoroughly frightened horses. His injuries, which were very painful, were attended by Dr. White of Shelburne. Mr. Halbert was just recovering from a severe attack of la grippe when he met with his unfortunate accident.

BOWLERS RE-ORGANIZE.

The annual meeting of the Orangeville Lawn Bowling Club was held in the Public Library Auditorium on Wednesday night of last week. The meeting was well-attended and considerable enthusiasm was in evidence over the prospects for the coming season. Officers and committees were appointed as follows:

Hon. President, E. H. Sproule; Pres., C. V. Jeffers; Vice-Pres., W. C. Hopkins; Sec., T. S. Parkinson; Asst. Sec., E. Schnurr; Treas., A. A. Hughson; Executive Committee: R. H. Robinson, G. Beswick, E. C. Clark; Grounds Committee, Dr. Rooney, W. Gillespie, E. Schnurr; Games Committee, J. D. Torrie and W. C. Hopkins; Auditors, Elmer Still, Geo. Beswick; Entertainment Committee, Judge Fisher, Dr. Campbell, J. E. Smith, J. D. Torrie, Dr. Kyles, C. R. McKeown, M.L.A.

It was decided to hold the regular tournament on July 22, 23 and 24. Last year a record entry of 65 rinks attended the tournament. This year the club expects to beat this record as the Orangeville Tournament has grown to be a great feature in Bowling circles. In 1918 no less than 18 Toronto rinks took part in the tourney.

CAMILLA.

Our old cheesemaker, Mr. E. G. Tennant, and his good wife have returned for another season and received a very hearty welcome on their arrival. They were also the recipients of many appreciated kindnesses from their numerous neighbors and the patrons of the factory, all going to show the high place they occupy in the estimation of the community. That the factory will have another successful season almost goes without saying now that Mr. Tennant is again at the helm.

RHEUMATISM CAN BE CURED

The Trouble is Rooted in the Blood and Can Only be Cured Through the Blood.

In the days of our grandfathers rheumatism was thought to be the unavoidable penalty of middle life and old age. Almost every elderly person had rheumatism, as well as many young people. Medical science did not understand the trouble—did not know that it was rooted in the blood. It was thought that rheumatism was the effect of exposure to cold and damp, and it was treated with liniments and hot applications, which sometimes gave temporary relief, but did not cure the trouble. In those days there were thousands of rheumatic cripples. Now medical science understands that rheumatism is a disease of the blood and that with good, rich, red blood any man or woman of any age can defy the trouble. Rheumatism can be cured by killing the poison in the blood which causes it. For this purpose the blood making, blood enriching qualities of Dr. Williams' Pink Pills are becoming every year more widely known, and it is the more general use of these pills that has robbed rheumatism of its terrors. In proof of Dr. Williams' Pink Pills to cure this trouble, Miss Jennie Stockdale, Hall's Bridge, Ont., says: "Two winters ago I was taken with a bad attack of rheumatism, and was in bed for over two months, most of which time I could not sleep or enjoy rest day or night. The trouble also affected my nerves, which were very bad. I tried several remedies but did not get any help from them, and then, acting on the advice of a friend, I decided to try Dr. Williams' Pink Pills. I soon felt that the pills were helping me, and after taking eight boxes I am glad to say I was able to go about again as usual, and am now enjoying the best of health with plenty of good, rich blood which makes me feel like an altogether different person. I earnestly advise those suffering from rheumatism, nervousness and kindred troubles not to delay using Dr. Williams' Pink Pills as, like myself, I am sure they will find a cure through their use."

You can get Dr. Williams' Pink Pills through any medicine dealer, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Each New Day Brings a Better Maxwell

MOST anyone would think that after building 50,000 motor cars on one chassis plan that close on to perfection would be reached.

That is true in a large measure; but it happens to be only the point at which the Maxwell executives began.

They decided to keep on building Maxwells better and better as each new day went by.

The locomotive engineer drives his engine better every day. The banker who loans money does so with more and more judgment. The man at the forge—likewise.

This is the principle on which the Maxwell is built. It is not new in the business world. But it is sound.

And to-day, with 300,000 Maxwells built on this plan, anyone will readily understand—

Why a Maxwell runs on and on and never quits with age;

Why a Maxwell seldom turns in at a repair shop;

Why a Maxwell is so eagerly sought for in the second-hand market.

One of the last of more than 1000 improvements made since the first Maxwell was built is the appearance.

Let your eyes glance over this present day Maxwell and you'll think the price $200 more than we ask for it.

PLAYGROUNDS FOR ORANGEVILLE KIDDIES

There is an unselfish and public-spirited organization in Orangeville, with whose existence and objects the citizens generally are not as familiar as they might be. This is the Princess Patricia Park Association, which was organized over two years ago, with the object of reclaiming the land in the West Ward lying between McCarthy and Elizabeth streets and the Lord Dufferin Hospital and Faulkner street, and devoting it to public purposes, such as playgrounds for children and a public park. The Association is incorporated without share capital, which means that the element of private gain is eliminated, and its operations are conducted wholly for the public good.

A general meeting of the Association was held in the Public Library, on Friday evening last. The report of the Directors was presented by the President, Sheriff Endacott, and showed total receipts from contributions and other sources of $425.58, and disbursements of $426.23. In addition, voluntary labor had been contributed and expended to a value of about $175. Out of these resources, the land has been purchased and paid for, the surface stones removed, a number of trees planted, and, with the assistance of the town and adjoining owners, a trunk tile drain constructed, sufficient to provide ample outlet for the drainage of the entire locality. There is still required the extension of the drainage system by means of laterals and the levelling, cultivation and seeding of the land.

By-laws were adopted, providing for the administration of the Association. The membership fee was fixed at $5 and the annual dues at $1. The following officers and directors were elected for the current year: President, Sheriff H. Endacott; Vice-Pres., Albert Walker; Sec.-Treas., Jos. J. Kelly; Directors, H. F. Tuck, Dr. G. H. Campbell, Thos. J. Henderson and J. Z. Henry; Auditors, Dr. R. N. Kyles and W. E. Irvine.

Public-spirited citizens, who desire to help in improving and beautifying the town, cannot spend $5 to better advantage than by joining the association.

A CALEDON PARTY.

Mr. and Mrs. Will Gibson, of Caledon, are to be congratulated on the complete success of the party to which they recently treated their friends and neighbors in their comfortable home on the 1st line, west, Caledon. Although the roads were almost impassable an immense crowd attended the affair. The arrangements were very satisfactory to the guests, a number of whom were from Guelph, Fergus, Caledon East, Orangeville and Albion. The music furnished for the round dancing by a magnificent player piano was surely appreciated by all. Stirring music was supplied for the square dancing by the Caledon String Band, which consisted of violin, banjo, mandolin, guitar and piano. Refreshments were served about midnight after which the dancing was resumed and continued until 5 o'clock on Saturday morning, a sure testimony to the thorough manner in which the guests enjoyed themselves.

CALEDON EAST.

There is the promise of considerable building activity in our village during the coming summer. Joseph Proctor is planning to construct a cement dwelling house. Ted Berney will also build a cement dwelling house and John Hisey has plans ready for a new residence on Dufferin street. Geo. W. Berney has pulled down the lean-to at the side of the post office and will erect a modern dwelling in its place.

Freight traffic over the G. T. R. this spring has been the heaviest since the construction of the line 42 years ago. This is a good index of the prosperous condition of Western Ontario.

Fall wheat and rye are looking extremely well. In fact they have never looked better in this district. Unfortunately the acreage sown is considerably below the average.

Mr. Tease is pulling down his stable and will build a new one farther back from the street.

Mr. J. W. Phillips, one of our veteran citizens, who has been quite ill for some time, is improving and is now able to go about again.

The flag pole in front of the Orange Hall was blown down during a recent gale. The brethren purpose replacing it with a new pole as soon as spring opens up and the frost leaves the ground.

The town bell rang the other day in honor of the homecoming of two of our gallant soldier lads, Burnett Davis and Jack Hanna. We are glad indeed to have the boys come home again after their victorious conflict with the Hun.

Mrs. Henry Claridge is home again after a short visit with friends in Toronto.

The proposed Orange celebration on the coming 12th of July has been called off.

The side streets in our village have been in a wretched state this spring. Some of them were practically impassable for a few days last week.

Mr. and Mrs. Peter Wilson left for Vera, Sask., about a week ago. They intend to make their home in the West.

A FAITHFUL PASTOR.

A recent issue of the Alliston Herald contained the following appreciative note regarding Rev. J. A. Reddon, of Everett, who will shortly become the pastor of Laurel and Black's Corners Presbyterian churches:

Rev. J. A. Reddon, our most highly appreciated minister, has served the Presbyterian church here for four years. During that time good work has been done by him in the church. The membership four years ago was 135; the present membership is 250. Whether in health, sickness or death, every call made was promptly answered without a murmur and his sermons always showed deep thought and careful preparation. His sermons have been interesting, instructive, practical and helpful. This part of the charge regrets very much the Presbytery's sanction of his translation to Laurel and Black's Corners. His farewell sermon will be given on Sunday, the 20th inst., and his induction in the new charge will take place in the near future.

ELECTRIC WASHER — TIME SAVER

This Washer Pays for Itself In One Year

The Time Saver Electric Washer saves enough money to pay for itself the first year. It saves the washer woman's wages; it saves laundry bills; it saves the clothes, for they last four times as long when washed in this machine. It saves doctor's bills, for it cuts out back-breaking drudgery.

Time Saver Electric Washer

Costs less to run than the washer woman eats. It operates for 2c. an hour, and is easier to run than a sewing machine. It is moderate in price. We have a Time Saver ready to show you. Let us demonstrate it in your own home. Phone or call at our Store.

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

DIALOGUE ON PROHIBITION

To the Editor of The Banner:

Dear Sir,—Can you give me space in your columns for the following colloquy between Mrs. Rich and Mrs. Poor? Mrs. Rich went to see Mrs. Poor and began the conversation by stating that she wondered why she had not seen the latter for so long.

Mrs. P.—I have been very poorly. I am still very weak.

Mrs. R.—If you had a few spoons of good brandy it would strengthen you, but you can't get it. I don't know what our people and the Government have been thinking about to vote out the beer. You know the Government got thousands of dollars of revenue from it.

Mrs. P.—Where does the Government get the revenue from?

Mrs. R.—From the hotel licenses and the traffic.

Mrs. P.—Where do the hotel men and the traffic get it from?

Mrs. R.—From their customers.

Mrs. P.—They get it from the man who drinks the stuff. So you see if no person drank it there would not be a cent of revenue from it.

Mrs. R.—Well, they would have to put on direct taxation.

Mrs. P.—Would it not be better to put it on in direct taxation and then every dollar would pay a dollar of revenue. But we would have to drink ten or twenty dollars of whiskey to pay one dollar of revenue, so you see it is the man who drinks the whiskey who pays the revenue after all.

Mrs. R.—It is a wonder your husband goes away and leaves you when you are so poorly.

Mrs. P.—He can't afford to be idle and besides I do not mind it now, for I know he will be home when his day's work is done and will bring his money with him. But before we had prohibition he would often stay out until midnight and lose his money into the bargain. It was a grand thing for the poor women of this place when strong drink was done away with. Some say that it will come back, but I don't think anyone will be so cruel and hard-hearted as to vote such a curse back upon us again. All the churches are in line now to do away with it. I wonder who is that professed Christian who can look upon this traffic lightly when their neighbors and sometimes their own children are ruined by it. I believe the voters see that if they do not help it along it is going to go without them.

Mrs. R.—Well. I never saw it in that light. I have suffered more from the tobacco habit than from strong drink. My husband takes a glass sometimes. He will bring a little home with him when he can get it, but nothing more. But I have suffered from the tobacco habit, and I do not see any person who is saying anything about it. In my opinion it is too bad that more attention is not given to this vice. I have been much humiliated sometimes when my husband has come home from the office with the traces of the weed upon him. Smokers do not know that they are so offensive to those who do not smoke. However, we have to put up with that.

Mrs. P.—Yes, Mrs. Rich, I know what that is. My husband has used it for years. I have to smile at some young fellows trying to make the girls believe that they don't use it. The girls say that if they pass through a room where men are smoking they can smell it on their clothing until the next day.

Mrs. R.—I heard a father say the other day that he used to tell his girls never to take a drive with a young man who used tobacco, or drank, or swore, and they never did.

Mrs. P.—It would be a good thing if all the fathers would do the same. Well, good-bye, Mrs. Rich, if you really must be going.

RAN AWAY WITH KETTLE.

"I'll learn ye tae tie the kettle tae the dog's tail!" Tommy's mother yelled at her wrath.

"It wisna' our dog!" cried frightened Thomas.

"Naw, it wisna' oor dog," shrieked the enraged mother ,"but it was oor kettle!"

Sample Box Brings Great Results

Chronic Sufferers Find Relief

Chronic sufferers from Backache, Gravel, Stone in the Bladder or any other form of Kidney trouble are generally willing to try any remedy once. The excruciating pain caused by Rheumatism, Lumbago, Sciatica, Inflammation of the Bladder or some other form of Kidney trouble, is so great, that persons afflicted are often driven to spending large sums of money in an endeavor to find relief at any cost.

This is proven by the testimony of hundreds of people who have written us letters stating "that having failed to find relief after years of trying, they turned to Gin Pills as a last resort—and a sample box of these pills soon convinced them that Gin Pills was the remedy they needed."

That is all we ask you to do. Try a box of Gin Pills at our expense, and if they fail to bring you the relief they have brought to hundreds of others with similar Kidney derangements, it costs you nothing.

Mrs. Dechene writes:

"I received your sample box of Gin Pills, and they have done me a lot of good. I can congratulate myself on having them, and I will never be without them in my home."

This testimony from a woman who was skeptical about buying Gin Pills should convince you that a sample box is well worth writing for. Do it today. Address:

Help the Y.M.C.A. Finish its Work For Soldiers

Help the "Y" Construct the Manhood that will Re-construct Canada

The Y.M.C.A. will keep its chain of Service unbroken till the end.

ALL the world now knows that the Red Triangle of the Y.M.C.A. was the "Sign of Friendship" to thousands of your brothers, sons, nephews, cousins and neighbours' boys in the last four and a half years. Wherever the Canadian Soldiers went, the "Good old 'Y'" went too. And now it is coming back home with them!

For the support which has made possible the war work of the Y.M.C.A. we thank you. Your money has been well expended. We have rendered full account.

We ask now your continued sympathy and support for Red Triangle Service for our Soldiers during demobilization, and for Y.M.C.A. work for Canada generally during the Reconstruction period. The Annual Red Triangle campaign will be held throughout Canada May 5th to 9th, 1919. The objective is $1,100,000.

For Our Men Returning

For the soldiers and their dependents, returning from Overseas, we have provided as follows:—

1. A Red Triangle man on board every ship when it leaves Great Britain, with a full equipment of games, gramophones and records, magic lantern, literature and writing materials. Where possible, also a piano or an organ. Lectures, concerts, sing songs, instruction re Government repatriation plans, and Sunday Services.

2. Red Triangle comforts and facilities for the men on arrival at Halifax, St. John, Quebec and Montreal, including coffee stalls, with free drinks, free eatables, cigarettes, candies, etc.

3. Red Triangle men on every troop train to provide regularly free drinks, eatables and cigarettes, organize games and sing songs, and furnish information.

4. Red Triangle free canteen service, information bureau, etc., at each of the 22 Dispersal centres in Canada.

5. Red Triangle Clubs in the principal cities of Canada in the shape of large Y.M.C.A. hostels to furnish bed and board at low rates and to be a rendezvous for soldiers.

6. Seventy-five Secretaries to superintend Red Triangle service in Military Hospitals, Camps and Barracks throughout Canada.

7. Tickets entitling soldiers to full Y.M.C.A. privileges for six months at any local Y.M.C.A. furnished.

In addition to our work for the returning soldiers, we have to maintain the Red Triangle service to the full for the soldiers in Siberia, as well as the work of special secretaries in Northern Russia, Palestine and Poland.

Canadian Y.M.C.A. Red Triangle Campaign $1,100,000 May 5 to 9 Canada-Wide Appeal

For Canada's Manhood

The Reconstruction program of the *Y. M. C. A.* includes the following vitally important developments:—

1. An increased service to 300,000 teen-age boys in the Dominion—the development of Canadian Standard Efficiency training; Bible Study groups; summer camps; conferences; service for High School boys, for working boys, in the towns and cities; for boys on the farm and for boys everywhere, who have lacked opportunity for mental, moral, physical or social development.

2. Inauguration of Y.M.C.A. work in the country, and the smaller towns and villages lacking Association buildings and equipment, on a plan of county organizations. This will include the establishment of Red Triangle centres for social, recreational and educational work among boys and men, in co-operation with the churches.

3. The promotion of Y.M.C.A. work among Canada's army of workers in industrial plants, both in Y.M.C.A. buildings and in the factory buildings, organizing the social spirit among the industrial workers of our cities by meetings, entertainments, games and sports.

4. The establishment of the Red Triangle in isolated districts where lumbermen, miners and other workers hold the front trenches of industry.

5. Besides these main fields of increased activity for 1919, we have to provide for enlarged work among railway men, college students and for our campaign to encourage physical and sex education. Under all our work we place the fundamental foundation of manly Christianity.

Y.W.C.A.

For the wives and children Overseas, dependent upon Canadian soldiers, and for Y.W.C.A. work in Canada generally, a sum of $175,000 from the Red Triangle Fund will be set aside for the Dominion Council of the Y.W.C.A., which is caring for the soldiers' women folk, and their little ones on the long journey, from Liverpool to Canada, and is also extending its work for Canadian girls.

For their sake also be generous when you make your contribution.

FOR the sake of our victorious soldiers and their dependents, and the happiness of their home-coming; for the sake of our future citizens, our teen-age boys; for the sake of rural life in Canada; for the sake of the social betterment of the toilers in factory and workshop; for the sake of lonely men and boys in our mines and forests; for the sake of Christian Society and Canadian manhood—we appeal to you. Give us your contribution, little or big. Be as generous as you can.

Hand your contribution to the canvasser when he calls, or if you live where it is difficult for him to call, send it by check, money order or registered letter to the National Treasurer, Red Triangle Campaign, 120 Bay Street, Toronto.

Please Note:

We are not asking for money to carry on our work Overseas, with the camps in Great Britain, France or Belgium. That work will continue at its maximum for some months, financially provided for by the liquidation of our assets Overseas, and will not terminate till the last man has sailed for home.

National Council, Young Men's Christian Associations of Canada

ALTON.

(Intended for last week.)

The concert given by the Mission Band in the school room of the Methodist church on Tuesday night was a decided success. The boys and girls acquitted themselves in a creditable manner. The numbers entitled "The Modern Mother Goose," "The Missionary Dollar," "The Easter Cross Thank-offering," and "The Easter Secret," as well as the recitations, choruses, vocal and piano solos were well received by the audience. The president's address, with the reports of the superintendents of departments and the report of the treasurer indicated a good year's work in the Mission Band. The receipts for the year amounted to $32 52. At the close of the program a resolution of appreciation of the work done by Mrs. (Rev.) T. R. White and the Mission Band, was moved by Mr. E D. Barber and Mr. Wm. Ward, and heartily supported by the audience. Rev. T. R. White presided.

The Alton Methodist W. M. S. Auxiliary held their Easter Thank-offering meeting on Thursday afternoon. Mrs. (Rev.) E. R. Young, District W. M. S. Superintendent, gave an instructive address. Musical selections were rendered and afternoon tea served at the close. The offering this year is $5.00 in advance of last year.

On Sunday night Mr. Geiger, of Victoria College, Toronto, preached in the Methodist church in the interests of educational work. The subscriptions for the fund amounted to $100 this year.

Pte William Parker arrived home on Saturday night. He spent three years and seven months in a German prison camp. He worked during that time in salt petre mines. He knows the Hun and something of his treatment of British prisoners.

Mr. John Lowe has returned home after three weeks in Lord Dufferin Hospital, Orangeville.

LAUREL.

(Intended for last week.)

Mr Hunter Nelson has returned from visiting his sister, Mrs. (Rev.) Geo. Moore, of Sprucedale.

The many girl friends of Miss Louie Walker held a shower in her honor at the home of Mrs. Geo. Nelson.

We were pleased to see Reeve Hepton at the council meeting in our little burg on Monday.

Richard Neate returned to Laurel from overseas on Saturday We were all pleased to see him. "Dick" had been wounded, but is quite recovered and looks fine.

It is expected that quite a number of Laurel boys are coming home on the Olympic and Carmania. Among those looked for are Har Cooney, Ernest Richardson, Rev I Woulfe Frank Gibson and Orton Walker.

Chancellor Bowles, of Victoria University, Toronto, preached in the Methodist church at Laurel on Sunday evening. His discourse was very inspiring and instructive. We would like to hear the Chancellor more frequently. He told us it was 34 years since he was last in Laurel.

Rev J. R. Bell was away on Sunday taking work near London.

Mr. and Mrs. Harrison and Miss Morrow spent the week-end at Dundalk. Miss Morrow's brother, Andy, returned home from overseas on Saturday night.

MEASURES TO PROTECT THE SOCKEYE SALMON

Measures for the protection and preservation of sockeye salmon of Puget Sound are outlined in suggested regulations by the United States Bureau of Fisheries. Similar regulations have been forwarded to the British Columbia executive bodies, and if both the State of Washington and British Columbia act favorably, fish treaty governing sockeye industry on Puget Sound, and in British Columbia waters, will be ratified. Regulations were drawn up by American-Canadian Fisheries Conference at Seattle last April, says a report from the Winnipeg office of the Commissioner of Colonization.

IN MEMORIAM.

ROBINSON—In loving memory of William Robinson, who departed this life July 21st, 1918:

He has gone, "poor Willie," he has left us,
To be among God's lambs;
Where no sorrow can ever reach him,
Oh, to be in Beulah land.

No more on earth we see him,
Or hear his welcome voice;
But if we only look to God
We shall with him rejoice.

'Tis hard to say, "thy will be done,"
And with our dear friends part;
But, 'tis God's will, and we all know
'Tis because he loves us so

By thy hands the boon was given,
Thou hast taken but Thine own;
Die to live the life of glory
Evermore "thy will be done."

—A FRIEND.

AUDITORS' REPORT

In accordance with the provisions of Sub-sections 19 and 20 of Section 56 of the Bank Act, we report to the Shareholders as follows:

We have examined the above Balance Sheet with the books and vouchers at Head Office and with the certified returns from the Branches, and we have obtained all the information and explanations we have required, and in our opinion the transactions which have come under our notice have been within the powers of the bank.

We have checked the cash and verified the securities of the Bank at the Chief Office and at several of the principal Branches during the twelve months covered by this statement, as well as on February 28th, 1919, and have found that they agreed with the entries in the books of the Bank with regard thereto.

In our opinion the Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Bank's affairs according to the best of our information and the explanations given us, and as shown by the books of the Bank.

Stockings That Cost Less Because They Wear Longer

YOUR boy *is* hard on stockings. Any normal, healthy boy is. You can't keep him from climbing trees and fences. But you *can* get him stockings that will stand this usage—that will give him *extra* wear and look well too. Just ask your dealer for Buster Brown Stockings.

Buster Brown Stockings wear longer because we knit them from extra-long yarn with double-ply legs and three-ply heels and toes. We make sure of Buster Brown quality by spinning our own yarn. Our employees have had years of training, for special skill is necessary to knit Buster Brown Stockings.

You'll find them well-fitting and smoothly finished, for we knit good looks as well as durability into Buster Brown hosiery. They look well at all times.

Sold everywhere. Ask your dealer for Buster Brown durable hosiery.

The BUSTER BROWN STOCKING

DARCH–BLEWITT.

The home of Mr. and Mrs. W. O. Nodwell, East Garafraxa, was the scene of a very pretty though quiet wedding on Wednesday afternoon, April 16th, when Miss Annie Blewitt was united in marriage to Mr. Wilme-Sherman Darch, of Amaranth. The interesting ceremony was performed by Rev. J. Ross, of Waldemar, in the presence of only immediate friends and relatives. The bride, who was given away by Mr. Nodwell, was dressed in crepe de chene with overdress of duchesse satin. Both the bride and groom were unattended. Mrs. Oliver Reilly, of Amaranth, a sister of the groom, played the wedding march. After partaking of a dainty wedding repast Mr. and Mrs. Darch left for their future home in Amaranth, accompanied by the heartiest congratulations and good wishes of their friends.

M'COLLUM–HICKS-LYNE.

Wycliffe College, beautifully decorated with palms and Easter lilies, was the scene of an interesting ceremony on Saturday afternoon, when Olive Maud Eales, daughter of Mrs. Hicks-Lyne, Park Road, Toronto, became the bride of Rev. Arthur C. McCollum, of Mono Mills. Hon. Dr. Cody, assisted by Canon O'Meara, conducted the ceremony, and Dr. T. Alexander Davies played the wedding music. The choral service was sung by a group of women members of St. Paul's choir. The bride, who was taken into the church by Mr. D. R. Roberts, and given away by her mother, wore a gown of white crepe de Chine and Georgette trimmed with beads, and her veil was crowned with orange blossoms. She also wore a pearl and diamond pendant, the gift of the groom, and carried a sheaf of calla lilies. She was attended by Miss Edith Gore, who was gowned in pale pink Georgette with mauve girdle and touches of violet. She wore as well a black tulle hat and a cameo and pearl pendant, the gift of the groom. Her flowers were sweetheart roses. Mr. W. J. McFadden was groomsman, and the ushers were Mr. W. S. Dunlop and Mr. Williams, of Mono Mills, and Mr. H. Marsh of Wycliffe College. Mrs Hicks-Lyne was in taupe charmeuse with hat to match, and Mrs. McCollum, the groom's mother, wore a black tailored costume with hat to match and an ostrich boa. After the wedding breakfast, at which only immediate relatives were present, Mr. and Mrs. McCollum left for their honeymoon to American points, the bride travelling in a costume of taupe-grey, with Foch blue collar and hat to match. They will make their home at Mono Mills.

WATSON–MACDONALD.

"Dunbrae," the home of Mr. and Mrs. D. P. MacDonald, Grand Valley, was the scene of a very pretty wedding on Wednesday, April 16th, when their youngest daughter, Lillian Selma, was united in marriage to William H. Watson, Rev. Samuel Lundie officiating. The bride, who was given away by her father, wore an exquisite gown of embroidered Georgette, with tulle veil and orange blossoms, and carried a bouquet of roses and maiden-hair fern. Little Miss Arland Henderson, niece of the bride, carrying a basket of roses and sweet peas, made an attractive flower girl. The wedding music was played by Miss Freda Claridge, and during the signing of the register Miss Florence Bayne, of Fergus, sang "O Promise Me." After a sumptuous wedding breakfast Mr. and Mrs. Watson left on a wedding trip, the bride travelling in a suit of navy blue tricotine, with hat to match. On their return they will reside in Grand Valley. The groom is a son of Mr. Thos. Watson, Reeve of Grand Valley, and a nephew of Mrs. Geo. Allen, Zina street. Mrs. Allen was one of the guests at the wedding.

REV. F. ELEY RESIGNS.

During the service in St. Mark's church on Sunday night, the rector, Rev. F. Eley, announced his resignation and intimated his wish to be relieved of his pastoral duties as soon as possible. The resignation came as a surprise to the greater part of the congregation and the announcement was received with general regret. We understand the decision is due to Mr. Eley's desire to go to England as soon as possible for the purpose of visiting his mother, who is in very poor health. Mr. Eley's father lost his life in a German air raid during the war and this sad circumstance has naturally made him more anxious to visit his other parent. We understand that Mrs. Eley will accompany her husband to England. Mr. Eley came to Orangeville last September as successor to Rev. A. H. Howitt, who left Orangeville to accept an appointment as rector of St. Thomas' church in St. Catharines. Mr. Eley was curate of St. Thomas church for three years before he came to Orangeville

Such Women Just Have to "Give Up"

"Man may work from sun to sun, but woman's work is never done." That's why women are overworked, nervous, all run down, no appetite, and can "hardly drag around." Vinol creates a hearty appetite, strengthens the digestive organs, induces sound sleep, invigorates the nerves, and in this natural manner creates working strength.

Narragansett Pier, R.I.

"I was all run-down, back ached, and tired all the time. I keep house for my husband and four children and could hardly keep around. Finally I tried Vinol and it has restored my health and helped me wonderfully, so I recommend it to others who are in this condition." Mrs. Hannah Randall.

Jacksonville, Ill.

"I keep house for my little family, but got into a weak, nervous, run-down condition, tired all the time and no ambition. My doctor told me to try Vinol, and in a week I felt like a new person. I am now strong again, look after my baby, and do all my housework."—Mrs. G. H. Lamson.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Vinol Creates Strength

Beautiful things are everyday things now—

Look around you. See the large number of dainty silk blouses in beautiful tints that are being worn. And the quantities of dainty underwear the stores are showing—sheerest, most beautiful things you have ever seen. It was not so a few years ago. What has caused the difference?

Certainly and surely—one big factor has been Lux. Women would not buy these things right along unless there was a gentle, sure way of washing them—without discoloring, warping or fading.

There is—it's the Lux way. Won't turn silks yellow—won't hurt chiffons—won't shrink woollens. Lux won't hurt anything that pure water itself may touch.

A $1,000 FINE.

License Inspector Robinson made an important liquor clean-up at Lisle last week. There is a small Polish settlement in the northern part of Tossorontio township, some of whose members have been suspected for some time of being engaged in the whiskey traffic. On Tuesday of last week Inspector Robinson and Constable Williams visited Lisle and arrested a Pole named Jan Kempa, just as he was preparing to take away a couple of small barrels, which had been shipped into Lisle as fish. This proved to be camouflage for what the barrels actually contained was sixteen gallons of pure alcohol, worth about $10 a gallon. It is estimated that Kempa had enough alcohol in his fish shipment to make over 100 gallons of fairly good whiskey. The man had a Toronto connection and is said to have had a couple of women carrying the alcohol to Toronto in suit cases. The Pole, who is a large, husky chap, was taken so suddenly that the handcuffs were clapped on his wrists almost before he realized what was happening. When he recovered himself he was quite ugly and would likely have given the officers a fight if they had not dropped on him so unexpectedly. When he found that he was in the hands of the license officers he relapsed into a surly silence and professed not to be able to speak English. The officers intercepted a letter written to his wife and this alone furnished sufficient evidence to secure a conviction beside giving the Department some important information about the way he conducted his nefarious business. When brought before a magistrate on Saturday the Pole acknowledged his guilt and was fined $1,000 and costs. He paid the fine promptly. It is thought that some of his accomplices in the business helped to furnish the wherewithal. The capture is regarded as an important one as Kempa and his confederates have been operating in different places. Inspector Robinson received a letter this week from Chairman Flavelle of the Provincial License Board congratulating him upon the skill he had shown in running Kempa to earth.

THE METHODIST CHURCH.

Next Sunday, April 27th, will be the closing Sunday of this church year, and will be celebrated as the church anniversary. Rev. S. Wesley Dean, the newly appointed Secretary of the Department of Finance, will preach at both services. Mr. Dean is one of the great men of the Methodist Church. For years he was in charge of the whole City Mission work of Toronto where his abilities as a preacher and an evangelist were fully tested. There will be special music at both services. There will, no doubt, be full houses both morning and evening.

The annual congregational meeting, at which the reports of the different departments of the church will be presented will take place on Thursday evening, May 1st. All members of the congregation will be welcomed. There will be a musical program and refreshments will be served.

Of the Home Circle Prayer Meeting, on Tuesday afternoon, April 28, at 3 p.m., Mrs. James Irwin, Mill St., will be the hostess.

THE HOME OF

Maple Leaf Paint

Sing a song of Springtime,
Everybody busy,
Four and twenty aldermen
Riding in one Lizzie;
When she stopped a minute
(It was rather quaint!)
Every blessed mother's son
Bought a can of M. L. Paint.

[illegible] of Orangeville,
[illegible] the jump,
[illegible] and painting up
[illegible]ed dump;
[illegible] happy,
[illegible] glad,
[illegible]stling—
[illegible] old Dad!

Mother's in the parlor
Brushing varnish on;
Sister's in the kitchen
Helping brother John;
Grandma's mixing mill white
In the old cowshed;
Gosh, a fellow hates to
Lie so late in bed!

Cleaning up and painting up,
So the days go by,
Preachers, prudes and prima donnas,
Mixing in the pie;
When that pie is opened,
Tell me if it ain't
A jolly day, for the man,
Who uses M. L. Paint.

BETTER LIGHTING INCREASES YOUR CLERK'S EFFICIENCY

REPLACE the vacuum lamps in your store with HYDRO Gas Filled Lamps. Then watch each clerk's sales climb.

The light from HYDRO Gas Filled Lamps, if installed with proper fixtures, is kind to workers' eyes. Clerks don't tire so easily; they're not so irritable. They're more alert and are able to wait on more customers in less time when the light is right.

Experts of the Hydro-Electric Power Commission of Ontario recommend HYDRO Gas Filled Lamps for store lighting. They're worthy of the Commission's endorsement because of the quality and volume of their light, the long life of the lamps and their low current consumption.

Will you step into the Hydro Shop and let us prove the wisdom of using HYDRO Gas Filled Lamps in your store?

ACUTE NERVOUS EXHAUSTION

All Treatments Proved Useless Until He Tried "FRUIT-A-TIVES".

MR. JAS. S. DELGATY.

R.R. No. 4. Gilbert Plains, Man.

"In the year 1910, I had *Nervous Prostration* in its worst form; was reduced in weight from 170 pounds to 115 pounds.

The doctors had no hope of my recovery, and every medicine I tried proved useless until *a friend induced me to take "Fruit-a-tives"*.

I began to mend almost at once; and after using this fruit medicine for 3 or 4 months, I was back to my normal state of health.

I never had such good health for twenty year as I have enjoyed the past six y. We are never without a box of 'F. .it-a-tives' in the house".

John Wallwork has sold his house and lot in Reddickville to Thos Robinson for the sum of $500.

ROCHESTER MASONS.

Hold Largely Attended Scottish Rite Reunion—Former Orangeville Man is Vice-President.

Scottish Rite Masons of Rochester and vicinity to the number of nearly 1,000 assembled at the Powers Hotel last evening for the closing event of the Scottish Rite reunion—a dinner, which was scheduled to take place in the ball room. As a matter of fact, it was, in almost every available foot of space where a table and chair could be placed in the corridors and reception rooms on the second floor of the hotel. The attendance exceeded all expectations, and overflowed the capacity of the spacious ball room to such an extent that the problem of finding a place for all of the guests gave the committee and the hotel management some anxious moments.

The celebrated 32nd degree had been conferred upon a class of 247 candidates in the afternoon and, with the 36 initiates given the degree in January, the "Victory Class of 1919" now has a total membership of 333, the largest in the history of Rochester Consistory. The class was organized and chose its name, followed out the precedent established by the class of 1918, which was named "Liberty" and elected the following officers: President, William W. Rayfield; vice-President, Malcolm E. Gray; Secretary, Geo. Colburn; Treasurer, Geo. Francis; Orator, Percival D. Oviatt.

Esten A. Fletcher, commander-in-chief of the consistory, acting as toastmaster at last night's dinner, was presented with a handsome gold watch and platinum chain by the "Victory Class." The presentation speech was made by President Rayfield.

Speakers of the evening were Jos. T. Alling, whose subject was "Masonry and the War"; Rev. Robert J. Drydale, who delivered the message to the class of 1919, and Percival D. Oviatt, its orator, who made the response.—Rochester (N. Y.) Herald.

Mr. Malcolm Gray, the Vice-President, was a well-known Broadway business man a number of years ago. He is a brother-in-law of Messrs. M. J. and G. A. Leighton.

FIRE LOSS DURING 1918.

It is stated in the March issue of "Conservation," the montly bulletin issued by the Commission of Conservation, that 62 fires alone were the cause of almost 50 per cent. of the fire loss in the Dominion during 1918. The total number of fires was 17,355, which destroyed property worth $33,-623,000, but more than $23,200,000, or 69 per cent. of the loss, was caused by 176 fires, 62 of which were responsible for nearly half the total loss.

A Mother's Tribute

THIS letter from Mrs. Roberts gives such a fine idea of the value of Dr. Chase's medicines for use in the home that we shall publish it without further comment.

Mrs. Everett Roberts, 44 Endicott Ave., Halifax, N.S., writes:

"I feel it a pleasure as well as my duty to recommend Dr. Chase's Nerve Food and Ointment. After the shock of the Halifax explosion my system was all run down, and I was so weak that I could not walk. Night after night I lay awake unable to sleep. Nothing did me any good until one of my neighbors recommended Dr. Chase's Nerve Food. After a treatment of this medicine I can positively say that my health and strength have been restored, and I can now sleep well and do my work as well as ever.

"I used Dr. Chase's Ointment for my baby, who had ringworms all over his face. I tried almost everything I knew of without success until I used Dr. Chase's Ointment. This cured him in a short time. I would not be without either of these medicines in the house, and trust this may induce others to give them a trial and be convinced of their merits."

You can scarcely ask for a stronger gurantee of the value of a medicine than the portrait and signature of A. W. Chase, M.D., on the box. This is for your protection against imitations and substitutes. Edmanson, Bates & Co., Ltd., Toronto.

MONO COUNCIL.

Council Chamber, Mono Centre, April 8, 1919.—A special meeting of the council was held for the purpose of dealing with drain known as the Jessop Drain.

Members all present, the reeve presiding. Minutes of last meeting were read and confirmed.

The following resolutions were dealt with and passed by the Board:

The Clerk informed Council of the manner in which ratepayers had been notified of proposed drain, and as all ratepayers assessed for benefit were present and acknowledged notification according to Chapter 198, Sec. 17, of Revised Statutes governing the same, Council passed a resolution that sufficient notice had been given to deal with petition at present meeting.

A resolution was introduced and passed empowering the Reeve to act on behalf of the municipality of Mono for roads benefited, according to the prayer of the petition.

The Reeve called on the Clerk to read the Engineers' report on Drain No. 5. Report read and discussed by ratepayers present, after which the Clerk gave an opportunity to any person assessed for benefit to sign petition, also an opportunity to any ratepayers assessed for benefit, who had previously signed petition to withdraw name from petition.

At the conclusion of meeting it was found there still remained on the petition a majority of owners benefited within the area described in the petition. The council adopted the report and authorized the Clerk to prepare a by-law authorizing the work.

A grant of $200 for the Hockley road, east of the fourth line, was voted on and passed.

The Reeve was empowered to purchase another grader for the township.

Council adjourned to meet again on Monday, the 26th day of May at 10 a.m., and to meet then as a Court of Revision of the assessment roll for the year 1919.

T. H. MOFFATT, Reeve
W. A. HENRY, Clerk.

Three thousand dollars has been voted by the provincial legislature to be spent on constructing a bridge over the Indian River in Keppel township. One thousand dollars has also been included in the estimates to be expended on colonization roads in the township providing the township council expends a like amount.

Fred Clark, who has been Chief Constable of Meaford for the past 8 years, has resigned in order to accept a position as inspector on one of the Northern Navigation Co.'s steamers. The vacancy has been filled by the appointment of Phil. Shaw, a returned soldier, at a salary of $1,000 with pay for two weeks holidays during the summer and a new uniform free of charge.

Roy Piper, of Flesherton, had a few exciting moments one day recently when a bulldog attacked two of his steers. The dog had strayed to Mr. Piper's place from Markdale, and was awaiting its owner, Mr. Dundas, to come for it. It grabbed one of the steers by the throat and was fast throttling it when Mr. Piper loosed the dog's hold by a blow from a shovel. The canine immediately attacked another steer the same way which stood in the next stall. It was then knocked into insensibility with the shovel and Mr. Piper grabbed its hind legs and batted its head against the stone wall, destroying forever its fighting propensities. The animal was not mad, only angry because one of the steers had struck at him with its horns.

SHE WANTS TO TELL ALL HER FRIENDS

THE GREAT RELIEF SHE FOUND IN DODD'S KIDNEY PILLS.

Mrs. Jones, of Alberta, After Two Years of Neuralgia, Headache and Rheumatism, is Enthusiastic Over What Dodd's Kidney Pills Have Done for Her.

Clive, Alta., April 28.—(Special.)—After two years of suffering from neuralgia, lumbago and rheumatism, Mrs. Jones, a highly respected resident here, is telling her friends that she owes her new lease of health to Dodd's Kidney Pills.

"I cannot recommend Dodd's Kidney Pills too much," Mrs. Jones states in her enthusiasm. "I would not use any other kind.

"I do not know the cause of my trouble, but I know it dragged along for two years—and in that time I suffered from cramps in my muscles, neuralgia, headache and lumbago.

"My sleep was broken and unrefreshing, I had dark circles around my eyes and I was always tired and nervous. I was low spirited, my memory was failing, my limbs were heavy and my ankles swelled.

"I took six or seven boxes of Dodd's Kidney Pills and they did me so much good I feel like telling everybody about it."

All Mrs. Jones' troubles are symptoms of kidney trouble. If you have any two of them ask your neighbors if Dodd's Kidney Pills will not help you.

Palmerston will get details of the government's housing law. The Mayor thought he could dispose of six houses, one of the councillors thought he could find purchasers for several more, and the council took a lot of time discussing the question of whether a needed Presbyterian manse could not be built out of the government loan.

MILITARY NOTES.

Corp. Geo. McCauley, D. C. M., arrived in Shelburne on Wednesday evening of last week and was tendered a big reception on the evening of the same day. Corp. McCauley has spent four years overseas. He enlisted at the very commencement of the war and left Shelburne on August 8, 1914.

Sergt. Harry Wise, a brother of Mrs. James and Alfred Wise, arrived home recently after three years military service overseas, and has been visiting his brothers here. Sergt. Wise lives in Toronto and went overseas with a city battalion.

Pte. W. T. Stinson, son of Mr. and Mrs. Hiram Stinson, was given a rousing reception on his arrival home on Thursday night. The Band, a number of autos and some hundreds of citizens escorted him from the depot up Broadway, where he was given a formal welcome on behalf of the town. This over the young hero was conveyed to his home on John Street, where he received a most affectionate greeting from a number of the intimate friends of the family. Pte. Stinson is one of the few originals, who have gone through the horrors of the great war and who have come home to their loved ones in Canada. He enlisted in the 3rd Q. O. R. on August 7th, 1914, immediately after the declaration of war. At Valcartier Camp he was transferred to 1st Divisional Cyclists and left Canada with that unit on September 29th, 1914. He arrived in France on February 12, 1915, and took part in the first battle of Ypres. In May 1916 the Canadian Corps Brigade was formed from the 1st, 2nd and 3rd Divisional Cyclists Companies. This Brigade was always greatly in demand for working parties and for 6 months before the battle of Vimy was kept busy sapping under the ridge. Pte. Stinson was down on the Somme in 1916 and was also on the Lens front for seventeen months. He was gassed at Cite St. Pierre in 1918 and was obliged to spend a month in the hospital. On Aug. 8th, 1918, his unit was attached to the infantry, being employed to do valuable reconnaisance work and to act as contact patrols. The German retreat was then well under way and so rapidly did the Germans withdraw that for days the patrols would not even sight a Hun. Pte. Stinson was in the outskirts of Mons on the night of Nov. 10th and was with the Canadians who entered the city on the following morning. There was great joy and much jubilation among the troops and citizens when it was learned that the armistice had been signed, the celebration culminating in a grand ceremonial parade, followed by addresses by King Albert and the Prince of Wales. On the 17th the Canadians commenced the march to the Rhine. Pte. Stinson spent six weeks in the city of Bonn, and also visited Coblenz, Koln, Mainz and other places in Germany. Our former townsman returned to England in February and sailed for Canada on the Adriatic on April 12th. He arrived in Toronto at midnight on April 22nd, and an hour later had received an honorable discharge from further military duty. Pte. Stinson was accompanied home by one of his army chums, Pte. Fred Mather, of Edmonton, who remained in town as his friend's guest until Monday morning. Both young men are looking fine.

Pte. Harry Glover, younger son of Mr. and Mrs. Adam Glover, Second St. got home on Saturday night and was given a hearty reception by his numerous friends assisted by the Citizens Band and a large gathering of townspeople who met his train at the depot. Glover, who looks in the best of health, enlisted in the Orangeville Company of the 164th on Jan. 6th, 1916, when only sixteen years of age. He trained with the battalion at Camp Borden and Hamilton, going overseas in April 1917 and to France in February 1918 with a draft for the 116th Batt. He was at the front until the 28th of July, when he was taken ill with septic poisoning, which confined him to the hospital for upwards of six months. He spent two weeks in a French hospital and was then taken to England, where he received treatment in no less than seven hospitals. He was discharged from the last one on February 9th last and sailed for home on the Belgic on April 16th. While convalescing Pte. Glover had an opportunity to do considerable sightseeing. He visited a number of the larger centres in England and was also in Edinburgh and Glasgow in Scotland and Dublin, Belfast and other places in Ireland. Pte. Glover weighed 118 lbs, when he joined the army and tipped the scales at the even 150 when he arrived home.

Sergt. Chester A. Bower, a Western man, arrived in town on Wednesday night of last week and is spending a month or so with his parents, Mr. and Mrs. John Bower, and relatives in Mono before proceeding to his own home. The Band, members of the local Reception Committee and a large number of citizens met Sergt. Bower at the depot and gave him a stirring reception. Bower, who went West from Orangeville in 1906 was living in Castor, Alta. when the war broke out. He enlisted with the 53rd infantry battalion in Prince Albert in 1915, trained at Sewell Camp for the summer, spent the following winter in Winnipeg and went to England in March 1916 and to France in June of the same year. Sergt. Bower went through the war with the famous First Division and with the exception of the fighting at Hill 70 was in practically every battle in which the Division was engaged. He was in the movement to the south-east of Arras in March, when the Division was shifted to protect points in the line threatened by the great German offensive, and later on took part in the great battles of Amiens, Arras and Cambrai, which marked three important stages in the final defeat and demoralization of the German armies. Altho' in some of the most bitter fighting of the war, Bower, who was with a signal section, had the good fortune to come through unscathed.

Sapper J. E. Jenkins, son of Mr. and Mrs. Sam Jenkins, arrived home quite unexpectedly on Thursday morning and therefore escaped the warm reception, which would undoubtedly have been given him had word of his homecoming preceded him. Jack is looking the picture of good health and is still carrying the happy smile that his friends remember so well in the old days when he was clerking in one of the stores on Broadway. Our former townsman donned khaki in Toronto on March 23rd, 1915, enlisting with the Canadian Engineers. He left for overseas on May 3rd of the same year, and was rushed right over to France, which he reached on the 25th of June. He has been at the front right along since that time and in the whole four years was only given one seven days' leave to England. He was twice partly buried by shell explosions at Passchendaele in 1916, but with these exceptions had the extreme luck to go through the whole show unscathed. Jack was at Valennciennes when the armistice was signed and a few days later accompanied thevictorious Canadians on their triumphal march into Germany and over the Rhine. He left Germany early in March, arrived in England on March 18th and sailed for home a few weeks later on the Olympic.

Gunner J. Mervyn Oliver, son of Mr. and Mrs. A. Oliver, of E. Garafraxa, arrived home from overseas on Thursday last. Gunner Oliver enlisted in November 1916, went overseas in March 1917, was attached to a Montreal Battery and got into France on June 7th of the same year. He saw some severe battles on the Western front, had many narrow escapes, but came through without a scratch. He was within a short distance of Mons when the armistice was signed, but kept following up the Huns until they reached the Rhine. Gunner Oliver spent sometime in Cologne, one of Germany's finest cities. He arrived back in England on March 20th with the 1st unit of the First Division and sailed for home on the Olympic. He stopped off in Montreal with his Battery and got his discharge in that city. The boys were given a rousing reception in the Quebec metropolis. Gnr Oliver arrived in Toronto on the 24th and was met at the Union Station by a large number of his old friends. Before he enlisted Oliver was employed on the Board of Education in the City Hall in Toronto, where his old position now awaits him.

Sergt. J. E. Jessop, better known to his friends as "Jack" Jessop slipped home quietly on Friday night and in that way managed to dodge the town Reception Committee, the Band and the scores of friends who would have gladly braved the inclemency of the elements to assist in giving him a fitting welcome home had they known when he was due to arrive. Jessop, who is one of the best vocalists who ever struck Orangeville, was leader of St. Andrew's church choir and prominent in local musical circles for several years prior to the war. Although a married man with a family, he was anxious from the first to do his "Bit" for the Empire and on January 6th., 1916, finally threw in his lot with the 164th. He was speedily promoted to the rank of sergeant, but after reaching England he voluntarily reverted to private in order to get to the front. Jack went to France with the 2nd Battalion in April of last year and remained at the front until the end of the war. He was through the battles of Amiens, Arras and Cambrai as well as many minor engagements and took part in the big march into Germany. He was slightly wounded in the leg and on the back of the neck by shell fragments, but laughingly describes his injuries as mere scratches. At any rate he did not leave his battalion from the time he went to France until he received his discharge in Kingston last Thursday morning. Jessop is looking well and reports a number of happy meetings with former musical friends and associates while in England. Mrs. Jessop met her husband in Toronto.

Capt. J. F. Preston, another of Orangeville's soldier sons, arrived home on Friday night after being overseas since June 1915 and in France since September 1915. Capt. Preston, who is the older son of Col. and Mrs. J. A. V. Preston, graduated from the Royal Military College in Kingston in June, 1914, shortly before the commencement of the war. He left Orangeville on August 4th, 1914, the day war was declared to report for garrison duty at Halifax with the R. C. Artillery. He went overseas as aide to Gen. H. C. Thacker, Commanding Officer of the Artillery of the First Canadian Division. Capt. Preston remained on Gen. Thacker's staff until the end of 1916, when he was posted to the 6th Battery, Canadian Field Artillery, with which he remained until the end of the war. Early in 1918 he was promoted to the command of this Battery, and as commanding officer won the Military Cross for his bravery and splendid services in the battle of Amiens. The Battery took part in the now famous march into Germany and was stationed near the city of Cologne for some weeks. Capt. Preston returned to Canada in command of the 6th Battery and is now home on a month's leave of absence. His arrival Friday night was unheralded and he therefore missed the usual reception. This however did not detract from the warmth of his welcome home and the joy with which he was greeted by his numerous friends and former comrades in the old town. Capt. Preston comes of good fighting stock and has amply demonstrated that he possesses the qualities of a first-class soldier.

Lieut. T. R. Buchanan, of Thessalon, Ont., left last week for Porcupine to resume mining operations there after visiting his aunt, Mrs. S. J. Cruickshank, and other relatives in this vicinity. Lieut. Buchanan saw two and a half years service overseas as a Tunneller and tells many interesting stories of the work of the Canadian soldiers underground.

IN MEMORIAM

In loving memory of our dear Annie who left us on April 27th, 1917:

Spring in its glory has returned again,
The awakened earth joins in the song of praise . . .
I try to fight against the poignant pain
And heartache overshadowing these days.

Because you loved the Spring. Your glad young life
Reflected Nature's fairest, sunniest hours;
And even in the midst of war and strife
You dreamed of singing birds and woodland flowers.

So young and dear, your life was all too brief,
Just what you meant to us no words can tell,
But this thought brings us comfort i nour grief—
You are in God's care now . . and all is well.

O'er love like ours Death has no victory—
In sweet, glad memories you are living yet.
So shall Love triumph through Eternity,
Death can come only when our hearts forget!

Mr. and Mrs. W. A. Moffatt.

"The intimate article of dress known as the corset which the majority of women wear but know very little about"

Alice S. Cutler, M. D.

IN this pertinent way the well-known medical authority, Alice S. Cutler, M. D., describes the most important garment in the wardrobe of women.

"Buy your corset carefully," warns Dr. Cutler. "No one wants to be ill, and when women realize that the constant wearing of an ill-fitting corset helps to keep our hospitals open they will insist on being properly fitted to corsets instead of buying them hit or miss."

We unreservedly recommend Gossard Corsets, the original front-lacing corsets, as the complete expression of modern corsetry. Every Gossard Corset is medically correct. If properly adjusted to the figure for which it is designed, and carefully adjusted each time it is worn, it will mould that figure to the ideal proportions of its type. It will give a priceless all-day comfort. It will safeguard the wearer against those bodily ailments that are often the result of improper corsetry. It will render a wearing service that alone is worth the price paid for the garment.

If possible, the new Spring and Summer Gossards are superior to those of the past season, which were generally acknowledged to be without equal in meeting the needs of active womanhood from the standpoint of comfort, hygiene, wear and figure improvement.

Our highly specialized fitted service reflects our sincere appreciation of the important relation a correctly fitted corset bears to your health, and to that perfect figure poise that gives the elusive charm of style.

RED TRIANGLE CAMPAIGN.

The National Council of the Y. M. C. A. will put on its Annual Red Triangle Campaign throughout Canada from May 5th to May 9th. The objective is $1,100,000, which will be used for the welfare of the soldiers and their dependents returning from overseas and for the furtherance of the reconstruction campaign of the Y. M. C. A. A sum of $175,000 will also be set apart for general Y. M. C. A. work in Canada. The money will be expended in Canada, as the Association had estimated that the liquidation of its assets in Europe will furnish sufficient funds to carry on and complete its overseas work. This work overseas will continue at its maximum for some months longer and will not terminate until the last Canadian soldier has sailed for home. The Red Triangle makes a strong appeal to the generosity of all Canadians, who are interested in the moral and physical welfare of our young Canadian manhood and womanhood.

BIG VICTORY BOND INTEREST PAYMENT ON FIRST OF MAY

May Day will see $18,000,000 paid in interest to the holders of Victory Bonds issued in 1918. This will be by far the largest single interest payment ever made in Canada. Incidentally, it is only one of many, for Canadians will draw over $70,000,000 in war bonds' interest this year.

The question arises, how much of this money will be saved? Will the over 1,000,000 holders of Victory Bonds in the Dominion become systematic savers, thus helping themselves and the country, or will they discontinue saving?

A large portion of this $18,000,000 should be invested in War Savings Stamps, which are Government bonds and just as secure as Victory Bonds are. Victory Bonds started hundreds of thousands of people saving, who should continue the practice, which is made easy through War Savings and Thrift Stamps.

ALTON.

Miss Margaret Simpson, of Toronto, spent Easter at her home here.

Miss Zilla McLeod, of Waldemar, has taken a position in W. O. Chantler's general store.

Miss Millie Lovell, of Toronto, spent Easter with her parents, Mr. and Mrs. Leonard Lovell.

Miss Dorothy Dods, of Branksome Hall, Toronto, spent Easter week at her home here.

Mr. Victor Canham, of Buffalo, spent Easter Sunday with his aunt, Mrs. Christina Barber.

Miss Jean McFarlane, of Toronto, spent Easter with her grandparents, Mr. and Mrs. W. Dowswell.

Misses Nellie and Agnes Meek, of Toronto, spent the holiday with their parents, Mr. and Mrs. T. W. Meek.

Mrs. Bailey and little grandson, Master Bruce Bailey, of Orangeville, spent Easter with Mr. and Mrs. W. J. Dods.

Miss Margaret McNeil returned home last Saturday after a two months visit with friends in Durham and Priceville.

Miss Coral Barber, of Toronto, spent the holiday with her sister, Miss Grace Barber, and her cousin, Mrs. J. M. Dods.

Mrs. Leigh Butler left for Toronto this week to meet her husband, Lieut. Butler, who is returning from overseas, with the 3rd Battalion.

Mrs. W. A. Dorrington was a delegate at the annual meeting of the Ontario Library Association, held in Toronto, Easter Monday and Tuesday.

Mr. Chester McCellan, Jr., of Winnipeg, Man., a former Alton boy, spent a few days in town this week, with his sister-in-law, Mrs. H. Storey, and other friends.

Mr. and Mrs. Will Horning and baby daughter and Miss Nellie Culligan, of Toronto, Mr. and Mrs. Chas. Culligan, of Stratford, spent Easter with their parents, Mr. and Mrs. Jas. Culligan.

Pte. John Conley and Pte. William Parker arrived home from overseas last week. Pte. Parker enlisted in 1914, going overseas with the first contingent, and has been a prisoner in Germany for three years and eight months and has had some hard experience. He is a brother of Mrs. Thos King, of this village.

Union services were held in the Presbyterian church, Easter Sunday morning. The pastor, Rev. W. N. Carr, conducted the service. The evening service was held in the Methodist church, the pastor, Rev. T. R. White, conducting the services. The union choir, under the leadership of Amos Mason, furnished special Easter music at both services.—Advocate

A very successful Concert was given in the Methodist Church by the Mission Circle on Tuesday evening. The Cornet solos by Mr. Mason; the Piano duets by Misses Ewing and Kearns of Orangeville, and the Vocal duets by Mrs. Robinson and Miss Bell of Orangeville, the Reading "So much to do at Home" by Miss Evelyn McConnell of Alton and "The Challenge of the Cross," as well as the choruses by the members of the Mission Circle were all much appreciated.

On April 16, a quiet wedding took place at the home of Mr. and Mrs. J. D. McClellan when Mr. Paulin, of Arthur, and Mrs. Armstrong, of Alton, were married by Rev. T. R. White in the presence of a few friends.

The home of Mr. and Mrs. John Gabriel, of Alton, was the scene of a pretty wedding on Wednesday, 23rd of April, when Private Howard Euzley Johnston, son of Mrs. Gabriel, was united in marriage with Miss Salina Cummings, of Alton. The ceremony was performed by Rev. T. R. White of the Methodist Church. The bride was given away by her brother, Pte. Andrew Cummings, of Toronto. The wedding march was played by Miss Zella McLeod. The bride wore embroidered Georgette crepe over white silk and carried a boquet of white carnations. The bridesmaid, Miss Roberts, of Inglewood, wore old rose silk poplin and carried a bouquet of pink roses. Mr. Russell Johnston was groomsman. The bride's travelling suit was of navy blue with white panama hat trimmed with blue. The groom's gift to the bride was a necklace, to the bridesmaid, a brooch, to the groomsman, a tie pin. On Monday evening the young people of the village presented the bride with a shower at the home of Mrs. Gabriel. Among the useful gifts were substantial cheques from the bride's brother. A few immediate friends were present in addition to the members of the family. After a delightful wedding breakfast and the customary toast the young couple left on a trip to Montreal.

Mrs. (Rev.) T. R. White attended the meeting of the Provincial Executive of the Women's Christian Temperance Union in Toronto last week. She also addressed a meeting of the Women's Christian Temperance Union in Brampton on Tuesday afternoon.

Alton Epworth League elected the following officers on Monday night: Hon. Pres., Rev. T. R. White; Pres., Mr. Joyce McConnell; 1st Vice Pres., Miss Mary Trimble; 2nd Vice Pres, Miss Bertha Lowe; 3rd Vice Pres., Miss Eveline Thomas; 4th Vice Pres., Mr. Cecil Presley; Rec.-Sec., Miss A. Duckwith; Cor.-Sec., Miss Edith Trimble; Treasurer, Miss Eudine McConnell; Pianist, Miss Ida Lovell. A Pancake Social will be held on Tuesday evening, May 6th in connection with the League. Admission, 25 cents.

CANADIAN CLUB BANQUET

Mr. John R. Robinson, former Orangevillian, Chief Speaker at Delightful Social Event.

Orangeville Canadian Club held its fourth annual Banquet in the Grand Central hotel on Friday night. The event was a big success in every way, and those who had the good fortune to be present spent a social evening to which they will long look back with real pleasure. About eighty guests sat down to the banquet, the attendance taxing the seating capacity of the large dining room to its full capacity. About thirty returned soldiers were present as the guests of the Club and their presence added greatly to the general interest in the event. Dr. G. H. Campbell, President of the Club, presided. Seated to the Chairman's right at the head table was Mr. John R. Robinson, Editor of the Toronto Telegram, who was the guest of honor and the chief speaker of the evening. Mr. Fred. Rutter, Superintendent of the Owen Sound Division of the C.P.R., occupied the seat to the Chairman's left. Mayor Lewis and Mr. C. R. McKeown, M.L.A., were seated to the right of Mr. Robinson and Dr. Kyles, Honorary President of the Club, and Judge Fisher to the left of Mr. Rutter. The tables and walls of the dining room were tastefully decorated and made an appropriate setting for the scene of joyous festivity. The banquet itself was a feast fit for any occasion and was worthy of the Grand Central, whose hostess, Miss Bennett, has long since achieved an enviable reputation in this line.

One of the most impressive parts of the after programme was the drinking of a silent toast to the brave boys who have gone overseas and who will not come back. The toast was proposed in a few feeling words and there was dead silence as the entire company stood with raised glasses pledged to the memory of the heroes who had made the great sacrifice. In his response to the toast to "Our Guests" Mr. Robinson fully maintained his reputation as an original and entertaining speaker. When he told of incidents in his boyhood days or spoke of oldtime events in Orangeville his humorous word pictures convulsed his hearers with laughter. When he became serious and spoke of his faith in Canada and its future as bound up in the future of the British Empire, or paid glowing tribute to the valor of the Canadian lads who had gone forth at call of duty and offered themselves as a sacrifice for their homes and country his earnestness gripped and rivetted the attention of his hearers. It was an address to which any newspaper report no matter how full would do scant justice. One needed to see and hear the man and to come under the influence of his strong individuality to realize how forcefully and with what skill he delivered his message.

Mr. Fred Rutter, the genial Superintendent of the Bruce Division, spoke briefly, expressing his pleasure at having the opportunity to attend the banquet and emphasizing that his Company stood ready to serveOrangeville and district in any way possible. Don MacPherson and Jack Aiken spoke briefly on behalf of the soldiers, the latter concluding his remarks by calling for a round of cheers for the Canadian Club. These the boys gave with right good will.

Additional charm and variety were given the programme by a song by Mr. Percival Harding and a couple of Scotch recitations by Mr. Lawson, a member of the Ottawa Canadian Club. A hearty vote of thanks was tendered Mr. Robinson for his excellent address upon motion of Mr. A. A. Hughson, seconded by Mr. A. D. McKitrick. The gathering sang Auld Lang Syne with great heartiness before dispersing.

JESSIE ALEXANDER COMING

Mrs. Jessie Alexander Roberts, the well-known Canadian entertainer, has been secured for a recital in St. Andrew's church on Monday evening, May 12th. The recital will be given under the auspices of the Ladies' Aid Society. The church choir and other local talent will supply a short musical program. It is quite a long while since Jessie Alexander last appeared in Orangeville and her coming is creating considerable interest. She should be greeted by a full house on the 12th. Twenty-five cents is the admission charge.

Disease Comes Through the Blood

To Cure Common Ailments the Blood Must be Made Rich and Red.

Nearly all the common diseases that afflict mankind are caused by bad blood-weak, watery blood poisoned by impurities. Bad blood is the cause of headaches and backaches, lumbago and rheumatism, debility and indigestion, neuralgia, sciatica and other nerve troubles. It is bad blood that causes disfiguring skin diseases like eczema, and salt rheum, pimples and eruptions. The severity of the trouble indicates how impure the blood is, and it goes always from bad to worse unless steps are promptly taken to enrich and purify the blood. There is no use trying a different medicine for each disease, for they all come thro' the one trouble—bad blood. To cure any of these troubles you must get right down to theroot of the trouble in the blood. That is just what Dr. Williams Pink Pills do. They make new, rich, red blood. They simply purify and enrich the blood, and the disease appears. That is why Dr. Williams Pink Pills have cured thousands of cases after other medicines had failed. Here is proof of the power of Dr. Williams Pink Pills to cure. Mrs. M. Stills, who resides near the town of Napanee, says: I cannot praise Dr. Williams' Pink Pills too highly. I was very much run down in health, suffered from frequent spells of indigestion, biliousness, and sick headache. I had an almost constant pain in my head and my housework was a course of dread. In fact I felt so miserable that life held but little enjoyment. I was advised to try Dr. Williams' Pink Pills, which I did, and the result was simply marvellous, and can best be summed up by saying that they made me feel like a new woman, and fully restored my health. I would advise every woman and girl who has poor blood, or is run down in health to give these wonderful pills a trial. I am never without them in the house.

At the first sign that the blood is out of order take Dr. Williams' Pink Pills, and note the speedy improvement they make in the appetite, health and spirits. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

FAMOUS CIRCUS COMING

With clash of cymbals and sound of drum Berzac's Indoor Circus makes its grand entry next Monday night at the Town Hall.

Novelty and comedy and speed are all combined in this unusual performance. Thrills and laughter, artistry and daring, pleasing equine sketches, dazzling electric effects and Ladies' Concert Band conducted by Bertha Meyer, famous to vaudeville and concert alike.

Great names are included in the personel of the cast, artists who have become internationally famous, and animal sketches long known for their intelligent cleverness, as the following groups will show. The Bounding Patterson, the Murray-Ward Trio, Lackland and Lackland, Patrick's Prize Stallions and Monkeys, Livner's Statuesque Dogs, The Alpine Troupe, Mack's Trained Ponies, Jeane Berzac's Comedy Ponies and Donkeys.

A pleasing ensemble has been arranged which will rejuvenate the parents of the youngsters who will wait to bring them to their first circus. Everybody goes to a circus. Tickets reserved at Banner office. Popular prices.

PTE. S. McPHERSON HOME

Amaranth St. became an unusually busy centre last Monday evening when a large crowd braved the inclement weather and muddy roads to welcome home another of our popular young soldiers, Pte. Stanley McPherson. Seldom has such enthusiasm been manifested at Amaranth Station as was in evidence when the Teeswater train rolled in to the little station on Monday evening and "Stan" stepped off looking hale and hehrty in his military uniform. Representatives of the Reception Committee were on hand and after the usual joyful greetings, Mr. Thomas Keys, a member of the Committee, called for three rousing cheers for the returned hero, three cheers for our King and finally three cheers for Premier Lloyd George. After this Pte. McPherson was conveyed to his home where a good oldtime party concluded a most hearty reception.

Pte. McPherson was overseas some what over a year and saw considerable service with the 15th Canadian Highlanders. He crossed the Rhine at Cologne with his battalion, but owing to a severe attack of influenza was removed to the Base Hospital in France, and later to England. Thus it was that he arrived in Canada a little in advance of his original battalion. "Stan" is glad to get back, but speaks most highly of his treatment while overseas and especially of the splendid work of the hospitals and nursing sisters. He has received his discharge and will resume his duties on the old home farm.

PASTOR COMES BACK

Rev. John Lennox who preached in the Baptist church here about twelve years ago, has returned to town from Abbey, Sask., accompanied by his wife and daughter. Since leaving Orangeville Mr. Lennox has preached in the United States and also in several places in Canada. Previous to going to the West he ministered for four years in the old historic church of Indian Lands in Glengarry County, the home church of Ralph Connor. Eight years ago Mr. Lennox was received into the Presbyterian Church through the Presbytery of St. John, N.B. Our former townsman is strong and vigorous and still retains his earnest enthusiasm in the preaching of the Gospel. He is to preach at Camilla, Mono Centre and Glencross on Sunday and the Sunday following.

Emmett Hunt has bought the north half of lot 27, Con. 2, O. S., Melancthon, from John S Lusty. Henry Ferris has bought the east half of lot 31, Con. 2, O. S., Melancthon, from Gilbert Coulter.—Economist.

PLATT-DUFFY.

On Wednesday of last week the home of Mr. and Mrs. W. C. Duffy was the scene of a very pretty event, when their second daughter, Pearl R., was united in marriage to Geo. P. Platt. The ceremony was conducted by Rev. A. N. Cooper of the Methodist church. Promptly at five o'clock to the strains of the Mendelssohn wedding march rendered by Miss Myrtle Duffy, the bridal party took their places under an arch of evergreens. The bride, who was given away by her father, wore a dainty dress of georgette and crepe de chine ,with veil held in place by orange blossoms and carried a bouquet of white carnations and fern. Little Kathleen Duffy made a charming little flower girl carrying a bouquet of sweet peas and Easter lilies in the centre of which rested the ring. The groom's gift to the bride was a pearl sunburst and to the pianist and flower girl pearl brooches. After the wedding luncheon amid the showers of confetti and good wishes the happy couple left for their new home. The bride's travelling suit was brown with hat and fur to match. Friends were present from Toronto, Orangeville, Shelburne and Fergus.—Star and Vidette.

ROBT. GALLAUGHER DEAD

Former Warden of Dufferin Passes Away in Shelburne.

We are this week called upon to record the death of Robt. Gallaugher, of Shelburne, who passed away on Sunday evening last after but a few days' illness, at the age of 78 years. Death was caused by a stroke, with which he was stricken on the previous Thursday. Deceased was of an affable and jovial disposition, and his demise is deeply regretted in the neighborhood. On December 18th last Mr. Gallaugher and his now bereaved partner celebrated their golden wedding anniversary, and hopes were entertained that they might be spared to yet see many more years of wedded life.

The late Mr. Gallaugher was born in 1846 in the township of Adjala, where he lived until 1868. In that year he moved to lot 11, Con. 4, E. H. S., Mulmur, where he resided until October, 1914, when he moved to Shelburne to fill the position of caretaker of the post office building. He was one of the most prosperous farmers of Mulmur township and his natural abilities and shrewdness, combined with a genial disposition, gradually brought him into prominence in public matters. He was first elected a member of the township council in 1881 and served in that capacity for three years. In 1884 he was elected deputy-reeve and held that position until 1887 when he was elected reeve, having defeated Colwell Graham at the municipal elections in that year. He held that position until 1894. In 1890 he was elected Warden of the County of Dufferin. Upon retiring from the reeveship, Mr. Gallaugher assumed the position of township treasurer, in succession to the late John A. Love, who moved to Toronto, which position he held until 1914, when he moved to Shelburne. He also occupied a prominent position as an Orangeman, having been for nine years district master of Mulmur, and for some time was deputy county master for South Simcoe. He was a member of L. O. L. No. 355, Perm, under whose auspices the funeral was held on Tuesday afternoon of this week. Interment was made in Mansfield cemetery. Deceased is survived by, besides his widow, one son, Hugh Gallaugher, of Collingwood, and two daughters, Mrs. Thos. Gallaugher, of Perm, and Mrs. John Hart, of Shelburne. He is also survived by one brother, Thos. Gallaugher, of Alliston, and one sister, Mrs. Amos, of Rosemont.—Shelburne Free Press.

BRAMPTON DISSATISFIED.

At the town council on Friday night the matter of the attempted evasion of the Hewetson Co. as regards their contract with the town came up.

This concern was given a handsome loan by Brampton on condition that they establish a shoe factory in Brampton and employ at least a certain number of hands.

Now when they find it necessary to extend their plant they go off to Orangeville and establish a branch factory.

Not only that but they are preparing the way by means of a special bill before the Ontario Legislature, towards securing a loan of $20,000 from the town of Orangeville, despite the fact that the Statutes of Ontario prohibit one town bonusing the industry of another town that is under favors to that town.

This bill before the Legislature has had two readings and the third is imminent unless prompt action by the town's solicitor can stop the passage of the legislation.—Peel Banner.

As we understand the matter Brampton should have no kick coming over the action of the Hewetson Co. The factory the company is starting here is an independent concern, and not a branch of the Brampton factory. The Brampton factory will continue to run and so long as the company carries out the guarantees on which it secured a loan from that municipality, it is surely free to establish other manufacturing plants wherever it chooses. As a matter of fact the company had a plant in Rochester, N. Y., which it closed when it decided to locate in Orangeville. Most of the machinery shipped here was sent from Rochester.

A STRESSFUL SITUATION.

Under the heading "Mother of Two Soldier Sons Saves a Stressful Situation," the Toronto Globe featured the following fanciful despatch, purporting to come from Orangeville:

There was a big and enthusiastic crowd at the Caledon station to meet the evening train carrying returned soldiers, several of them local boys. The girls had done some decorating and headed the reception. Several of the young ladies boarded the train, and one of them, seeing the khaki-clad figure she believed to be her objective, threw her arms about him and bombarded him with kisses. He was a soldier, and it is suspected he launched a counter-attack.

Then came the revelation. When the enthusiastic "sister" realized her mistake she was covered with confusion and nearly fainted. There were those who were inclined to enjoy her predicament.

Not so a white-haired mother who had lost her "baby boy" over there and was down to meet her returning first-born with his Military Medal.

"Don't feel badly, dear," she said to the embarrassed girl, "they are all worth it—every one of them."

DENTISTRY AND THE WAR.

What the Dental Profession Did for the Soldiers.

More than 80,000 Canadian boys made fit for the firing line and double that number back from the trenches who have received dental treatment is the proud record of the Canadian Army Dental Corps in the brief three years since its organization. Careful calculations show that many more than the 80,000 soldiers mentioned above owe their active service record to the C. A. D. C., as the rejection of that number was assured before the C. A. D. C. took hold of their cases; while the actual records of overseas' and returned men's cases show that untold benefit has resulted from the ministrations of the Dental Surgeons. The most remarkable cures have been recorded, the art of Dentistry having so progressed during the past few years that whole jaws have been reconstructed and maimed faces made to function properly

The war has been the means of marvellous developments in the science of dentistry. A few years ago the duties of the dentist were largely confined to extracting and filling of teeth; now he must be an expert in many of the branches of science formerly known only to the physician. Definite diseases of the mouth have been isolated and studied, with the result that the dentist can now effectively prescribe in such a way as to remove toxins that have been poisoning the whole system. As a matter of fact, there is now the greatest co-operation between the medical and dental professions, brought about very largely through the war and the need to bring all efforts to bear in the prevention and cure of disease and wounds; and the modern physician trained in the theatre of war after careful diagnosis often turns over his patient to a dentist more proficient than himself in the treatment of certain diseases emanating from the teeth or mouth.

The most amazing discoveries in the treatment of bodily ailments have been made during the war; and the development of all known agencies has resulted in greatly improved methods of treatment. Take the X-ray, for instance. This is one of the most useful aids to the up-to-date dentist. And a few years ago it would have been regarded as absurd to dream of using such an appliance in connection with dentistry.

This is but one of the scientific dental developments of the war With the objective of fully informing all the dentists of the province as to the newest discoveries and improvements available to the profession and the public, the Ontario Dental Society has arranged for a big convention of all the dentists of the province during the last three days of April and the first day of May. The city of Toronto has been chosen as the convention centre.

A record breaking attendance is expected at this, the greatest convention ever held in Ontario, and the beneficial results to the profession and the public will be incalculable.

In Renfrew police court, a young defaulter, defiant in speech, was fined $1,000 by the magistrate.

A Maxwell Grows Better the More You Drive It

THAT is the test of anything good. The more you use a good watch the better it runs. The older your friends grow the better you like them.

And nothing is more pat on a Maxwell than this.

Hardly a day goes by that some Maxwell owner doesn't take his pen in hand and write that he is now passing a mark of 30,000 miles or 20,000, or 50,000.

To purchase such a man's Maxwell from him would be like trying to buy an heirloom from a rich man.

But these Maxwells of today are far better cars than those of yesterday.

For it is the policy of the Maxwell Motor Company to keep on building and building on the original chassis plan set down 5 years ago.

300,000 Maxwells have been built on this program.

1000 refinements have been made since the first car was built.

Each new Maxwell is better than yesterday's.

For doing one thing always results in doing it well.

This Maxwell you see today is so vastly improved in appearance that you may think it a new model.

But it isn't. Just a better looking Maxwell. And a better car.

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

MONO COLLEGE.

The regular meeting of the Mono College Women's Institute was held on the afternoon of April 4th, at the home of Mrs. J. H. Sloan, Prince of Wales Road. After the usual opening exercises and discussion of business, Miss Arkell, secretary of the Orangeville Institute, gave some interesting and useful information regarding Institute work, after which a very choice program was provided, consisting of well rendered solos by Mrs. R. E. Jackson and Mr. Sloan and instrumental music by Miss Marvel Whitney, of Orangeville, and Miss Lorna Bracken. Mrs. F. C. Island gave a most excellent paper on "How the School and Home May Help Each Other," dwelling at length on the absolute necessity of a hearty co-operation between school and home, and courtesy and hospitality to the teachers. She also outlined a splendid plan for the teaching of domestic science to young girls in the various homes. A [illegible] by Miss Beatrice Porterfield was a most enjoyable program to a close, after which the hostess served a dainty luncheon and the usual social half hour was enjoyed by all present.

The next meeting will be held at the home of Mrs. M. J. Leighton, 1st Ave., Orangeville, on the afternoon of Thursday, May 1st, when the election of officers for the ensuing year will take place. A full attendance of the members is requested.

The three St. Thomas divisions of the Brotherhood of Railway Engineers held a gala day and at a banquet honored fifteen lately superannuated members.

Miss S. A. Wernicke of Hilton, B.C., writes that she is convinced Zam-Buk saved her arm when blood-poisoning set in as a result of an injury. She says:

"I was sewing when the needle slipped and penetrated my finger to the bone. Soon my finger and then my hand began to swell, and became so stiff that I could not use it. I became anxious and tried remedy after remedy. As each one failed I tried another, but my hand only got worse and the poison spread right up my arm. Large lumps appeared, and the pain was awful. Then a friend recommended Zam-Buk and I lost no time in trying it. It wasn't long before the pain grew less and less, the lumps disappeared and then the swelling was reduced. Zam-Buk drew out all the poison and then healing commenced. I continued using Zam-Buk until I was completely cured, and am convinced that if it hadn't been for this wonderful balm I should have lost my arm."

No matter how small the injury, it should have immediate attention if you would avoid serious consequences. Apply Zam-Buk at once and you will have nothing to fear. Zam-Buk is equally good for burns, scalds, cuts, eczema, ulcers, rashes, boils, and piles. All dealers, 50c. box.

MONO CENTRE.

Our whole community is quite interested in a recent taffy pull and the unlooked for occurrences that developed out of this little social event. Some of the boys who have a weakness for taffy and other good things managed to make away with the taffy kettle and its contents during the temporary absence of the host. When the latter returned to the house and discovered what had happened he waxed wrathy and vowed vengeance on the mischief workers. And who could blame him for getting hot for the guests he had invited were due in a short time and the treacle, which was to have furnished part of the evening's entertainment, had flown, none knew where. However, mine host is a methodical man and later in the evening when he had the opportunity he set out to do some detective work. His efforts were soon rewarded by the discovery of the missing taffy, which was being treated to a further boiling in a house near the village, where a number of the youths of the neighborhood had gathered to pull and consume the taffy that the owner intended for the delectation of other people. When the irate owner appeared on the scene a few of the bolder spirits faced the music, while the remainder beat a hasty and undignified retreat to an upper chamber where they sought to conceal their identity in the darkness. After threatening to clean out the bunch the owner of the taffy, who is at heart one of the best natured of men, recovered his good humor and finally accepted an invitation to remain and help eat the taffy, much to the dismay of the lads who were hiding upstairs. One can imagine their feelings as they lay under cover upstairs, while their comrades and the unexpected visitor cleaned up the toothsome delicacy for which their mouths fairly watered. It was a case of the biter being bitten and the opinion of the neighborhood seems to be that the honors of the day, or night we should perhaps say, rest with the owner of the taffy.

A SELF-ACTING JURY.

A jury recently met to inquire into a case of suicide. After sitting through the evidence the twelve men retired, and, after deliberating, returned with the following verdict:

"The jury are all of one mind—temporarily insane."

MONO BOY HONORED.

A very pleasant event took place on Wednesday night, April 10th, at the home of Mr. and Mrs. W. J. Dodds, Mono, when a number of the neighbors gathered to welcome home Pte. Milton Dodds on his return from overseas. When all had collected they proceeded to the large double parlors and hall where Pte. Dodds was presented with a handsome engraved locket and watch chain and an address. The address was read by Miss Olive Holmes and was as follows:

Dear Milton—We, your friends and neighbors, have gathered at your home tonight to welcome you back from France and to try to express our welcome to you, not in words, but in more material form.

We are genuinely glad to see you again in home surroundings, the more so as the dreadful slaughter of the past four and a half years has depleted our country of its young manhood and every man who returns in his full vigor is a double asset to his country.

We feel that the hardships of army life, the experiences that you have had abroad, and the destruction you have witnessed, will be experiences which will always stand out in your memory and in so doing fit you to become a more thoughtful man, and a citizen who will stand against wrong conditions and for all that is best in your own land.

There have been seasons of loneliness, both for yourself and for those whom you left behind, but, now that this is past, you can look back with pride upon the achievements of the past year, and feel that one year of your life has been devoted to service for your home, your country and all that stands for liberty and honor.

That you may know how we appreciated your services, and that you may know the welcome we feel for you, we ask you to accept this locket and chain.

Signed on behalf of your neighbors: George Woods, J. J Crozier.

The presentation was made by Geo. Woods.

Pte. Dodds replied in a brief but feeling speech, which was followed by speeches by a number of the men present. After a short program of music, luncheon was served and the remainder of the evening was spent in dancing, the guests departing in the early hours of daybreak after having spent a very enjoyable evening.

YES, he reached the top first, but at the expense of his stockings.

Perhaps this was *your* boy and you gave him a scolding. But it really wasn't his fault, he wouldn't be normal if he wasn't hard on stockings.

Because we *knew* boys, we designed Buster Brown Stockings. Made them to stand the strenuous use of the average boy.

We knitted them from extra-long yarn made by ourselves to ensure uniform quality. Our employees have had years of special training in knitting Buster Brown quality into hosiery.

We knitted good looks as well as durability into Buster Brown stockings. They are made to *fit*—to give a dressy, gentlemanly appearance. They are suitable for any occasion.

Because of all these features, Buster Brown stockings cost less—and they require less mending.

Sold everywhere. Ask your dealer for Buster Brown durable hosiery.

ST. ANDREW'S CH. RE-OPEN

St. Andrew's Church, which has been closed for several weeks, will be reopened on Sunday, May 11th, when Rev. Thurlow Fraser, D.D., pastor of Division St. Presbyterian church, Owen Sound, will conduct services morning and evening. The church choir will provide special music at both services and will probably have the assistance of some outside singers for the day. The auditorium has been repainted and decorated, the lighting of the edifice has been modernized and the platform used by the choir and minister has been altered and enlarged in such a way that the choir has considerably more room than it had on the old platform. The seating arrangement has also been changed for the better, the members of the choir now sitting in a crescent formation instead of in straight lines as heretofore. It will be a greatly improved place of worship in which the people of St. Andrew's will meet on Re-opening Day and afterwards.

Help the Y.M.C.A. Finish its Work For Soldiers

Help the "Y" Construct the Manhood that will Re-construct Canada

ALL the world now knows that the Red Triangle of the Y.M.C.A. was the "Sign of Friendship" to thousands of your brothers, sons, nephews, cousins and neighbours' boys in the last four and a half years. Wherever the Canadian Soldiers went, the "Good old 'Y'" went too. And now it is coming back home with them!

For the support which has made possible the war work of the Y.M.C.A. we thank you. Your money has been well expended. We have rendered full account.

We ask now your continued sympathy and support for Red Triangle Service for our Soldiers during demobilization, and for Y.M.C.A. work for Canada generally during the Reconstruction period. The Annual Red Triangle campaign will be held throughout Canada May 5th to 9th, 1919. The objective is $1,100,000.

The Y.M.C.A. will keep its chain of Service unbroken till the end.

For Our Men Returning

For the soldiers and their dependents, returning from Overseas, we have provided as follows:—

1. A Red Triangle man on board every ship when it leaves Great Britain, with a full equipment of games, gramophones and records, magic lantern, literature and writing materials. Where possible, also a piano or an organ. Lectures, concerts, sing songs, instruction re Government repatriation plans, and Sunday Services.

2. Red Triangle comforts and facilities for the men on arrival at Halifax, St. John, Quebec and Montreal, including coffee stalls, with free drinks, free eatables, cigarettes, candies, etc.

3. Red Triangle men on every troop train to provide regularly free drinks, eatables and cigarettes, organize games and sing songs, and furnish information.

4. Red Triangle free canteen service, information bureau, etc., at each of the 22 Dispersal centres in Canada.

5. Red Triangle Clubs in the principal cities of Canada in the shape of large Y.M.C.A. hostels to furnish bed and board at low rates and to be a rendezvous for soldiers.

6. Seventy-five Secretaries to superintend Red Triangle service in Military Hospitals, Camps and Barracks throughout Canada.

7. Tickets entitling soldiers to full Y.M.C.A. privileges for six months at any local Y.M.C.A. furnished.

In addition to our work for the returning soldiers, we have to maintain the Red Triangle service to the full for the soldiers in Siberia, as well as the work of special secretaries in Northern Russia, Palestine and Poland.

Canadian Y.M.C.A. Red Triangle Campaign $1,100,000 May 5th to 9th Canada-Wide Appeal

For Canada's Manhood

The Reconstruction program of the *Y. M. C. A.* includes the following vitally important developments:—

1. An increased service to 300,000 teen-age boys in the Dominion—the development of Canadian Standard Efficiency training; Bible Study groups; summer camps; conferences; service for High School boys, for working boys, in the towns and cities; for boys on the farm and for boys everywhere, who have lacked opportunity for mental, moral, physical or social development.

2. Inauguration of Y.M.C.A. work in the country, and the smaller towns and villages lacking Association buildings and equipment, on a plan of county organizations. This will include the establishment of Red Triangle centres for social, recreational and educational work among boys and men, in co-operation with the churches.

3. The promotion of Y.M.C.A. work among Canada's army of workers in industrial plants; both in Y.M.C.A. buildings and in the factory buildings, organizing the social spirit among the industrial workers of our cities by meetings, entertainments, games and sports.

4. The establishment of the Red Triangle in isolated districts where lumbermen, miners and other workers hold the front trenches of industry.

5. Besides these main fields of increased activity for 1919, we have to provide for enlarged work among railway men, college students and for our campaign to encourage physical and sex education. Under all our work we place the fundamental foundation of manly Christianity.

Y.W.C.A.

For the wives and children Overseas, dependent upon Canadian soldiers, and for Y.W.C.A. work in Canada generally, a sum of $175,000 from the Red Triangle Fund will be set aside for the Dominion Council of the Y.W.C.A., which is caring for the soldiers' women folk, and their little ones on the long journey, from Liverpool to Canada, and is also extending its work for Canadian girls.

For their sake also be generous when you make your contribution.

FOR the sake of our victorious soldiers and their dependents, and the happiness of their home-coming; for the sake of our future citizens, our teen-age boys; for the sake of rural life in Canada; for the sake of the social betterment of the toilers in factory and workshop; for the sake of lonely men and boys in our mines and forests; for the sake of Christian Society and Canadian manhood—we appeal to you. Give us your contribution, little or big. Be as generous as you can.

Hand your contribution to the canvasser when he calls, or if you live where it is difficult for him to call, send it by check, money order or registered letter to the National Treasurer, Red Triangle Campaign, 120 Bay Street, Toronto.

Please Note:

We are not asking for money to carry on our work Overseas, with the Army in Great Britain, France or Belgium. That work will continue at its maximum for some months, financially provided for by the liquidation of our assets Overseas, and will not terminate till the last man has sailed for home.

National Council, Young Men's Christian Associations of Canada

The Red Triangle Campaign is being conducted under the distinguished patronage of His Excellency, the Duke of Devonshire, K.G., G.C.M.G., G.C.V.O., P.C.

MR WM. KINSLEY

Very few of the noble pioneers of Dufferin County now remain. Among the last to pass to his reward was the subject of this sketch. He came from Lincolnshire, England, sixty-five years ago, when he was but a lad of ten years and ever since then, his strength of brain and muscle was devoted to the betterment of Dufferin County. He inherited Lot 19 Con. 3, Amaranth, at the death of his father and there he and his now aged partner, (formerly Miss Sarah Regan) resided continuously up to the time of his death. Their union was blessed by five daughters, of whom four survive; one, Emily, having predeceased him by a number of years.

Mr. Kinsley was of a quiet, retiring disposition and did not, therefore, take a very active part in public life, but to all who knew him, he was an upright honorable man——one to whom, no one in need ever applied in vain. He died as he lived trusting in his Saviour and "longing to get Home where his dear child was waiting for him." For years he suffered with that distressing malady asthma and heart disease, until on the 6th of April he died.

His funeral to Shelburne cemetery took place on the following Tuesday. The inclemency of the weather prevented many from being present, who would have liked to show their respect to the family. Service at the house and grave was conducted by Rev. F. W. Roach, of Laurel, who based his remarks principally upon the brevity of this life. He also read two favorite hymns of Mr. Kinsley, "When one gets Home, how sweet 'twill be" and "The Glory Song." His neighbors, Messrs. Wm. Leader, Jos. Kinsley, Thos. Whitten, Isaac Sproule, Wm. Phillips and John S. Spence acted as pallbearers.

All that medical skill and loving care could devise was done to prolong a life that was dear to many, but, when his earthly task was finished, all was of no avail. To his widow and daughters, Annie, Maggie, Charlotte, and Alice and to his brothers, Mr. J. Kinsley, of Cypress, Man., and Mr. J. Kinsley, 5th Line, Amaranth, we offer our sincere sympathy in the great loss they have sustained.

GEO. O. MEREDITH DEAD

Another of Dufferin's former residents has passed to his reward lately, in the person of the late Geo. O. Meredith. He was a son of the late Thomas Meredith, of Farmington, and a number of years ago, he went to Jamestown, New York state and there he lived until the time of his death.

His widow and one daughter survive to mourn the loss of a loving husband and father. He had been troubled for some months with heart affection and to try and relieve this, he, and his family went to the Southern states a year ago to avoid the cold of a northern winter. For a while it was hoped the change was beneficial; but improvement proved to be of short duration, for soon after his return home his old trouble returned with increasing severity until the end came. Among all his acquaintances (and there are many still living in Dufferin County) Mr. Meredith was known to be an upright honorable gentleman, a great worker in every cause that would help to make this world better; and his death in his own community is felt to be a distinct loss on that account. Only two of his father's family now survive, Mrs. Wm. Hamilton, of Laurel, and Mr. Matthew Meredith, of Battleford. To these and to the other relatives and friends we extend our sincere sympathy.—Com.

BENNIE LACKEY'S FUNERAL

There was a large attendance of sorrowing relatives, friends and neighbors of the family at the funeral of Bennie Lackey, the little son of Mr. and Mrs. Samuel Lackey, last Friday morning. Rev. F. Eley, the family pastor, held a short service in the stricken home at 9.30 a.m. This over, the remains of the child were conveyed to the C.P.R. station and from there by train to Markdale, where the interment took place shortly after the arrival of the train. Masters Gordon Lewis, Walter Robinson, James Marshall and Harry Acheson officiated as pallbearers. A large number of beautiful floral tributes bore impressive testimony to the sorrow and sympathy of the friends of the bereaved parents. Conspicuous among these was a basket from the Superintendent and the other officials of the Bruce Division of the C. P. R., a wreath from the C. P. R. Station staff, a wreath from the neighbors, a pillow from the brothers and sisters, pillow from the parents and sprays from Mr. and Mrs. James Ewing, Mr. and Mrs. John Thompson, Mr. and Mrs. Tansley, Mr. and Mrs. Salter, Francis and Jack Tye, James and Sam Lackey and Mrs. Gorman, of Grand Valley. Among the friends present from a distance were Mr. and Mrs. Thos. Walker, Mrs. Ralph Iredale, Mr. Tansley and Misses Lizzie and Abbie Lackey, Toronto, Mrs. John Thompson and Mr. W. J. Lackey, Owen Sound, and Mr. and Mrs. Thos. Lackey, Shelburne.

Shelburne will hold a two-day Reunion and Shelburne District Old Boys' Reunion on Monday, June 30th, and Tuesday, July 1st.

Fergus enthusiasts have organized a baseball team and will try to form a league composed of Elora, Arthur, Grand Valley, Hillsburg, Belwood and Fergus.

Mr. E. Simons and family, of Erin Talk, moved to town last week, and take up their residence in the house they bought on First St., which Mr. Simons bought from Mr. Roscoe Hill a couple of months ago.

Mr. Thos. Mara, a former Orangeville man and an ex-Mayor of Brampton, has been given the appointment of License Inspector for the County of Peel. There were five applicants for the position.

Mr. F. E. Walker, who has been manager of the Erin branch of the Union Bank for the past six years, has been transferred to Hagersville, where he assumes the management of the Union Bank in that town. Mr. Oscar Stuckey, of Caledon, has been obliged to give up his position in the Bank of Hamilton staff on account of ill-health. Mr. Willie Allan, a nephew of Mr. and Mrs. Geo. Allen, Jr., has taken Mr. Stuckey's place with the Bank.

—Mr. Geo. Bidwell has rented the Laurel blacksmith shop, Frank Gray's old stand, to Mr. Geo. Hornett, of Shelburne.

LET'S GO!

To the Members, Present and Prospective OF Caledon Agricultural Society

Last year a number of changes were made in connection with our prize list, some of them being quite radical. Some were heartily approved while others were considered unsatisfactory.

Now we believe that if the rural fall fair is to serve the best interests of the community, there must be a greater co-operation of the members and exhibitors with the board of directors.

Therefore we are asking you, who contribute largely to the success of the fair, for suggestions as to its improvement. Or if you have a "kick" not yet delivered, let us have it so that we may remedy the matter.

Kindly let us have your ideas in time for the next meeting, May the 31st.

CALEDON AGRICULTURAL SOCIETY,

E. E. WILSON, Pres. W. J. ATKINSON, Sec., Caledon P. O.

Mrs. Kearns and her guest were members of the same class in Detroit a few years ago. Miss Crane went overseas with the Shirley Unit of Nurses from Detroit.

Gunner Harry Halbert, son of Mr. Jas. Halbert, of Filmore, Sask., formerly of Orangeville, was the guest of Mr. W. E. Irvine and other friends in town over Sunday. Gunner Halbert and his brother, Irwin, have just returned from overseas with the famous Third Division. Their sister, Gladys, who has been overseas, is also expected home shortly and will probably spend a few days in town before going West.

Mr. Ross McGuire, linotype operator in The Banner office for the last eighteen months, gave up his position last week to go to Thamesville, where he has purchased and taken over the Thamesville Herald. Mr. McGuire was an excellent workman and The Banner is sorry indeed to lose his services. We wish him every success in his new venture. Mr. McGuire purchased the Herald from Mr. W. R. Davies, who has bought the Renfrew Mercury from Mr. W. E. Smallfield.

Could Have Saved Thousands of dollars

Brown Sorry He Didn't Know About Tanlac Sooner—Gains 17 lbs.

"If I had had Tanlac five years ago I could have saved not only a world of suffering but more than a thousand dollars besides," said W. F. Brown, of 132 Yorkville Ave., Toronto, Ontario, Canada, recently.

"I had a terrible case of stomach trouble," he continued, "and would bloat up with gas something awful. I would suffer with agonizing pains in my stomach and was never free from headaches. For nine months I was on a light diet, and became so weak that I could hardly dress myself, I lost weight until I was little more than skin and bones and was so nervous I could hardly sleep. I took every kind of treatment and spent several months in hospitals, but only got worse and was so bad off that I was given up to die.

"One day my brother-in-law suggested that I try Tanlac, and I did so, and I am feeling a thousand times better. I have already gained seventeen pounds, my appetite is fine, the gas and those awful pains have disappeared and I can eat most anything without suffering afterwards."

Tanlac is sold in Orangeville by C. V. Jeffers; in Grand Valley by G. E. Morrow, and in Shelburne by J. E. A. White.

GAY'S PATENT

DOUBLE TREAD DOUBLE STRENGTH TIRE SYSTEM

Will give—and has given—entire satisfaction. By this system of doubling up your half-worn or rim-cut tires we give you a sand, water, and friction proof tire, yes and 90 per cent. puncture proof. Our tires have now stood the test for five years over some of the worst roads in Ontario.

Remember we do not sew them. There are no stitches to rip; we do not bolt them and leave open spaces for sand and water to enter. Sand and water between the two casings causes friction. Friction is the great enemy not only of the tubes, but it destroys the fabric which is the strength and foundation of every tire.

Our tires are as cool in the hottest day in summer as any tire you ever had on your car. By our system we thoroughly vulcanize the two casings together and in no case do we double them until all breaks in the fabric and rubber have been repaired. Next we hand rivet our patent sectional plates, which you will see by above cut, take care of every inch of the edge of the outer casing. Next we vulcanize a three ply reliner in every tire, making it as smooth for the tube as any new tire. By our System we are putting to work again, hundred of tires that formerly were thrown on the scrap pile.

Scores of men have written us, from different parts of Ontario about the great mileage they have had, and no puncture.

What did it cost them? For example, take two 30 x 3½ Tires, one is rim cut but still has a fair amount of rubber tread, the other has a good rim and fabric, but the tread is worn off. We take these two, and make one out of them and send back a complete tire ready for the car for $6.50, express charges would amount to about say $1.00 in all $7.50. Some write they have had 5-7-10-12 and some as high as 15 thousand miles, and that from tires theycould not use any more. If interested write us and we will send you our price list covering other sizes.

Now as to why our tires are almost 100 per cent puncture proof, take a 30 x 3½ tire, it has four layers of fabric. We double them, it now has eight, then we reline it with a three-ply reliner, it now has eleven layers of fabric all thoroughly vulcanized together. You can readily see tacks and small nails have no chance.

A fair trial is all we ask. Use a good tube and do not allow air pressure to go below 50 lbs. and you will get the best of results.

When sending us tires prepay express charges.

ORANGEVILLE'S GAIN

Mr. J. C. Kentner, who opened a music store in Orangeville last autumn, is, we are glad to learn, doing a prosperous business. Late in March he also moved his fine photographing outfit and has it now in full operation. Miss Foy, his capable and popular artist is with him. She was home to Markdale for Easter and gives favorable reports of the Orangeville business. Mr. Kentner was a popular and successful citizen and business man in Markdale for many years and we regret to lose him, but our loss is Orangeville's gain.—Markdale Standard.

HYDRO LAMPS SPEED PRODUCTION

IF factory production falls below normal when the sun goes down and the lights go on, the fault most likely is with the lighting system. You may give your working people enough light but it may not be the right quality.

HYDRO Lamps are comfortable for workers' eyes. They contribute towards better working conditions.

HYDRO Gas Filled Lamps not only give a great volume of light, but their rays are of a quality that prolongs the day artificially—from sunset to sunrise if you wish.

In spite of their greater brilliancy and better quality of light, Hydro Gas Filled Lamps consume but little current. Long life and freedom from mechanical defects are assured by the Hydro-Electric Power Commission of Ontario through tests made in the Commission's laboratories.

Owner, manager, superintendent of factory or any person responsible for production is urged to investigate the merits of HYDRO Gas Filled Lamps. Arrange with the Hydro Shop for a convincing demonstration at our expense.

CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia Corrected by "Fruit-a-tives"

ST. MARTIN'S, N.B.

"For two years, I suffered tortures from *Severe Dyspepsia*. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.

I tried doctors, but they did not help me. But as soon as I started taking '*Fruit-a-tives*', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

KNITTING MILL BUSY.

The Dods Knitting Mill is still running at full capacity notwithstanding the effect which the armistice and the resultant cessation of active military operations has had on war orders. The Mill has been busy for some weeks on an order for Roumania and was successful this week in securing a good-slice of further orders for goods for Roumania and Italy. The home market is also picking up and prospects are good for a brisk business in Canada as soon as the reconstruction era that must necessarily follow the war is a little further advanced. At the present time the management is busy transferring the knitting department from the main part of the mill to the large addition, which the company erected last summer. An expert has been at work for the last week erecting knitting machines in the addition. The entire knitting department will be transferred to the addition and the space vacated in the main mill will be used altogether for finishing goods. As soon as the necessary changes are completed the management plans to take on about 25 girls in the finishing room, thereby bringing the number of operatives employed up to 90 or 100. The company is also installing machinery for the purpose of softening the water used in finishing the woollens. The water supplied by the town is too hard to give a satisfactory finish to the goods. By softening the water the company will be able to give its wares a more satisfactory finish and make them more acceptable to the trade.

ROSEMONT RETURNED SOLDIERS BANQUETTED

An enjoyable event took place in Rosemont one evening recently when the returned soldiers of the community were banquetted by the Rosemont Club. Four returned men were present, namely, Lieut. Silas McKelvey, Pte. Cecil Bailey, Pte. Dalton Barber and Pte. Robert McKelvey. Almost fifty guests sat down to a sumptuous repast most daintily arranged by the young ladies in Hanna's hall. After doing justice to the good things a toast list and program were enjoyed by all present. Rev. G. W. Lynd filled the position of toast master. A number of toasts were honored in bright speeches. Readings, solos and duets completed a most enjoyable program. Before dispersing for the evening the gathering sang "Onward Christian Soldiers" and "God Save Our Splendid Men."

INSURANCE CO. WINS.

At the Dufferin County Court and General Sessions of the Peace last December, the Dufferin Farmers' Mutual Insurance Company sued Edward Greer, of Stanton, for the recovery of $75 insurance which the plaintiffs had paid the defendant for the loss of a heifer, which the defendant claimed had been killed by lightning, but which the plaintiffs averred had died from other causes. Plaintiffs were successful in their action, but defendant appealed the case on the ground that there was no evidence of fraud, whereas the plaintiffs' case was based on fraud. The appeal was heard at Osgoode Hall on Monday of last week. After hearing argument of counsel, the Appeal Court sustained the finding of the trial court and dismissed the appeal with costs.

DIED FROM INJURIES.

Ernest Cole, a Hockley young man, who was severely kicked by a young horse a little over two weeks ago, died from the effects of his injuries on Thursday morning, April 10th. Deceased was operated on by Dr. Sperrman, of Beeton, on Wednesday before his death in the hope of saving his life, but unfortunately the operation did not accomplish what was so earnestly hoped for. The young man, who was only 16 years of age, was a son of Mrs. Robert Cole, of Adjala. He is survived by his mother, five brothers and one sister, all living at home except the oldest brother, Robert, who is in Fergus. The funeral was held to St. John's church cemetery, 7th line, Mono, on Friday afternoon, April 11th and was largely attended. Rev. A. C. McCollum, rector of Mono East parish, conducted the services. The pallbearers were four brothers: Milford, Roy, Norman and Robert Cole, and two cousins, Angus and Lawrence Cole. Profound sympathy is extended to the bereaved mother and family.

"Congratulations, My Daughter, You Are Looking Fine"

"AND why shouldn't I look well after using Dr. Chase's Nerve Food?"

"Is that what has made such a change in your appearance? You were so pale and thin, I was rather anxious about your health."

"Why, I have gained fifteen pounds, and I feel so well, too."

"And you have such a good, healthy color. Your blood must be rich and red."

"I knew you were suspicious of anything that our doctor did not prescribe, so I said nothing about it to you."

"Well, I will not have any doubts about Dr. Chase's Nerve Food in the future after what a healthy looking girl it has made of you."

"Yes, and I feel so differently, too. I was so nervous and irritable that I was very easily annoyed and upset. Then I would have those fearful nervous headaches. But, thank goodness, that is all over, and I know what to give credit to for the change."

"I am very glad you are so well again and think Dr. Chase's Nerve Food a very valuable medicine, since it has done you so much good."

Miss Gertrude M. Burrell, Clementsport, N.S., writes:

"I have used Dr. Chase's Nerve Food with splendid results. For a number of years I was afflicted with nervousness, and six years ago had a complete breakdown. I had no control of my nerves and had terrible hysterical spells. I could not sleep, had night sweats, awful dreams and nightmare. My physician gave me medicine to put me to sleep every night, and another kind to take every two hours during the day, but it did not seem to do me any good only while I was taking it. I never really expected to get well. Reading about Dr. Chase's Nerve Food one day, I gave it a trial, and the results from the first box encouraged me, so I continued its use, and found my nerves getting steady and stronger. My appetite improved and I gained in strength, ambition and flesh. Now I am able to do considerable work, and can highly recommend Dr. Chase's Nerve Food as a good tonic for the whole system."

(Alonzo W. Daniels, J.P., says: "It gives me great satisfaction to vouch for the testimony of this young lady and the benefit she has received from your wonderful discovery.")

Dr. Chase's Nerve Food, 50 cents a box, 6 for $2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. On every box of the genuine you will find the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

A BRILLIANT MUSICIAN.

We take the liberty of re-printing from the Toronto Conservatory of Music Quarterly Review the following interesting reference:

"Miss Eva L. Goodman, L. T. C. M., graduate of the Conservatory in organ playing and one of the youngest members of the piano and organ faculties of the Conservatory was recently appointed to the important position of organist of Trinity Methodist Church, Toronto, and was further honored through being chosen as accompanist of the Toronto Mendelssohn Choir, a position always making severe demands on the musicianship and resourcefulness of the one selected for this difficult work. In the Mendelssohn Choir Miss Goodman succeeds a brilliant group of musicians, all former pupils of the Conservatory, namely, Mr. W. H. Hewlett, Mus. Bac. (now of Hamilton); Mrs. W. J. A. Carnahan (nee Jessie Perry); and Mrs. William Kent (nee Miss Ada J. F. Twohy). It is gratifying to learn that Miss Goodman is maintaining the best traditions of her new post."

Miss Goodman is the daughter of Mr. W. P. Goodman, a former Orangeville High School student, and granddaughter of the late Rev. John Goodman, a resident of Orangeville for many years. A younger sister, Miss Jennie L. Goodman, is soprano soloist at Woodgreen Methodist Tabernacle, Toronto. They gave a joint recital at the Conservatory on Thursday evening of this week to a large and appreciative audience.

REUNION AT TEESWATER.

Teeswater is holding an Old Boys' Reunion August 3, 4, 5 and 6; four days to renew old friendships under delightful circumstances and surroundings. A mass open-air religious service will be held on the Sunday afternoon and there will be a continuous entertainment by a Chatauqua series of concerts, horse races on Monday and Wednesday afternoons and sports for all and free to all on Tuesday. Prominent statesmen are expected to unveil the war memorial. There sure is a welcome for everybody

Essence of Exchanges and News Notes Gathered from the Surrounding Counties

St. Jude's Anglican Church, Oakville, voted $1000 for a Victory Bond, and increased the minister's salary to $2000 at the Easter Monday vestry meeting.

The Imperial Bank of Canada has opened a sub-branch at Waldemar on shipping days. This branch will be in connection with the Grand Valley office of this bank.

Rev. Matthew Kelly, of Fergus, has accepted a call to the pastorate of the First Congregational Church, of London, and will take up the work on the first Sunday in June.

Pte. Herbert McDougall, of East Luther, arrived home last week. He was through all the fighting with the other boys and in September last received a slight wound in the hand.

The funeral took place to Tullamore Cemetery, near Brampton, recently of Jno. Ellis, the oldest Mason in Peel County, who was admitted to the Order at Grahamsville, in 1855.

A liberal purse of money and a hearty reception were given Corp. George McCauley, D.C.M. recently returned from overseas at the home of his brother-in-law, H. C. Hamilton, at Mayburne Corner, near Dundalk.

Some time between Monday night and Tuesday morning of last week burglars entered the Brookes and Kelley dry goods store in Owen Sound and got away with a fair amount of cash and some goods.

Postmaster H. Fred. Boehmer, of Kitchener, who retired from the position on May 1st, was presented with an address and a valuable Masonic signet ring by the clerks and letter carriers of the post office staff.

The call extended from the joint Baptist congregations of Paisley and Williscroft to Rev. Mr. Packham of Listowel has been accepted. Mr. Packham began his new pastorate the first Sunday in May.

Manus O'Donnell, of Mount Forest, was tried before His Honor Judge Hayes of Guelph on a charge of having committed a serious offense against several small boys. The case was of short duration, and at the close the prisoner was acquitted.

The harness shop of Mr. John Anderson in Palmerston was burglarized in the early hours on Monday morning, April 7th., and his cash box with about $20 in silver and $2000 in notes were taken. An entrance was effected by breaking a glass pane in the back door.

LAUGH AND GROW FAT.

"Laugh and grow fat," is an old saying laden with value for nervous people in particular. Drop the worry habit and use Dr. Chase's Nerve Food and you will soon get the nervous system restored to good condition. Digestion will improve, appetite will return, and you will find such symptoms as headache and sleeplessness fast disappearing.

Miss Agnes M. Allen, daughter of the late John S. Allen, treasurer of Melancthon township ,and Mrs. Allen of Redickville, was married at Lamoni, Iowa, on Apr. 14th, to Elder W. A. Smith, pastor of the Latter Day Saints church at Independence, Missouri.

Mr. Robt. Densmore, of Grand Valley, is spending a few weeks at Islington to be in close touch with his son, Pte. Albert Densmore, who arrived from overseas a short time ago. The young fellow after enduring about three years of prison life in Germany was taken down with typhoid fever the day he was to leave Toronto for Grand Valley.

One of the oldest residents of Peel County died at his residence, Port Credit, recently in the person of Captain Daniel M. Sharpe, who was born at the Port 89 years ago. Captain Sharpe had spent all his life at the Port, seeing it grow from the clearing on the edge of Lake Ontario, a place of call for Indians, to its present status as a police village, amid modern up-to-date surroundings.

His Worship Mayor Gross, of Kitchener, has been served with a writ issued by Chester M. McConkey, of Parry Sound, against the City of Kitchener, claiming $6,750, being the balance due on three thousand cords of wood purchased for the residents of Kitchener last year. The sum of about $15,000 has already been paid and the contractor is seeking payment of the balance on account.

Mr. Wm. Lomas ,of Amaranth, had a very narrow escape recently while driving to Shelburne with his daughter. When opposite Reid's bush, west of town, something about the harness broke, the horse bolted for the ditch, the buggy shafts came down, stuck in the ground and broke and Mr. and Miss Lomas were thrown out, the former with such force that his head was driven between two rails and when Miss Lomas pulled him free he was unconscious.

Mr. Geo. Weatherson, who runs the Guelph Motor Bus Line, met with an unexpected experience the other morning. He was cranking up the motor, his little boy sitting up on the front seat. The motor did not start and he went around behind to give it a push and thus let it coast down the grade as a means of starting the motor; it started quickly before he could climb in and went off alone down the street at full speed, headed for the creek. However it swerved and struck the corner of Mr. Sugarman's building, knocking a large stone out of the wall and stalling the engine.

"JUST WHAT I NEEDED," SAYS J. A. McKEITH

Has Improved Wonderfully Ever Since He Began Taking Tanlac.

"Tanlac proved to be just what I had been needing for the past five years," said Jas. A. McKeith, of 1889 Davenport Road, Weston, near Toronto, Ont.

"Everything I would eat," he continued, "seemed to lodge right in the pit of my stomach and I suffered terribly with indigestion and I felt bloated with gas for three or four hours after every meal. I would just drag myself off to work without eating a bite of breakfast and tried all sorts of medicines without getting any better.

"I have been improving ever since I began taking Tanlac. The Indigestion has about left me, and I can eat with more satisfaction than I could before in a long time. Indigestion and gas on my stomach don't bother me now at all and from the way Tanlac has fixed me up I am glad to recommend it."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

It is a fact not generally known that out of 20 rural teachers employed in the township of Chinguacousy 10 left the schools in which they had taught. The reason that fifty per cent. of these school sections had to suffer from a change of teachers may be given as: unsatisfactory teachers, low salaries, and the lure of better positions.

A very pretty wedding was solemnized in McDonald Baptist Church, Edmonton, Alta., Wednesday, April 9th, at 7.30 p.m., between Clarence W. Ostrander, brother of Mr. George Ostrander of Brampton, and late of the 202nd Battalion, and Miss Gladys Quick, eldest daughter of Mr. and Mrs. H. H. Quick.

"JUST WHAT I NEEDED," SAYS J. A. McKEITH

Has Improved Wonderfully Ever Since He Began Taking Tanlac.

"Tanlac proved to be just what I had been needing for the past five years," said Jas. A. McKeith, of 1889 Davenport Road, Weston, near Toronto, Ont.

"Everything I would eat," he continued, "seemed to lodge right in the pit of my stomach and I suffered terribly with indigestion and I felt bloated with gas for three or four hours after every meal. I would just drag myself off to work without eating a bite of breakfast and tried all sorts of medicines without getting any better.

"I have been improving ever since I began taking Tanlac. The Indigestion has about left me, and I can eat with more satisfaction than I could before in a long time. Indigestion and gas on my stomach don't bother me now at all and from the way Tanlac has fixed me up I am glad to recommend it."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

It is a fact not generally known that out of 20 rural teachers employed in the township of Chinguacousy 10 left the schools in which they had taught. The reason that fifty per cent. of these school sections had to suffer from a change of teachers may be given as: unsatisfactory teachers, low salaries, and the lure of better positions.

ORANGEVILLE, MAY 8, 1919.

EDITORIAL NOTES.

Statistics recently issued by the Ontario Bureau of Municipal Affairs show that in 1918 the Province of Ontario had a population of 2,578,177, an increase of 17,724 over the previous year. But when the figures in detail are examined it is found that the cities received an increase greater than the general increase, and that the decrease in townships for the same period is 8,436, and in towns and villages it is 3,124. About the same ratio of decrease is shown for the previous year. The tendency of population is entirely toward the urban community, and is anything but satisfactory.

In the retirement from Ontario journalism of W. E. Smallfield, of the Renfrew Mercury, the craft loses one of its ablest and most popular newspaper men. Frank, straightforward, uprightly and always supporting the highest moral principles in his community, Mr. Smallfield has wielded a wide influence and been held in highest esteem. The Mercury, which was established by his father over half a century ago, is an outstanding weekly journal and has enjoyed a career of unqualified success.

Grain men state that according to advices from practically every section of Canada and the United States there will be a very large acreage sown to grain this year. With favorable weather conditions, they expect to see larger supplies available after the harvest than in previous falls. In the Canadian West, it is said, thousands of new farms are being opened up. American settlers are coming across the border in large numbers. The returned soldiers are also taking up considerable land in the three Prairie provinces.

The Municipal Committee of the Legislature strongly opposed the bill providing that a petition of two-thirds of the retailers in a municipality should require the Council to pass a by-law closing stores on Saturday afternoons during July and August. Such arbitrary action respecting Saturday afternoons would be very unfair to a large section of the community. Saturday is the farmers' chief shopping day and they would naturally feel keenly the closing of the stores that afternoon. A bill requiring closing at ten o'clock on Saturday nights would inconvenience very few people, and it would be a boon to shopkeepers, their employees and their families.

DUFFERIN POST PASSES

The Dufferin Post, one of Orangeville's three weeklies, will cease publication with this week's issue. The goodwill and business have been purchased by The Banner and The Sun and Mr. V. A. Statia, who has guided the destinies of The Post for the last ten years, will remove his printing plant from town and may possibly set up in business again in Oshawa. Mr. Statia was a good citizen and a mighty decent business competitor, but the local field was not large enough to support three newspapers. Local publishers have long since recognized this and it was therefore only a matter of getting together and coming to some agreement that would eliminate one of the three papers. It goes without saying that the change is a good thing for the publishers themselves. We are convinced that it is also a good thing for local merchants and for the town of Orangeville. Two newspapers can serve all local and community interests and if they are bettered financially by the change the strength they gain will place them in a position to serve the whole community more efficiently than they could possibly expect to do with a third paper in the field.

The Orangeville Gazette, the predecessor of the Post, was founded by the late James Allen, a brother of Mr. Richard Allen, some forty six years ago. It subsequently passed into the hands of Mr. J. B. Cuttell, Allen's foreman. The late W. T. Bailey was associated with Mr. Cuttell for a time in the capacity of Editor. About 1886 Cuttell sold out to Seneca G. Ketchum and Blaney McGuire, now senior member of the firm publishing The Banner. The new proprietors changed the name of the paper to The Dufferin Post. Fourteen months later Ketchum & McGuire sold The Post to the late D. J. Mungovan, in his time one of the really picturesque figures in Ontario journalism. A little later Mungovan disposed of the paper to Seneca G. Ketchum, but three months afterwards bought it back again and continued to occupy the dual role of proprietor and editor until his death about twelve years ago. Mr. E. J. Darraugh, foreman under Mungovan, ran the paper for a little over a year, when Mrs. Mungovan sold the plant and business to Mr. Statia, who is this week writing "finis" to the last chapter in its half century history.

APPOINTED ROADMASTER

Thos. Lackey, late section foreman from Shelburne to Fraxa Junction, has been appointed Road Master on the C.P.R. main line to the West, from Toronto to Mactier, Muskoka, a run of 128 miles. Mr. Lackey will have his headquarters at Woodbridge and may move there shortly. Roadmaster Lackey has been a faithful employe of the C.P.R. for the past twenty years and his promotion is well merited. Wilson Ringrose of Fraxa Junction succeeds Mr. Lackey on the section south of Shelburne.

RECEIVES CALL

Rev. H. M. Lyon, Recently of Camilla, Called to Pastorate In Cranbrook, B.C.

At a largely attended congregational meeting held in Knox church last night the Presbyterians decided to call Rev. H. M. Lyon to be their pastor. The call was unanimous. Rev. D. T. McClintock, of Nelson, moderated. Rev. H. M. Lyon's energy, tact and manliness, coupled with his modern methods of carrying on the work of the church and his power as a pulpit orator, have already resulted in a marked improvement in the church attendance.—Cranbrook, B.C., Herald, April 17th.

MILITARY NOTES

Sergt. N. Hutchinson, Pte. M. J. Martin and Pte. Wm. Proctor, three Caledon East soldiers, arrived home last week. The village was decked out in gala attire with flags and other decorations in honor of their homecoming. Pte. Russell Stewart, another Caledon East boy, who arrived about the same time, was met at Mono Road station and escorted home by a number of autos all flying British flags.

Pte. Austin Walker, son of Mr. J. Walker, 8th line, Amaranth, arrived home unexpectedly the other morning, having returned to Canada on the Olympic. He was overseas about eight months and went to France with a reinforcement for the 4th Battalion shortly before the armistice was signed. He was with the battalion in its march through northeastern France, Belgium and for sixty miles into Germany.

Pte. W. J. M. Hall, of Jessopville, a 164th Batt. man, returned to Canada on the hospital ship, Araguay, and was in Shelburne a week ago Monday on his way to his home. Pte. Hall was transferred to a machine gun unit after he went to England. He lost his left arm, which was blown off by shrapnel and one of his knees was severely injured. He will return to hospital after spending a short leave at his home.

The local friends of Billy Blythe, the popular Belwood baseball player, will be pleased to learn that he is back in Canada. Billy arrived on the hospital ship Araguaya a short time ago. It was currently reported that he had lost a leg, but this fortunately is untrue. The limb, which was badly injured, is still giving him a great deal of trouble but the doctors have every hope of being able to save it. One side of his face is still pretty black from the sand and gravel pounded into it, but otherwise he is quite bright and optimistic.

Soldier and French Bride

Pte. Jack Howard, a brother of Mrs. Frank Crowe, Zina St., arrived in town a few days ago with a charming French bride, who has come all the way to Canada to share the joys and vicissitudes of life with her soldier husband. Howard came home about a month ago, got his discharge and forthwith returned to Paris to bring his wife to Canada. The happy couple are staying with Mr. and Mrs. Crowe and other friends here for a short time before setting out for their future home in the West. Mrs. Howard is described as very dainty and attractive in appearance. She is bright and vivacious, but speaks English very indifferently as yet. This handicap, however, does not prevent her from enjoying life in Canada in which she is keenly interested.

—Pte. E. J. Hoptrough, of Laurel, who went overseas with the 164th Battalion, reached Quebec on the Empress of Britain on Sunday.

SIR EDMUND OSLER
President of the Dominion Bank, at Toronto.

SIR EDMUND OSLER ENDORSES THE WAR SAVINGS CAMPAIGN

President of Dominion Bank says That Saving En Masse Spells Prosperity for the Country.

Sir Edmund Osler, M.P., is one of the highest authorities on Canadian finance and industrial conditions generally. His endorsation of the War Savings Plan and call to the public to support it is, for this reason, of much importance. In a recent statement he says:—

"It is of the greatest importance that everyone shall come forward and support the Finance Department in raising money for the country's expansion, and to offset the cost of the war. The country's need is greater, or will be in the near future, than it has ever been. It will be a very serious blow to Canada's industries if the public think that the need for supporting the Government's financial measures was over with the finish of the war.

"Saving en masse spells a prosperous community, and to a large extent will do away with the restless conditions prevalent to-day.

"The War Savings campaign and the Penny Bank System are enabling the children to start off easily in life, and cultivate the Saving and Thrift habit, and, if given the attention it deserves, will be one of the greatest forerunners of Canada's future prosperity.

"Executives and employers will greatly benefit their employees and the country if they will put in concrete form, plans which will enable all in their charge to become savers and investors in Government securities, as well as encouraging them by giving them their wide range of vision on such subjects.

"The retail merchants must realize that this matter is of enormous importance and do everything in their power to make the purchase of War Savings Stamps and Government bonds easier for the general public."

THE SPRING ASSIZES

Orangeville Spring Assizes were held in the Court House here on Monday before His Lordship, Sir Glenholme Falconbridge, Chief Justice of the King's Bench. There was neither criminal or civil litigation before the Court and the only business to occupy the attention of the Judge was an application for naturalization papers for Albert Lyons, a farmer living near Riverview in Melancthon township. Lyons is a native born citizen of the United States, Galesburg, Ill., having the honor of being his birthplace. He came to Ontario in 1905 and has lived in Melancthon for some years. The Court approved of the application which will be finally dealt with at Ottawa.

SCOTTISH GEM

THE PURE-BRED IMPORTED CLYDESDALE STALLION

This celebrated Stallion has been purchased by Mr. John Suggitt, of Orangeville, and will make the present season in Orangeville and neighborhood.

Scottish Gem, Imp. 12560, 16260; Brown; face, nigh, fore and hind legs white, foaled June 1909; bred by Col. Blackburn, Killearn, Stirlingshire, Scotland; imported in August 1911 by Crawford & McLachlan, Thedford, Ontario.

Sire—Scotland's Choice (12398) 13732 by Revelanta, 6633, 11876, dam of sire, Polly of Pittentian, 13466, 13520.

Dam—Jenny of Killearn, 23448, by Flashwood Prince, 4844, 10752. Dam of dam, Nellie of Killearn, 12853, 17373.

Scottish Gem was successfully shown as a yearling in 191[illegible] under the Strathendrick Agricultural Society. 1st in his class and winner of the Clydesdale Horse Society medal, Buchlyvie and Gartmore [illegible]. 2nd in a very strong class at [illegible]earn, 1st in his class and first reserve for championship in Clydesdale section Loch Lomond Unio[illegible]. In 1911 at Strathendrick he was placed next to Wooded Fa[illegible], but was on that occasion a clear winner in the opinion of many expert judges. He also won first place in a class of seventeen. In 1912 he won 2nd in a class of fifteen and 1st from all horses from Lambton, one of them being the horse that was 2nd in 1911. He was 2nd in Mitchell in 1916.

Scottish Gem has in his veins the blood of the finest breeding horses right back to the First Volume of the Stud Book. He possesses royal breeding and individual merit, is a superbly put together horse, with beautiful bone, fine silky hair and good feet and ankles. He has good action and a fine even temper so valuable in a sire. He stood for three seasons in one barn and has amply proved his superior qualities as a sire and a sure foal getter. Farmers having good breeding mares will get a superior class of stock by breeding to Scottish Gem.

Owners of mares who wish to keep a record of his breeding are asked to preserve this as the owner is not putting out bills. Full route, terms, etc. announced later.

Does a Farmer Need a Truck?

THE farmer with a Ford Truck practically lives next door to the market.

He has a choice of markets.

He becomes more independent.

He can market his goods when and where he pleases.

He sells his crop to the very best advantage.

And his hauling costs him *less*—in labor and money.

It is not only cheaper to haul with a Ford Truck than with a team and wagon, it is quicker, it is easier work.

Consider the time and labor the farmer can save with a Ford Truck. With a team the trip to town takes the better part of a day.

A Ford Truck makes the same trip in two or three hours.

When labor is so scarce what farmer can afford to waste day after day of his valuable time?

Ford Trucks Complete with Body and Enclosed Cab

Ford One-Ton Trucks are now supplied, if desired, with standard truck bodies in two types, the Stake Body and the Express Body.

In both standard bodies the cabs may be supplied with or without doors as desired.

See these complete Ford Trucks. Consider the matter from every angle: the cost of feeding horses against the cost of running a Ford Truck; the time you lose on the road; the money you lose by being so far from the best markets. There is only one conclusion you can come to. You will have a Ford Truck.

Anderson-Steele: That this Council confirm the agreement entered into with the Caledon Council in 1917, whereby each Council gave a grant of $100.00 to gravel the roadway on the 8th line through the village of Cheltenham East, and that this Council give $50.00 additional to complete the work.—Carried.

Representatives from the Town of Orangeville, Twp. of Mono and Twp. of Adjala attended the meeting of the Albion Council held here at Mono Mills and formed into a joint meeting and brought in the following resolution: Moved by T. H. Moffatt, reeve of Mono, seconded by Anson McCabe, reeve of Albion, That we, the representatives of the several municipalities from the Counties of Peel, Simcoe and Dufferin do hereby request that the said Counties of Peel, Simcoe, and Dufferin pass joint By-laws designating the road commencing at the village of Mono Mills which is the termination of the County road between Peel and Dufferin and running easterly between the Townships of Albion in the County of Peel on the south side of the Township of Mono in the County of Dufferin and the Township of Adjala in the County of Simcoe on the north side as far east as the place known as Ballycroy which is the termination of the County road between the Counties of Peel and Simcoe thus connecting the County road leading from the Provincial road, Toronto to Owen Sound, at Orangeville. We believe this to be in the best interests of the several ratepayers in the district through which this road runs. Signed on behalf of the several municipalities here represented,—Anson McCabe, Reeve of Albion; Jack Anderson, Dep. Reeve of Albion; Thos. H. Moffatt, Reeve of Mono; James Sheehan, Reeve of Adjala; Geo. Patterson, Councillor of Adjala; Geo. D. Lewis, Mayor of Orangeville; C. V. Jeffers, Reeve of Orangeville.

Taylor-Doherty: That the Clerk be instructed to send a copy of this resolution to the Clerks of the Counties of Peel, Simcoe and Dufferin.—Carried.

Steele-Taylor: That this Council do now adjourn to meet at Palgrave, on Saturday, June 7th at 10 o'clock, a.m. as Court of Revision.

ANSON McCABE, Reeve.
W. A. IRWIN, Clerk.

WOULD NOT BAR SOLDIER

It will be remembered that when Mr. E. H. Glenn resigned his position as Principal of the School he was given to understand his old position would be available on his return. A few weeks ago information came he was willing to resume his former duties, if agreeable to the Board. Miss McIntyre, the efficient principal for the last year, on hearing of Mr. Glenn's possible early return, intimated she would not for a moment stand in the way of a man who had done his duty so nobly as had Mr. Glenn. Her generous and sincere attitude to the Board in a rather difficult and delicate situation is greatly appreciated. It also is to the credit of the Board that they did not forget the promise made to Mr. Glenn, who will be warmly welcomed back to town and to his former position.—Star and Vidette.

Miss McIntyre, whose fine attitude in the matter has won golden opinions from the people of Grand Valley, is a former Orangeville girl.

Tired, Overworked Mothers What You Need is Vinol

War conditions have made the demand upon a mother's time and energy unlimited. In their zeal to do all in their power for their loved ones, they continually overwork and are soon in a nervous, run-down condition. Vinol, the non-secret cod liver and iron tonic, will build you up and make you strong.

HERE IS PROOF

Whitman, Mass.

"I suffered from a nervous, run-down condition and loss of strength so it was hard for me to get around and do my work. After other medicines had failed to help me Vinol restored my health and strength and I heartily recommend it to anyone suffering from a nervous, run-down condition."—Mrs. R. M. Little.

Cleveland, Ohio.

"I keep house for my husband and myself and got into a weak, run-down condition, no strength, languid and no ambition. After doctoring for awhile and getting no better I tried Vinol and to my surprise it built me up and strengthened my whole system. It is certainly a good tonic."—Mrs. Wm. D. Dawson.

CALEDON.

The heavy rains of the past week have greatly delayed seeding operations, but the grass looks the better of the ducking.

The Cheltenham Dramatic Club have been engaged by the Methodist Church to present their humorous melodrama in the Town Hall on Friday evening, May 23rd. Remember the date!

Mr. Frank Johnston has purchased a valuable brood mare from the Swift Canadian Co. of Toronto. She is a splendid specimen of the Percheron breed, is pure bred and registered in the books of the Percheron Association. She has been a prize winner at Toronto Exhibition for the past three years and was first in her Class at Brampton Fair last fall. This gray beauty tips the scales at the ton mark and cost 25c. per lb. Success Frank!

Mr. Wm. Moffatt spent the week-end in Toronto visiting his wife who has been a patient in the Western Hospital for the past three weeks, and is improving as well as can be expected.

The Misses Scarland, of Toronto, visited their parental home here on Sunday last.

Mr. W. J. Stubbs and Sons are doing a rushing business in the auto repair line. They have now the very latest tire repair plant west of Toronto and have the facilities for retreading and vulcanizing and making almost any old tire as good as new. They certainly have been busy lately getting 'The Lizzies' ready for the joy rides.

The Caledon U.F.O. branch unloaded a car of flour, bran and shorts in record time this week.

Rumor has it that Mr. Chester Glassford is about to become a land owner in this community and will locate on the Centre Road shortly.

MONO MILLS.

The Mono Mills Women's Institute will meet in the Orange Hall on Wednesday, May 21st. All the members are requested to attend as the annual election of officers will be held.

The sympathy of the community goes out to Mr. and Mrs. Thos. McCandless in the grievous loss they sustained last week through the death of their infant daughter, Ida Muriel, aged 7 months. The death of the little one is attributed to weakness and final collapse of the heart. The remains were laid at rest in the Union Cemetery at Caledon East on Thursday afternoon, Rev. A. Laycock conducting the services. The pallbearers were four little girls, Misses Edith Duke, Edith Arlow, and Jennie and Mary Young.

Robt. McCulloch, one of Connor's gallant soldier sons, who arrived home from the war recently, was given a big reception by the people of the neighborhood on Thursday night. The young soldier, who has been overseas since quite early in the war, was presented with an address of welcome and congratulation and a well-filled purse.

Roy Arlow, son of Mr. and Mrs. Robt. Arlow, arrived home from overseas a week ago Saturday. Welcome back, Roy!

AN ADJALA PRESENTATION

A very pleasant event took place at the home of Mr. and Mrs. Lee, of Adjala, on April 15th., when a number of friends and relatives gathered to welcome home Pte. Clinton Lee and present him with a purse of $70.

Rev. Mr. McCallum read the address and Mrs. Wm. Leggatt made the presentation.

To Pte. Clinton Lee.—We, the members of the Red Cross, and your friends of the community meet this evening to express our pride in you and our appreciation of you as one of our country's representatives at the world's greatest war. We remember you first as a small boy in our midst, then as a youth and later as a soldier who voluntarily answered his country's call. With anxiety we read your name in the list of "wounded" and now with pleasure at your recovery, we welcome you back home. We will always feel the deepest pride and sincerest interest in you. Words can only half express the gratitude due our boys, who by their unselfish services have risked so much for us. We, your friends, ask you to accept this purse as a token of our appreciation of you and may the world's greatest blessing be yours. Signed on behalf of the Connor Red Cross, Mrs. Wm. Guest, Mrs. Wm. Leggett, Mrs. Jas. Drummond, Mrs. D. McElwain, Mrs. D. Lee.

Rev. Mr. McCallum in a few well chosen words expressed the warm welcome that is such a pleasure to express these times as the boys return. After the presentation there was a short programme of music. Lunch was then served and the remainder of the evening was spent in dancing.

A BRAVE FRENCH BOY.

He Refused to Do Work for the Germans.

Roger Girard was 14 years old and a French orphan in August, 1914, but he was helping his country by working in a munition factory at Valenciennes, making shells for the French army, when the Germans entered this important industrial town. Roger, with his fellow-workers, was obliged to keep at his task for some time, but the shells were kept going to the German army.

He was later sent to Germany, where, together with 75 other Frenchmen, he was interned in a camp at Hamburg. In the camp were two huts where the Frenchmen slept, but there were no beds, the captives having to sleep on boards or straw.

After six months of comparative calm Roger was one day called out with many of his compatriots and asked if he would work in a German munition factory.

"No, I won't work for the Germans," was his reply. Together with five other captives he was placed against a wall and a firing squad was called out. With powerful alertness and presence of mind the lad ducked as the volley rang out. Shots penetrated his arm. Four of the other Frenchmen fell to the Germans' bullets, while the other received many wounds in his leg, which had to be amputated later. Roger was taken to the camp infirmary, where, he says, he received all the care and attention from the German nurses, but there his left arm had to be amputated.

His food in the infirmary left much to be desired. A few months after his return to the camp Rogers was again asked to work for the Germans. Again he refused. He tried to run away, when a sentry shot at him, wounding him in the right knee and right elbow. He returned to the infirmary, and was later placed in the camp, where he remained until his repatriation.

His food in the camp consisted of roasted acorns, macaroni water and black bread, except for the prisoners who worked on the neighboring farms, who received slightly better nourishment. No one was even allowed outside the camp.

The boy never once saw city life in Germany during war-time. He says Gen. von Hindenburg often visited the camp, and in a haughty way told the Frenchmen to have patience that the time was near at hand when Germany would win the war.

The Kaiser also visited the camp many times when he, with von Hindenburg, passed the captives in review.

The boy reached Paris recently after spending eight days in Switzerland, where he says the treatment of the Swiss people was excellent. He has now got a job as messenger in the American Red Cross in Paris, while this organization has promised to look after the lad, who now is nearly 18.

Treasures In Palestine.

All modern notions of habitation and sanitation are against piling more on the top of the ruins of Jerusalem. The only clean course would be to extend a new suburb, either one to three miles down the Valley of Ephraim to the southwest, where the railway now is, or to a better site two miles northwest in the fine valley running down from Ramah. Electric trains would place either site within a few minutes' access of the city. The present city had bad access and bad water. Its only claim is its historical and religious value to mankind. The best way to respect that value is reverently to place modern affairs on one side, in ground suited to present life.

We may hope that with careful research discoveries of supreme importance may be made. The documents of early Palestine were clay tablets, which can only be destroyed by crushing and which it pays no one to steal.

There seems no reason why hundreds of documents of the greatest historic interest should not be found. What was the history of the Amarna correspondence (on brick tablets of B. C. 1400)? Found by accident, some of it was bought by a dealer; he could not sell the tablets; they were sneered at as forgeries; at last the group was tumbled into a sack and jolted on donkey-back up to Thebes with great loss. It was two or three years before they reached the hands of those who could appreciate what survived.

It is not too much to expect that documents of David's or Solomon's reign or of the date of Joshua and the Judges may yet be found!

In Galilee there are the great synagogues of Capernaum and Chorazin, built of marbly limestone, finely carved with figures of animals and fruits. Are these—the very buildings, probably, in which Christ taught—to be left to the mercy of the next needy settler?

Panic In Berlin.

Discussing the recent disastrous fall in prices on the Berlin Stock Exchange the Munich Post says:

"The house of cards built up by speculators with mining, shipping and armament securities has collapsed like a blast of wind from the east. The great banks tried to stop the fall with large buying, but despite this effort all speculative securities were soon struck off the lists of quotation. All buyers had disappeared.

"The consequence of this disastrous day will not be seen until the public is in a position to realize the extent of its losses. Thousands of existences are menaced, for even the most modest savings had been entrusted to the demon of speculation."

The Future Cowboy.

There's a lack of realism in this western play." "Why so?" "A cowboy swaggers into a saloon and calls for ginger ale." "You haven't kept up with the march of events. Some of the hardest cases in cowboy circles are drinking ginger ale now."

GAY'S PATENT

DOUBLE TREAD DOUBLE STRENGTH TIRE SYSTEM

Will give—and has given—entire satisfaction. By this system of doubling up your half-worn or rim-cut tires we give you a sand, water, and friction proof tire, yes and 90 per cent. puncture proof. Our tires have now stood the test for five years over some of the worst roads in Ontario.

Remember we do not sew them. There are no stitches to rip; we do not bolt them and leave open spaces for sand and water to enter. Sand and water between the two casings causes friction. Friction is the great enemy not only of the tubes, but it destroys the fabric which is the strength and foundation of every tire.

Our tires are as cool in the hottest day in summer as any tire you ever had on your car. By our system we thoroughly vulcanize the two casings together and in no case do we double them until all breaks in the fabric and rubber have been repaired. Next we hand rivet our patent sectional plates, which you will see by above cut, take care of every inch of the edge of the outer casing. Next we vulcanize a three ply reliner in every tire, making it as smooth for the tube as any new tire. By our System we are putting to work again, hundred of tires that formerly were thrown on the scrap pile.

Scores of men have written us, from different parts of Ontario about the great mileage they have had, and no puncture.

What did it cost them? For example, take two 30 x 3½ Tires, one is rim cut but still has a fair amount of rubber tread, the other has a good rim and fabric, but the tread is worn off. We take these two, and make one out of them and send back a complete tire ready for the car for $6.50, express charges would amount to about say $1.00 in all $7.50. Some write they have had 5-7-10-12 and some as high as 15 thousand miles, and that from tires theycould not use any more. If interested write us and we will send you our price list covering other sizes.

Now as to why our tires are almost 100 per cent puncture proof, take a 30 x 3½ tire, it has four layers of fabric. We double them, it now has eight, then we reline it with a three-ply reliner, it now has eleven layers of fabric all thoroughly vulcanized together. You can readily see tacks and small nails have no chance.

A fair trial is all we ask. Use a good tube and do not allow air pressure to go below 50 lbs. and you will get the best of results.

When sending us tires prepay express charges.

Yesterday a good Maxwell —Today a Better One

More miles per dollar
More miles per year

THAT is the policy of the Maxwell Motor Company.

It began five years ago on a single chassis plan and today 300,000 Maxwells have been built on this program.

Not 300,000 Maxwells identically alike—for that would be admitting that the car has never improved in five years' time.

More than 1000 refinements have been made in the Maxwell.

But the original chassis plan was not changed. It has simply grown better as the days went by.

The logic of building one thing and thus building it well is too clear, too sound, too emphatic in results to argue against.

Like any fine piece of machinery the Maxwell seems to improve with age.

It runs on and on without end. We have never heard of a Maxwell salvaged.

There is no car with a better road ability record. And it saves many a thrifty dollar by shying at the repair shop.

This Maxwell you see today is not a new Maxwell; though many persons have thought so. It has been so much improved in appearance that our contemporaries in the trade repeatedly refer to it as the new Maxwell.

However, good looks have not in any way handicapped its running. And the latter is the main thing, after all, in a motor car.

SUMMER DELIVERY OF COAL

By an amendment passed in the Legislature a method for relieving the coal situation, it is hoped, has been found. Through the suggestion of Thos. Hook, member for Southeast Toronto, the Government has adopted the proposal of giving any municipal council authority by by-law to require coal dealers and distributors who take orders for coal during the summer months to have these supplies delivered by September. In this way the large bulk orders will have been disposed of, and people who have the money available to get their supply in early will have been taken care of, and the coal dealers will be able to give the necessary attention to the trade of the workingman and others who may not be so fortunate as to be able to purchase their supply of coal earlier in the season.

HAMILTON VETERAN TELLS HIS FRIENDS

THAT DODD'S KIDNEY PILLS ARE THE REMEDY FOR KIDNEY ILLS. Mr. S. Hodges, Seventy Years Old, but Still Young, Tells Why He Knows Dodd's Kidney Pills are Good.

Hamilton, Ont., May 5.—(Special)—Convinced that Dodd's Kidney Pills are a sovereign remedy for kidney ills, Mr. S. Hodges, who lives at 68 Ontario Ave., this city, is recommending them to all his friends.

"I suffered from kidney disease for about four months," Mr. Hodges says. "It started from a cold, but I rapidly got worse, and cramps in the muscles, headache, heart flutterings and rheumatism were soon added to my troubles.

"My appetite was fitful and I felt heavy and sleepy after meals. I was very irritable and I perspired from the least exertion I was often dizzy; I suffered from shortness of breath and it was difficult to collect my thoughts."

Mr. Hodges, who is a painter by trade, and seventy years of age, shows the benefit he got from using Dodd's Kidney Pills. He only took two boxes, but with such good results that he says: "I can recommend them to all who suffer from kidney trouble."

THE REFERENDUM.

Voters Will be Asked to Declare Themselves on Four Questions.

Prohibitionists Will Require to Answer All Four in the Negative.

The following is the form of the ballot for the prohibition referendum, which the Ontario Government has announced its intention of submitting to the people of this province during the coming autumn:

Form of Ballot

	Yes	No
1. Are you in favor of the repeal of the Ontario Temperance Act?		
2. Are you in favor of the sale of light beer containing not more than 2 51-100 per cent. alcohol weight measure through Government agencies and amendments to the Ontario Temperance Act to permit such sale?		
3. Are you in favor of the sale of light beer containing not more than 2 51-100 per cent. alcohol weight measure in standard hotels in local municipalities that by majority vote favor such sale, and amendments to the Ontario Temperance Act to permit such sale?		
4. Are you in favor of the sale of spirituous and malt liquors through Government agencies and amendments to the Ontario Temperance Act to permit such sale?		

In his address to the House, Premier Hearst asked the members to note that each question is separate and distinct. There need be no confusion of one question with the other. In order that the voter may have clearly before his mind the effect of what he is doing, the strength of beer that may be sold in case the answers to questions 2 and 3 are in the affirmative is set forth on the ballot.

The Premier also explained that in order to prevent any confusion in determining the result, every voter must vote on every question or his ballot will be spoiled. The Act will be so drawn as to give effect to whatever the will of the people may be as disclosed by the vote on each question.

Question 1—Thus if the first question is answered in the affirmative, the Ontario Temperance Act will be repealed, and the old license law, just as it existed prior to 1916, will be revived. In that event there would be no necessity for further consideration of the other question, for the greater would include the less and liquor would be sold in bars and shops as in years gone by. But this is not likely to happen.

Question 2—Then we come to question 2. If this question is answered in the negative, nothing is required to be done, but if it is answered in the affirmative, the Government will be called upon to at once make provision for the sale of light beers through Government sales agencies, provision for the establishment of which is made by the bill I referred to in my opening remarks

Question 3—The same course will follow in regard to question 3. If the majority vote is in the negative, no action is necessary. If the majority vote is in the affirmative, the government will be called upon to at once make provision for the sale of light beer in standard hotels. This question differs from the other questions in this, that before the Government can authorize the issue of a license to sell beer in a standard hotel in any municipality two things must happen: (1) A majority of all the electors in the province voting must have voted in the affirmative on this question. (2). A majority of the electors voting in the municipalities must have voted in the affirmative. Take the City of Toronto—a license could not be granted in this city to sell light beer unless a majority of those voting in the whole province had voted "Yes" to question 3, and a majority of the electors of Toronto had also voted "Yes"to this question. If questions 2 and 3 carry, provision will be made for sale of light beer in Government agencies in standard hotels.

Question 4—Again with question 4—should the affirmative carry — the Government will be called upon to make all necessary and proper regulations for the sale through Government agencies of liquor of all kinds for consumption in homes only.

The date of the voting, which will not be later than November, will be fixed by proclamation authorized by the Lieutenant-Governor in Council. The persons entitled to vote on the four questions shall be the same as those entitled to vote at any election to the Legislative Assembly, namely, men and women twenty-one years of age and British subjects.

JESSIE ALEXANDER COMING

Mrs. Jessie Alexander Roberts, the well-known Canadian entertainer, has been secured for a recital in St. Andrew's church on Monday evening, May 12th. The recital will be given under the auspices of the Ladies' Aid Society. The church choir and other local talent will supply a short musical program. It is quite a long while since Jessie Alexander last appeared in Orangeville and her coming is creating considerable interest. She should be greeted by a full house on the 12th. Twenty-five cents is the admission charge.

FOR 20 YEARS DOCTORS TRIED

to cure a bad leg from which I suffered," says Miss F. Dendin, of Somerset, Man., writing to the proprietors of Zam-Buk. "The numerous remedies which I used during that time also proved ineffective. Finally I was advised to try your balm—Zam-Buk. I hadn't used it long before I could see that this remedy was quite different from anything I had before tried. It wasn't long before the inflammation began to disappear and with it the pain. The appearance of the sore changed—it became healthier looking, and then I noticed healing had commenced. I persevered with Zam-Buk and it entirely cured me. I shall never be without it again, and if everyone knew the wonderful healing power of Zam-Buk I am sure it would be in every home."

Zam-Buk is so successful in healing chronic sores because of its great refinement and its extraordinary powers of penetration. It reaches the "root" of the disease in the underlying tissues and cleanses the flesh of all germs. Zam-Buk then grows new tissue, which, replacing the old and diseased, builds itself up to the surface skin. A complete and permanent cure results.

Zam-Buk is best for eczema, ulcers, abscesses, rashes, boils, pimples, blood-poisoning, and piles, and is indispensable as a first-aid for cuts, burns, scalds, etc. All dealers 50c box.

SALE OF WAR SAVINGS STAMPS WILL CONTINUE

The report that the sale of War Savings and Thrift Stamps is about to be abandoned by the Dominion Government is denied in the following statement issued by the Minister of Finance:

"The war savings movement is gaining momentum, the sales increasing with each month. It is however an experiment and, if after a fair trial, it be found that the movement on the present lines is out of proportion to the success attained, the question of discontinuing active propaganda will then have consideration.

"In any event war savings and thrift stamps will be on sale for public purchase during the entire current year and as large a measure of volunteer support as possible will be welcomed."

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. ELECTRIC WASHER — TIME SAVER

This Washer Pays for Itself In One Year

The Time Saver Electric Washer saves enough money to pay for itself the first year. It saves the washer woman's wages; it saves laundry bills; it saves the clothes, for they last four times as long when washed in this machine. It saves doctor's bills, for it cuts out back-breaking drudgery.

Time Saver Electric Washer

Costs less to run than the washer woman eats. It operates for 2c. an hour, and is easier to run than a sewing machine. It is moderate in price. We have a Time Saver ready to show you. Let us demonstrate it in your own home. Phone or call at our Store.

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

Rheumatism
Every Winter

To be crippled by Rheumatism is to have life become an intolerable burden, especially in the winter, when the persistent cold and damp aggravate this complaint till it is almost unbearable.

Can you picture the dread that any man would hold winter in when all it meant to him was a yearly return of his Rheumatism and the agonizing pains that it brings?

Such was the case of Mr. A. Beaudry of Bedford, Que. Each winter he was forced to undergo the torture of Rheumatic pains, until he discovered Gin Pills. Read what he says about these little doctors:

"Every winter I suffered from Rheumatism, and this is the first season I have been able to go through without a return of my old trouble—thanks to Gin Pills. The pills are all you claim for them, and more."

Testimony such as this should convince even the most skeptical that Gin Pills do remedy Kidney troubles.

If you have friends or relatives who suffer from this dread affliction, tell them to try Gin Pills. So many people have written us stating in glowing terms how Gin Pills have relieved them of Kidney troubles, that we are convinced that all any person needs to do in order to obtain relief is—try them.

CALEDON.

Ptes. Earl McCormick, Ray Chamberlain and W. J. Hillock, three of our gallant soldier boys, were tendered a rousing reception on their arrival home from overseas on Saturday night. The three men were each presented with a handsome medal on behalf of the Caledon Reception Committee and Citizens. We are indeed glad to see the boys home again after doing their duty so nobly and so successfully.

Caledon Methodists have had the good fortune to secure the Cheltenham Dramatic Club to give their popular play in the Town Hall here on or about May 24th. The Cheltenham amateurs are a clever bunch and the people of Caledon will find them well worth hearing. Particulars will be given Banner readers at a later date.

Frank Johnston was down to Swift's the other day and purchased a very fine heavy draft mare for which he paid about $500. The mare weighs close to a ton and is a superb animal in every way.

IS THERE A BABY
IN YOUR HOME?

Is there a baby or young children in your home? If there is you should not be without a box of Baby's Own Tablets. Childhood ailments come quickly and means should always be at hand to promptly fight them. Baby's Own Tablets are the ideal home remedy. They regulate the bowels; sweeten the stomach; banish constipation and indigestion; break up colds and simple fevers—in fact they relieve all the minor ills of little ones. Concerning them Mrs. Moise Cadotte, Makamik, Que., writes "Baby's Own Tablets are the best remedy in the world for little ones. My baby suffered terribly from indigestion and vomiting, but the Tablets soon set her right and now she is in perfect health." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A SPEECHLESS DAY.

I met a weary man in the train this morning, yet he sat in his seat with such a happy expression of countenance that I was finally moved to ask him if he had managed to cheat the railroad.

"No, sir," said he. "No, sir, but I had a dream last night and I was just living it over again."

"Tell me," said I.

"I dreamed," he breathed, "that the government ordered a speechless day."

"What?" I asked. "Don't you like talking?"

"My wife does," said he, and sighed.

NEWS NOTES

W. J. McCallum has sold one of his farms at Brampton, formerly known as the St. Clements College farm, to Mr. Wm. H. Gray, gentleman, of Gananoque.

W. L. Smith, founder of, and until April, 1903, proprietor of the Shelburne Economist, is now Inspector of Farm Loans for the Saskatchewan government, with headquarters at Saskatoon.

Citizens of Erin presented, Mr. Frank Walker, Manager of the Erin branch of the Union Bank for the last six years, with a leather suit case and a Masonic gold ring prior to his departure for Hagersville.

W. S. Hamilton, formerly of Shelburne, who has been for some time manager of the branch of the Union Bank at Cooksville, is giving up his connection with the bank to take a position in Toronto with the Canada Sheet Metal Products Co.

There is likely to be a change in the game laws this year. The proposal is to allow only one deer to each hunter and to make the open season from November 5th to the 20th. The bounty on timber wolves will be increased from $20 to $40.

Samuel Leake, a returned soldier, was instantly killed at the Knechtel factory at Walkerton by being caught in the shafting. He was alone in th engine room of the saw-mill when the fatality occurred. He is survived by his wife and five small children.

In Toronto, on Saturday, April 5, Grace C. Muir, second daughter of Mrs. Wm. White, Dundalk, was married to Pte. Robt. A. French, son of Mr. and Mrs. A. French, Melancthon, recently returned from overseas. Mr. and Mrs. French will reside in Toronto.

Mr. Milton Beatty of the firm of Beatty Bros., Ltd., Fergus, has returned from an extended business trip to Europe. He attended the big fair at Lyons, in France, which city is situatd about 260 miles south of Paris, has a population of about 1,000,000 people and is the centre of the silk industry.

CHILDREN MUST BE PROTECTED

The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption, Being composed of simple ingredients of undoubted value, Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account, as well as because of the quick relief it affords them.

J. B. Hanmer, the 25-year-old dairyman of North Norwich, in the Count yof Oxford, has been offered $30,000 for his world's champion butter cow, Rollo Mercedes Dekol. The offer came from John Cabana, Jr., of Buffalo, through two of his representatives who visited the Hanmer farm recently.

Thursday, May 1, will be a public holiday in Galt, to commemorate the sacrifice of those who have been killed overseas. The driveway in Jackson Park will be lined with trees and it is proposed to have the names of the fallen soldiers inscribed on boulders at the entrance of the park.

Mr. Justice Logie has quashed a by-law of London, Ont., which put daylight saving into effect in that city, after hearing argument on behalf of a citizen named Dennis Flanagan, who claimed that the city council had no power to pass such a by-law.

A quiet marriage ceremony took place at the parsonage in Corbetton on Thursday, April 17th, by Rev. F. G. Stotesbury, when Gertrude Evelyn, daughter of Mr. and Mrs. James Montgomery, Back Line, Melancthon, was united in hymen's bonds to John A. McMillen, son of Mr. and Mrs. Jas McMillen, of Bethel.

DIED IN B. C.

Pte. Samuel Frederick Nunn, a returned soldier, son of Mr. and Mrs. S. A. Nunn, lot 9, con. 3, west, Caledon, died at Balfour Sanitarium, Proctor, B.C., on April 25th, in his 29th year. The remains were expressed east for burial, the funeral taking place from the home of his parents on Sunday, May 4th, at 1.30 p.m., old time. Interment took place in Boston Mills cemetery.

MRS. WM. DANIELS

The death of Mrs. Sarah Daniels, widow of the late William Daniels, a citizen of Orangeville for many years, occurred at the home of her son, Mr. W. W. Daniels, Boston, Mass., on Sunday at the ripe age of 80 years. Since the death of her husband Mrs. Daniels has lived mostly in Boston, with the exception of a couple of years which she spent with her daughter, Mrs. R. A. Pattullo in Toronto. Deceased belonged to a Richmond Hill family and came to Orangeville with her husband shortly after their marriage about fifty years ago. In Orangeville she was highly regarded by a large circle of neighbors and friends who regret the news of her demise. In addition to the son already mentioned she is survived by one son, Mr. E. C. Daniels, jeweller, Orangeville, and a daughter, Mrs. R. A. Pattullo, of Toronto, formerly of this town. Two sisters, Mrs. Smith, of Brantford, and Mrs. Hopper, of Richmond Hill, are also left to mourn her loss. The funeral will take place from the home of her son, Mr. E. C. Daniels, Zina Street, to the Forest Lawn Cemetery at 2.30 o'clock this (Thursday) afternoon.

THOMAS CHRISTIAN

After a week's illness of acute appendicitis, Mr. Thomas Christian passed peacefully away at his home in Main street on Tuesday evening, in his 81st year. Born in Scopwick, Lincolnshire, England, on February 23, 1839, he came to Canada in the year 1857 and engaged in farming in the township of Adjala. In 1863 he was married to Miss Elizabeth Parker, daughter of the late Mr. and Mrs. Wm. Parker of Bond Head, and two years later moved to Glenelg township, where he spent five years, afterwards removing to Adjala and taking up residence on lot 20, con. 2, where he resided up to the time of his removal to Beeton about eight years ago. Besides being a successful agriculturist, the late Mr. Christian was also an expert apiarist, and by thrift and industry earned a competence. A man of generous impulses, genial and cheerful disposition, he made many friends. Besides his widow, four daughters and three sons survive: Mrs. W. J. Norton, of Alliston; Wm., of Lindsay; Mrs. F. Bredon, of Tecumseth; Thomas of Tottenham; James, of Alliston; Mrs. McFarland, of Pilot Butte, Sask.; Miss Beatrice, of Hockley. The funeral takes place from his late residence this (Thursday) afternoon, at 1.00 p.m., to Alliston Union cemetery.—Alliston Herald.

THE LATE GEO. HARRISON

In the death of Mr. George Harrison, which occurred at his home on Front St. on Friday after an illness of about three months duration, this community loses an old and a greatly respected resident. Few men were better or more favorably known in the north end of Caledon township and since they came to Orangeville about six years ago Mr. and Mrs. Harrison had both won the high opinion of their neighbors here and other citizens who became acquainted with them. Deceased, who was 79 years and 11 months of age, had been in failing health for a considerable time. His demise was not due to any special ailment, but was the result of a general breakdown. Mr. Harrison was born in Chinguacousy township. His parents, Mr. and Mrs. James Harrison, who were among the early settlers in Chinguacousy, subsequently moved to Caledon, settling on the Harrison homestead, lot 23, Centre Road, where a grandson, Mr. Earl Harrison, now lives. The subject of our sketch succeeded his father on the farm, which continued to be the home of himself and his wife until they retired and came to Orangeville to spend the evening of life in well-earned rest. Mr. Harrison is survived by the faithful partner of his joys and sorrows (Miss Jennie Hammond before marriage), two daughters, Mrs. Samuel Edwards, of Hosmer, B.C., and Mrs. John Reid, Mono, and one son, Earl, on the homestead. His loss is also mourned by two brothers, William and Thomas Harrison, of Caledon, and one sister, Mrs. A. B. Dick, of Toronto. The sympathy of a large circle of friends goes out to the sorrowing relatives, and especially to the aged wife who was constantly with her husband during his last days here. The late Mr. Harrison was a staunch Presbyterian and attended St. Andrew's church regularly so long as his health permitted. He was a Liberal in politics. In his everyday life, he was a quiet, industrious man, a good neighbor and honest and obliging in his dealings with his fellowmen. There was a large attendance at the funeral despite the wet, disagreeable weather. Rev. W. M. Morris conducted service at the house and also officiated at the grave. Interment took place in the Forest Lawn cemetery. The pall bearers were Messrs. Thos. Wright, John McKim, Wm. Hughes, Thos. S. Hewson, James Dodds, and Thomas Thompson. Among the floral tributes were the following:—sickle and sheaf from the family, wreath from the wife, sheaf from the grandchildren, and sprays from Mr. and Mrs. Thos. Harrison, Mr. and Mrs. Thos. Thompson and the Ladies' Aid Society of St. Andrew's church.

—Banner subscribers will confer a favor by renewing their subscriptions promptly and in advance.

The Late Henry Goodman

Following several months' illness the death occurred Monday of Mr. Henry Goodman, 11 Maple Avenue, Toronto, sales manager of the Langmuir Manufacturing Co.

The late Mr. Goodman had been with the Langmuir concern practically all his life, commencing with them as a boy. He had occupied his position as head of the sales force for a number of years. Mr. W. P. Goodman, of Toronto, a brother, is treasurer of the same firm.

Mr. Goodman was a son of the late Rev. John Goodman, Orangeville. He was a member of the Sherbourne St. Methodist Church, treasurer of the Commercial Travellers' Mutual Benefit Society, and an ardent member of St. Simon's Lawn Bowling Club, of which he was president for a number of years. Besides his widow, he leaves two children, Miss Jessie Goodman and Pte. Russell H Goodman, at present overseas.

Interment will take place at Mount Pleasant Cemetery this (Thursday) afternoon.

MRS. JAMES ROBINSON

After an illness of about a week's duration, Mrs. Robinson, widow of the late James Robinson, of Mono, succumbed to pneumonia on Saturday evening. Her death took place at the home of her son, Mr. Ben Robinson, lot 5, con. 3, west, Mono, with whom she has lived since the death of her husband in the autumn of 1913. The late Mrs. Robinson, who was in her 79th year, was a daughter of the late Thos. Cook and was born in the State of Michigan. She was married to the late Mr. Robinson 55 years ago. The young couple lived in East Garafraxa for a number of years and then moved to Mulmur township, where they cleared a bush farm. About 25 years ago they moved to lot 5, con. 3, west, Mono, where they remained until Mr. Robinson's death. Deceased was an industrious woman whose life centred in her home and family, to both of which she was devotedly attached. By her neighbors she was held in sincere regard for her upright character, her neighborly qualities and her warm, sympathetic nature, with its ready response to the needs of those who happened to be afflicted with sickness or other trouble. She was a staunch member of the Presbyterian church and so long as her health permitted was a regular worshipper in St. Andrew's church here. She is survived by two sons, Messrs. Ben and Thos. Robinson, well-known Mono farmers, and two daughters, Mrs. Albert Dowling, Mono Mills, and Mrs. Geo. Robinson, East Garafraxa. Another daughter, Mrs. Andrew McDonald, of Mulmur, died some years ago. Messrs. J. R. Cook, of Orangeville, Ben Cook sr., of Caledon, and Wm. Cook, of Fraxa Jctn., are brothers. There was quite a large attendance of neighbors and other friends at the funeral which was held to Greenwood cemetery on Monday afternoon. Rev. W. M. Morris conducted services at the house and grave. Messrs. W. A. Dowling, Geo. Robinson, Ben Cook sr., Wm. Cook, John B. Armstrong and Israel Miller were the pallbearers. The floral tributes included a wreath from the sons, a sheaf from Mr. and Mrs. W. A. Dowling, sheaf, Mr. and Mrs. George Robinson, sheaf, Mrs. Fleming and Mrs. Black, of Orton, and sheaf Mr. and Mrs. Jno. R. Cook.

MRS. MARGARET FORSYTHE

The death of Mrs. Margaret Forsythe, widow of the late William Forsythe, of Mono, took place in Toronto on Friday last after quite a lengthy illness. Deceased was well and favorably known in Orangeville having lived here and in Alton for some time after the death of her husband about ten years ago. Two years ago the family moved to Toronto, where the four daughters, Corinne, Henrietta, Berniece and Isobel, are still living. A sad circumstance in connection with the death is the illness of one of the daughters, who was operated on for appendicitis shortly before her mother's demise and who was still confined in the hospital at the time of the funeral. We are gratified to learn, however, that she is doing well and that her recovery seems assured. Mrs. Forsythe is also mourned by three sisters and two brothers, Mrs. W. A. Henderson, of Winnipeg, Mrs. J. R. Clark, of Toronto, Mrs. Geo. Fleming, of Orangeville, and Messrs. James and William Howard, of Toronto. The sisters were all present at the funeral, but the brothers, who are travellers, happened to be in the West and were unable to get home. The remains were brought to Orangeville on Monday morning, the funeral taking place from the C.P.R. station at 10.12 a.m. to the family plot in Burns' church cemetery, Mono Centre. The pallbearers were Messrs. Herman Forsythe, John Scott, W. A. Henry, Jas. Montgomery, Wm. Lundy and Robert Patterson. Mrs. Forsythe and her daughters were all members of Westminster Presbyterian church, Toronto, and the pastor, Rev. Dr. John Neil, conducted the service in the stricken home and also accompanied the remains here conducting the service at the grave.

REV. S. C. KEETCH

A Brother of Mrs. Jos. R. Lathwell Answers Last Summons In California.

Rev. S. C. Keetch was born in Dorsetshire, England, July 27, 1845; died in Exeter, California, April 2, 1919, at the age of 74 years. His parents moved to Ontario, Canada, where his boyhood was spent. In his early manhood he was engaged in the jewellery business. He received his education in Woodstock college, Canada, where he attended the Theological school.

In the year 1870 he was married to Miss Adah E. Brown in Drumbo, Canada. In 1876 he was ordained a minister of the Gospel and had three pastorates in Canada, at Burgessville, Welland and Ingersoll, Ontario.

In 1881 he came to California for his health. He supplied the Baptist church at San Jose for six months. He then became pastor of the church at Salinas, taking in addition the work at Soledad, and Gonzales, California, building churches at both places. After a pastorate of four years in St. Helena, he went to Vacaville, where he was pastor for seven years.

He served the Golden Gate church at Oakland four years, and also the church at Los Gaos three years. He came to Exeter in 1906 as pastor of the Baptist church here, also serving as pastor of the Lindsay church for the first year of that time. The Exeter church becoming self-supporting he gave his time to the church where he served for seven years. He was devoted to his denominational interests, acting as President of the Baptist State Convention in 1900. He was moderator of this association also. Rev. Keetch loved his work as pastor and was a diligent student of God's Word. He was greatly beloved in our community, a friend to all, kind and genial in his bearing, sympathetic and charitable to all.

He is survived by his wife and one daughter, Mrs. Fred Hess, of Lindsay, three grandchildren, Roy Hess, Mrs. Harry G. Nutt and Elwood Hess, two great grandchildren, Frederick and Burness Hess, all of Lindsay. Two sisters in Canada survive him, Mrs. Lathwell of Orangeville and Mrs. G. B Ryan, of Guelph. Rev. Keetch has had a lingering illness but has had the love and devotion of his wife and daughter, who have cared for him untiringly during the long period.

The funeral service will be held in the Baptist church on Friday afternoon at two o'clock—Exeter, Cal., Sun.

ST. MARK'S VESTRY

At the annual Vestry meeting of St. Mark's church held a few nights ago the following church officers were appointed for the incoming year:—Rector's Warden, Col. J. A. V. Preston; People's Warden, Mr. H. F. Tuck; Treasurer and Vestry Clerk, Mr. T. S. Little; Auditors, Messrs. U. W. Christie and A. A. Hughson; Delegates to Synod, Messrs. W. E. Island, J. H. Hulse and Colonel J. A. V. Preston. The Treasurer presented a very satisfactory report, which showed the church finances to be in better shape than they have been for several years.

LOOKING FOR OIL

Having had oil and coal hunts of our own in this neighborhood in the past, the Shelburne district does not tie itself in knots at the mere mention of prospectors quite so readily as it might have done at one time.

Were it otherwise, we might be considerably excited at the present time, for prospectors are again in our midst.

The talk is of oil or gas, with an occasional mysterious hint of coal.

Options, it is said, have been secured on the Jas. McCabe farm, Melanchton, S. McVanel farm, Amaranth, and other properties a few miles west of the town, and a drill is to be put at work some time in the future.—Economist.

A WORD TO MOTORISTS.

An End to Spark Plug Troubles.

JUBILEE SPARK INTENSIFIER

Is known to all motorists. It will fire any old plug with two points on it—fired better than new. It saves you gasoline; it gives you more power on the hills or on the level; it starts you easy in cold weather and you can see your car firing day or night, which locates instantly your broken wire or ignition trouble of any kind.

NOTICE TO POST SUBSCRIBERS

The proprietors of the THE ORANGEVILLE BANNER and THE SUN, having purchased the business and goodwill of THE DUFFERIN POST PRINTING OFFICE, have arranged to carry out the obligations to subscribers of THE POST who are paid in advance. Those who have their subscriptions paid in advance to THE POST may have either THE BANNER or THE SUN for the unexpired portion of their term. If your subscription to THE POST is paid in advance and you wish either THE BANNER or THE SUN in its stead, make your choice and notify the office of the paper you wish to have. It is the desire of the publishers of THE BANNER and THE SUN that every paid-up subscriber to THE POST should not be out a single copy of a home paper by the withdrawal of that journal from the local field.

Under the new conditions both advertisers and subscribers will be much better and more economically served in the future by two papers than they have been in the past by three.

To the Members, Present and Prospective

OF

Caledon Agricultural Society

Last year a number of changes were made in connection with our prize list, some of them being quite radical. Some were heartily approved while others were considered unsatisfactory.

Now we believe that if the rural fall fair is to serve the best interests of the community, there must be a greater co-operation of the members and exhibitors with the board of directors.

Therefore we are asking you, who contribute largely to the success of the fair, for suggestions as to its improvement. Or if you have a "kick" not yet delivered, let us have it so that we may remedy the matter.

Kindly let us have your ideas in time for the next meeting, May the 31st.

CADET CORPS INSPECTION

The annual inspection of the High and Public School Cadet Corps was held on the High School campus on Monday afternoon.

At two o'clock the boys were drawn up to receive the Inspecting Officer, Lieut.-Col. S. J. Huggins. Lieut.-Col. Huggins, who has recently returned from overseas, is one of the crack shots of the Dominion and was a for some years. He also saw service in India some years ago.

Under their Cadet Officers the boys of both Corps displayed unexpected proficiency considering the earliness of the date set for the inspection and performed their Company and Platoon drill with a thoroughness that bespoke hard work and constant training. On the conclusion of the military manoeuvres each Corps gave a brief exhibition of physical training.

Before dismissing the boys, Lieut.-Col. Huggins, in a few well-chosen remarks, complimented them on their smart and soldierly appearance and the general efficiency of both Corps, which, he said, redected great credit upon the Instructors, Capt. Firth and Principal Hackett. Lieut.-Col. J. A. V. Preston concluded the proceedings with a brief address.

The efforts of the Bugle Band under the leadership of Cadet Willie Porter contributed materially to the success of the Inspection. The officers of the two Corps are:—

High School—Company Leader, Levell Robinson; Platoon Leaders, A. Macpherson and Terence McKeown.

Public School—Company Leader, Neil Crowe; Platoon Leaders, Walter Robinson and Arthur Henry.

CARD OF THANKS

Mr. and Mrs. Thos. McCandless, of Mono Mills, wish to express their sincere thanks to their neighbors and other friends for the kindness and sympathy shown them during the illness and since the death of their infant daughter.

GENERAL DEBITITY FOLLOWS INFLUENZA

Health Can Only be Restored Thro' the Use of a Bloodmaking Tonic.

Debility is a loss of vitality not affecting any one part of the body particularly, but the system generally. It is dangerous because it reduces the body's resistance to disease. When debility follows acute diseases, convalescence is slow, and one's strength does not return as it should. An attack of influenza often results in debility that persists for months. Everybody recognizes that the remedy for debility is to build up the blood, because the blood goes to every part of the body, and any improvement in its condition is quickly felt throughout the system.

In cases of simple anaemia, or debility following acute diseases such as fevers or influenza, Dr. Williams' Pink Pills will be found valuable, because they really build up the blood and strengthen the nerves. There is no other medicine as valuable for growing children, and for men and women whose nervous energy has been overdrawn. They are worth a fair trial in every case where thin blood and weak nerves have started the trouble. The value of Dr. Williams' Pink Pills has been proved in the home of Mrs. John Fram, Owen Sound, who says: "My daughter Mabel was troubled with a bad cough; she was pale, weak and her appetite was very poor, indeed I feared that she was going into a decline. A friend advised the use of Dr. Williams' Pink Pills and after taking eight boxes she was again enjoying the best of health. Again last autumn Spanish influenza attacked our home, and after the acute symptoms were past, both myself and another daughter were left very much run down. My daughter was so weak that she could not walk to school and would tremble when she got upon her feet. I was so weak myself that I could not do my housework. Again we resorted to Dr. Williams' Pink Pills, and in each case we took five boxes, when we were as well as ever we had been. I never enjoyed better health than I am now doing, and am able again to do my housework. After our experience it is not possible for me to say too much in favor of Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

W. M. S. CONVENTION

Orangeville Presbyterial Held Fifth Annual Convention in Cheltenham Thursday.

Upwards of one hundred delegates attended the Fifth Annual Meeting of the Orangeville Presbyterial Women's Missionary Society in Cheltenham Presbyterian church last Thursday. Morning and afternoon sessions were held. The time of the morning meeting was largely devoted to the reports of the Executive and the various Secretaries. Mrs. Burkholder, of Caledon, and Mrs. Rose, of Corbetton, delegates to the Provincial Convention, presented instructive reports covering the proceedings at the Provincial meeting. The outstanding feature of the afternoon programme was a Talk on the Forward Movement by Mrs. Barber, of Meaford, a member of the Provincial Executive. Mrs. Barber illustrated her address which was of real interest by the use of the Mission Charts.

Officers were elected as follows: Hon. Pres., Mrs. Geo. Kendall, Dundalk; President, Mrs. J. Burkholder, Caledon; Vice Presidents, Mrs. R. S. Scott, Hillsburg, Mrs. J. M. Scott, Inglewood, Mrs. W. M. Morris, Orangeville and Mrs. (Dr.) Spence, of Claude.

Secretaries—Corresponding, Mrs. T. C. Glassford, Caledon; Recording, Mrs. G. W. Rose, Corbetton; Mission Band, Miss Modeland, Claude; Supply, Mrs. W. H. Sproule, Orangeville; Assistant Supply, Mrs. Gale, Orangeville; Strangers, Mrs. D. N. Potter, Mono Mills; Home Helpers, Mrs. W. L. Craig, Grand Valley; Messenger and Literature, Mrs. J. B. Adamson, Orangeville; Library, Mrs. J. A. Matheson, Mono Mills.

Treasurer, Mrs. H. Ferguson, Shelburne; Nominating Committee, Mrs. H. Watt, Mrs. A. McKinney, Mrs. Lindsay and Mrs. Wilkinson; Auditors, Mrs. J. A. Mills and Mrs. W. T. Bailey, Shelburne.

The visiting ladies were entertained to a sumptuous dinner and supper by the Cheltenham ladies, who had made elaborate and generous provision for the entertainment of their guests.

The 1920 Convention will be held in Shelburne the first week in next May.

HOSPITAL NOTES.

The regular monthly meeting of Lord Dufferin Chapter of the I. O. D. E. will be held at the home of Mrs. (Dr.) J. A. Macleod, Friday, May 9th., at 3.30 p. m.

A web of gauze donated to the Hospital from the Marsville Women's Institute is appreciated.

Many thanks to the members of the Ugoigo Club for the splendid sum of $56.89 donated to the building fund of the Hospital.

We also wish to thank Mrs. Ed. Robinson for donating $2.00 towards the flower fund, and Mrs Walter Fairbairn for vegetables.

WHAT IS A KILOWAT?

A watt is a unit of measure for electricity just as a quart is a unit of measure for milk and the bushel is a unit of measure for corn. Kilo is a Greek word meaning 1,000 and a kilowat is 1,000 watts. The watt takes its name from John Watt, the famous physicist.

Here are a few things a Kilowatt of electricity will do:

It will light 3,000 cigars.

It will run an electric clock for 10 years.

It will heat a curling iron three minutes every day in the year, Sunday included.

It will heat a bedroom for an hour in the winter, or keep the room cool for 21 hours in the summer if a small ventilating fan is used.

It will propel an automobile three miles, knead eight sacks of flour into dough, or operate an electric piano for ten hours.

It will light an old 16 candle power Edison lamp for 15 hours.

Or a 25-watt Tungsten lamp for 40 hours.

Or a 40-watt Tungsten lamp for 25 hours.

Or a 60-watt Tungsten lamp for 16 hours.

Run a 9-inch electric fan for 25 hours.

The energy produced by a kilowatt hour of electricity should keep a small motorcycle at top speed for an hour.

The energy produced by a kilowatt hour of electricity running through a motor will raise twenty-two tons of coal in an hour.

HE WOULD COME BACK.

The recent vote in favor of beer and wine in Quebec recalls the story of the politician who visited a small Quebec town just after the armistice was signed. He saw an old habitant and said to him:

"Well, Baptiste, the war is over!"

Old Baptiste looked astonished and delighted.

"De war over!" he exclaimed. "Den my boy will come back, eh!"

"Your boy! I didn't know you had a son in the war," said the politician.

"No, no!" cried Baptiste. "Not back from de war! Back from de bush!"

THE SUPERIOR IMPORTED CLYDESDALE STALLION

BARON HAMLET

(2827) 6090 (12757)

Sired by the world renowned Baron's Pride (9122). Dam, That wonderful brood mare, Banks' Daisy (10133). will be kept for service during the season of 1919 at the stables of his owner, lot 15, 2nd line east, Caledon.

TERMS.—To insure a foal, $15, payable February 1st, 1920. Parties calling and settling their account on or before February 1st, 1920, will be given a discount of One Dollar.

Parties trying their mares and not returning them regularly to the Horse will be charged full insurance whether in foal or not. Sale of mare renders fee due and payable. All accidents to mares at the risk of their owners.

BARON HAMLET was bred by James Rigg, High Banks, Kirkcudbright, Scotland, and imported by The Graham Renfrew Co., Bedford Park, Ontario. Of his Sire, Baron's Pride, nothing need be said, as it is well known that he was the best Clydesdale Sire that ever lived. BARON HAMLET'S Dam, Banks' Daisy, was Sired by HAMLET (4433). Gr. Dam —Fanny of Bombie (3104), by Sir Colin (3188), by Samson (741).

BARON HAMLET is a dark dapple bay horse, with a nice white stripe on face, off fore, and hind legs white. He is heavily built and low set, short backed, with a beautiful head and neck and massive bone and muscle.

BARON HAMLET is a prize winner whenever shown, having won second at Toronto and Chicago in 1906 as a two-year-old. He is a full brother to the noted show mare, White Heather, winner of first at Haddington and third at the H. & A. S. Show at Stirling, as a yearling. In 1901 she was second at Edinburgh, 1st at Berwick, and third at the H. & A. S. Show at Inverness; and in 1902 she was first at Carlyle, and the H. & A. S. Show at Aberdeen.

BARON HAMLET is also a full brother to the well known horse, Watchwood, winner of first at Castle-Douglas and Kilmarnock as a 2-year-old, and 1st at the Highland at Edinburgh as a three-year-old.

BARON HAMLET is also half-brother to Baron of Buchlyvie, who was sold at Ayr, Scotland, on December 14th, 1911, for Forty Six Thousand Dollars at public auction.

BARON HAMLET proved himself a sure foal getter in 1918. Parties having Registered, or good grade mares, should not fail to see this horse before breeding their mares.

W. J. TRATHEN,
Owner and Manager.

BARON HAMLET was inspected on the 29th day of October, 1912, when he was Passed and Approved, Form I. He has also been Enrolled for the year 1919 in Form I. in accordance with Chap. 67, Statutes of Ontario, 2 George V.

A PIONEER HONORED.

Portrait of Late Jesse Ketchum Unveiled in Toronto.

Speakers Tell of Munificence and Life of Early Toronto Resident.

Memories of Jesse Ketchum's works will not die. Thousands of Toronto citizens have heard of the splendid character of this pioneer, and of his numerous philanthropies. Although he died more than half a century ago, there are a number of evidences in different parts of the city of his farsightedness and of his generosity. Last night at the Bible House, 14 College street, a large painting in oils of the early settler was unveiled. This ceremony was held in connection with another closely connected. That was the dedication of the Bible House to the service of Christ. The Bible College was erected largely through the munificence of the sturdy pioneer, who came to York at the beginning of the last century.

A representative audience gathered in the auditorium of the Bible College for the joint ceremony last night. Not only were all the Protestant denominations represented, but likewise the different Bible Societies and the Provinces of Eastern and Western Canada. The program was a most interesting one, the feature being the unveiling of the picture. The story of Jesse Ketchum was told to the audience by Mr. H. E. Irwin, K. C., ad the Minister of Education, Hon. Dr. Cody. Mr. N. W Hoyles, K. C., LL.D., President of the Upper Canada Bible Society, presided.

Career of Jesse Ketchum.

Mr. Irwin traced the early career of Jesse Ketchum from the time of his birth in 1782 until the time of his death in 1867, dealing largely with the religious side of his life. Dr. Cody, on the other hand, dwelt chiefly upon the secular activities of Jesse Ketchum. "I can't find anything in the records as to any one single characteristic in his life which the world of that day applauded," said Mr. Irwin, "but I do find, taking it line upon line, that always he was a simple, plain, straightforward, honest, wholehearted Christian citizen. Of such as he is the greatest of the country. Jesse Ketchum prospered, and up to the limit of his opportunity he was always identified with the Lord's business."

The speaker told of how Jesse Ketchum was first a member of the old St. James' Church, when it was the only one in the then town; of how he helped the Methodists to organize in 1816, and of how in 1818 he assisted in organizing the Sunday schools in Toronto, and in 1820 assisted the Presbyterians, when the first church was opened here. About that time Jesse Ketchum set aside certain Yonge street properties the income from which was to be used in perpetuity to purchase Bibles and good books for the public and Sabbath school children of the city. As a result of this bequest the trustees in recent years had been able to give financial assistance to several churches and other evangelical works in the Province.

Came to Canada in 1800.

Dr. Cody, in reviewing the life of Jesse Ketchum, told of how he came to Canada in 1800, and of how while on the American side of the line he had had little chance to secure an education, and of how this resulted in him being so active in seeing that the children of later years were properly cared for in this respect. It was reported that Jesse Ketchum was one of the first to advocate the construction of sidewalks. Religious as he was he also thought it was his bounden duty to take an active part in public life," declared Dr. Cody. His characteristics were his honesty, his liberality and his interest in the welfare of others. Three bequests which were made by Jesse Ketchum were to the public school at Yorkville, to the public schools of Toronto. The two societies, the Upper Canada Bible Society and the Upper Canada Religious Tract and Book Society were the administrators of the bequests. These books, a prize, were given for regularity, punctuality, good conduct and diligence.

Speaker Knew Jesse Ketchum.

As President of the Upper Canada Religious Tract and Book Society Mr. J. K. Macdonald congratulated the society on the splendid work in which it was engaged. He was one of the few present who had seen Jesse Ketchum, and he related two or three incidents in which the philanthropist had figured, Mr. Macdonald also recalled how Jesse Ketchum would go from school to school with his big pockets bulged with good books and Bibles for the children. The society which he represented had done a great work, especially for sailors, and he intimated that they hoped at no distant date to have a rest home erected on Toronto bay for the men who sail the seas and lakes.

Mr. James Ryrie spoke briefly on behalf of the citizens of Toronto. He referred to Jesse Ketchum as "the children's friend," and recalled incidents of those days in this city in which that early settler figured.

Granddaughter Unveils Portrait.

The portrait was unveiled by Mrs. George B. Bull, of Orangeville, a granddaughter of Jesse Ketchum, and is the work of F. M. Knowles, R.C.A. Dedication prayers were offered by Rev. T. R. O'Meara, D.D., Principal of Wycliffe College, and Rev. Prof. J. L. Gilmour, D.D., of McMaster University.

Mr. A. M. Featherston, Chairman of the Building Committee of the Bible House, told of the erection of the building in 1911 at a cost of $74,000, and of how the money which was now accruing was being set aside in a sinking fund to be used to add further storeys to it as may be found necessary.

Rev. W. R. Cooper, D.D., representing the British and Foreign Bible Society, extended felicitations on behalf of the parent body, and read the following telegram:

"Dedication of Bible House; Committee joni you in gratitude for past blessings; pray for future usefulness."

Rev. Dr. Spencer of Quebec extended congratulations on behalf of the Canadian Bible Society.—Globe.

THE NEED OF SAVING.

The estimates submitted to the House of Commons call for a civil expenditure of $437,000,000 and $350,000,000 for war and attendant expenditures including credits, during the financial year 1919-1920.

These figures demonstrate the absolute necessity of continued saving on the part of the people. The revenue during 1919-20 can hardly exceed $325,000,000. The rest must be raised through borrowing from our own people

It is for this reason that War Savings and Thrift Stamps have been issued. They make saving both easy and profitable; they will help Canada and help also those who buy them.

RESTRICTIONS RAISED

Practically the last of the war-time import restrictions have been raised in the British West Indies, this particularly applying to the Barbadoes, Trinidad, Jamaica, the Leeward Islands, St. Vincent, and St. Lucia. Most of the islands had restricted imports, especially of the luxury class. The Canadian Trade Commission thinks that inter-trade with the Dominion and the West Indies will improve considerably this summer.

Children's Diseases Are *Not* Necessary

They Add Nothing to the Well-being of the Child and Invariably Leave the System in Worse Condition Than Before They Came

IN fact, they often sow the seed which, in adult life, develops into disorders of the heart and blood vessels and degenerative diseases of the kidneys.

So if children escape any child's disease they are the gainers in general health by just that much. It may be that years are added to their lives or chronic invalidism avoided. Then there is the enormous risk which every child runs who has measles, whooping cough, scarlet fever, or other diseases.

Perhaps this does not agree with your idea of letting your children have these ailments when young, with the belief that they must have them some time. This old idea has cost many thousands of lives. It is time to forget it, and to put forth an effort to save the children from these ailments.

All these children's diseases are known as germ diseases, and germs are harmless to a body strong enough to fight them.

Rich blood is the greatest of germicides. Therefore, seek to keep your children's blood rich and pure by giving them wholesome, nourishing food, and by allowing them to exercise freely in the open air.

If they grow pale and weak and languid —if they fail to derive proper nourishment from the food they eat—if their nervous systems get run down from the tax of school work—use Dr. Chase's Nerve Food as the best means which medical science affords to enrich the blood and build up the exhausted system.

Children whose blood becomes thin and watery are helpless before an attack of measles, scarlet fever, whooping cough, or other contagious disease. They seem to "catch" everything that is going. They are always "catching" cold. Their resisting force is nil.

But their young bodies soon respond to the nourishing, invigorating influence of Dr. Chase's Nerve Food. As their blood is enriched they become healthy, robust and rollicking—they enjoy their food—their play—their work at school, and grow into strong, healthy men and women.

Dr. Chase's Nerve Food, 50 cents a box, 6 for $2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. On every box is the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

ALMOST A MIRACLE BUT VERY SIMPLE

WAS THE CURE OF JOHN NEW BY DODD'S KIDNEY PILLS.

His Troubles All Came from Sick Kidneys and He Treated Them With the Old Reliable Canadian Remedy, Dodd's Kidney Pills.

Hillside, Battleford, Sask., May 12.—(Special.)—With a speed that was almost miraculous, Mr. John New, a well-known farmer here, has been cured of the kidney trouble from which he suffered for several years.

"Dodd's Kidney Pills cured me," he says. "I wish to give them all the thanks."

Speaking further of his troubles and their sudden cure, Mr. New says: "I think I inherited my kidney disease from my parents, and I suffered off and on for several years. I had stiffness in the joints, cramps in the muscles, backache, and neuralgia.

"I perspired freely on the slightest exertion and my perspiration had an unpleasant odor. I was irritable, often dizzy and was depressed and low spirited. My skin was dry and had a harsh feel and I was often nervous.

"I took just one box of Dodd's Kidney Pills. They cured me."

If your troubles come from the kidneys you will have some of the symptoms that Dodd's Kidney Pills cured in Mr. New's case. Ask your neighbors about Dodd's Kidney Pills.

ST. ANDREW'S CHURCH

Capacity Congregations Attended Reopening Services last Sunday.

Sunday last was a red letter occasion in the history of St. Andrew's Presbyterian church. Reopening services were held and in spite of the unfavorable weather attracted capacity congregations. There was a surprisingly large attendance at the morning service, when practically every seat in the sacred edifice was occupied, notwithstanding that the rain and wretched roads prevented quite a number of the country members from getting out to the service. At night the church was crowded to the doors before eight o'clock, the hour set for the commencement of the service. A number of late comers were accommodated with seats along the walls or by placing chairs in the aisles. A choir of nearly thirty voices led by Mrs. R. E. Jackson and assisted by Mr. D. J. Carson, soloist in Victoria Presbyterian church, Toronto, led in the song service, which was of a most impressive character. The preacher of the day was Rev. Thurlow Fraser, the eloquent pastor of Division St. Presbyterian Church, Owen Sound. Dr. Fraser's sermons were both of a high order and made a deep impression on all who had the good fortune to hear him. The gifted visitor saw service at the front as a chaplain and his evening discourse contained more than one eloquent tribute to the heroism and sacrifices of the gallant lads who so nobly upheld the fair name of Canada on the battlefields of France and Flanders.

The preacher based his morning discourse on the text, "Come now, and let us reason together, saith the Lord; though your sins be as scarlet, they shall be white as snow; though they be red like crimson, they shall be as wool". This Dr. Fraser described as one of the most striking invitations in the Bible. It was striking because of the promise given in the event of acceptance, and still more striking because of the manner in which men are asked to come to the Lord. Religion was a reasonable thing although there were times when it was considered unreasonable. There were those who believed or who professed to believe that the Christian was not free to doubt, not free to think and not free to question but was obliged to accept the teachings of his religion without hesitation, question or reservation.

The influence of this belief is found in the names taken by doubters, who have styled themselves freethinkers, or rationalists in the case of the German school. Dr. Fraser stated that there were undoubtedly many things in the Bible that the mind of man could not understand, but this was because the human mind was finite. To reject what the mind could not grasp because we could not comprehend was to measure our puny, finite minds against the great infinite mind of God. After all the things that appeared reasonable and therefore possible to the mind of man were very largely the things that entered into his personal experience. What was outside of man's experience seemed unreasonable and improbable. To illustrate how unreasonable is this too prevalent attitude, Dr. Fraser told a story of a man who declined to believe in conversion because he did not understand how such a change could possibly take place in the nature of a human being. He stated his position to an old farmer who promptly cornered him by asking him if he understood why exactly the same provender was converted into wool when he fed it to his sheep, into hair and bristles when fed to his swine and into quills and feathers when fed to his poultry. The doubter could not explain, but was of course compelled to admit that these were changes that actually occurred. There were heights and depths and lengths and breadths in the religion of Jesus Christ that the finite mind could not possibly grasp and understand, because there are limits to human understanding. Faith is not contrary to reason, although faith will carry the believer further than reason. What God asks his people to do is to reason about the great verities of the Bible, to think them out and to try to understand them. Passing to the second part of his text Dr. Fraser spoke convincingly on forgiveness, Christ's ability to save to the uttermost and God's readiness and eagerness to forgive his creatures no matter how grievously they have sinned or how far they have fallen short in obedience to his precepts.

As a text for his evening discourse Dr. Fraser took Stephen's words: "Behold I see the heavens opened and the Son of man standing on the right hand of God." There were two classes of deeds that called for courage. In the first place there were the deeds that called for physical courage. These were a class of deeds that appealed to the heroic in mankind. It was deeds of this class that figured so largely in war and brought deserved rewards in the form of honors, decorations, promotions, etc. The other class of deeds called for a different type of courage. They had to do with the moral struggles of life, which were fought out in secret, with none to cheer and stimulate him who fought and none to witness his triumph or his downfall. There were many things that helped to make a man physically brave, but it was a different thing when it came to the moral battles of life in which a man had to depend on his own strength of mind and moral virility. In these struggles there was no applause to encourage and sustain the combatant. Oftimes indeed the world clapped and cheered the man who succeeded, when it should cheer the man who failed. Success in a worldly sense was often won by the man of inferior mentality but coarser fibre, who would not scruple to take steps that his abler but more honest competitor would balk at. It takes a higher kind of courage to face the moral dangers and the moral temptations of life than the courage that enables a man to meet mere physical peril with equanimity. Dr. Fraser referred to the courage of the Scottish people, which he attributed in part to their stoicism and in part to their strong religious faith. Religious faith gave its possessors the highest kind of courage. There was no courage equal to that of the men who have caught a vision of higher things—a vision that gives them strength to overcome the weakness of the flesh. The man who gets that vision sees beyond himself, he forgets himself and into his life there comes a transforming uplift and inspiration. Illustrations of this were graphically depicted from the lives of Archbishop Cranmer, who when burned at the stake steadfastly held his right hand in the flames until it was consumed, repeatedly exclaiming "that unworthy hand", Dr. Rowland Taylor, Oliver Cromwell, Gustavus Adolphus, General Gordon of Khartoum fame, and Stephen the Martyr, who in the midst of his persecutors turned calmly to contemplate the vision of the Son of man. Men and women, declared the speaker in the closing sentences of his impressive address, the only thing that will stand by you and sustain you in physical or moral danger is the vision that Stephen beheld when he saw the Son of man upon the right hand of God.

At the morning service Mr. Carson, who is the possessor of a superb tenor voice, sang two beautiful solos, "Open the Gates" and "My Peace is Like a River". The choir anthems which were rendered most effectively "Soldiers of Christ Arise" and "The Choir Angelic". As a voluntary the organist, Miss Browne, played "Adoration" by Gaul. In the evening the choir leader, Mrs. Jackson, and Mr. Carson sang a duet "Beautiful Isle of Somewhere" in impressive manner. Mr. Carson delighted everyone with his solos "I Come To Thee" and "Galilee" and the choir acquitted itself most creditably in the anthem "Send Out Thy Light" and "Breaks Forth Into Joy." The organ voluntary was the Lilian Overture. Mr. E. C. Connop, until recently leader of the choir, assisted at both services and Messrs. J. H. Sloan F. A. Falconer, A. Walker and G. H. McLean assisted at the evening service.

A BEAUTIFUL EDIFICE

Since the Reopening services on Sunday officials and members of St. Andrew's church have received many warm compliments on the beautiful appearance of the interior of the edifice. These are appreciated and are a source of gratification to the Property Committee, which had charge of the decoration work. The walls of the church are finished in a stone grey, with just enough of border and arch ornamentation to break and relieve the general color effect. The color design was prepared by Mr. R. N. Irvine, of the Thornton-Smith Co., Toronto. Mr. Irvine was himself a member of St. Andrew's until his removal to Toronto, and judging from the appearance of the edifice has done his best for his old church. The painting itself was nearly all done by Mr. D. J. Hatcher and Mr. Wilson Hughson with the assistance of a number of local workmen. They had the assistance of Mr. Muir, an expert painter on the Thornton-Smith Co's. staff in the border and other ornamental work. Except for this the work was all done by local men, and the chaste beauty of the renovated church speaks well for their skill. The edifice is brightly lighted by eight 300 watt hydrogen lamps supplied and installed by Sanderson & Robertson, a local firm. The minister's platform and the choir platform have been rebuilt and enlarged, making a very marked improvement in their appearance. Both are finished in panelled oak. This work was done by Mr. John Richardson, Mill St. An important part of the work was the scaffolding of the church and the subsequent taking down and removal of the scaffold. This was done in workmanlike manner under the supervision of Mr. F. Marshall. The members of the Property Committee charged with the responsibility for the improvements are Messrs E. H. Sproule, chairman, D. Young, S. Trimble, A. Walker, A. Connell and Dr. J. A. MacLeod. Mr. W. C. McMillan, chairman of the Managing Board, is also a member of the Committee. The Committee deserves the hearty thanks of the congregation for the efficient manner in which it has carried through the decoration work.

FOREIGN CREDITS HAVE AVERTED A PANIC

Speaking in the House of Commons recently Sir Thomas White said: "If the Dominion Government to-day said: No more credits for the purchase of our wheat, flour and cheese and the products of our manufactories, you would have a panic in this country."

These words show how necessary it is to provide foreign credits. But the ability of the Dominion Government to do this is conditioned by its possession of the funds on which such credits are based. The money must come from the people of Canada in the form of loans.

One of the purposes of War Savings and Thrift Stamps is to make easy the continuous flow of money into the treasury. This is why a War Savings Stamp, which is a "Baby Bond" may be had for $4 and a few cents and why Thrift Stamps may be had for 25 cents each.

HOSPITAL NOTES

The Hospital staff are grateful for the following donations:—$5.00 from Mr. and Mrs. Bon Cook and home-made baking from Mrs. S. Trimble.

The officials of the Hospital feel much encouraged over the support the Caledon Council are giving them in the matter of building the new wing to the Hospital. The Daughters of the Empire will hold a public meeting shortly to discuss the matter of the winter.

CHURCH HONOR ROLL UNVEILED

St. James', Grandview, Honored Khaki-Clad Members of the Congregation.

Last evening in St. James' church a large congregation witnessed an event of considerable importance—the unveiling of the church honor roll. The roll is a beautiful piece of work, and one of which any church might be proud. It is made of oak and the carving is exquisite. Both the designing and carving were done by Mr. Pusey, a member of the congregation, who showed real genius in the work. There are about 75 names on the roll, written in pen and ink in Old English script by Miss M. Mills. Capt. Rev. C. E. Jenkins unveiled the roll, and delivered a splendid sermon, taking his text from Judges IV : 14. The sermon centred on the war generally, and the men from St. James' in particular.

During the service the choir rendered the anthem "Now the day is Over," and appropriate hymns were sung. The collection was taken by two returned men, W. H. Bolt and Henry Blacker.—Brantford Expositor.

Rev. J. N. H. Mills, son of Mr. John Mills of this town, is the rector of St. James' Church. Miss Mills, who prepared the honor roll, is a daughter of Mr. Mills, and a sister of the rector.

ORANGEVILLE PRESBYTERY

Considerable business was transacted by the Presbytery of Orangeville at its regular meeting in St. Andrew's church on Tuesday. One of the most important items was the consideration of a call from the congregations of Camilla, Mono Centre and Glencross to Rev. Geo. Milne, of Ilderton, in the Presbytery of London. Presbytery sustained the call and made provisional arrangements for the induction of Mr. Milne in case he should accept. Rev. J. A. Matheson, of Mono Mills, the interim moderator, was appointed to preside and to address the congregation. Rev. J. A. Reddon, of Laurel, will preach the sermon and Rev. W. M. Morris, of Orangeville, is to address the newly inducted minister. The congregations are offering a stipend of $1300, manse, glebe and three weeks' holidays. Mr. Milne is not a stranger to the Orangeville Presbytery, he having been pastor of the Ballinafad charge for a number of years.

The resignation of Rev. D. J. Lane, pastor of Knox Church, Grand Valley, was received and laid on the table until Mr. Lane, who is now overseas returns to Canada. Reeve Thos. Watson and Mr. J. J. Reith, of Grand Valley, and Messrs. Wilmott and Mainland, of South Luther, represented the two interested congregations and expressed themselves as strongly in favor of making every effort possible to retain the services of Mr. Lane upon his return.

A resolution of sympathy was passed and ordered to be forwarded to Rev. R. K. Fairbairn, of Cheltenham, who is at present in Grace Hospital, Toronto, where he has recently undergone an operation for appendicitis.

The Presbytery made arrangements at a special meeting held recently for the induction of Rev. C. Sinclair Jones of Annan, into the pastorate of the Priceville and Swinton Park churches. The induction will take place at Priceville next Thursday.

MILITARY NOTES.

Sergt. Harry Hunt, a 164th Batt. man, came in Monday night and shared in the welcome home. Hunt does not live here but that did not detract from the heartiness of the reception he received. He came to town to visit friends, with whom he is spending a few days.

While he took part in much desperate fighting, Sergt. Jeffers had the good luck to come through it all without a scratch. Another brother, Robert, who returned from overseas some time ago, was wounded, but has recovered and will also make his home in the West. Since their return to Canada, the two brothers have spent part of their time visiting Orangeville and Glencross friends. Their many friends in the East wish them every prosperity in their Western homes. The two soldiers are brothers of Mr. C. V. Jeffers, Reeve of Orangeville.

Sergt. Wilbert J. Jeffers, of the 2nd C.M.R.'s, who returned home about six weeks ago, and who has been spending the greater part of his well-earned holiday and rest with his brother, Mr. Frederick Jeffers, Wyndham St., Toronto, left for his former home at Gleichen, Alta., on Sunday evening. Sergt. Jeffers was one of the first to answer the call of the Motherland, enlisting with the Canadian Mounted Rifles, a battalion of whose members only a few are left. He went overseas the first year of the war and took part in all the big battles during the crisis in the early part of 1915 when it looked as if the Germans might win through to Calais and the other Channel ports.

Dr. Geo. M. Carson, who has been overseas since 1916, arrived home on Monday night and was accorded a rousing welcome by the Citizens' Band, the local Reception Committee and a large number of citizens who were at the depot to meet the train. Dr. Carson, who was practicing medicine in the West before the war, enlisted with the A.M.C. Siege Artillery in Calgary in 1916 and went overseas later the same year. He served at the front until the end of the war and had the good fortune to come through unscathed. He is a brother of Dr. T. A. Carson, who also saw service at the front. Another brother, James, was killed in action early last spring. Mrs. Carson and their two children have made their home in Orangeville since the Doctor went overseas. They will all return to the West in a few weeks.

MRS. R. J. W. PERRY

Untimely Demise of Wife of Former Rector of Mono East Parish.

On Tuesday, April 16th., there passed to the higher life of service Mintche H. Perry, beloved wife of Rev. R. J. W. Perry, rector of the Parish of Innisfil. She had been if possible even more actively engaged than usual in her many duties when called upon to lay them aside. She had endeared herself to young and old alike, was loved by a host of friends who were not associated with her in the work of the congregation. She was President of the Women's Auxiliary of St. Paul's Church, which had a membership of 56 and had brought it to such a high level of efficiency that it was spoken of throughout the Diocese of Toronto as one of the leading branches outside the city itself. She was also President of the Women's Auxiliary of St. Peter's Church, where her advice and presence was always sought and freely given among a splendid band of consecrated women. She had a S. S. class of about 30 where she was leaving indelible impressions and where her loss will be so deeply felt. In the choir of both churches she gave unstinted service. She was also made secretary of the "Font Roll" of the Deanery of South Simcoe. Her interest in the work of the W. A. for missions was unlimited and one of the things she always looked forward to was the attendance at the Annual meeting in Toronto in May. In the homes of the people she was always dear as was stated in the funeral sermon "It is no ordinary event we are called upon to partake in. It is as if one was taken out of each of your homes leaving a vacancy almost impossible to fill. But her own home was the centre and deep interest of her beautiful life. She sought to make it a place of beauty both in and out and an example to the passing and where she lay at last embowered among beautiful flowers."

The funeral service was held on Thursday at St. Paul's Church. The bearers of the bier were ten young men who were active in church work. The choir was made up of members of Trinity church, Barrie. The Rev. H. D. Raymond conducted the service, assisted by the Revs. E. Taylor of Allandale and the Rev. T. D. Dew of Grey. Among those present were three brothers of the rector, Archdeacon Perry of Hamilton; William M. Perry of Lloydtown and Robt. Perry, of Toronto. Mrs. W. E. (Dr.) McKinley and Miss E. Perry, sisters, also Miss Cora Harper, sister, who was present at the close. The funeral left on the G. T. R. train which by the kindness of the company stopped at the crossing near-by and came via Toronto and Orangeville to Mt. Forest. At Orangeville a large number of old parishioners from Mono Mills were present. At Mt. Forest a large number both from the town and country met the train and proceeded to St. Paul's Church, where a short service was held after which interment took place. Eight of the men from Innisfil accompanied the cortege to the resting place of her body. The floral tributes were beautiful. St. Paul's Church: one from congregation, one from W. A., a broken circle from choir. St. Peter's Church, a beautiful cross; Mr. and Mrs. Harvey Hughes a spray, Mr. and Mrs. Geo. S. Jackson, Orangeville, a spray; Mrs. Armstrong and Mrs. McCutcheon of Mono Mills, a spray. A broken circle from her husband; from Corn a spray, from Mr. Perry's mother, a bunch of sweet peas. From the family of Mr. Perry one. "We also bless thy holy Name for all thy servants departed this life in thy faith and fear; beseeching Thee to give us grace so to follow their good examples, that with them we may be partakers of Thy heavenly kingdom. Grant this O Father for Jesus Christ's sake our only Mediator and Advocate." Amen.—Mt. Forest Rep.

Extract from Barrie Examiner—As a very great shock to the many friends of the Rector of Innisfil and his wife came the news of the death of Mrs. Perry, which occurred in the Royal Victoria Hospital, Wednesday afternoon, after a week's illness from pneumonia. She was twenty-nine years of age.

Mrs. Perry was a beautiful christian character, of a singularly bright and happy disposition, full of kindness and thoughtfulness for others. During her residence in Innisfil she had greatly endeared herself not only to the people of the Parish of Innisfil but to all with whom she came in contact. Her untimely taking off is felt as a keen personal loss by a very wide circle of friends and the greatest sympathy is felt for Mr. Perry in the irreparable loss he has sustained.

A service will be held at St. Paul's on Thursday afternoon, following which the body was conveyed to Mt. Forest for interment, which took place on Friday after service in St. Paul's Church.

The many Orangeville and Mono friends of Rev. Mr. and Mrs. Perry extend their heartfelt sympathy to the sorely bereaved husband. Besides her husband there are left to mourn her loss, her parents, Mr. and Mrs. Robt. E. Harper, and her brother, Virden.

THE LATE ALBERT LEFLAR

The death of Mr. Albert Leflar, an old and widely known citizen of this town, occurred at his home on Mill St. on Monday at the ripe age of 79 years and 10 months. Deceased was a man of remarkable vigor and vitality and enjoyed unusually good health until a few months ago, when the inevitable breakdown commenced. He was very weak for some weeks prior to his demise, but suffered very little pain and was quite conscious the greater part of the time. The end came very quietly and peacefully. The late Mr. Leflar was born in the township of Chinguacousy on July 23rd., 1839. He followed farming in his home township about 4 miles west of Brampton until 1885, when he retired and came to Orangeville. In his early life he took an active interest in church and Sunday School work in the Methodist church. He was Sunday School Superintendent in the Methodist church at Springbrook for upwards of twenty years and was also leader of the church choir for a number of years. Deceased was a confirmed bachelor. After coming to Orangeville he lived with his brother and sister. The former predeceased him about twenty years and the latter passed away about five years ago. After the death of his sister, a nephew, the late W. F. Leflar, took up his residence in Orangeville and the old gentleman resided with him until he too died a few months ago. Since then a nephew has been with him and his niece, Mrs. Stockdale, wife of Mr. J. W. Stockdale, C.P.R. agent at St. Mary's, was constantly at his bedside during his last illness. Deceased was a bright, cheery man, who took an intelligent interest in local and general events. He had amassed a very considerable fortune and was reputed one of the wealthiest men in Orangeville. A conservative estimate places his estate at close to $100,000, consisting largely of mortgages and other first-class securities. Unlike many money lenders he had a conscience in the matter of interest, and refused to lend at more than six per cent. which he declared was as much as any borrower could afford to pay. The Succession Duties will amount to $9,000 or $10,000. After these and other necessary expenses are met the remainder of the estate will be distributed among eleven nephews and nieces, or their heirs where any have died. Deceased was a staunch Liberal in politics. The funeral was held from his late residence on Mill St. by motor to the Home Church cemetery at Snelgrove at 2 o'clock yesterday afternoon. Rev. E. R. Young conducted the service at the house.

MRS. ROBERT TOMLINSON

Mr. N. Collins received the sad news a few days ago of the death of his daughter, Mrs. Robert Tomlinson (nee Ethel Collins) at her home in Kispiox, B.C. In a letter giving particulars of the regrettable occurrence her husband states that his wife was in her usual health when she retired the night preceding her death. She was taken suddenly ill about three o'clock in the morning of April 26th and passed away before the day was over. Her death was caused by uræmia. Mrs. Tomlinson had lived at Kispiox since her marriage six years ago. Her husband is a missionary and has charge of the Methodist church mission to the Indians of Kispiox village. Before her marriage Mrs. Tomlinson taught for three years in the Indian school at Port Simpson, B.C. It was while engaged in this work that she first met her future husband. Deceased was a fine type of the devoted Christian wife and mother and was a very real help to her husband in his missionary work. She is survived by three little daughters, the oldest five and the youngest only a year old. Besides the bereaved husband, children and father, two brothers, Harry Collins, of St. Catharines, and Norman Collins, of Toronto, and a sister, Miss Mildred, of Toronto, survive to mourn her loss. The sympathy of their Orangeville friends is extended to Mr. Collins and family in their bereavement.

MRS. DANIELS' FUNERAL

The funeral of the late Mrs. Wm. Daniels, whose death was reported in last week's Banner, was held from the home of her son, Mr. E. C. Daniels, Zine St., to the Forest Lawn cemetery on Thursday afternoon. Quite a number of former friends, neighbors and acquaintances were present at the house to pay a last mark of respect to the mortal remains of the departed. A short service was held by Rev. F. Eley, rector of St. Mark's church, who also officiated at the grave. The remains were borne to their last resting place by Messrs. Jos. Kenneth, Robt. A. Pa[illegible], A. Leighton, D. Macpherson and Chas. King.

THE BIG STORE, ORANGEVILLE

During the Present Season we Want

To Buy Your

WOOL!

And have the very best facilities for handling

UPWARDS OF 50,000 LBS.

The Wool crop this season promises to be the largest it has ever reached in this vicinity and while values will be somewhat less than they have been, prices will yet be sufficiently high to make sheep-raising satisfactorily profitable.

Most farmers thoroughly understand the way sheep and their fleeces should be cared for in order to ensure the maximum of profit, and to these we have no advice to offer. So that if wool is reasonably clean and free of chaff and burrs we are now prepared to pay as much money for it as you can reasonably expect no matter from what source.

In connection with our other stores, we annually handle scores of thousands of pounds of wool, and with the world's markets open to us, we are in a position not surpassed by any individual or institution to BUY WOOL and SELL WOOL at the highest top-notch prices.

We therefore merely ask that you find out what we are paying before you dispose of your clip, and if you sell to us we believe you will receive as much money as you could get anywhere and every cent that it is worth.

YOUR MONEY IS NOW WAITING FOR YOU.

FARM MANAGEMENT

Comprehensive Survey in Progress in Orangeville District—Work Will Be Completed End of June

Following up the farm management (or farm business) surveys of the dairying districts in Oxford and Dundas Counties, and that of the beef raising section of North Middlesex, a similar survey is to be made of the general farming section, surrounding the town of Orangeville, including the townships of Mono, Amaranth, East Luther, East Garafraxa, Erin and Caledon. The work is being carried on by the Department of Farm Management of the Ontario Agricultural College, Guelph.

Most farmers are now familiar with the nature of this work. Considerable publicity has been given to the recently published results of the Oxford and Dundas surveys, by the agricultural press—both the Farmers' Sun and the privately owned farm papers—and by the agricultural sections of several of the daily papers. Little more need be said in its favor than that it has the unqualified support of the executive of the United Farmers.

Very briefly the objects of conducting this work are: —

1. To obtain reliable information as to the financial condition of the mixed farming business in Ontario—under conditions as they actually exist on the average farm. Experiment stations cannot furnish information on farm business under average farm conditions. NOTE. The Oxford and Dundas reports contain figures which disprove the accusation so frequently heard that the farmer has been one of the greatest of war profiteers.

2. To discover just what methods of farming are proving most profitable in mixed farming districts. For example, does it pay to specialize in growing crops for sale, or is it more profitable to make live stock the chief branch of the business, with such crops as a mere side-line?

Mr. A. Leitch of Guelph, who is in charge of this work, will address the Farmers' Clubs in the townships mentioned above, at their regular meeting, and will explain in detail the nature of past surveys and the aims for the future. Orangeville district has been selected as being representative of a large part of the mixed farming area of the Province. The work necessary for this survey is collected by personal visit to each individual farm. An hour's time at most suits his convenience is asked of each farmer for this courtesy and an individual report of farm business along with the average farm and the best in the district so that he may see his strong points in his management. (No names of farmers are mentioned in any reports; farms are shown by number rather than by name).

Representatives of the College are already at work, and expect that it will be the middle of June before they have obtained the information required.

CONNOR.

A very happy gathering took place at the home of Mrs. McCulloch on Tuesday evening, April 29th., when members of the Connor Red Cross Society and other citizens of our community met to welcome home Robt. McCulloch, one of our gallant soldier boys. McCulloch has been overseas since early in the war and has been on active service in France since 1915. On account of his long absence and the length of time he had been at the front his homecoming aroused an unusual amount of interest. After the gathering had come to order, Rev. J. A. Matheson was called to the chair. When he had explained the object of the gathering and congratulated Pte. McCulloch on his safe return to his home and family Mr. Matheson read the following address:

Pte. Robt. McCulloch,

Dear Friend,—A number of your friends have met here tonight to welcome you back to the homeland and to spend with you a little time in an enjoyable way. We rejoice with all your dear ones that you have been spared to them, and that you have come safely through many of the struggles of the great war, in which so many of our bravest and best have laid down their lives. As citizens of this community and as your neighbors and friends we are proud of the stand you have taken in the cause of freedom, of all our God-given national and human rights and privileges.

You did not deem it a sacrifice, if need be, to die for your country, for your flag and for those righteous principles that the flag represents. All honor to the men who did their part so nobly and so well to stop the ravages of the Hun, to send him back so ignominiously to his own place and to apply to him a most drastic treatment by which the swelling of his head was so gloriously reduced. Please accept our congratulations on your noble service and safe return, and our best wishes for your future prosperity. Also please accept the accompanying gift as a small token of our high estimate of you.

Signed on behalf of Connor Red Cross Society.—Mrs. Guest, Mrs. Leggett, Mrs. Drummond, Mrs. Lee, Mrs. McElwain.

At the proper moment Mrs. Wm. Leggett presented Pte. McCulloch with a well-filled purse. The recipient made a brief response, expressing his gratitude in a few short sentences. Appropriate addresses were afterwards made by Messrs. G. Lee, J. G. Hassard and others. Refreshments were served later in the evening and a very pleasant time was then spent in music, dancing and other amusements.

FRAXA JUNCTION

Miss Gladys Armstrong, of Toronto, spent last week with her aunt, Mrs. Alf. Harrington.

We are sorry to learn that one of our neighbors, Mrs. Geo. Bramble, is not in the best of health. We hope for a speedy recovery.

Mr. Alf. Harrington spent a couple of days in Toronto last week.

Miss Viney Menary is visiting her sister, Mrs. Morris Johnston, of Bowling Green.

Miss Tillie Trimble is visiting her aunt, Mrs. E. R. Brown, of Cooksville.

Mr. Edmonds, of Sturgeon Falls, is spending a few days with Mr. W. E. Prust.

WALDEMAR

Owing to the incessant rains the farmers in this community find it difficult to get in their seed.

A branch of the Imperial Bank has been opened in our town and is doing a rushing business.

Mrs. J. Street, of Toronto, is visiting her parents, Mr. and Mrs. David Tate.

Mr. Tony Grosskurth has taken a position in the Imperial Bank in Grand Valley.

Mr. Robt. Rodgers, who has been employed in the Wrigley Gum Factory, is home again getting ready for the busy season at Flower Bower Inn.

Mr. Garfield Tolton has taken a position as apprentice in the Butler garage.

Mr. Robt. Carter has purchased a new Chevrolet. Too bad the Seventh Line is so bad, Bob.

Mr. Evan Gamble has returned from the West.

Miss Ruby Macleod has taken a position in the Waldemar Busy Store.

We wonder what attraction Bill D. has in our town.

Mr. Regan, of Toronto, has returned to his summer home, Burdock Bower.

Miss Idell Grosskurth spent Sunday with friends in Waldemar.

Mr. Geo. Gamble has purchased the Miller estate on Station St. and intends turning it into a Community Hall.

Mrs. Keast has returned to town after meeting her son, Sammy, in Kitchener. Sam has seen three years service in France. Another son, Lt. Jack, is expected home this month.

We are glad to see Fred Tate in our town once more.

The last Dance of the season was held last Thursday evening, when about twenty-five young people spent a very pleasant time in tripping the light fantastic toe. The merrymakers afterwards adjourned to the Ice Cream Parlor, where a suitable luncheon was served.

Mr. Roy Burch, of Toronto, spent Sunday with friends in Waldemar.

Wedding bells will be ringing in our vicinity shortly. We wish the young couple every happiness.

Mr. Watkins has been engaged with Mr. L. Sinclair for the summer.

Mr. Art Reid has been doing a rushing business shipping potatoes.

LAUREL

Seeding is somewhat backward on account of the continued rains.

Car season has now come, but the roads are not too good for decent motoring.

Rev. J. A. Reddon, late of Everett, has taken charge of the services in the Presbyterian church here for the last two Sundays.

The local baseball club has been reorganized with the following officers:—

President—Herb. Hughes.
Sec.-Treasurer—Oliver Ewing.
Captain—John Maltby.

Maltby is a veteran of the Great War and owing to injuries may not be able to play the game. However, Jack is a live wire and will gather a strong team.

Mr. James Bryan and his sons, Wilson and Clarence, motored to Toronto on Sunday to meet their son and brother, Roy, upon his return from overseas. They arrived home on Sunday night accompanied by the young soldier, who is looking well after his arduous and trying experiences at the front. On Monday night a big reception was held at the Bryan home for Roy and his brother, Elmer, a 164th Batt. man, who arrived home last March. Upwards of one hundred neighbors and friends attended the event. A delightful time was spent in dancing, music and other amusements.

BLOUNT INSTITUTE

The Blount Women's Institute held its regular yearly business meeting at the school with ten members present and the President in the chair. The meeting was opened with the singing of The Maple Leaf. The minutes of the previous meeting were then read and adopted. The new officers for the year were elected as follows:

President, Mrs. G. Woods; 1st Vice President, Mrs. J. J. Crozier; Secretary, Miss Ruby Reid; Asst. Secretary, Miss Myrtle Dodds; Organist, Miss Myrtle Dodds; Program Committee, Misses M. Dodds, G. Crozier, S. Rayburn, M. Williams and R. Reid.

Garden seeds were then distributed. Luncheon was served and the meeting closed with the National Anthem. The next meeting will be held at the home of Mrs. J. Reid.

PROGRESSIVE ALTON

The citizens of the neighboring village of Alton are progressive as well as busy and enterprising. Their latest move is to organize a Board of Trade, a step that a great many larger places could very well copy. The organization was launched on Monday night. Mr. W. G. Chantler, a general merchant, is the President and Mr. L. Lemon, another well-known citizen is the Secretary. The Board will devote its energies to the task of furthering the interests of the village in a business way.

MARSVILLE INSTITUTE

Marsville Women's Institute has completed another year's useful work in Red Cross and Belgian Relief work as shown by the reports submitted at the annual meeting last week. Mrs. W. Donaldson, President, and Mrs. S. Price, Secretary-Treasurer, were the old officers re-elected. With a membership of 53 the Institute has raised $688. Eleven meetings were held during the year with an aggregate attendance of 372. The Society forwarded to headquarters, 184 pair of socks, 100 suits of pyjamas, 48 surgical gowns, 187 towels, 4 shirts, 2 stretcher caps and 98 p.p. bags.

The contributions for Belgian Relief were, 38 prs. socks, 9 pyjamas, 31 nightgowns, 12 towels, 9 pr. bloomers with waists, 6 prs. stockings, 4 sheets, 6 pillow slips, 4 men's overcoats, 7 men's flannel shirts, 3 bags suits, 10 ladies' coats, 10 pr. bloomers, 9 girls' dresses, 8 quilts, 4 flannel petticoats, 3 skirts and waists and a quantity of second hand clothes for children, boots, rubbers, sweaters, caps, middies. 35 boxes were packed for boys overseas. The Institute will still continue to support its two Belgian orphans. The members wish to thank all who so kindly helped them with donations.

CALEDON FARMER SELLS

Mr. R. J. Donaldson has recently sold his 100 acre farm, part of lot 23, 4th line, east, Caledon, to Mr. A. C. Madill, a Great War veteran, who is paying $4500 for the property. The sale was made through the Soldier Settlement Board and is the first sale of the kind in this district. Mr. Donaldson has also sold over $2000 worth of stock and implements to Mr. Madill, who paid him an even $1000 for three horses and three cows. The purchaser gets immediate possession. Mr. Donaldson will probably take the summer off before buying another farm.

HORSE ROUTES

The Purebred Clydesdale Stallion, Baron Northland (17848), the property of Mr. W. F. Cooney, will leave his own stable at Laurel every Monday morning and proceed to Mr. John Staveley's, Whittington, for noon and to J. Freemantle's, Elba, for night. Tuesday he will go to McGrath's stables, Shelburne, for noon and over night and on Wednesday morning will return to his own stable where he will remain until the following Monday. Baron Northland is a handsome dark bay horse standing about 16 hands high. He is superbly bred and has proved himself an excellent sire. Farmers are invited to see him before they breed their mares.

Black Peer, a Purebred Imported Clydesdale Stallion, the property of Ray and M. J. Leggett, Connor, Ont., will make the present season at his own stable, lot 3, con. 3, Adjala twp. Black Peer (13806) (16479) is a handsome black horse of the very best breeding and has made a splendid record as a sire. He is a son of Ruby Pride (12344) who was sired by the famous Baron's Pride, rightly regarded as the best breeding horse in Scotland. Baron's Pride was sire in one season of the Cawdor Cup champion mare, the Glasgow Aged Premium horse, the male champions at Kilmarnoch, Ayr, Glasgow, Edinburgh the Royal and the Highland and the female champions at the Royal, Ayr and Edinburgh. Farmers of the Adjala district are fortunate to have a horse of Black Peer's breeding and outstanding qualities at their service for breeding purposes.

SCOTTISH GEM

THE PURE-BRED IMPORTED CLYDESDALE STALLION

This celebrated Stallion has been purchased by Mr. John Suggitt, of Orangeville, and will make the present season in Orangeville and neighborhood.

Scottish Gem, Imp. 12560, 16260; Brown; face, nigh, fore and hind legs white, foaled June 1909; bred by Col. Blackburn, Killearn, Stirlingshire, Scotland; imported in August 1911 by Crawford & McLachlan, Thedford, Ontario.

Sire—Scotland's Choice (12398) 13732 by Revelanta, 6633, 11876, dam of sire, Polly of Pittentian, 13466, 13520.

Dam—Jenny of Killearn, 23448, by Flashwood Prince, 4844, 10751. Dam of dam, Nellie of Killearn, 12853, 17373.

Scottish Gem was successfully shown as a yearling in 1910 under the Strathendrick Agricultural Society. 1st in his class and winner of the Clydesdale Horse Society's medal, Buchlyvie and Gartmore Society. 2nd in a very strong class at Killearn. 1st in his class and first reserve for championship in Clydesdale section Loch Lomond Union Show. In 1911 at Strathendrick he was placed next to Wooded Favorite, but was on that occasion a clear winner in the opinion of many expert judges. He also won first place in a class of seventeen. In 1912 he won 2nd in a class of fifteen and 1st from all horses from Lambton, one of them being the horse that was 2nd in 1911. He was 2nd in Mitchell in 1916.

Scottish Gem has in his veins the blood of the finest breeding horses right back to the First Volume of the Stud Book. He possesses royal breeding and individual merit, is a superbly put together horse, with beautiful bone, fine silky hair and good feet and ankles. He has good action and a fine even temper so valuable in a sire. He stood for three seasons in one barn and has amply proved his superior qualities as a sire and a sure foal getter. Farmers having good breeding mares will get a superior class of stock by breeding to Scottish Gem.

Owners of mares who wish to keep a record of his breeding are asked to preserve this as the owner is not putting out bills. Full route, terms, etc. announced later.

GAY'S PATENT

DOUBLE TREAD DOUBLE STRENGTH TIRE SYSTEM

Will give—and has given—entire satisfaction. By this system of doubling up your half-worn or rim-cut tires we give you a sand, water, and friction proof tire, yes and 90 per cent. puncture proof. Our tires have now stood the test for five years over some of the worst roads in Ontario.

Remember we do not sew them. There are no stitches to rip; we do not bolt them and leave open spaces for sand and water to enter. Sand and water between the two casings causes friction. Friction is the great enemy not only of the tubes, but it destroys the fabric which is the strength and foundation of every tire.

Our tires are as cool in the hottest day in summer as any tire you ever had on your car. By our system we thoroughly vulcanize the two casings together and in no case do we double them until all breaks in the fabric and rubber have been repaired. Next we hand rivet our patent sectional plates, which you will see by above cut, take care of every inch of the edge of the outer casing. Next we vulcanize a three ply reliner in every tire, making it as smooth for the tube as any new tire. By our System we are putting to work again, hundred of tires that formerly were thrown on the scrap pile.

Scores of men have written us, from different parts of Ontario about the great mileage they have had, and no puncture.

What did it cost them? For example, take two 30 x 3½ Tires, one is rim cut but still has a fair amount of rubber tread, the other has a good rim and fabric, but the tread is worn off. We take these two, and make one out of them and send back a complete tire ready for the car for $6.50, express charges would amount to about say $1.00 in all $7.50. Some write they have had 5-7-10-12 and some as high as 15 thousand miles, and that from tires theycould not use any more. If interested write us and we will send you our price list covering other sizes.

Now as to why our tires are almost 100 per cent puncture proof, take a 30 x 3½ tire, it has four layers of fabric. We double them, it now has eight, then we reline it with a three-ply reliner, it now has eleven layers of fabric all thoroughly vulcanized together. You can readily see tacks and small nails have no chance.

A fair trial is all we ask. Use a good tube and do not allow air pressure to go below 50 lbs. and you will get the best of results.

When sending us tires prepay express charges.

Maxwell—a car improved each day

More miles per gallon
More miles on tires

THERE is nothing like doing one thing year after year because, it always results in doing the thing well.

This is the underlying thought in every Maxwell.

It is why 300,000 Maxwells have been built on the original chassis plan. Each day this car grows better. Each day it is improved somewhere.

There never has been a radical change in design. There never has been a departure from the original idea.

Still there have been more than 1000 improvements made in this car since the first one was built.

Every time a chance was seen to make it better the improvement was made.

That's why a Maxwell runs on and on in almost endless mileage; why it grows better as it grows older; why it stands the moods of the careless driver.

No one has ever criticized the Maxwell on the grounds of reliability.

No one can criticize it on the grounds of good looks.

For there have been 24 recent improvements in its appearance.

See the Maxwell today and then get your check book ready.

Tuesday morning of last week, Charles Reburn of Shelburne received a telegram announcing the death of his sister, Mrs. C. Fox at Heisler, Alta. Her death occurred the day previous . Mrs. Fox, who was about 55 years of age, was born and raised at Whitfield, but had resided in the West for over 25 years.

DROVE TEAM OF OXEN TO CHICAGO

At Age of 74, Farmer Can Do As Much Work As 20-Year-Old Boy — Praises Tanlac.

"Well, sir, five years before I started taking Tanlac my troubles made me quit farm work, but now I feel so good I believe I could whirl in and sow much oats as I did when I was a young man of twenty," declared George Heinz, Sr., who lives three miles west of Peoria, Ill. on R.F.D. route No. 1, a few days ago. Mr. Heinz has lived on his farm for fifty years and is well and favorably known to a great many persons in that vicinity.

"When my wife and I first settled here," continued Mr. Heinz, "Peoria was just a small village and when we would have to have anything they didn't keep in town I'd just hook up a team of oxen and go to Chicago, because we didn't have any railroad to Chicago in those days. I worked pretty hard on the farm up till the time I'm telling you about when stomach trouble knocked me out and I had rheumatism in my left knee so bad my wife would put hot poultices on it to try and rid me of the pain. My stomach got in such bad shape that I couldn't take anything but liquids or soft things to eat and I tell you I got mighty tired eating that sort of stuff but I did it to keep from suffering.

"If I'd so much as eat meat or potatoes my stomach would cramp me nearly to death, and I would bloat up and sometimes it would be hours before I'd get any ease from the pain. Of course, I felt like maybe my age had something to do with my bad stomach and rheumatism, as I'm 74 now, but I had always been strong and hearty and I just hated to give up hope. I took all sorts of medicines but nothing seemed to do me any good at all and I was right on the point of giving up when I heard what Tanlac had done for people in Peoria and surrounding towns. I know a lot of people about here and some of them told me I ought to take it. I was in a pretty bad shape sure enough but after all I had heard about Tanlac I thought I'd take just one more chance and so I bought a bottle.

"Well, sir, that first bottle I took made me sleep better and kept my stomach from hurting me when I ate, and seemed to put more life into me than I had had for a long time. I could tell right away that it was doing the work for me and I had the boy get 3 more bottles and they did so much good I just couldn't help but go out and do a little work around the place and I began to eat just like I used to and I could sleep like a log and my stomach didn't hurt me at all; in fact, I found that I could eat just anything without being bothered and the rheumatism in my legs eased up so I made up my mind to stick to Tanlac, because I know it's going to rid me of that trouble. I've bought six bottles and I shall always bless the day I got that first bottle of Tanlac and I want all my friends to know what it has done for me and they know I'm not the sort to put my name back of anything that isn't just right."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by F. E. A. Wade, and in Grand Valley by W. T. Edmonson."

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

POTATOES.

Kind of Seed to Use and Best Time for Planting.

The yield of potatoes throughout Canada would be very much increased if everyone who grew potatoes used seed of the strongest vitality, free from disease. While the variety used is important, the quality of the seed often makes much more difference in the yield than the variety.

Seed potatoes from a crop which grew vigorously until the tops were cut down by frost in autumn usually give much better returns than those from a crop where the tops dried up in the middle of summer. There are parts of Canada where the former conditions obtain, as a rule, and it is from such places that the most vigorous seed is usually obtained.

In 1918 the best seed of the Green Mountain potato yielded at the rate of 387 bushels per acre while the poorest seed yielded only 57 bushels per acre at Ottawa. In the case of Irish Cobbler, the best seed yielded at the rate of 616 bushels per acre while poor seed yielded only 26 bushels per acre, a remarkable difference. Just as striking differences have been obtained in other years.

Each grower of potatoes should aim to have a full stand of plants in the field and to have every plant a vigorous and healthy one. There is often a large proportion of misses in potato fields and a still larger proportion of weak and diseased plants which lessen the yield enormously.

Experiments have been tried in different parts of Canada to determine the best time to plant potatoes for highest yields, and from these experiments and the experience of the best growers, the following dates are suggested as being the best: Prince Edward Island, June 1-7; Nova Scotia, June 1-15; New Brunswick, June 1-15; Quebec, May 15 to June 15, depending on the part of the province; Ontario, May 1 to June 15, depending on what part of the province; Manitoba, May 10-15; Saskatchewan, May 10-24; Alberta, May 10-24; British Columbia, April 1 to May 15, depending on what part of the province. The tendency has been in most places in Canada to plant later than is desirable for highest yields. From results obtained, the following general recommendation is made:

Where the spring is early and autumn frosts early, plant early. Where dry, plant early. Where the spring is late and autumn frosts are late, early planting is not so important. Where the spring is early and autumn frosts are early, plant as soon as soil is dry enough.

Old Mill on the Humber; Seeking a Site; The Founding of Mono Mills; Early Settlers' Privations.

(By Thomas McLaughlin.)

No. 1.

Most of us here in Toronto are familiar with the Humber river where it empties into the bay. Some of us may have explored the stream a short way up its course, say to the famous Old Mill, near Bloor street. How many of us have ever stopped to consider where the other end of the river might be, and how far away? How many of us realize that near the source of the Humber there was another old mill, that many years ago was the hub of as active and progressive a community as the old Province of Upper Canada then could boast of.

A Journey in 1824.

It was in the year 1824 that a young man left the town of Omagh, in the County of Tyrone, Ireland, to seek his fortunes in the western world; over six feet in height, with the shoulders and frame of a young giant, equipped with a thorough knowledge of the subjects taught in the National schools, as well as an acquaintance with surveying, applied geometry and mechanics, full of energy and determined to succeed. After the usual weeks of sailing he reached Quebec, but the language of the dwellers there did not fall harmoniously on his Irish ear, so he continued the trip west, passing Montreal, where the foreign speech again prevailed; keeping along the waterfront through Kingston, hearing of By-town (Ottawa) there, but continuing his journey until he reached Little York (Toronto), where he stayed long enough to acquaint himself with the local geography of the modest settlement. For generations his family had been millers and mill owners in the Old Land, and it was his ambition to follow in the same line of industry here. But where, or how?

MICHAEL McLAUGHLIN,
Pioneer-founder of Mono Mills

Along the Humber.

After a few weeks in Little York he got together [illegible] supplies and started, [illegible] on his search for a site for a mill. At this time there was no mill in the townships to the northwest of York. There was one at Holland Landing, and this [illegible] was the only one in the whole north territory. So along the banks of the Humber he travelled, through thinly settled spaces, till, on the third day, he came to the point where the river takes its rise, on concession four, township of Mono, some forty-three miles in a northwesterly direction from Toronto. There was only an occasional settler in the neighborhood, the whole township being practically an unbroken wilderness. But while human-kind were few in number, they made up in warmth of greeting, for the latch string hung outside, literally and figuratively, for the travelling stranger to enter. What bread these early settlers ate was mostly made from flour pulverized from the wheat or Indian corn placed in the hollow of a stump and actually "clubbed," to a coarse meal, afterwards sifted through a roughly constructed sieve made of strips of dried skin. As an alternative they might carry a bag of wheat thirty miles across country to the mill at Holland Landing, and carry back part of a bag of flour! For there were no highways in the townships in those days. There were paths marked here and there by "blazed" trees, and heaven help the wanderer who missed the blaze, for he was apt to become the prey of a bear or wolf.

McLaughlin's Grave, Mono Mills

A Pioneer Townsite.

This, then, was the condition of the "settlement," as Michael McLaughlin from Tyrone found it the day he located the head of the Humber back among the hills of Mono. The prospect could not have appeared too encouraging. Although the nearest mill was thirty miles away, there would not seem to be at that time a very great need for milling, so little grain was there grown. But he reasoned that a mill would be a prime attraction to settlers, and the subsequent history of the undertaking justified his opinion. So, retracing his steps about three miles, he came to what appealed to him as a suitable mill site, where, in a distance of some nine hundred feet in length, a "fall" of 30 feet could be developed. This was on the corner of lot 1, Con. 7, Mono, where the townships of Mono, Caledon and Albion meet, and which thus became the "townsite" of the future Mono Mills, a village that was as well known to the people of Western Ontario sixty years ago as Owen Sound is today.

The remission of duty on traction attachments designed and imported to be combined with automobiles for use as traction engines for farm purposes is authorized by the following order in council passed on February 20:

His Excellency the Governor-General in Council, on the recommendation of the Minister of Finance, and under the provisions of Section 92 of the Consolidated Revenue and Audit Act, is pleased to order and it is hereby ordered that from the seventh day of February, 1919, and until otherwise provided for, authority be granted for remission and refund of the customs duty on traction attachments designed and imported to be combined with automobiles in Canada for use as traction engines for farm purposes and parts thereof for repairs.

TELEPHONING THE TAILOR.

A newly arrived lieutenant was very spick-and-span, and his riding breeches especially fitted him like a glove.

Followed several days of steady rain, and the breeches shrank considerably so that they were lamentably tight. To fit himself with a new pair out there on the spur of the moment was out of the question, so he told his soldier servant to get the regimental tailor to put a "V" in the seat.

Even then, however, the breeches proved uncomfortable, and the officer ordered his servant to telephone to the tailor to come round that evening and make still further alterations.

The servant went into the next room where the 'phone was, and this is the message he sent over it:

"Say, Mr. Tailor, will ye mind runfing round tonight about my bloke's breeches. He wants you to change that 'V' to a 'W.'"

SURPRISE PARTY

About thirty friends and neighbors of Mrs. F. H. Arkell, First Street, gathered at her home on Tuesday evening to surprise her and celebrate her birthday. The guests gathered during Mrs. Arkell's absence uptown and completely surprised her. The house was lovely, the tables being decorated with pretty spring flowers. All sat down and did justice to the good things provided. During the evening Mrs. Arkell was presented with a boquet of sweet peas and carnations, the presentation being made by Miss Alice Patterson. Mrs. Wm. Sproule read the following address: Dear Mrs. Arkell,

We, your friends and neighbors have gathered together for the purpose of congratulating you on your birthday. It is a great pleasure for us to be here with you and help you celebrate. We ask you to accept this bouquet of flowers as a token of our love and esteem and we wish you very many happy returns of the day. That your future years may glide happily away, without care or sorrow, is our sincere prayer. Signed on behalf of your friends and neighbors,—Mrs. Jno. Patterson, Mrs. D. Young.

The Easiest Way To Invest

Canada, following the example of other Allied countries, has made it possible for wage earners—men and women—to invest in safe securities without effort.

These securities are called War Savings Stamps.

The cost now $4.04, but by compounding interest, the $4.04 you invest now will be worth $5.00 in 1924. There is no other security in which you can invest such a small amount that is as safe and that bears so high a rate of interest.

In May W-S.S. Cost $4.04

In June W-S.S. Cost $4.05

Or you can start with 25 cents, by buying a Thrift Stamp. When you have sixteen Thrift Stamps, you can exchange them for a War Savings Stamp.

You take no risks. The Government of Canada guarantees to pay you back your money — with interest — at any time during the five years, or to pay you in 1924 $5.00 for every $4.00 (and a fraction) you invest now.

CAMPING IN WALES

Canadian Soldier Tells of Scenery and Fine Climate of Rhyl.

Mr. Alexander McMaster, of Snelgrove, has received the following letter from Geo. G. Atkinson, who formerly taught in the Mono College School:—

Kenmel Park Camp, N. Wales.
April 16th., 1919.

Dear Alex.—

No doubt you will surprised to receive this letter as you will expect that I will be in Canada now. However I am still in England but am getting closer to Canada all the time. I expect to be home by the 24th of May and that will suit me alright.

Well Alex., I have certainly seen the biggest part of England and since I have come over I have been in 6 camps. The first one was Frensham Pond, the next one Witley, the next Avington Park, Winchester, then Bordon Camp, then Witley Camp again, and the last Kinmel Park Camp.

We left Witley on Apr. 3rd for Kinmel Park Camp and I don't think I will forget that day. We left Witley at 8 o'clock and had a 2 mile march to the station with all our kit and equipment. I had two kit bags and I know each one weighed at least 50 lbs. Then I had all my equipment and also my great coat. You can imagine possibly what I thought of the army when I at last reached the station.

We were on the train all day and it was a very interesting trip altho' very tiresome because these English trains are not nearly so comfortable as the Canadian trains. Then again a train carrying soldiers is crowded to a greater extent than it would be if carrying passengers. We got to the town nearest the camp about 7 p.m. and when we at last arrived at camp we found we had only walked 3½ miles after we had got off the train.

This is the best part of England I have been in yet and reminds a fellow a good deal of Canada. Rhyl is the nearest town to the camp and it is one of England's large summer resorts. It borders on the coast and the climate here at present is delightful—such clear, blue skies and mild, invigorating air. It is certainly a healthy climate and I am afraid I will want to stay over here if they don't soon send me home.

Many of the wealthy people from London and other large cities of England come to Rhyl to spend their holidays by the sea-side. Judging by the extent of the preparations the civic authorities evidently contemplate having an increase in the number of holiday-makers this year. They won't be disappointed either since this is the first season since the war stopped. It means considerable to these people because in one sense it is their harvest and on visiting the town at this Easter season, a person comes to the conclusion that these people mean to keep up, or even surpass the reputation, of former years.

The last time I was in Rhyl the streets were so full of soldiers that a person could not walk around. It was on a Saturday night and there were between 5000 and 6000 soldiers there. Can you imagine a town a little larger than Orangeville having 6000 people besides its own? All the restaurants, theatres, etc. had full houses and some had a line-up for a hundred yards or more down the street.

I expect you will be getting ready for seeding by the time you receive this letter. I must try to get up to see you when I get back. I have quite a few places to visit and I am afraid if I go to everyone I will not get time to do any work for over a year. Of course that won't do and as I have lost over a year I will have to make up for lost time.

My brother went back to his position but got a promotion so I expect he will have a real job now. The banks are certainly using their men, who left theirs jobs when then enlisted, well. They all get either their old jobs back or a better one and in the majority of cases it is the latter.

Well Alex. I am afraid you will have an extremely difficult task ahead of you to read this scribble so I will have to close. Then again they say paper is scarce on this side but it doesn't look like it does it? Be sure and remember me to the rest I am.

Yours sincerely,
Geo. G. Atkinson.

THE METHODIST CHURCH

There was a unique Installation service held in the Methodist Church last Sunday morning. The pastor, Rev. E. R. Young, preached from II. Peter 1 : 1-8, and spoke of the efficiency demanded today from the individual and the institution. The inefficient is swept aside with little consideration or pity today. The world demands the hundred-point man. In a big store, noted for its successful service to the public, there was a motto in every department: "It is imperative that this department show one hundred per cent. efficiency to the firm." How proud people were to show 100 p.c. success to the country in the Victory Loan! Should any less standard be taken for efficiency in the all-important work that we have to do in the Church?

After the sermon the members of the Quarterly Board were called to their feet and the Recording Steward, Mr. Elmer Still, was called to the platform. The pastor read out the obligation of these officers which they took and for whom the Recording Steward responded. The other officers of the different departments and organizations were called to their feet and made their promises of fidelity to trust. Special emphasis was made at this service of the work of the Sunday School. Mr. W. R. Liddy, the new Superintendent, was also called to thepulpit and with his officers and teachers and School Board of Management, took his vows of obligation. He gave a short exhortation to the people as to what a Superintendent might also expect of them. Mr. Jessop is making his impression on the Choir and the leadership in music and the splendid anthems are fully appreciated.

The Church has closed one of the most successful years, financially, in its history. The total of the contributions for Missions from the different Missionary organizations and departments is $1576.

The Men's Association met last Wednesday evening and had a very pleasant time. The chief item on the programme was an address by our local Member of Parliament, Mr. C. R. McKeown, who explained to the men present why the Ontario Government thought it best to submit the liquor question to the people in four questions instead of only one. It was thought that even if one decided answer came in, the other, or some of the other, questions would have to be submitted to the people for their mandate. Therefore it was thought best to submit them all at once. Temperance people can put their NO to every question and give their answer once for all and people of another color can also feel that they have had a chance to test the strength of their following. Mr. M. N. Armstrong, the President of the Men's Association, presided.

The members and friends of the Methodist Choir tendered their retiring Leader, Mr. F. A. Falconer, with an At Home and an address full of kindly esteem and appreciation of his good work. The event took place on Wednesday evening, May 7th., at the home of Miss Gladys Ewing. A very pleasant evening was spent. The kind words of appreciation and the good wishes of the choir were added to by Dr. Price and the pastor, Rev. E. R. Young, who spoke for themselves and the congregation.

STRENGTH FOR THE DAY'S WORK

DEPENDS UPON GOOD BLOOD TO NOURISH THE BODY

Weak People Need a Tonic, One Which Acts Directly Upon the Blood and that Does Not Weaken the Body by Useless Purging.

There are thousands of people throughout Canada who are without ambition or strength to do their day's work, and who are always tired out, have but little appetite and a poor digestion. They cannot get a refreshing night's sleep and are subject to headaches, backaches, and nervousness because their blood is impure. To men and women in this condition Dr. Williams' Pink Pills give quick relief and permanent cure because of their direct action in the blood which they build up to its normal strength. As the blood becomes rich and red it strengthens the muscles, tones up the nerves, makes the stomach capable of digesting food, and repairs the wastes caused by worry or work. In a word, the use of Dr. Williams' Pink Pills means restoration to perfect health.

BLOOD TURNED TO WATER.

Miss Jessie McLean, Trenton, N.S., says:—"I was as weak as it was possible for any one to be, and yet be able to go about. My blood seemed to have turned almost to water. I was pale, the least exertion would leave me breathless, and when I went up stairs I would have to stop and rest on the way. I often had severe headaches, and at times my heart would palpitate alarmingly. A good friend urged me to try Dr. Williams' Pink Pills and I have reason to be grateful that I took the advice. Soon after beginning the use of the Pills I began to get stronger, and by the time I had taken seven boxes I felt that I was again enjoying good health. I think Dr. Williams' Pink Pills are a blessing to weak girls and I shall always warmly recommend them."

RHEUMATIC PAINS.

The sufferer from rheumatism who experiments with outward applications is only wasting valuable time and good money in depending upon such treatment, the trouble still remains, and is all the time becoming more firmly rooted—harder to cure when the proper treatment is applied. Treat this disease through the blood and you will soon be rid of the pains and tortures. As a cure for rheumatism Dr. Williams' Pink Pills are unequalled. They act directly on the impure weak blood; they purify and strengthen it, and so root out the cause of rheumatism. Mr. D. Lewis, postmaster at Escuminac, N.B., says: "I was attacked with rheumatism, which settled in my elbow, shoulder and knee joints, and at times caused me great suffering. The trouble was particularly severe last spring and I decided to try Dr. Williams' Pink Pills. After taking the Pills for some time the rheumatic pains and stiffness in the joints disappeared and I have not had any return of the trouble."

A GOOD DIGESTION.

Mrs. William Dale, Midland, Ont., says:—"I suffered for a long time from a severe form of indigestion, and had doctored so much without benefit that I had all but given up hope of getting better. Everything I ate caused me intense pain and some days I did not touch a thing but a cup of cold water, and even that distressed me. As a result I was very much run down, and slept so poorly that I dreaded night coming on. I was continually taking medicine, but was actually growing worse instead of better. Having often read the cures made by Dr. Williams' Pink Pills, I finally decided to give them a trial. I have had great cause to bless this decison, for by the time I had used a couple of boxes there was no doubt the pills were helping me, and in less time than I had anticipated the pills had cured me, and I was again enjoying not only good digestion, but better health in every way than before."

ALWAYS FEELS FIT.

The wonderful success of Dr. Williams' Pink Pills is due to the fact that they go right to the root of the disease in the blood, and by making the vital fluid rich and red strengthen every organ and every nerve, thus driving out disease and pain, and making weak, despondent people bright, active and strong. Mr. W. T. Johnson, one of the best known and most highly esteemed men in Lunenburg County, N.S., says:—"I am a Provincial Land Surveyor, and am exposed the greater part of the year to very hard work travelling through the forests by day and camping out by night, and I find the only thing that will keep me up to the mark is Dr. Williams' Pink Pills. When I leave home for a trip in the woods I am as interested in having my supply of pills as provisions, and on such occasions I take them regularly. The result is I am always fit. I never take cold, and can digest all kinds of food such as we have to put up with hastily cooked in the woods. Having proved the value of Dr. Williams' Pink Pills as a tonic and health builder, I am never without them and I lose no opportunity in recommending them to weak people I meet."

SKIN TROUBLE CURED.

Mrs. W. Ritchie, Parkbeg, Sask., says:—"Two years ago I was attacked with eczema on my hands. I tried almost everything that was advised, but as the trouble was growing worse I consulted a doctor and took his treatment for some time with no better results. By this time my hands were a mass of sores and I began to despair of finding a cure. A friend strongly advised me to try Dr. Williams' Pink Pills, and I decided to do so. After using two boxes I could see an improvement and I got a further supply. I used altogether eight boxes, by which time every trace of the eczema had disappeared and there has been not a single symptom of the trouble since that time. I gladly recommend Dr. Williams' Pink Pills for troubles of this kind."

Dr. Williams' Pink Pills should be kept in every home, and their occasional use will keep the blood pure and ward off illness. You can get these pills through any medicine dealer or by mail at 50c. a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HONOR FOR ORANGEVILLE PASTOR

Owing to an oversight The Banner has up to the present failed to chronicle the interesting fact that Rev. W. M. Morris, pastor of St. Andrew's Presbyterian Church, was honored with the office of President of the Ontario Trustees Association at the Easter week meetings of the Ontario Educational Association. The position is both honorable and responsible and the selection of Mr. Morris is a tribute to his interest in educational matters and his standing amongst the educationists of the province. The new President is Chairman of the Orangeville High School Board and has been active in local educational matters since he became a citizen of Orangeville some ten years ago. The Banner offers its hearty congratulations, even if they are somewhat belated.

Orangeville has had an interesting visitor for the last couple of weeks in the person of Mr. John Little, of Seattle. Mr. Little, who is a brother of Mrs. Jas. Hackett, Orangeville, and Mr. James Little, Glencross, left these parts thirty-five years ago and is now making his first visit to his boyhood home. He has lived in or visited most of the Pacific Coast cities and towns and has many interesting stories to tell of experiences that have befallen him since he left Mono township.

A number of the officers and members of Harris Masonic Lodge motored to Caledon East on Friday night and spent a very pleasant night as the guests of Peel Lodge of that place. During the night the visitors exemplified the work of the Entered Apprentice degree in a very creditable manner. Local craftsmen who made the trip were A. T. Howard, W.M., of Harris Lodge, Capt. A. Firth, J. L. Island, E. Still, Capt. W. J. Adams, Dr. Price, A. N. Adams, E. H. Sproule, J. B. Adamson, R. B. Henry, of Orangeville, Rev. T. R. White, of Alton, and Dr. Thomas and E. E. HUSTON-KING

Mr. Thomas Huston, Centre Road, Caledon, and Miss Mary King, daughter of Mr. and Mrs. Walton King, formerly of Orangeville, were quietly married at the home of the bride's parents, 35 Abbott Ave., Toronto, at 3 o'clock on Tuesday afternoon. The bride, who was given away by her father, wore a blue gabardine tailored suit and mauve hat. The wedding march was played by the groom's cousin, Miss Nan Huston, a former leader of St Andrew's church choir. The Banner joins the many friends of the popular couple in extending its hearty congratulations.

JUDGE WAITED OVER

Even the judiciary have to serve by waiting when soldier receptions are on. Chief Justice Falconbridge was up at Horning's Mills this week after some of the speckled beauties that abound in the waters thereabouts. Reeve Brett had promised to motor up Tuesday afternoon in time to bring the C.J. down to town to catch the train for Toronto, but making arrangements for the soldiers' reception at night delayed the Reeve so much that he was behind in his judicial date, and the C.J. consequently didn't get away until Wednesday morning. However, he took the delay in good part like a good all-round sport.—Economist.

VICTORIA DAY PICNIC

The congregation of Burns Church, Mono Centre, is making preparations to hold its annual Victoria Day Picnic on Saturday, May 24th. The event will take place in McCarston's grove, one of nature's beauty spots a short distance north of Mono Centre. There will be the usual attractive programme of baseball, games races and other amusements. Tea will be served by the ladies during the latter part of the afternoon. This picnic has always attracted a very large attendance and given favorable weather it is confidently expected that the attendance this year will eclipse all former records. Watch for posters giving full particulars.

Regular Monthly Meeting of the Orangeville Branch.

The regular monthly meeting of the local Branch of The Great War Veterans Association was held in the Club Rooms over Dr. Campbell's dental office at 8 o'clock last Thursday evening. The President, Col. J. A. V. Preston, called the meeting to order, after which the Secretary, Capt. A. Firth, read the minutes of the previous meeting.

The following officers were then elected:—

Pres.—Col. J. A. V. Preston.
1st Vice-Pres.—Mr. H. F. Ainsworth.
2nd Vice-Pres.—Mr. J. M. Aiken.
Sec.-Treas.—Capt. A. Firth.
Auditors—Mr. R. Robinson and Mr. H. E Firth

Executive Committee—Messrs. A. Cameron, T. J. Dawson and N. W. Byard.

Membership, Reception and Visiting Committee—J. M. Aiken, R. Robinson and H. F. Burridge.

Immediately after the adoption of the minutes the business on hand was taken up. An effort will be made to establish sub-branches in Shelburne and Grand Valley. The thanks of the Branch were unanimously tendered Judge Fisher for the interest he has shown since its organization and for the use of his pool table. The Branch expects to have its Rooms furnished in the near future. A Committee was appointed to look after the furnishings and to obtain several tables which one of our citizens has kindly placed at the disposal of the members. Votes of thanks were also tendered St. Mark's church and the Canadian Club for the very enjoyable time spent at the banquets which they gave to the returned men on April 22nd and 25th. In connection with these votes an amusing bit of repartee occurred. The Secretary happened to make the remark that our good times seemed to always come at once and that it was either a feast or a famine, as it were. Comrade Aiken arose with a smile and remarked that he had noticed that the worthy secretary did perfect justice to both even if they were only three days apart.

Matters affecting the interests of local dependents of soldiers overseas were dealt with and the Secretary was instructed to write the corporations of Orangeville, Shelburne and Grand Valley requesting that whenever positions in their gift are open they be given to returned men. Comrade H. F. Ainsworth was appointed to represent the local Branch at the convention of the Provincial Command to be held in Windsor on May 14, 15 and 16. The membership of the local Branch is at present 38—9 of whom were initiated Thursday night.

After the singing of the National Anthem the meeting adjourned until May 15th at 8 p.m., when it is expected that several more returned men will be made members. A full attendance of the members is requested at this meeting.

THE BEST MEDICINE FOR LITTLE ONES

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the Tablets always do just what is claimed for them and that they may be given with perfect safety to children of all ages. Concerning them Mrs. Jos Therrien, St. Gabriel de Brandon, Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the Tablets, but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

JESSIE ALEXANDER RECITAL WELL ATTENDED

That Jessie Alexander is still a name to conjure with was abundantly demonstrated on Monday night when St. Andrew's church was crowded to the doors to hear this oldtime favorite give one of her delightful programmes. The gifted entertainer proved as irresistibly charming as ever and was called on for an encore after every appearance. She responded with the greatest of good nature, thereby giving her audience practically a double program. Her numbers were all ably given, but while conceding her skill and ability as an entertainer it remains to be added that one of Miss Alexander's chief assets on the platform is her captivating manner which at once enlists the interest and good-will of her auditors. Outside of Miss Alexander's, or to speak correctly Mrs. Roberts' numbers, the programme included a piano duet by Misses Louise and Alice McGuire, solos by Mrs. R. E. Jackson and Mr. J. E. Jessop, both of whom were heartily encored, and an organ solo by Miss Dorothea Browne. Miss Browne also acted as accompanist. Dr. Campbell performed the duties of chairman in an acceptable manner. The recital was given under the auspices of the Ladies' Aid Society, which is to be complimented on the excellence of the programme and the fine audience the entertainer attracted. The proceeds amounted to $140.

"ALL A MISTAKE"

Caledon Methodists have arranged to have the Cheltenham Dramatic Club present their popular play "All a Mistake" in the Caledon Town Hall on Friday evening, May 23rd. The play is a four act performance and is said to be clean, bright and entertaining. The well-known Campbell orchestra will play before the curtain rises and also between acts. Doors open at 7.30; Play at 8.30, standard time. Children, 20 cents; adults, 35 cents.

To the Members, Present and Prospective OF Caledon Agricultural Society

Last year a number of changes were made in connection with our prize list, some of them being quite radical. Some were heartily approved while others were considered unsatisfactory.

Now we believe that if the rural fall fair is to serve the best interests of the community, there must be a greater co-operation of the members and exhibitors with the board of directors.

Therefore we are asking you, who contribute largely to the success of the fair, for suggestions as to its improvement. Or if you have a "kick" not yet delivered, let us have it so that we may remedy the matter.

Kindly let us have your ideas in time for the next meeting, May the 6th.

CALEDON AGRICULTURAL SOCIETY,

E. E. WILSON, Pres. W. J. ATKINSON, Sec., Caledon P. O.

CHI-NAMEL DEMONSTRATION

Come and see the demonstration of Chi-Namel at our store on dates given below and learn the beauty and economy of Chi-Namel Products for home decoration.

If you have an old dirty softwood or previously painted floor, try your hand at graining and see for yourself how fascinating and easy it is—you can learn to grain in 5 minutes.

FACTORY EXPERT WILL DEMONSTRATE

No matter what you desire to refinish—new or old, hard or soft wood floors, furniture, woodwork, walls, doors, fixtures, picture frames, screens, screen doors, radiators, bric-a-brac, autos, carriages or wood, metal, plaster, cement, brick or stone, we want to show you the Chi-Namel Product best fitted for that particular purpose and easiest for amateurs to apply without laps or brush marks.

Chi-Namel Finishes are the highest quality products possible to produce. They embody a different and better principle of manufacture employing a remarkable WATERPROOF, SELF-LEVELING CHINESE OIL which is imported at great expense and subjected to many expensive secret processes to produce Chi-Namel. Come and bring your friends—we cordially invite everybody.

THIS COUPON is good for one 25c Can of Chi-Namel Varnish upon the purchase of one new 15c brush (merely to insure a fair trial) during our CHI-NAMEL DEMONSTRATION. (Dates given below.) If larger can is desired, coupon will apply as 25c against purchase price.

WAR GRATUITIES

The Militia Department has issued the following information in regard to the payment of war gratuity with a view to clearing up some points misunderstood: The statutory declaration forwarded through the district paymaster of the military district in which the applicant was discharged, after a certificate has been attached showing the amount of post discharge pay already paid. In the case of any applicant whose claim was forwarded to the district paymaster of the district in which he was discharged prior to April 17, and who has not received either a cheque or a communication in connection with this claim, notification should be sent to the Paymaster-General, militia headquarters, Ottawa, advising the date on which the statutory declaration was forwarded and the military district in which the soldier was discharged.

Rev. Neil Campbell of Central Church, Guthrie, and St. Andrew's Church, Oro, was presented with a well-filled purse, and his wife with a silver tea service on celebrating the silver jubilee of his connection with those charges.

$4 Saved Two Fingers

The fingers were those of Mr. J. W. Besnard, of 539 Craig St. E., Montreal. He says, —"A falling beam badly smashed my hand. Two fingers were so severely crushed that the doctors said they would have to be amputated. Naturally I didn't want this, so decided to try Zam-Buk first. I applied Zam-Buk daily, and by the time I had used $4 worth, the injury was completely healed. My fingers were saved!"

Just another illustration of the healing power of Zam-Buk. Accidents will happen. It may be your turn next. Better get a box and keep it handy. Accidents are less frequent than skin diseases, and remember this—

Zam-Buk is just as good for eczema, ulcers, skin diseases, and piles, as for cuts, burns, bruises.

All druggists and stores 50c. box, or 3 for $1.25. Refuse substitutes.

BARON HAMLET

(2827) 6090 (12757)

Sired by the world renowned Baron's Pride (9122). Dam, That wonderful brood mare, Banks' Daisy (10133). will be kept for service during the season of 1919 at the stables of his owner, lot 15, 2nd line east, Caledon.

TERMS.—To insure a foal, $15, payable February 1st, 1920. Parties calling and settling their account on or before February 1st, 1920, will be given a discount of One Dollar.

Parties trying their mares and not returning them regularly to the Horse will be charged full insurance whether in foal or not. Sale of mare renders fee due and payable. All accidents to mares at the risk of their owners.

BARON HAMLET was bred by James Rigg, High Banks, Kirkcudbright, Scotland, and imported by The Graham Renfrew Co., Bedford Park, Ontario. Of his Sire, Baron's Pride, nothing need be said, as it is well known that he was the best Clydesdale Sire that ever lived. BARON HAMLET'S Dam, Banks' Daisy, was Sired by HAMLET (4433). Gr. Dam —Fanny of Bombie (3104), by Sir Colin (3188), by Samson (741).

BARON HAMLET is a dark dapple bay horse, with a nice white stripe on face, off fore, and hind legs white. He is heavily built and low set, short backed, with a beautiful head and neck and massive bone and muscle.

BARON HAMLET is a prize winner whenever shown, having won second at Toronto and Chicago in 1906 as a two-year-old. He is a full brother to the noted show mare, White Heather, winner of first at Haddington and third at the H. & A. S. Show at Stirling, as a yearling. In 1901 she was second at Edinburgh, 1st at Berwick, and third at the H. & A. S. Show at Inverness; and in 1902 she was first at Carlyle, and the H. & A. S. Show at Aberdeen.

BARON HAMLET is also a full brother to the well known horse, Watchwood, winner of first at Castle-Douglas and Kilmarnock as a 2-year-old, and 1st at the Highland at Edinburgh as a three-year-old.

BARON HAMLET is also half-brother to Baron of Buchlyvie,, who was sold at Ayr, Scotland, on December 14th, 1911, for Forty Six Thousand Dollars at public auction.

BARON HAMLET proved himself a sure foal getter in 1918. Parties having Registered, or good grade mares, should not fail to see this horse before breeding their mares.

W. J. TRATHEN
Owner and Manager.

BARON HAMLET was inspected on the 29th day of October, 1912, when he was Passed and Approved, Form I. He has also been Enrolled for the year 1919 in Form I. in accordance with Chap. 67, Statutes of Ontario, 2 George V.

LIFE

CHAPTER I.

Bertie, the babe, reached out for the locket that swung from the chain about his mother's neck. He struggled till he got it, and then he put it towards his mouth, threw it away, unsatisfied, and tried for the watch that hung above.

CHAPTER II.

Bert, the child, saw the top in his brother's hand and, dropping the one he had, he endeavored to wrest it from his playmate's grasp. The struggle was a keen one. The aggressive one, however, conquered, and soon had the toy, while his brother lay sobbing on the floor. Bert examined the toy, played with it for a while, and, throwing it down, went out in search of some new pleasure, unsatisfied.

CHAPTER III.

Albert, the youth, entered an office. His duty was to copy the letters, index the letter book, run the messages, sweep and dust, and answer the 'phone. Above Bert was a young man who assisted on the books, and who never swept, dusted or copied letters, and when Albert beheld the work of the boy above him, he said: "If I could have his job, I would be satisfied." One day the youth left and Albert was given his job, but he was still unsatisfied.

CHAPTER IV.

Albert Fraser, now the young man, assisted on the books, adding up columns of figures and indexing the ledgers. But above him was the head book-keeper, who came down at nine o'clock and who left shortly after four. And Albert Fraser, seeing this man, hated his own work and said: "If I only had that position, I would be satisfied." The man died, and Albert Fraser was given his place, but he was not satisfied.

CHAPTER V.

Albert Fraser, Esquire, now the middle-aged, knew many men, and one man in particular, whom he admired to the point of envy. That man was the head of the firm, Hon. Mr. Honest, M.P., a great speaker and member of parliament, and when he spoke the world listened. So Albert Fraser, Esquire, was sure if he became a member of the firm, and associate of Hon. Mr. Honest, M.P., he would be perfectly satisfied. Fraser was a faithful fellow, and one day Hon. Mr. Honest took him into the business as junior partner. But he was still unsatisfied.

CHAPTER VI.

Behold Hon. Albert Fraser, M.P., head of the firm where he once was office boy, swept and dusted, and ran the messages. He has a private office now, he has a boy outside his door to wait his beck, he has a private secretary at his elbow, he has the ear of the people when he speaks, for Hon. Albert Fraser is a great man. But he still dreams of future greatness, and is unsatisfied. A million—pshaw, at least two million more.

CHAPTER VII.

Behold, once more, a man this time old and wrinkled, seared by the years, creased by the seasons, spent and bent, he looks out the windows of his mansion. He wants for nothing except health. His every wish that money can gratify is promptly filled. His life has been a useful one, is useful yet, but he is unsatisfied, for the doctor has ordered him to take a rest, and how can Hon. Albert Fraser, ex-M.P., rest with so much yet to do?

CHAPTER VIII.

Gently now! What? A coffin! Yes, a coffin, and a rich one too, and they are lowering it into the grave. Hear the clods fall, hear the click of the shovels against the stones, hear the minister, hear the sobs, hear the crunch of the carriages, for the grave is now nearly filled and the mourners are returning home. So the crepe is taken from the door of the great house, and if they would sum up the life that is now fled they might write over the face of the shaft that soon will stand beside this fresh-made grave, "Here lies Hon. Albert Fraser, unsatisfied."

CHAPTER IX.

Behold the lights in the great house, the gay whirl of the dancers, and the pleasant voice of the orchestra. What a scene of pleasure, what gaiety, and what . . .

Yes, this is the home of Hon. Albert Fraser, who two years ago rested out there in the cemetery. And, when the lights are lowered that night in this great house, Albert Fraser, jr., heir to millions, and who had expected all care to flee when he took them, remained unsatisfied.

HEROISM

Heroism is a mysterious thing that is often revealed elsewhere than on the field of war. It is frequently manifested in the quiet acceptance of crushing circumstances, and the records of the Victoria Cross touch only the fringes of heroic achievement. Tales of daring accomplished by our boys at the war are numerous, but the half hath not been told. Tales of a quieter, and possibly more real, heroism are also current.

In France the kindness of the Canadians to children will be a tradition for long years to come. None who saw the way in which they gave their food to the starving civilians in Denain, Valenciennes and the surrounding villages will ever forget it. Their gentleness has made them great. It is an innate and natural courtesy that helped, no less than the sterner qualities, to make them heroes in the cause of righteousness against evil in high places.

Two boys who had lost a leg and an arm each attended a "Welcome Home" concert in Halifax. They sat together and applauded every item by clapping each other's hands. That is heroism.

"Aren't you sorry you had all those marks tatooed on your chest?" asked a nursing sister on a Canadian hospital train.

The man addressed was a Canadian soldier, who had lost both legs above the knee. His breast was covered with an intricate maze of red and green and purple designs.

"Aren't you sorry you disfigured yourself like that?" repeated the nurse.

"No—not now!"

He looked into the girl's face with a wan smile lurking in his eyes, and handed her a telegram he had just received. It was an announcement that his wife had died.

Shocked and mystified, the nurse looked enquiringly at her patient.

"You see," he explained, "I have three babies at home to be nursed; and my breast will be a wonderful picture book for them that they can't tear up!"

NOW COPPERS COUNT

It is but a short time ago that, in Canada and the United States, the old saying "Despise not the day of small things" was, in money matters at least, derided. But that day is past. In this country an attempt is now being made to gather the 25c. pieces through the sale of Thrift Stamps. In Great Britain 6d. Stamps are being sold; while in the schools of New York State, the War Saving organization is accepting even as small an amount as one cent from children.

"I Am So Afraid it is My Heart"

VERY many people live in constant dread of heart trouble when the heart is in no way diseased.

There is perhaps no organ in the human system which is worked so hard and yet the heart seldom goes wrong so long as it is supplied with plenty of rich, red blood.

In fact the heart repairs its own waste and plods on, lifting tons of blood each year and pumping it through the body.

But the heart's action is the result of the contraction and expansion of muscles and these muscles are operated by the nervous system. When the blood gets thin and watery and the nervous system is starved the action of the heart, just like that of the stomach, bowels and other organs, is slowed down.

As a result, you are easily tired out, experience shortness of breath, palpitation of the heart and general bodily weakness.

The quickest and most rational way to overcome this condition is by the use of Dr. Chase's Nerve Food to enrich the blood and build up the exhausted nerves.

With the nerves in a run-down condition you are sure to get downhearted and discouraged and to imagine that all sorts of dreadful things are likely to happen to you.

But when you have been using the Nerve Food for a week or two you will begin to see the silver lining to the cloud and to realize that you are on the way to health, courage and happiness.

Mrs. Nellie Dertinger, Simcoe, Ont., writes: "I was a great sufferer with my nerves and with pains about the heart. I could not sleep at nights and though I tried several doctors could not get much relief. A friend advised the use of Dr. Chase's Nerve Food and I am happy to say the results have been a surprise. My health has been built up wonderfully. I have no more pains about the heart, my nerves are steady and I sleep and rest well."

Dr. Chase's Nerve Food, 50c a box, 6 for $2.75, all dealers or Edmanson, Bates & Co., Ltd., Toronto. The portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, are on every box.

There is between two and three acres in the property, about one half of which is practically untouched and of the remainder about 75 per cent of the lots have been sold. The Cemetery will be taken over by the municipality as soon as the legal formalities can be completed.

Donald McLellan, a Bruce Township farmer, has laid information charging John Bowie, a near neighbor, with trespass and also with criminal assault. It is alleged that Bowie was driving cattle across McLellan's field when the latter tried to stop him. Bowie is then alleged to have attacked McLellan and to have beat him up badly. The case is complicated by the fact that Bowie is a County Constable.

NO CASE IS TOO OLD NONE TOO SEVERE

MRS. RICHES PROVES ONCE AGAIN THAT DODD'S KIDNEY PILLS CURE.

She Suffered for Seventeen Years from Kidney Trouble and Now a Well Woman Says, "Dodd's Kidney Pills Cured Me."

St. Denis Riviere, Richelieu, Quebec, May 19.—(Special.)—One of the most remarkable cures in the long record made by Dodd's Kidney Pills is that of Mde. Alf. Riches, well-known and highly respected here. For seventeen years Mrs. Riches was a sufferer from kidney disease in its worst forms. Today she is a well woman. And she says with an earnestness born of conviction, "Dodd's Kidney Pills cured me."

"I suffered for seventeen long years," Mrs. Riches goes on to say, "from headache, backache and sleeplessness my troubles grew to rheumatism and diabetes. I tried the doctor and other medicines, but I got no lasting good till I tried Dodd's Kidney Pills. I took 12 boxes of them in all. They cured me."

Dodd's Kidney Pills are purely and simply a kidney trouble. But no case of kidney trouble is too severe to resist them. If you haven't used Dodd's Kidney Pills, ask your neighbor about them.

THE TOWN COUNCIL

Accounts passed by the Town Council at its meeting on Monday night were:—John Tucker, $28.00; Geo. Eadie, $25.85; Sam Street $26.20; Geo. King, $19.25; W. O. Thomas, $10.20; Robert Smith, $16.50; Jos. Ogston, $14.10; Canadian Brass Co., $33.56; The R. McDougall Co., $18.60; J. E. Curry, $7.88; J. Norris, $25.00.

An account from A. A. Hughson for $118.08 for law costs was referred to the Finance Committee with authority to pay if found correct.

Alexi Firth, Secretary-Treasurer of the Orangeville Branch of the G. W. Veterans' Association, had a letter before the Council on the subject of furnishing available vacant lots for cultivation and giving positions to returned men capable of filling them. As a result of the communication a motion was passed appointing Mr. A. E. Annis, vacant land controller for 1919. If necessary a by-law will be passed at a later meeting confirming the appointment.

A petition from Albert Walker and other citizens relative to the drainage of Zina St. was referred to a Committee consisting of Reeve Jeffers and Councillors Fairbairn and Wilkins for report.

During the months of June, July, August and September the Council will hold its meetings at 9 o'clock instead of 7.30, the usual hour.

VISIT OF D. D. G. M.

Rt. W. Bro. Harry White, of Shelburne, District Deputy Grand Master of Grey Masonic District No. 25, paid Harris Lodge, No. 216, A.F. & A.M. his official visit on Tuesday night of last week. Local craftsmen were out in large numbers to greet the distinguished visitor and the seating of the commodious lodge room was taxed to its utmost capacity. Upon the conclusion of the business of the meeting an adjournment was made to the refreshment hall where a sumptuous banquet was served by the stewards of Harris Lodge. After the festive board had been cleared a number of Masonic toasts were proposed and were honored in bright, entertaining and instructive speeches. Rt. Wor. Bro. White was accompanied by a number of the members of his home lodge, Lorne Lodge, Shelburne. Among the visitors were Bros. J. A. Mills, P.D.D.G.M.; S. Patterson, Dr. R. E. Davis, H. L. Lee, Geo. M. Watts, A. H. Galbraith, W. H. Lindsay, H. Falconer, W. H. Calhoun, J. R. Berwick, T. Y. McKay and R. H. Wilde.

G. W. V. A. NOTES

Orangeville Branch of the Great War Veterans Association held a short meeting in their Club Rooms on Thursday night.

The President called the meeting to order shortly after eight o'clock. After the minutes of the previous meeting had been read three new members were initiated. They were J. E. Jessop, 2nd Battalion, L. Moffatt, 1st Canadian M. G. Battalion, and W. F. Stinson, 3rd Battalion. This brings the number of the initiated members up to 41.

Eleven applications were received from Shelburne and vicinity. The Executive will go to Shelburne at an early date to initiate these men.

The scheme to construct a Skating Rink and Swimming Pool in the town was heartily endorsed and Comrade Scott was appointed to confer with the Committee. The Branch realizes that a Skating Rink is urgently needed in Orangeville.

The proposed amendment to the Copyright Laws, whereby Canadian authors and composers will enjoy the same privileges in Canada as the authors and composers of other nationalities was heartily approved of.

The proposed increased gratuity scale of $2,000 to men who served in France, $1,500 to those who served in England and $1,000 to those who served only in Canada was discussed for some time. No resolution was passed pro or contra.

The meeting closed after the singing of the National Anthem.

JUDGE M'GIBBON LOST

What is believed to be the last of the judgments reserved by Mr. Justice Britton before he took his seat upon the Appellate bench was given last week when he dismissed the action brought by Duncan McGibbon, retired judge, of Brampton, against Robert Crawford, treasurer of that town, and his son, Herbert H. Crawford, M.L.A., of Edmonton, Alta. The action was for damages for alleged wrongful discharge of a mortgage on western land. The judgment holds that the plaintiff, or his solicitor, may be inferred to have known of the discharge and consented to it.

HEIFER A BEAUTY

James McPherson and Sons of the Spruce Glen Stock Farm made a number of good sales from their Shorthorn herd during the past winter. A yearling heifer sold to Stewart Hughson, Orangeville, and shipped on Friday was a beauty. This is the fifth heifer from the Spruce Glen herd sold to Mr. Hughson in the last few years.—Dundalk Herald.

MILITARY NOTES.

Capt. G. E. Mackin, M. C., at one time in charge of the Grand Valley platoon of the 164th, returned to Toronto recently with the 15th Battalion (48th Highlanders).

Major A. L. Burch, a former pastor of St. Andrew's Church, Orangeville, has been appointed a Chaplain of D unit of the Department of Soldiers' Civil Re-establishment.

Wilfrid Bagnell, a Glencross boy who signed up with the 164th., arrived home unexpectedly a week ago Monday morning. While Wilfred surprised his friends by slipping home quietly, the surprise he gave them did not detract one whit from the warmth of the welcome they gave him as soon as they knew he was back. Bagnell was formerly in the employ of J. E. Smith & Co. and is well known in town.

Pte. Jos. Armstrong, son of Mr. and Mrs. Thos. Armstrong of Mansfield, who enlisted and went overseas with the 164th Battalion, arrived in Shelburne a few days ago. In England he transferred to the First Machine Gun Battalion and went to France on Aug. 28th, 1917. In February, 1918, he was slightly gassed and was out of the lines for two weeks. He then returned to his battalion and served until the armistice was signed. Three days later he left with the army of occupation for Germany and crossed the Rhine, stopping at Cologne. In January he returned to Belgium, where he spent three months before returning to England.

Pte. Harry Whitmore, who returned from overseas recently, has been spending a few days with Mr. A. Walker, of Amaranth, with whom he lived for a number of years. Whitmore went to the West seven or eight years ago and was in Nanaimo, B.C., when the war broke out. On the 14th of August the first day recruiting started in Canada the young man presented himself to the doctor, was passed and donned the khaki as a member of the 88th Battalion. He went overseas with the first contingent, saw a lot of active fighting with the Imperial troops, and fortunately came through without serious injury.

Pte. F. A. Ellis, formerly of Orangeville, arrived home on the hospital ship, Araguay, on April 26th. He was wounded in the battle of Amiens on August 8th, 1918, and since that has been in the Alexandra and many other hospitals in England for treatment. He has eight wounds in his body, one in the ankle being quite serious. After spending sixteen days' leave with his parents, Mr. and Mrs. John A. Ellis, 514 Manning Ave., Toronto, Pte. Ellis left for the Military Hospital at Whitby, where he will undergo another operation on his ankle. Pte. Ellis is a nephew of Mr. Jesse Robertson of this town.

The Citizens' Band and a large number of citizens journeyed to the C.P.R. station on Monday night to join in a welcome home to Sergt. W. Vanwyck, son of Mr. and Mrs. J. Vanwyck. Vanwyck enlisted with the 160th Bruce Battalion at Kincardine in February 1916, trained in Canada for six months and in England for a considerable period. He got to France in time to help hustle the Hun armies out of the country and saw a good deal of severe fighting while the big push was in progress. He had the good fortune to come through unscathed and returns home looking the picture of vigorous good health. Vanwyck is a crack lacrosse player and was a member of the Dufferins before he left his home town.

Signaller Percy Fleming, older son of Mr. and Mrs. Geo. Fleming, Broadway, reached town on Saturday night and was given an enthusiastic welcome home by the Citizens Band and a large gathering of citizens. Fleming was in the service of the C.P.R. at Lacombe, Alta., when he enlisted with the 137th Battalion at Calgary in March 1916. Three months later he transferred to the Signal Corps. He went overseas in September 1916 and to France with the Canadian Corps Signallers in the spring of 1918. He served at the front until the end of the war and returned to England shortly after Christmas. He made the home voyage on the Celtic. A younger brother, Driver Alex. Fleming, arrived home a few weeks ago. Signaller Fleming will spend a couple of months at his home here before leaving for the West where his old job, or something better, awaits him.

Sergt.-Major W. D. Mercer, of Markdale, who is well-known in Orangeville, arrived home on Tuesday evening of last week. Sergt.-Major Mercer spent two years overseas and won promotion from the rank of a private to that of the highest class of non-commissioned officer. He enlisted with the 147th Grey Battalion in the autumn of 1915. After he had gone overseas he decided to join the Artillery, and was obliged to return to Canada in order to do so. He was soon back in England as a gunner got to France in 1917, where by his good work he rose from the ranks. He was recommended for a commission shortly before the war ended and would likely have been promoted to the rank of lieutenant shortly. Sergt.-Major Mercer is not in the best of health from the effects of gas poisoning which induced bronchial trouble.

Albert Clarke, son of Mrs. John Clarke, Purple Hill, arrived home on Tuesday night and was given a rousing reception. The Band, a large gathering of citizens and High School students and a number of mounted Cadets under the command of the veteran marshall, Jas. A. Patterson, who also bestrode a spirited mount, met the returned soldier at the depot and escorted him to Broadway, where he was formally welcomed by Mr. D. B. Brown, of the local Reception Committee. Clarke was afterwards driven by auto out to his home the mounted cadets accompanying him as an escort. He is one of the few originals, who have come through the long ordeal of the war unscathed. He is looking well and has the appearance of a man who has been thoroughly seasoned by his four years campaigning in the open. His reply to the address of welcome was the single sentence "I was only doing my duty!"

Flight Lieut. Stanley Cranston gave his home folk and many friends in the old town a delightful surprise when he arrived home unexpectedly by motor late on Sunday afternoon. Stan is looking the picture of health and has not changed hardly at all since he left to go overseas. His return is a source of joy to the lacrosse enthusiasts for he is a clever and brainy player and was a tower of strength on the defence end of the Dufferin team in pre-war days. Lieut Cranston enlisted with the R. A. F. in 1917. He trained at Camp Borden, Toronto and in Texas and went overseas early last year. He did considerable flying while overseas, and the qualities which brought him fame on the lacrosse field were fast earning him a reputation as a cool, intrepid and daring birdman.

Pte. Donald McDougall, a member of the famous Princess Pats, is spending a few days visiting at the home of his uncle, Mr. Allen Maxwell, 2nd line, west, Caledon. Pte. McDougall, who is a son of Mr. Arch. McDougall, of Toronto, formerly of Alton, enlisted early in the war and went overseas with the Princess Pats in 1915. He was badly wounded in the thighs at the battle of Zillebeke in June 1916, lay in the trenches for three hours and was then captured by the Germans. After three weeks in a German hospital in Belgium he was taken to a hospital in Germany, where he eventually recovered sufficiently to be transferred to one of the prison camps. He remained a prisoner for two years and seven months until the end of the war. Pte. McDougall says he was treated fairly well in some places and very indifferently in others. He was not subjected to any of the brutality of which we read now and again, but was an unwilling eye-witness on more than one occasion of rough harsh treatment of fellow prisoners.

Lieut. Ewart Macpherson, the youngest of the four soldier sons of Mr. and Mrs. D. Macpherson, arrived home on Monday morning. The young soldier was given a rousing reception on his arrival. He was attending High School when he enlisted and the students and teachers of that institution were at the depot in a body to join in the welcome. About sixty of the students took the south train to Melville and met the Toronto train at that station. Lieut. Macpherson is looking fine, but expresses his pleasure at getting back to Canada again. He enlisted with the 164th in December, 1915, went overseas with his battalion in April, 1917, transferred to the Royal Flying Corps in September of the same year and after taking a training course in the Central Flying School was retained in England as an instructor. He subsequently joined 201 Squadron in France and spent about a month at the front prior to the signing of the armistice. There were nine hundred airmen aboard the Canada the boat on which Lieut. Macpherson returned from England.

Mr. and Mrs. J. W. Aiken motored to Brampton on Sunday afternoon to meet their son, Auric, who came over on the Scotian, but who reached Toronto too late to come home on Saturday night. On their return the party were met at Caledon by a number of local autoists who escorted them to town and then to Mr. Aiken's residence which was gaily decorated in honor of the homecoming. The young soldier enlisted in the 164th Batt. with which he went overseas in the spring of 1917. After going to England he transferred to a Motor Machine Company with which he went to France a few months later. He remained with the Motor Machine Guns throughout the war, spent two months in Germany after the armistice and managed to do some sightseeing in Belgium before he returned to England. Gnr. Aiken was through a lot of heavy fighting and considers he was lucky to escape with one wound. He was wounded in the abdomen by a shell fragment. It was a close call alright, but after all a miss is as good as a mile. Auric is looking fine and considers his experience has been well worth all it cost in hardship and danger. An older brother, Gunner Jack Aiken, arrived home a few weeks ago.

"WORTH ITS WEIGHT IN GOLD," HE SAYS

John Anderson Tells Of His Recovery Through Taking Tanlac.

"From the way Tanlac has fixed me up I consider it is worth it's weight in gold," said Jno. Anderson, of 103 Stuart St., West Hamilton, Ont. recently.

"I had suffered terribly for several months from indigestion and kidney trouble," he continued, "and during the past few months my condition was so bad that I was obliged to lay off from work. My stomach felt as if it had lumps in it, and I had terrible pains in my chest and back. My kidneys worried me constantly and I was so dizzy at times that I would stagger and almost fall.

"One of these dizzy spells came on me when I was in the shop one day, and when a friend gave me a dose of Tanlac I got over it right away. I bought a bottle and haven't had the slightest touch of indigestion in some time, and I have felt different ever since my first dose. My kidneys don't trouble me any more and all the pain is gone from my back and chest. My appetite is just great, I eat anything I want and never have any trouble afterward, I am working every day and feel fine all the time."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

THE BIG STORE, ORANGEVILLE

During the Present Season we Want

To Buy Your

WOOL!

And have the very best facilities for handling

UPWARDS OF 50,000 LBS.

The Wool crop this season promises to be the largest it has ever reached in this vicinity and while values will be somewhat less than they have been, prices will yet be sufficiently high to make sheep-raising satisfactorily profitable.

Most farmers thoroughly understand the way sheep and their fleeces should be cared for in order to ensure the maximum of profit, and to these we have no advice to offer. So that if wool is reasonably clean and free of chaff and burrs we are now prepared to pay as much money for it as you can reasonably expect no matter from what source.

In connection with our other stores, we annually handle scores of thousands of pounds of wool, and with the world's markets open to us, we are in a position not surpassed by any individual or institution to BUY WOOL and SELL WOOL at the highest top-notch prices.

We therefore merely ask that you find out what we are paying before you dispose of your clip, and if you sell to us we believe you will receive as much money as you could get anywhere and every cent that it is worth.

YOUR MONEY IS NOW WAITING FOR YOU.

THE GOVERNOR-GENERAL

Viceregal Party Had Luncheon at Caledon Club.

The viceregal party, consisting of his Excellency, the Lady Rachel and the Lady Anne Cavendish, Viscount Molyneux, A.D.C., and Mr. Fortescue, A.D.C.; His Honor Sir John Hendrie, Lady Hendrie, Mr. and Mrs. Allan Case, and Mr. Strathearn Hay had luncheon at the Caledon Club on Wednesday of last week. The Party had visited Brampton earlier in the day, where they were received at the Dale Conservatories by His Worship, Mayor Bull, Mr. T. W. Duggan and other prominent citizens. Owing to illness, Her Excellency, the Duchess of Devonshie, was unable to accompany the party which came out from Toronto in two motors. At Dales, the visitors were taken through the orchid houses and then to the shipping rooms, where they were shown the great masses of flowers kept in cold storage. On their return to the office the ladies of the party were presented with some of the most beautiful orchid blooms, to be found in the greenhouses. From Brampton the distinguished visitors motored to the Caledon Club where they were entertained to luncheon. They returned to Government House, Toronto, in the evening.

ORANGEVILLE PRESBYTERY

At the meeting of the Orangeville Presbytery in St. Andrew's church here on Tuesday, May 13th, the following Commissoners were appointed to the General Assembly which meets in Hamilton in June:—Revs. A. McVicar, Flesherton, N. Waddell, B.D., Ballinafad, J. McCartney, Keldon, and J. A. Reddon, B.A., Laurel, and Messrs. Thos. Watson, Grand Valley, Robert Wanless, Claude, Wm. Inkster, Maxwell, and Samuel Huxley, Hillsburg.

Presbytery adopted the following resolutions on the subject of Religious Education:—

1. That ministers preach a series of sermons on the Home as the most important school of Christian nurture.

2.—That Conferences of Pastors, S. S. Teachers and Parents be held with a view to securing more efficient co-operation in the religious education of the children.

3.—That in view of the dearth of leadership in S. S. and Y. P. S. work, congregations are asked to bear the expense of sending young people to Geneva Summer Conference, July 14th to 21st.

4.—That Presbytery's Committee be enlarged by the addition of three ladies and three men selected from our most competent and experienced S. S. and Y. P. S. workers and that the Committee nominate these additional workers and report to next meeting.

Frail, Sickly Children Improve Rapidly on Vinol

The reason we so strongly recommend Vinol for frail, sickly children is because it is a non-secret remedy which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates — but no oil — the very elements needed to build them up. It is delicious to the taste, and children love it.

These Two Mothers Have Proved This.

Bainbridge, N.Y.

"My little daughter, 13 years old, overworked and was run-down, tired all the time, nervous, had headaches, couldn't eat and had to stay out of school. Vinol has built her up. She has a good appetite, no more headaches and has returned to school again."—Mrs. Lester Andrews.

Williamson, W. Va.

"My little boy was weak, puny, and tired all the time, did not want to do anything. Vinol was recommended and it built up his strength and made him healthy. Now he romps and plays like other children. We certainly believe in Vinol for children."—Harley Cla

At the meeting of the congregation of St. Andrew's church a week ago Monday evening it was decided to give Rev. G. Milne a call.

Mrs. Albert Curtis spent several days last week with friends in the city.

We were sorry that the weather was so unfavorable both Sundays that Rev. Mr. Lennox took the service. Quite a crowd was out Sunday considering the way the roads were.

Mr. Harold Gemmell is home again.

MONO MILLS.

The members of the Orange Lodge here will attend service in the Methodist Church next Sunday evening, May 25th. Service will commence at 7 o'clock, standard time. Brethren from neighboring lodges cordially invited to be present.

Pte. Harold Mills, 48th Highland regiment has returned home. A large number of friends and neighbors greeted him with an enthusiastic welcome at his home on Friday evening. During the evening he was presented with an address of welcome and a well-filled purse.

A very pleasant evening was spent at the home of Mr. and Mrs. W. A. Dowling on Tuesday evening of last week being a reunion of the Choral Class which was being conducted by Mr. J. E. Jessop of Orangeville when the war broke out and Mr. Jessop enlisted for overseas. Mostly all of the members of the Class were present and received a very hearty welcome from Mr. and Mrs. Dowling and the few hours spent together seemed to pass all too quickly.

During the evening Mr. and Mrs. Jessop were presented with the following address and a music cabinet:

Mono Mills, May 13, 1919.

Sergt. J. E. Jessop,

We gather here tonight at the home of Mr. and Mrs. W. A. Dowling and family as members of your singing class to give you a Welcome Home.

We have also met to express our high appreciation of your faithful and untiring efforts as our musical instructor prior to the war.

Your regular attendance, your thorough and painstaking work with us as a class and the individual interest you took in each member's vocal advancement have never been forgotten. As a teacher of vocal music you have made valuable contributions to the success of our church and social life, and you have been a great blessing to our homes by creating in us as families a love for good music. Your careful and friendly manners have made your name a household word in this neighborhood.

We are grateful to God for your safe return from the war, and we are proud of your noble work over there for God, King and Country.

As an acknowledgment of both your musical and military achievements and as a token of high esteem we ask you and Mrs. Jessop to accept this music cabinet, and we most earnestly hope and pray that both of you and your family may long be spared to render further service in the cause you love. Signed on behalf of the Class,—Jno. A. Vance, Austin Fagan.

Stork Bros., our enterprising general merchants, have been busily engaged cleaning and repainting the interior of their store here, and have things in good shape now for the summer trade.

Messrs. M. V. Armstrong and W. T. Rawn are both making preparations to rebuild and enlarge their barns this summer.

Mr. R. J. Donaldson has sold his farm on the 4th line, Caledon, to Mr. Ernie Madill, a returned soldier. We understand the purchase price to be $4500. The deal has been put through under the Soldier Settlement plan.

Miss Edna Gallagher and Miss L. Gilbert spent Sunday at their homes at Mansfield.

WALDEMAR.

Mr. Ivan Gamble left Wednesday for the West on a business trip.

We regret that Mrs. Jno. McFadzean is ill and we hope for a speedy recovery.

Mr. Geo. Simpson, station street, has purchased a Ford.

Miss Tena Gamble and Miss Phoebe Ross spent the week-end with their friend, Miss C. McCartney, Orangeville.

We are sorry to learn that Mrs. Will Sanderson happened with an accident, thus injuring her knee.

Mr. John Black has engaged Mr. Richard Talbot to help with the seeding.

Mr. Jas. Butler is doing a rushing business in his garage.

A number of our young people spent a very pleasant evening at Mr. Will Tate's last week.

We are glad to report this week that Mrs. Jas. Butler has recovered from an attack of bronchitis.

Miss N. Cranston of Orangeville visited her aunt, Mrs. Robt. Kenst on Friday.

Miss Clara Tate has returned to Toronto after spending some time at her home here.

Pe. Samuel J. Warnock and Signaller Elwood Faulkner arrived home on Thursday evening last and were given a most hearty welcome by the citizens of this community. They were met at the station by a large number of friends and accompanied to Mr. Jas. Warnock's by their immediate relatives where a sumptuous repast was served to all. At night a tremendous crowd assembled at the Township Hall where a very appropriate address of welcome was delivered by Rev. J. Burkholder, chairman of the Reception Committee, who also presented each of them with a gold medal suitably inscribed. Mr. Burns of Port Credit, who happened to be in Caledon, gave a splendid address after which a social evening was enjoyed by all.

Professor Leitch, of Guelph, addressed the Farmers' Club on the results and advantages of farm surveys on Wednesday evening last and was listened to by a large number of interested farmers.

Mr. and Mrs. Gillespie and daughter, of Copper Cliffe, are visiting Dr. Wm. Stubbs, V.S.

A large crowd is expected in the Township Hall on Friday evening, when the Cheltenham Dramatic Club will give their popular play "All a Mistake," Campbell orchestra.

SOLDIER HONORED

People of Mono Mills and Neighborhood Tender Pte. Harold Mills a Very Hearty Welcome.

The home of Mr. and Mrs. Alfred Mills, 7th line, Mono, was the scene of a delightful gathering on Friday night, when about one hundred of their friends and neighbors assembled to welcome and congratulate their son, Pte. Harold Mills, on his safe return from overseas. Rev. A. C. McCallum, rector of Mono East Parish, was called to the chair and performed the duties of that position in a most happy and acceptable manner. After explaining the purpose of the gathering Mr. McCallum called Miss Mary Dowling forward to read the following address:—

Pte. H. Mills,

Dear Friend,—

We have met here this evening to welcome you back into our midst after having performed your part in the Great War and after having faced on both land and sea many of the dangers with which it was associated. Words cannot describe the joys which we experienced when we learned of your safe arrival in Canada. We acknowledge the goodness of our loving Heavenly Father in the protection He has afforded you while in far away France and Germany, where you were defending the rights of human beings in the British Empire and Allied Countries, but also throughout the whole world. We rejoice with you in the grand success of the glorious Cause in whose service you have so faithfully served. Because you and others were ready to face hardships, danger and even death itself, Right has triumphed over Might and to-day the civilized peoples of the world are breathing freely again for their inhuman enemy has been completely shorn of his power to do harm. Please accept the accompanying gifts as a small token of our feelings toward you..

Signed on behalf of your many friends,—J. A. Halbert, J. J. Bettesen.

May 15th, 1919

At the proper moment Miss Edna Gallaugher made the presentation, which consisted of a well-filled purse. Pte. Mills replied in a few modest sentences, briefly expressing his joy at being able to be home again. Refreshments were afterwards served and the remainder of the night was then pleasantly spent in dancing and other amusements. It was well along in the wee hours of the morn when the guests finally dispersed to their respective homes. Pte. Mills arrived home on Sunday, May 4th. He is looking well and speaks in interesting manner of his experiences as a soldier.

YOU CAN'T RUB RHEUMATISM OUT

It is Rooted in the Blood and Must be Treated Through the Blood.

The pain of rheumatism is something that you cannot rub out. Every sufferer from rheumatism has been advised to rub this liniment or that on the affected part, but after all the rubbing the pain remained. Rubbing did not cure it and can't cure it.

Thin blood and rheumatism come together and if they are properly treated they will go together. Rheumatism is rooted in the blood, in poor, watery blood. Sometimes cold, damp weather starts the aches and pains, but it is the condition of the blood that is at fault, and only by correcting this, and making the blood rich and red can the rheumatic poison be driven out. This is exactly what is done in the treatment of rheumatism with Dr. Williams Pink Pills. Acute and muscular rheumatism show improvement as the thin blood is built up, and when the blood has been restored to its normal condition the rheumatism is driven out and does not return as long as the blood is kept rich and red. There is no part of Canada in which some rheumatic sufferer has not been cured by Dr. Williams Pink Pills, and they do not hesitate to express their thanks for what this medicine has done for them. As an example, Miss Annie S. Dedrick, R.R. No. 2, St. Thomas, Ont., says:—"Dr. Williams Pink Pills cured me of rheumatism after a great many other remedies had failed. The pain in my arms and shoulders was so great that I could scarcely sleep. I could not raise my arms to comb my hair, and could not dress myself without help. In this condition I read of a cure of rheumatism through the use of Dr. Williams Pink Pills and decided to try them. I got half a dozen boxes and I am thankful to say they not only cured my rheumatism, but that my general health was greatly improved. My appetite was increased and I gained in weight. Since then a number of cases have come under my observation in which cures have been made by this splendid medicine. As for myself, I shall always speak a good word for Dr. Williams Pink Pills."

These Pills are sold by all medicine dealers or will be sent by mail, post paid, at 50c. a box or six boxes for $2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

CALEDON EAST.

A very pleasant evening was spent at the home of Mrs. James Stewart, Caledon East, when the members of the Young People's Guild of Knox church, Caledon East, met to present Russell Stewart, who has just returned from overseas, with a Bible and Hymn Book. The address was read by Miss Beatrice Richmond, and the presentation made by Miss Alice Dunn. The address reads:—

Dear Russell,—We, a few of your home associates, are gathered together this evening to welcome you back to Caledon East. You answered your country's call and God out of his love and care has spared you to return to your parents unharmed. Your work in future will no doubt be very different from what you of late have been engaged in, but we have every confidence that there is a great future before you, and that your many experiences will only add strength and stability to your character. Let your aims in life always be upward and onward making each rung of the ladder a step towards something higher and nobler.

Heights by great men reached and kept,
Were not attained by sudden flight
But they, while their companions slept,
Were toiling upward in the night.

To-night we are met together to remember you by giving you this Bible and Hymnal as a slight token of remembrance from your church friends, and we hope that as you use this book you will sometimes think of your old home friends.

Maxwell—
A Car of Assured Reliability

THE reliability of every Maxwell is assured by the volume produced. One model quantity production involves the investment of millions of dollars in special machinery, plants, laboratories, etc., before a single car is produced.

Therefore, the basic design must be right—right beyond any question—before this special equipment is installed.

And after production starts absolute accuracy in every part must be assured to prevent delays, wastage, hand-labor—things we can't afford.

No tools are too expensive—no precautions too elaborate—to assure this result.

This was our original plan and it has been consistently followed in producing the 300,000 Maxwells now on the roads of the world.

It is the reason why of Maxwell reliability—economy—uniformity.

A car made right to begin with saves you many a dollar even after you buy it.

The County Roads Committee of Grey County Council has accepted the tender of the Dufferin Construction Company to fill in the sink hole on the county road north of Markdale at a cost of 19c per yard for a total of 12,000 yards. A gravel pit within a few hundred yards of the place on which the county held an option, was purchased by the committee and the work of filling in will commence as soon as the necessary plant is on the ground.

HORSE ROUTES

The Imported Purebred Clydesdale Stallion, Albion, (14453) (16485) the property of Mr. J. B. McNichol, Orangeville, will leave his own stable on Mill St. on Monday morning and go to Cecil Welwood's, 4th line, Caledon, for noon and to Wm. Duke's, lot 17, 6th line, Caledon, for night; Tuesday by way of 20 sideroad to Wm. Widdis's, lot 21, 2nd line, Caledon, for noon and then to his own stable for night and until Thursday morning. Thursday by way of 1st line, west, and 25 sideroad to John Beer's, Alton, for noon and then by way of 2nd line, west, back to his own stable, where he will remain until the following Monday morning. Albion is a beautiful dark bay horse, a sure foal getter and his stock have invariably been of a superior type. Terms, $15.00 to insure, payable February 1st., 1920.

The Purebred Clydesdale Stallion, Baron Northland (17848), the property of Mr. W. F. Cooney, will leave his own stable at Laurel every Monday morning and proceed to Mr. John Staveley's, Whittington, for noon and to J. Freemantle's, Elba, for night. Tuesday he will go to McGrath's stables, Shelburne, for noon and over night and on Wednesday morning will return to his own stable where he will remain until the following Monday. Baron Northland is a handsome dark bay horse standing about 16 hands high. He is superbly bred and has proved himself an excellent sire. Farmers are invited to see him before they breed their mares.

Black Peer, a Purebred Imported Clydesdale Stallion, the property of Ray and M. J. Leggett, Connor, Ont., will make the present season at his own stable, lot 3, con. 3, Adjala twp. Black Peer (13806) (16479) is a handsome black horse of the very best breeding and has made a splendid record as a sire. He is a son of Ruby Pride (12344) who was sired by the famous Baron's Pride, rightly regarded as the best breeding horse in Scotland. Baron's Pride was sire in one season of the Cawdor Cup champion mare, the Glasgow Aged Premium horse, the male champions at Kilmarnoch, Ayr, Glasgow, Edinburgh the Royal and the Highland and the female champions at the Royal, Ayr and Edinburgh. Farmers of the Adjala district are fortunate to have a horse of Black Peer's breeding and outstanding qualities at their service for breeding purposes.

SCOTTISH GEM

THE PURE-BRED IMPORTED CLYDESDALE STALLION

This celebrated Stallion has been purchased by Mr. John Suggitt, of Orangeville, and will make the present season in Orangeville and neighborhood.

Scottish Gem, Imp. 12560, 16260; Brown; face, nigh, fore and hind legs white, foaled June 1909; bred by Col. Blackburn, Killearn, Stirlingshire, Scotland; imported in August 1911 by Crawford & McLachlan, Thedford, Ontario.

Sire—Scotland's Choice (12398) 13732 by Revelanta, 6633, 11876, dam of sire, Polly of Pittentian, 13466, 13520.

Dam—Jenny of Killearn, 23448, by Flashwood Prince, 4844, 10751. Dam of dam, Nellie of Killearn, 12853, 17373.

Scottish Gem was successfully shown as a yearling in 1910 under the Strathendrick Agricultural Society. 1st in his class and winner of the Clydesdale Horse Society's medal, Buchlyvie and Gartmore Society. 2nd in a very strong class at Killearn. 1st in his class and first reserve for championship in Clydesdale section Loch Lomond Union Show. In 1911 at Strathendrick he was placed next to Wooded Favorite, but was on that occasion a clear winner in the opinion of many expert judges. He also won first place in a class of seventeen. In 1912 he won 2nd in a class of fifteen and 1st from all horses from Lambton, one of them being the horse that was 2nd in 1911. He was 2nd in Mitchell in 1916.

Scottish Gem has in his veins the blood of the finest breeding horses right back to the First Volume of the Stud Book. He possesses royal breeding and individual merit, is a superbly put together horse, with beautiful bone, fine silky hair and good feet and ankles. He has good action and a fine even temper so valuable in a sire. He stood for three seasons in one barn and has amply proved his superior qualities as a sire and a sure foal getter. Farmers having good breeding mares will get a superior class of stock by breeding to Scottish Gem.

Owners of mares who wish to keep a record of his breeding are asked to preserve this as the owner is not putting out bills. Full route, terms, etc. announced later.

BARON HAMLET

(2827) 6090 (12757)

Sired by the world renowned Baron's Pride (9122). Dam, That wonderful brood mare, Banks' Daisy (10133). will be kept for service during the season of 1919 at the stables of his owner, lot 15, 2nd line east, Caledon.

TERMS.—To insure a foal, $15, payable February 1st, 1920. Parties calling and settling their account on or before February 1st, 1920, will be given a discount of One Dollar.

Parties trying their mares and not returning them regularly to the Horse will be charged full insurance whether in foal or not. Sale of mare renders fee due and payable. All accidents to mares at the risk of their owners.

BARON HAMLET was bred by James Rigg, High Banks, Kirkcudbright, Scotland, and imported by The Graham Renfrew Co., Bedford Park, Ontario. Of his Sire, Baron's Pride, nothing need be said, as it is well known that he was the best Clydesdale Sire that ever lived. BARON HAMLET'S Dam, Banks' Daisy, was Sired by HAMLET (4433). Gr. Dam—Fanny of Bombie (3104), by Sir Colin (3188), by Samson (741).

BARON HAMLET is a dark dapple bay horse, with a nice white stripe on face, off fore, and hind legs white. He is heavily built and low set, short backed, with a beautiful head and neck and massive bone and muscle.

BARON HAMLET is a prize winner whenever shown, having won second at Toronto and Chicago in 1906 as a two-year-old. He is a full brother to the noted show mare, White Heather, winner of first at Haddington and third at the H. & A. S. Shew at Stirling, as a yearling. In 1901 she was second at Edinburgh, 1st at Berwick, and third at the H. & A. S. Show at Inverness; and in 1902 she was first at Carlyle, and the H. & A. S. Show at Aberdeen.

BARON HAMLET is also a full brother to the well known horse, Watchwood, winner of first at Castle-Douglas and Kilmarnock as a 2-year-old, and 1st at the Highland at Edinburgh as a three-year-old.

BARON HAMLET is also half-brother to Baron of Buchlyvie,, who was sold at Ayr, Scotland, on December 14th, 1911, for Forty Six Thousand Dollars at public auction.

BARON HAMLET proved himself a sure foal getter in 1918. Parties having Registered, or good grade mares, should not fail to see this horse before breeding their mares.

W. J. TRATHEN
Owner and Manager.

BARON HAMLET was inspected on the 29th day of October, 1912, when he was Passed and Approved, Form I. He has also been Enrolled for the year 1919 in Form I. in accordance with Chap. 67, Statutes of Ontario, 2 George V.

FATALLY SHOCKED

Suspended from his chair twenty feet above the sidewalk at Lansdowne Avenue and Dundas Street, Toronto, Tuesday afternoon, May 13th, J. J. O'Donnell, a lineman employed by the Bell Telephone Company, came in contact with a live wire, and was fatally shocked. Artificial respiration was tried for two hours ,but without result. O'Donnell was at work repairing some faulty wires and on reaching up to perform some operation his hand caught in a high tension wire. The fingers of his left hand were burned off. Help was secured from Cowan Avenue Police Station, Dundas Street, and Cowan Avenue firehalls, and by means of ladders, the unfortunate man was brought down. A pulmotor was requisitioned from the telephone company, but after two hours' work life was pronounced extinct.

Mr. O'Donnell was 35 years of age, and leaves his wife, who was formerly Miss May Cronin, daughter of Mr. and Mrs. Richard Cronin of Bolton, and six children.

A. C. Champ, who has been in charge of the barber business in Dundalk for about a year while his son, Lorne C. has been in khaki, returned to Listowel. Lorne is now back at his old post in the barber shop.

Keeping the Domestic

Every woman knows how hard it is to get and keep a really good domestic.

One chief reason why many domestics leave otherwise pleasant positions is because of the strain of "wash day." The tub, washboard and hand wringer are too much for them.

You can overcome all this and keep a good domestic, if you have one, or get one if you haven't, by placing in your home a

"1900" Electric Washer

the wonderful time, money and labor-saving washer that is made in Toronto, and absolutely guaranteed in every respect. It does all the washing and wringing in less than half the usual time, really DOES ALL the hard work BETTER than YOU can—YOU merely put the clothes in the cylinder and switch the electric button. The "1900" is so simple a child can operate it without possibility of accident. Don't let another wash-day go by without seeing it for yourself.

SPECIAL DEMONSTRATIONS

In order that everyone may see an electric washer in actual operation and realize what a great labor-saving appliance it is, we will give a special demonstration in your own home. We will show you how easy and economical it is to do all your household washing with a "1900."

Freed from Chronic Pains

To those who are afflicted with the agonies of a chronic aching back, loss of strength, weight and vigor, the case of Mr. P. Herbert of Pleasesville will appeal with special significance.

Mr. Herbert had suffered with Kidney trouble for years and failed to find a prescription that would give him any relief. Finally he tried Gin Pills because he was impressed by the fact that Gin Pills contained the beneficial ingredient of Juniper without any Alcohol being added.

Note these extracts from his letter:

"I suffered from Kidney trouble for several years, and tried numerous remedies without finding any permanent relief. My case appeared chronic.

I knew that Juniper without alcohol was excellent for the Kidneys, so decided to try Gin Pills. One single pill gave me great relief, and since taking four boxes, I find myself completely cured. I am no longer bad-tempered, have increased in weight, and am strong and vigorous again."

Here is another case. Mrs. M. E. Gardner, of Richmond, Que., writes:

"My husband was taken with severe kidney trouble last winter, and could not work for some time. He heard of Gin Pills, and after taking one box was able to resume his work. Two boxes relieved the pain in his back, and to-day he is well and strong again."

Gin Pills help others—surely they will do the same for you. Try them.

LATE ROBERT RITCHIE

At the ripe old age of 88 years, Robt. Ritchie, a pioneer of Amaranth of 50 years ago, died at the home of his son, William, on Friday morning. Born in County Derry, Ireland, he came to Canada with his wife and family, first stopping at Brampton for a time and then settling in Amaranth where he lived till 13 years ago when he and his wife came to town. Owing to the increasing infirmities of old age he went to his son's last fall where he made his home since. He was a man of frugal habits, a hard worker in his day, and who sought none of the excitement of public life. Besides his aged partner in life, who is in very frail health the following children survive:—Mrs. Geo. Dixon of Oxbow, Sask.; Mrs. Jas. Graham and Robert of Grand Valley and William in Amaranth. The funeral took place on Sunday to Bowling Green, Rev. Mr. Roach of Laurel officiating.—Star and Vidette.

FOR BABY'S TENDER SKIN.

A child's skin is tender as well as beautiful and eczema may be caused by chafing of clothing, the use of poor soap, exposure to cold or sudden change of temperature. Probably no treatment for eczema has ever proved so successful as Dr. Chase's Ointment. This ointment is delightfully soothing, stops the itching and consequently prevents scratching. Gradually the sores are healed up and the skin is left soft and velvety.

CLEARING THE MILL SITE.

Pioneer Progress; Building the Dam; Logging and Sawing; A Great Day at Mono in the Early Eighties.

(By Thomas McLaughlin)

No. II.

When Michael McLaughlin, from County Tyrone, located the site of the future grist mill on the Humber in the year 1825, the prospect could not have appeared too encouraging. First the site of the mill dam had to be "cleared," then the course of the mill "race" and then the site of the mill itself. With the help of settlers this was in time accomplished, when the building of the dam was begun.

A Beaver Dam

A few miles away on a little creek our young pioneer found his model, one of those wonderful beaver dams the wise little animals build so scientifically with only their teeth to cut down trees, and trim off the branches; their feet to roll the logs to the desired place, and their tails to sweep up the earth against the logs to make the structure waterproof. He did not see the beavers at work, but he saw the beavers, and he saw and examined the construction of their dam, and he set to work to build as good. And the dam he built stands today as a monument to his thoroughness. This took months, and in the meantime work was going on in digging the "race," a canal along the hillside designed to carry the water from the dam to the mill wheel when it came into existence.

Building the Mill

At last work on the mill was begun; a building of round logs was run up and floored with logs, hewn flat on three sides and laid close together. The roof was a frame of poles covered with bark. Why did he not use boards? Well, some boards had to be used in the construction of the "plant," but they were too precious to be used as roofing. Have you ever heard of a pit saw? A pit about ten feet in depth was dug, with a frame of logs at its top. A log to be sawn into boards was moved on rollers, so that one end lay over the mouth of the pit. A saw about five feet long with a cross handle at each end was then called into action. One man stood on the top of the log, another at the bottom of the pit. Up and down, down and up, the saw was dragged through the timber, the log behind moved along from time to time as the cut progressed. You can imagine the relief the weary men must have felt when the first cut was through to a finish. There were no eight-hour shifts in those days, no walking delegates, and a very small pay check when it was all over. It is hard for the inexperienced one to satisfy himself as to which sawyer had the softer job—the man above or the man below. The former had more elbow room and fresh air, but oh the backaches he must have suffered as he bent with the downward course of the saw's operations! On the other hand his associate in the pit had little "room to rattle," and must needs have worked always with downcast eyes, else the falling sawdust would blind him. But boards had to be provided, and this was the only means.

Makeshift Machinery

When it came to the machinery everything was on the most primitive plan. The waterwheel had to be provided to turn the mill; the mill stones to grind the wheat into meal; and the bolting reels to sift the fine flour from the bran and other offal. With the exception of the mill stones, nearly the whole plant was of wood; a few iron bands around wooden shafts to hold them firmly together at the ends where iron gudgeons were inserted. In many cases the hard wooden shaft was fitted to turn its wooden socket, minus hardware of any kind. The mill stones were not French burrs, the type that ground wheat the civilized world over for generations before roller process flour milling came into existence forty years ago. No, they were two large field rocks, "dressed" with furrows to grind the grain as it lay between them. In your reading you have seen references to "the upper and nether millstone." The upper stone revolves at a swift speed, while the nether stone is a fixture, the grain coming down from a "hopper" placed above the upper stone, and after it is crushed or ground, passing out as meal to be conveyed to the sifting reels of the "bolt," or sifting equipment.

The First Flour

In the execution of all this work labor was scarce, and what was available was of the most unskilled kind. The settlers gave spare time with a hearty will, it is true, but they were in most cases indifferent workers with tools. Most of them had migrated from the north of Ireland, a few from Scotland. Leaving a land where woodcraft was little practiced and settling in a new country like Upper Canada, where so much depended upon the skilful use of the axe and other such tools, they were manifestly at a great disadvantage. But, by dint of long-continued work, the mill was at last ready for opening business, and a great holiday was proclaimed in honor of the occasion. Settlers came from their little clearings as far as twenty miles away. The first flour was run into a silver dish, brought among his personal belongings by the miller-pioneer from Ireland, and ever after cherished as one of his most precious keepsakes, recalling as it served to do the inauguration of his life work at Mono Mills. A huge loaf of cake was baked, and this first bread from the output of the new mill was the piece d'occasion.

DO NOT WORRY

1—Because worry is our "upsetting" Sin and Satan enjoys seeing Christians upset.

2—Because when we are worrying we are out of commission as Christians, and Satan enjoys that greatly.

3—Because if we keep on worrying we will soon be ready for the wooden box, and then Satan will have more time to attend to the rest of the worrying crowd.

4—Because worrying discredits us in the eyes of unbelievers.

5—Because all the currents of hope and trust and success that are tending toward us are turned back when we worry.

6—Because when we are worrying we can't be doing much else that is good.

7—Because the sly old chap never worries.

8—Because when we worry the precious promises of say Psalm 34 are not worth to us the paper on which they are written.

9—Because worry is Satan's masterpiece.

COUSINS–MORRIS

A quiet and pretty wedding was solemnized by the Rev. A. MacGillivray at Bonar Church, Toronto, when Miss Belle Morris, third daughter of the late Mr. and Mrs. George Morris, of Alton, Ont., was married to Harry Cousins, only son of Mr. and Mrs. Henry Cousins of Weston. The bride was given away by her brother-in-law, Mr. Fred Rutledge of Carley, wearing her traveling dress of navy blue serge with hat to match and corsage bouquet of sweet peas, and was attended by her sister, Miss Dolly Morris; the groom by his cousin, Mr. Lorne Cousins, of Woodbridge. The happy couple left on a motoring trip, and on their return will reside in Mount Dennis.

A WORD TO MOTORISTS.

An End to Spark Plug Troubles.

JUBILEE SPARK INTENSIFIER. Is known to all motorists. It will fire any old plug with two points on it—fired better than new. It saves you gasoline; it gives you more power on the hills or on the level; it starts your car easy in cold weather and you can see your car firing day or night, which locates instantly your broken wire or ignition trouble of any kind.

OF

Caledon Agricultural Society

Last year a number of changes were made in connection with our prize list, some of them being quite radical. Some were heartily approved while others were considered unsatisfactory.

Now we believe that if the rural fall fair is to serve the best interests of the community, there must be a greater co-operation of the members and exhibitors with the board of directors.

Therefore we are asking you, who contribute largely to the success of the fair, for suggestions as to its improvement. Or if you have a "kick" not yet delivered, let us have it so that we may remedy the matter.

Kindly let us have your ideas in time for the next meeting, May the 31st.

CALEDON AGRICULTURAL SOCIETY,

LOCAL NEWS

—Remember the Victoria Day Picnic at Mono Centre on Saturday.

—When ordering goods by mail send a Dominion Express Money Order.

—The continued wet weather is very discouraging to farmers who have not finished their seeding.

—All roads will lead to Mono Centre on Saturday. Burns' Church holds its monster annual Picnic on the holiday.

—Orangeville Young People held a delightful Assembly in the Town Hall last night. There was a large attendance of outside guests.

—Dr. F. J. Conboy, a Toronto dentist, who has friends near Orangeville, has been appointed supervisor of dental inspection for the province of Ontario.

—Mrs. Elizabeth Medley, widow of the late R. W. Medley, a real estate dealer in Orangeville some thirty years ago, died in Toronto a week ago Saturday.

—Mrs. Wm. Nichol and Miss Jennie Nichol, of Hockley, who bought the residence of Mr. Wm. Avison on Third St. a few weeks ago, moved to their new home last week.

—Ex-Reeve J. B. Reid, of East Garafraxa, and his daughter, Mrs. Forgrave, have moved to town and are residing in the west half of the Hayes dwelling house on West Broadway.

—Rev. J. A. Conn, of Cannington, Ont., was inducted into the pastorate of Aurora Presbyterian church on Thursday, May 8th. Rev. Dr. McTavish, moderator of Toronto Presbytery, conducted the induction service.

Mr. C. R. McKeown attended Brampton Division Court on Monday.

Mr. H. F. Ainsworth returned on Monday evening from Windsor, where he represented Orangeville Great War Veterans at the Provincial G. W. V. A. Convention.

—Mr. Mel Vanwyck, late of J. D. Torrie's staff, left town on Saturday night for Timmins, where he has accepted a position in a gents furnishings store. His successor here is Mr. Earl Stevenson, who returned from overseas recently.

—Orangeville Lawn Bowling Club has given all Orangeville Overseas returned soldiers the privilege of free use of the bowling grens for the present season. Returned men who wish to bowl are asked to notify the Secretary of the Club, Mr. T. S. Parkinson.

—Saturday will be May 24th, "The Queen's Birthday" of the boyhood and girlhood days of many Banner readers. It is called Victoria Day, in honor of the great and good Queen, whose memory is so dearly cherished. It is one of our national holidays and all Orangeville business places will be closed for the day.

MOTORISTS

Examine our stock of Motor Supplies and Tires before you buy—our line is complete and the prices are right.

—Mr. and Mrs. A. Cooper, Zina St., received a telegram on Friday informing them of the death of their son-in-law, Mr. Arthur N. Brown, of Davenport, Iowa, on Thursday night. Deceased is survived by his widow (nee Augusta Cooper) and two children, a daughter 8 years old and a baby boy of 8 months. The remains were taken to his old home near Baltimore, Md., for burial.

—Mr. Geo. S. Jackson has sold his large brick dwelling house in the South Ward to a Toronto party. We understand that Mr. Jackson and famly intend to move to the city. Our townsman has also sold the brick dwelling house, the second property west from his own residence, to Mr. Norman Reid, formerly of East Garafraxa. Mr. and Mrs. Reid have moved into the house.

—Armstrong & Robinson, the Wellington St. foundrymen, always kept busy, are exceptionally busy this spring. They have an immense farmers' trade and get business from points twenty and thirty miles away from Orangeville. The distance from which they draw custom goes to show what fair treatment and good workmanship will do for a business.

—Mr. E. A. Parsons, the John St. florist, is doing a rushing business this spring. So rapidly is his business expanding that Mr. Parsons finds himself badly cramped for room. To remedy this he is planning to build an addition to his greenhouses 11½ feet wide by 65 feet in length. The addition will be built this summer and will be to the south of the present greenhouses. Next spring Mr. Parsons expects to build a larger addition to the east bringing the ground between the greenhouses as they now stand and John St. all under glass.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she would not be without them. The Tablets are a perfect home remedy. They regulate the bowels and stomach; drive out constipation and indigestion; break up colds and simple fever and make baby healthy and happy. Concerning them, Mrs. Noble A. Pye, Ecum Secum, N.S., writes:—"I have found Baby's Own Tablets of great benefit for my children and I would not be without them." The Tablets are sold by medicines dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"BRINGING HOME FATHER"

The attraction announced at the Gem theatre on Monday and Tuesday celebrating "Bluebird Day" will be Franklyn Farnum and "Brownie" Vernon in "Bringing Home Father," a comedy drama written by H. O. Davis, general manager of Universal City, Cal., where the Bluebirds come from. Two live political topics—woman's suffrage and prohibition—are used in humorous combinaton to forward the motive of the story, but the application of these issues apply only as provocatives to laughter.

PERSONALS.

Mrs. Gordon, of Deseronto, is visiting her daughter, Mrs. Albert Walker, Zina St.

Miss Vera Chambers, of Toronto, spent the past two weeks at her home in Caledon.

Miss Ruth Coulter has been holidaying with friends in Guelph and vicinity for the last week.

—Orangeville business places will be closed on Saturday, which will be observed as a public holiday.

Mr. and Mrs. Kenneth Mackenzie, of Alliston, were the guests of the latter's parents, Mr. and Mrs. E. J. Arthur, over Sunday.

Mrs. J. Elgie and Miss Ettie Elgie, of Primrose, spent the week-end with the former's mother and sister, Mrs. and Miss Nichol, Third St.

Mrs. A. Cooper went to Toronto last Thursday for the third birthday of her little granddaughter, Barbara Cooper, daughter of Mr. and Mrs. G. Cooper.

Rev. J. A. Matheson, of Mono Mills, Clerk of the Orangeville Presbytery, was in Toronto on Friday attending the funeral of the late Rev. T. E. Bardley.

Mrs. E. A. Simpson is recovering satisfactorily from the effects of her recent operation in Lord Dufferin Hospital. The operation was entirely successful.

Mr. Charlie Reid, son of County Clerk J. C. Reid, has passed his final examinations at the College of Pharmacy winning honors. Congratulations Charlie!

Mr. A. J. Beatty, a former Hockley boy and a graduate of the Orangeville High School, is now Principal of the Lloyd George Public School in Hamilton.

Mrs. H. T. Fargey and three little sons, of Lariviere, Man., are visiting the former's parents, Mr. and Mrs. Geo. Perfct, West Broadway. Mr. Perfect motored to Alliston to meet his daughter and her family.

Doctor and Mrs. Edgar A. Pole, Hot Springs, Virginia, announce the engagement of their daughter, Judith Newton, to Mr. Newton Wylie, New York City, formerly of Toronto, the marriage to take place quietly on June 11th.

Mr. I. E. Smith, of Alton, who arrived home from France a short time ago, and Mr. L. C. Smith, formerly of Toronto, now of Kingston Training Camp, spent Sunday, May 11th with their sister, Mrs. E. A. Anthistle, of Aurora.

Mrs. (Dr.) T. A. Carson and daughter, Mary, were the guests of Mrs. Carson's mother, Mrs. John Kearns, and other relatives in town over the week-end. While here Mrs. Carson supervised the removal of her furniture which was taken to the city by motor truck on Monday. Dr. and Mrs. Carson are taking up their residence at 200 Howard Park Ave.

THE METHODIST CHURCH

Next Sunday morning there will be a special service for Children. It is also recognized as "Flower Sunday." Members of the Congregaton and Sunday School who have not been baptized are requested to present themselves for this ordinance.

Next Monday evening is in the hands of the Citizenship Committee and a very fine meeting is expected. Mr. Jack Aiken has kindly promised to give an address on his experiences in the Great War. Many will be glad to hear the address of this popular soldier. There will also be a good musical programme. All young people will be welcome.

MRS. JOHN M'EACHERN

In North Erin, on Saturday last, there passed away one of the oldest residents of the community, in the person of Mrs. John McEachern. Mrs. McEachern was born in Islay, Scotland, some eighty-nine years ago, and with her husband came to this country in 1876, settling in the township in which she died. The deceased was a woman of kindly disposition, and deep and fervent religious feeling, and was held in high esteem by those who knew her. For some years previous to her death she had been affected by the frailties of age, and during the last year and a half was altogether confined to bed. The suffering and distress incident to such a condition were borne with patience and quiet submission. In her case it may be said that religious faith did its perfect work. She leaves to mourn her loss her aged husband; a daughter, Mrs. Thomas McLelland of North Erin, and a grandson, John McLelland in Manitoba. The sympathy of the community is extended to these in their bereavement.

The funeral took place on Monday afternoon to Pleasant View Cemetery on the Ninth Line of Erin, and was largely attended by the friends and neighbors of the family.

FREDERICK PERFECT

Frederick Perfect, an uncle of Mr. Geo. Perfect and Mrs. John Harshaw, of this town, passed away quite suddenly at the home of Mr. and Mrs. Malcolm Smith, Lot 2, Con. 15, East Garafraxa, on Sunday at the age of 79 years. The old gentleman, who had lived with Mr. and Mrs. Smith for a number of years, was in his usual good health until Saturday morning when he failed to rise as usual. Later in the day Mr. Smith called in a doctor, but the physician was unable to do very much as it was a case of the inevitable breakdown due to advanced age. Early on Sunday morning the end came very quietly and without any suffering. Deceased was a brother of the late Robert Perfect, of Orangeville, and was formerly a familiar figure in and around Orangeville. He is the last member of his family. The funeral was held from the home of Mr. and Mrs. Smith to Greenwood cemetery on Tuesday afternoon. Rev. W. M. Morris conducted services at the house and grave. Mrs. R. E. Jackson, leader of St. Andrew's church choir, led the singing and also sang a solo, "There is no Night There". The pallbearers were Messrs. Geo. and Victor Perfect, Malcolm Smith, Robert Reid, John Harshaw and John Smith.

NEWS NOTES

Jacob Lambertus, hotel-keeper, of Terrawater, was fined $200 and costs for having intoxicating liquor on his premises.

Both the Rocsand and Pearson Gravel Pits near Erin village will be operated this year, and the men are busy getting things in shape.

W. S. Hamilton, for a short time in Dundalk, who has been for some time manager of the branch of the Union Bank at Cookstown, is giving up his connection with the bank to take a position in Toronto with the Canada Sheet Metal Products Co.

Harriston High School was seriously damaged by fire last week. The fire was caused by an explosion in the chemical room and was stubborn fire to fight owing to the dense smoke from the chemicals. The loss will be near $5,000, covered by insurance. The west side of the building was damaged principally from smoke and water.

Grand Valley Women's Institute presented Mrs. W. A. Britton with a jardinere in recognition of her service in Red Cross and other work. The institute also presented Miss Davey with a chain and gold cross pendant. Mrs. Britton is moving to Listowel and Miss Davey is going to Shelburne.

Among the novelties produced by the war is a machine for collecting barbed wire scrap in war-destroyed areas. The machine, which has a remote resemblance to a straw and hay elevator, is carried on caterpillar chain tracks. The wire scrap is picked up and cut into lengths and then dumped into cars or pressed into bales.

Three young Saugeen Indians appeared before Judge Klein charged with burglarizing Montgomery's tailor shop at Southampton on two different occasions. They got away with about a hundred dollars worth of goods before they were caught. All pleaded guilty. Alex. Penonquod, the youngest, was sentenced to nine months in the Ontario Reformatory and Ardyn Yahba and Jerry John to five months in gaol.

At the recent meeting of the Synod of London, a touching scene was enacted when the Moderator, at one stage of the proceedings, invited Dr. Colin Fletcher, Moderator of Assembly, to a seat beside him during that sederunt. The latter modestly consented contingent upon being allowed to take with him Dr. W. T. McMullen, the oldest living ex-Moderator of Assembly, brother of the late Senator McMullen, Mt. Forest.

A man who had paid a fee to a lawyer was unable to read a word of the receipt he had taken. Knowing that his friend the druggist was good at deciphering obscure chirography, he handed him the receipt to read. The druggist disappeared behind the prescription-case and in a few minutes returned with a bottle of medicine he had compounded and told his friend the price of the prescription was seventy-five cents.

A man in a lumber camp in Canada had come from the Old Country and did not realize what was expected of him. After the first morning's work—carrying baulks of timber about from one end of the camp to another—he went to the foreman and said, "Say, have you got my name down foreman. "Well, what have you got?" "'Simpson;' that is what you told me, isn't it?" "Yes," said the man, 'that's my name, but I thought you must have put it down as Samson!"

30 DROPS STOPS COUGHS HALF THIS FOR CHILDREN

GIVE KIDDIES A CHANCE

Every baby should have a fair fighting chance to survive the first year of life undamaged.

At present one baby in every ten dies before its first birthday, and more still die before they are born, but terrible as is this waste of valuable young life, the child damage rate is an even greater menace to the country.

Two-thirds of the children who attain school age are found to be suffering from preventable physical defects which entail suffering to them in the struggle for life.

The National Service figures show that 40 per cent of the male adult population are classed as C 3, and there is evidence to show that the statistics of the female population are closely similar.

The waste of life and this damage rate could be largely prevented.

At least half of these baby lives could be saved and made worth living—if we cared enough; if we, parents, doctors, teachers and all citizens, worked together to give the children a better chance.

Decide now that you will take some direct share in the campaign for saving the babies.

Give your own children every chance to grow up healthy citizens by ensuring that your home is healthy.

Dust and refuse should be burnt, flies destroyed, your rooms flushed with fresh air day and night, and your children supplied with regular meals of well-cooked, wholesome food and allowed ample sleep.

Take an interest in the children of your neighborhood.

Get all the information you can about Baby Welfare.

Visit the nearest Mothers' and Babies' Club or Infant Welfare Centre and offer your help to the committee.

Help to cultivate local public opinion in support of Maternity and Child Welfare work.

TORTURED BY RHEUMATISM

"FRUIT-A-TIVES" Brought Quick and Permanent Relief

MR. P. H. McHUGH

108 Church Street, Montreal.

December 10th, 1917.

"I was a great sufferer from *Rheumatism for over 16 years*, I consulted specialists, took medicines, used lotions; but nothing did me good.

Then, I began to use "Fruit-a-tives"; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, "*Fruit-a-tives*" *overcame my Rheumatism;* and now, for five years, I have had no return of the trouble. Also, I had severe *Eczema and Constipation*, and "Fruit-a-tives" relieved me of these complaints; and gave me a good appetite; and in every way restored me to health". P. H. McHUGH.

50c. a box, 6 for $2.50, trial size 25c. At dealers or sent post paid on receipt of price by Fruit-a-tives Limited, Ottawa, Ont.

A MELANCTHON PIONEER

The death of Mrs. Stephen Hudd at her home at Masonville, Melancthon, on Sunday, May 11th, removes one of the oldest and first pioneers of the township. Deceased was in her 95th year. She had been in poor health for several years and was also blind but was carefully looked after by her daughter, Mrs. Bond, who was unremitting in her attention and did everything possible for the comfort of her aged mother. The late Mrs. Hudd was a daughter of the late Wm. Silk, one of Melancthon's pioneers. The late Lewis Horning, after whom Hornings Mills is named, was the first settler in the township, and the late Wm. Silk came a year later, moving to the township in the early thirties. Stephen Hudd, her late husband, died about 53 years ago. Deceased is survived by three sisters; Mrs. George Broderick, Hornings Mills; Mrs. Richard Slack and Mrs. G. A. Redick of Toronto. The survivors of her own family are: Chas. Hudd and Mrs. W. H. Weir, Melancthon; and Mrs. Bond, with whom she lived. Mrs. Hudd was well known in and around Hornings Mills, where she spent practically her whole life, and was greatly esteemed by all who knew her. The funeral was held on Tuesday afternoon and interment took place in the Spring Valley cemetery in sight of the old homestead where she spent many years of her life. Services were held in the Methodist church here after the funeral.—Free Press.

PULP MILLS IN CANADA

The report on the pulp and paper industry prepared by the Dominion Bureau of Statistics shows that during the year 1918 there were in operation in Canada 101 mills producing pulp and paper, 37 of which were in Ontario, 45 in Quebec, 7 in Nova Scotia, 6 in New Brunswick, and 6 in British Columbia.

"Is this the genuine Dr. Chase's Nerve Food?"

"Yes, madam, we do not offer substitutes, nor do we believe there is anything to take the place of this great nerve restorative."

"WELL, it has been so strongly recommended to me that I do not want to make any mistake in getting the right medicine."

"You are not making any mistake in this, for we think too much of our reputation to try to talk you into taking something else."

"Do you sell much of Dr. Chase's Nerve Food ?"

"It is one of our largest sellers, and gives such universal satisfaction that it is a pleasure to recommend it to our customers."

But do you know of cases in which it has actually cured people of sleeplessness, headaches, irritability and nervousness ?"

"Scores of them, madam. Some people never say anything about the medicines they buy, but scarcely a day passes that we do not hear of some case in which Dr. Chase's Nerve Food has effected a cure. It is also great for anaemia, and all ailments arising from a thin, watery condition of the blood."

"Well, I am going to try it. How much is it a box?"

"Fifty cents a box, or six boxes for $2.75. Better take the six, for you save a little on the price, and you need that many to give it a fair trial."

"Do you think I will."

"Oh, yes, the process of building up the nervous system is necessarily slow. You will no doubt feel benefited after the first box or two have been used, but too many make the mistake of neglecting the treatment then instead of keeping on until the nerves are fully restored."

"Do me up the six boxes, then, for I hear of so many people being benefited by using the Nerve Food that I am going to give it a thorough test."

If your dealer does not have Dr. Chase's Nerve Food in stock, write direct to Edmanson, Bates & Co., Ltd., Toronto.
